VOL. 70

"Since 1890"

PUBLISHED EVERY FRIDAY AT STERLING CITY, TEXAS

APRIL 27, 1962

No. 17

AROUND THE COUNTY by

ARTHUR BARLEMANN, JR. COUNTY AGENT

According to an April 18 announcement, the screwworm transport control line has been moved farther north. The line now extends from Del Rio to Sonora to Junction to Fredericksburg to Blanco to San Marcos to Luling to Gonzales to Hallettsville. Wharton, and Matagorda. Screwworms have been found as far west as Sander son in Terrell County and as far east as Brazoria. Two hundred cases developed during the week of April 11-18.

Five specimens were sent in from Sterling County in the first three days of the week. One specimen sent in last Friday has been classified as negative or not screwworms. As more ranchers shear, more samples will probably be coming in for mailing.

When you find what you suspect are screwworms, contact the county agent's office for shipping containers. Take about 10 worms from the wound, place them in a small bottle of alcohol or water, and bring them in for shipping.

The Texas screwworm eradication program has been given a big push with the states of Louisiana, Oklahoma, and New Mexico now officially cooperating in the program. They are organizing on the same basis as Texas.

As of April 1, 247 Texas Counties were organized and working on the program. This leaves seven counties as unorganized. The majority of these counties are in the Panhandle area of the state.

Fifteen million flies are being produced weekly but by April 24, production was to reach 20 million. By July 1, when the Mission plant goes into operation, 75 million flies will be produced weekly.

The District 7 4-H Club elimination contests will be held Saturday, April 28 at the San Angelo College. These contests will determine which teams compete in the State 4-H Contests at College Station in June.

Twelve Sterling County 4-H club members are training for the various contests. They will enter three different contests of the 29 to be held Saturday. Seniors in training are: Larry Stewart, James Morgan, Jack Clark, David Foster, David Durham, Rosanne Foster, Bill Allen, Barbara Durham, and Jeanie McDonald. Juniors are Debbie Reed, Mike Payne, and Charlotte Foster. They will enter the range judging contest, the grass identification contest, and the range conservation team demonstration.

Eddie Braswell, county office manager of the ASCS, advises that all applications for payments on wool and unshorn lambs must be signed on or before April 30. Under the provisions of Wool Incentive program, receipts for wool and lambs sold between April 1, 1962 and Mar. 31, 1962 must be turned in to the local ASCS office and applications signed by April 30, Monday, if you are to receive payment.

He also says that they will start taking requests for cost-sharing practices on Tuesday, May 1, 1962 at 8:00 A.M. on a first come-first served basis.

Dr. O.E. Sperry of the Agricultural Experiment Station was in the county Tuesday checking on the perennial broomweed control work done last April on the Dayton Barrett ranch. He is seeking means of controlling the broomweed which is becoming a nuisance in much of West Texas. Eight plots were sprayed last year and results will be further checked in June when counts are made on the plots. Since the broomweed is a perennial, a year must elapse before counts can be made.

On the basis of his inspection

OUR WASHINGTON LETTER

By Congressman O. C. FISHER

If the people in southwest Texas had their way about it there would be no medical care program under social security; no federal school aid; no UN bond purchase; no expansion of the Peace Corps and the Congress would retain its constitutional responsibilities rather than delegating some of them to the President, on a standby basis.

Results of tabulation of the questionnaires just completed reveal an aroused public interest in governmental affairs in our area. Plugging for lower federal spending, fewer controls, less government in the affairs of the people, Texans spoke out strongly and decisively in answer to the 24 questions submitted.

On the question of expanding the Peace Corps (whose mission is largely a duplication of Point 4) 79 per cent were against and only 9 per cent favored more spending on this project.

The people voted more than 4-to-1 against the medicare proposal, the adoption of which would force an increase in the social security tax.

Federal school aid was defeated more than 3-to-1. In fact, of 382 teachers who answered, 289 were opposed to federal aid for teachers' salaries.

"Right to work" laws were favored by well over 10-to-1. And 81 per cent for and 6 per cent opposed a law requiring labor unions to confirm to antitrust laws on the same basis as private corporations and business enterprises are now required to do.

Nearly 75 per cent oppose any expansion of unemployment compensation. Hundreds of citizens wrote in to cite specific instances of abuses in this program, where unemployed refuse to seek or accept gainful employment so long as they can draw unemployment benefits.

And they take a dim view of the various new welfare programs that they have been submitted to the Congress.

By a margin of nearly 5-to-1 these Texans think we should forego any raises for government employees at this time.

And by a ratio of better than 2 and one-half to 1 the people oppose H.R. 3745, a World War I pension bill.

Foreign aid should be confined to friendly countries, and it should be reduced or eliminated.

This is the voice of the people of the 21st district. Some 15,000 expressed themselves. This represents a fairly accurate cross-section of public opinion.

Mr. and Mrs. Charles Harris and daughter, Jill, of Amarillo spent the Easter holidays here with Mrs. Harris' mother, Mrs. D. C. Durham and other relatives.

Tuesday, he is planning some further work for this year, probably in June if moisture is available. His aim is to find an economical means of controlling the weed which is poisonous to livestock.

## Little Mark Floyd Fatally Burned Sunday

Funeral services for little Charles Mark Floyd, 3-year-old son of Mr. and Mrs. Jimmy Floyd of Midland, were held there Tuesday afternoon at 3 p.m. in the Ellis Funeral Chapel and burial followed in the Resthaven Cemetery.

Little Mark died at 12:04 a. m. Monday in Midland Memorial Hospital from burns suffered while his father was starting a barbecue fire.

The mother of Mark is the former Ginger Lane, the daughter of Mr. and Mrs. Ray Lane of Sterling.

Investigators said the child was playing nearby as his father, Jimmy Charles Floyd, 29, and his grandfather, L. B. Floyd of Fort Worth, were starting the fire. They ran out of charcoal lighter fluid and were using gasoline from a glass jug. As the child's father sloshed the gasoline on the fire the fire flared up and he dropped the jug on the concrete floor of the garage. It shattered and flaming gasoline covered the child.

The child's father suffered second degree burns on his legs and an arm and is in Midland Memorial Hospital. The senior Floyd, who had second degree burns on his arms and first degree burns on his face, was treated and released from the hospital.

The family had been living in Midland since last October, moving there from Fort Worth. The child's father is a sales engineer for American Manufacturing Co.

Survivors include the parents; a sister, Teresa Renee Floyd; his grandparents, Mr. and Mrs. Floyd and Mrs. and Mrs. Ray Lane—of Sterling City; and a great grandmother, Mrs. Teresa Lane of Brownwood.

## SCHOOL LUNCH ROOM MENUS

MONDAY, APRIL 30

Tuna Salad  
Scalloped Potatoes

Buns  
Apple Crisp

## Spring Banquet Set DAVID READ TO SPEAK AT SPRING BANQUET

MAY 12

David Read of Big Spring will be the speaker at the annual spring banquet here at the school on the evening of May 12. Such an announcement was made by Cecilia McDonald of the FHA chapter here on Thursday. Cecilia said Read would talk on "Our American Heritage." Mr. Read is currently serving as state representative from this legislative district.

Invitations to the banquet are being mailed this week. The affair will be held in the school gym as in the past.

The banquet and program is sponsored by the Future Home Makers Chapter of the school.

## P-TA Officers To Be Installed Monday

The final Parent-Teacher Association meeting of this year will be held at the school auditorium next Monday, April 30 at 3:15 o'clock, reminding president Mrs. Ross Foster.

Mrs. J. H. Homan of Big Spring will act as installing officer and the officers for next year will be installed.

A style show will be put on by freshmen students of the local homemaking class following the business portion of the program. Also, a presidents tea will conclude the meeting and be held in the lunchroom, it was said.

## HELP IS NEEDED Will You Help?

Roy Martin was taken to a San Angelo hospital for gall stone operation over the week end and there it was found that he had a clotted artery behind his heart, which was to be operated on by a heart and artery specialist. He will be taken to a Houston hospital next Monday for the job by the only surgeon in Texas that can do the job, it is said.

The Woodmen of the World local lodge are helping with Roy's expenses, but friends of the Martins want to send his wife along with him. Her expense money is to be raised by donations from interested friends, said Mrs. Eldon Potts. Anyone who can and will donate to a fund for her expenses are asked to do so. Mrs. Potts said money could be donated by mailing or handing it to Sheriff Jim Cantrell, who agreed to accept money for that purpose.

## Attending State FHA Convention

Lois Ethel Price, Cecilia McDonald, FHA chapter officers and Miss Radora Massey, sponsor, are in Dallas this weekend attending the State Future Homemakers Convention. They left Thursday morning and will return Sunday.

A young forester from Northeast Texas has returned from the 40th National 4-H Club Congress in Chicago.

Alan Dreesen, of Jefferson, celebrated his 17th birthday anniversary while attending the week-long congress on his expense-paid trip provided by

Dreesen

the American Forest Products Industries, Inc. The youth was one of 12 4-H'ers from different parts of the country to earn trips to the event through excellence in forestry.

More than 1,400 4-H'ers from every state took part in the congress, attending banquets, a pop concert, sightseeing, dancing, and getting a chance to make friends with youths from far off places.

Young Dreesen began his forestry work when he was 10—planting 1,000 pine seedlings on four acres of his parents' 221 acre farm in Marion county.

Since the first planting, he has put down 1,500 more seedlings while harvesting some of his first crop for pulp wood.

He credits 4-H training with his ability to prune and mark trees and for his plans to create fire lanes to protect, as he describes them, "nature's stationary giants."

One of four children, he is a son of Mr. and Mrs. Wilborn J. Dreesen.

## May 5 Date for Democrat Primary

### Lions Hear About Screwworm Fight

Alvie Cole, chairman of the Sterling County Screwworm Eradication setup, spoke on the fight to eradicate screwworms in Texas at the Lions Club luncheon Wednesday.

Alvie said that 247 Texas counties have been organized and money collected to help in the eradication program in the state. The federal government is paying half the costs and livestock raisers are attempting to raise their half of the six million needed.

A new plant to breed the flies and sterilize them is being built in Mission, Texas. The sterilized flies, both male and female, are released over areas where screwworms are known to be, and the problem works itself out from there.

Two guests besides Cole were present, being Mike Kisco and Carl Field, both of San Angelo.

President Arthur Barlemann named a nominating committee that will report back with nominations next week. He named Leslie Payne, Jack Douthit and Seth Bailey.

The prize went to W. R. Brooks.

### Mother of Mrs. Ewing McEntire Dead

Mrs. Jesse Heath of Levelland, Texas, died last Friday at 10 p.m. in Levelland. Funeral services were held in Levelland at 2 p.m. Sunday and graveside rites were conducted at Caddo, Oklahoma where she was buried.

Mrs. Heath, the mother of Mrs. Ewing McEntire of Sterling City, formerly lived in Colorado City.

Survivors include her husband; three daughters, Mrs. Joy Corvin, Mrs. Louis Blackburn of Houston, Mrs. McEntire of Sterling, and a son, Jesse Heath of Midland and seven grandchildren.

### HOSPITAL NOTES

Patients in the Sterling County Hospital on Thursday morning of this week included—

Will Meyer  
Billy Gartrell  
Dismissals since Thursday morning of last week included—  
Joe Drennan  
Roy Martin

Saturday of next week, May 5, is Democratic Primary election day here and over the state. Some counties are also holding a Republican primary that day, too.

The usual polling places over the county will be open on that day. They include the courthouse, Roy Foster ranch house, Tom Humble ranch home, the Ed Bynum ranch on the divide with Ben Brown as the judge, and the N. H. Reed ranch home. Judges are O. T. Jones, Mrs. Tom Humble, Ben Brown, Bill Blair and N. H. Reed. The absentee votes will be counted by the special canvassing board in the court house that afternoon. Roland Lowe is judge, and helping there will be Mrs. Martin C. Reed and Seth Bailey.

Mrs. Harold Gober and her daughter, Linda Gail, of Lubbock were Easter visitors at Mrs. Gober's mother, Mrs. James McEntire.

Jackie Cole, senior student in Texas Christian University at Fort Worth is substituting for Mrs. Irene Lane in the 1st grade Latin-American class this week. Jackie has been doing practicing teaching in one of the Fort Worth high schools this year.

The Rev. Sherman Conner, pastor of the First Baptist Church here, is in Rocksprings this week leading the singing in a revival meeting. The Rev. Leslie Johnson of San Angelo will preach here for the absent pastor, both morning and evening services.

Mr. and Mrs. Mims Reed and little daughter, Kelly, of Lubbock spent last weekend here visiting his parents, Mr. and Mrs. Martin Reed.

### He Got the Snake

Boosey Glasscock said he crawled under the trailer house at his place late one afternoon last week to tighten a water connection with some pliers. He said a little rat snake was under the trailer and it made a pass at him. He caught it just behind the head in one hand and had it in such a position that it could not bite him. Then he took the pliers and clamped them around the snake just below its head.

Then Glasscock said he crawled out from under the trailer and got good and scared.

In case of fire dial 8-4771.

## THE AMERICAN WAY

It's the Customer Who Pays—and Pays—and Pays

**Absentee Voting**

Absentee voting for the first Democratic primary of May 5, started on Monday, April 16, said Democratic chairman Jack Douthitt this week. Voters who plan to vote absentee in that election will vote at the county clerk's office here between April 16 and May 1, it was said.

There are no contested offices in the county or precinct races here, but there are several district and state contested offices.

The Republican Party does not plan to have a primary election here, it has been announced. The Democrats will have the primary over the county in the boxes at the courthouse, Roy Foster ranch

**Navy Now Accepting Three Year Enlistments**

The Navy will accept volunteers for the first year term enlistment and will permit certain young men to reenlist for two or three years in an experimental program, Vice Admiral William R. Smedberg, III, Chief of Naval Personnel announced today.

The experimental program has been placed in operation, Admiral Smedberg said, to meet the increased readiness posture of the Navy and the Nation. It will remain in effect until June 30th, 1962. The three year enlistment program is open to men who have had no prior military training. Under the reenlistment program, eligible personnel who have been released from active duty may reenlist with an option of up to 30 days advance leave. Formerly, broken service men reenlisted for four or six years with no advanced leave authorized. Admiral Smedberg said this new experimental program would afford young men of the country an opportunity to train and serve patriotically while learning of Navy life with only a three year commitment.

The experimental program will in no way effect the Navy's current stay in school policy, young men will continue to be encouraged to stay in school.

**BUSINESS OPPORTUNITY**

Man or Woman to service and collect from cigarette, ice, and other operated dispensers in this area, this is a very good position that can be worked full or part time. Person we select must have good serviceable car and 10 or more spare hours a week and \$500.00 to \$2500.00 cash capital. Write giving name address and phone no. and all details to P.O. Box 601, Arkadelphia, Arkansas.

**BUSINESS OPPORTUNITIES \$400 MONTHLY, Spare Time.**

Refilling and collecting money from New Type high quality coin operated dispensers in this area. No selling.

To qualify you must have car, references, \$600 to \$1900 cash. Seven to twelve hours weekly can net up to \$400 monthly. More full time. For personal interview write P.O. Box 1055, Boise, Idaho. Include phone number.

**APRIL 30 IS DEADLINE FOR FILING 1961 WOOL APPLICATIONS FOR INCENTIVE PAYMENT**

Monday, April 30, is the last day for filing applications for payments for the 1961 marketing year under the wool payment program, growers were reminded April 25 by Eddie Braswell, County Office Manager of the Agricultural Stabilization and Conservation Office for Sterling County.

The payments for the 1961 marketing year cover shorn wool and unshorn lambs marketed not later than March 31 of this year. Later marketings will be eligible for payments

for the 1962 marketing year. Mr. Braswell stressed the fact that the payments on wool and lambs are not made automatically -- growers must file applications which are supported with all the necessary sales records in order to receive payments under the program.

Since these sales records will be the basis for calculating the national average price received by farmers for wool during the entire marketing year, it is to the grower's advantage to file his application early. When the average price can be determined, the payment rates for shorn wool and unshorn lambs sold during the 1961 marketing

year will be announced. The payments will be made to growers during the summer, the early part of July.

Wool program applicants should be filled at the ASCS County Office and this should be done as soon as possible but no later than April 30, 1961. Eddie R. Braswell, County Office Manager ASCS Sterling County

**WANTED:** Small ranch in Sterling area, minerals, highway, bus and mail routes. Terms and details. —C. K. 2902 38th St. Snyder, Texas.

In case of fire dial 8-4771.

## Some Benefits for Workers Who Continue to Work After Retirement Age

Just the other day, a local man read an article saying all working people 65 or over who have not applied for their social security benefits should check into it. Well, he thought he was making too much money to collect his old-age insurance benefits. He's earning about \$2200.00 a year as a maintenance man.

He is glad he followed the advice in that article because he found that some social security benefits will be payable to him for 1961, even though he continues to work. You see, a worker doesn't have to retire completely in order to get benefits. Under a law passed just last summer, a worker earning over \$1200 a year has only \$1 in benefits withheld for each \$2 he earns between \$1200 and \$1700. Then, for each \$1 he earns over \$1700, an additional \$1 is withheld.

One of the recent changes in the Social Security Act is important to all persons who work between the ages of 62 and 72, according to Floyd B. Ellington, Manager of the San Angelo social security office.

"This change concerns the 'earnings test' the amount one may earn and still receive some payments," he said. "Earned income of \$1200 or less in a year has no effect on the benefits. Now, however, only \$1 in benefits is withheld for each dollar earned in excess of that amount," he continued.

"This means that in some cases where a man and wife are both of retirement age, he can earn as much as \$3,000 a year and still receive some old age retirement age, he can earn as much as \$3,000 a year and still receive some old age insurance. Where there are three or more beneficiaries in one worker's family, it is possible for him to earn as much as \$4,000 and receive some family payments for the same year."

After age 72, there is no retirement test, Mr. Ellington believes that there are many workers in the District between age 62 and 72 who should apply for the benefits to avoid any possible loss. Claims may be filed with the Social Security Administration office at San Angelo, Texas.

### HELP ALWAYS GLADLY GIVEN AT SOCIAL SECURITY OFFICE

"Although not everyone wants to retire as soon as he reaches retirement age, everyone wants to get his social security checks promptly, when he does," Floyd B. Ellington, Manager of the San Angelo Social Security Office said.

"We at the Social Security Office are glad," he said, "to give specific help and information where it is needed whether in proving age or any other phase of establishing entitlement to benefits. Because we are interested in paying claims promptly, we urge future applicants to give some time and thought to planning ahead for retirement."

By consulting the Social Security Office by phone or mail two to three months before he retires, the prospective claimant can find out what papers he needs and get every thing in order in good time. This way there should be no delay in the mailing of his first check.

Detailed information and free booklets on the social security program can also be obtained by writing the Social Security Office at San Angelo, Texas.

Many people may be losing social security benefits according to Floyd B. Ellington, Manager of the San Angelo Social Security Office, because of failure to file an application for payment.

Most of them are aware of the \$1200 yearly earnings restriction for social security beneficiaries, but may not realize that they are eligible for some benefits even if their earnings are more than \$1200 per year.

An employee can receive a check for any month that his earnings are \$100 or less regardless of his total earnings for the year. A self-employed person can receive a check for any month he does not render substantial services in the operation of his business, regard-

less of his net profit for the year

Anyone who earns over \$100 in every month, and over \$1200 in the year as well, may still be eligible for some payments. Each two dollars earned between \$1200 and \$1700 a year, costs only one dollar in social security benefits; over \$1700, each additional dollar reduces benefits one dollar.

Ellington said that anyone who has reached retirement age should inquire at his nearest social security office. He may be losing benefits by not applying now.

### GOVERNMENT SURPLUS SALES

NOW anyone can buy DIRECT from U. S. GOVERNMENT SURPLUS DEPOTS, by mail for yourself or for resale. Cameras, binoculars, cars, jeeps, trucks, boats, hardware, office machines and equipment, tents, tools and tens-of-thousands of other items at a fractional of their original cost. Many items brand new. For list of hundreds of U. S. Government Surplus Depots, located in every State and overseas with pamphlet "How Government Can Ship Direct To You," plus procedures, How to Buy and how to get Free Surplus, mail \$2.00 to Surplus Sales Information Services, P. O. Box No. 1818, Washington 5, D. C.

FOR SALE — Good solid Cross Ties. 40c each picked up at Brady or delivery can be arranged. Nelson Jacobs, Box 675, Sterling City, Texas.
