AROUND THE COUNTY by

ARTHUR BARLEMANN, JR. COUNTY AGENT

The chairman of the Sterling County Animal Health Committee and four other ranchers attended the state wide meeting on the screw-worm eradication program in Austin on Monday of this week. These five ranchers were among the many county groups that swelled the attendance at the meeting to 500.

Alvie Cole is chairman of the Sterling County committee and a member of the Foundation's board of trustees. Other ranchers who attended were Jim Bob Clark, Jim Hinshaw, Ross Foster and Gene Alley. Gene was appointed to the advisory committee last year by Alvie and he has attended a previous state-wide meeting. The group left at 5:00 a. m. Monday morning and returned about ten that night.

Plans are for the Foundation to raise the remaining one million of the three million dollars of pledged producer funds. Then, the state is to appropriate an additional three million dollars and the federal government six million dollars. If the producers do not raise their quota, the state and federal government will not make their appropriations and the program will die. Presently, all money will be exhausted and the program will halt on March 31; the Foundation feels that the money can and will be raised and the program will continue. Livestock producers do not wish to see the program dropped now after making the showing it did during the last year.

Don't be too hasty with the pruning shears on shrubs that appear damaged by the recent frigid blasts of cold weather. Trees and shrubs that appear damaged might not be as badly damaged as you think. Wait until they put out new growth in the spring and then cut back to a point below the dead wood.

Presently, the shrub's leaves are dead and entire shrubs or plants may appear dead. There may or may not be damage to the root systems. If branches or trunks are split, there probably is extensive damage. Water and feed them as usual; then after they have put out, trim out the dead wood.

There's still time to spray fruit and nut trees with a dormant oil spray for the control of San Jose scale. Recommendations call for the use of 3 1/2 gallons of a 97% oil emulsion stock in 100 gallons of water. This should be applied to the entire framework of the tree. This is the best control measure available for this pest.

You can determine if your trees have scale by making an inspection of them. If you find a tiny, hard-shelled, gray growth which resembles the common snail attached to the bark of the tree, you have scale. Ordinarily this growth is about the size of a pinhead.

The recent cold blasts of the past three weeks will probably help fruit trees. It should supply them with enough cold weather and also should retard the bud growth so that they may escape freezes later on in the season. The warm weather of December had caused some buds to start swelling. January's weather should have put a halt to this and perhaps there will be a fruit crop this year.

A program on civil defense was given to the girls of the homemaking class and their guests Monday night. The program was given under the direction of Judge W.R. Brooks who is coordinator of civil defense in this county. The program used a set of slides that deals with the problem

Foster Suffolks Get Fort Worth Award

Fort Worth—William and J. Q. Foster of Sterling City have shown the reserve champion Suffolk ram of the 1963 Southwestern Exposition and Fat Stock Show, held here January 25 through February 3.

Significance of the honor is understood by the fact that 5,466 cattle, sheep and swine were entered in this year's show, an all-time high for the 37 year old Fort Worth exposition. The entry total for all departments in the nation's oldest major livestock show hit a record 10,151.

School Census Underway

The Sterling City school is completing the school census for 1963-1964 and the following 6 year olds have been registered:

Judy Brock
Donna Butler
Jeffrey Cantrell
Jean Cole
Sandy Davis
Keith Duncan
Amy Humble
Ronald Howard
Lisa Horwood
Tanya Loury
Benny Radde
Denise Turner

If you know of a child that has been missed please call 3-3531 for Supt. O.T. Jones or at 8-3611 at once so that the child may be legally registered for school enrollment next September.

Any person not in school, even if married, who will not be 18 until after September 1, 1963 should also register even though they do not plan to attend school.

Roland Lowe went to the Glasscock County Livestock Show Monday. There he bought two lambs at the sale, one for the First National Bank of Sterling City and one for Lowe Hardware & Furniture. The bank bought Richie Reynolds lamb at \$1.30 per pound and Lowe bought the lamb of Baylor Pruett for 85c per pound.

Hodges Sheep Get 7 Out of 9 Firsts

at Fort Worth Show in Rambouillet Division

L.F. & Clinton Hodges registered Rambouillet sheep entries in that division at the Fort Worth Livestock Show took seven out of a possible nine first places and they got third places in those two, said Clinton Hodges upon his return Wednesday of this week.

Hodges' Rambouillets got 1st ram lamb, 1st yearling ram lamb, and 1st aged ram lamb; as well as champion and reserve champion ram.

They got the first place ewe lamb and champion ewe award. They were first in the exhibitors flock, first in pen of lambs and first in pair of lambs.

of radioactive fallout. Radioactive fallout following nuclear blasts is not limited to the immediate area of the blast. The fallout usually drifts for as much as several hundred miles before falling to the ground. Carried to heights of as much as 15 miles by the blast, the fallout is carried aloft for many miles by the prevailing winds and defense in this county. The dropped many miles from the point of the blast on unsuspecting areas.

Juveniles Steal Car Here Wednesday

Two juveniles from Amarillo stole Louis Watson's car here about 7:45 Wednesday morning. Louis had parked his car back of Chapples (the place he works) just a few minutes earlier. The boys just jumped in it and took off for San Angelo. There they ran the car into a brick fence and damaged it considerably.

The boys had stolen a car in Amarillo; abandoned it in Big Spring; and there stolen another. They abandoned it west of town with the motor hurt or ruined. They got into Sterling City and got Louis' car. The two boys were held by San Angelo police for Amarillo officers, said sheriff Jim Cantrell, who went to San Angelo on the case that morning.

FHA MEETING MONDAY NIGHT

Civil Defense was the topic of the program presented at the F.H.A. meeting Monday night in the school auditorium. Arthur Barlemann, agricultural extension agent, narrated the program in which he said, "Rural people have a greater stake in our nations Civil Defense than they often realize." He was assisted by Bill Brooks, county chairman for Civil Defense. The group was told of special problems of the farmer and rancher as well as what should be done in either a man-made or a natural disaster.

Following the program the group adjourned to the club room at the community center for refreshments and a social hour. Hostesses were Betty Jo Barrett and Betty Jo Daves, who were assisted by their mothers.

Granddaughter for the Rosses

A daughter, named Cynthia Elaine, was born to Mr. and Mrs. Kenneth Simmons in Albuquerque, New Mexico on January 19. Mrs. Simmons is a daughter of the Rev. and Mrs. Leo Ross of Sterling City. He is pastor of the First Methodist Church here.

Mr. Simmons is a graduate student at the University of New Mexico at Albuquerque working on a masters degree in engineering. He is helping professors there working up a new textbook by doing the illustrations.

Mrs. Ross and her son Fletcher returned home from Albuquerque last Friday after having been there with her daughter.

Mr. and Mrs. Harold Gober and daughter, Jean, of Lubbock, visited her mother, Mrs. James McEntire here last weekend.

Scouts Organizational Meeting Monday

The Boys Scouts of America Units (Explorers, Scouts and Cubs) in Sterling City will hold a re-registration and inspection meeting on Monday, February 4 at 7:30 p.m. at the Legion Hut. All Scouts and parents are invited to attend.

All boys and adult committeemen interested in Scouting should register at this meeting. Those who are presently registered will need to re-register.

Boys between 8 and 11 years of age will register as Cub Scouts. Boys 11 to 14 will register as Boy Scouts and boys 14 years and over will register as Explorers.

Registration fee is .50 for boys and \$1.00 for adult committeemen and unit leaders. "Boys Life" magazine subscription is \$1.53 per year. It is printed monthly and it is recommended that one member of each family subscribe to it.

All Cubs, Scouts and Explorers should come to this meeting in full uniform (if possible). Scout executives from Big Spring will be on hand for the inspection.

Accomplishments of the previous year and plans for next year will be discussed by the Unit Leaders.

Jake Martin To Glasscock County as Deputy Sheriff

The Jake Martins moved to Garden City this week and Jake begins as a deputy sheriff there today, February 1. Jake has served as deputy sheriff here for a number of years under former sheriff W. O. Bill Green.

Jake has been running the El Paso service station here since he got out of the deputy's job. His son in law, Marshall Blair, is taking over the station and will operate it.

Sterling Library Club

The Sterling City Library Club met Monday night at the home of Edna Davis, president of the organization. Cake and hot chocolate was served during the social hour.

The members discussed the forth-coming state meeting which is to be held in Fort Worth this spring.

Attend National Wool Growers Association

The Alvie Coles returned last weekend from Las Vegas, Nevada where they attended the annual convention of the National Wool Growers Association. Alvie is a director of the Texas Sheep & Goat Raisers Association.

Mrs. Cole is vicepresident of the Womens Auxiliary of the TS&GRA.

MOTHER'S MARCH NETS \$238.69 HERE MONDAY

The Mothers March of the March of Dimes drive here Monday night netted \$238.69 said Mrs. W. R. Brooks. She was chairman for the drive.

Members of the Noratadata Club and the Epsilon Zeta Club made the rounds of the town that night, taking donations for the foundation.

\$69.00 OUT OF MOD COIN COLLECTORS

The March of Dimes Coin Collectors that have been in the business houses over the town throughout the month, were taken up Thursday and the money counted. A little over \$69 was turned in from the collectors, said Hubert Travis, drive chairman.

Mrs. Stan Horwood fell at her home here last week injuring her back. She was up on a ladder changing a light bulb and fell off against a chest or dresser. She was hospitalized for a week, being released Thursday of this week.

Lt. and Mrs. Hal Knight Jr. and daughter, of Kansas are here visiting his parents, the Hal Knights for a couple of weeks. Here they are also visiting Mrs. Knight's grandparents, the Lee Hunts.

Eagles Take Two From Water Valley

The Sterling City Eagles basketball teams, boys and girls, took their games by short margins there Tuesday night. The boys won their conference game 38 to 35. Jerry Payne was high point individual with 16 points for the locals.

The girls won their sortie 33 to 31. Lois Ethel Price had 13 points to top the locals and Helen Sisco racked up the same number for the Wildcats.

The Eagles go to Garden City tonight for conference games, both boys and girls.

The boys won handily over Barnhart here last Friday evening 49 to 32 and the girls outplayed Barnhart 49 to 27. The local teams were in top form against Barnhart.

JUNIORS SWAP OUT AT SILVER THURSDAY

The junior high basketball boys dropped the Silver Indians by one point there on Thursday night and the girls lost 47 to 25.

Coach Dillard's boys and the Indians stayed close all the way and the score was tied 27 and 27 in the last half minute of the game. Jack Clark got a free shot on a foul and made one, giving the game to the locals.

The Indians have tall boys for a junior high group and the Eaglets had to hump to stay in there. Wayland Foster displayed some fancy footwork in a tight spot and the juniors give promise of developing into real basketballers when they play in later high school years.

Juniors Win Over Water Valley

Coach J.R. Dillard's Junior High basketballers won both boys and girls games here on Monday afternoon with the Water Valley teams. The local boys won 26 to 10 while the girls won 20 to 11.

Epsilon Zeta Club Meetings

On January 8 Mrs. Bill Fletcher was hostess to members of the Epsilon Zeta club at the community center. She served a salad plate.

Mrs. Don Griffin gave the program on Religion in the Home.

On January 15 Mrs. Don Griffin was hostess to members and she served pie and coffee.

Mrs. Fletcher gave the program on Home Maintenance.

Members voted to help with the March of Dimes drive. The club is making a Cancer Pack and could use sheets, pillowslips and birdseye diapers. If you would like to donate any of these items get in touch with Mrs. Joe Blank or any member of the club.

Members present were Mrs. Eddie Braswell, Mrs. Richard Reed, Mrs. Blaneck, Mrs. Fred Igo, Mrs. Wayne Loury and a guest—Mrs. Henry Bauer.

In case of fire dial 8-4771.

Social Security Man Talks to Lions

Floyd Ellington, manager of the district Social Security office, San Angelo, talked to members of the Lions Club at the Wednesday luncheon. He showed by charts the social security set-up from the beginning and projected until 1970 and 1980.

Club members voted to continue to sponsor the Explorer Scouts here. President W.R. Brooks named a sponsoring committee from the club composed of Henry Bauer, Hubert Travis, H.L. Bailey and R. P. Brown.

The prize went to Sherman Conner. Guests present were Lt. Hal Knight, Jr. of Salina, Kansas and W.S. Payne and Ellington, both of San Angelo.

Attends Bank Meeting

Mrs. Nan Davis, assistant cashier of the The First National Bank here, attended a meeting of the National Association of Bank Women in Lubbock last week-end. The meeting was held in the Johnson House there. Mrs. Davis was accompanied by her two daughters, Edna and Ollena.

Mrs. Earl Bailey has bought the D. P. Glass lots here in town from the Sterling County Hospital. The property was bought cleared off, and Elton Hull is clearing the lots. The property had the old house on it as well as some small out-buildings.

MRS. DAYTON BARRETT

Teacher of the Year Named Here

Mrs. Dayton Barrett, second grade teacher here has been nominated as "Teacher of the Year" by the local federated clubs, all three of them, the P.T.A., the Lions club and the Methodist Church. She will be entered in the district competition at the federated clubs district meeting this spring.

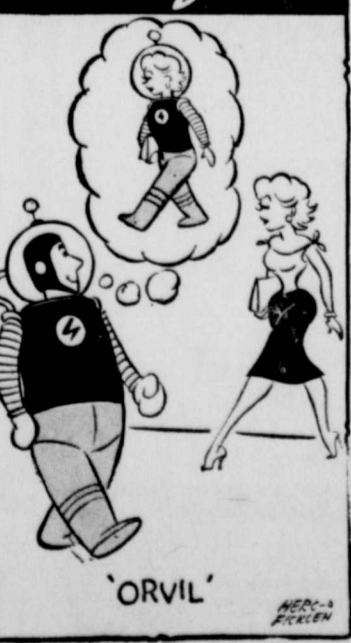

Wife of Dayton Barrett, local rancher, the Sterling entry is a daughter of Fred Hodges, registered Rambouillet breeder. She and Mr. Barrett have a teen age daughter, Betty Jo, who has won a 'room-full' of trophies and ribbon with her sheep projects in 4-H Club work.

Recognized as an outstanding teacher by all the clubs and organizations of the town and by parents, she gives unstintingly of her time to her work. She belongs to the Delta Kappa Gamma, national teachers society. She is a long-time member of the Noratadata Club; is active in work at the Methodist Church and the P.T.A.; and takes a personal interest in her pupils. Her student work load is generally the highest in the system.

The Sterling nominee attended John Tarleton State, Texas Tech, North Texas State and Abilene Christian College. She has taught at schools in Llano County, Eagle Pass and here.

Before reentering the teaching field several years ago, she conducted a very successful kindergarten in her home here in town.

Two Texas teen-agers have been awarded all-expense paid trips to the 41st National 4-H Club Congress in Chicago as rewards for being the state's top 4-H'ers in their 1962 club projects.

They are Janet Paclik, 17, of Gainesville, entomology project winner, and Sereita Giaketti, 15, of Montague, top electric project winner.

The Cooperative Extension Service also picked Eugene Roberts Jr., 19, of Paris, as the state boy leadership winner, and Eugene Schilder, 17, of Arlington, as winner of the state beautification of home grounds award.

Roberts will receive a special

filled the objectives of the entomology project when she learned the life history of insects and how to control them through use of insecticides.

"I live on a farm and there are many insects to control," she said. She also collected more than 100 different varieties of insects.

Miss Giaketti, daughter of Mr. and Mrs. J. L. Giaketti, said: "When my mother has trouble with her small electrical appliances, I can usually tell what is wrong with them and repair them."

The project is designed to teach 4-H'ers more about electricity and to properly use and care for electrical equipment.

Roberts, sophomore at Paris Senior College, has held more than a dozen leadership posts and is a former president of the Lamar County 4-H Council and state 4-H District 5.

The leadership project is designed to provide opportunities for club members to acquire knowledge, skills and desirable attitudes needed by leaders and members of democratic groups.

Schilder fulfilled the objectives of his project when he transformed what he said was "a poor, weedy unkempt yard" into a spot of beauty through planting of flowers and trees and putting in sidewalks around flower beds.

REWARD NOTICE

A reward of \$500.00 will be paid by the Texas Sheep and Goat Raisers Association to any person (other than law enforcement officers) giving information causing the arrest and final conviction of any person or persons found butchering or stealing any sheep or lambs or goats belonging to any Association member in good standing. When two or more persons give information, the above sum will be divided at the discretion of the Board of the Association. When two or more defendants are involved in a single crime, the total reward is limited to \$500.00, but the conviction of one defendant, even though the other defendants are acquitted, will entitle the claimant or claimants to said sum of \$500.00. All claims must be submitted within ninety (90) days following conviction. If, upon conviction, a defendant confesses other thefts, no additional reward will be paid. All devisions concerning the payment of such reward and the conditions of payment will be made by the Board of Directors of the Association.

Make A New Marmalade
By Betty Barclay

MAKE the most of the citrus crop and make batches of delicious Marmalade. Wonderful for topping on puddings, or ice cream... good idea for a "hostess gift."
Three-Fruit Marmalade
3 cups prepared fruit (1 orange, 1 lemon, 1 small grapefruit); 5 cups (2 1/2 lbs.) granulated sugar; 1/2 bottle Certo fruit pectin.

Remove skins in quarters from the fruit. Lay flat; shave off and discard about half of white part. With a sharp knife slice remaining rind very fine. Add 1 1/2 cups water and 1/4 teaspoon soda; bring to a boil; simmer, covered 20 minutes, stirring occasionally. Chop peeled fruit; discard seeds. Add pulp and juice to undrained cooked rind. Simmer, covered, 10 minutes longer. Measure 3 cups into a very large saucepan. Add sugar to fruit in saucepan and mix well. Place over high heat, bring to a full rolling boil; boil hard 1 minute, stirring constantly. Remove from heat and at once stir in Certo. Skim foam with metal spoon. Stir and skim by turns for 7 minutes to prevent floating fruit. Ladle into glasses. Cover with 1/4 inch hot paraffin. Makes 7 medium glasses.

Navy Now Accepting Three Year Enlistments

The Navy will accept volunteers for the first year term enlistment and will permit certain young men to reenlist for two or three years in an experimental program. Vice Admiral William R. Smedberg, III, Chief of Naval Personnel announced today.

The experimental program has been placed in operation. Admiral Smedberg said, to meet the increased readiness posture of the Navy and the Nation. It will remain in effect until June 30th, 1962. The three year enlistment program is open to men who have had no prior military training. Under the reenlistment program, eligible personnel who have been released from active duty may reenlist with an option of up to 30 days advance leave. Formerly, broken service men reenlisted for four or six years with no advanced leave authorized. Admiral Smedberg said this new experimental program would afford young men of the country an opportunity to train and serve patriotically while learning of Navy life with only a three year commitment.

The experimental program will in no way effect the Navy's current stay in school policy, young men will continue to be encouraged to stay in school.

Elbon rye on the Currie Cattle Company ranch is growing better than adjacent wheat. Both wheat and rye were clipped recently by the Soil Conservation Service. The rye weighed 16,500 pounds per acre green weight. The wheat weighed 7,500 pounds per acre green weight. Currie planted the rye and wheat in September and both have been irrigated alike. Elbon rye was developed by plant breeders to be winter hardy.

Conservation contractors Nichols and Camp of Coahoma are treedozing cedar on the W.N. & L.R. Reed Ranch. Bill Tripp, a land levelling contractor of Odessa, is levelling 86 acres on the Sanders Farm. Sanders is installing a plastic irrigation pipeline system on 93 acres of land which was leveled in 1962.

Farmers in the St. Lawrence area are beginning pre-plant irrigation. Edwin J. Bednar, Charles J. ureck, and August M. Frysak are installing plastic underground pipeline systems.

GROWTH

key word for 1963

The southwestern area served by General Telephone is one of the Nation's fastest growing regions.

This basic fact causes us to greet the new year with enthusiasm and eagerness.

Since we grow with the area we serve, our long range plans are designed to measure and meet the growing needs of the growing Southwest.

These plans prove our faith in the region, and back our pledge to keep pace with it.

For a Beautiful Cake!

By Betty Barclay

HEAVENLY frosting, delicately honey-flavored, and covered with frosty-white flaked coconut, makes a "beauty" out of the simplest of cakes! You can use bakers' cake layers; or you can make layers or a large loaf from a mix, or from your own favorite recipe.

Coconut Honey Frosting

2 egg whites; 1 1/2 cups sugar; 1/2 teaspoon salt; 1/2 cup water; 2 tablespoons light corn syrup; 2 tablespoons honey; 1/2 teaspoon vanilla; 3/4 cup Angel Flake Coconut.

Combine egg whites, sugar, salt, water, corn syrup, and honey in top of double boiler. Beat 1 minute until thoroughly mixed. Cook over rapidly boiling water, beating constantly with sturdy egg beater (or at high speed of electric beater) 7 minutes. Remove from boiling water. Add vanilla and beat 1 minute or until thick enough to spread. Frost cake and sprinkle with flaked coconut. Makes 5 1/4 cups frosting or enough to cover generously tops and sides of two 9-inch layers.

Social Security

Over fifty million people have worked long enough under social security to qualify for cash disability benefits if they become disabled. This means that they have social security credits for five years (20 quarters) out of the past ten years, Floyd B. Ellington, district manager of the San Angelo Social Security office said. In the case of a severe disability, the worker and his dependents may be eligible for monthly cash social security disability benefits if he meets this work requirement. It is not necessary to be completely helpless to qualify for social security disability benefits. These benefits are payable to those who suffer from a crippling disease or a severe impairment which makes them unable to do any substantial work.

Disabled adult sons and daughters of retired, deceased, or disabled workers may also receive childhood disability benefits if they become disabled before they reached age 18.

Anyone suffering a severe disability which prevents him from doing any substantial work should get in touch with the local social security office to determine his eligibility under the Social Security disability program, Ellington stated. He may be losing benefits if he fails to apply for them promptly. The social security district office will explain to disabled workers and their families their rights under the law.

NORTON'S COL-TEX STATION

FOR SAFETY'S SAKE

MAKE YOUR MEDICINE CHEST A HELP — INSTEAD OF A HAZARD! Is your medicine chest a catch-all for grooming aids instead of an efficient, first aid station? When someone in your family is hurt or needs something to ease pain, he

doesn't want to rummage. He wants relief—fast! For safety's sake, reserve one or two shelves for antiseptics, bandages, and pain relievers. Whenever possible, keep bulky items and cosmetics in another convenient place.

WEED OUT OLD PRESCRIPTIONS — Throw away out-dated prescription medicines and pills. Pour medicines down the drain and rinse out containers before discarding them so that children or pets cannot get at them.

MEDICINE FOR CHILDREN — Don't give a medicine prescribed for one member of the family to another without your doctor's permission.

Safety in dispensing medicine has been aided by the recent development of children's analgesics in pediatrician approved

dosages. Added protection is offered in the safety cap designed for Children's Bufferin which can be removed only with firm, adult pressure.

For absolute safety, keep medicines and other potentially harmful liquids and solids out of the reach of children at all times.

APPLE NUTMEG PUFF PIE

Keep your conventional apple pie for some other time and today try this new Apple Nutmeg Puff Pie. Everyone will like it . . . and you'll find it easy to make.

The pie filling is canned apple sauce, orange rind and juice thickened with tapioca . . . as simple as that. The puffs? Jolly little affairs, lard shortened for extra tenderness, rolled in melted butter, sugar and nutmeg, and baked atop the pie.

Now serve the pie . . . the filling smooth and velvety, of rich true apple flavor flashed with orange, the nutmeg puffs delicate butter-crispy on the outside, fluff light inside. Bring it to table warm and spicy-fragrant. Or cooled. Pour cream over each serving, if you wish. It's a pie to bring delight to all.

- | | |
|-------------------------------------|-------------------------------------|
| The Puffs | The Pie |
| 1 1/2 cups sifted all-purpose flour | 4 cups canned apple sauce |
| 2 teaspoons baking powder | 1/2 cup sugar |
| 1/2 teaspoon salt | 2 tablespoons grated orange rind |
| 1/2 cup lard | 1/4 cup orange juice |
| 1/2 cup milk, about | 2 tablespoons quick-cooking tapioca |
| 1/4 cup sugar | |
| 1 1/2 teaspoons nutmeg | |
| Melted butter | |

Combine flour, baking powder and salt. Cut in lard with pasty blender. Add enough milk to make a soft dough. Form into 1/2 inch small balls. Combine 1/2 cup sugar and nutmeg. Roll puffs in butter and sugar mixture. Set aside.

Combine apple sauce, sugar, orange rind and juice. Stir in tapioca. Pour into 10" pie plate. Place nutmeg puffs around edge of plate and in center. Bake at 400 degrees, 25 to 30 minutes until puffs are brown. Serve hot or cold, with or without light cream. Makes 6-8 servings.
