AROUND
THE
COUNTY

ARTHUR BARLEMANN, JR. COUNTY AGENT

Diana Cole has purchased three registered Angora doe kids for her 4-H Club project. The doe kids were purchased this week from Herbie Oehler of Harper, a well known Angora breeder.

There are two livestock shows on the spring circuit that have junior shows for Angora goats. The shows with classes for the club members are San Antonio which has had a junior class for several years and San Angelo which had its first goat show last year. Dallas and Abilene have goat shows on the Fall fair circuit.

To the best of knowledge, Diana is the first Sterling County club to embark on pro-in 4-H club work. In the counties where goats are a major enterprise, it is popular with the club members.

The coming of cold weather increases the tendency to close the windows in the home to keep out the cold air. It is also a natural tendency when traveling in a car. These tightly closed places increase the danger of carbon monoxide gas poisoning.

Many deaths result from carbon monoxide poisoning in Texas each year. It is a colorless, odorless, and tasteless gas formed when high fires in the home are burning. Improper ventilation, clogged flues, unvented gas stoves, defective gas stoves, or leaky exhausts on the car are the main causes. Letting a car engine run in a closed garage is another cause of this poisoning.

When driving, keep a vent or window partially open. In the home, keep windows open. If heaters are left on at night, this is especially important. Symptoms of carbon monoxide poisoning include headache, dizziness, eye blurring, nausea, drowsiness, and fluttering or throbbing of the heart. The drowsiness often causes drivers to blackout or fall asleep with an accident often resulting.

Check your heating equipment for venting, keep a window open for fresh air, check the exhaust system of the car, and drive with an open wind-

ow. The accumulation of leaves now in the yard can provide you with compost for your garden or flower bed next year. Besides, making compost of the leaves is a good way to get rid of them without burning them with the resultant fire hazard and smoke involved.

Compost making is simple. Four posts with scrap lumber or net wire are the only materials needed. Start your compost pile with a six inch layer of leaves and for every four square feet of enclosure, sprinkle one-half cup of commercial fertilizer such as 8-8-8, or 16-20-0, over the leaves.

After the fertilizer is added, apply a one-half to one inch layer of soil, then additional layers of leaves, fertilizer, and soil. When the pile is as high as desired, leave the top layer somewhat saucer-shaped so it will hold over water. In three or four months, the leaves will decompose and make excellent material for increasing the organic matter in the gardens or beds next summer.

Cancer Cancer Group Meets

The Sterling County Cancer group met at the community center on November 21. Jim Rose, field representative and a Mr. Shafer, with the State Cancer Society, were present. They showed a film, "The Total Picture" to the group. Rose gave a report of the units in this district during the year.

Ross Foster presided at the meeting. John Gibbs gave the invocation. Ross Foster was elected as president. W.R. Brooks, vice-president and Mrs. Stanley Horwood, secretary at an election of officers.

H. L. Hildebrand and Mr. and Mrs. Ross Foster had attended the district meeting in Junction earlier this fall.

Ross served coffee and donuts at the meeting.

Night Deer Hunting Rather Costly

Four men were fined \$200 and costs each, total of \$227 in County Court here on being guilty of killing a deer at night with lights. The four were charged with the game violation in Judge W.R. Brooks' court by game warden W. T. Rinehart. Highway Patrolman Dale Bryce and deputy sheriff W. G. Fincher caught the four.

The men were dumping the carcass of the buck when the officers stopped to investigate and the hunters story came out. Brooks set their fine at the \$200 maximum on the charge of hunting deer with artificial light.

The men were Doyle David Howland, Jerry Oslan Manly, Jerry Edward McDonald and Roy Wilson Syrus, all of Lubbock, it was said.

Anyone for Vassar? Representative of 7 Eastern Women's Colleges To Visit San Angelo

NEW YORK, N.Y.—Girls in the San Angelo area who want to go to an Eastern women's college are invited to discuss seven of the nation's leading liberal arts college for women with Miss Claire Hendrixon, Field Director of the Seven College Conference Scholarship Program, who will visit San Angelo December 6 thru 8.

The Seven College conference includes Barnard in New York City; Bryn Mawr in Pennsylvania; Vassar in Poughkeepsie, N. Y.; and Mount Holyoke, Radcliffe, Smith and Wellesley, all in Massachusetts. These colleges offer scholarships to outstanding applicants from midwestern, southwestern and western states each year. In 1961 seventy-five students from these areas received grants totaling approximately \$114,000.

Miss Hendrixon will arrive in San Angelo on Wednesday, December 6 and will stay at the Cactus Hotel, Oakes and Twohigh Streets. Students or groups whose schools have not scheduled advance appointments with Miss Hendrixon may contact her at the Cactus Hotel. She will discuss admission requirements, academic programs, and college life at the seven college as well as the available scholarships.

A 1956 graduate of Smith College, Miss Hendrixon's headquarters this year are at Barnard College.

To State PTA Convention

Mrs. Chesley McDonald of Sterling City, president of the 16th district PTA, is in Houston for the State PTA Convention. She left Sunday afternoon.

Pfc. Bobby Dunn, son of Mr. and Mrs. C. J. Dunn, was in Sterling visiting during the holidays. He is stationed in the Army at Fort Carson, Colorado.

Cub Pack Meeting Monday

The Sterling City Cub Pack will meet Monday night at 7:30 in the Legion Hut, said Cubmaster Jack Peel this week. Den Mothers are Mrs. Foster S. Price and Mrs. Joe Blank.

Peel said all parents of the Cubs are urged to be present at the Pack meeting.

Mrs. Anna Belle Keller and Miss Bess Gibbs, both of Seguin, aunts of John Gibbs, visited the Gibbs family here during the Thanksgiving holidays.

Wilbur Stone, student of Texas Western, El Paso, was here visiting during the holidays. Wilbur is a geology major at Texas Western.

Thanksgiving visitors at the home of Mrs. James McEntire were Mrs. Harold Gober and daughter, Linda, of Lubbock.

LIONS CLUB

The Sterling City Lions Club met Wednesday noon in the community center for the regular weekly luncheon. Rex McCleave presided in the absence of president Arthur Barlemann. John Baldwin was a guest. The prize went to Leslie Payne.

The members voted to extend the bag of bulbs sale until December 13. So far, over \$80 profit has been made on the sale by club members, it was reported by club secretary Hubert Travis.

It was announced that the Christmas lights were being put up the day of the meeting by the West Texas Utilities Co. The Christmas lights will decorate the town until after New Year's.

R. P. Brown reported that he had paid the state 2% sales tax on rental house rents and had received a letter from the state comptroller saying that there was no sales tax on real estate rentals, and he could get his money back by filing the proper affidavits, etc. They had deposited the check already.

North Concho River Soil Conservation News Column

This is the time of the year when ranchers should take inventory of their grasses. To keep within proper use of range grasses there should be approximately half of this year's growth left about April 1 or the beginning of the growing season next year.

Land owners or operators desiring to carry out brush control or any other range or field improvement program with help of the Great Plains Conservation Program, should make application at the local Soil Conservation Service office. This will help avoid the rush period in the spring. As it takes approximately 30 days to complete a Great Plains contract.

Elected To Board of Students Organization

Robert Carter has been elected or named to the Board of Students Organization at Texas Tech, which is a board composed of 14 students, a legislative board which serves as a medium of communications between the administration, student council and the students. The office carries with it an all expense paid spring retreat at Cloudford, N. M.

The Rev. John Gibbs, pastor of the First Methodist Church is teaching in a school for Church School Teachers at Corpus Christi this week.

BUSIEST 4-H'ERS IN TEXAS

Tom Lutes

Beverly Slate

The two Lone Star Staters who are this year's award winners in 4-H achievement programs sponsored by Ford Motors are Beverly Slate of McKinney and Thomas Lutes of Arlington. Both will receive certificates of recognition and in addition Tom will get a \$150 college scholarship. The pair was selected by the Cooperative Extension Service.

Tom, 17, son of Mr. and Mrs. M. C. Lutes, has been a 4-H member for nine years, and has developed into an outstanding young poultry farmer. He also has been successful in raising beef, turkeys and rabbits, and doing projects in electricity and tractor operation. Electrical know-how has been especially useful in his poultry project, Tom says. He reports earnings banked from poultry and other projects totaling some \$5,000.

As this year's local 4-H Club president, Tom is proving his 4-H leadership ability. He is a frequent speaker, demonstrator and judge throughout the community. He was named outstanding junior and senior 4-H boy in Tarrant county and was recipient of the 4-H gold star award.

Beverly, 18, daughter of Mr. and Mrs. Jesse Slate, has been in 4-H eight years.

Since she lives and helps her family on a 200 acre Collin county farm, Beverly has completed many 4-H projects in foods, clothing, homemaking and gardening. She applies safe practices in her poultry and dairy projects. Her entire family is 4-H oriented. Her mother is a local 4-H leader.

Beverly has been junior leader for the past four years working with nearly 70 members.

You Have to File For Social Security

Many people may be losing social security benefits according to Floyd B Ellington, Manager of the San Angelo Social Security Office, because of failure to file an application for payment.

Most of them are aware of the \$1200 yearly earnings restriction for social security beneficiaries, but may not realize that they are eligible for some benefits even if their earnings are more than \$1200 per year.

An employee can receive a check for any month that his earnings are \$100 or less regardless of his total earnings for the year. A self-employed person can receive a check for any month he does not render substantial services in the operation of his business, regardless of his net profit for the year.

Anyone who earns over \$100 in every month, and over \$1200 in the year as well, may still be eligible for some payments. Each two dollars earned between \$1200 and \$1700 a year, costs only one dollar in social security benefits; over \$1700, each additional dollar reduces benefits one dollar.

Ellington said that anyone who has reached retirement age should inquire at his nearest social security office. He may be losing benefits by not applying now.

Teen-Agers Add Lively Lift To New March of Dimes Drive

Slave auctions in this Civil War Centennial Year?

It can—and does—happen here, with the flower of American youth on the block.

But in this century, there's a difference. Now it's all in a good cause. Members of the New March of Dimes Teen Age Program (TAP) auction their services to the highest bidder among local merchants. The money goes to support The National Foundation - March of Dimes attack on birth defects, arthritis and polio.

It's all part of TAP members' lively approach to volunteer community service. They also sponsor walkathons (shades of the Thirties!) in which teams from rival schools move toward the finish line as dimes are contributed. They dance for dimes at casual sock hops and formal balls, man concessions at school sports events, and hold community car washes.

Through such ingenious fun-for-funds projects, TAPs raised nearly three-quarters of a million dollars during the 1961 March of Dimes.

For the 1962 New March of Dimes in January, tens of thousands of the youthful volunteers are literally "on TAP." In more than 75 per cent of The National Foundation's 3,100 local county chapters, active TAP committees are determined to hit new highs in fun as well as funds.

Adult advisors who work with TAPs point out that underlying the outward frivolity of the teenagers' projects is a deep awareness of the need for increased research and progress in the fight against crippling birth defects, arthritis and polio. During the year, many youngsters assist in local patient services by reading to disabled children, writing letters for severely crippled arthritics or working as hospital aides.

A prime year-round responsibility of TAP members is distribution of information about National Foundation Health Scholarships to students in high schools and colleges. Each year, more than 500 four-year scholarships with a full value of \$2,000 apiece are offered for study in medicine, nursing, physical therapy, occupational therapy and medical social work. TAP members know the desperate need to reduce the shortage of manpower in the health professions by encour-

TOP TEEN—Katherine Anne (Katie) Keith, 18, of Columbia, Mo., has her hands full as newly-appointed chairman of the 1962 New March of Dimes Teen Age Program (TAP).

aging students to undertake careers in these fields.

Leader of the Teen Age Program for the 1962 New March of Dimes is national chairman Katherine Anne Keith, 18, of Columbia, Mo. Blonde, brainy and born to be busy, Katie will handle her major responsibilities as top TAP while she pursues an ambitious freshman schedule at the University of Missouri.

On the basis of past performance, juggling scholarship and volunteer service won't intimidate Katie. She was 1961 Missouri state TAP chairman during her strenuous senior year in high school. Under her leadership, Missouri TAPs showed record gains in membership, services to chapters and funds raised for the March of Dimes.

At the same time, Katie maintained grades that ranked her third in her graduating class of almost 300 students. She was a National Merit Scholarship finalist and received the Kiwanis Good Citizenship

award. She was business manager—and occasional sports writer—for the school paper treasurer of the National Honor Society, queen of the major social function of the school year, had a lead role in the school play, "Teahouse of the August Moon," and actively participated in math, history, English and French clubs.

She also teaches a Sunday School class at Missouri Methodist Church in Columbia.

After a summer in Europe, including study at the Sorbonne in Paris, the energetic Katie began to plan for a banner year of TAP activity for the March of Dimes.

"Teenagers who are looking for a sense of satisfaction along with fun and friendship are missing a bet if they don't check TAP activities in their local March of Dimes chapters," she said. "A TAP committee isn't just another youth organization—it's not merely a club to serve youth. Instead, it gives us an opportunity to serve our communities."

REWARD NOTICE

A reward of \$500.00 will be paid by the Texas Sheep and Goat Raisers Association to any person (other than law enforcement officers) giving information causing the arrest and final conviction of any person or persons found butchering or stealing any sheep or lambs or goats belonging to any Association member in good standing. When two or more persons give information, the above sum will be divided at the discretion of the Board of the Association. When two or more defendants are involved in a single crime, the total reward is limited to \$500.00, but the conviction of one defendant, even though the other defendants are acquitted will entitle the claimant or claimants to said sum of \$500.00. All claims must be submitted within ninety (90) days following conviction. If, upon conviction, a defendant confesses other thefts, no additional reward will be paid. All decisions concerning the payment of such reward and the conditions of payment will be made by the Board of Directors of the Association. TEXAS SHEEP & GOAT RAISERS ASSOCIATION

The comies didn't register and they ain't in jail. Now the last time I was in jail it didn't take no ten years of legal wrangling to decide what to do with me. The Federal Judge said ninety days in jail, period. He didn't for anything I asked for I wasn't going to get anyway. The only thing I had done (that they knowed of) was sell whiskey to the wrong man. And thousands and thousands all over the country was doing the same thing.

We wasn't advocating overthrow of the government. We was trying to make a living. The F.B.I. knows who them birds is. I wonder why they don't grab them and throw them so far in jail that they will have to shoot beans to them with A two barled shotgun.

If they do throw A few of them in the jug they will get bond, hire him A mouth piece and the wrangle will start all over again. And as long as he has the money to hire A GOOD mouth piece he has A good chance of staying out of the jug.

Some of the smart comies said that A Yankee would sell the rope that was going to be used to hang him with if he could make A profit.

For A long time the Denver Post paper put at the top of every crime item, "Crime Don't Pay". I often wonder about that saying. And more especially when I look around and see so many rich (pettifogers) lawyers. And when you take A look at the crowded conditions of the Penitentaries with men that didn't have the money to hire a good mouth piece. Guilt or ennocense is ERREV-ALENT. EMMATERIAL AND NOT PERTAINING TO THE CASE.

Surprise Cupcakes!
By Betty Barclay

THE easiest and best way we know to dress up plain cupcakes is to (1) sprinkle them with confectioners' powdered sugar and (2) cut a cone-shaped piece from the center of each. Fill the hollow with Chocolate Cream and tuck the cone into this creamy filling.

Chocolate Cream Cakes
1 package chocolate pudding and pie filling; 2½ cups milk; 1 tablespoon sherry (or sherry extract); 8 cupcakes, baked in tart pans, if desired, or store-bought; Confectioners' powdered sugar.

Combine pudding mix and milk in saucepan. Cook and stir over medium heat until mixture comes to a full boil. Remove from heat. Pour into bowl. (To avoid surface film, place waxed paper directly on surface of hot pudding.) Chill. Before serving, add sherry. Then beat slowly with rotary egg beater until smooth and creamy.
