AROUND THE COUNTY

ARTHUR BARLEMANN, JR. COUNTY AGENT

The Sterling County 4-H Club Range Judging team placed third in the State 4-H Club range judging contest last Wednesday at College Station. Team members were David Durham, Reynolds Lee Foster, James Morgan and Tommy Foster.

The Sutton County 4-H club team was first in the contest with 863 points. The Motley County team was second with 735 while the Sterling County team scored 729.

Over thirteen hundred 4-H Club boys and girls took part in the annual 4-H Round-Up on the campus of Texas A&M College. In addition, a number of county agricultural agents, home demonstration agents, and men and women adult leaders participated. A total of 25 different contests for boys and girls were held.

On Tuesday night, the participants were guests of the Texas 4-H Recognition Committee at a barbecue. Wednesday night, the Recognition Committee presented a program for the participants. The program, a variety show put on by a number of professional entertainers who have appeared on the major television shows, was very good.

Secretary of Agriculture Orville Freeman is to appear in Texas this week. He is speaking at a luncheon Saturday, June 17 in Temple, and that afternoon at 3:00 p. m. he will speak at Rosebud. He will make a major agricultural policy speech at Rosebud in the football stadium and the public is invited. Rosebud is a small town of about 1500 people near Temple.

Grasshoppers have started appearing the last week or so. Whether or not they will build up to a point of doing considerable damage is hard to tell—it's the big question. The adult grasshopper survey made last fall showed that there was an area of light infestation of adults around Carlsbad, Water Valley and northwestward to the point where Coke, Tom Green and Sterling Counties join. A smaller area of moderate infestation was located a little east of this area. The grasshopper control survey classifies a lightly infested area as one having from 3 to 7 grasshoppers per square yard; a moderate area has from 8 to 14 adult grasshoppers per

square yard. There are a number of insecticides that can be used to control the hoppers. The one used should be based on the use of the area sprayed. Certain chemicals cannot be used on areas where cattle are grazing unless grazing is stopped for 12 months if the chemicals are used as sprays. If used as baits (mixed with bran they can be used while grazing is going on.

One of the best-all around recommendations calls for toxaphene. Toxaphene can be used on garden crops up to seven days before harvest if the vegetables are washed well before using.

Next week is the date for the annual American Rambouillet Ram Sale in San Angelo. The sale will start with the showing of rams and stud ram selection and ABC pens on Tuesday. Rams will be available for inspection on Wednesday. The sale will be held Thursday.

This is a good place to buy good finewool stud rams. Breeders from all over the nation enter rams in the sale and usually buyers from much of the sheep country are in evidence buying rams.

L. F. and Clinton Hodges have entered 12 rams in the sale. For several years, they had the top selling ram of the sale.

Barbara Clark, Mitsy Davis and Bill Davis have picked up entry blanks for the Fifth Annual Reagan County Junior Rodeo. Dates for the rodeo are Friday, June 16 and Saturday, June 17. It starts at 7:30 each of those nights in the rodeo arena at Big Lake. Sponsors of the rodeo are the Reagan County 4-H Club and the Sheriff's Posse.

Events are calf roping, hair pulling, steer riding, barrel racing, pole bending, flag races, goat sacking and a boot scramble. There are three different age divisions: 12 years old and under, 13 through 15, and 16 through 18.

Lions Club Ladies Night Next Week

Friday night, June 23, has been set as the night for the annual ladies night and installation of new officers by the Sterling City Lions Club. Arthur Barlemann, Jr. will be installed as the new president replacing Leslie Payne.

Major Spears of the Texas Department of Public Safety, will be the chief speaker of the evening. The affair will start at 7:30 p.m. and will be held in the community center, it was said. All Lions members and their wives are expected, and all club members can bring guests, it was pointed out. If you plan to be present, please buy your ticket beforehand if possible. That would help the hostess know how many to prepare for.

The prize went to Eddie R. Braswell. Don Griffiths was a guest of Wayne Loury.

Engagement and Marriage

Mr and Mrs. Rance Hord announce the engagement and approaching marriage of her sister, Louise Bowen, to Mr. Robert Gartman on Sunday, June 18 at 3 p.m. in the Hord home. Miss Bowen is a daughter of Howell Bowen of Winters and Mr. Gartman is a son of Mr. and Mrs. T. A. Gartman of Sterling City.

Mad Dog Killed in Town Thursday

Sheriff Jim Cantrell killed a dog that was apparently mad—here Thursday morning. The dog wandered into the back door of Bailey Bros. and Mrs. Jim Bob Clark noticed him frothing at the mouth and called the sheriff.

County agent Arthur Barlemann herded the dog till Cantrell got a rope and roped it. Jim dragged it around to the back of the stores and shot it with a .410.

No one seemed to know who the dog belonged to.

Shower for Pettys

A gift tea shower for Mrs. Bernard Petty was held at the community center June 1. The shower was a pink and blue affair honoring the Petty's on the adoption of a baby girl. Pink and white decorations were used, and the centerpiece was pink and white.

Hostesses for the tea included Mrs. H. A. Chapple, Mrs. M. H. Hays, Mrs. Leroy Butler, Mrs. H. F. Donalson, Mrs. Roland Lowe, Mrs. Taylor Garrett and Mrs. Chesley McDonald.

Among out of town guests were Mrs. John Petty and Miss Bess King of San Angelo. Over 100 took part in the gift shower.

Recent visitors at the Murphys at the Motel included her son, Major David R. Cowling of Oceanside, Calif; Mrs. Chas. Clumsky of Malvern, Arkansas and Mr. and Mrs. Rupert Hale of Texarkana, Ark.

Don't make the mistake of being afraid you'll make one.

Driver Education

COURSE HERE AT THE SCHOOL FROM JULY 10 TO AUGUST 18

W. M. Romans of the Fortsan school will teach a driver education course at the Sterling school for six weeks—July 10 through August 18 it has been announced.

For six weeks the classes will be held from 9 till 12 each morning. Class will be limited to about 20 students and tuition will be \$25 for the course, said O.T. Jones, local superintendent.

Jones said that credit for the class would be given if a child would be 14 by the time the course was finished, and of course credit will go to the students 14 or older.

At Least It's Diverting

From the Ashville Citizen.

There is no other job that offers the compensations that writing editorials does unless, possibly, it is that of a bus driver.

On Monday you write a piece opposing sin, and that pleases the preachers. The sinners fuss a little, but not for publication. Tuesday you need because of peculiar conscience, to take a preacher to task for advocating bigotry. The clergy condemn you, citing chapter and verse.

Do you encourage the Republicans? Your Democratic friends accuse you of heresy. Or predict in advance an election outcome? Your Republican friends desert you in droves. You rant at Jimmy Hoffa and his nearsighted kind you get invited to a chamber of commerce luncheon. But rail at the doctrinaire dogma of the American Association of Manufacturers, you eat alone at the hot-dog stand on the corner.

There is, of course, a solution for all of this; perhaps several solutions: You could be careful to say nothing, though that, for sensitive men, is a delicate art. You could embrace a single position, aimed at pleasing a dominating class, and be assured, at least, of luncheon companions. — Or you could drive a bus. Either way, you meet such interesting people.

Likes Our Roadside Parks

Mr and Mrs. E. E. Reisenwever of Sheridan, Wyoming, came through here on a trip three years ago and were impressed with the niceness and beauty of the roadside park. They wrote Jim Butler, foreman of the State Highway Maintenance District here and complimented him on the appearance of the roadside parks of his district. They told Butler that his parks had the only flowers they had ever found in roadside parks.

Butler does keep his roadside parks up better and prettier than any other district foreman over the state that know about, and he keeps his department grounds up the prettiest of any we've seen.

Survivors May Be Eligible For Social Security Payments

Social security benefits may now be paid to survivors of workers who died between March 31, 1958, and January 1, 1940, if the worker had at least a year and a half of social security work before he died, says Floyd B. Ellington, manager of the San Angelo Social Security Administration District Office.

Before the Social Security Amendments of 1960, no monthly benefits were payable to the survivors of a worker who died before 1940.

Under the new law, if such worker had worked under social security for at least a year and a half, benefits are payable to his widow and dependent mother at age 62, to his dependent father at age 65, and to his disabled children who were disabled before they became age 18. This is true even if the family had collected the "lump sum" at the time he died.

For further information regarding this new provision, contact your social security office, 204 Continental Building, in San Angelo.

MODERN SWITCH

Reason things out with your children—it is the best way to whp them into shape

Our WASHINGTON Letter

After 11 years of litigation following enactment by Congress of a law requiring the registration of Communists, that law was upheld last week by a 5 to 4 decision of the Supreme Court.

This is a bitter pill for the Commies to take.

Gups Hall, the party's general secretary, said the ruling asks the Communist Party to commit suicide. We are not going to co-operate.

Hall said officers of the party would prefer to spend the rest of their lives in jail rather than betray the trust of the membership by making their names public.

A better place for them to spend the rest of their lives can hardly be imagined.

As would be expected, Chief Justice Warren and Justices Black, Brennan, and Douglas dissented.

Upholding the law against the Communist conspiracy were, as would be expected, Justices Frankfurter, Harlan, Whittaker, Stewart and Clark.

Under the law now the Communist Party must register a list of its officers and members. It must account for the money it receives. It must list all printing presses and machines it owns or controls

If it fails to do so within 30 days after final order is issued by the Subversive Activities Control Board, the Party can be fined \$10,000 a day. Members who violate the act can be fined \$10,000 and jailed for 5 years for each day they fail to register.

This is the second 5 to 4 decision against the Commies recently. Only two months ago the Court upheld convictions of two trouble-makers with long Communist connections for contempt of Congress. They had defied the House UnAmerican Activities Committee when questioned about their Communism.

The same Justices dissented in that blow against the pro-Communist tactics -- Warren, Douglas, Black and Brennan.

As a result of these and other recent decisions it begins to look as if the balance of power on that court has been tilted to the right, following a long series of pro-Communist decisions by a majority of the Justices.

Recent visitors have included Mr. and Mrs. A. G. Reville, Houston Harte and Houston Harte, Jr., of San Angelo; E. F. Vanderstucken, now of New York but formerly of Sonora; Wendell Mayes of Brownwood; Mr. and Mrs. E. R. Bane of Brownwood; and Bob Blackburn of Kerrville, now with FBI in Washington.

Hold Down That Lid!
 Take-It-Easy Outdoor Meal

Much of the fun of eating outside is relaxation. Away with work... and on with easy-do good food for a successful outing. Make it hearty, make it tasty and be prepared with meal plans for a sudden whim to go camping or eat outside close home. The same packable easily prepared foods will suit either occasion. Hearty sliced ham slices from canned ham, a skillet vegetable casserole, sliced tomatoes or a tossed salad, hard rolls, pickle relish and mustard, are the main part of the meal. For dessert have either canned or fresh fruit and cookies, or pick up an iced melon. Iced tea or fruit juice drink are choice beverages.

Grilled Ham

Cut canned ham in fairly thick slices and grill until lightly browned. Canned hams come in several convenient sizes. Better plan on a half pound of ham per person to allow second helpings for hearty outdoor appetites.

Skillet Vegetable Casserole

- 2 cans (1 lb. each) cut green beans
- 1 can (1 lb.) white potatoes
- Celery salt, pepper
- 1 can condensed cream of mushroom soup
- 1 medium size onion
- 1 cup diced cheddar cheese

Alternate layers of drained green beans and sliced potatoes in skillet, sprinkling each layer with celery salt and pepper. Mix soup and diced onion; pour over vegetables. Sprinkle cheese over top. Cover and heat. Stir once or twice while heating. Six generous servings.

Emerald Melon Salad

By Betty Barclay

MELONS are such wonderful menu helpers—and especially delightful teamed with lime-flavored gelatin for a hot weather salad. For instance, cantaloupe or honeydew melon captured in lime-flavored gelatin add a cool and colorful touch to luncheon or dinner. Try this Emerald Melon Salad with its hint of fresh mint to perk up appetites.

Emerald Melon Salad

1 package lime-flavored gelatin; 2 tablespoons finely chopped fresh mint leaves; 1 cup hot water; 1 cup cold water; 2 teaspoons lemon juice; 1 1/2 cups melon balls or cubes.
 Combine gelatin and mint. Add hot water and stir until gelatin is dissolved. Let stand about 15 minutes, strain, and add cold water and lemon juice. Chill until slightly thickened. Then fold in melon. Pour into 1-quart mold or individual molds. Chill until firm. Unmold. For salad, serve on crisp lettuce with mayonnaise. Makes 6 servings.
 *Cantaloupe, honeydew, and watermelon may be used.

For a Beautiful Cake!

By Betty Barclay

HEAVENLY frosting, delicately honey-flavored, and covered with frosty-white flaked coconut, makes a "beauty" out of the simplest of cakes! You can use bakers' cake layers; or you can make layers or a large loaf from a mix, or from your own favorite recipe.

Coconut Honey Frosting

2 egg whites; 1 1/2 cups sugar; 1/4 teaspoon salt; 1/2 cup water; 2 tablespoons light corn syrup; 2 tablespoons honey; 1/2 teaspoon vanilla; 3/4 cup Angel Flake Coconut.
 Combine egg whites, sugar, salt, water, corn syrup, and honey in top of double boiler. Beat 1 minute until thoroughly mixed. Cook over rapidly boiling water, beating constantly with sturdy egg beater (or at high speed of electric beater) 7 minutes. Remove from boiling water. Add vanilla and beat 1 minute or until thick enough to spread. Frost cake and sprinkle with flaked coconut. Makes 5 1/4 cups frosting or enough to cover generously tops and sides of two 9-inch layers.

Never in history have so many international axes been on the grindstone at the same time.

UNIVERSAL COMPLAINT

A man wouldn't mind having his income taxed if he wasn't already taxed to stay within his income.

Pity the grouch—he's a guy who has sized himself up and got sore about it.

Many a man preaches economy, but leaves it up to his wife to practice it.

SHOWERS WEDNESDAY

Showers around noon here Wednesday dropped 4 inch of rain here in town. Somewhat spotted, the moisture was welcome even in the places of scanty fall. The ranges needed moisture to keep things green.
