

AROUND THE COUNTY

ARTHUR BARLEMANN, JR. COUNTY AGENT

Two Sterling County 4-H Club members are taking part in the Houston Livestock Show this week. Janis Igo and Gary Foster are showing fat lambs in the show; Janis is also showing in the Junior Rambouillet show. A number of FFA boys are also showing in Houston show. Several of the boys along with Fred Igo and I left on Tuesday evening and will return on Friday night. William, June and J.Q. Foster took the stock down early Monday.

Janis has shown her Rambouillet at Odessa, El Paso, and San Antonio, as well as Houston. Her ram was champion of the Junior Show at El Paso. She also had the reserve champion ewe at El Paso.

The thirty-first annual San Angelo Stock Show opens on Wednesday, March 4. This is the final show of the spring circuit for the Sterling County 4-H Club exhibitors. Twenty-one 4-H members will be competing in the various livestock departments of the show with 22 head of fat lambs, 3 horses, 8 Rambouillets and 4 groups of range ewes.

Club members who will be competing with their livestock are Betty Jo Barrett, junior Rambouillet; Bobby Bynum, fat lambs; Jay Clark, fat lambs; Diana Cole, junior Quarterhorses; Phil Cole, fat lambs; Barbara and Drew Durham, range ewe lambs; Charlotte Foster, fat lambs; Gary Foster, fat lambs; Pat Foster, fat lambs; Skeete Foster, fat lambs; Janis Igo, fat lambs; junior Rambouillets, range ewe lambs; Mackey McEntire, fat lambs; Pam McEntire, fat lambs; Randy Mixon, fat lambs; Sally Mixon, fat lambs; Susan Mixon, fat lambs; Allen Price, range ewe lambs; Frank Price, range ewe lambs; Terry Seago, fat lambs.

The livestock will be loaded at the show barn at 1:00 on Tuesday afternoon for the trip to San Angelo. Fat lambs will be sifted and classified on Wednesday morning. Judging in the lamb division will start at 8:30 Thursday morning. The Junior Quarterhorse show will be judged on Wednesday morning at 10:30.

Junior Rambouillet judging will start at 1:00 P. M. on Thursday and will be completed on Friday afternoon. At 8:30 Friday morning, the range ewe lamb groups will be judged.

This year, an admission charge will be made for the first time in several years at San Angelo. Each exhibitor will be furnished one pass for their own use.

There is always a large number of local people on hand to support the youngsters at San Angelo. We appreciate their support and are looking forward to seeing a large group on hand again this year.

There has been only one case of screwworms confirmed in Texas since December 21 at the Mission laboratory. This was the case that came in from Wilson County on January 20.

The approach of warmer weather in the state means that the possibility of cases is becoming greater. It is entirely possible, and probable, that some flies survived the winter; these flies will be responsible for the early cases which will likely occur in the southern part of the state. However, all producers are urged to be alert in all parts of the state for the early cases. If these early cases go undetected, it could result in a larger number of cases. By constant checking of livestock and sending in samples of suspected cases, an outbreak can be stopped before it has a

Fire Department Needs Money

The Sterling City Volunteer Fire Department is getting all the equipment here ready for inspection by the State Fire Insurance Commission. The trucks have had clearance lights added, and the county truck is to have a two-way radio installed, in order to better fight ranch fires, etc.

The volunteers are to fix up all the equipment in tip top shape, and then keep it there. A reduction in fire insurance rates is one of the main objectives. Another primary reason is to be able to better fight fires—both grass and city fires.

About 25 men were present at the meeting Monday. As an organization, they hope to be able to raise about 1200.00 to use on modernization and maintenance of the trucks and equipment.

So, members of the volunteer department, ask if you will, to donate of your own free will. Make a contribution at the bank or to fire chief Frank Jackson or Leslie Payne or Jack Peel. Before the drive is over, lists will be made up and carried around to all—so that everyone can have a part.

So the slogan—If you can't be a volunteer fireman be a volunteer with your money!

Want To Start A Gun Club?

Would you be interested in forming a gun club here? If so, show up at the community center next Tuesday night at 7:30 and help form one. Mims Reed, who would like to see a club formed, said that the group could and would go in for skeet shooting, pistols, rifle range and bench sighting.

So if you want to get in some trap shooting or sight in the old deer rifle, show up next Tuesday night and help form a gun club here.

Mrs. O.F. Carper's Sister Dies
Mrs. R. A. West, 71, passed away in Mesquite Thursday morning of this week. She was critically injured in a car wreck on December 12 and never regained consciousness.

Mrs. O. F. Carper of Sterling and two other sisters from San Angelo will leave Friday for funeral services there on Saturday.

chance to get started. Producers can then enjoy a year even better than last year. The success of the program depends on the cooperation of every livestock producer in the state. Sterling County producers did an excellent job last year and are to be commended for their part in the program. But they must continue to be alert—as I know be stopped before it has a

Wimodausis Club Elects Officers

At the meeting of the Wimodausis Club last week the new officers for next year were elected as follows:

Mrs. E.F. McEntire, pres.
Mrs. Rufus Foster, vice-p.
Mrs. R. T. Foster, recording secretary
Mrs. J. C. Reed, corresponding secretary
Mrs. Lester Foster, treasurer
Mrs. Roy Morgan, federation counselor
Mrs. W.N. Reed, parliamentarian
Mrs. Harvey Gass, historian

Delegates to the district convention in Brownwood were named; Mrs. Rufus Foster, delegate and Mrs. Fowler McEntire, alternate.

Three members of the club attended the workshop in San Angelo, being Mrs. Harvey Glass, Mrs. E.F. McEntire and Mrs. W. N. Reed.

In the club meeting, Mrs. Rufus Foster discussed Goals for Improving Higher Education, and Mrs. Tom Asbill talked on Overcoming the Blight of Illiteracy in Texas. Hostess were Miss Ruth Reynolds and Mrs. Ray Lane.

Mrs. M.W. Smith Still Ill

Mrs. Clara Eldredge of Ft. Worth has been with her sister, Mrs. M.W. Smith, who has been in the Shannon Hospital undergoing radium treatment for cancer. She will reenter the Shannon on March 15 for surgery.

Mrs. Smith's son, D. E. Metcalf of Santa Clara, Cal. and daughter, Mrs. Joe Blackstone of Los Angeles, spent a week with their mother, returning home, Feb. 1. Mrs. Blackstone plans to return when her mother reenters the Shannon for surgery.

Mrs. Smith is staying in the home of her son, R. P. Metcalf and family in San Angelo.

Wildcats and Stepouts for Sterling County

J. C. Williamson, Midland, will drill an 8,600-foot Ellenburger wildcat in south Sterling County, 2 miles south of Sterling City. It will be the No. 1 Probandt, 3-8 mile north west of the No. 1 Texaco Harris, is 660 feet from the north and east lines of 42-7-H&TC.

It is also 1/2 mile north of Austral 1 Probandt and 5-8 mile southeast of Williamson No. 1 Atkinson, Sterling County, 8,601 foot Ellenburger failure, abandoned Oct. 4, 1963. It recovered 270 feet of oil, along with 180 feet of gas-cut mud and 180 feet of slightly salty water, on a test of the Fusselman between 8,500-70 feet; and recovered gas and gas cut mud on a test in an unidentified zone between 7,071-290 feet.

F. E. Shaheen & Sons of Abilene will drill two outposts and a stepout in the Triple M (multipay Wolfcamp) field of Sterling County, 20 miles northwest of Sterling City.

All the projects are scheduled to test the upper, middle and Wolfcamp field pays.

The No. 1-174 Nellie P. Sellers, 1 1-8 mile west and southwest of Wolfcamp and middle Wolfcamp production, is 1,980 feet from the south and 660 feet from the east lines of 174-29-W&NW.

The No. 1-62 Nellie P. Sellers, 1/2 mile northeast of the upper Wolfcamp opener and lone producer from that pay, and 5-8 mile northeast of the two-well middle Wolfcamp area, is 1,980 feet from the south and 2,017 feet from the east lines of 62-17-SPRR.

The No. 2-65 Nellie P. Sellers, one location east of the upper Wolfcamp opener is 660 feet from the north and 2,055 feet from the east lines of 65-17-SPRR.

The upper Wolfcamp opener, Shaheen's No. 1-65 Sellers, was finished Nov. 13, 1963, for a daily flowing potential of 264 barrels of oil, through a 16-64 inch choke and perforations between 6,639-702 feet.

LIONS CLUB

The Lions Club members met Wednesday noon for the regular weekly luncheon in the community center. Ray Duffy of San Angelo and Leslie Cole were guests. The prize went to Henry Bauer.

A committee to look into the little league lighted field was named; being H.L. Bailey, Frank Jackson, R.P. Brown and Leslie Payne.

A need for a Scoutmaster here was discussed. It was said that the troop needed to be reorganized this month if the charter were to be held. Jack Asbill and Leslie Payne agreed to serve as leaders to keep the charter.

Fire chief Jackson said that the volunteer fire department was to have a campaign soon to raise some money for needed equipment.

It was brought to mind that the club would have to name a Queen contestant soon for the district convention in Brownwood.

A LOOK AHEAD

The future is filled with promises of new and exciting ways of making life easier and more fun. Jones & Laughlin Steel Corp. predicts that before long, stainless steel equipment manufacturers will have these projects on their drawing boards.

Electronic and infrared ovens will cook complete meals in minutes—make frozen foods bubbling hot in seconds.

Dish washers will clean with sound waves instead of water. The vibrations will remove food particles in a stainless steel supersonic dishwasher.

Moving sidewalks once found only at fairs will be important in cities. Supported on sturdy stainless steel chain belts they will carry you along at 120 feet a minute.

Sophomores Stage Mexican Fiesta

A Mexican Fiesta was presented by the sophomores of the high school here last Friday night. A tamale supper and a womanless style show comprised the evening's entertainment.

Modeling styles for the fashionable young lady for spring were Jack Clark, James Morgan, Rickey Hopkins, Pat Potts, David Weaver, David Foster, Billy Boyd Allen and Bobby Legg, students and Fred Igo, class sponsor. The models wore wigs depicting new hair styles for spring.

Chesley McDonald, clad in Bermuda shorts, was the commentator for the show.

Entertaining during intermission was a trio composed of Betty Jo Daves, Rosanne Foster and Jeanie McDonald, who presented "Speedy Gonzales", the girls answer to the Beatles.

THE SALAD ON A CLOUD

It's the season to splurge on salads. Plentiful summer fruits become sparkling jewels when combined in this spectacular molded salad. It's as good to eat as it is handsome to look at and easy to make too. A favorite of the busy hostess, it can be made a day or two ahead and unmolded on crisp greens right at serving time.

Here are a few tips to guarantee success with the salad: To assure ease in unmolding the salad it's a good idea to oil the mold lightly with salad oil. Although this towering shape is most impressive, any 2 quart container can be used — a ring mold, loaf pan, or round mixing bowl.

To speed up the preparation time, set the bowl containing the gelatin and fruit juice mixture in ice water and stir occasionally until the syrupy consistency is reached.

To unmold the salad, run the tip of a narrow knife around the edge of the mold, loosening the salad and then invert the mold on a plate. The deluxe dressing is a combination of marshmallow creme, sour cream, lemon juice, and a dash of nutmeg. A quivering salad calls for a crisp cracker as a partner. GUSTO CRACKERS by Nabisco provide the needed contrast in texture and robust flavor.

Shimmering Fruit Salad — With Fluffy Dressing
 3 (3-ounce) packages lemon-flavored gelatin
 3 cups boiling water
 1 1/4 cups cold water
 1/4 cup lemon juice
 1/4 teaspoon salt
 1 pint strawberries, sliced
 1 cup sliced green seedless or seeded grapes
 1 cup sliced bananas
 Greens

Dissolve gelatin in boiling water, add cold water, lemon juice and salt. Chill until syrupy. Stir fruits into chilled gelatin. Turn mixture into a lightly oiled 2-quart mold. Chill until firm. Unmold on crisp greens. Serve with Fluffy Cream Dressing, GUSTO CRACKERS and TRISCUIT WAFERS. Makes 8-10 servings.

Fluffy Cream Dressing
 1/2 cup marshmallow creme
 1/2 cup sour cream
 1 teaspoon lemon juice
 1/4 teaspoon salt
 1/8 teaspoon ground nutmeg

Combine all ingredients; beat until smooth. Chill. Makes about 1 cup.

Skills and Efforts Combine to Win 4-H State Honors

A showman of champion beef cattle and swine from Lubbock, and an outstanding 4-H junior leader from Corpus Christi are winners of Lone Star State 4-H achievement awards.

Don Meador, 17, whose Hereford and Black Angus steers raised in 4-H projects have won many ribbons, and Dorsey Ewing, 19, winner of the Texas

Miss Ewing Meador

state leadership award last year, were named recently by the Cooperative Extension Service for the achievement honors.

The National 4-H Achievement program, sponsored by the Ford Motor Company Fund, aims at developing leadership talents and a broader knowledge of 4-H agricultural and home economics projects.

Meador, son of Mr. and Mrs. A. B. Meador of Lubbock, is a nine-year 4-H veteran of projects in beef and dairy cattle, swine, electricity, grain sorghum, cotton, tractor maintenance, home improvement, poultry and recreation. In 1961 he and his sister Judy won Lubbock County Gold Star awards.

Miss Ewing is a blue ribbon winner in county and district dress revues. In addition she has a long list of achievements in leadership at local through state levels, and participated extensively in various 4-H events.

As state leadership winner last year, "my real dream came true," she said, because she attended the National 4-H Club Congress in Chicago.

The 10-year 4-H member, who plans a career in home demonstration and 4-H leadership, is the daughter of Mr. and Mrs. Morris B. Ewing of 5837 Hampshire in Corpus Christi. She attends Del Mar Junior College.

Social Security

"Area residents should file their social security claims before they retire in order to insure prompt payment of benefits," Floyd B. Ellington, social security district manager in San Angelo, said today. Many people of retirement age do not get their first social security checks as early as they might, simply because they waited too long to apply for their benefits, Ellington pointed out.

Applications may be filed any time within three months of when a person wants benefits to start. Since the average processing time of a claim is 4 weeks, Ellington advised people to take advantage of this early filing and submit their applications as soon as possible.

Many claims are delayed because the applicants do not have the necessary information or papers to establish their eligibility for benefits, he said. These delays could be avoided if people would get in touch with social security office ahead of time to find out what they should bring with them when they apply for benefits.

Ellington stated that a short visit or phone call to the social security office before the time of filing can significantly speed up the processing time of the application.

The San Angelo District Office is located at 204 Continental Bldg. The phone number is 653-6861.

REWARD NOTICE

A reward of \$500.00 will be paid by the Texas Sheep and Goat Raisers Association to any person (other than law enforcement officers) giving information causing the arrest and final conviction of any person or persons found butchering or stealing any sheep or lambs or goats belonging to any Association member in good standing. When two or more persons give information, the above sum will be divided at the discretion of the Board of the Association. When two or more defendants are involved in a single crime, the total reward is limited to \$500.00, but the conviction of one defendant, even though the other defendants are acquitted, will entitle the claimant or claimants to said sum of \$500.00. All claims must be submitted within ninety (90) days following conviction. If, upon conviction, a defendant confesses other thefts, no additional reward will be paid. All devisions concerning the payment of such reward and the conditions of payment will be made by the Board of Directors of the Association.

JACK SESSOM

Jack Sessom Out for District Attorney

"I believe in vigorous prosecution of all persons guilty of crime. By the same token, I will defend with equal vigor of all the rights and privileges of all the citizens."

So Jack M. Sessom, assistant district attorney, said after formally filing for the Democratic nomination of 51st District attorney. As a candidate he is an opponent of incumbent Frank Dickey, appointed to the job last year. Sessom said the "duties of the district attorney are many and varied. It takes a lot of training and experience to

properly handle the office. I believe my experience as assistant district attorney since 1957 more than qualifies me for the post."

He continued that it is "difficult for anyone to have a political platform for an office like this, since it is strictly a service position. But I would give the job my complete, undivided, conscientious attention."

A Menard native, Sessom lives at 2109 St. Mary with his wife and two adopted children.

Sessom, 37, graduated from Baylor University's law school in 1961, the same year he passed his bar examination. After graduation, he practiced law in San Angelo about six months and later was employed as accountant and tax consultant at Brady Aviation Corp.

A veteran, he moved back to San Angelo in 1953.

Although the Constitution says nothing about "one man, one vote", which Mr. Justice Black now holds to be the criterion for apportionment in Congressional districts, the Supreme Court now makes that the law of the land. It is another grab for power by the Court and an invasion of the rights of the Congress and of the several states.

Article I of the Constitution provides that "The House of Representatives shall be composed of Members chosen every second year by the people of the several States..." The 14th Amendment provides that "Representatives shall be apportioned among the several States according to their respective numbers."

These two provisions form the sole basis for the ruling. But section 4 of Article I states: "The times, places, and manner of holding elections for Senators and Representatives, shall be prescribed by the Legislature thereof; but the Congress may at any time by law make or alter such regulations."

These are the three provisions in the Constitution which relate to the subject of apportionment.

It would seem clear, therefore, that it was the intention of those who wrote the Constitution that the legislatures of the several states, and the Congress, would determine apportionment. But Black's decision completely ignores Section 4, then proceeds to take away from the State legislatures and the Congress the authority to make their own decisions on apportionment and lodges that right and authority in the Supreme Court. While reasonably equal apportionment of Congressional districts is admittedly desirable, the vice in the Supreme Court action is the take-over by that court of a right and responsibility that belongs to the States and to the Congress.

This is but another example of how ruthless and arbitrary the Supreme Court can be. Both George Washington and Thomas Jefferson warned that the court could abuse its power, to the detriment of the people and to our system of checks and balances.

The issue of apportionment is relatively unimportant. It is the assumption of power never intended by the framers of the Constitution that gives pause.

What will the Supreme Court do next?

JUNIORS CLOSE OUT BASKETBALL SEASON

Coach J. R. Dillard's junior high basketballers closed out the 1964 season here Monday night by defeating the Sacred Heart Academy of San Angelo in both boys and girls games.

The local girls won somewhat handily 16 to 12.

The boys game turned out to be a photo-finish, routin' tootin' game. It ended 23 to 22 with the fans all in a yelling frenzy.

Crippled Boy Wins Sports Letters With Assist from March of Dimes

A boy who can scarcely walk because of arthritis wins a letter in athletics.

Impossible, you say. Not if the lad has the grit of Tim Ewald.

Even though this 17-year-old from Minneapolis can barely "inch" along with the help of a cane, he wears the monogram of Golden Valley High School in both football and track.

How come? How is all this athletic activity possible when it takes this likable youngster as much as 15 minutes merely to tie his shoelaces?

You must look back seven years to find the answer. He is the second-oldest of five sons, Tim at the age of 10 could outrun all his brothers and even his parents, Graydon and Diane Ewald.

At touch football, no one could lay a hand on him. Tim dreamed of a high school and college career in football and track.

Then, at the age of 10, came disaster. One night the boy was struck by the indescribably severe pains of rheumatoid arthritis throughout his body. His temperature soared. For long months he had to be hospitalized in body casts and treated with cortisone.

Aided by March of Dimes

Now, after seven years of the disease, Tim is slowly regaining some mobility—thanks in great part to physical therapy given him at the March of Dimes Arthritis Treatment Center in the University of Minnesota Medical School. This treatment is conscientiously repeated at home.

Much as the boy yearned to play, such strenuous sports as football and track were not for him. It was all he could do just to hobble from class to class. But in his freshman year at high school he resolved to be as close to sports as his crippled condition permitted.

Tim made a private vow that he would become a team manager.

He made it in his freshman year as manager of the football squad. He made it again in his sophomore year. Last

To continue working in the field of sports, even though he can't join actively because of crippling rheumatoid arthritis, Tim Ewald, 17, hopes to become a sports cartoonist. Here he outlines caricature of a sports personality. His doctors at March of Dimes Arthritis Center say this is good therapy for his hands and wrists.

year, his third, he managed the track team. He won his letters in two sports.

Tim won't talk much about what his duties are. He's an excessively modest youngster but, even if it does embarrass the boy, his father says:

"I looked into this with some care because it would be dangerous for Tim to overdo. I found out that these manager-ships aren't snap jobs given by the players to a classmate they feel sorry for. The work is tough—Tim goes along in the team bus to games all around the state, he checks equipment and keeps the players' records, he's a timekeeper, and so on. But he thrives on it—and it's far better therapy than gnawing his nails because of no contact with sports."

Even with his heavy schedule of classes, homework, team management, home exercises and weekly visits to the March of Dimes Arthritis Treatment Center, Tim finds time to draw,

chiefly cartoons and caricatures for which he seems to have promising talent. He thinks that someday he might like to be a sports cartoonist.

Faces Surgery

Will he walk again normally? It's quite possible. This year, after graduation from high school, he may undergo hip surgery. Dr. Keith N. Drummond, assistant director of the March of Dimes center, explains that Tim's hips are now locked in a bent position caused by contraction of the tendons and muscles and by inflammation of the hip joints. Under favorable circumstances, surgery could release and lengthen these shortened tissues.

Whether crippled for life or on his feet again, which now seems likely, Tim is determined to continue working actively in sports. That's about all he'll say. But you know that this quiet and resolute youngster means it.
