AROUND THE COUNTY by

ARTHUR BARLEMANN, JR. COUNTY AGENT

Five Sterling County 4-H Club members competed in the Abilene Stock Show this week. Those taking part were Billy Blaneck, Kenny Blaneck, Bobby Bynum, Tommy Foster, and Janis Igo. All showed lambs.

Overall quality of the lambs this year in the Abilene show was better than usual. The Sterling County club members lambs failed to place in the money. It was a situation in which the lambs were pulled out by the judge, Roger Howell of Kingfisher, Oklahoma, but in the final placing, the lambs were just out of the money.

With the exception of blowing dust Sunday afternoon, the weather was exceptionally good for Abilene. For years, the coldest weather of the year has prevailed during the Abilene show, but this year the weatherman cooperated and the weather was good. However, there are still two shows to go and it may make up and furnish a real freezer for either San Antonio or San Angelo which are the next shows the club members will be competing in on a large scale. Two members will take part in the El Paso and Houston shows in addition to the two mentioned above.

All sheep producers are reminded that they have only until January 31 to sign their applications for payment under the wool incentive program. This is the first year that the program will be handled on a calendar year basis. The papers to be signed by the 31st are those for unshorn lambs or wool sheared and sold during 1963. Actually the 1963 year is only nine months since the first three months of the year were covered under the old program. Papers are to be signed in the local ASCS office.

Kenneth White is the new office manager of the local ASCS office. Kenneth replaces Charles Cunningham who was transferred to Pecos where he will be in charge of the ASCS office for Reeves County.

Kenneth comes to Sterling from Weatherford (Parker County.) He and Mrs. White and their three children moved to Sterling City over the week end. He began work on Monday of this week.

Beef cattle require at least one pound of roughage for every hundred pounds of body weight according to U. D. Thompson, beef cattle specialist with the Extension Service. Thompson says that this is the minimum for cows and heifers during these dry times. It is necessary if the animal's digestive processes are to function properly. Roughage is a problem in Texas because of the high cost and the shortage of forage available in these times.

Protein is not to be overlooked either. The rumen bacteria use the nitrogen they get from protein for the digestion of feed. This nitrogen is especially important now when cattle are getting more low quality roughage than usual.

Thompson says that if dry grass is ample, or plenty dry hay is fed, two pounds of 41 percent protein cake daily is ample. If grain or grain cubes are used for part of the roughage, one and one-half pounds of protein supplement daily will fulfill the cow's needs.

Cows with calves should be supplied with vitamin A also. One pound of dehydrated alfalfa pellets will meet the need. It can also be supplied through the use of synthetic vitamin A shots or given in the drinking water. Vitamin A is apt to be very short in these times when animals have not had access to green feed over a long period of time.

Future Farmers Show at Abilene Show

Nine FFA members exhibited lambs at the Abilene Fat Stock show Monday. The boys went to Abilene Sunday morning. Mr. and Mrs. Kirk Hopkins and Mr. and Mrs. Carleton Fields furnished transportation for part of the boys.

Members exhibiting lambs in the regional show were David Foster, James Morgan, Jack Clark, Larry Stewart, Ricky Hopkins, Bobby Westbrook, Johnny Copeland, Fred Fields and Wayne Smith.

Jack Clark exhibited the 18th place finewool lamb in the lightweight class, and Wayne Smith had the 25th place lamb in that class. Fred Fields had a 7th place light crossbred lamb, and David Foster had a 21st place light crossbred lamb.

Jack Clark returned to Abilene Wednesday morning to sell the premium lambs in the auction sale which started at 11:00 a.m. Jack's lamb sold for 33c per pound and David Foster's lamb sold for 33½c.

Reynolds Foster came up on Monday for the lamb show and assisted with returning part of the boys to Sterling City. Mr. and Mrs. Tommy Foster also attended the show and hauled some of the boys back to Sterling after the show. The support of the adults is appreciated by the FFA.

Beg mid-semester at the colleges and universities, the hometown students are beginning to arrive home for a few days. Some have classes this Friday and won't arrive until today or tomorrow.

LIONS CLUB

Lion Stan Horwood told the Lions club members of a program of the Sterling County Predator Control group was to carry out over the county. He said the program was aimed at rabies control, etc.

Stan also announced that a sale of the assets of the late Jack Cooney would be held at the Cooney garage here on Saturday, February 1.

Frank Jackson announced that the next fire department meeting would be held at the fire station on next Monday night.

Guests at the luncheon were Kenneth White, the new ASCS office manager, and Bill McRee of Big Spring.

UCRA MET LAST TUESDAY IN SAN ANGELO

The directors of the Upper Colorado River Authority met Tuesday evening at McEvers Ranch House in San Angelo.

Gerald Allen of Robert Lee was elected chairman of the group, with Everett Grindstaff Jr. of Ballinger as vice-chairman. Dale Leddy of San Angelo was elected secretary-treasurer.

L. T. Youngblood of Bronte had served as chairman for the past 12 years. He and Allen have been on the board since the formation of the group.

Members other than those mentioned above include J.V. Phillips and Dick Salmon of San Angelo, Cumbie Ivy of Robert Lee, Henry Teplichuk of Rowena and Jack Douthit of Sterling City. Carl Runge of San Angelo is attorney for the group or board.

The board voted to ask the Army Engineers to raise the level of North Concho Lake at San Angelo and are looking into the matter or feasibility of a lake on the Colorado River in Coke County above Robert Lee.

The board voted to meet on the next meeting (February) in Sterling City, but at the last minute changed and voted to have the next meeting at the Country Club or the River Club in San Angelo and make it a testimonial dinner party honoring Mr. Youngblood. The wives of members will be included, and some visitors from San Angelo and surrounding area.

SCHOOL ENROLMENT UP FROM SEPTEMBER

The enrollment in the Sterling schools is up from the opening date enrollment by 28, said school superintendent O.T. Jones this week. On the opening day of school in September 231 students were enrolled here. On Wednesday of this week there were 259 enrolled, 194 in the elementary school and 65 in high school.

MARTHA MORALES

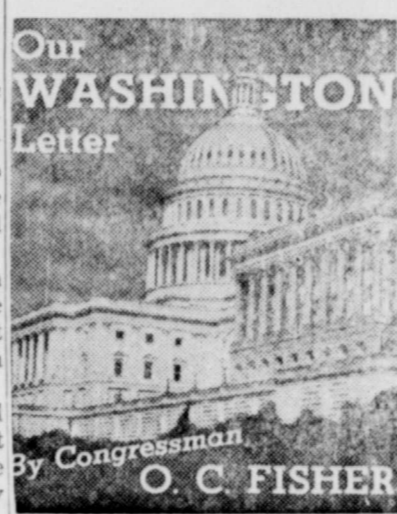

Morales-Gaitan Wedding January 31

Martha Morales and Baldimar Gaitan will be married here in the Mexican Baptist Church on January 31.

Martha is the daughter of Mr. and Mrs. Ignacio Morales and Baldimar is the son of Mrs. Chona Gaitan.

Tommie Martinez will be the maid of honor and Josebia Martinez will be best man.

Bridesmaids will be Angelina Adame, Lucia Lujan, Lula Medina, Nora Medina, Flora Fuentes, Mary Delgado, Licha Hernandez and Tancha Bautista. Becky Fuentes will be the flower girl and Joan Mata is to be ring bearer.

By Congressman O. C. FISHER

The ever-recurring issue of tariff adjustments is giving the sheep and cattle raisers the jitters this year—and for good reason. This is the year for trade negotiations at Geneva, when the big trading nations assemble to bargain on tariffs and trade restriction policies. And the United States has seen fit to place wool and meat, and their products, on the agenda for possible negotiation as to tariff rates, quantitative restrictions, etc.

The Congress ordered that when such negotiations are set, affected people may present their views to a tribunal—namely the U.S. Tariff Commission. That group has no power to do anything about the complaints that are registered, but is obliged to make findings and recommendations to the President, based upon the record that is made by the witnesses. The negotiators may then make use of the findings, or they may ignore them.

Many of us are deeply concerned about what may happen at Geneva. It is well known that many of our State Department and other trade negotiators are disciples of free trade. And they have the final word, so far as the U.S. is concerned.

An avalanche of evidence has been presented to the Tariff Commission in opposition to any reduction in present tariffs on wool, lamb and beef. I have appeared before the Commission on two occasions this year—once to oppose any reduction in protection on beef, lamb and mutton, and the second time to oppose any cut in the duty on wool and wool textiles. In fact, on each occasion, I urged the need for quantitative restrictions on the amount of such products that may be imported each year.

I reminded the Commission that nearly a third of all our woolen mills have been forced to close down during the past few years, because of the low cost foreign competition in countries where wage rates, etc. are far below ours. And woolen mills continue to close at the rate of about one each month. Only a few years ago 167,000 people worked in these mills; today only about 60,000 are retained.

We are hoping, of course, that our negotiators at Geneva will take into account the very serious effects now being felt in this country of excessive imports of wool, wool textiles, beef, lamb and mutton. A very convincing record has been made before the Tariff Commission.

New ASCS Manager

Kenneth White is the new ASCS office manager here, replacing Charles Cunningham, who moved to Pecos with the ASCS office last week.

White is from Weatherford and he and Mrs. White are planning to get the Coleman house. They have three children, a girl and two boys. One child is in school, in the second grade.

The Winn McClures of Pecos have moved back to Sterling. Winn is manager of the Sterling Butane Co. here. He replaces Jodie Emery who resigned that spot. The McClures have moved into the Boots Williams house here and the children have been enrolled in school.

Stewart-Faull Wedding January 25

Marsha Stewart of Sterling City and Johnny Faull of Odessa will be married here Saturday, January 25 in single ring rites at the First Baptist Church. The pastor, Rev. Sherman Conner, will read the rites.

Marsha is a daughter of Mr. and Mrs. Nolan Stewart of Sterling and Johnny is a son of Mr. and Mrs. Howard Faull of California.

Danny Stewart, brother of the bride to be, will be best man and Karla Jackson will be maid of honor.

The couple will make their home in Midland where Mr. Faull works as a carpenter.

Mrs. George White will sing at the wedding, accompanied at the piano by Nelwyn King. **Shower Honors Bride To Be**

Ten were hostesses last Saturday at a gift shower honoring Miss Marsha Stewart. Punch and cake squares were served along with mints and nuts.

More than 100 persons took part in the shower, which was held in the community center.

Hostesses were Mrs. George White, Mrs. O. C. Estes, Mrs. Fred Igo, Mrs. D.C. Durham, Mrs. Bertha McCabe, Mrs. Wayne Loury, Mrs. Roy Morgan, Mrs. Sherman Conner, Mrs. C. L. King and Mrs. Bob Clemmons.

EAGLES LOSE TWO GAMES TO ROBERT LEE

The Sterling Eagles lost two basketball games to Robert Lee last Friday night here.

The B boys team beat the Coke County boys B by a 38 to 31 score.

The girls lost a jerker by point 37 to 38. Lois Ethel Price netted 17 points for a high for the locals.

The A boys lost 60 to 51 in a fairly tight game. They lost despite Wayne Smith's 15 points and Butch Seago's 14 for the locals.

The Sterling City Eagles go to Garden City tonight for 3 basketball games. The B boys will play at 5:30, the girls at 6:30 and the A boys at 7:30.

Boys Ranch Head Is Claude Collins

Claude Collins, Jr. of San Angelo was installed as president of the West Texas Boys Ranch on January 18. He succeeds Roy Minear of Midland, Texas.

Following the installation meeting a banquet honoring Mr. Collins and Mr. Minear was held in San Angelo at the River Club.

Mother's March Here Next Monday Night

Mrs. W. R. Brooks, chairman of the Mothers' March of the March of Dimes, said that the Mothers' March would be held here next Monday night, beginning at 5:30 p.m.

Helping the members of the Noradata Club in the drive that night will be members of the Epsilon Zeta Club and the Future Homemaking Chapter, said Mrs. Brooks.

Points for Polio Next Tuesday Night Ball Game

Sherman Conner, chairman of the special events, said that he planned to use the basketball game here next Tuesday night for the Points for Polio game. Anyone can promise an amount per per for the boys or girls game and then pay that total. Say, for instance, a person bid 5c a point in the boys game and the score was 34 to 23, then that person would owe a total of \$2.50.

Any amount can be pledged and in any way. One can pledge an amount for one side, both sides, both games, or any combination that he wants to.

Pay Your Poll Tax!

January 1 is the last day to pay your poll tax for this year—which is an election year. Cost is \$1.75 each and is for this year—1964.

Qualified voters can vote in the city and school elections soon. In May voters can vote in the Democratic primary for that election of nominees.

In November there will be the general election and this is presidential election year—Lyndon Johnson will most likely be the Democratic nominee. The Republican party will most likely choose, Barry Goldwater, Richard Nixon, Nelson Rockefeller or Governor Scranton of Pennsylvania as their nominee.

You will want to vote so—**PAY YOUR POLL TAX !!**

P.T.A. Next Monday

Next Monday, January 27, is regular PTA meeting day for the Sterling City Parent-Teacher group. The meeting will be held in the school auditorium at 3:15 p.m.

The topic for discussion is The Family: Master or Servant of Finances? Mrs. Nan Davis will talk on the subject. The Rev. Leo Ross is to give the devotional and members of the third grade will give the special feature or program.

Wool Applications

January 31 is the Deadline for filing 1963 Wool Applications at ASCS Office.

Ranchers have until the end of January to file applications for 1963 marketing year payments under the National Wool Act, Kenneth White, the ASCS Office Manager, reminded producers today. He emphasized that January 31, 1964 is the last day for accepting payment applications in connection with marketings of either wool or lambs during 1963.

Since this is several months earlier than under previous wool programs, the ASCS Office urges that producers avoid possible confusion by filing their applications on completed sales as soon as possible.

The 1963 marketing year under the wool program ended December 31, 1963. Future wool marketing years will be for 12 months and will coincide with the calendar year. The January 31, 1964 deadline for filing 1963 applications is in line with normal program procedure of continuing to accept such applications for one month following the end of the marketing year.

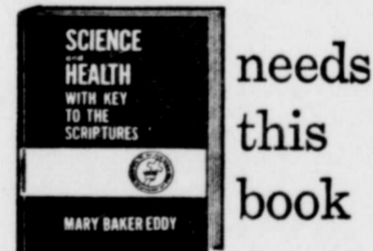

The 1963 program payments—which probably will begin in April—will cover shorn wool and unshorn lambs marketed during the 9 month period April 1, 1963, through December 31, 1963. Later marketings will be eligible for payments for the 1964 marketing year, which began January 1, 1964.

The necessary sales records accompanying the applications will be the basis for calculating the national average price received by ranchers for wool during the 1963 marketing year. When the average price can be determined, the payment rates for shorn wool and unshorn lambs sold during the 1963 marketing year will be announced. Congress authorized the National Wool Act in order to encourage the domestic production of wool.

NEVER FELT BETTER!

Health checkup? Not for him . . . he knows he's in fine shape! What he doesn't know is that cancer has a "silent" stage . . . before it reveals any symptoms. Doctors say their chances of curing cancer are so much better when they have an opportunity to detect it "before it talks."

That's why it's important for you to have an annual checkup, no matter how well you may feel.

IN THIS WORLD

A CENTURY AGO, AMERICANS USED PETROLEUM CHIEFLY AS A SOURCE OF LIGHT... TODAY WE DEPEND ON IT FOR MOST OF THE NATION'S ENERGY.

WE NOW USE MORE THAN 10 MILLION BARRELS OF OIL EVERY DAY. THIS IS FOUR TIMES THE AMOUNT PRODUCED IN A FULL YEAR A CENTURY AGO.

THE SEARCH NEVER ENDS

OIL AND NATURAL GAS NOW SUPPLY NEARLY 75 PERCENT OF AMERICA'S ENERGY NEEDS. SEARCHING FOR THESE FUELS, U.S. OILMEN HAVE DRILLED AN AVERAGE OF ONE HOLE EVERY 29 MINUTES FOR THE PAST 104 YEARS!

DRILLING CONTINUES EVERY DAY... IN DESERTS, SWAMPS, MOUNTAINS, AND EVEN UNDER THE OCEAN.

GENERAL TELEPHONE LAUNCHES A "LET'S GO!" PROGRAM

In the vast five-state area served by this company, there are many interesting places to go and exciting things to see. That is why we are launching a program of ads to appear in this paper to point out some of the many visitor attractions. General Telephone is proud of the towns in its service area. We are convinced of great area growth, and offer a helpful community development service to our towns. For information, write Community Development Dept., Box 1001, San Angelo, Texas.
