Light Vote Cast in Primaries Here

Only 200 Votes

Only 200 voters went to the primary election polls here last Saturday and voted. 179 voted in the Democratic Primary while 21 voted on the Republican Primary. The Republicans had no local or district races, and held their primary in one box at the Legion Hut. The Democrats had voting boxes in all five places over the county. There were no county or precinct contests here among the Democrats.

Democratic Voters Like John Connally
Sterling Democratic voters gave John Connally 140 votes to 34 for Don Yarborough. They got all the Sterling votes cast in the race.

Lieutenant-Governor Preston Smith polled 173 votes to 3 for Albert Fuentes. For U.S. Senator, Gordon McLendon polled 101 votes to 71 for Ralph Yarborough, incumbent.

U.S. Congressman at large Joe Pool got 109 votes to 61 for his four opponents. Statewide Pool faces a run off with Robert Baker of Houston.

Agriculture Commissioner John C. White polled 115 votes to 55 for challenger Millard Shivers. Land Commissioner Jerry Sadler got 144 tallies to 24 for his challenger Fred Williams.

Railroad Commissioner Jim Langdon received 98 votes to 75 for Jesse Owens, the challenger. Jack Pope got 127 votes for the Supreme Court to 44 for Sears McGee.

The highest number of votes recorded here was 179 for U.S. Congressman O. C. Fisher, unopposed in the Democratic Primary.

State Senator Dorsey B. Hardeman polled 126 votes to 1 for Mrs. Juanita Camfield. Hardeman won handily over the area.

51st District Attorney Frank C. Dickey, Jr. won over the district but challenger Jack Sessom got 105 votes here to 68 for Dickey.

In Sterling County, sheriff, tax assessor-collector F. J. (Jim) Cantrell and county attorney Worth B. Durham were renamed as were county commissioners Horace Donalson in precinct 1 and C. J. Copeland in precinct 3.

Precinct chairmen named were O. T. Jones—1, Reynolds Foster—2, Riley King—3, and Bill J. Cole—4 and Jack Douthit, county chairman.

Republicans Favor Goldwater
In the Republican Primary 16 voters favored Barry Goldwater in the preferential primary to 2 for Harold Stassen and one for Nelson Rockefeller. Margaret Chase Smith got none.

For United States Senator Jack Cox got 11 votes, George Bush 4, Milton Davis 3 and Robert Morris 2.

Larry Glass was elected county chairman and Dr. W. J. Swann precinct 1 chairman.

Run-Offs June 6
State wide the probability of run-offs exist between U.S. Congressman Joe Pool and Robert Baker. (Unless Baker withdraws.) On the Republican side George Bush and Jack Cox face another round for U.S. Senator on the Republican ticket.

HOSPITAL NOTES

Patients in the Sterling County Hospital on Wednesday morning of this week included—

- M. Z. Brown
- Ramaldo Castro
- Mrs. Juan Salazar
- Dismissals since Thursday of last week include:
- Lee Hunt
- Mrs. Marvin Foster and infant son, Forrest Craig
- Mrs. R. S. Alford
- Mrs. W. R. Hudson
- Mrs. Leslie Cole

AT THE LIONS CLUB Skeete Given District Conservation Award

George Skeete was honored as outstanding conservationist in the district with a plaque Wednesday at the Lions Club luncheon. The presentation was made by Barney Jefferson of San Angelo. This was the third time George has won the district honor. He also got the state award last week in Fort Worth.

New members of the club were Skeete and Jim Davis. Visitors included Jefferson, Jim Merritt, Joe Graves and Joe Moore.

The pianist and club sweetheart, Lee Douthit, resigned following four years service. She explained that she would shortly be going off to school and not be available.

A baseball committee was asked to work out plans for a little league baseball division this summer.

Joe Moore of the Salvation Army field service, told the group of the fund drive here and told of the working of the Salvation Army.

A committee to look into the park swimming pool and the equipment and costs was to be named by president Frank Jackson.

Enter Bluebonnet Relays

Coach J. R. Dillard took a number of local school girls to the Bluebonnet Relays in San Angelo last Saturday.

Junior high girls entering events were Karen Jackson, Debbie Reed, Kathy Gaston, Connie Legg, Sharon Currington, Diana Cole, Betty Lowry, Karen Gaston and Charlotte Foster.

Three high school girls were entered. Cynthia Lowry won a second place medal in high jump with 4 feet and 8 inches and she was 5th in the 80 meter hurdles. Rosanne Foster made the finals in shot put. Elaine Price won her heats in the 50 and the 100 yard dashes and 80 meter hurdles, but failed to qualify for the finals.

A number of parents and fans from here attended the relays. Over 350 girls from over the state participated.

Eighth Grade Honor Students Named

Grade school principal J. R. Dillard this week announced honor students of the eighth grade graduation class. Debbie Reed daughter of Mr. and Mrs. Neal J. Reed, was named valedictorian and Kathy Gaston, daughter of Mr. and Mrs. Clifford Gaston salutatorian.

The high ranking students and their averages are as follows:

Debbie Reed	96.06
Kathy Gaston	93.63
Phil Cole	91.50
Karen Jackson	91.50
Beverly Brooks	90.40

The graduation exercises will be held at the school at 8 p.m. on May 21.

SENIORS HONORED WITH DINNER PARTY

A dinner party honoring the members of the senior class was held Tuesday evening in the home of Mrs. Templeton Foster.

Members of the senior class, Mr. and Mrs. Fred McDonald, Mrs. Forrest Foster, Mrs. Melvin Foster, and the Templeton Fosters were present.

W.R. Brooks to Speak

County Judge W.R. Brooks has been asked to be the speaker at junior high graduation exercises at the Eola School on Friday evening, May 22.

AROUND THE COUNTY by

ARTHUR BARLEMANN, JR. COUNTY AGENT

Two 4-H club range judging teams participated in the Crockett County Range Judging and Grass Identification contest at Ozona last Thursday.

Team number one with James Morgan, Larry Stewart, and David Foster as team members, placed fourth in the senior division of the contest. Team members received ribbons for the individuals on the team and a plaque for their team efforts.

This same team also placed eighth in the grass identification contest.

Team number two had as team members Jack Clark, Tommy Foster, and James Ross. They placed ninth in the grass identification contest.

The number one team is entering the state 4-H club contests at College Station on June 2, 3, and 4. When competing in the district contest, the team had no fourth member, but as a result of the Ozona contest, Jack Clark will be the fourth man on the team for the state contests.

Jim Bob Clark took the boys to Ozona since I could not get off with them. The help of the parents in getting these team members to the contests is appreciated very much.

The month of May means that the pecan casebearer is just around the corner for pecan growers. Eggs of the insect were first found on May 16 last year; the date in 1962 was May 20.

Recommendations for the control of this pest have been changed slightly this year. Rather than using one insecticide, two insecticides are recommended this year. One will give a quick kill while the other will give a longer residual effect which has been one of the troubles in combating this pest in the past.

This year's recommendations call for the use of two pounds of Sevin, plus one and one-fourth pints of Malathion emulsion per hundred gallons of water. The Malathion gives a quick kill of the insects that are at work while the Sevin has a residual effect of 7 to 10 days for a longer kill. The addition of two pounds of 36% zinc sulfate is also recommended for the control of rosette. Rosette is a nutritional disease prevalent and the addition of the zinc sulfate is beneficial at any time here. All these insecticides and the sulfate are compatible and can be used in the same mixture.

Thus far this year, three suspected cases of screwworms have been sent to the laboratory at Mission. All have been identified as other than screwworms. Last year's first positive case in the county was sent in on May 1. The last positive case was sent in on August 31.

Samples this year were sent in by Gene Alley, Jim Bob Clark, and Foster & Hildebrand ranches in that order. Marvin J. Bridges of Buffalo, who has been serving as executive director of the screwworm control program, has announced his resignation from that post. Marvin traveled many miles in connection with the program in the southwest and Mexico and became well known for his efforts with the program. He turned up in many of the counties as soon as the first case of the year was found. As an example last year, he made his appearance at the Claude Collins ranch when Sterling County's first case was identified there. No one was aware that he was in the vicinity but he happened to be traveling through this area and made it a point to be there and see that everything was going as is should.

In his letter to the agents, Bridges stated that since the

Hit a Deer

Mr. and Mrs. Roland Lowe were returning home from Merton Sunday night about 8 o'clock on the Barnhart road when a big buck deer jumped in front of their car. The buck was killed and the Lowe car suffered considerable damage. The fan was thrown into the radiator and a front fender was ruined.

Finis Westbrook and Bill Brooks came along and brought the Lowe on in to town.

Legion Barbecue May 29

The local American Legion Post is holding the annual barbecue on the night of May 29 at the Jeff Davis river place. The barbecue will start at 6:30 said W. R. Brooks and plates to go will be sold for \$1.25, he said.

Two Students to State Meet

Two high school students are in Austin this weekend for finals in the interscholastic league competition.

Cecilia McDonald daughter of Mr. and Mrs. Chesley McDonald, won first in the regional meet in persuasive speaking. She will be in the final competition in that class in Austin this weekend.

Danny Bailey, son of Mr. and Mrs. H. L. Bailey, is a finalist in the pole vault at the track meet class. Danny vaulted 12 feet at the regional meet. He will probably have to clear 12.3 or 12.6 at Austin to win a place, said coach J.R. Dillard. Danny will compete in class B competition.

FHA Officers Are Approved

The Sterling City FHA had their last meeting on April 27 at the community center. Hostesses were Bitsy Durham and Shirley Price. For the program, Mr. Fred McDonald gave a book review on "Lord of the Flies."

Guests present were the mothers of the FHA girls and Mr. and Mrs. Fred McDonald. During the business meeting the chapter approved the following girls for next year's officers:

Jeanie McDonald, president; Nelwyn King, 1st v. pres. Rosanne Foster, 2nd v. p. Elaine Price, 3rd v. p. Janie Copeland, secretary; Shirley Price, treasurer; Louise Alexander, historian and parliamentarian; Anne Lawson devotional and hostess chairman.

Last weekend, Janie Copeland, Jeanie McDonald, Cecilia McDonald, Miss Dodie Massey and Mrs. Chesley McDonald went to Austin to attend the State FHA Convention. They stayed from Wednesday until Saturday.

Mrs. Rufus Foster and Mrs. Leo Ross returned home Tuesday from a two weeks visit in New Mexico with relatives.

basic objectives of the program to set up the barrier zone had been accomplished, he was resigning to return to his home at Buffalo. There he plans to spend his time fishing and raising registered hogs, his occupation before becoming executive director of the program. He will return to the board of trustees as a representative of the swine industry in Texas, his former position on the board.

Sterling Assured Wolfcamp Oil

A discovery of Wolfcamp in Sterling oil pay was assured this week.

A deeper Wolfcamp pay, identified as C zone, was assured with the flowing of new oil at the hourly rate of 45 barrels for 19 hours at F. E. Shaheen & Sons, Abilene. No 1-174 Nellie P. Sellers, in 174-29-W&NW 1 1-8 miles west and slightly south of the Triple M (multipay Wolfcamp) field of Sterling County.

Operator perforated from 7,0770-76 feet and 7,085-91 feet and washed with 500 gallons of mud acid. The well flowed oil for 15 hours at the rate of 12½ barrels per hour.

Acidized with 20,000 gallons it flowed the above gauge through an open choke. Testing continued.

Salvation Army Unit Campaign for Funds

The Sterling City Salvation Army Service Unit began the fund raising drive here Thursday morning with a kickoff breakfast at Zettler's Restaurant. D. Kirk Hopkins, executive vice-president of the First National Bank, is chairman of the group and of the drive.

Attending the breakfast were Joe Moore, Salvation Army field representative, Hopkins, Mrs. Ross Foster, Mrs. Frank Jackson, Earl Seago, George White, Marshall Blair, Wayne Loury, Charles Allen, Jim Cantrell, Jack Douthit, Hal Knight, S. M. Bailey, H. L. Bailey, Rev. Leo Ross, Rev. Sherman Conner, and Rev. Hubert Travis.

Workers began seeking donations Thursday and plan to finish the drive soon. One-third of the money stays here and the other goes to state headquarters. If needed, state headquarters will make grants back to the local unit through the year. A goal of \$500 was set for the drive.

The money raised can be used for needy locals and transients—with no red tape. Two local boys can attend the summer camp at Midlothian, Texas. Other services are home for unwed mothers, and hospital care. Ninety nine cents of each dollar stays in Texas and the highest paid officer in the Salvation Army gets a maximum of \$75 dollars weekly. The unit will work with the church pastors in needy cases.

All workers are urged to turn in their donations and cards to Kirk Hopkins or S.M. Bailey when finished. Anyone missed can mail donations to the two above named officers.

Trap Shoot Sunday

The Wildcat Mountain Gun Club is having a trap shoot on Sunday, May 9 at 1:30 p. m. The shoot will be held at the club site at the foot of Wildcat Mountain.

Everyone is welcome and two large hams will be given as prizes, said Mims Reed, president of the club.

Mrs. Joe Emery and Mrs. H. A. Chapple left Wednesday noon for Cloudcroft, New Mexico where they will visit their sons, Jodie Emery and Alfred Chapple. Jodie is operating a cafe there for Jodie Blaneck, and Alfred has a job as bookkeeper for a large nursery there.

Bonnie Gartman accompanied them.

Karla Jackson in Queen Contest

Karla Jackson, daughter of Mr. and Mrs. Frank Jackson was the Sterling City entry at the Lions District Convention in Brownwood last weekend. She was accompanied by her mother to the convention.

Karla had a full day Friday with the queen's contestant group that ended with a banquet that night.

How's Your Cooling Comfort?

Here's an Easy Way to Find Out...

Take a few minutes and answer the quiz below by circling YES or NO.

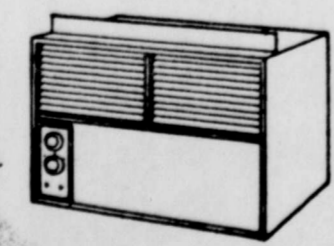

- | | YES | NO |
|--|--------------------------|--------------------------|
| 1. Is your home consistently muggy and stuffy? | <input type="checkbox"/> | <input type="checkbox"/> |
| 2. Does the summer heat penetrate through the entire house? | <input type="checkbox"/> | <input type="checkbox"/> |
| 3. Is it hard for you to sleep at night? | <input type="checkbox"/> | <input type="checkbox"/> |
| 4. Is your house hard to keep clean because of blowing wind or sand? | <input type="checkbox"/> | <input type="checkbox"/> |
| 5. Are you sometimes irritable and miserable from heat suffering? | <input type="checkbox"/> | <input type="checkbox"/> |
| 6. Is it impossible to find comfort from the heat? | <input type="checkbox"/> | <input type="checkbox"/> |

Check back over your answers. If you circled YES on at least half of the questions you have a definite cooling comfort problem.

The answer to your problem is:
(An Electric Refrigerated Room Air Conditioner)

See your electric appliance dealer or West Texas Utilities right away.

Janie Copeland — 8-2631
Speedy Sparks — 8-3411
Mr. George White — 8-2972

For Social Security

"Area residents should file their social security claims before they retire in order to insure prompt payment of benefits," Floyd B. Ellington, social security district manager in San Angelo, said today.

Many people of retirement age do not get their first social security checks as early as they might, simply because they waited too long to apply for their benefits, Ellington pointed out.

Applications may be filed any time within three months of when a person wants benefits to start. Since the average processing time of a claim is 4 weeks, Ellington advised people to take advantage of this early filing and submit their applications as soon as possible.

Many claims are delayed because the applicants do not have the necessary information or papers to establish their eligibility for benefits, he said. These delays could be avoided if people would get in touch with social security office ahead of time to find out what they should bring with them when they apply for benefits.

REWARD NOTICE

A reward of \$500.00 will be paid by the Texas Sheep and Goat Raisers Association to any person (other than law enforcement officers) giving information causing the arrest and final conviction of any person or persons found butchering or stealing any sheep or lambs or goats belonging to any Association member in good standing. When two or more persons give information, the above sum will be divided at the discretion of the Board of the Association. When two or more defendants are involved in a single crime, the total reward is limited to \$500.00, but the conviction of one defendant, even though the other defendants are acquitted, will entitle the claimant or claimants to said sum of \$500.00. All claims must be submitted within ninety (90) days following conviction. If, upon conviction, a defendant confesses other thefts, no additional reward will be paid. All decisions concerning the payment of such reward and the conditions of payment will be made by the Board of Directors of the Association.

Baccalaureate May 17: Commencement May 19

Baccalaureate services for the 1964 graduating class will be held at the school auditorium on Sunday, May 17. The service will be held at 8 p.m. and the Rev. Sherman Conner, pastor of the First Baptist Church, will be the speaker.

The processional and recessional will be played by Nelson King. The Rev. Hubert Travis, Presbyterian minister, will give the invocation. Mrs. George White will sing the Lords Prayer for the benediction.

The singing will be led by Stanley Horwood.

Commencement Set for May 19

Dr. Richard Crews of San Angelo will be the speaker at the Commencement exercises here May 19 at 8:00 p.m. The program will be held in the school auditorium.

The processional and recessional will be played by Nelson King. Methodist pastor, the Rev. Leo Ross, will give the invocation and Marion Hays, Church of Christ minister, will give the benediction. The salutatory address will be given by Lois Ethel Price, daughter of Mr. and Mrs. F. S. Price and Lee Douthit, the daughter of Mr. and Mrs. Jack Douthit, will give the valedictory address.

High school principal Earl B. Seago, will certify the class members or graduates and award individual honors. The president of the school board will present the diplomas to the graduates.

Graduates Listed

There are six girls and two boys graduating this year. They are as follows:

- Danny Bailey
- Billy Bauer
- Mitzi Davis
- Ollema Davis
- Lee Douthit
- Temple Ann Foster
- Cecilia McDonald
- Lois Ethel Price

3 Robot Heart Valves Are Working for Him

WORLD'S FIRST USER of three plastic heart valves is Virgil Roberts of Tigard, Oregon, shown at right displaying a robot valve and a model of the human heart. X-Ray at left shows inside-the-heart position of devices which replaced aortic, mitral and tricuspid valves irreparably damaged by rheumatic heart disease. The revolutionary, 8-hour surgical procedure was performed by a team of University of Oregon Medical School surgeons. Your Heart Fund dollars helped make it possible.

COMMENTS FROM THE CAPITOL

by Vant Neff

It is interesting to note that on the same day, in two different parts of the world, two men spoke differently on the same subject. Adlai Stevenson patiently explained to one audience that peace was necessary for the salvation of mankind. Whereas Khrushchev scolded the West and denounced "imperialist exploitation" of the underdeveloped countries. K's message was read to representatives of 116 have-not nations. It was a direct order to the underprivileged to arise and confront the West.

It is my contention that we cannot continue our sweet, peace-loving policies while our adversaries — particularly the one who has enslaved and held so many countries in captivity — continue to exhort the world to attack us.

You would think the Administration silly if we sent dollars directly to Cuba... so we send them indirectly; we give aid to Morocco... and Morocco buys sugar from Cuba. It is silly, isn't it? And not only silly but downright stupid is the administration of our aid program to Red satellites who supply Cuba with electronic equipment and military hardware.

Sukarno told the United States, "To hell with your aid". In his speech, he turned to the U. S. Ambassador and said, "When was it that you wanted to stop your aid?" Though no answer was made by the Ambassador, we trust that the Administration will break its silence and thunder its reply to the baiting, egomaniac Mr. Sukarno, saying briefly — "Now!"

This is the same Sukarno who has broken every promise, reneged on the pibiscities he pledged and for whom we forsook our ally, the Netherlands, a NATO member. Still we continue to pour our millions into the rat hole of Sukarno's anti-U.S. Indonesia.

Everywhere I go, I find that intelligent people are for equal rights for the colored man. Beyond a doubt, he's entitled to them. And making sure that he gets them is what the current Civil Rights Bill is supposed to be all about. But is it? Because the sad fact is that it also includes deceptions that threaten the basic rights of the majority while pretending to serve the minorities. Politicians have twisted the wording around so that it turns over to the federal government the power to trample on our traditional American freedoms.

For example, the bill says an employer must not show "discrimination". But what is "discrimination"? What does the bill really mean?

It could mean, for example, 2 1/2 percent of the workers in a plant must be American Indians, 12 percent Negroes, and so on.

It could mean that an employer could be hauled before a federal board on charges filed not just by an aggrieved employee, but by any person or organization that presumes to act "on behalf" of the employee—even without his consent.

Unquestionably, there is a real need for civil-rights legislation. But, in the name of all that's decent, let it be the right kind of legislation and not a camouflaged power grab.

It is one of the great mysteries of financial operation that Robert B. Anderson, who is considered a financial genius and became Secretary of the Treasury, could not operate Radio Station KTBC in Texas profitably—but the L. B. Johnson family could, did and ran it up into a young fortune.

It could happen nowhere else in the world but in the United States and, of all places, New York... the Puerto Ricans there DEMAND that the school teachers in the public schools which Puerto Rican children attend MUST know and speak Spanish! Moreover, they DEMAND that the history of Puerto Rico be taught!

Do you remember way back when immigrants coming to this country were glad to become Americans... even thought it their duty to study, understand and speak English... and learn the history of the United States—rather than ex-

peet our public schools to teach in the immigrant's foreign language?

Americans have been duped again... you remember when the administration promised that at least 50 percent of the American wheat we were sending to Russia would be sent in American ships. Well, the "excuse" is that there is an insufficient number of American ships. The wheat is being sent in bottoms belonging to other nations.

The lamest excuse I ever heard was that offered by Defense Secretary Robert S. McNamara who stated that the reason we did not "do something" about the Cuban missile confrontation is that we were "terribly short" of fighter and transport planes and needed vessels. No amount of white-wash will cover up the fact that we have failed to deal effectively with the Cuban threats.

The so-called "war on poverty" is a great ideal but the Administration's program adds up to little more than a revival of the old New Deal WPA. The fact remains that the only effective way to eliminate poverty will be to encourage the growth of job opportunities in private industry. This, the Washington planners do not seem to understand.

When I was in Russia, I was astounded to find daily papers affixed to buildings throughout cities. They were fastened in cases under glass for all who wished to read. Currently, my friends write me that there are cartoons depicting the "aggressor United States" taking produce from little African nations by force. Another, with an ugly, giant American soldier standing astride the Panama Canal with dead, mutilated bodies of Panamanians around his bloody feet. Still a third, I am informed, shows the United States Navy turning away boats bound for Cuba and laden with food.

The important part of this disclosure is not that it represents anything new or a departure from the previous Russian brain-washing of their citizenry—it is projected now because in the midst of all our sweetness and light, when the Administration is asking us to think kindly of the Russians, to feed them and extend credit, nothing has changed from the Russian point of view. We are still the dirty name, in their state-controlled propaganda.

Looking about through history, one finds adages that conveyed the feeling of people. For instance, the Romans had "Wherever a Roman, there is Rome". In Colonial times, the rattlesnake flag bore the motto, "Don't tread on me." In the days when our West was newly opened, the cadence of the people was symbolized by the expression, "Live each day so you can look every man in the eye and tell him to go to hell." Medieval France sported a flag bearing a thistle with the slogan, "Who bruises it gets stung." And Scotland's flag portrayed a thistle and contained the Latin motto, "No one wounds me without being punished."

Today our motto seems to be, "Let's be nice to our enemies and hope they will have a change of heart," or "Let's not look at it and maybe it'll go away", as in the case of Cuba.

Ever since the Court of Appeals "freed" Gus Hall and his party members, they are more flagrant than ever in issuing directives for work stoppage, inciting civil disorder and advocating our submission to the dictates of the Soviet demands. Under the guise of better American-Soviet relations, there is intense pro-Soviet activity across the land by the people who support any and all the doings of the USSR. It would be interesting to know where the money which supports the meetings sponsored by the Communists in this country comes from. Who pays their railroad fare, hiring of halls, decorations, electric bills, posters, flyers, advertising and, for that matter, the salaries of their leaders and hired agents.

PIANO RECITAL HERE ON MAY 15

Mrs. Dick Mitchell will present her piano pupils in a recital at the school auditorium the night of May 15 at 8 o'clock. The public is cordially invited to attend.

Ten of Mrs. Mitchell's pupils will be in auditions of the National Music Guild May 12 in Big Spring. They are Charlotte Foster, Vicki House, Bill Blank, Lynn Aleander, Beverly Brooks, Susan Terry, Sally Mixon, Janice Igo, Marilyn Foster, Nancy Armstrong and Tommy Bynum.

The U.S. Civil Service Commission has announced new examinations for Recreation Resource Specialists (paying \$6,675 to \$14,565 a year) and Public Health Educators (paying \$6,675 to \$12,845 a year) for work in Washington, D.C., and throughout the United States.

Recreation Resource Specialists are employed mainly in the Department of the Interior to provide technical advice and guidance to Federal, state, and local governments in connection with outdoor recreation needs and resources. Related experience is required although appropriate education may be substituted for some of the experience. Applications will be accepted until further notice by the Board of U.S. Civil Service Examiners, Department of the Interior, Washington, D.C.

Our WASHINGTON Letter

Mexican workers who desire to enter the United States on immigration visas to work on farms and ranches, will find it increasingly difficult to be cleared for admission. Under the Immigration laws, the Labor Department must determine that an applicant will be paid prevailing wages, enjoy working conditions comparable to domestic workers, and there is a labor shortage.

The Labor Department recently announced that before an alien will be admitted to work on a ranch he must be paid not less than \$150 per month plus room and board, plus \$1.00 per hour overtime in excess of 208 hours per month. The law does not require this, but the Labor Department does.

In addition, the Labor Department now requires an employer who offers work to a Mexican alien seeking admission, to first offer to pay any qualified available domestic worker in the U. S. at least \$150 per month, etc.

The Labor Department also requires the employer to first advertise for domestic workers, use the USES and other means of recruitment to fill the needs, and various other requirements.

The Labor Department has decided too many Mexican aliens are being admitted, and has undertaken this crackdown to reduce, if not entirely eliminate, the admission of more Mexicans. The influx of Mexican nationals began about 10 years ago when the Labor Department made the contract bracero program unworkable with arbitrary conditions under contract, thousands of the Mexican braceros came in on immigration visas, on a permanent basis.

In fact, during a ten-year period, up to recently, more than 400,000 were admitted—most of them because the Labor Department would not allow them to be contracted on a temporary basis. Now they are here permanently.

The bracero (contract) program already reduced to almost uselessness by the Labor Department is due to expire at the end of this year. This is certain to stimulate a vast increase in applications for permanent visas from south of the border. Now the Labor Department has decided to keep them out.

SOCIAL SECURITY

Floyd B. Ellington, district manager of social security in San Angelo, issued a reminder today to all persons who are receiving social security benefits that they must notify the Social Security Administration whenever something happens that might affect the payment of their benefits. Some of the events which must be reported are:

1. Earnings from all types of work if the beneficiary is under age 72 and expects to earn more than \$1200 during the year.
 2. Death of a beneficiary.
 3. Change in marital status—unless the beneficiary is receiving payments as a retired worker.
 4. Change of custody of a child or other person for whom you are receiving benefits.
 5. Change in address.
- "Social security beneficiaries received a list of these and other events that must be reported with this check earlier this year," Ellington said. "If they do not have this list, they may pick up another at the social security office."
- "In fact, anyone who has a question about social security should get in touch with us to get correct information."
- The address of the social security office is 204 Continental Building, San Angelo, Texas. Telephone is 653-6861.

George Skeete Named State Outstanding Conservationist

George Skeete was named the 1963 outstanding ranch conservationist at a banquet in Fort Worth last Saturday night. The program was sponsored by the Fort Worth Press and Mr. and Mrs. Skeete were presented a silver coffee service by the sponsors.

George, chairman of the Board of Supervisors of the North Concho River Soil Conservation District, has been named outstanding conservationist for three years—for his work and his practices and his "preaching" of soil conservation—and other conservation practices.

CATHOLIC'S PLANNING CHURCH CENSUS

The members of the Catholic Church in this area, under the direction of their pastor and a parish chairman, are planning to take up a census soon on a Sunday, May 17. The workers intend to make their calls between the hours of 2 and 6 in the afternoon and they kindly request that someone be home in each residence during these hours to give the information needed. When the work is completed, the census shall be taken up in the 34 counties that constitute the Diocese of San Angelo whose spiritual head is Bishop Thomas J. Drury. In several areas the Catholic groups are being assisted by their neighbors and the ministers have offered to make appropriate announcements in their church bulletins and from their pulpits.

In planning and organizing the groups to take the census, Bishop Drury stressed the importance of kindness and courtesy towards everyone. He

also asked the Catholic people to assist similar church groups if and when they might be taking up a census. The workers will go to each home in pairs, one to ask the questions and the other to write down the answers. It is expected that during the four hours of census taking, all the residences assigned to each team of two will be visited.

Nathan Morris in Navy

Nathan Morris, son of Mrs. Mildred Weeks of Sterling City has enlisted in the Navy is now in basic training at the Naval Training Center at San Diego, Calif.

Upon completion he will be assigned to service schools for technical training or to a ship or station for on the job training in a Navy rating specialty.

IT'S A FACT!

One of the first polar expeditions in 1894 used aluminum boats because they were impact-resistant, lightweight, and virtually free from maintenance.

The next outstanding use of aluminum was in P.T. boats in World War II. Modern pleasure craft builders have taken a clue from them, and, today, almost half of the more than 300,000 small boats built every year are constructed of marine aluminum.

Newest innovation in the small boat building field: an aluminum foil label on every boat made of marine aluminum—identifying a strong, lightweight and virtually indestructible craft.
