

Stock Show to be Monday

Judging to Start at 8:00 a.m.

The Sterling County Live-stock Show is scheduled for Monday, January 16. Four-H Club and FFA members will be competing for over \$200 in prize money and a number of trophies, ribbons, banners, medallions and belt buckles.

All fat lambs must be in the County Show barn by 2:00 p.m. Sunday. Classification will start at 3:00 with Duery Menzies, county agent of Concho County, doing the classifying. Immediately after classification, all lambs will be weighed. They will then be divided into equal weight classes with the class lists to be posted late Sunday night, along with the sale order.

Judging will start at 8:00 a.m. Monday morning with Frank Brownfield, vocational agriculture instructor at Blackwell, doing the judging. First class in the ring will be the lightweight finewool class. Judging will then continue through the finewool class, the crossbred lamb classes, registered Rambouillets, the range ewe lambs and horse classes.

The sale will start promptly at 2:00 p.m. Monday. If judging is not complete at that time, it will be halted and resumed after the sale. Riley King will act as auctioneer.

The president of the Show Association is J.R. Clark. Ray Mixon is vice-president and Melvin Foster, treasurer. The superintendent of the show is Danny Stewart while Lynn Glass is assistant superintendent. Sale clerks this year are Charles Probandt, Herbert Senne and Worth Durham. Billy Ralph Bynum is in charge of selling the lambs for resale.

The concession stand will again be operated by the 4-H Club and FFA mothers. They will be open for business with cold drinks and candy available Saturday and Sunday afternoon as well as all day on Monday. The Women's Society of the Methodist Church will be serving a barbecued chicken dinner at the community center at noon.

Trophy donors for the 1967 show and the trophies they are sponsoring are: Champion finewool lamb — Rotating Plaque by Lee Reed; permanent trophy by the Sterling County Young Ranchers Association; champion crossbred lamb—permanent trophy by Ray Mixon; champion Rambouillet ewe—permanent trophy by the Noratadada Club; champion Rambouillet ram—permanent trophy by the Epsilon Zeta Club; best pen of three Rambouillets, both sexes—permanent trophy by Betty Jo Barrett; champion pen of three range ewe lambs—permanent trophy by William and J. Q. Foster; champion quarter horse filly—permanent trophy by F. S. Price; champion quarter horse stallion—permanent trophy by Alvie Cole; champion quarter horse gelding—permanent trophy by R. T. Foster, Jr.; The ribbons and banners as well as rosettes are being sponsored by the Concho Valley Electric Cooperative.

In addition to the trophies and banners, two medallions will be awarded by the Texas Sheep and Goat Raisers' Association. One of the medallions will go to the champion crossbred lamb of the show. The other medallion will be awarded to the animal selected as the most nearly ideal from the breeding sheep classes.

The banners, rosettes, trophies and medallions are on display in the window at Bailey Brothers.

Showmanship awards will be made by Holland Jewellers. The showmanship award is a silver belt buckle. One of these will go to the fat lamb showman and the other to the outstanding showman of the breeding classes. These awards have not arrived yet and thus cannot be displayed at this time.

The barn will be open all day Saturday for the exhibitors to bring in their animals. If some desire to put their animals in the barn Friday evening, it will be open then. Members of the 4-H Club and the livestock they will be exhibiting are:

Kenny Blaneck, crossbred lambs

Odessa Show
Craig Frizzell, Gary Foster, Bill Blaneck, Jay Clark and Larry Wilson exhibited lambs at the Odessa show last week. Craig Frizzell placed 3rd in the lightweight class with a lamb bred by Charlie Probandt. The lamb sold in the premium sale Saturday for \$1.12½ cents per pound. The lamb weighed 85 pounds.

Randy Mixon sold a lamb in the sale there Saturday and received \$1.12½ per pound.

Mr. and Mrs. Jim Duke had a late Christmas celebration at their daughter's and family in Winters last weekend. At the Wilmer Balkums they were joined by a son and family, Mr. and Mrs. James Duke of Dallas and a daughter-in-law and family, Mrs. Allen Duke of McCamey for the belated Christmas. Mrs. Duke had been in a cast for eight weeks due to an injured knee, so when the cast came off, Christmas was observed.

March of Dimes Plans Progressing
Drive Chairman Phil Robberson of the Sterling County March of Dimes has named the dates for the drive this year. The kickoff breakfast for volunteer workers will be at community center today, Friday, January 13.

On January 20 there will be the basketball game here between Sterling City and Bronte. This year the points giving will be called baskets for birth defects. Anyone can pledge so much per point for both teams or either, said the chairman.

On January 30 the Noratadada Club will hold the annual Mother's March. A cake auction will be held at the basketball game, too. Each club in town will be asked to do something, said Robberson.

Last Friday night, a group of interested persons met at the community center to plan all phases of the campaign. Present at that meeting were chairman Robberson, Jim Davis, James Thompson, Mrs. Martin Reed, Mrs. Neal J. Reed, Mrs. W. R. Brooks, Ann Lawson and Debbie Reed.

WSCS to Serve Stock Show Day Dinner
The Women's Society of the Methodist Church will again serve a stock show day dinner at the community center for \$1.50 a plate. Such announcement was made this week by president Mrs. Foster Conger.

Barbecued chicken will be served, along with a lot of home cooked food, said Mrs. Conger. All are invited to eat dinner next Monday at the community center.

WCS to Serve Stock Show Day Dinner

A sub-district WSCS meeting will be held here at the Methodist Church on Wednesday, January 18, said Mrs. Conger. The meeting will be from 9:30 a.m. to 2 p.m. and the delegates will eat here. Delegates will bring a sack lunch, but the local society is to serve the drinks and dessert. About sixty-five delegates are expected.

R.T. Caperton Back on Job at Bronte
R. T. Caperton, who recently sold his Chevrolet dealership at Coleman, is now back in Bronte with the Caperton Chevrolet there. He said he and Matt Caperton would now handle all deals in Sterling and surrounding territory until further notice.

R. T. said he planned to get over to Sterling City at least once a week if possible an resume old friendships and visit with customers and friends.

R. T. operated the R.T. Caperton Chevrolet agency here in the first half of the 50's.

Hospital Had a Good Year
The annual organization meeting of the board of directors of the Sterling County Hospital was held last Friday evening. The meeting began with a dinner at the community center and ended with the business and organization meeting at the hospital.

Chairman H. L. Hildebrand presided at the meeting. Secretary for last year was Foster S. Price and he was named secretary for the new year. E. L. Bailey moved up into chairmanship spot for 1967—and Worth Durham was moved to the vice-chairman's position.

Present at the meeting were board members Hildebrand, Price, Durham, Robert Foster, Dr. Wm. J. Swann and hospital administrator Mrs. Joe Emery; and County Judge W. R. Brooks, W.W. Durham, H.F. Donaldson, Dayton Barrett and Jack Douthitt.

Mrs. Emery gave a report to the board about wage and hour meetings she had attended. Also she reported on problems talked at the meetings she had attended concerning related problems of hospitals.

The hospital had an average of 4.1 patients per day; with a total of 209 patients. There were 23 births and 7 deaths during the year.

Cash sales during the year amounted to \$6,462.95, and charge sales totaled \$57,132.77 for total sales during 1966 of \$63,595.72. Paid on accounts was \$50,671.67 according to the report.

Drug sales last year at the hospital totaled \$25,304.62, compared to \$24,466.19 the year before (1965). Gifts to the hospital (like memorials) last year totaled \$342.50 compared to \$708.47 the year before.

Room charges last year totaled \$20,168.00, compared to \$23,720.50 in 1965. Drugs and room charges account for the biggest income items yearly. Salaries—\$30,402.75 in 1966 and \$26,855.00 in 1965 and drugs—\$14,046.37 in 1966 and \$13,976.67 in 1965 account for the biggest expense listings.

Mrs. Terry Hostess To Noratadada Club
Mrs. I. W. Terry was hostess to members of the Noratadada Club in her home on January 5. Mrs. Roy Foster was a guest.

Members made plans for the county-wide Tuberculosis patch test and the Mother's March for the March of Dimes. In memory of the late Ed Bynum the book *The Death of a President* will be placed in the Sterling high school library.

BASKETBALL NOTES

First Conference Game Won by Boys Over Garden City
The Sterling City Eagles basketball boys began the conference season here Thursday night of last week with a win over the Garden City Bearkats, 56 to 55. It was a close one.

For the locals, Alex Sedillo racked up 22 points, Esau Vargas 19 and Drew Durham 8. For the Bearkats Larry Schafer made 24, Ronnie Hirt 17 and Jerry Schafer 8.

The Sterling girls lost to the Glasscock feds 29 to 63. Eagle forward Elaine Price made 20 points, Kathy Gaston 7 and Susan Mixon 2. For the winners, Brenda Jacobs got 26, Susan Lange 12 and Donna Werst 9.

The boys were entered in the Iraan tournament last Friday and Saturday. They took seventh place there. **Play Robert Lee Here Tonight**

The Eagles boys and girls play conference tilts here tonight with the Robert Lee Steers. The girls will start at 6:30 p.m. in the local gym. The boys dropped a close game to the Steers in the San Angelo BCD tournament in December.

Next Tuesday boys and the girls will play conference set-to's at Water Valley at 6:30.

County Raises Pay of Employees 10%
The Sterling County Commissioners Court in session on Monday raised the pay, wages and salaries of the county employees 10% across the board. Such announcement was made this week by county judge W. R. Brooks.

The raise applied to office holders, and all county employees, said the judge.

LIONS CLUB
The Lions Club members heard some of Governor John Connally's proposed new traffic safety laws when the club met Wednesday. Sgt. Peter- sen of the State Department of Public Safety told of the proposed new laws. He was a guest of sheriff Jim Cantrell.

Boyce Gatewood of Cleburne and G. C. Murrell of San Angelo were guests. It was decided to put up the yield signs at a later date, so the weather would be more cooperative.

Teacher's Father Dead
Wyly F. McCarty, 90, of San Angelo, died in Baptist Memorial Hospital on January 5. He had been a patient in the hospital there since December 5.

He was the father of Billy L. McCarty, physics high school teacher here in Sterling. Survivors include three sons, two daughters, two sisters and several grandchildren.

Mr. McCarty was born in Erath County November 26, 1876 and farmed there before moving to Bailey County. He moved to Odessa in 1957 and went to San Angelo in 1965 to make his home with the two sons there.

Bank Stockholders Met Tuesday

The stockholders of the First National Bank met Tuesday morning at 10 and elected or reelected the directors, being Flavy Davis, Worth Durham, Clyde Ross Foster, R. T. Foster, Jr., H. L. Hildebrand, D. Kirk Hopkins and Roland L. Lowe.

The directors then renamed the officers, being H.L. Hildebrand, president; Worth Durham, vice-president; D. Kirk Hopkins, executive vice-president and cashier and Nan E. Davis, assistant cashier.

The bank had a good year last year, said Mr. Hopkins. A ten percent dividend was paid on the stock. This payment was \$20,000.

On December 31 deposits in the bank were \$3,771,689.04. Loan and discounts on that date totaled \$1,601,214.00. A total of \$130,577.74 was in the undivided profits fund on the December 31 date.

P.T.A. Next Tuesday Change from Monday Due to Stock Show
The Sterling City Parent-Teacher Association will meet next Tuesday, January 28 at 3:15 p.m. in the school auditorium. This is a change from the scheduled Monday date.

Mrs. Chesley McDonald will give the devotional. Jaynell Cope will play a musical selection.

High school principal James Thompson will talk on "What's Happening in Education." Children of the third grade will put on a program. All members and interested persons are cordially invited to attend, said Mrs. Max Duncan, president.

Slight Fire at Gastons Sunday Night
Two of the Sterling Volunteer Fire Department trucks made a run to Clifford Gaston's house (on the Foster S. Price ranch) about dark on last Sunday evening. A cook range had caught fire from wiring, it was reported, but was put out even before the trucks got there.

Former March of Dimes Poster Boy Is Part of Twin Medical Problem

Identical twins are supposed to be carbon copies of each other in every respect but twin brothers Joel and Jeffrey Kirker, 6, New Stanton, Pa., have been cruelly different from birth.

Joel, the older brother by five minutes, was born with an open spine (spina bifida), a birth defect that has paralyzed him from the waist down. At the same spot on his back, Jeff has only a birthmark.

"When Jeff doesn't feel well, he gets two blisters on his birthmark, otherwise he is a normal, very active little boy," says his mother, Mrs. Thomas Kirker.

Understandably, the young Kirkers pose a medical puzzle. As their mother puts it, specialists are "amazed that only one has the defect and not the other" or else are "quite lost for words" to explain the crippling differences in these identical twins.

Yet Mrs. Kirker says, "We feel we have a great deal to be thankful for because Joel is doing well and we can hope for even more improvement in the future."

Despite his physical handicap, Joel gets around quite a bit. During January, 1966, he was Pennsylvania State Poster Boy for the March of Dimes campaign to fight birth defects. This means that Joel traveled through a number of counties in his area and even appeared on a television in Pittsburgh.

Now as they watch the twins pretending they're big leaguers or playing together on the backyard slide, Mr. and Mrs. Kirker can appreciate all the things Joel can do even though he wears braces and uses a cane. They are thankful for the skilled medical care Joel received from the day of birth. Without that care, Joel might not be alive today.

When Joel was only one day old, his open spine was operated upon to give his spinal cord some protection. While surgeons could not restore the function of nerves and muscles, they did prevent further complications, the most dangerous being infections such as meningitis.

Like many other victims of open spine, Joel also had hydrocephalus ("water on the brain"). Doctors performed several operations to drain off the dammed-up fluid within the brain and thus relieve pressure.

"That's OK, Joel, even astronauts need help with their gear sometimes," says Jeff Kirker, 6, of New Stanton, Pa., as he helps his identical twin Joel into his braces.

Without relief, this pressure can lead to permanent mental damage, blindness or even death.

For Joel's parents, the past six years have been times of great emotional anguish, to say nothing of financial strain. Mr. Kirker has worked for the Bell Telephone Company since he graduated from McKeesport Technical High School in 1950.

In addition to caring for the twins and keeping house, Mrs. Kirker sells kitchenware to supplement her husband's income and help with medical expenses. The Kirkers are deeply grateful to the local chapter of the March of Dimes which helped pay Joel's hospital bills and covers the cost of braces which must be changed periodically.

Braces or not, Joel loves it when the family pile into their trailer and set out on a camping trip, something all the Kirkers enjoy. When they settle in a campsite, the whole family knows what to expect from Joel.

He invariably takes off to visit all the other campers, one by one. He loves to meet and chat with other people, even if it means climbing hills and fighting the underbrush every step of the way.

The twins can take care of each other pretty well these days. Joel can put on his braces for himself but sometimes Jeff helps him. Active, outgoing Jeff helps his quieter, more thoughtful brother in other ways, too. A firm "I think you'll like this, Joel," from Jeff often helps Joel make a decision in favor of places or things. This sort of fraternal influence leads Mrs. Kirker to tell friends that Joel's "twin brother is his therapist."

By this time, the Kirkers know what Joel can do and they avoid overprotectiveness which could be harmful to both boys. His doctors hope that when Joel is about 14, surgery can be performed that will make the leg braces unnecessary.

Social Security
 Some 3000 Texans who may be eligible for disability benefits under the new Social Security provisions, have not yet applied for them.
 Under recent liberalizations of the law, persons with nonpermanent disability may now qualify for benefits. Elington said that under the previous law a person was eligible only if he had a severe disability that was expected to last a long and indefinite time. Now benefits can be paid if the severe disability has lasted or is expected to last as long as 12 months by his doctors. There are also more liberal requirements for certain persons who are blind.

**LONGER BENEFITS UNDER
SOCIAL SECURITY FOR
STUDENTS (Up to 22 Years)**

The social security law now provides monthly benefits to unmarried students under age 22. These benefits are payable only on the record of an insured parent who is drawing disability or retirement payments, or who is deceased. The amount of the benefit depends on the earnings of the parent and the number of dependents entitled to payments on the parent's account. Student payments can be as high as \$102 per month and more in future years.

Students whose benefits were stopped under the old law when they reached age 18 may be eligible to receive payments now.

Ted F. Moellering, District Manager of the San Angelo Social Security Office, believes here are many students in this area who could qualify for monthly payments.

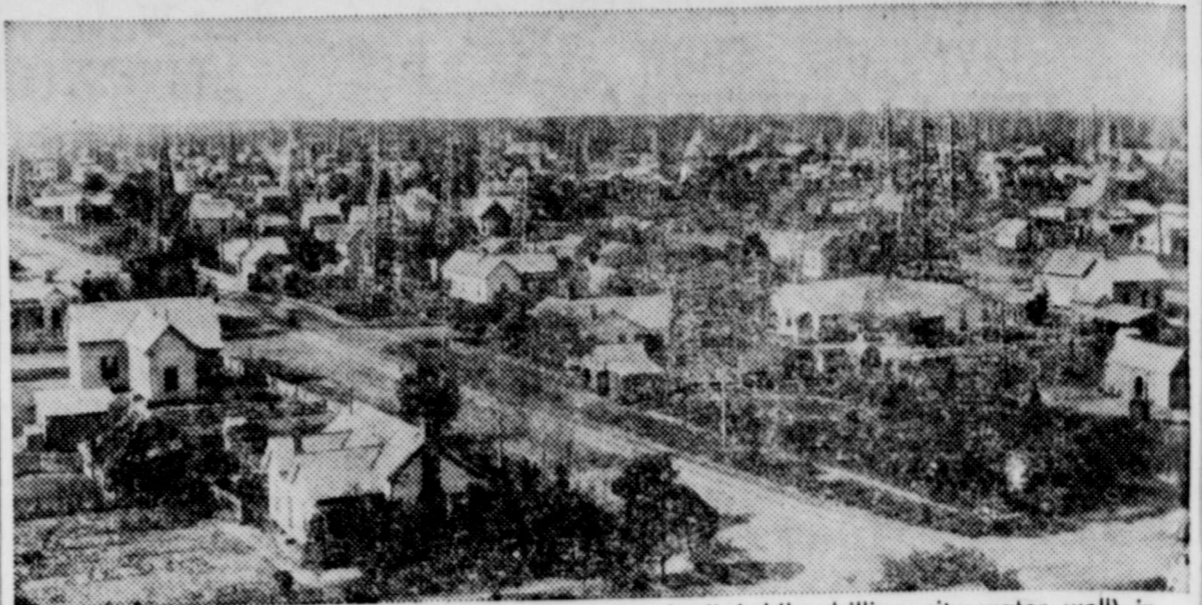

These payments are not automatic. Any student who has a parent who is retired, disabled, or deceased should contact the people at the social security office for additional information and application forms. If you wait too long, you risk losing benefits.

The district social security office is located at 3000 West Harris in San Angelo. The telephone number is 949-4608. The office remains open each Monday evening until 8:30 for the convenience of those who are unable to come in during regular office hours.

BUSINESS OPPORTUNITY MAN OR WOMAN
Reliable person from this area to service and collect from automatic dispensers. No experience needed—we establish accounts for you. Car, references and \$985.00 to \$1785.00 cash capital necessary. 4 to 12 hours weekly nets excellent monthly income. Full time more. For local interview, write Eagle Industries, 3954 Wooddale Ave. So., Minneapolis, Minn. 55416.

LONG DISTANCE RATES TO BE REDUCED
Reduced long distance rates for most station-to-station calls within Texas will become effective January 1, 1967 for customers of General Telephone Company of the Southwest, Southwestern States Telephone and Four States Telephone Companies, according to E. H. Danner, president of the three companies.

State-wide reductions on calls vary from five to fifteen cents on most station-to-station calls over 56 miles in distance within Texas. Reduction for calls over three minutes are even greater, according to Danner. The reductions apply to calls made during the time when "day rates" are in effect as well as to all intrastate (within Texas) station-to-station calls made during the "night rate" hours after 8 p.m. and all day Sunday.

The new tariffs reflecting the reduced rates will be distributed to all offices handling long distance calls at the earliest possible date, Danner stated.

REWARD NOTICE
A reward of \$500.00 will be paid by the Texas Sheep and Goat Raisers Association to any person (other than law enforcement officers) giving information causing the arrest and final conviction of any person or persons found butchering or stealing any sheep or lambs or goats belonging to any Association member in good standing. When two or more persons give information, the above sum will be divided at the discretion of the Board of the Association. When two or more defendants are involved in a single crime, the total reward is limited to \$500.00, but the conviction of one defendant, even though the other defendants are acquitted, will entitle the claimant or claimants to said sum of \$500.00. All claims must be submitted within ninety (90) days following conviction. If, upon conviction, a defendant confesses other thefts, no additional reward will be paid. All decisions concerning the payment of such reward and the conditions of payment will be made by the Board of Directors of the Association. **TEXAS SHEEP & GOAT RAISERS ASSOCIATION**

SOCIAL SECURITY OFFICE HOURS CHANGED
Ted F. Moellering, manager of the Social Security District Office located at 3000 W. Harris in San Angelo, announced a change in office hours. During the past few months the office has been open from 8:30 AM until 8:30 PM each Monday. According to Moellering, the reason for the extended hours was to take care of callers who could not come in during regular hours. A need still exists for these extended hours, said Moellering. However, experience has shown that very few persons come in during the last hour. Therefore, the new Monday office hours will be from 8:30 AM until 7:30 PM. This change will be effective after January 9. The office will be closed on December 26 and January 2 in observance of holidays. Moellering said that there will be no change in the office hours from Tuesday through Friday. These will remain from 8:30 AM to 4:30 PM daily.

GROWING-UP COMFORT

How times have changed in electric heating—it's growing up! By the time this lad is 15 years old, according to Edison Electric Institute, there will be 19 million electrically heated homes in America. Just as the electric refrigerator replaced the icebox, electric heating is replacing tired, outmoded fuel systems. Electric heat is even from floor to ceiling. It is constant. And, it is safe—a clean break with the past.

Isn't it time you began to enjoy this modern way of heating your home? It costs no more to operate than flame-type fuels. See WTU or your local comfort-conditioning dealer.

SCIENCE SKETCHES

LARGEST horse in the world, a Percheron, weighed nearly 3,000 pounds, stood seven feet tall at the shoulders, and measured 16 feet from nose to tail. It died in St. Louis in 1919 at the age of 17.

SPHERES, cones and cylinders are being found in nature by Georgia Tech engineers. By describing a sleeping bird as a sphere, a flying bird as a sphere and cylinder, and a leaf as a flat plate, engineers say they can calculate the energy loss or heat transfer of plants, animals and birds. The method is called "thermal modeling."

HAMS, tenderized and uniform in flavor and color, are resulting from a revolution in the meat processing industry. Automation and modernization of smokehouses produce uniform conditions of temperature, humidity, smoke density and air circulation, reports The Albright-Nell Company, Chicago.

EARLY RIG—Based on historians' reports, this is an artist's interpretation of the type of steam-powered device that Frank & Ewe I Barret used to drill the first Texas oil well in 1866. It reportedly employed the principle of today's rotary rig which bored a hole in the earth. In contrast, the cable tool, commonly used in many early wells, drilled a hole with the up-and-down motion of a bit suspended on a cable or rope.
