Bailey Among Counties Eligible For SBA Loans

In an unprecedented move, last Friday, the Small Business Administration has by-passed some rules and activated loans for financially strapped agribusinesses in 68 West Texas counties. Original requests to the SBA from Governor Bill Clements, had been denied. Their reason at the time was that the Farmers Home Administration had not agreed to open a similar loan program for farmers in the disaster area.

By way of background, SBA loans automatically

take effect when and if FmHA disaster loans are activated, according to Ken Jordan, Ag advisor to Clements in his Washington office. However, small businessmen are needing operating capital now.

SBA District Director, Phillip O'Jibway of Lubbock, said he expects to process "quite a few applications" during the nine month period of the special program, with the

Mules Will Go For Indians' Scalps

This Friday night at 8 p.m. in Morton, the Mules will take on the Morton Indians. Both teams stand at 2-2 for the pre-district season, and will be looking for a big win. Morton has always proved to be a formidable foe for the Mules, and vice-versa.

Coach Windy Williams says that Morton has good speed and has scored successfully against their opponents this year. They have a good quarterback in Kuehler, but their main playing lies in the defensive part of the game. Williams has warned his team to watch for the Patton brothers, Glen and Travis, both running backs on defense and halfbacks on offense. They are tough and heads-up football players.

Talking about his players of the week for the Idalou game, Williams stated about Paez: "Alex was our leading rusher by far in the game, he ran two touch-

downs and really played a game." As to the defensive player of the week, Williams said, "Perry Flowers made 15 tackles for the Idalou game, he is tough and is a good player, he well-deserves the honor." Flowers is one of the largest players on the Mules team and is a senior as is Paez.

According to football statistics, Morton doesn't have it too much over the Mules, if any, on size, or speed. They are fast, however, and deceptive and can pull a big play out of the hat at the last minute, when it is least expected. The Mules will have to be on guard against this kind of thing.

They lost two key people last year in Cadenhead and Dewbre, but have three all state potentials in Chancey, Evans, and Braken.

They are well coached with Tony Mauldin at the helm, they are however, short on depth. Their starting quarterback, Kuehler, has no varsity experience. That is not to discount him, however, since Muleshoe

PARADE WINNERS...Batman rode again in the Jennyslippers parade on Saturday, September 25, as Kent Oliver took the title of best decorated bike. He and his Batmobile won a first place. Wayne Wallace, (right) took the title of most unusual decorated bike as his tricycle was decorated as a horse and he pulled a wagon behind it. A good number turned out for a second annual bike parade.

County Agent Emphasizes Importance Of Soil Test

"Getting your soil tested has always been important, but now this proven practice is more important than ever", emphasizes Spencer Tanksley, Bailey County Agent with the Texas Agricultural Extension Service, Texas A&M University System.

Fertilizer is getting more and more expensive, so it's crucial for producers to get the most from their fertilizer dollar. Getting a profitable return from fertilizer depends on the supply of available nutrients al-

ready in the soil. A soil test can provide an estimate of this supply, Tanksley says.

"A soil test will determine which nutrients are deficient in the soil for a particular crop so that a producer can fertilize to supplement the soil supply," points out Tanksley. It's not profitable to supply nutrients already available in the soil in sufficient quantities for a particular crop or to supply added

Oliver, Wallace Take Top Honors In Bike Parade

On Saturday, September 25, the Jennyslippers held their second annual Bike Parade and Watermelon Feast. Thanks to Jack Bates, J.C. Gatewood, Marcus Lopez, R.L. Scott and Dee Clements and Bob Sanders who helped pick up and serve the watermelons. Also, a big thanks goes to the Muleshoe Police and the Muleshoe Volunteer fire department. The watermelon feast was held in the old city park immediately following the

'62 Class Reunion Deemed Successful

The Twenty year reunion of the '62 class of Muleshoe High School took place on Friday, September 24. About 40 class members were at the reunion and a total of 72 people attended the reunion.

Guests present were Mr. and Mrs. Bill Taylor, Mrs. Dorothy Beddingfield, Mrs. Elizabeth Watson, and George Washington. They are long time teachers and coaches of the '62 class. The Class of '62 Reunion was a big success.

After the Homecoming Game everyone from the class of '62 went to the Country Club. A get-together had been planned where refreshments were served. A program was presented by Stacy Lackey, who kept the group laughing with a lot of old memories. Jim Young took over and presented the gag gifts. Farthest distance went to Ronda Johnson and Dan Gunstream; Least changed girl, Mary (Sanders) Hillard; Least changed boy, Jackie Redwine; Most changed boy, Dale Vice; Most children, George Nieman; Oldest child, Anita (Schmitz) Allgood; Youngest child, Bill Gilbreath; Grayest Hair, Gerry Pierce; Least Hair, Joe Bob Stevenson.

Travis Bessire read some comments from the class members who could not attend. Also a big thanks was extended to the local class members who worked so hard putting this reunion together. They are Travis Bessire, George Nieman, Melba Bratcher, Di-

SUPERVISOR PROMOTED...Clinton Kennedy, County Director of the Muleshoe FmHA office has recently been promoted to District Director of the newly created Plainview District. He will take over his duties there on October 4. A replacement for the Bailey County office has not yet been named, but will be chosen as quickly as possible according to Kennedy.

Local FmHA Supervisor Takes New District Helm

Last week, Bailey County FmHA supervisor was notified by State FmHA Director, Jay Lynn Futch that he had been selected as director of the newly created Plainview District FmHA office, which will be headquartered at Plainview. This district will involve eight counties, being: Bailey, Lamb, Hale, Floyd, Criscoe, Swisher, Castro and Farmer and was cre-

ated to help in the areas where the farm loads are the heaviest.

Kennedy, who first came to work in the Muleshoe office in February, 1957, is scheduled to report for work at Plainview on October 4. And, according to him, a selection process has already begun for a replacement in Bailey County, although, no decision has yet been made.

Home Ec, Ag Entries Crafts, Commercial Booths Fill Center

Entries in the Bailey County West Plains Fair this year totaled 531, when all the counting was done.

Many entries from commercial displays were observed and drawings for free merchandise and cash were held at different hours both days of the fair. Winner of the guessing game contest of the First National Bank for \$100 was Jane Griffiths. A total amount of \$176.55 was in the money jar and Mrs. Griffith guessed \$176.52 - 3 cents off of the actual money.

Winners of the \$100 prizes sponsored by the Rotary were Ann Williams, Ann Richards, Charlie Hawkins, Debbie Prather (Farwell), and Alton Carpenter. Winner of the Jenn-air Grill from Harvey Bass Appliances was Jim Henderson. Winners of many other items given by such merchants as Five Area Telephone, Henry Insurance, Ann's T-Shirts, Dent-Rempe, Howard Watson, Valley Grain, Winkler Meat, Muleshoe Pawn Shop; however, winners names were not available for all of these.

Cont. Page 6, Col. 3

In the fair itself, winners in the culinary division in breads were: John Hovland, Robin Hovland, Tamara Gilliland, Brandon Sims, Ruby Ward, Betty Hovland, Mable Caldwell, and Carrol Copley, (includes open, 4-H and adult). Second place winners in this division were Tonya Jordan, Zanna Huckaby, Betty Hovland, Ettie Jesko and third place: Elizabeth Berry and Betty Wuerflein.

In Cakes, Amber Green won second place, in candy Wendy Green won first place.

Also in candy, in a different category: Holly Huckaby won 2, 2nd place, Sue Haire, 1st. Also winning first in candy were Shelley Sain, Preston Gable and Barbara Berry.

In Cookies, first place winners were Betty Wuerflein, Holly Huckaby (2 times), Tamara Gilliland and Robin Hovland. Second place winners in cookies were: Jessie Gilliland, John Hovland, Tamara Gilliland, Mable Caldwell, Carol Copley. Third place cookies were Kristi Taylor, Tonya Jordan, and Virginia Gar-

Blackwater Valley Directors To Attend State Meet; Zone 4 Director's Election Set

James Wedel, Lewis Wayne Shafer, Lewis Dale, and Carl Bamert, directors from the Blackwater Valley Soil and Water Conservation District will be in Austin, October 4-6, 1982, to attend the Forty - Second Annual State Meeting of Texas Soil and Water Conservation District Directors.

Others attending will be Jim Lutz, local SCS District Conservationist.

An election for a director to serve in Zone 4 on the Blackwater Valley Soil and Water Conservation District Board is scheduled for October 8, 1982, at the Needmore Gin Office announced James Wedel, chairman of the board. The election will be held at 9:00 a.m.

State law decrees that to be eligible to vote in a soil and water conservation district director's election, a

October 3 Last Day For Voter Registration

Recently, Governor Bill Clements proclaimed a statewide voter registration drive for the November 2, 1982 General Elections, covering the period from August 11 through October 3, 1982.

October 3 is the last day to register to vote for the November 2, 1982, General Election. If you do not have an ORANGE voter registration card, you will not be able to vote in 1982.

According to Congressman Kent Hance, in the Cont. Page 6, Col. 7

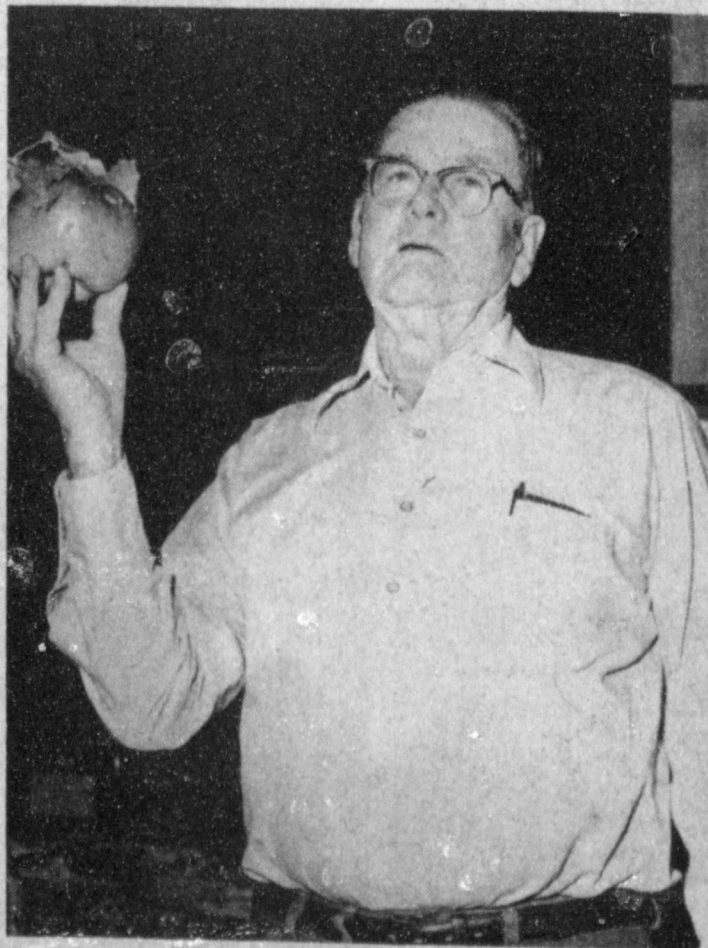

person must own agricultural land within the subdivision where the election is being held. The person must also live in a county all or any part of which is in the district and the voter must be 18 years old.

Legal qualifications state that a candidate for the office of a soil and water conservation district director must own land in the zone he represents, be 18 years of age and be actively engaged in farming or ranching. He must also live in a county all or part of which is in the district.

Zone 4 of the district includes the Fairview, Circleback, Needmore, Bula and Enochs communities.

The purpose of the Blackwater Valley SWCD, with headquarters in Muleshoe, is to promote sound soil and water conservation programs on farm and ranch lands within the district and to serve as a voice for farmers and ranchers on conservation matters and other issues affecting private property rights of landowners.

The district board of directors meets on the 1st of each month. Cont. Page 6, Col. 7

PRIZE WINNING APPLE...Sherman Inman of Muleshoe holds his 1 1/2 pound apple, which measured 16 inches in diameter to show off his first place and grand prize win. The apple was of the Starks' Jumbo variety and according to Inman was not completely grown.

Social Security**

Social Security began paying students benefits in 1965 based on the presumption that students aged 18 to 22 were dependent on their parents for support just as much as those children under age 18. However, since 1965, numerous programs have been established to provide financial aid to college and university students. Basic Educational Opportunity Grants, Supplemental Educational Opportunity Grants National Direct Student Loan Programs, and Guaranteed Student Loan Programs are some of the better known federally funded educational programs. These non-Social Security programs provide about \$7 million a year in student assistance.

Considering the above, student benefits under Social Security are being phased out under a special provision of the 1981 Omnibus Reconciliation Act. No student benefits are payable after April, 1985. This will be accomplished by:

1. A cumulative 25% reduction in benefits effective 9/82, 9/83, and 9/84 for those students entitled to benefits for 8/81 and who begin post-secondary school before 5/82. Any school that is not an elementary or secondary school is considered a post-secondary (i.e., vocational/technical/trade schools, junior colleges, colleges, and universities). These students may continue to receive benefits through 4/85 or through age 22. They will not, however, be paid during the summer months of May, June, July, and August for 1982, 1983, 1984, and 1985.

2. Termination of certain student benefits at age 19, instead of age 22 as provided under the old law. Effective 8/82 a student's benefits will terminate at age 19 in his first month of entitlement to child's benefits is 9/81 or later, or he was not in full-time attendance at a post-secondary school in 4/82 or earlier. Accordingly, benefits at student attending an elementary or secondary school will terminate at age 19 effective 8/82 unless he has not completed his diploma or certificate requirements and is in full-time attendance in the month he reaches age 19. In this case, he may receive benefits until the first day of the month following the end of the quarter or semester which is in progress. In summary, these are two basic rules for phasing out student benefits:

(1) Students in elementary and secondary schools will have their benefits terminated at age 19, effective with benefits after July, 1982. (2) Students who are entitled to child's benefits for 8/81, and who are in full-time attendance at a post-secondary school before 5/82 may continue to receive benefits through 4/85 but will suffer reductions in their benefits. No benefits will be paid these students May through August beginning May, 1982

Disappointments are inevitable if you have ambition or hope.

Barbecue Recipe Contest

Barbecue lovers are invited to submit their favorite original barbecue recipes in a new contest announced by Golden West Publishers.

The book publishing firm, which specializes in cook books, is sponsoring this contest in its search for recipes for a "Best Barbecue Recipes Cook Book" to be published next year.

Recipes are invited for pit barbecue, outdoor barbecue, charcoal barbecue, earth barbecue, Southern barbecue, Western barbecue, stake barbecue and variations. Other recipes for barbecue sauces, barbecued beans, barbecued vegetables and barbecue side dishes are also welcomed.

Contestants should include titles for their recipes, indicate number of servings, list the ingredients as they appear in the directions, and write clear instructions.

Winners will receive a copy of the "Best Barbecue Recipes" book on publication.

Original recipes should be mailed to Golden West Publishers, 4113 N. Longview Ave., Phoenix, Az., 85014, no later than November 30, 1982. Free official barbecue recipe contest entry blanks will be mailed on request.

Other cook books published by the contest sponsors include "Chili-Lovers' Cook Book", "Arizona Cook Book", "California Favorites" and "Citrus Recipes."

-nuptial shower Saturday, September 25, from 10 to 11:30 a.m., in the parlor of the First Baptist Church.

Yvette Freeman, Frances Hamilton and the honoree greeted the guests. Gerry Kennedy presided at the guest book.

Becky Mardis served coffee, spiked apple cider, melon balls, and an assortment of sweet breads from silver and crystal appointments.

The serving table was covered with a white lace tablecloth and adorned with three silver candle sticks. The honoree's corsage consisted of pink and burgundy silk rose buds.

Special guests were Yvette Freeman, step mother of the bride elect; Frances Hamilton, mother of the prospective groom; and Fran Hamilton, sister in law of the prospective groom.

The hostesses gift was a vacuum cleaner. Hostesses for the occasion included Ella Dunbar, Lyda Wilhite, Betty Wuerflein, Maxine Rogers, Dorothy Bowers, Mayry B. Oberhaus, Gail Turner, Linda Turner, Darla Rhodes, Elaine Burgess, Joyce Shafer, Lois Washington, Gerry Kennedy, Becky Mardis, Bobbie Johnson, and Doris Scott.

Investment Dressing

"Investment dressing" is a term found in most fashion magazines and dress - for - success articles, explains Becky Saunders, clothing specialist with the Texas Agricultural Extension Service, Texas A & M University System.

A clothing shopping trip often convinces the potential buyer that purchasing a new wardrobe can be a major investment. Therefore, clothing items selected need to have good performance, versatility and durability, Saunders emphasizes.

"Instead of completely disregarding a garment -- such as a wool blend, -- which may be a higher priced initially, consider the cost of each wearing as an

investment. Buying a better quality garment that will be comfortable, resist wrinkling, be durable, attractive and versatile may be a much wiser purchase," she says.

Consider how long you think the garment will be fashionable or wearable, and the total cost of upkeep. Multiply this by how many times you might wear the garment. Then divide this figure into the total price of the garment.

"It may well be that a more expensive garment will be the best purchase, when compared in this manner," Saunders says.

High quality clothing that lasts for more than one year can easily be updated seasonally with new accessories, she adds. Accessories are usually less expensive than a replacement garment.

"With fashion emphasis returning to looks that were popular in the past and much interest in natural fibers, we see more emphasis fashionwise toward fabrics that are made of natural fibers or natural fiber blends. Thus, consider the cost each time the garment or garments may be worn," she says.

Some say that the phrase "rule of thumb" comes from a practice that was once common among brewers. The chief brewer used to test the temperature of a batch of brew by dipping in his thumb.

Mr. and Mrs. Boyd Landers of San Marcos, formerly of Muleshoe, were honored with an anniversary reception Saturday, September 11 from 2 to 5 p.m., at the Progress Baptist Church.

Hosting the reception were their children, Kay Mardis of Muleshoe, Jan Orvis of Lubbock, and Deb Leigh of Fairbanks, Alaska. The Landers' also have seven great grandchildren.

Landers and the former, Bonnie Jean Hurst, were married on September 11, 1941, in Plainview. Landers worked for the post office for 30 years, being the rural mail carrier (route 2) for 20 years before retiring in 1980 and moving to San Marcos.

Twillia Downing and Becky Mardis served fruit punch and Italian cream cake.

Lullaby Shower Honors Mrs. Maxwell

A lullaby shower honoring Mrs. Freddie Maxwell was held Saturday, September 18, in the home of Mrs. James Synatschik.

The serving table was covered with a white linen cloth and accented with a "Baby Tree" tied with miniature rattlers, bows and animals.

Sausage balls and cheese logs, fruit plate, coffee and juice were served from crystal and silver appointments.

The hostesses gift was a wooden high chair. Hostesses for the occasion included Patsy Fisher, Cindy Legg, Jana Synatschik, Kathy Gatewood, Nell Ingle, Sandra Franks, Connie Fisher, Ann Carson, Rhonda Pickrell, Lisa Boyles, Lucy Kent, Joan Gaston, Joyce Carr, Kim Hurst, Peggy Ray, Wanda Swart, Cathy Humphreys, Doris Pierce, Mary Kay Baker, Deanna Swart and Barbara Harper.

Study Club

The Muleshoe Study Club met Thursday, September 23 at 5 p.m., in the home of Mrs. Rufus Gilbert with Mrs. Joe Costen as co-hostess.

Mrs. Betty Jo Carpenter presented the members with new year books and discussed the up coming events. The club collect and the salute to the flag was led by Mrs. Wesley Glover.

Mrs. J.G. Arnn called the roll and read the minutes of the previous meeting. Mrs. Costen opened the business session with distribution of material to each departmental chairman.

Mrs. Izetta Shain made a motion that the club give \$100 to the Girl Scouts to help with their expenses. Mrs. T.R. White seconded the motion and it carried.

Mrs. Arnn made a motion the club enter the December bazaar and it carried.

Refreshments were served to the following members: Mrs. John Agee, Mrs. J.G. Arnn, Mrs. Betty Jo Carpenter, Mrs. Joe Costen, Mrs. Rufus Gilbert, Mrs. Wesley Glover, Mrs. A.C. Neely, Mrs. Charles Shain, Mrs. Doyle Turner, Mrs. T.R. White, Mrs. H.S. Sanders, Mrs. Ed Johnson, Mrs. Barry Lewis and Mrs. Wilson Witherspoon.

The next meeting will be in the home of Mrs. Arnn on October 14. A speaker from the State Comptroller's office will speak on public affairs.

An honest man's the noblest work of God. -Alexander Pope.

Miss Gutierrez, Perez United In Marriage

Miss Mary Helen Gutierrez became the bride of Arturo Sanchez Perez Saturday, August 28, at 5 p.m., at the First Baptist Church. Roy Martinez read the double ring vows.

Parents of the couple are Maria Gutierrez of Muleshoe and Tomas Perez of Chihuahua, Mexico.

The couple stood before an archway entwined with greenery accented with ribbons tied into a bow in the center. Two baskets full of various colored fresh flowers, to match the bridesmaids dressed, completed the decorations.

Loucelle Whisenhunt, soloist, sang "Oh Promise Me".

Given in marriage by her

brother, David Gutierrez, the bride wore a formal gown of white Chantilly lace, featuring a Queen Ann neckline etched with pearl lace appliques. The lace sleeves were tapered into a lace covered cuff.

The gown's lace covered skirt flowed from a fitted waistline into a semi-cathedral train. Tiers of Chantilly lace ruffles encircled the gown's skirt. Scallops of lace ruffles accented the gown's front and the train.

She wore a pearl and lace covered headpiece with a fingertip veil encircled by Chantilly lace and accented with lace motifs.

Her bridal bouquet was a silk arrangement of baby roses, baby mums and mix-

ed flowers.

Mrs. Frances Miramontes of Muleshoe served as matron of honor. Bridesmaids were Diane Skipworth, Pauline Garcia and Ann Gonzales, all of Muleshoe, and Trine Bouley of Amarillo.

The attendants gowns featured a bustle effect and were made of polyester and cotton voile, lined in acetate taffeta. They featured shoulder straps, slightly raised waist line, and a ribbon tie belt. The matron of honor's gown was suede rose while the bridesmaids gowns were rainbow colors of blue and lilac.

They carried a bouquet of three colored flowers and baby's breath

wore three colored flowers and baby's breath in their hair.

Sandra Mendoza of Muleshoe served as flower girl. Her gown was identical to the bridesmaids except in suede rose. She wore flowers in her hair and carried a bouquet identical to the bridesmaids.

Understanding Yourself

Does God Count Our Sins?

By Rev. Wallace Schulz
Lutheran Hour Speaker

You and I may live with the notion that we are basically nice people and that we are even good enough to earn God's approval and to eventually gain, by our own efforts, reception into the mansions of heaven. But if God kept an accurate record of our sins, our mistakes and our failures, no one could ever face His justice and His demands for absolute perfection.

There is forgiveness of our sins with God.

There is forgiveness with God. God desires that no one perish but that all should come to repentance. When we see how we have failed God and when we understand that His Son Jesus voluntarily took our place on the cross, this knowledge should lead us to sincere sorrow for our sins, thankfulness that God has forgiven us and a spirit empowered desire to trust completely and totally in Jesus and follow Him.

Muleshoe served as best man. Ring bearer was Felipe Miramontes of Muleshoe. Serigo Gonzales and Jerry Mendoza, both of Muleshoe were ushers.

Following the ceremony, a reception and dance was held at the Civic Center. Julie Baiza of Lubbock, registered the guests.

The bridesmaids served at the bride's table and Gloria Perez, sister-in-law, served at the groom's table.

The bride is a graduate of West Texas State University and Stephen F. Austin, with a master's degree in administration. She was on the Dean's honor roll in the fall and spring of 1981 and the summer of 1982.

Muleshoe Singing Group

The Muleshoe Singing Group met Saturday, September 25, in the fellowship hall of the Trinity Baptist Church with 24 present including visitors, two from Clovis, N.M., one from Olton, and Mr. and Mrs. Thurlo Branscum.

Cecil Rundell, president, was in charge. J.M. Crawford gave the invocation. There were solos, duets, and other arrangements as well as several request numbers given.

Benediction was given by J.M. Pruitt.

Out of town wedding guests included Mr. and Mrs. Federico Garza of Dallas, and Mr. and Mrs. Eusebio Baiza of Lubbock.

A rehearsal party and salad luncheon was held at Summit Savings.

Heather Harrison Celebrates Birthday

Heather Harrison, daughter of Mr. and Mrs. Freddie Legg, was honored on her seventh birthday with a family get-together on Wednesday evening, in their home.

A "Wonder Woman" cake and ice cream were served to guests including her grandparents, Mr. and Mrs. Pal Legg; Mr. and Mrs. Mike Morris and Kyla, Mr. and Mrs. Carroll Legg and Courtney; her parents, Mr. and Mrs. Freddie Legg, sister Amber, and brother, Justin.

Krebbs' Attend Reunion

Mr. and Mrs. Klyde Krebbs flew to Tulsa, Okla., Saturday, where they attended the Krebbs family reunion in the home of Mr. and Mrs. C.W. Krebbs.

All of the family members attended. Those attending were Mr. and Mrs. Klyde Krebbs of Muleshoe, Mr. and Mrs. Horace Krebbs of Arlington, Mr. and Mrs. Ray Krebbs of Houston, Mr. and Mrs. Ralph Krebbs of Lubbock, Francille Krebbs, and Mrs. Jack Krebbs of Midland.

Mr. and Mrs. Krebbs returned to Muleshoe, Monday night.

Brownie Weekly Meeting

Brownie Scout Troop #247, met Thursday afternoon, September 23, at 3:30 p.m., in the Brownie Scout Little Hut. Refreshments were served by Angie Gable and Paula Ruthardt. The clean-up team was Santana Chavez and Jessica Orozco.

After collecting weekly dues and serving refreshments, the members of the troop and their leaders traveled to the Progress Fish Farm located five miles west of Muleshoe. The girls learned about the care and feeding of the catfish from Red Durham, the proprietor of the Fish Farm.

This field trip was one of the requirements for the special "Gift of Water" patch the troop is working on to become more mindful of studying about and protecting water resources.

Members present were: Amanda Ashford, Santana Chavez, Melissa Finch, Patricia Finch, Angie Gable, Rose Marie Gloia, Shanna Hodge, Christine Lewis, Jeraldean Lewis, Margaret

Lewis, Regina Lewis, Shirley Lewis, Melissa Lopez, Jessica Orozco, Paula Ruthardt, Shawnee Ruthstrom, Audrey Williams, Mrs. Cathy Gable, leader, and Mrs. Winnie Ruthstrom, and assistant leader.

Visitors present were: Preston Gable, Matthew Ruthstrom, Robbie Ruthstrom and Chad McCormick.

Sudan Methodist Women Attend District Meet

United Methodist Women of the Plainview district met at the First United Methodist Church in Littlefield, Saturday, September 18.

Registration began at 9:30 and refreshments were served prior to the meeting. The theme was, "Christ Our Hope, The Journey Of Life". The main speaker was the Rev. Anthony B. Fadley, a missionary from Libya. Also, Rev. Bruce Parks, district superintendent of the Plainview district made a short talk.

A business meeting was held and officers installed before the lunch break, followed with an officers training period.

majority being filed at the end of 1982 and the first part of 1983. O'Jibway also noted that most of the loans are from economic injury rather than physical damage.

Three points will be of importance when applying for these loans; and they are: 1) the business was severely affected by the storms on June 18 - 25; 2) the operator cannot obtain credit elsewhere; and 3) the business has the ability to repay the loan. The loan limit is \$500,000 with terms up to 30 years at 8 percent interest. Those who qualify may begin applying Monday September 27 through June 23, 1983 at the SBA offices in Lubbock, Amarillo and Grand Prairie.

According to Ed Breihan, president of the National Cotton Council, "A large measure of credit for this program's approval must go to the unified efforts of industry leaders, Governor Clements, the Texas Congressional delegation and especially to the members of the Agricultural Emergency Coordinating Committee, the Texas Independent Ginners and the Texas

Cottonseed Crushers Association.

A list of the eligible counties for SBA loans are as follows:

Andres, Archer, Bailey, Baylor, Borden, Briscoe, Carson, Castro, Childress, Cochran, Coke, Coleman, Collingsworth, Cottle, Crosby, Dallam, Dawson, Deaf Smith, Dickens, Donley, Fisher, Floyd, Foard and Gaines.

Aslo, Garza, Glasscock, Gray, Hale, Hansford, Hardeman, Haskell, Hockley, Howard, Hutchinson, Jones, Kent, King, Knox, Lamb, Lubbock, Lynn, Martin, Midland, Mitchell, Motley and Nolan.

Others include: Ochiltree, Oldham, Parmer, Randall, Reagan, Roberts, Rynnell, Scurry, Shakelford, Sherman, Sterling, Stonewall, Swisher, Taylor, Terry, Throckmorton, Wheeler, Wichita, Wilbarger, Yoakum and Young.

No word has yet been received as to whether or not any Texas counties, other than Cottle and King, have been declared as FmHA Disaster areas eligible for FmHA Disaster Loans at this time.

nutrients that the crop does not need or cannot use.

Tanksley emphasizes that now is an excellent time to take soil samples since soil test results can be obtained more quickly this time of the year due to smaller volume than in the spring. And, once producers have their test results, they can order the fertilizer they need for the coming season.

So, to plan the best fertilizer program, get your soil tested now, suggests the County Agent.

Mrs. Charles Farmer, Kim and grandson, Justin Collins recently visited in the Colorado home of Mr. and Mrs. Casey Farmer.

Mrs. Cordie Taylor recently returned to Muleshoe after spending some time in Mineral Wells with her granddaughter, Rev. and Mrs. Ronnie Summers and family. She assisted them in moving to Louisville where Rev. Summers will serve as a missionary. Also, helping with the moving were Mrs. Taylor's daughter, Joyce Osborne from South Plains and Karen Mooney from Lewisville. The entire group toured Dallas seeing sites of interest along the street where President Kennedy was assassinated.

Mr. and Mrs. Bill Lancaster's son and his family from Dexter, New Mexico, visited them over the past weekend. Also guests in the Lancaster's home recently were Mr. and Mrs. C.C. Bennett from El Paso.

Courses from South Plains College in Levelland will not be offered this fall in Muleshoe; but there is a possibility that a few courses may be offered next semester which begins in January, 1983.

put in a quarterback last year-about mid-season that had no varsity experience who did a bang-up job.

The Indians are lucky in that they have a pair of outstanding receivers in Evans and Chancey, who both earned all district team honors. Evans may prove to be a good weapon for the Indians this year. The defense will be anchored by senior linebacker Stephen Braken, a 5' 9", 165 pound hitter who was out play about half of last season.

Other potential starters for the Indians will be Loy Williams at linebacker, wide receiver, Jerry Cribbs. They use the veer basic offense and their basic defense is the 5-2.

Kennedy will work as the State Director's representative in the counties and work with county officers. He will also handle community loans such as the one which helped Bailey County get its Senior Citizen Center.

Kennedy stated: "We are not moving our home at this time. We have a daughter who is a senior in high school and certainly no move will be made until she graduates. The Kennedys have two daughters, Shannon, who is employed by the Lubbock Avalanche-Journal and Abbye of the home. He plans to commute some and then also plans to take a travel trailer to stay in part of the time.

A reception honoring Kennedy is being planned for Sunday, October 3, from 2-3 p.m., at the Muleshoe State Bank meeting room.

Jerry Don Gleason. Doc was ONLY two points off on his tie breaker, but missed too many games. Other third places have gone to Kay Griswold, Barry Lewis and Marilyn Engeling.

Once again, folks, we can ONLY accept entries on official entry blanks for the paper; AND --- pay special attention to the number of the games and the way they correspond with the blank. One entry blank had to be completely thrown out because the entrant had failed to align his guesses with the correct games.

Sharpen up and let's see some real competition, football games, and be sure to meet all the conditions of the contest rules.

Pitt-West Virginia Has Upset Possibilities

The Mountaineers of West Virginia have beaten Pittsburgh just 22 times in their 74 meetings, the last time, 1975, 17 - 14. The Mountaineers opened their 1982 season with the biggest shocker of the day three Saturdays ago, whipping Oklahoma 41-27. They came back to nip Maryland 19-18 in game number two. The Panthers edged North Carolina 7-6 in their opener and then beat Florida State 31-17. Pittsburgh is the host in this early battle between Eastern independents for national ranking. Both came off winners in post-season games last January. Pitt defeated Georgia 24-20 in the Sugar Bowl and West Virginia clipped Florida in the Peach Bowl 26-6. Definite upset possibilities, but we'll still pick the Panthers to win it.

And the Bulldogs of Mississippi State go from the fry pan to the fire in Southeast Conference competition. They were in Gainesville, Florida, last week battling the powerful Gators. Now they come back home to entertain Georgia. Just what does happen when two packs of Bulldogs square off against each other? Well, Bulldog vs Bulldog hasn't happened since 1975, and that year Georgia's BD's won the confrontation 28-6. Since Georgia doesn't play Alabama - Mississippi State does - a win by the folks from Athens would be a huge step toward another Southeast Conference championship. It should happen... Georgia.

Five of the "haves" in the Pac - 10 Conference shouldn't experience too much difficulty Saturday. Arizona State, returning to Tempe for the start of a rather unbelievable six-game home stand, will beat Kansas State. The Huskies of Washington are heavy favorites over San Diego State, and U.C.I.A. should have no trouble with Colorado. Stanford and Southern California play Oregon State and Oregon respectively. The winners... Indians and Trojans.

immortal words of President Grover Cleveland on March 4, 1885, "Your every voter, as surely as your chief magistrate, exercises a public trust."

Hance says, "The words of President Cleveland are true today as they were almost a hundred years ago. Our right to vote was purchased with sacrifice, hardships, and the lives of dedicated Americans."

In the event a person is not yet registered, a voter registration card may be

obtained from the Tax Office in the Bailey County Courthouse. The application must be mailed before October 2 to be eligible for this year's election.

Congressman Hance states: "If you will be 18 years of age or older on election day, you have the right and responsibility as an American to participate in our elective process. If you don't vote, you have no voice in how our country is run." Hance emphasizes, "Be a good citizen; register to vote and then do so."

All conservation programs managed by the district are of a voluntary nature to the landowner, or operator.

The purpose of the State meeting is to review developments affecting Texas conservation programs and to plan future conservation district programs and activities. Governor Bill Clements will highlight the program when he will address the group at their banquet in the Hyatt Regency's ballroom on Tuesday evening.

Other speakers scheduled for the meeting include Mark White, Attorney General of Texas; State Senator Ray Farabee of Wichita

Firefighters Report

By Wayne Peterson

Firemen are reminded of the family social, Wednesday night at 7:30 the 29th.

Wednesday night, the 22nd of Sept. was regular training meeting. Firemen trained with Scott air packs in a smoke filled building. This simulated practice enables the fireman to function quicker, safer and with more confidence during actual fire and bad air situations. Training officer J. O. Parker planned the practice and Bob Copeland coordinated.

Why do you think firemen are always practicing? Are they forgetful, don't get it right the first time, hard-headed, or just crazy? Maybe none of the above - or just a little of all the above. But many residents of small or mid-size Texas cities will save a little money on insurance rates because some of their firefighters Texas Engineering Extension Service training schools. By sending fireman and fire marshals to training sessions conducted by the Texas Engineering Extension Service, cities may receive up to 5 percent credit on their insurance key rate, a complex system that the State Board of insurance uses in "grading" such towns for rates on home owner and fire insurance.

A greater savings to the communities than the key rate credit is the reduction of local fire losses which should be brought about by the use of efficient fire-

fighting methods and fire prevention measures that are emphasized and taught during the schools conducted by T. E. E. X.

Under the key rate system, municipal and volunteer squads are required to train and submit reports to the State Board of Insurance, which also takes into account the type of city water system, street widths, firefighting equipment owned along with other factors when grading communities for credits.

Credits allowed is 3 percent for one qualified fireman trained by the Fire Protection Training Division of T.E.E.X., 4 percent for one fireman and the fire marshal, and the maximum of 5 percent for two or more fireman and the fire marshal. Officials with the State Board of Insurance in Austin, said the number of firemen could directly affect policy rates for homeowners and general fire insurance.

The Sudan Lions Club once again distributed cheese Wednesday afternoon, giving away 4500 pounds of the Processed American Cheese.

The doors opened at 1:00 and by 2:00, the cheese had been distributed by members of the Lions Club along with the help from some of the members of the Sudan Senior Citizen's organization.

A flashing caution light has been installed on Highway 84, with a flashing red light at Main Street and Highway 303, coming across the railroad tracks. This is a great addition to Sudan and was installed last week with the help of Southwestern Public Service employees. It was stated that the late Guy Walden had much to do with getting this needed light installed here.

Members of the Booster Club met Monday night, September 13, in the school cafeteria with Edward Fisher, president opening the meeting.

Coach Mack Lowe showed the film of the game between Sudan and Springlake-Earth, played Friday night.

130 membership cards have been sold as of Monday, and they may still be purchased from \$2.50 each.

Sudan Hornet caps are on sale now and can be purchased for \$5.00 at Lance Insurance office.

Shirley Martin won the football tickets. Refreshments were served by Pee Wee Lance and Sue Pack to the 22 persons present.

The next meeting will be Monday night, September 20, at 8:00 p.m., in the school cafeteria. Everyone welcome-whether or not you have school children or children not playing football - you are welcomed.

Teacher Feature

The Student Council will again be choosing teacher of the week. This week's honors went to Mrs. Barbara Milburn who teaches reading and also likes the age student that she is teaching.

The group welcomed four of the week. This week's age student that she is teaching. She attended high school at Whitharral High School and attended college at Panhandle State in Goodwell, Oklahoma. Mrs. Milburn has been teaching for twenty years. She taught at Walsh, Colorado, before beginning her teaching here.

She has two children, Jenny and Bill. Bill is married and is living in Amarillo. Jenny is married to Steve Oliver and lives here in Muleshoe. Mrs. Milburn has one grandchild, Martin, who is three months old. Her hobbies are gardening, her yard and reading.

Chosen as teacher of the week was Mrs. Dorothy Beddingfield, who teaches sixth grade English and seventh grade Texas History.

She has one daughter, Mrs. Kerry Badrow of Amarillo, who is a secretary to the Dean of Continuing Education at Amarillo College. Mrs. Beddingfield has two grandsons, Shawn, who is eight and Shane, who is five. Shawn is a second grader and Shane is in kindergarten. They both

attend Trinity Lutheran School in Amarillo, Texas. Mrs. Beddingfield came to Muleshoe in 1947. This year makes her thirty-fourth year in Muleshoe, and it will be her forty-fifth year of teaching.

She graduated from Greenville High School in Greenville, Texas. She then attended East Texas State University in Commerce, Texas. She received a BS degree, with a history major, a first minor in government, an a minor in English.

Mrs. Beddingfield taught seven years at Center Point in Greenville, Texas, one year in Haskel County, two years at Munday, Tx., and one year in Cash, Tx., where she was principal.

Her hobbies are reading, traveling, and crewel embroidery.

Mrs. Beddingfield's comments for this year were, "I think this year is going fine. I enjoy my students, they are a joy to teach. This will be my last year to teach. I plan to retire at the end of the school term in May. I will have many fond memories of the pupils that I have taught in Junior High School."

The annual staff wants to wish Mrs. Beddingfield happiness during her retirement.

Kindness has never yet done anyone serious harm.

A conversationalist will talk whether anyone is listening or not.

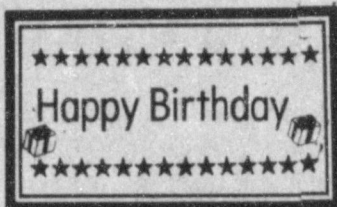

Mules Tie Wildcats

The seventh grade Mules played another game September 23, against the Idalou Wildcats.

Idalou started the scoring with a touchdown in the second quarter, but failed on the conversion. In the third quarter, Mule, Armando Del Toro ran in for a touchdown, that fired up the Mules, but they failed to make the extra point, which made it 6-6. The game ended with this deadlock score.

The Mules had the strongest defense yet, which held Idalou to only six points.

You are encouraged to come out and watch the Mules play Abernathy October 7, on their home field. It is sure to be a good game against the Antelopes.

Lisa's Lines

by Lisa Hamilton

This week has really been fun. Monday, several students went to the fair. Those that didn't were happy they got out of school at 2:00.

Band pictures will be taken on October 7. Also planned are group pictures of Library helpers, Student Council, Etc.

You need to buy your annuals now. They are \$8.00 until October 29, when they go up to \$9.00. No more annuals will be sold after November 19, and NO EXTRA annuals will be ordered.

The annual staff is sponsoring a movie October 5. The movie is "No Deposit, No Return", and admission is 75 cents.

Practice makes perfect, but don't forget to perform what you practiced.

This week was really pretty good. It wasn't so hot Wednesday and Thursday and tempers cooled down.

October 5, the annual staff is sponsoring their film. It is earlier this year for a matter of convenience. The movie is "No Deposit, No Return". It is rated G and the admission is 75 cents.

Annuals are still \$8.00, but hurry, because they will go up to \$9.00 before you realize it. They will go up to \$9.00 after October 29. No more annuals will be sold after November 19, so hurry. If you don't buy one, you will miss all the fun at our annual signing

Wildcats

Scratch 8th

Grade Mules

The Mules eighth grade Mules lost to the Idalou Wildcats Thursday, the 23rd of September, by a score of 20-0. In the first quarter, Idalou made a touchdown, but missed the extra 2 points. In the second quarter, the Idalou Wildcats made another touchdown and once again missed the extra two. Later on in the same quarter, Ramon Martinez ran in for a touchdown for the Mules, but the TD was called back for a holding penalty on Muleshoe.

In the third quarter, the Mules ran to the one-yard line, but were called back for another holding penalty. In the same quarter, Idalou made another touchdown and made the extra two points.

In the fourth quarter, the Mules made another TD, but it too, was called back for a clipping penalty on the Mules.

The Mules next game will be played September 30, at 4:30, in Portales.

Floydada Blows Mules Away

The 8th grade Mules played the Floydada Breezers in Muleshoe, Thursday, September 16. The final score was 20-0 in favor of the Breezers.

In the first quarter, the Mules let the Breezers score one touchdown and the 2 extra points.

In the second quarter, the Mules scored a touchdown, but it was called back by an offsides penalty. The Mules could not stop the Breezers, and they scored another touchdown, but missed the extra 2 points.

In the second half, the Mules just could not hold the Breezers, and they scored still another touchdown in the third and also one in the fourth quarter.

The Mules next game is against Idalou here in Muleshoe, at 6:30 p.m. September 23.

TRYING FOR IT... Hector Orozco, #30, is making a big try for yardage with Gonzales backing him up, but #82 caught him around the legs and had he broken that tackle, he would have had to face 210 pounder Butch Lancaster, a 6' 2" tackle for the Idalou squad.

AAM- Applauds House Action

The American Agriculture Movement today applauded the House of Representatives action in passing a one-year moratorium on Farmers Home Administration loans.

Marvin Meek, National AAM Chairman, said the legislation was a good "halfstep" toward helping

agriculture, and therefore, the nation's economy.

"We are extremely pleased that the House has seen the wisdom of Representative Ed Jones bill, and overwhelming approved the concept of a years' moratorium on FmHA loans. Those loans have been placed in jeopardy by mismanagement, misconception, and mistakes by the past Administrations and Congresses for three decades" Meek said.

"However", Meek continued, "this is only half a loaf. A moratorium for one year or five years won't change the future of this country unless the farmer gets a price for his product. Without a price," Meek said, "all the forgiveness in the world won't turn this country around."

Meek urged the Senate to enact HR 5931. "Weekly, we lose more and more of our family farmers, those who have borrowed from Farmers Home, the bank of last resort. And we are told

that upwards to forty percent of those loans are in jeopardy.

Meek pointed out that it has been government policies, by - lateral trade agreements, unfair trade restrictions, and action and in - action by Democratic and Republican administrations which have taken control of acreages, markets, prices, and even selection of crops from the farmer.

"If those are not items beyond a farmers control, I don't know what is. We all love to talk about a free market, but there is no such thing and hasn't been for over a generation. The farmer has more control over the weather than he does where, when, why, and for what price he can plant or market his crop," Meek said. "And I have yet to see a farmer who could control a hail storm," he concluded.

The proposal calls for a case-by-case review prior to FmHA foreclosure.

Electricity is a product that must be manufactured. To help our customers understand the process of generating electricity, we offer tours of our power plants. Tour guides conduct business and civic organizations, clubs, school classes and other groups through these plants, discussing equipment and the production process according to the ages and interests of tour participants. Contact your SPS manager to arrange for your tour of a power plant.

Susan McKissack, Plant Clerk, Harrington Station

SPS has a Speakers Bureau. Our specialists are available to present programs on such topics as using energy wisely or how electricity is made from coal. These programs, designed to inform our customers about electric energy and related subjects, are available at no charge for schools, clubs or other organizations. Many programs include special demonstrations, slide shows or films. Your local SPS manager can suggest a speaker for your next meeting.

Randy Eminger, Consumer Services Representative, Lubbock

You and SPS are partners in energy management. SPS does its part by operating its power plants as efficiently as possible and by planning now for future demands for electricity. You do your part when you use electricity wisely. Remembering to switch off lights and appliances when not in use can help keep down your electric bills. Insulating your home or using energy-efficient appliances, like the heat pump, can help too. Working together to manage electricity benefits us all.

Threeway School News

FABULOUS FIRST
The eleven first graders which are Shane Terrell, Somer Edwards, Greg Medina, Carlos Pina, Ida Ornelas, Socorro Hernandez, Chon Ornelas, Edwardo Rodríguez, Ector White, Rocio Munoz, Alicia Rivera, and the teacher Mrs. Greathouse.

The president - Somer Edwards, vice - president - Shane Terrell, Sec. - Greg Medina, Reporter - Ida Ornelas. They have learned six letters and their sounds. They also have been studying about sets in Math. Now the class is working on making the numbers.

SPIRITED SECOND
Our enrollment has dropped one. Melonie Ellis moved to Post, last weekend. We now have six students. We were so sorry to have lost Melonie, but know she will do good at her new school.

THUNDERING THIRD
Third grade has four boys and five girls. The boys are Efrían Guillen, Corley Hutton, Larry Robertson, and Marc Tucker. The girls are Denise Duarte, Malissa Guillen, Lilian Pina, Lori Suarez and Rachel Zapata. Mrs. Ridgely is our teacher.

We elected officers on August 24. Corley Hutton is our president. Marc Turner is Vice President. Rachel Zapata is Secretary - Treasurer. Malissa Guillen is the reporter.

Our girls are practicing a cheerleader routine for the football game. We are doing some experiments with plants.

This week is Homecoming Week. We got to dress up this week. We were punky on Tuesday. Mrs. Ridgeley had an earring in her nose. Wednesday, Denise Duarte dressed up old like, 1882, and all the boys dressed Western with hats and gun belts and Corley Hutton had whiskers. Thursday, some of us wore warm-ups and Friday, we all plan to dress nice.

Lori Suarez brought a tarantula to school to show our class. We liked it! She also shared it with Mrs. Prewitt's science class. They shared a tarantula wasp with us. We learned why it is called a tarantula

wasp.

Our teacher read to us about an eleven year old boy who has to live in a bubble. She read it from the Lubbock paper.

Our Homecoming Week will have a bonfire, Thursday night, and a turkey and dressing supper and a football game with Midland Christian on Friday night. We will have a queen and king, but we don't know who yet.

FRENZIED FOURTH
The fourth grade class elected the following officers for the school year: President-Carrie Kindle, V. President - Lisa Lowe, Sec. - Treas. - Norma Rubalcava, Reporter - Laura Covarrubias, Student Council Representatives - Russell Autry.

Our class regrets losing Michael Ellis who moved to Graessland.

The past week we have been studying about the United States - a nation of immigrants. It has been interesting finding out our family origins and from which country our ancestors came.

During Homecoming Week, our class enjoyed dressing in costumes according to the theme for each day. Carrie Kindle received a ribbon for her space costume representing the year, 2002. Lisa Lowe received a ribbon for her old-fashioned, 1882 dress, and Jesus Flores received a ribbon for his wild west costume.

Lisa Lowe, Laura Covarrubias, and Carrie Kindle took their 4-H entries to the Panhandle South Plains Fair last Thursday.

We are happy to have a new student, Tammy Morrow, to enroll in our class. She was attending school in Frankston, Texas.

FAIR OUT FIFTH
This year 5th grade came out with a good start. Our teacher is Mrs. Belcher. Our class officers are the following: Heather Hotton - Pres., Chad Welch - Vice - Pres., Melinda Turney - Sec., and Scott Terrell - Reporter. The girls have been practicing for a dance routine to be done in our first pep rally. Everyone is making good grades, and we are looking forward to next week.

SUPER SIXERS
All through the week, we've been using Mrs. Prewitt's microscopes for looking at cells and micro-

organisms. We've also been doing experiments with yeast and sugar, trying to watch it grow. Tuesday, our hamsters got out. We caught one of them but the other hid behind the filing cabinet. After lunch, we moved the cabinet and Dolle Barker went behind the cabinet and got her. Also one of our fish jumped out of the aquarium and Mrs. Brown our teacher, put it back in, and our snail crawled up the grass and when it got to the top, it crawled right out and fell on the floor.

Friday night, eleven baby hamsters were born to Cinnamon and Sugar, of the sixth grade room at the Lowe residence. Staci Lowe was baby sitting them for the Labor Day weekend. We have the expecting fish in a box, but no baby fish. Keep your fingers crossed. We have also been looking at dry yeast cells and mold off of molded cheese. The Eagles won their game against New Life Academy. We are very proud of them.

All week long, the sixth grade class has been using the microscope to look at cells of different sorts. Now we have our own mailbox to send notes to each other. Our teacher, Mrs. Brown, has been using this system for years. Our baby hamsters have really been growing. Mrs. Brown will probably give them all away when they're bigger

to a college or university. On the other hand, we still have no baby fish. We hope to have some very soon however.

SENTINEL SENIORS
The senior class is now taking orders for home-baked goods. They are classified as: pies, cakes, and others. If you want us to bake you anything, contact any senior or Mrs. Smotherman. Your help will be greatly appreciated.

SENIOR SPOTLIGHT
Our senior spot falls on Bret Alexander, son of Darlene and Murray Alexander. Bret appeared on October 13, 1964, at Ft. Worth, Texas. Bret likes the color blue and enjoys tacos and pizza.

Bret's favorite subject is Free Enterprise because he enjoys learning about our system of government. Bret plans on going to Dallas and being a disc jockey to KZEW after graduation.

When asked what he liked best about his Senior year, Bret said, "It's the last year and I'm looking forward to our Senior trip." Bret expects to graduate and have fun on his trip.

Bret is treasurer for FFA, in student council, starts both ways in football, plays tennis and runs track.

OS Ranch Steer Roping, Art Exhibit This Weekend

What has become one of West Texas' most prestigious western events which combines championship roping and the best in western art and sculpture will unfold its twelfth edition on October 1, 2, & 3, at the historical OS Ranch Steer Roping and Art Exhibit seven miles south of Post, Texas, on US 84.

This now-famous event was first started by Jim Prather, OS top hand, when he founded the West Texas Boys Ranch benefit to give donors to the home for dependent and neglected boys something for their donated money. Top western artist, Tom Ryan of Stamford, who was at the beginning a Lubbock resident, helped Prather put together a unique art-roping benefit that has set an example for many other like happenings throughout the southwest.

Everything from food to entertainment is available on a donation bases, with

the entire proceeds and a percentage of the sales held, going to WTBR. Daily admission is a \$5 donation with barbecue included.

A Friday night Art Preview party will begin the weekend at 5:00 p.m. with an art sale, dance, and a special Triple Auction featuring 10 pieces of western art, 10 longhorns and 10 horses on Saturday morning.

There will be barrel races and cutting horse competition, a washer pitching contest, art show and a Bar-B-Q brisket dinner with entertainment from Johnny Gimble Show. After lunch, the calf roping will begin and the finals of the race roping and barrel team will be held. A 9:00 p.m. dance will conclude Saturday's activities.

Sunday begins with an 8:00 a.m. old timers breakfast and 9:00 a.m. church service followed by a Bar-B-Q dinner, the steer rop-

ing competition and the finals of the cutting horse contest.

The Art Show which runs through Sunday, features 35 of America's finest contemporary western artists, among them, Paul Wylie & Duward Campbell, and their work will be for sale from 10:00 a.m. until 5:00 p.m., each day.

The price of Admission for Saturday's and Sunday's activities will cost \$5.00. For information about any of the events, call 915-949-1936 or 806-495-3958. For a copy of the 120 page fully illustrated OS catalog, which contains photos of each artist and his/her work and each of the 38 steer ropers in action, as well as photos of last year's event, send \$6.00 to P.O. Box 310, Post, Texas, 79356.

This is the 12th year for the roping and art exhibit to benefit West Texas Boys Ranch in San Angelo, Texas. Located on 963 acres, 15 miles west of San Angelo, West Texas Boys Ranch has been home to more than 1,000 needy boys since 1947. Boys Ranch is supported entirely by the tax-free donations and contributions of a concerned public and accepts no state or federal funding. "Don't brand a boy, build a man," has always been the motto at West Texas Boys Ranch.

CRIME: IT'S THE VICTIMS WHO ARE LOCKED UP

I want to talk to you this week about an issue that troubles me greatly and which I know is of great concern to Texans. It seems that whenever I have spoken about crime in the past 12 months I have gotten a strong and troubled response. No matter where I am—Jewett, Roma or Dalhart—people tell me they are angry and afraid about crime in our state.

This anger and fear concerns me for two reasons. First, because this kind of anger and fear serves as a sort of "jail" for innocent people. They are the ones locked in their homes at night while criminals go free. The second reason I am concerned is because unless something is done to stop the crime epidemic, people will be ripe for the kind of politician who will play on citizens' fears. The result could be that Texans lose their liberty in return for their "safety". In that sense, the crime problem is like a cancer gnawing at democracy.

The incumbent Lt. Governor's response to the crime issue has been shameful. While he has been in office the crime rate has risen 131%. He has done nothing to attack crime in a substantial way. In fact, he has fought stronger anti-crime measures. He openly opposed the new wiretapping law designed to catch drug dealers. He openly opposed the Governor's anti-crime package by putting it in a legislative committee run by a hostile Senator, who promptly bottled it up. Much of the package passed anyway and now Mr. Hobby has the gall to go around the state taking credit for it!

His sympathies in the fight against crime are evident. Not long ago he allowed the American Civil Liberties Union (ACLU) to hold a fundraiser in his Houston mansion and he proudly defends it. The ACLU has consistently opposed laws that would make it easier to deal with the crime problem. I think such two-faced maneuvering is disgraceful. It is obvious that if we are going to attack the crime problem, if we are ever going to give law officers, judges and prison guards the tools they need to make us safer, Bill Hobby will have to go.

If you have thoughts about this, I'd like to hear from you. Please write me at 1213 W. 34th, Austin, 78705.

CRIMINAL APPEALS

TEXAS HAS TRADITIONALLY been a one party state, except for a few national offices. It has elected only one State wide office that I can remember in more than one hundred years, and that is Governor Bill Clements.

This year, the republican party has selected a set of statewide candidates who I think are well qualified for the office they are seeking. They are Jim Collins, for the U.S. Senate; Governor Bill Clements, for Governor; George Strake, for Lt. Governor; Bill Meir, for Attorney General; Mike Richards, for Comptroller; Allen Clark, for Treasurer; Fred Thornberry, for Commissioner of Agriculture; Woody Glasscock, for Land Commissioner; John T. Henderson, for Railroad Commissioner; John Bates for Supreme Court Justice an Ray Moses, for Court of Criminal Appeals.

I urge every qualified voter to investigate the character, past record and ability of each of the candidates and then vote November 2, for the one each feels is best qualified for the office he is seeking.
