LIONS CLUB

The Lions Club members met at noon Wednesday in the community center for the regular weekly luncheon. Bill McRee, Boy Scout executive, from Big Spring, told the club members of the coming drive for funds for the Boy Scouts. President Stan Horwood reminded the members that October was new member month and time was getting short. McRee said all money given in the Scout Drive was kept and used in this area. He said that a kickoff get-together or breakfast on the morning of the 26th would signal the opening of the local drive. The prize went to Seth M. Bailey.

Young Winners at State Fair

Sterling County 4-H Club members took 12 lambs to the State Fair for showing in the fat lamb show, and placed 8 out of the 12. So Arthur Barlemann, county agent, reported Thursday of this week. Janis Igo placed 38th in the finewool lambs and 28th in the Suffolk. Lee Wayne Igo had a 40th place lamb in the finewool and a 19th in Suffolk. Charlotte Foster placed 30th in finewool and 58th in Suffolk. Rosanne Foster had 38th place lamb in finewool. Steven Foster's lamb placed 53rd in the finewool class. All of these lambs will make the sale. The FFA boys placed five lambs in the finewool class—Dusty Dillard placed 7th, Phil Cole 18th and 21st, Corwin Collins 36th and Randy Mixon 48th. In the Columbia cross breed class fat lambs Johnny Copeland placed 5th and Mike Foster 46th. In the Suffolk cross class Corwin Collins' lamb placed 25th, Wayland Foster 31st, David Foster 38th, Larry Wilson 48th, Jimmy Cole 49th and David Foster 56th. All these lambs will make the sale.

Amid adjournment jitters the House last week rebelled—temporarily, at least—against one of the Great Society's pet projects. Last June 30, by a six-vote margin, the House had okayed a rent subsidy program, under which Uncle Sam is to pay that part of the rent which exceeds 25 percent of the tenant's monthly rent bills. Tenants living in "substandard" houses or who are forced to move because of governmental action, would qualify for the subsidy. This novel plan was sold to Congress, after much arm-twisting, as a means of moving more low-income people into normally middle-income neighborhoods—a form of "integration by scattering." In pursuance of this scheme, the Federal Housing Administrator on September 28 issued regulations to put the rent supplement program into effect, including this proviso: "Important criteria with regard to approval of a rent supplement project will include full consideration of its contribution to assisting in integrating income groups and furthering the legal requirements and objectives of equal opportunity in housing." The same regulations (which Congress had on June 30 authorized to be issued) provided that a family receiving rent subsidies may have net assets up to three times the annual rental limit (as much as \$25,000 in some areas) and still have his rent subsidized by Uncle Sam. The administrator requested \$30 million to start the subsidy rolling. But last week the House rebelled, with a good many members reversing their prior approval of the program. One member who switched, M. C. Reed and Jack Douthit, was heard to comment: "I have been home and talked to the people about this thing." In fact, on last June 3, ten Texas Congressmen supported the rent subsidy, with only four voting for funds to put it into operation last week. This apparent victory may be short-lived, however. It must have Senate concurrence. And, in any event, now that the law is permanent by virtue of the enactment last June 30, it is almost certain that by next year rent subsidy checks will be approved by Congress—and they will be mailed out each month or hundreds of thousands of tenants. Once authorized, these schemes usually get bigger—rarely ever smaller.

Eagles Drop Game To Grandfalls 18-14

F.H.A. GIRLS Powder Puff Football Game Tonight

The local Future Homemakers of America girls will have a football game tonight in the Eagle stadium. Time is 7:30 and everybody in town is invited to come out and see the girls play. Cost will be 75c for adults and 25c for students. Coaching the sophomore and senior girls is Mr. Fred Igo. Coaching the freshmen and the senior team, the Polekitties, will be Mrs. Robert Bass. The other team is known as the Gila Monsters. The girls usually play a sort of touchball, but it usually ends up with a lot of tackling.

No Varsity Game

The Sterling City Eagles' long winning streak was broken by Grandfalls here last Friday night. The Cowboys won 18-14. The game was non-conference. Beginning of the downfall was on the kickoff when Grandfalls' Leonard Knight took the kickoff and raced 60 yards to the Eagles 4 yard line. He was brought down there by Mike Foster. Soon thereafter Mike Gutterez took a pass from David Tipton and scored 6 points. Almost before the fans could get their breath, Leonard Knight took the pigskin over for another Cowboy touchdown. And soon after the second quarter opened Joe Perryman took a pass over for the third Cowboy T. D. and gave them a lead of 18-0. In the second quarter Andy Gaston scooted 4 yards for the first Eagle touchdown but the score at halftime was 18-6. In the third quarter Wayland Foster went six yards for an Eagle counter and a pass to Collin Douthit added two more for the locals.—But the Eagles never got past the 14 points. The Cowboys were determined to keep Wayland Foster bottled up. In fact, two of their men spent full time on him each play—whether he had the ball or not. Mike Foster was out of the game real early with a knee injury. James Morgan did some wonderful ground gaining during the game, but the big lead of the Cowboys was never overtaken. The Eagles do not play this weekend. Next week, Saturday October 30, they will play the Del Rio B team at Lakeview stadium in San Angelo at 7:30. It will be an 11-man game on an 11-man size field. On November 5 the Eagles start conference play here with a game with the Garden City Barkats at 7:30. It will be Sterling City homecoming.

Boy Scout Fund Drive Next Week

Stan Horwood, chairman of the Boy Scout fund drive this year, has announced that there would be a kickoff breakfast next Tuesday October 26 at the community center for the captains and volunteers that are helping. The breakfast will begin at 7 o'clock and about 45 workers are expected. Scout executive Bill McRee of Big Spring said he was hoping that the drive could be pretty well wound up that day—with only a few givers not contacted. He urges workers to do their best to see all of their prospects that day. Team captains and their expected workers are as follows: Ken White—Charles Allen, Leslie Cole, Jim Cantrell and Eddie Martin. Dan Glass—Lynn Glass, Lilian Blair, John Brock, Rance Hord and Troy Templin. H. L. Bailey—L. C. Alexander, Seth Bailey, D. Kirk Hopkins, and Ray Mixon. H. E. Barton—Dan Collier, Don Griffin, George Turner, Delbert Dearen and Billy Garrett. Wayne Louny—G. H. Cannon, Horace Donaldson, Henry Bauer, Winn McClure, Mrs. M. C. Reed and Jack Douthit. Tom Asbill, Vernon Stewart, Foster S. Price, Hal M. Knight and Roland Lowe. Ross Foster—Melvin Foster, Bill Bynum, Jim Bob Clark, Gene Alley, and Bill Wiemers. George White—J. R. Dillard, Earl Seago, O.T. Jones, Fred Igo and Mrs. Betty Jones. K. L. Peel—Marshall Blair, Dayton Barrett, Chesley McDonald, C.L. King and Loyd Murrell.

Now Member of GATA Ethel Abilene, Texas—Lois Ethel Price, daughter of Mr. and Mrs. Foster S. Price, has been named a member of GATA women's social club at Abilene Christian College. Miss Price, a 1964 graduate of Sterling High School, is a member of the Kitten Klub pep organization and was the freshman class favorite. In case of fire dial 8-4771.

P.T.A. School Fair October 29

The local Parent-Teachers' Association has plans for a SCHOOL FAIR underway and the affair will be held at the school on the night of October 29. Any money raised will be used by the association for air conditioners and more shade trees for the playground area. Supper will be served starting at 6 p.m. in the cafeteria. Admission at the door will be 50c for adults and 25c for students. Exhibits will be open from 6:30 to 8:45 and booths will be open from 6:30 to 8:45. A movie will be shown in the auditorium at 8:50 featuring the Harlem Globe Trotters. Among the booths will be a fish pond, a nursery rhyme land, a Knick-Knack shoppe, with bake sale, a pinata party, a white elephant sale, a game room, concession stand, a cat chunk, a fun house, and a "back in our day" room. Among the exhibits will be a doll exhibit, an art exhibit, a club exhibit, a football exhibit, a model exhibit, P.T.A. exhibit, and class projects. All persons are asked to attend the P.T.A. school fair and see the exhibits and let the children enjoy the school fair atmosphere. There will not be a crowning of king or queen—just a school fair this year. Ribbons will be awarded to winners in the art and model exhibits. Merchants or anyone who will donate small gifts to be used as door prizes are asked to contact a P.T.A. member and one will call for the gift. The members do not expect to go out and make personal pleas to merchants this year.

Science Sketches

TELEVISION does not hurt children's eyes, and the amount of viewing doesn't make much difference to their school performance, says Prof. Eleanor Maccoby, Stanford University child psychologist. In fact, she says, preschoolers exposed to TV have a headstart in vocabulary over nonviewing youngsters.

JUPITER is surrounded by a sea of hydrogen gas 160 miles deep, according to studies made at Penn State University. This estimate is 10 times higher than previous research indicated.

PIPELINES, not usually grouped in the public mind with trucks or trains as a transportation method, actually carry one-fifth of all U.S. intercity traffic, reports Tube Turns, Louisville. Most systems carry gas and oil but there are commercial and experimental systems for coal, chemicals, liquid gases, wood chips and food products such as cereal grains, sugar and milk.

Social Security

"A tremendous boost for many youngsters" is the way Floyd B. Ellington, District Manager of the San Angelo Social Security District Office, described one of the changes which was made in the Social Security Law last month. He explained that children between the ages of 18 and 22 can continue to receive their monthly social security checks if they attend a public or accredited school as full-time students. Children of deceased, retired, and disabled workers are included.

Under the old law, checks for children stopped at age 18 even if they continued to go to school. Mr. Ellington stated that, "If there are any of these young people under age 22 who are going to school now or in September, they or their parents should get in touch with their social security office right away; and since this provision provides for payments back to January 1965, some benefits may be payable to former child beneficiaries who went on to school and who reached age 22 earlier this year."

"These youngsters are eligible for these payments and we are anxious to get their checks to them as quickly as possible," Mr. Ellington stated. He added that anyone with any question about this change should get in touch with their San Angelo Social Security Office immediately. The office is located at 3000 W. Harris and the phone number is 949-4608, or see your representative when he is in your community.

SOCIAL SECURITY

"You don't have to retire completely to get social security benefits," Floyd B. Ellington, social security district manager in San Angelo said today.

"If you earn \$1200 or less in a year, you are considered to be completely retired and would be entitled to all your benefits," he added.

If you earn over \$1200 in a year, you may be considered partly retired and entitled to part of your social security benefits. For example, a worker would have only one dollar in benefits withheld for every two dollars earned between \$1200 and \$1700. For earnings over \$1700 annually, one dollar in benefits is withheld for each dollar of earnings.

Ellington emphasized the fact that, no matter how much you earn in a year, you can be paid your social security benefits for any month in which you neither earn over \$100 as an employee, nor render substantial services as a self-employed person.

Avoid any misunderstanding you may have about the social security retirement test, especially if you are over 65 earning anywhere between \$1201 and \$3600. Get all the facts from your social security office at 3000 West Harris, San Angelo, Texas.
