

General Election November 3

The general election will be held over the county, the state and the nation on November 3. The presidential race, is of course, the featured race on the ballot this year.

Texas native Lyndon B. Johnson faces Arizona's Barry Goldwater on the top spot of the ballot. Their running mates are Hubert Humphrey of Minnesota and William Miller of New York. The races go on down through the state here in Sterling County and Congressman O. C. Fisher has a Republican opponent, Dr. Harry Claypool.

In the district races and the county races for Sterling, the Democrats have no opponents.

Some few names are listed on the Constitution Party line but the first two columns are Democratic and Republican.

Here in Sterling County the usual polling places will be open—the courthouse, B.R. Bynum's Ranchhouse, Tom Humbles Ranch house, Bill Blair's (Roy Fosters) and N.H. Reed's.

Interest in the presidential race is nationwide. Texas Election Bureau Reporter, Jack Douthit, is asking that all the judges have a report ready to call in by 7 p.m. Giant computers over the nation will go to work on the returns and pick out the trend early in the evening.

President Johnson, and his family have been stumping the nation on campaign tours. Not to be outdone, the Goldwaters have been doing the same. So have nearly all the candidates for office on the national and statewide scales.

State Constitutional Amendments on Ballot

There are three constitutional amendments on the ballots here in Texas. Number one is the proposal to authorize the removal of one percent of the permanent school fund each year and put it in the available fund. State school board member Penrose Metcalfe says that this amendment should not be passed—he thinks the permanent fund should be kept intact and not tampered with.

Proposition number two on the ballot should not be passed. Or so it seems. It would hamper the formation of any new water districts or the adding to any water or reclamation districts. Now, should Sterling, Runnels or Concho Counties want to join the Upper Colorado River Authority, the new section to the constitution would hamper and slow down such a move. It would take a special law for Sterling to get into the UCRA anyway.

Proposition number three on the ballot is voting to let the state pass a law accepting welfare payments or assistance from the Federal Government in order to pay medical bills for the needy. At present the state law does not provide for such payments and a constitutional amendment is the only way the program can be set up. The state will use matching funds with Federal funds for the program, if the amendment passes.

Locally, Clell Ainsworth is asking for election as Justice of the Peace in Precinct 1, for the unexpired term of the late A.W. Dearen. His name (or whoever one votes for) will have to be written in on the write-in column on the right side of the ballot.

TO MIDLAND AS ADVERTISING MANAGER

Mims Reed as accepted a position as advertising manager for the Grammer-Murphy Department Store in Midland, effective November 1. He will handle the newspaper T. V. and radio ads for the store and help in window display. Mims majored in advertising while at Texas Tech. The Reeds are moving to Midland before the end of the month.

Lions Selling Trick or Treat Candy

The Lions Club here is selling Trick or Treat candy—as a club project. Before Halloween even, the candy is on sale at some of the member's places of business. The cellophane bags of candy (about 150 pieces) are selling for \$1 a bag and you can buy 'em now at Lowe Hardware, West Texas Utilities, Turners Drive-In, Blair's Shell and the bank. The candy is put up for sale by Lions Clubs and benefits local clubs and Lions projects nationwide. You get your money's worth.

Mrs. Billy D. Blair Club Hostess

Mrs. Billy Derrell Blair was hostess to the Epsilon Zeta Club Tuesday night. The club room of the community center was the meeting place.

Mrs. Troy Templin gave a program talk on Veteran's Hospitals. Eleven members and one guest was present—being Mrs. Charles Probandt.

A Halloween party for preschoolers was discussed. Mrs. Joe Blank was named secretary and reporter, replacing Mrs. Mims Reed, who is moving to Midland. Bingo was played and the prizes went to Mrs. Fred W. McDonald, Mrs. Joe Blank and Mrs. Templin.

TO THE VOTERS OF STERLING CITY:

I am running for Justice of the Peace, Precinct 1 here in Sterling City. No names are on the ballot—and the term would be to fill out A. W. Dearen's unexpired term. If you see fit to vote for me—you will have to write my name in the write-in column on the ballot—on the far right and down toward the bottom. You may be assured that I want and need your vote and influence—and will certainly appreciate it.

Sincerely,
CLELL AINSWORTH

Earl Seago, Commander of the American Legion Post in Sterling City, reported that a good crowd attended the annual barbecue last Saturday night at the Jeff Davis river place. About \$30 was cleared from the barbecue plates for the Legion it was said.

Farm Census Coming

Census takers will visit every farm and ranch in the United States during November or December as part of the 1964 Census of Agriculture, conducted by the U.S. Bureau of the Census. Census questionnaires will be delivered by mail; the farmer will answer the questions and keep the questionnaire until the census taker calls for it. Answers are confidential and are used only for statistics. From the last Census of Agriculture in 1959 the nation learned that the number of farms had dropped by about 1 million in five years, but farm production had increased.

Boy Scout Fund Drive Opened

A breakfast for workers in the annual Boy Scout fund drive was held Tuesday morning at 7 in the community center. About 45 persons were present, including Bill McRee, Scout executive from Big Spring. Bacon, scrambled eggs, hot biscuits, jelly and coffee made up the menu.

Stan Horwood, drive chairman, presided at the affair. McRee showed a film strip on the American Heritage and Scouting. Two Scouts, Frank Price and Mackey McEntire, assisted in the pledge to the flag and with the sound for the film strip.

Sustaining members were

introduced—being Alvie Cole, Stan Horwood, Chesley McDonald, Jeff Davis, Harvey Glass and H. L. Hildebrand.

The workers are lined up in two opposing camps—The Rocker—R and the Bar—0. Rocker—R captains are H.L. Bailey, Marshall Blair, D. Kirk Hopkins, and Henry Bauer. Bar—0 captains are Jack Peel, Leslie Payne, Winn McClure and Wayne Loury.

Introduced to the group as local Scout workers were Cubmaster Jack Peel, Scoutmaster Jack Asbill and Explorer Scout Advisor Fred W. McDonald.

The drive will be underway for three days. It is hoped to finish it completely this week.

In case of fire dial 8-4771.

Teen Club To Meet Friday Night

The Teen Club of Sterling will meet at the Legion Hut on Friday night of this week due to the football game with Stanton B Saturday night. The club will meet tonight from 8 till 12 it was said. Earl Seago is manager of the club. He said a chaperone would always be present at the club meetings. George White, local teacher and coach was the chaperone at last Saturday's meeting.

About 65 boys and girls attended the meeting last Saturday night. High school students make up the membership and dues are paid by members. Speedy Sparks is president of the club, James Morgan is vice-president, Elaine Price is secretary, Shirley Price is treasurer, and Frank Balaban is reporter.

Membership is limited to high school students and any others that attend do so as a guest of a member.

WTU Women's Conference

Two hundred women convened in San Angelo Sunday and Monday for the 10th annual Women's Conference of West Texas Utilities Co. They are a portion of the women personnel of the company and come from more than 50 of the towns in its service area. Attending from Sterling City was Mrs. Patsy Blair.

The conference is an annual workshop established 10 years ago to develop leadership qualities in women office workers with the basic objective of helping them serve the public better. Since the meeting is held on a business day, women employees alternate from year to year with a portion remaining on duty while the others attend the session.

The meeting opened with a Hawaiian Luau at 6:00 p.m. Sunday in the Cotillion Room of the Town House. Following the Hawaiian buffet dinner the group was entertained with a musical program presented by the Lassiter combo, and a singing trio from Abilene composed of Pat Neyman, Ann McDorman and Janice Smith, accompanied on the organ by Rufus Edmondson.

Mrs. Blair participated in a panel discussion "Are You Tuned In?"

Night at 8 To Stanton Saturday

The Sterling City Eagles "dismounted" the Grandfalls Cowboys 28 to 8 there last Friday night in their sixth straight victory of the season. The game was 11-man, playing twelve minute quarters on the 11-man length (100 yard) field and was non-conference. The Eagles are in the 3-man conference and Grandfalls is 11-man.

The Eagles made 14 first downs in the game to five for the Cowboys. Brothers Bill and Wayland Foster both tallied 12 points—to tie on the touchdown points. A 2 point conversion on a pass catch by Collin Douthit added 2 to the Eagles score and Sparks passed to Barry Todd Churchill for 2 more.

In the first quarter, Wayland scooted 13 yards for the first touchdown of the game. Collin snagged the 2-point pass and before the first quarter was over, Wayland ran thirty yards to give the Eagles fourteen points during the first quarter.

The Eagles were scoreless in the second quarter—but the Cowboys' Leonard Kniht took a pass for a T.D. and then ran over the extra two points. The half-time score was 14-8.

The third and fourth quarters were Bill Foster's on the scoring. He ran one counter in the third and another in the fourth—He took a pass from Sparks on the latter. Churchill got the final two points on a pass from Sparks.

The score by quarters:

Ster. City	1st Dns.	G'falls
1. 14	2. 1	0
2. 0	5. 3	8
3. 6	4. 0	0
4. 8	3. 1	0
Tot. 28	14	8

TO STANTON SATURDAY NIGHT AT 8:00

Coach Dillard's boys go to Stanton Saturday night to play Stanton B team an 11-man game. This will be the last non-conference game of the season for the locals. Mike Arp, halfback, who got an injured knee at Imperial two weeks ago, may see action at Stanton this week.

B TEAM WINS OVER GARDEN CITY

The B team of the Sterling Eagles won over the Garden City B team here last Saturday, 28 to 14. This was the fourth game of the season for the B team and this was the first time any opponent had scored against them. The Garden City boys managed to rack up fourteen points.

Figuring in the scoring for the Eagles were Gary Foster, Alex Sedillo, Frank Alejandro and James Morgan.

For the record, neither the A team or the B team has been beaten this season and very few points scored against them.

A number of the squad boys are in Dallas this week at the state fair with their lambs in 4-H or FFA showing. This has cut into practice sessions this week.

Poll Tax or No Poll Tax

There has been widespread confusion about the eligibility of voters who wish to vote for the Federal Offices in the November 1964 General Election ever since the ratification of the 24th Amendment to the Constitution of the United States. Stated quite simply, unless you paid a poll tax prior to January 31, 1964, or obtained the required registration receipt without the payment of a tax, to vote for Federal Offices, prior to Mar. 6, 1964 you are not entitled to vote in the November election.

Persons who were exempt from the payment of poll tax for reason of overage were not affected in any way by this law so long as they were otherwise qualified to vote. The registration law applies only to those civilian and military personnel who were between the ages of 21 and 60 years of age on January 31, 1964; so far as the 1964 General Election is concerned.

SCIENCE SKETCHES

GLASS is the ideal material for underwater vehicles because of its compressive strength, say researchers at Pennsylvania State University. They're using a "Pyroceram glass-ceramic" for the hull of "Benthos," a torpedo-shaped oceanographic craft intended to submerge six miles into the sea. The equipment-carrying device is eight feet long and one foot in diameter and its special glass actually gains strength when compressed so that the deeper it drops, the stronger it gets.

EARLY MARRIAGE is a more important factor in our exploding population than large families, according to a Cornell University study. To reduce population expansion, teen marriages should be postponed because the younger the mothers are, the earlier their children will have offspring of their own.

YOU CAN VOTE FOR ANY CANDIDATE OF ANY PARTY ON THE NOVEMBER 3RD BALLOT

Governor Price Daniel, while Attorney General, wrote an opinion on the question of party loyalty in which he said, "The courts of Texas have answered this question by holding that the pledge taken at the time of voting in the primary election DOES NOT create a legal obligation."

Governor Daniel repeated that opinion by saying that the pledge on the primary ballot does not obligate anyone "legally or morally" to vote for the Democratic ticket in the general election.

NEW EXAMINATIONS

A new examination for Food and Drug Officer has been announced by the U. S. Civil Service Commission for filling positions paying from \$7,030 to \$15,665 a year in the Food and Drug Administration in Washington, D. C. metropolitan area.

Persons appointed to these positions will perform professional work requiring scientific knowledge in connection with the overall enforcement of food, drug, cosmetic laws, orders, and regulations.

No written test is required. To qualify, applicants must have had appropriate education, or a combination of education and pertinent experience. The experience may have been acquired in food, drug, and related law enforcement work or in a business or industry that is subject to regulation by food, drug, or related laws.

Applications for these positions will be accepted until further notice and must be filed with the Board of U. S. Civil Service Examiners, Food and Drug Administration, Washington, D. C. 20204. Full details are given in Announcement No. 334-B.

The U. S. Civil Service Commission today announced a new examination for filling research and non-research positions in all branches of engineering in the Washington, D. C. area. In addition, positions in certain branches of engineering will be filled throughout the United States. The salaries for these positions range from \$5,650 to \$15,665.

This new examination incorporates revised qualifications standards and replaces previous examinations. Persons who have not yet been appointed from earlier examinations must pass this new one if they are still interested in being considered for these positions.

To qualify for non-research positions, applicants must have an engineering degree or an equivalent combination of appropriate college work and professional experience. For positions involving highly technical research, development, or similar functions a bachelor's degree in engineering is a requirement. Additional professional experience and/or education are required for the higher grade levels.

Full details concerning the requirements to be met as well as instructions on how to apply are given in Announcement No. 332-B.

Announcements and appropriate application forms may be obtained from many post offices throughout the country or from the U. S. Civil Service Commission, Washington, D. C. 20415.

For Social Security

Will your social security monthly retirement check be \$100 or \$120? If your wife claims her payments when she's 62, will they increase when she reaches 65? These are some of the question you might like to have answered before you retire. Floyd B. Ellington, District Manager of the office in San Angelo said it's a good idea to visit their office about three months before that date. There is an advantage of your applying well ahead of time. Most applications go through without any trouble, but every once in a while someone has trouble proving his age or providing some other form of needed evidence. When that happens everything grinds to a stop until a satisfactory age or birth record or other proof is supplied. If you wait until you retire to make your claim, and you don't have the records you need, your first check may be delayed. If you don't need your social security right away, it won't matter, but most folks count on that first check as part of their post-retirement budget.

When you visit the social security office three months before retirement, there are some records you'll need to take. The best way to find out what you should take is to phone ahead. In addition to a record of your age, you may need to taken your last withholding tax statement. If your wife is 62 and wants to apply for benefits also, she'll need a record of her age. If you call the social security office before you pay the pre-retirement visit, they can tell you exactly what you'll need. If there's some record you don't have, they can usually help you get it. Helping people with retirement claims is their business. For example, they know the best, and quickest way to get a record of your age.

Some people delay a trip to the social security office because they think a social security claim will be a lot of trouble. It isn't an automatic thing, but highly trained people will do everything to help you. There are three things to remember. First, plan ahead for your retirement. Second, call the social security office. Find out what to take with you, and the best time to go. Third don't wait until after you retire to make your social security claim. The San Angelo office is located at 3000 W. Harris, phone 949-4608.

Floyd B. Ellington, district manager of social security in San Angelo, issued a reminder today to all persons who are receiving social security benefits that they must notify the Social Security Administration whenever something happens that might affect the payment of their benefits. Some of the events which must be reported are:

1. Earnings from all types of work if the beneficiary is under age 72 and expects to earn more than \$1200 during the year.
2. Death of a beneficiary.
3. Change in marital status—unless the beneficiary is receiving payments as a retired worker.
4. Change of custody of a child or other person for whom you are receiving benefits.
5. Change in address.

"Social security beneficiaries received a list of these and other events that must be reported with this check earlier this year," Ellington said. "If they do not have this list, they may pick up another at the social security office."

"In fact, anyone who has a question about social security should get in touch with us to get correct information."

"Oh brother, is this contraption ever a monstrosity! Can you imagine finding space to put one of these, or even actually using it? This old 1901 Peck-Williamson water-heating stove and clothes dryer can't hold a candle to the modern, automatic, flameless electric clothes washers and dryers. Besides being completely automatic and flameless, they save so much time and energy. The electric dryer alone saves 3 hours weekly of the housewife's valuable time which she can spend with her family and clothes come out so soft, fluffy, and easy to iron, there's no telling how much time is saved just on the ironing board.

Sixty-three years sure makes a lot of difference. Visit your electric appliance dealer or the nearest WTU office."

Behind the 8-Ball

If any women want to go to the coffee and reception in San Angelo Monday, October 26, they are very much invited and welcome. A large crowd from here is asked to be present—to meet the plane at the airport and to attend the reception.

You know it might be real nice and newsworthy if the women from here could present Mrs. Johnson a colored lamb pelt—with a sign on it from Sterling County women.

That would please her, we bet.

8-BALL

Worth Durham says that we ought to clean up the weeds on the path leading to the News-Record from Lowe Hardware. If an early frost doesn't take care of that problem for us we may have to do something.

Jack Pope, for the Supreme Court of Texas (on the Democratic Column) is a good man to vote for. He is qualified.

8-BALL

As Democratic chairman for Sterling County, I'm trying to raise some money for the party war chest—Demos for Johnson, etc. So far, I haven't got much. If you want the Democrats to win and want to have a part in it, mail me your check. Make it to the Democratic campaign.

Mrs. Cledis Smith returned home the first part of the week from visits in Durant, Oklahoma and Dallas, Texas. She went to the state fair in Dallas.

Cledis Smith returned home Tuesday from Colorado where he got his limit on deer and returned home a little earlier than he had expected. Henry Floyd Merrell went with him. They saw the H. A. Chapples in Colorado.

The juniors of Sterling City High School took the preliminary scholarship and achievement tests at the school Tuesday of this week. The preliminary tests are given by the school to juniors for the records and to acquaint them with that type test—which is required in college entrance.

FFA BOYS PLACE LAMBS AT STATE FAIR

Twelve FFA boys exhibited lambs at the State Fair Wednesday, and met with considerable success considering the number and quality of lambs entered in the competition this year. There were more lambs and more superior lambs entered in the fair this year than in any previous year that the local boys have been showing.

FFA exhibitors and placings:

- Wayland Foster, 14th fine-wool
- Bill Foster, 22nd finewool
- Phik Cole, 23rd Suffolk finewool crossbred
- Corwin Collins, 34th Suffolk finewool crossbred
- Larry Wilson, 35th finewool
- Bobby Westbrook, 36th finewool
- Jack Clark, 38th Suffolk-finewool crossbred
- John Copeland, 56th Suffolk-finewool crossbred
- Dusty Dillard, 58th Suffolk-finewool crossbred
- Larry Wilson, 59th finewool.

Other exhibitors were Larry Stewart, Mike Foster and Gary Foster.

Jim Bob Clark, chief morale booster and transporter of FFA boys, accompanied the group for the third straight year to the fair. Mr. and Mrs. Bubba Foster were other parents accompanying the boys.
