

# STERLING CITY NEWS-RECORD

VOL. 73 "Since 1890" PUBLISHED EVERY FRIDAY AT STERLING CITY, TEXAS SEPTEMBER 24, 1965 No. 38

AROUND THE COUNTY by

ARTHUR BARLEMANN, JR. COUNTY AGENT

The new bulletin on poisonous plants should be of interest to livestock producers in all parts of the state. Entitled TEXAS PLANTS POISONOUS TO LIVESTOCK, the bulletin lists eighty range plants that are poisonous to livestock at some stage of their growth.

The symptoms of poisoning, the treatment recommended, the areas in the state where the plant is found, and a picture of each plant is given in the publication. This bulletin is the most complete record of such plants in Texas at this time. In addition to the poisonous plants, there is a short section devoted to special problems such as ergot, prussic acid poisoning, nitrate poisoning, photosensitization, and wheat pasture poisoning or grass staggers.

The publication is made possible by Texas A&M, the Agricultural Experiment Station, and the Agricultural Extension Service. Two of the four authors of the publication are well-known in Sterling County: Garlyn O. Hoffman, range specialist with the Extension Service, and Dr. O. E. Sperry of the Experiment Station Staff; both have done considerable work in this county. Dr. Sperry specializes in poisonous plants and has had several tests in this county on the subject. One research project, on perennial broomweed or turpentine weed is still being carried out on the Dayton Barrett ranch.

Anyone desiring a copy of this bulletin may have one by coming by the county agent's office and picking it up. Or, if you prefer, call and you'll be sent one.

The week of September 25-October 2 has been declared National 4-H Club Week by President Johnson. In his proclamation and greeting, President Johnson said, "Your aims are directly in line with our Nation's goals to achieve fuller and better living for all. You will surely benefit, as will others, from your efforts to explore career opportunities and seek needed education, to practice healthful living, to use constructively your leisure time, and to strengthen your personal standards and citizenship ideals."

There are 87,000 4-H Club members in Texas; 2,250,000 in the fifty states and Puerto Rico. Sterling County's club membership is thirty-seven boys and girls. Projects conducted by the club members in the county include lambs, registered sheep, beef cattle, range management, horses and dog care. Seventeen club members took part in the various district and state judo and demonstration contests. They placed first in two district contests, second in one and third in another. In the state contests, they placed third, fourth and sixth in the senior divisions.

Six 4-H Club members have twelve lambs entered in the market lamb show at the State Fair of Texas in October. Club members with entries are: Charlotte Foster, Rosanne Foster Skeete Foster, Janis Igo and Lee Wayne Igo. Each has two lambs entered. Judging in the lamb show will take place on Wednesday, October 20.

Two samples of worms recently sent to Mission to the Screwworm Laboratory from our county were identified as not screwworms. The samples were sent in by William Foster and Bill J. Cole. This brings the total number of samples sent in from the county this year to twenty-eight.

## James Morgan Merit Scholar Semifinalist

James Morgan, local senior student, and son of Mr. and Mrs. Roy Morgan, has been named as a National Merit Scholar semifinalist. He was one of 31 West Texas students to make finalist, from Abilene to Odessa.

The scholarship corporation is a non-profit organization created to aid students of exceptional ability and the colleges which they choose to attend.

The students have been selected on the basis of their performance on the National Merit Scholarship Qualifying Test. About 14,000 semifinalists were selected from the 50 states, the District of Columbia, Puerto Rico and overseas schools enrolling U.S. citizens.

Finalist are chosen after they have been endorsed by their schools, submitted a semifinalists information form and taken a second test.

The Merit Scholars are selected from the finalists group. Scholarships range from \$100 to \$1,500 per year for a four year period.

Names of the Merit Scholars chosen from the finalists will be announced in April, 1966. Over 2,000 scholarships were awarded in 1965.

## SOCIAL SECURITY

"You don't have to retire completely to get social security benefits," Floyd B. Ellington, social security district manager in San Angelo said today.

"If you earn \$1200 or less in a year, you are considered to be completely retired and would be entitled to all your benefits," he added.

If you earn over \$1200 in a year, you may be considered partly retired and entitled to part of your social security benefits. For example, a worker would have only one dollar in benefits withheld for every two dollars earned between \$1200 and \$1700. For earnings over \$1700 annually, one dollar in benefits is withheld for each dollar of earnings.

Ellington emphasized the fact that, no matter how much you earn in a year, you can be paid your social security benefits for any month in which you neither earn over \$100 as an employee, nor render substantial services as a self-employed person.

Avoid any misunderstanding you may have about the social security retirement test, especially if you are over 65 earning anywhere between \$1201 and \$3600. Get all the facts from your social security office at 3000 West Harris, San Angelo, Texas.

Fifteen were identified as screwworms in a fifteen day period in June when things were hot as far as the screwworms were concerned in the county. Thirteen of the samples were not screwworms extending back into the early spring.

Eradication officials are hoping that an outbreak will not occur this fall. Conditions though are favorable for the worms this fall; continued checking by all livestock producers can aid in holding down the outbreak however. All precautions should be taken in handling livestock and a watch maintained for all cases of worms. Samples should be sent in as they occur. Sterile fly production is being maintained as a high level to combat any outbreaks that occur. Some watersheds in suspected hotspot areas are already receiving drops of sterile flies to try to hold down an outbreak; I do not know if any drops are being made in this area at this time however.

## One Killed in Wreck West of Town

Pedro Gomez, 23, of San was killed about 6:30 p.m. last Saturday and three other persons were injured when their car skidded on rain-slick Highway 87 about 14 miles northwest of here and overturned. Gomez was pronounced dead at the scene.

Injured in the mishap were Olga Hines, Paul Joe Reyes, and Felicia Rosales, all of San Antonio. Miss Hines was kept in the local hospital with a skull fracture. Reyes was taken to a San Angelo hospital with multiple cuts, bruises and a head injury. The car overturned several times after leaving the roadway.

## Forrest Smith, Deputy at Colorado City Former Resident Hurt in Gun Fray

Forrest Smith, deputy sheriff at Colorado City, was critically wounded in a gun battle there Tuesday morning—with a gunshot wound in his head and another in his back and chest. The bullets have been removed and Forrest was taken to an Abilene hospital for care. It was reported that he may lose the sight of one eye due to the head wound.

Smith and a Snyder deputy, Jesse Minton, were hunting a fugitive, Carlos Perez, in a corn field. Perez shot Smith in two places, shot and killed the Snyder deputy, and in the last exchange of shots, Perez was killed with a shotgun blast from Minton.

Forrest, 47-years-old, had moved to Colorado City last year to take the Mitchell County deputy's job. Mrs. Smith and Wayne waited until school was out in May before joining him there. Son Wayne is a student in Angelo State College. A deputy sheriff from San Angelo took him to Colorado City when news of the shooting reached San Angelo.

The dead Perez was being hunted for the shooting-killing of another Mexican the day before.

## Good Rains in Part of County

Good rains have fallen over the county in favored spots in the past week. Last Saturday afternoon an inch fell here in town and more than three inches fell just west of town and on the divide in favored areas.

Electrical disturbance disrupted power here in town for nearly an hour last Saturday afternoon during the rain. Light rains fell again this week adding from one-half inch or more to the totals.

## LIONS CLUB

The Lions Club met Wednesday noon in the community center for the regular weekly luncheon.

It was reported that \$99.05 was made at the game night (bingo) on Thursday of last week. The club voted to pay \$100 on the new air conditioner that was recently put in the center.

President Stan Horwood appointed Kirk Hopkins and Hubert Travis as a committee to look up a new club sweetheart and pianist. They will report back next week.

Horwood also appointed the following committees: Program, projects, membership, finance, community betterment, health and welfare and Crippled Children's Camp.

Visitors last week in Mrs. C. L. Coulson's home were her daughter, Mrs. Ira Lee Watkins of Midland, and two of her granddaughters, Mrs. Karla Brown of San Angelo and Mrs. Sam Mercurio and infant daughter, Angela, both of Houston.

## Noratadata Club Has Picnic in Park

Members of the Noratadata Club held the opening meeting of the club year in the City Park Thursday night of last week. Their husbands were entertained with a chicken barbecue supper.

Hosts were Mr. and Mrs. Hubert Williams and Mr. and Mrs. Ross Foster.

On the menu was barbecued chicken, beans, potato salad, relish, cake, tea and coffee. Present were Mrs. Martin C. Reed, Mrs. Nan Davis, Mrs. J. I. Cope, Mr. and Mrs. Dayton Barrett, Mr. and Mrs. W. R. Brooks, M. and Mrs. Leroy Butler, Mr. and Mrs. Bill R. Bynum, Mr. and Mrs. Worth Durham, Mr. and Mrs. Robert Foster, Mr. and Mrs. Winn McClure, Mr. and Mrs. Chesley McDonald, Mr. and Mrs. F. S. Price, Mr. and Mrs. I. W. Terry and Mr. and Mrs. F. F. Westbrook.

BOYS BICYCLE for sale \$35, cost \$72 new, in good condition. Ph. 8-4541, Billy or John I. Blair

Rolls  
Icebox Cookies

FRIDAY, OCTOBER 1  
Salmon Croquettes  
Pork and Beans  
Spinach with Crisp Bacon and Eggs  
Tomato and Cottage Cheese Salad  
Rolls  
Pineapple Pudding

## Behind the 8-Ball

Mike Foster, Eagle backfield man, accounted for ten points in the game with Flower Grove last Friday night. He is showing up as a ball carrier and also showing up well on defense. A senior student, Mike is the son of the J.Q. Fosters.

8-BALL  
Ernest Longoria, Eagle football end, has a broken finger, and will not see play for five more weeks. Ernest will be missed.

8-BALL  
Andy Gaston, Sterling end, is little but fast and rough. He particularly shines on defense.

8-BALL  
With fourteen wins behind them, the Eagles should not have too much trouble with Klondike tonight. Although it is not a conference game, the locals would like to keep up their "winning ways."

8-BALL  
The new scoreboard on the local field adds a lot to the spectators at a game. Chesley McDonald operated the board last Friday and will probably run it each home game.

## CARD OF THANKS

I want to thank all my good friends for the cards, visits and flowers while I was in the hospital. All were appreciated. I will be back in the Beauty Shop on Wednesday, September 29—and ready for business. Mrs. D. D. (Betty) Garrett

The Nick Reeds and the Lee Reeds recently returned home from a trip that took them to Ruidoso, El Paso and the Big Bend.

The STERLING VOLUNTEER FIRE DEPARTMENT WANTS Sterling Volunteer Fire Department Wishes the Public to Know:  
1 Long Siren Blast—FIRE  
2 Short Blast—Meeting Night (every second and fourth Monday)  
Continuous Blasts—TORNADO!

## To Klondike Tonight at 8

The Sterling City Eagles moved along with their 14th straight win (12 from last year) to trim the Flower Grove Dragons here last Friday night. Part of the game was played in the rain—not as much rain as was in Gail the week before—but it did clear out the stand a time or two.

The Eagles chalked up 9 first downs to 8 for the Dragons. Coach Dillard used his reserves primarily in the second half of the game—and all of the fourth quarter.

In the first quarter, Mike Foster, Eagle back, an over on a short un for the first counter of the game and then he pushed over for the two extra points. In the second quarter Wayland Foster dashed 25 yards in a broken field run for the second Eagle T.D. Mike ploughed through for the two extra points. At the kick following the touchdown, Drag-on John Howard took the kick all the way back for the only Dragon touchdown of the evening—and the half saw the score 16 to 6.

In the third quarter, Wayland caught a Dragon fumble in mid-air and scooted forty-five yards for the third Eagle touchdown. The try for extra point was no good. Soon thereafter quarterback Dusty Dillard passed to Eagle Collin Douthit for the fourth Eagle counter. Dillard pushed over for the two extra points.

Neither team scored in the fourth and the score remained 30 to 6 at the close.

## To Klondike Tonight

Coach J. R. Dillard's boys go to Klondike tonight for a non-conference game at 8 o'clock. Last year the locals beat the Klondike team 38 to 8 on the local field.

Coach Dillard said the Eagles would be very well matched with the Klondike boys tonight. He said they had sixteen returning juniors and seniors on their squad, and also had on their squad the state champion mile relay team which gives them speed.

## B TEAM SCHEDULE

The high school B team has three games set up in a schedule, with possibly more to follow, said Dillard. They beat the Sands B team here about 40 to 0 on September 11. The known schedule is as follows:  
Oct. 2—Sands There at 2:30  
Oct. 16—Wall here at 2:00  
Oct. 23—Wall There at 2:00

## Junior High Schedule

The junior high Eagles 1965 schedule is as follows:  
Sept. 23—Fosan here 4:30  
Sept. 30—Garden City there  
Oct. 7—Silver there 7:00  
Oct. 14—Forsan there 4:30  
Oct. 20—Garden City here at 3:30  
Nov. 4—Silver here at 7:00  
There will be a concession stand at all junior high games it was said.

## HOSPITAL NOTES

Patients in the Sterling County Hospital on Thursday morning of this week included—

Mrs. W. B. Atkinson  
Mrs. L. M. McCarty  
Mrs. Ella Ligon  
Mrs. John Reed  
Olga High  
Dismissals since Thursday morning of last week include:  
Mrs. D. D. Garrett  
Mrs. C. R. Walls and infant daughter  
Felicia Rozales  
Mrs. C. R. Walls

Mr. and Mrs. John Boyd have returned home following a visit here with the Nick Reeds and other relatives.

HOUSE FOR SALE—To be moved, 3 rooms, bath, cheap. Marshall Blair. 8-4572.

## IT'S A FACT!..... by THOMPSON

IMPREVU, THE FRENCH WORD MEANING "UNFORESEEN" HAS HAD SOME FASCINATING ASSOCIATIONS.

"IMPREVU" HELPED THE FRENCH RULER CHARLES MARTEL DEFEAT THE MOORS IN 732 A. D. AT THE BATTLE OF TOURS, WHEN AN UNFORESEEN CHANGE IN THE WEATHER ENABLED A CHARGE BY A FEW MEN TO UNEXPECTEDLY WIN THE DAY!

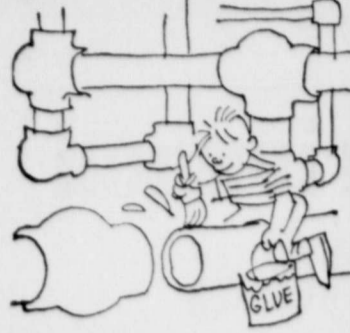

A DABBLER IN "IMPREVU" WAS NOSTRADAMUS, 16TH CENTURY FRENCH ASTROLOGER WHO PUBLISHED A BOOK OF PREDICTIONS WHICH PROVED AMAZINGLY TRUE!

Will "IMPREVU" CHANGE YOUR LIFE BY SURPRISING YOU WITH A THRILLING ADVENTURE?

## SCIENCE SKETCHES

**ASSEMBLING** industrial piping usually means hours of tedious welding or threading. Epoxy-bonded piping, "glue joints," changes all that, reports Tube Turns, Louisville, which has developed a line of adhesive-bonded stainless steel fittings. The system is ready for use after 24 hours.

**LIGHT BULBS** of the future will be tough, say Georgia Tech scientists who have developed a protective coating that makes bulbs shatter-proof. Even if dropped, the coating will hold the pieces in place.

**BORED** with people who show their color slides when you visit? You haven't seen anything yet! A system recently developed transmits "home movies" from a phonograph record to a TV screen. Audio and video signals are present in the grooves of the record which can be played on a conventional turntable connected to the TV set.

### NEW CIVIL SERVICE

The U. S. Civil Service Commission has announced two new examinations this week, for Technician and Social Worker.

The Engineering and Scientific Technician examination covers a wide range of positions principally in the Washington, D. C. area. These technicians act as non-professional assistants to engineers, mathematicians, and other scientists such as chemists, physicists, astronomers, geologists, metallurgists, electronic scientists, and the like. The salary ranges from \$4,480 to \$10,250 a year. Varying amounts of non-professional technician experience are required, increasing with the grade of position. Study in college or technical institutes can be substituted for some experience.

The new Social Worker examination covers professional social worker positions and related positions known as Social Work Associate and Social Service Representative for work in Washington, D. C. and throughout the country. Salaries range from \$6,050 to \$16,460 for Social Worker and \$6,630 to \$10,250 for the other positions. Professional Social Workers are required to have completed graduate study in Social Work with professional experience in addition for the higher grades. The Associate and Representative positions require experience in welfare activities although appropriate education may be substituted for some of the needed required experience.

Neither examination requires a written test. See Announcement 364-B (Technician) and 365-B (Social Worker) for detailed information and instructions about the proper place to apply for the position titles shown.

Announcements and appropriate application forms may be obtained from most post offices located throughout the country or from the U. S. Civil Service Commission, Washington, D. C. 20415.

FOR SALE—Sweet potatoes  
Orb Fincher at Water Valley.

### REWARD NOTICE

A reward of \$500.00 will be paid by the Texas Sheep and Goat Raisers Association to any person (other than law enforcement officers) giving information causing the arrest and final conviction of any person or persons found butchering or stealing any sheep or lambs or goats belonging to any Association member in good standing. When two or more persons give information, the above sum will be divided at the discretion of the Board of the Association. When two or more defendants are involved in a single crime, the total reward is limited to \$500.00, but the conviction of one defendant, even though the other defendants are acquitted, will entitle the claimant or claimants to said sum of \$500.00. All claims must be submitted within ninety (90) days following conviction. If, upon conviction, a defendant confesses other thefts, no additional reward will be paid. All decisions concerning the payment of such reward and the conditions of payment will be made by the Board of Directors of the Association.

## PATTERNS FOR PROGRESS IN COMMUNITY DEVELOPMENT

## Industrial development . . . successful achievement

PLANT LOCATION ASSISTANCE

NATIONWIDE NETWORK

WTU area development representatives are available to assist growth-conscious communities in planning economic development programs

Not long ago WTU published an ad about the \$1,300,000 improvement program in the West Texas community of Stamford. As we stated then, it was done for the purpose of "improving the chances of continued economic growth and attraction of new industry." And . . . industry responded! Today a well-known maker of women's and girls' apparel and sportswear is thriving in Stamford, with an annual payroll approaching \$300,000. Selling its products all over the Nation, Stamford's new industry has almost tripled its employment in 18 months. In actual fact, here is a PATTERN FOR PROGRESS . . . a picture of successful achievement. Growth-conscious towns are invited to contact their local WTU manager for assistance from our area development representatives.

 many youngsters" is the way  
 Floyd B. Ellington, District  
 Manager of the San Angelo  
 Social Security District Office,  
 described one of the changes  
 which was made in the Social  
 Security Law last month. He  
 explained that children be-  
 tween the ages of 18 and 22  
 can continue to receive their  
 monthly social security checks  
 if they attend a public or ac-  
 credited school as full-time  
 students. Children of deceased,  
 retired, and disabled workers  
 are included.

Under the old law, checks  
 for children stopped at age 18  
 even if they continued to go  
 to school. Mr. Ellington stated  
 that, "If there are any of these  
 young people under age 22 who  
 are going to school now or in  
 September, they or their par-  
 ents should get in touch with  
 their social security office right  
 away; and since this provision  
 provides for payments back to  
 January 1965, some benefits  
 may be payable to former  
 child beneficiaries who went  
 on to school and who reached  
 age 22 earlier this year."

"These youngsters are eligible  
 for these payments and we are  
 anxious to get their checks to  
 them as quickly as possible,"  
 Mr. Ellington stated. He added  
 that anyone with any question  
 about this change should get  
 in touch with their San Angelo  
 Social Security Office immedi-  
 ately. The office is located at  
 3000 W. Harris and the phone  
 number is 949-4608, or see  
 your representative when he  
 is in your community.

**NEW EXAMINATION  
 ANNOUNCED BY THE CIVIL  
 SERVICE COMMISSION**

A new examination for Com-  
 munications Specialist has just  
 been announced by the Civil  
 Service Commission. These  
 jobs, located in the Department  
 of Defense and other Federal  
 agencies in the Washington  
 area, require experience in one  
 or more fields of communica-  
 tions, such as telephone, tele-  
 typewriter, data transmission  
 or other media of communica-  
 tions. Salaries range from \$7-  
 220 to \$10,250 a year. Other  
 specific details are in An-  
 nouncement No. 532-B. File  
 applications with the Board of  
 U. S. Civil Service Examiners,  
 Department of the Army, The  
 Pentagon, Washington, D. C.  
 20310.

Also announced today was  
 a new examination for work  
 in Washington as a Photo-  
 grapher in such branches as  
 aerial, laboratory, medical,  
 motion picture, scientific, still,  
 television, and underwater.  
 The jobs pay from \$4,480 to  
 \$7,220 a year and require ap-  
 propriate experience. The re-  
 quirements are in Announce-  
 ment No. 363-B. File applica-  
 tions with the Board of U. S.  
 Civil Service Examiners, Wash-  
 ington Navy Yard, Washing-  
 on, D. C. 20390

These two new examinations  
 require no written test and  
 applications for them will be  
 accepted until further notice.

**DID YOU KNOW THAT:**

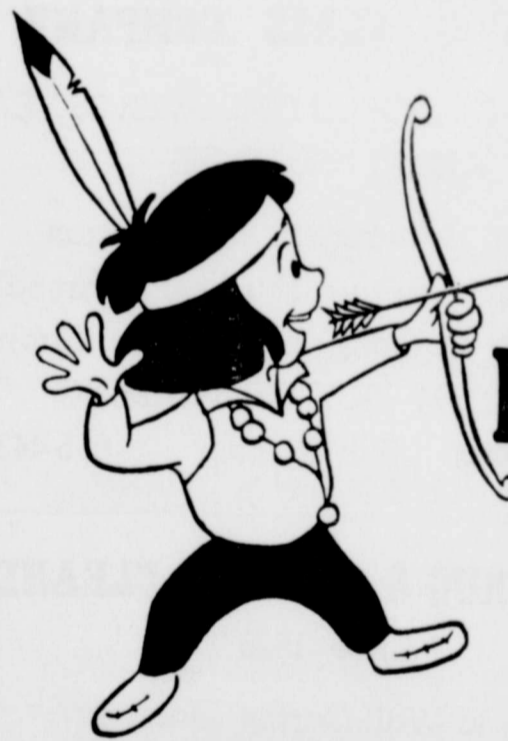

The first capitol building at Austin was partially built from logs and sawn lumber obtained at Burtrop, in the heart of the Lost Pine area, according to the Texas Forest Service. Today, wood production from the pine-hardwood area furnishes much of the economic life blood of the state.

ALL-AMERICA DONNY ANDERSON and his Red Raider teammates face one of Texas Tech's toughest schedules this fall. Seven of the foes will be met in the Raiders' Jones Stadium.
