VOL. 71 "Since 1890" PUBLISHED EVERY FRIDAY AT STERLING CITY, TEXAS MAY 3, 1963 No. 16

## PROCLAMATION

WHEREAS, the sheep industry is a primary industry in Sterling County, and wool and lamb production is one of the most important factors in the economy of the residents thereof; and

WHEREAS, to feature such products and to remind our area people that "NOTHING MEASURES UP TO WOOL" and "EAT MORE LAMB" are more than mere slogans, persons interested in the sheep industry have scheduled a Lamb-O-Rama, where the preparation, use and enjoyment of the same will be demonstrated;

NOW, THEREFORE, be it officially proclaimed by The County of Sterling and The City of Sterling City that Friday, May 10, 1963, be known as LAMB-O-RAMA DAY so that its citizens, friends and guests may have and hold its benefits and enjoy the hospitality of all our people.

## Lamb-O-Rama Here May 10

### In Sterling High School

Invitations have been mailed for the Sterling Lamb-O-Rama to be held on Friday, May 10, beginning at 2:00 p.m. in the high school gymnasium. The county judge, W. R. Brooks, and the mayor of Sterling City, L. R. Reed, have issued a proclamation designating Friday as Lamb Day in Sterling County and Sterling City.

The Lamb-O-Rama is a joint effort of several groups and many individuals. Planning and setting up the event are the local directors and members of the Texas Sheep and Goat Raisers Association and its ladies auxiliary, the County Extension Program Building Committee, the local instructors in the high school homemaking and vocational agriculture departments, local sheep producers, local merchants, and the West Texas Utilities Company.

The first part of the program beginning at 2:00 p.m. will be a lamb killing, dressing, and cut out demonstration. This demonstration will be conducted by Frank Orts, an instructor in the Meats Laboratory of the Animal Husbandry Department of Texas A&M College. Mr. Orts will demonstrate the best way to slaughter lambs for home consumption; he will also show how to make the various cuts of the carcass.

As Orts demonstrates the various cuts from the carcass, Mrs. Ruth Clappitt and Mrs. Betty Coker, home economists with West Texas Utilities will demonstrate these cuts already cooked and ready for the table. In addition they will demonstrate how to use the entire lamb carcass. Most homemakers are familiar with the preparation of such cuts as the leg or chops but are at a loss as to how to prepare the other cuts.

The home economists, assisted by local housewives, will give a demonstration on how to prepare the various dishes using lamb. They will give tips on seasoning, cooking, and serving the various dishes.

A lamb dinner will be served in the school gymnasium at 6:30 p.m. Feature of the meal will be different dishes of lamb featuring some of the lesser known cuts of lamb.

The evening program in the auditorium will spotlight wool. Local girls who entered the Make It Yourself with Wool contest a few months ago will model their wardrobes. In addition, Miss Wool of Texas, Anne Spence of Austin, Miss Mohair of Texas, Nancy Friend of Ozona, will also model. Miss Wool of America, Carolyn Barre of Yoakum, may also appear if her studies will permit.

Others on the evening program include James L. Powell,

## Four Wildcats Are Set for County

Four new wildcats were scheduled for Sterling County Monday of this week.

Texaco, Inc. will drill the No. 1 Sterling Fee, a 9,500 El lenburger wildcat in west Sterling County, 15 miles west of Sterling City and 1/2 mile north of production in the Herrel (Clearfork) field, 1 1/4 miles east of the Glasscock County line.

Location is 1,980 feet from the north and 660 feet from the west lines of 19-31-4s-T&P.

Shaheen & Sons, Abilene, will drill the No. 1 Nellie P. Perramore as a 7000-foot Wolfcamp wildcat in north Sterling County, 20 miles north west of Sterling City and 1 1/2 miles west and slightly south of the two-well Triple M (Wolfcamp) field.

Location is 660 feet from the south and east lines of 63-17-SPRR.

L. H. Freeman and Associates, Fort Worth, will drill 2 3,600 foot wildcats approximately 7 1/2 miles southeast of Sterling City.

The No. 1-11 W. L. Foster, four miles southeast of the Sterling, South (Clearfork) field and 2 1/4 miles northwest of the depleted Crandall (San Angelo), is 990 feet from the south and 1,650 feet from the east lines of 5-15-H&TC.

The No. 1 T. H. Humble, 1 1/4 miles to the southeast, is 2,310 feet from the north and west lines of 30-11-SPRR.

Operator plans to test the San Andres, Clearfork and Wichita Albany.

## Will D. Grosshans Buried Thursday

W.D. Grosshans, 76, a native of Nebraska and a farmer all his life, was found dead in bed early Tuesday morning by two women who had gone by the house on a fishing trip. He was presumed to have been dead for several hours due to a heart attack.

Graveside rites were held in the Foster Cemetery Thursday morning at 10 with the Rev. Sherman Conner officiating. Lowe Funeral Home was in charge of arrangements. Nephews acted as pallbearers.

Mr. Grosshans was born in Lincoln, Nebraska August 4, 1886. He had lived here for 38 years.

Mr. Grosshans was a veteran of World War I.

Survivors include Mrs. Nona Grosshans, one son, Duard Grosshans of Torrence, California and a brother, Wal-Grosshans of Miles and two grandchildren.

## Local Girls in Blue Bonnet Belles Relays

Coach J.R. Dillard took several girls to the Bluebonnet Belles Relay and Track meet in San Angelo last Saturday.

Elaine Price, daughter of Mr. and Mrs. Foster S. rice, made the finals in the 50 and 100 yard dashes for her class. She came out fifth in the finals in both races. Cinday Lowery made the finals in high jump but came out fifth in the finals.

Rosanne Foster, Barbara Durham, Connie Legg and Carolyn Tindall were also in competition, participating in the relays, etc.

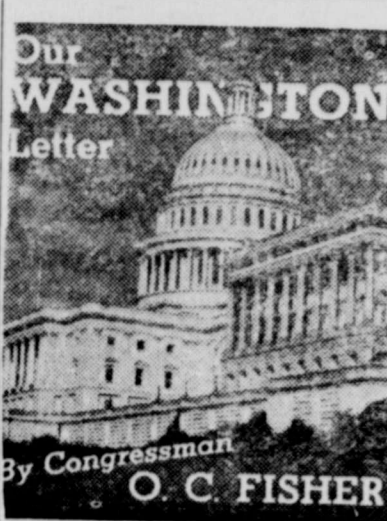

More than 300 girls from 39 schools from over Texas were entered in the events. The local girls expressed an interest in trying harder next year and Coach Dillard plans to enter some of the events then.

Karen Jackson had planned to go as an entrant in the 12 year class, but illness prevented her from going.

## CARD OF THANKS

I want to thank my good friends for the cards, flowers and all acts of thoughtfulness while I was in the hospital in Temple.

H.L. HILDEBRAND

To purge or not to purge—That question is being discussed by political observers and writers.

This refers to a report that certain democratic political leaders plan a purge movement against democrats in the south who do not go along with the New Frontier in Congress. It is reminiscent of the FDR abortive purge efforts of New Deal days when the President openly attempted to induce voters to retire such men as Senator George of Georgia, Senator Tydings of Maryland and others who did not go along in those days.

The recent flareup stemmed from some high level meetings between the AFL-CIO Committee on Political Education (COPE), and Charles D. Roche, deputy chairman of the Democratic National Committee. The latter, a close associate of Bobby Kennedy, is supposed to reflect views of the Attorney General. President Kennedy has disclaimed any active part in the plan, and so has John M. Bailey, the Democratic National Chairman.

At a series of political meetings in March, held in Tennessee, Little Rock and Houston, Roche was present along with top level COPE political leaders. Although publicity was avoided, the New York Times wrote a story detailing the plans that were advanced at those sessions. According to the story, it was agreed that a score of southern democrats would be purged next year, plus others to be added later. The idea was for the Roche-COPE combine to help find, support and finance opponents for those of us who have not followed the party line in Congress.

It was revealed that some such efforts were pushed during the last election year, with limited success. Charles E. Hooten, Jr., a Harvard classmate and close friend of Senator Ted Kennedy, and also a buddy of Bobby's, opposed conservative democrat Bob Casey of Houston in the primary last summer. During that campaign, the Democratic National Committee paid \$300 to Lou Harris & Associates of New York in May of 1962 for a pre-primary poll in Casey's district, evidently for the purpose of helping Hooten's chances. Casey, however, won handsomely.

This incident is being cited as an indicator of steps the National Committee can be expected to take, along with others, in promoting opponents against sitting Members who are on the conservative side.

## JERRY PAYNE TO STATE TRACK MEET

Jerry Payne, local track star, is entered in the 120-yard high hurdles at the state track meet in Austin this week end. He and coaches Fred W. McDonald and J.R. Dillard left Thursday for Austin. The preliminaries will be held today, Friday, and the finals Saturday.

Jerry is the only finalist in the state meet, track or literary, from Sterling.

Tommy Foster and Foster S. Price both had horses in the Sonora Futurity races last Saturday. Neither of the local horses won their races, it was reported. A good crowd of local people went down for the races, including the Tommy Foster, Foster S. Price, the J. Q. Fosters, the William Fosters, the Roland Lowes.

## GRAND JURY NEXT MONDAY

The Sterling County grand jury will meet here next Monday morning at 10:00 o'clock. Sheriff Jim Cantrell has been summoned the grand jurors this week for the session of the 51st district court. Judge Joe Mays of San Angelo is the presiding judge.

## HOSPITAL NOTES

Patients in the Sterling County Hospital on Thursday morning of this week included—

Mrs. O. V. Anderson  
Mrs. George Case  
Mrs. J. R. Dillard  
Mrs. Andrew Coronado and infant daughter, Loraine, born April 29  
W. J. Williams  
Mrs. Lupa Trevino  
Mrs. Jimmy Dan Hipp and infant daughter, Tammy Kay, born April 29

## FAKE AD SOLICITORS

R. L. Cole, district manager of the General Telephone Co., notified the city secretary, Mrs. Horace Donalson, that there are some fake ad solicitors selling ads purported to be printed in the yellow pages of the telephone directory, but they have no connection with the company.

## 7th and 8th Grade Banquet Held

The annual 7th and 8th grade banquet and program was held at the school last Friday night.

Following the banquet a program and giving out of the awards by principal Dillard rounded out the evening.

Lynn Alexander acted as master of ceremonies. Mr. O. T. Jones gave the blessing.

Lynn gave the welcome to the eighth grade and Johnny Copeland responded for the 8th graders.

Songs, skits, class and prophecy made up the program.

## DAVID WALLACE IN CRITICAL CONDITION

David Wallace of Dallas, son of Mr. and Mrs. Mumpsy Wallace and grandson of Mr. and Mrs. John Reed of Sterling, is critically ill at his home in Dallas. He has had a kidney failure and was kept in the hospital for a long time trying to resolve the ailment. Now he has gone home but very little hope is held for a recovery.

Last weekend Mr. and Mrs. Martin Reed and Mr. and Mrs. John Reed went to Dallas to visit the Wallaces. Mrs. John Reed stayed for a longer visit.

## RAINS AGAIN

Good showers fell in and around Sterling last Saturday morning early and repeated in a smaller way Sunday morning. .80 of an inch fell here in town Saturday morning and ranged upward to inch and a half in parts of the area. Sunday morning the fall here was 25 hundredths and was more in favored areas.

Most of Sterling County is in fair shape with moisture at the immediate present. In fact, the ranges look better in Sterling than in the area to the south and east.

## Lions to District Meet This Weekend

The Lions Club members met in the community center Wednesday noon for the regular weekly luncheon. The was won by Jeff Davis.

Arthu Barlemann told the members about the Lamb-O-Rama that will be held here on May 10 at the school. A large crowd is expected by those in charge.

## To District Convention In Midland

The Lions District Convention is being held in Midland this week end and the president elect, Frank Jackson and Jack Douthit plan to be delegates. Other members of the club may go and all are welcome. The club is being represented in the Lions Queen Contest by Lee Douthit. A round of activities for the contestants has been planned at the country club, the Scharborough Hotel culminates in the Queens Contest Saturday night in the high school auditorium. The three top girls will be feted at luncheons and a banquet Sunday there and the winner will go on to the state queens contest as the entrant from this district.

## SON TO THE WINSTON CHURCHILLS

A son, named Garry, was born to Mr. and Mrs. Winston Churchill of Richardson Wednesday. The baby, second son of the Churchills, weighed eight and one half pounds. Grandparents are Mr. and Mrs. Marvin Churchill of Sterling City and Mr. and Mrs. V. Martin of Mansfield.

## RANCHMEN—

The farmers and ranchers of Sterling County who agreed to divert acreage under the wheat or feed grain programs are reminded that grazing the diverted acreage anytime between May 1 and November 1 will automatically disqualify the land from receiving any diversion payment.

Galveston previews her treasures of bathing beauties, warm Gulf waters and spotless beaches near which the pirate gold of Jean Lafitte may be buried as she prepares for her traditional Splash Days beginning April 24. The treasure chest of events will be opened on the 27th with a variety of surf and seaside entertainment. Other special activities will follow each week-end through May 10. But every day from April to December the 30-mile beach attracts thousands for all kinds of seaside pastimes.

### For Social Security

Floyd B. Ellington, social security district manager in San Angelo, offered a few tips today on how to get your first social security check when it is due.

If you are nearing retirement, Ellington suggests that you get in touch with your social security office, and take some proof of your age with you. Have a member of his staff examine whatever proof you may have to see if it will be acceptable when you do retire.

Should you need better evidence of your date of birth, you will be given information to help you get that additional evidence.

If you are within three months of retirement age, the social security office can take your application for benefit now. Go to the social security office and take with you proof of your age and your social security office and take with you proof of your age and your social security card, of course.

Ellington said that even though you are working and are 65 years old, you can apply at any time. Many people think that you have to retire completely to get any benefits. This is not true, Ellington said.

Over fifty million people have worked long enough under social security to qualify for cash disability benefits if they become disabled. This means that they have social security credits for five years (20 quarters) out of the past ten years, Floyd B. Ellington, district manager of the San Angelo Social Security office said. In the case of a severe disability, the worker and his dependents may be eligible for monthly cash social security disability benefits if he meets this work requirement.

It is not necessary to be completely helpless to qualify for social security disability benefits. These benefits are payable to those who suffer from a crippling disease or a severe impairment which makes them unable to do any substantial work.

Disabled adult sons and daughters of retired, deceased, or disabled workers may also receive childhood disability benefits if they become disabled before they reached age 18.

### SCHOOL BOARD SETS VOTE MAY 25

Petitions asking for an election allowing the school tax maintenance rate be set at \$1.50 per hundred valuation and enough additional to meet bonded indebtedness, has been acted upon by the school trustees. They have set May 25 as the date for such an election here. The board received the petition Tuesday and acted that night.

The school has been running short each year and had to have additional money to operate. A raise in the school tax rate or a raise in valuations was necessary. The board and interested citizens think the raise in the school tax rate is the best route for local taxpayers to take.

### Wheat Referendum Vote May 21

The marketing quota referendum for the 1964 wheat crop will be held Tuesday, May 21, from 7:00 a.m.-7 p.m. The polling place for Sterling County will be in the local ASCS office. All eligible voters are urged to make their wishes known on this issue, as this is the time for wheat growers to decide whether or not they want marketing quotas to be effective for the 1964 wheat crop. To be effective, it must be approved by a two to one majority of those voting.

The program being voted on provides the following features for the coming year:

1. Farm allotments equal to about 90% of the 1963 allotment on the average - a national allotment of 49.5 million acres.
2. A national marketing quota of 1.2 billion bushels.
3. Payment for diversion from wheat to conservation uses as a result of complying with the 1964 wheat allotment.
4. An opportunity for each wheat grower to voluntarily reduce below his allotment and devote the acreage to conservation. This acreage will also be eligible for diversion payments.
5. A two price arrangement whereby most of each grower's wheat would be eligible for a price support at \$2.00 a bushel and the balance at \$1.30 a bushel on a national average basis.

A reward of \$500.00 will be paid by the Texas Sheep and Goat Raisers Association to any person (other than law enforcement officers) giving information causing the arrest and final conviction of any person or persons found butchering or stealing any sheep or lambs or goats belonging to any Association member in good standing. When two or more persons give information, the above sum will be divided at the discretion of the Board of the Association. When two or more defendants are involved in a single crime, the total reward is limited to \$500.00, but the conviction of one defendant, even though the other defendants are acquitted, will entitle the claimant or claimants to said sum of \$500.00. All claims must be submitted within ninety (90) days following conviction. If, upon conviction, a defendant confesses other thefts, no additional reward will be paid. All devisions concerning the payment of such reward and the conditions of payment will be made by the Board of Directors of the Association.

**COMMENTS FROM THE CAPITOL**

by Vant Neff

How about a round of applause for Cortland S. Gross, head of Lockheed Aircraft? He stands up for what he believes. 14,000 Lockheed workers did not want to join the union. In the last ten years, unions have been defeated at Lockheed on four different occasions, in their attempts to make all employees join up. In the face of White House pressures and the possible loss of a \$1.4 billion government contract, Mr. Gross again recently said he didn't believe his employees should be forced to join a union if they didn't want to. Most of his employees felt that way, too. The contract was settled without the forced union memberships demanded by union leaders.

Who's the champ when it comes to spending union funds for "personal expenses"? He's David J. McDonald, president of the United Steelworkers. Mr. McDonald drew \$38,619.71 for "expenses" in 1960. He beat out Jimmy Hoffa by \$20,000. Now that the Internal Revenue is getting so sticky about itemizing business expenses, we wonder whether the same rules will apply to the fancy expense accounts enjoyed by union leaders.

It's very funny, but did you know that the New York newspaper publishers helped to pay the strikers to remain on the picket line? It worked something like this: unemployment insurance is a tax levied 100% on the employer. So that in New York when a worker goes on strike, between unemployment insurance payments plus strike benefits, many receive almost as much money to remain on the picket line as they would working.

I submit that unemployment insurance was never set up as a lever with which labor leaders could club management into submission. How lenient are your laws? Legislators had better take a look now.

It seems to me that it is far more reprehensible for the Government to give false news than it is to tell the public nothing. National Security may be served by the Government keeping a secret from time to time... but national security will never be served by the Government misleading the public by distributing false information.

What can we believe when the Administration establishes a policy of "managed news"?

What disturbs me most is how well-meaning Americans can still be hoodwinked by the Commie line. At one far western university, students and professors alike, can hardly wait to picket patriotic organizations who come to the coast. With so many examples of Red perfidy, how can anyone who is rational still imagine that Communism is anything but a terrible scourge. If it's true that there's a sucker born every minute, it is just as true that there's a Red ready to lead suckers down the garden path.

Between the lines in their speech, men reveal more than they intend. For instance, did you notice on TV when the President was asked about the New York newspaper strike, he said — "those poor men" meaning the strikers. Not a word about the newspaper stands, many of them tended by blind or crippled men, put out of business. Not a word about the union's demands — which that great impartial jurist Judge Medina called — "fantastic"! No word about what the strike has done to many, many businesses in and about New

York. Just those poor strikers. If that's the way to win votes — I'm glad that I'm just a reporter.

By the best evaluation, the Russians have been guilty of treachery and broken agreements no less than 67 times since World War II. Personifying the perfidy are such incidents as: The agreement that when the Poles attacked inside Warsaw, the Russians would launch a simultaneous attack from outside the city. The signal was given — the Poles attacked. The Russians not only held back, but when American and British flyers responded to the desperate pleas of the Poles for help, the Russians denied the flyers the use of Russian held air fields. The Poles were slaughtered. Later, to complete the annihilation of everyone who might prove a leader, the Russians marched all the Polish officers they could gather into a forest, shot them down and buried them in a common grave.

The Russians promised the Hungarians freedom and the right to form their own government — if they would lay down their arms. When the Hungarian freedom fighters complied, the Russians moved in tanks and slaughtered the Hungarians.

You've heard and read how the Russians threaten to "bury us" . . . how they'll blow us off the earth with 100 megaton bombs . . . how they "defend" themselves against Finland, but if we attack Cuba, it will trigger World War III . . . how their planes follow our carriers and how Russian "fishing boats" strangely turn up right next to islands where and when we conduct tests.

Now we are in negotiations with these same Russians about the curtailment of atomic tests. Do our statesmen believe Russia will keep that agreement? Are we to stand still on the "promises" of such an enemy, while Red China too strives frantically to arm itself with nuclear weapons?

One of a series of reports by this newspaper and the Print Advertising Association on the advantages of print media

**Don't you read before you buy?**

Most people do.

They count on advertising in print to give them the information they want on products that interest them—information on features . . . designs . . . and prices, for example.

People not only read about products and services, they show ads to their family and friends; they clip coupons for information and samples; they tear out ads to take along when they go shopping.

When you add it all up, print advertising—the kind you read in the pages of this newspaper—makes sense.

And because it measures up to the buying habits of most consumers, print makes sales.

Most people read—and then buy. Don't you?

There's plenty to see in Texas, wherever you may roam on a holiday jaunt or on a vacation trip. Clockwise from the lower left hand corner, some of the impressive sights to see in Texas are: The Big Bend, some of the most striking scenery in the state; Guadalupe Peak, highest point in Texas at 8,751 feet; the Palo Duro Canyon, camping grounds for Indian tribes in frontier days; East Texas oil fields,

biggest of them all; the 570-foot San Jacinto Monument, commemorating decisive battle of Texas history; Gulf Coast Beaches, some of the finest in the world; the Alamo, "Cradle of Texas Liberty," and in the center of the state, Texas Longhorn Cavern, biggest cave in the state and third largest in the world, one of Texas' most spectacular natural wonders. Sightseeing is fun in Texas.

**Bilingual Drivers License School Set**

Sheriff Cecil Turner of Tom Green County, Chief of Police Melvin James of San Angelo and he South Side Lions Club of San Angelo in cooperation with the Texas Department of Public Safety will conduct a bilingual Drivers License School on May 20th through May 23rd at the San Angelo Coliseum. The School will be taught in English and Spanish for those persons who do not have a Texas Drivers License. The Sheriffs Department, the City Police Department and the South Side Lions Club are joining in this effort to aid citizens in this area in obtaining a Texas Drivers License.

This is an opportunity for those persons who do not read or write English or Spanish to secure a license. It is realized that many of our citizens need and want a license, but feel they are not qualified to pass the Drivers License Test. Everyone should feel free to attend this school, as it is an unusual opportunity to secure a Drivers License.

The School will be conducted from 7:00 p.m. until 10:00 p.m. at the San Angelo Coliseum, beginning Monday, May 20th and ending Thursday, May 23rd. Examinations will be conducted in English and Spanish, both written and oral. The School is free and the only expense involved is the cost of the Drivers License.

**EVERY ONE WHO WOULD LEARN TO PRAY**

needs this book

Every right thinker knows that God is, and wants, so much, to approach Him intelligently through prayer—to commune with Him and to listen for His guidance.

In the first chapter of Science and Health with Key to the Scriptures by Mary Baker Eddy there is an inspiring and practical explanation of prayer.

A great number of people, through the study of this chapter, have found needed health, harmony, supply and well-being.

Science and Health may be read or examined, together with the Bible, at any Christian Science Reading Room. Or it may be purchased at \$3.
