Behind the 8-Ball

Let's see. Who was getting ready to rule the universe just about 20 years ago?

8-BALL

The spring rains continue! Another half inch fell in town early Monday morning and up to an inch fell in more favored spots to the north and west. The pastures are looking good and the turf is better than ever this early in the spring.

8-BALL

Danny Bailey and Billy Bauer are home from Texas Tech and are working for Early Barton's State Highway Maintenance crew.

8-BALL

Leroy Churchill, Texas Tech student, is working for Fish Engineering Co. in Odessa this summer.

8-BALL

Louise Alexander, May SHS graduate, plans to be in Angelo State College this summer.

8-BALL

Lee Douthit, Texas Woman's University student, has gone to Denton for the first six weeks of the summer session.

8-BALL

Butch Seago, son of the Earl Seagos, was not hurt seriously when he had a one-car accident Saturday night. He was not hospitalized.

8-BALL

George White, who coaches and teaches in the school, is going to Howard Payne College this summer at Brownwood. George teaches biology, general science, and business.

8-BALL

The Shell Oil Co. offset well on the Hildebrand Ranch has been brought in — flowing about ten barrels of oil an hour.

8-BALL

Mrs. Lynn Glass spent last weekend in Denton visiting her parents.

8-BALL

Doc Percy Turner, vet from Water Valley, came up Monday afternoon and gave rabies shots to pets. Both dogs and cats were "shot".

8-BALL

Some people make things happen in this world; some help make things happen; and the rest of the people wonder what the heck is happening. Such is life.

8-BALL

Sterling has fared well in the spring rains. No hail or damaging winds have done any appreciable amount of damage here. And the rains have done a lot of good.

8-BALL

Enrolling in Texas Tech for summer school are Lois Ethel and Shirley Price and Janice Copeland.

8-BALL

Bill Foster, May SHS grad, has enrolled in Texas Tech for the summer.

8-BALL

James Harvey Latham has enrolled in ACC for the summer session.

8-BALL

Reynolds Lee Foster has enrolled in Texas Tech for the first session of the summer.

8-BALL

Everybody is happy when everybody is making money.

8-BALL

Almost any community will welcome an industry that costs nothing.

8-BALL

There are at least five million adults ready to give the June graduates their best advice.

8-BALL

Men judge the affairs of other men better than their own.

8-BALL

When we are too young our judgement is weak; when we are too old, ditto.

8-BALL

Billy Blair, son of Mr. and Mrs. John I Blair, has resumed his studies at Texas Tech.

A Tragedy of Errors by Jerry Marcus

Speeding killed 16,400 and injured 1,344,000 in 1964.

A day early! The paper is a day early this week due to the summer sessions in college. We had to take "ours" to Denton Thursday (today) so we got the paper out a day early. The shop will be closed all day Thursday.

8-BALL

Lynda Allen is attending both summer sessions at Texas Tech this summer. She is going to make up for the lost semester she was out as Miss Wool of Texas.

8-BALL

Crisp Williams will leave Sunday for Athens where he will enroll in Henderson County Junior College for the summer session.

8-BALL

Janet Westbrook, Tech student, is staying in Lubbock this summer working.

8-BALL

Dan Glass, president, and John Copeland, secretary, are working up the program for the Alumni Association annual banquet and dance. It will be held at the River Club in San Angelo on June 26. Dinner plates are 2.50 each and the dance will cost 5.00 per couple.

By the year 2000, three of every five veterans in civilian life will be World War II veterans and the other two will be Korean Conflict veterans, the VA predicts.

Frank Cole is in a Dallas hospital where he will undergo surgery Friday of this week. Stub Allen, local ham radio operator, talked to the Cole's daughter, Babe, Tuesday of this week. He said they thought Frank would be hospitalized for about ten days.

The Benny Greens of Arkansas are here visiting Mrs. Green's parents, Mr. and Mrs. Web Hudson.

The father glumly finished examining his son's report card. "Well, one thing is definitely in your favor," he told the boy. "With these grades, you couldn't possibly be cheating."

A boy doesn't need his father for a pal nearly so much as he needs him for a father.

Of every ten veterans now living, eight will survive until 1980, four will be alive in the year 2000, and one will still be living in 2015, the Veterans Administration estimates.

The largest number of living veterans in the United States are World War II veterans. They number 15 million and average 45.5 years of age, according to the Veterans Administration.

To Methodist Conference

Mr. and Mrs. H. L. Hildebrand and Mr. and Mrs. Roy Foster left Wednesday for San Antonio to attend the annual Southwest Texas Methodist Conference as delegates from the local Methodist Church. Rev. and Mrs. Leo Ross, the pastor and his wife, went to the conference on Tuesday.

There will be no preaching at the Methodist Church this Sunday, as the pastor will not be back from conferences, it was announced.

Moncrief Completes Reopener

W. A. Moncrief, Fort Worth, recompleted as a Fusselman discovery his No. 1 R. Foster, depleted opener and lone producer in the WAM (Wolfcamp) field of Sterling County, 10 miles southwest of Sterling City.

It was finaled for 20.78 barrels of 56.4 gravity oil, with gas-oil ratio of 39,950-1. Production was through a 22-64-inch choke and perforations between 8,426-33 feet, which had been acidized with 2,000 gallons.

Original completion was May 13, 1964 for 224 barrels of 36.4 gravity oil with gas-oil ratio of 800-1, through a 32-64-inch choke and perforations between 5,064-68 feet.

A re-entry operation, it originally was drilled by Pan American Petroleum Corp. and abandoned Dec. 20, 1962, in barren Ellenburger at 8,711 feet.

Location is 2,622 feet from the west and 467 feet from the south lines of 17-13-SPRR.

LIONS CLUB

The Sterling City Lions Club met Wednesday noon in the community center. Guests present were Ed Aiken of Sweetwater, Skeete Foster and Lee Douthit. The prize went to Skeete.

Th club decided to appoint someone to be in charge of the schedules of playing at the ball park. He would make all decisions on the schedules.

President Wayne Loury said heavier wire service was needed in the community center. The old electric wires will not handle all the appliances. A floor committee was to see about floor improvements in the community center hall.

The club voted to have a barbecue and ball game to officially open the ball park when ready. It is planned to charge 1.50 for adults and 50c for ages 12 and under for the supper and ball game.

Tuesday, June 29, was set as a date for the installation of officers and ladies night. The program will be worked up later.

HOSPITAL NOTES

Patients in the Sterling County Hospital on Wednesday morning of this week included—

Mrs. Hattie Carroll
Mrs. L. M. McCarty
Mrs. Lilly Revell
Dismissals since Thursday morning of last week include:
Manuel Lujan
Mrs. Ella Ligon

Gift Tea Honors Barbara Clark

The home of Mrs. Earl Bailey was the scene for a gift tea honoring Miss Barbara Clark last Saturday afternoon from 3 to 5 o'clock.

Miss Clark has a June 19 wedding set here in the First Presbyterian Church. Her fiancé is Wayne Bart, serving in the U. S. Air Force.

Hostesses were Mrs. E. F. McEntire, Mrs. David Glass, Mrs. E. L. Bailey, Mrs. Dan Glass, Mrs. Nolan Fincher, Mrs. Hubert Williams, Mrs. Bill Brooks, Miss Ruth Reynolds, Miss Maggie Reynolds, Mrs. Worth Durham, Mrs. Bill V. Davis, and Mrs. Chesley McDonald.

Approximately 200 people took part in the gift shower.

Special Election Here June 26

A special election has been called by Gov. John Connally for June 26 over the 78th Legislative District to fill the place vacated by Ed Carpenter's death recently. The election will be held over the seven counties of the district, including Howard, Martin, Glasscock, Sterling Coke, Reagan and Irion.

Frank Hardesty, who for several years has been the Howard County Democratic Chairman is in the race, along with Roger Brown, a lawyer of Big Spring. Brown is in the law firm of Brown & Hamby. Hardesty owns the Hardesty Drug in the Crawford Hotel.

It has been reported that a Republican from Big Spring has entered the race, but we have not yet been notified by the Secretary of State for certain.

Woodmen Have Barbecue Thursday Night

The local W.O.W. Camp No. 763 held a barbecue and anniversary get-together Thursday night of last week in the Community Center. It was scheduled for the City Park, but rain drove the group to the Community Center.

Lorne Green of Bonanza farm had cut a recording of the W.O.W.'s 75th Anniversary and the speech was played. Gifts from the camp were presented to R. P. Brown, who joined the W.O.W. sixty-six years ago and to R. A. Garrett who joined in 1902.

Horace Donalson, Consul Commander of the Camp, presided. He said a substantial donation had been made to the Little League Park here.

Donalson introduced the other officers of the camp, being Jim Butler, C. C. Ainsworth, Roy Martin, Bill Gartrell, Tom Onstott, T. J. Finnegan, D. D. Garrett, Leroy Butler and Hal Knight.

Fifty-five persons attended the barbecue.

Freshman Class Favorite at ACC

Lois Ethel Price of Sterling City has been elected a freshman class favorite at Abilene Christian College.

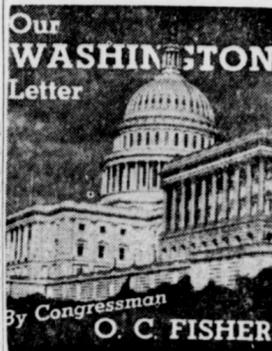

Miss Price, 1964 graduate of Sterling City High School, is the daughter of Mr. and Mrs. Foster S. Price, Sterling City. Class favorites were announced at the recent presentation of the ACC yearbook, the Prickly Pear.

AROUND THE COUNTY by

ARTHUR BARLEMANN, JR. COUNTY AGENT

The U.S. Senate reared up on its hind legs last week and walloped the U. S. Constitution in a manner befitting the heave-ho of a wrecking crew. By a vote of 77-to-19 the august Senators proudly okayed a voter-registration bill that would curl your hair. Even three southerners — two from Tennessee and one from Texas — joined the ax-wielding crew.

In the melee Texas was all but singled out for a gratuitous insult. While failing in an effort to outlaw the poll tax in Texas and 3 other states, the Senators reversed themselves by declaring that the poll tax infringes on the right to vote, and proceeded to instruct the Attorney General to "forthwith" file suit against the poll tax.

Texans are likely to resent this treatment. The poll tax is not used in Texas to prevent Negroes from voting. That is not its purpose, and all Texans know that to be true — whether they are for or against the poll tax.

Besides the U. S. Constitution gives Texas — not the Congress — the right to make that determination. But the present Supreme Court frequently ignores the Constitution. The sponsors of this intrusion evidently have little confidence in the capacity of Texans to govern themselves.

The bill permits federal intrusion in those states where fewer than 25% of voting-age adults of any one race or color are registered or if fewer than 50% of all voting-age adults are registered and at least 20% of the voting-age population is nonwhite.

It also suspends literacy and good character tests, which discredits the whole concept of voting in a free society. Now, under an amendment offered by Bobby Kennedy and adopted by the Senate, several hundred thousand Puerto Ricans in New York, who cannot read or write English, will for the first time be enabled to vote. And, of course, Bobby figures he will get most of them.

All of this was done despite the fact that we already have ample laws to protect every citizen regardless of race, in his voting privilege. No one seriously denies that to be true.

But during debate on the issue it became quite apparent that the Senators' who supported the bill were more interested in corralling the Negro vote for themselves than in protecting the Negro in his voting privilege.

With liberals in control of the house — as in the Senate — it must be assumed that the House will support the Senate's assault on the Constitution — with a few, if any, changes in the Senate version.

RECEIVES BACHELOR OF ARTS DEGREE

Elizabeth Lynn Cole of Sterling City received a Bachelor of Arts Degree in sociology at spring commencement exercises at Texas Christian University on June 2.

Two club members attended the district 4-H camp at Lake Brownwood last week. Jeanie McDonald and James Morgan were in attendance along with Mrs. Chesley McDonald.

The club members were from twenty-two counties in District Seven. A total of 130 club members were present along with adult leaders and extension agents. A total of 177 persons registered for the camp.

Those in attendance were treated to a smoked lamb dinner on Wednesday night. The lamb was served in cooperation with the Lamb Promotion Committee of the Texas Sheep and Goat Raisers' Association and the American Sheep Producers Council. The lamb was delicious. A number commented that they had never eaten any smoked lamb but that they thoroughly enjoyed it. The group ate the entire preparation, enough for fifty more persons than were present.

Between seventy-five and eighty dogs received the rabies shots on Monday evening of this week. A number of cats were also brought in for the shots. Dr. Percy R. Turner of Water Valley gave the pets the shots.

The number of animals brought in was up this year. Usually about sixty to sixty-five animals are brought in for the shots.

The Sterling County 4-H Club senior range judging team placed third in the State Range Judging contest in San Angelo on May 29. This is one of the two contests held off the campus of Texas A&M for 4-H club members. The other contest is the wool and mohair judging contest which is also held in San Angelo.

Senior range team members were David Foster, James Morgan, and Larry Stewart. They scored 748 points out of a possible 900 for their third place. Glasscock county was second with 753 points and Sutton county was first with 782 points.

In addition to winning bronze medals for third place, David also won another bronze medal as third high point individual in the contest. His score was 256. James Morgan scored 255 points while Larry scored 237 points.

The junior range team was made up of Charlotte Foster, Frank Price, and Skeete Foster. While they did not place in the top three teams in the contest, they did do a good job. There has not been much time to train them with the end of school and other activities but the three juniors did a remarkably good job. They are to be commended for their showing at the contest.

Mrs. Ross Foster accompanied the group to San Angelo on Saturday. The mothers and fathers who have supported the club members and helped in transportation are certainly appreciated. It would not be possible to do the job without their help. That applies to all who have helped in the various contests, camp, and shows this past year.

Mr. and Mrs. Walter Davis of Oklahoma City visited the Jim Dukes here last weekend. On Sunday morning they all went to Ballinger to hear the Rev. Billy Crews preach.

Mrs. Chesley McDonald and Mrs. Alvie Cole are in Austin this week attending the State P.T.A. Convention.

Mrs. McDonald is a state vice-president of the organization and Mrs. Cole is president of this district.

NOTICE OF BOARD OF EQUALIZATION

In compliance of an Order of the BOARD OF EQUALIZATION regularly convened and sitting, notice is hereby given that said Board of Equalization will be in session at its regular meeting place in the Courthouse in the town of Sterling City, Sterling County, State of Texas, at 9:00 o'clock A. Civil Service Announcements

The U. S. Civil Service Commission has announced a new examination to fill the position of Service Representative in the Social Security Administration's District Offices throughout the country. Service Representatives furnish information to the general public concerning the benefits payable under the Social Security Act. These positions are at the grade GS-4 level paying \$4,480 a year. It is necessary to pass a written test and to have either two years of appropriate work experience or 2 years of study about the high school level.

The final date for applying is June 30, 1964 but those who file by May 25 will be tested on the first test date which is June 19. Applicants should consult Announcement No. PH-138-3(65) for detailed information and instructions. Applications should be sent to the Board of U. S. Civil Service Examiners, Social Security Administration, Baltimore, Maryland.

Another new examination for Agricultural Commodity Grader (Meat) has also been announced. These jobs, paying \$5,00 a year, provide for training on the job in various phases of the livestock and meat programs. Related experience and/or appropriate education are required. Applications must be filed before June 15, 1965 with Central Board of U. S. Civil Service Examiners, Consumer and Marketing Service Unit, U. S. Department of Agriculture, Washington, D. C. 20250.

Announcements and appropriate application forms may be obtained from many post offices located throughout the country or from the Boards of Examiners above.

Donations Needed for Scoreboard For Football

A good football scoreboard with all information showing is being bought for the Eagle football field. The Mothers Club is behind it and have already got \$895.52 toward the facility. They need nearly \$300 more.

The group had \$662.93 and the eighth grade made \$232.59 selling magazines and that is the total on hand—\$895.52.

The total cost will run to at least \$1150 and the club is asking that individuals or businesses give to make up the total. They want the board up before next football season, said Mrs. J. Q. Foster.

The board will show in electric light figures the different scores, the quarters, the minutes left in each quarter, etc.

If you would like to donate toward the scoreboard, leave your donation at the bank—made out to the Scoreboard Fund or give your check to Mrs. Neal J. Reed, treasurer of the Mothers Club.

Right To Work Law Discussed

William T. Green, of Fort Worth, President of the Texas Manufacturers Association, on hearing of the President's new labor message, said, "This is the greatest disservice any responsible governmental official could do to the workingmen of this nation and to the businesses that provide them with employment.

"Right to work laws were never aimed at destroying Unions in this country. Rather they were brought into being to maintain a healthy balance between labor and management. This they have done.

"Actually, the issue boils down to one point—compulsory unionism as opposed to voluntary unionism. Union leaders feel they cannot gain the power they so avidly seek without compulsory unionism, therefore they want Section 14b of the Taft-Hartley Law repealed.

"There has been a general shift in governmental power and control over the past 20 years from the local and state scenes to Washington, D. C. With it has come some surrender of personal freedoms. There also has been a corresponding shift in power and control from labor union members to their leaders. With this shift, freedom of action by union members is moving in the direction of forced compliance with the decisions and policies being made by a few union leaders—frequently contrary to the overall wishes of their membership.

"A concerted effort must be made by all Americans who are truly interested in the future of the United States to thwart this power-grab attempt on the part of union leaders that now has the sanction of no less than the President of the United States."

What in the WORLD! by TED

The Dreaded "Pox"

There is an ever-present danger that smallpox—which kills 25,000 victims a year world-wide—could be brought into this country by an international traveler, the World Health Organization (WHO) warns.

Although the disease has been eliminated from the U.S., the United Nations agency says, "it can spread like wildfire" from a single infected visitor arriving from Africa, Asia or Latin America, where smallpox still takes a heavy toll.

To help root out the disease, WHO has taken "Smallpox: Constant Alert" as its theme for this year's World Health Day, observed every April 7.

For further information on the U. N., write to: United Nations Association of the U. S. A., 345 E. 46th St., New York, N. Y. 10017.

Seven years after WHO launched its worldwide smallpox eradication project, cases have been cut from nearly 500,000 to 100,000 annually. The three-step program, aided by the U.N. Children's Fund (UNICEF), consists of data collection, vaccination and a global alert for suspected outbreaks.

Practical obstacles include a shortage of funds, lack of trained personnel and inadequate facilities for vaccine production and storage. But medically, there is no reason why smallpox cannot be wiped off the planet by 100 percent vaccination of its inhabitants.

Keep Cool Electrically with a Paramount Cooler!

The Young Married Set enjoys fine weather all summer with their Paramount Evaporative Cooler.

Exclusive with a Paramount are the "No-Clog, Sta Fresh" filters, made of rich redwood combined with clean, white aspen. "Sta Fresh" filters have a dual mesh construction. The outside coarse mesh prevents clogging and plugging yet provides a minimum of air resistance and a maximum of clean, cool, fresh air. The fine inner mesh offers complete protection from insects and keeps fibers from protruding into the cooler.

Social Security Tips

Will your social security monthly retirement check be \$100 or \$120? If your wife claims her payments when she's 62, will they increase when she reaches 65? These are some of the questions you might like to have answered before you retire. Floyd B. Ellington, District Manager of the office in San Angelo said it's a good idea to visit their office about three months before that date. There is an advantage of your applying well ahead of time. Most applications go through without any trouble, but every once in a while someone has trouble proving his age or providing some other form of needed evidence. When that happens everything grinds to a stop until a satisfactory age or birth record or other proof is supplied. If you wait until you retire to make your claim, and you don't have the records you need, your first check may be delayed. If you don't need your social security right away, it won't matter, but most folks count on that first check as part of their post-retirement budget.

When you visit the social security office three months before retirement, there are some records you'll need to take. The best way to find out what you should take is to phone ahead. In addition to a record of your age, you may need to taken your last withholding tax statement. If your wife is 62 and wants to apply for benefits also, she'll need a record of her age. If you call the social security office before you pay the pre-retirement visit, they can tell you exactly what you'll need. If there's some record you don't have, they can usually help you get it.

Our Most Popular

The exquisite Siamese has become America's favorite of all purebred cats. It's no wonder. Agile, gay and friendly, the Siamese are the "talkers" of the cat world. They are distinctive in appearance with slanted, vivid, blue eyes and a velvety mask across the face. Their legs and tail are the same color as their masks. This coloration is called "points." The Siamese with fawn-colored bodies and chocolate-brown masks, legs and tail are known as "seal points." Those with grayish-white bodies, blue masks, legs and tail are called "blue points." The Siamese is small and lithe, with long legs, well-tapered tail and a firm body. Their short fur lies sleek and flat. In addition to his gay personality, experts at the Purina Pet Care Center tell us that the Siamese possesses another quality which keeps him constantly popular, especially with city dwellers. He can be trained to walk on a leash.

Civil Service

The U. S. Civil Service Commission today announced a new examination for filling research and non-research positions in all branches of engineering in the Washington, D. C. area. In addition, positions in certain branches of engineering will be filled throughout the United States. The salaries for these positions range from \$5,650 to \$15,665.

This new examination incorporates revised qualifications standards and replaces previous examinations. Persons who have not yet been appointed from earlier examinations must pass this new one if they are still interested in being considered for these positions.

To qualify for non-research positions, applicants must have an engineering degree or an equivalent combination of appropriate college work and professional experience. For positions involving highly technical research, development, or similar functions a bachelor's degree in engineering is a requirement. Additional professional experience and/or education are required for the higher grade levels.

Full details concerning the requirements to be met as well as instructions on how to apply are given in Announcement No. 332-B.

Announcements and appropriate application forms may be obtained from many post offices throughout the country or from the U. S. Civil Service Commission, Washington, D. C. 20415.

For Social Security Maids and Cooks Must Have Social Security Paid

Wages paid a household worker—whether employed as a maid, cook, laundress, cleaning woman, baby sitter or similar job—are covered for social security purposes if the employee is paid \$50 or more in cash in a calendar quarter.

A calendar quarter is a 3-month period beginning with January, April, July or October. Room and board are not counted, but carfare is, if paid in cash.

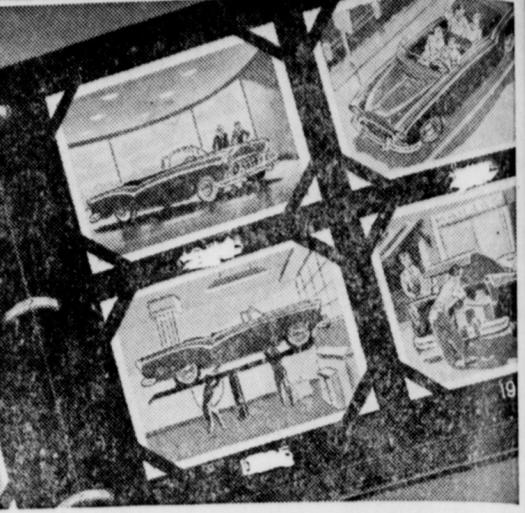

If you have a domestic employment, you are required to report these wages to the Internal Revenue Service and pay the social security taxes. A report for the quarter just past is due not later than April 30. Failure to file timely tax returns may result in additional penalty and interest charges.

But most important, you might be depriving your household worker of her social security protection and benefits for herself and possibly her family—benefits to which she is legally entitled.

Additional information concerning this subject can be obtained from your local social security office. Ask for leaflet OASI-21.

Your San Angelo social security office is located at 3000 West Harris. The telephone number is 949-4608.

The little girl was telling her teacher about her baby teeth coming out. "Pretty soon," said the tyke, "I'll be running on the rims."
