

The annual field day at the Experiment Station will be held next Thursday, April 27, according to Dr. W. T. Hardy, superintendent of the station. The station is located on the Rocksprings Highway, five miles west of Sonora.

Program for the field day consists of the inspection of ram test and progeny research projects. A barbecue will be served by the Sonoma County 4-H Club. The noon program will be presided over by Bill Sims as master of ceremonies. Speakers include Dr. C. E. Terrill, chief of the Sheep and Fur Research Branch of the U.S. Department of Agriculture. Dr. Hardy will outline the sheep research now underway in the area as well as planned projects. Dr. W. T. Hardy will talk on internal parasite control. Menzies of the research station will talk on projects under way at the station.

The first case of screwworms north of Uvalde was found in Mitchell County on the Renderbrook-Spade ranch last week. For the first time in a year, the screwworms have moved out of the South Texas area and as stated, north of Uvalde. There was a report that a second case had been found in the area this week. All livestock producers are urged to keep a watch on their livestock. If any cases are found, a sample should be taken to the laboratory at Sonoma. Even though it is cooler than ordinary this time of the year, there is a possibility of screwworms in this country as seen in the Mitchell County cases.

All cases of screwworms should be treated after taking a sample. Then, maintain a watch on all livestock. Producers in the area near the Spade Ranch are urged to be particularly watchful. According to Jim Bob Clark, a plane was in the area Monday morning flying back and forth over the area. The report from the mission was that the area could be treated with sterile flies under the hotspot treatment method for several days.

Ten Sterling County 4-H club members will be taking part in the District 4-H Club elimination contests at San Angelo Saturday. The contests, held at the college, start at 8:00 a.m. Some 28 different contests will be held with club members from 28 counties participating. Senior team winners will go on to compete in the State Contests at College Station in June. Junior team members cannot compete in the state event but are being trained for that time.

The Senior Natural Resources Conservation Team demonstration is made up of Sam McEntire and Debbie Reed. Junior Natural Resources Team demonstration members are Tommy and Bobby Bynum.

The Junior Safety Team members are Sally Nixon and Neal Reed.

The Junior Range grass identification team members are Skeete Foster, Amy Hodges, Allen Price and Jim Terry. They, along with Steven Foster, have been training on the twenty grasses on the state list.

A range tour will be held next Wednesday afternoon, May 3, in the area around the T. Foster Jr. ranch. There are a number of range practices that have been carried out in the recent years in this area that tour members will see. After viewing these, the tour will end up at the Foster ranch to look at the mesquite painting-spraying demonstrations under way on the ranch.

FHA Met in San Angelo Monday

The Sterling Future Homemakers met Monday night at McEvers Ranch House in San Angelo. Clive Smith, a native of South Africa, who is a foreign exchange student at Central High in San Angelo, gave a talk about his country and its customs. He showed some slides during his talk.

Those present at the meeting were Charlotte Foster, Carolyn Cole, Bethany Wells, Kaye Applin, Pam McEntire, Betty Collier, Lelah Estes, Jaynell Cope, Susan Mixon, Lynn Alexander, Beverly Brooks, Sharon Currington, Helen Hays, Elaine Price, Ann Lawson, Mrs. Ross Foster, Mrs. Bill J. Cole, Mrs. Beth Wells, Mrs. Christine Applin, Mrs. Dan Collier, Mrs. Ewing McEntire, Mrs. J. I. Cope, Mrs. Ray Mixon, Mrs. W. R. Brooks, Mrs. Marion Hays, Mrs. Foster S. Price and the sponsor, Mrs. Early Barton.

Gift Tea Honors Kathi Coulter

Eight were hostesses when Miss Kathi Coulter was honored with a gift tea April 15 at the River Club in San Angelo. They were Mrs. Wayne Munn, Mrs. George Sisco, Mrs. L. W. Puckitt, Mrs. R. T. Foster, Jr., Mrs. W. R. Baggett Jr., Mrs. Roy Clary, Mrs. Billy Beau Duncan and Mrs. Percy B. Turner.

Miss Coulter plans a June 30 wedding with Craig Johnson of Lubbock.

Around 150 persons called during the tea hours.

Others in the house party included Mrs. George W. Demere, Mrs. H. L. Lovell, Mrs. George Weddell, Mrs. Bob Mims, grandmother of the honoree, Mrs. C. A. Fairbanks and Barbara Abell of San Angelo. Mrs. Elton Mims and Mrs. George Skeete, aunts of the honoree, Mrs. Brenton Garrett and Mrs. Earl Chriesman of Big Lake, Mrs. Jimmy Daniels of Stiles, Jackie Clift, Mrs. Martin Reed, Marilyn Foster and Helen Sisco.

Letters will be mailed out to all Sterling County operators giving times and places to meet for the tour.

Behind the 8-Ball

By the editor.

TURN UP YOUR CLOCKS

Yeobo, Skeeko

By virtue of acts of the national congress and the state legislature, we will gain a whole hour per day for the next six months.

Beginning Sunday, we will be on daylight saving time! Just like we were during the war.

All but two of the states of the union will be on it.

So get set to go to church a little earlier (by sun time) Sunday. Your clocks should be up one hour by Sunday morning.

Then the preacher can get you a little earlier than usual and maybe you'll get out by the "old" hour of eleven. Or something.

The Rev. Hubert Travis, Presbyterian minister here, says he is going by the new daylight saving time and expects all his members to be on time for the service. So do all the other preachers or ministers in town.

I really don't know what I'm gonna do with the extra hour per day that I'll gain. I can use it to work longer—and make more money—or use it to play or loaf longer—and live longer, so they say.

I'm not sure that I could find enough work to keep me busy an hour longer each day—and I doubt it there's enough loafing in my coming summer days.

But, back to the first thought—of this—be sure and set the clocks up, get to church by the new time Sunday, and, of course, school Monday.

And if you can't find a real need for that hour you're going to save each day, just save 'em all up and take a big long holiday toward the end of summer.

That's what I plan on doing.

8-BALL

Presbyterian minister Hubert C. Travis has been letting people in on a little "secret". He even told his church last Sunday. He is moving to the Presbyterian church at Yorktown, Texas soon as school is out. It's a bigger, town, also a bigger church there. He has been here the past seven years, and Mrs. Travis has taught in the school here during that time.

8-BALL

The seniors plan to leave on the senior trip for New Orleans about midnight of May 23—less than a month away.

Tempus Fugit

School only started last month—or was it eight months ago? Before you know it, it will be time for school to start again. And then another year is gone.

No wonder the nation is going on daylight saving time—we need more hours a day.

8-BALL

What kinda puzzles me is the fact that we need more hours a day in the winter—when the days or short; not in the summer. Now, plenty of times I find the days too short come winter. But is it a rare thing for me to really need longer days in the summer. That's the truth, folks.

If these daylight savers were able to see along with me, everything would be all right. I'd give people that extra hour per day in the winter—and when "I" need it.

8-BALL

For awhile back there when the Texas Legislature was discussing the time change—and arguing pro and con on the subject—it looked like—at least to me, that maybe we didn't want to belong to the union. Or something.

Just about all other states were gonna go daylight saving time, except us.

So we would have had Texas time and U.S. time.

We almost showed 'em, too. After all, Texans are rugged

New Grade School Principal

Bobby Dodds of Loraine is to be the elementary school principal here next year, announced superintendent O. T. Jones recently. He replaces J. R. Dillard who is going to be high school principal at the Stanton High School next year. Mr. Dodds has been a coach and science teacher at Loraine for the past seven years and was Title I teacher there this year. He and his wife have two small children.

Mr. Dodds needs a house to rent. He would like to move early in June and start teaching driver education. So, if you know of a house for rent that seems suitable, let Mr. Jones know.

All the teachers here were reelected by the school board not long ago. Most of them of them plan to return next year—as far as it is known.

Lions Hear Speech Students

Several speakers of the high school students who had entered the U.I.L. speaking events, were on the program at the Lions Club luncheon Wednesday. On the program were Ann Lawson with a prose reading, Sharon Currington with persuasive speech, Drew Durham with persuasive speech, and David Currington with informative speaking. Speech coach Mrs. Betty Jones, accompanied the students and introduced them.

Debbie Reed, daughter of Mr. and Mrs. Neal J. Red, and who was the local club's entrant in the Lions Club District Queen contest recently, was recognized by the club, and she thanked the club for the privilege of being the club queen.

Phil Robberson told the group of the first Little League game next Tuesday with Norman there. He urged all to be on hand and root for the locals.

The prize went to H. L. Hildebrand. Fred McCabe of Robert Lee was a guest.

Named to All-Star Cast at Regional One-Act Play

Elaine Price, who played the part of Anne Frank in the "Diary of Anne Frank", the one-act play entry of the Sterling High School, was named to the all-star cast by the judge at the regional playoff in Big Spring last week. Honorable mention went to Chris Frizzell, who played the part of Mr. Frank in the play.

The Sterling entry was directed by Mrs. Lynn Glass.

Rochelle won first place, Borden County High School second and Roby third.

CLUB TO SPONSOR GIFT SHOW FOR HOSPITAL

The Epsilon Zeta Club is sponsoring a linen shower for the Sterling County Hospital here on Sunday, May 7. The party hours will be from 3:00 to 5:00 p.m., said Mrs. Charles Allen.

All types of linen items are acceptable, it was said. Such things as sheets, pillow cases, towels and wash cloths and baby items will be welcome.

Bake Sale May 5

The club is having a bake sale May 5 from 9 to 10:30 a.m. in front of the vacant Bailey Bros building on the main business block.

Need HOME for: 3 kittens, half-Siamese, 2 female and 1 male. Mrs. F. C. Legg. 8-2471.

individualists.

And have ever been so.

After all, a state of people that produces LBJ, Billy Sol Estes, John Connally, Jack Ruby, Ben Barnes, and Judge Roy Hofeinz in one decade—just can't be shoved around on matters like time changes, etc. Not us.

Cancer Benefit Talent Show Tonight

Eastern Star Officers Elected

The Sterling Chapter of the Eastern Star elected new officers at the April 18 meeting as follows:

- Mrs. Lena Foster, Worthy Matron
 - Clell Ainsworth, Worthy Patron
 - Mrs. Margaret Foster, Associate Matron
 - Horace Donalson, Associate Patron
 - Mrs. Johnnie Donalson, Secretary
 - Mrs. Agnes Ainsworth, Treasurer
 - Mrs. Florice Matthews, Conductress
 - Mrs. Ina Conger, Associate Conductress
- The new officers will be installed in June.

Mrs. Finis Westbrook Noratadata Hostess

The Noratadata Club met Thursday night of last week in the home of Mrs. F. F. Westbrook, hostess. A dinner plate was served by the hostess.

Mrs. Worth Durham read several poems after the business session.

Bridge was played with Mrs. Worth Durham winning high score, Mrs. Winn McClure second high and Mrs. Bill J. Cole bingo.

Club members present were Mrs. Henry Bauer, Mrs. Bill Brooks, Mrs. Billy Ralph Bynum, Mrs. J. I. Cope, Mrs. Alvie Cole, Mrs. Nan Davis, Mrs. Mildred Emery, Mrs. Forrest Foster, Mrs. Robert Foster, Mrs. D. K. Hopkins, Mrs. Winn McClure, Mrs. Charles Probandt, Mrs. I. W. Terry and Mrs. Hubert Williams and Mrs. Worth Durham. Guests were Mrs. Bill J. Cole and Mrs. Ray Mixon.

NOTICE—

United States Postal Savings Certificates which are on deposit at post offices will cease earning interest for depositors on April 27, 1967. Postmaster Virgie Garrett, said today.

Pie Supper & Bazaar

The Sterling Cancer Crusade will sponsor a talent show and bazaar and pie supper April 28, 7:30 p.m. in the local school. The bazaar will be held in the hall. The pie supper will be in the lunchroom, and the talent show will be in the auditorium.

Admission prices will be \$1.00 for adults, 50c for children that are students. Preschool age children will not be charged at the show but if they eat pie it will cost 25c.

Appearing in a "Ten Pretty Girls" revue will be Mmes. Cecile McDonald, Brenda White, Mary Helen Reed, Mildred Cole, Mildred Emery, Leona Ferguson, Flo Price, Betty Clark, June Foster and Bill Foster. Singers for this revue will include the above women and Chesley McDonald, Stan Horwood, Oscar Estes and Earl Bailey. Mrs. Mildred Mitchell will be at the piano and Jim Bob Clark has a duty in the revue.

Others in the talent show acts include Skeete Foster, Clark Kilpatrick, Jack Thornton, David Cooney, Melinda Terry, Susan Terry, Patti Bynum, Tommy Bynum, Lisa Horwood, Dow Tanner, Victor Probandt Elaine Price, Sharon Currington Lynn Alexander, Susan Mixon, Ann Lawson, Beverly Brooks, Betty Collier, Judy Brock, Bob Hays, Sue Hays, Larry Glass, Willene Glass, Sally Mixon, Vicki Potts, Linda Estes, Becky, Mrs. Mitchell, Soesbee sisters, Jerry Currington, David Currington, Ricky Hopkins, Corwin Collins, James Field and Ann Brazzil.

GRAND JURY MEETS MONDAY

The 51st District Court will open here next Monday morning with the convening of the grand jury at 10 a.m.

District Judge Joe L. Mays of San Angelo is the presiding judge. Frank Dickey Jr. is district attorney.

There is not much on the criminal docket for consideration, it is said.

WONDERS OF THE WORLD... by THOMPSON

GALILEO, THE 16TH CENTURY ITALIAN, SHOWED THAT LIGHT THINGS FALL AS FAST AS HEAVY ONES. BY DROPPING A BIG CANNON BALL AND A LITTLE ONE FROM THE LEANING TOWER OF PISA, HE FOUND THAT BOTH BALLS TRAVELLED AT THE SAME SPEED—BOTH LANDING AT THE SAME TIME!

LOUIS PASTEUR, THE FRENCH SCIENTIST WHO INVENTED PASTEURIZATION, ALSO DISCOVERED VACCINES AGAINST RABIES AND CHOLERA, AND WAS THE FIRST MAN TO REALIZE THAT MANY DISEASES ARE CAUSED BY GERMS!

AN AMAZING DISCOVERY WAS MADE IN 1853, WHEN CHARLES FREDERIC VON GERHARDT DISCOVERED ASPIRIN. IT'S NOT ONLY THE CHEAPEST AND ONE OF THE SAFEST DRUGS IN THE WORLD FOR EVERYDAY ACHES AND PAINS, BUT IT ALSO REDUCES SWELLING AND INFLAMMATION IN THE JOINTS IN CASES OF RHEUMATOID ARTHRITIS!

Little League Season Opens Next Week

The Sterling City Little Leaguers will play their first game next Tuesday night with Norton at Norton as the schedule indicates. It is hoped that a good crowd of parents and fans will go along for support.

Assistant Director Philip Robberson will handle the players until school is out—and then high school principal James Thompson takes over. Monday night's game time is 7 p.m., said Robberson.

Someone hauled off the two 2x12, 20 footlong boards that were at the park. They are needed for the dugouts for the players, said Jack Peel. So, if you got them or know who did, please let it be known.

Also, if you have an old Little League suit or equipment around your house from years ago, please turn it in. The suits are needed for the boys, especially the Pee-wee League boys.

The schedule for the season for all teams in the Colorado League is as follows:

MAY 2
Giants—Cardinals
Indians—Yankees
Dodgers—Astros

MAY 5
Indians—Giants
Dodgers—Cardinals
Yankees—Astros

MAY 9
Giants—Dodgers
Astros—Indians
Cardinals—Yankees

MAY 12
Astros—Giants
Yankees—Dodgers
Indians—Cardinals

MAY 16
Giants—Yankees

Education Service Centers Established

Education Service Centers—a new development in Texas education—will move a step closer to establishment this month with a series of organizational meetings in 20 regions across the State.

When established these Education Service Centers will (1) provide for the establishment of the Regional Media Centers authorized by the Fifty-ninth Legislature (2) coordinate and encourage development of supplemental educational services and centers under Title III of the Elementary and Secondary Education Act of 1965 in accordance with State law and policies of the United States Office of Education and (3) provide a locally oriented base for statewide educational planning.

Through the media services the regional centers will provide participating school districts with such visual aids as motion pictures and slides, magnetic tape duplication service for audio and video tapes, and a visual duplication service to reproduce transparencies and filmstrips.

In addition to providing schools in a region with instructional media services, the center will provide an opportunity for resources of the region—metropolitan and rural—to contribute to educational planning.

Still additional services will be developed by each center in answer to regional needs. And as needs vary from region to region, so will services. Through participating on the Joint Committee, local schools will help to determine what those services should be.

The Fifty-ninth Legislature with its enactment of Senate Bill 408, paved the way for these media services of the Education Service Centers. This bill provided for a State program for educational media for Texas schools and authorized the State Board of Education to establish needed plans and procedures to facilitate media services.

Under provisions of this law the State should be ready to implement such centers by September 1, 1967.

ANNOUNCEMENT OF COMPETITIVE BIDS FOR POST OFFICE QUARTERS

The Post Office Department is seeking competitive bids for a building to house its postal operations at Sterling City, Texas 76951.

Under the Department Lease Construction Program a contract will be awarded to the bidder who designates a building suitable to the Department's needs and agrees to improve it according to departmental specifications and then lease it to the Department for a basic period of 10 years, with options to renew the lease for an additional 10 years.

The Department's capital investment will be limited substantially to postal equipment. The building will remain under private ownership, with the owner paying local real estate taxes.

Bidding documents will be available on or about March 20 and may be obtained from V. E. Bell, Real Estate Officer, P. O. Box 1386, Lubbock, Texas, 79408. He will supply bidding forms, specifications, lease provisions and other information.

Bids must be submitted to Mr. Bell by May 5, 1967.

More Airmail To Servicemen

Postmaster Virgie Garret today announced that henceforth all first class mail, personal sound recordings (voice letters), and parcels weighing 5 pounds or less and measuring not more than 60 inches in length and girth combined will be airlifted on a space available basis between the United States and all military post offices overseas.

Also, all second class mail such as newspapers and magazines published weekly or more often, would be airlifted from San Francisco to the armed forces serving in Vietnam.

Does your wife watch her figure but ignore her body?

Don't give her the benefit of the doubt. Ask her. Find out when she last had a Pap test. Or examined her breasts for cancer. Or had a complete health checkup.

Put her on the defensive. Tell her that nearly 100%, that's right, nearly 100% of all uterine cancers are curable if detected early. The Pap test detects them early.

Make her understand that thousands of women with breast cancer are being saved when their cancers are detected early. Monthly self-examination helps detect early signs of breast cancer.

See whether or not she knows the seven warning signals of cancer. She won't. So tell them to her:

1. Unusual bleeding or discharge.
2. A lump or thickening in the breast or elsewhere.
3. A sore that does not heal.
4. Change in bowel or bladder habits.
5. Hoarseness or cough.
6. Indigestion or difficulty in swallowing.
7. Change in a wart or mole.

If a signal lasts more than two weeks, make her see a doctor without delay.

Then, after you get all done lecturing your wife, let her lecture you.

It makes sense to nag your spouse into routine health checkups.

It makes sense to give to the American Cancer Society.

Expo Theme Expressed by France

France is going to the second largest French-speaking city in the world with a challenge to 20th Century man's conscience... via an impressive pavilion on Ile Notre Dame at Montreal's Expo 67. Based on the storyline, "Tradition and Invention," the French exhibits are designed to stimulate both intellect and emotion.

As at all world's fairs, architecture at Expo 67 will be excitingly modernistic, and the French Pavilion, which is built in the shape of a Venetian lamp, will be no exception. The seven story structure, set on a square grid, boldly reflects the island nature of the Expo site, as it is built partly on the ground, and partly in the water.

Inside, visitors will see exhibits showing French progress in all the technical fields. Even the methods of presenting exhibits will be inventive and futuristic. It is planned, for example, to show spectacles by "Son et Lumiere"—impressive sound and light effects.

Striking as it is, the \$4 million Pavilion is not France's first or only contribution to the fair, for the Exposition's very theme, "Man and His World," is drawn from the works of French writer and aviator, Antoine de Saint-Exupery. He wrote, in "Wind, Sand and Stars" ("Terre des Hommes"), "To be a man is to feel that through one's own contribution, one helps to build the world." Expo 67 will express this philosophy through five sub-themes depicting man as Creator, Explorer, Producer, Provider, and Member of the Community.

Expo 67 will begin April 28th and run through October 27th. Over 70 countries in addition to France will participate with their own pavilions.

Social Security

Older people in the Sterling City area who have paid doctor bills but have not yet claimed their medicare doctor bill insurance payments are invited to have their claims checked by the San Angelo social security office before mailing them to the medicare carrier, according to Ted F. Moellering, district manager.

"In the first six months of the medicare program some benefit payments were delayed because the applicants did not include all the necessary information with their claims," he said.

Moellering believes that most people will need this help only the first time they make a medical insurance claim. "The Medicare Handbook, which is given to all beneficiaries, explains how to make the claims," he said, "and the form is relatively simple, but most people can use some advice the first time they apply. We're glad to offer assistance, and we believe we can help many people to avoid some delay in their payment."

Moellering noted that the medicare claim may be made either by the patient or by the doctor, if he accepts assignment of the insurance. If the doctor applies for the medicare payment, he bills the patient only for any part of the \$50 deductible.

Under the other method of payment the doctor bills the patient, the patient pays the bill, and then the patient sends the completed request for payment form to the medicare carrier. A statement from the doctor showing the treatment given and the charges already paid by the patient must be furnished either on the request for payment form or in a separate receipted bill.

In the Sterling City area, medicare doctor bill insurance is handled by Blue Cross-Blue Shield in Dallas.

The same simple one-page request for payment form is mailed to the carrier no matter whether the payment is to go to the patient or to the doctor. Doctor's offices, accustomed to filling out insurance forms, should have no difficulty providing the few items of information requested, Moellering noted. But handling of forms received directly from medicare beneficiaries is sometimes delayed because some essential item of information has been omitted.

If the beneficiary leaves out his medicare identification number, for example, it is impossible to verify that he is signed up for the doctor bill insurance, or how much of his deductible amount has been paid. Some elderly people with failing eyesight are unable to make legible entries. And some do not get adequately itemized receipts from their physicians, or forget to enclose the receipts with their claims. If the request for payment form is incomplete or improperly filled out the medicare carrier has to write back to the beneficiary, thus delaying the payment.

"The social security office does not make the decision or pay the claim," Moellering said. "The law requires that the payments be handled through the selected medicare carriers. But we can answer general question about medicare and help people in the Sterling City area get their applications ready for review by the carrier."

"If an older person cannot visit the social security office in person, he can send the forms by mail or by someone else," he said, "but in this case, he should be sure to give his telephone number."

The San Angelo social security office is located at 3000 West Harris. The phone number is 949-4608. Office hours are from 8:30 a.m. — 7:30 p.m. on Monday, and 8:30 a.m. — 4:30 p.m. Tuesday through Friday.

Six Flags to Open on April 29

Six Flags Over Texas will begin its 1967 season on Saturday, April 29.

The announcement came from Angus G. Wynne, Jr., President of Great Southwest Corporation, owner-operator of the famed 115-acre, historical theme entertainment park located midway between Dallas and Fort Worth.

During the Spring, Six Flags Over Texas will be open on Fridays from 5:00 p.m. to 11 p.m. and on Saturday and Sundays from 10 a.m. to 10 p.m. Starting May 26 and continuing through Labor Day, the Park will be open seven days a week from 10 a.m. to 10 p.m. Following Labor Day and until the season closes October 29, Six Flags will operate on Saturdays and Sundays only from 10 a.m. to 8 p.m.

The Run-A-Way Mine Train ride, key project in the \$1 million expansion of the Boom Town Section of the Park which was begun last season, has been completed over the winter months. The ride, one of the most exciting ever developed, was introduced to visitors on a limited basis near the end of last season, while work continued on the project.

An attendance milestone will also be reached during the forthcoming season, as Six Flags anticipates welcoming its ten-millionth visitor sometime during the month of August. The Park, which opened in 1961 has already counted over 8.5 million visitors.

AS IT LOOKS FROM HERE

By Omar Bureson, Member of Congress, 17th District

WASHINGTON, D.C.—The Supreme Court has just made another ruling which will have far-reaching effects. By upholding a Federal Trial Court, a new doctrine has been created to the effect that the States have an affirmative duty to mix the races in public schools.

Previous court decisions had laid down the rule that the Constitution does not require integration. It merely forbids racial segregation. Under this theory the assignment of pupils by race to achieve a balanced distribution would be as unconstitutional as the assignment by race to prevent integration. As a matter of fact, all the Civil Rights legislation passed in recent years has as a central objective the prohibition against disallowing children entering public schools because of race, creed or color. No part of the Law contemplates the forcing attendance of the races in order that an approximate equal number would attend a particular school.

The Court has not explained why it has shifted its position. One dissenting Judge of the Court of Appeals called the ruling of that Court "an abrupt and unauthorized departure from the mainstream of judicial thought."

"Guidelines" imposed by the U.S. Department of Health, Education and Welfare look to a racial balance in all public schools. This means that not enough negro parents choose to send their children to white schools, the Federal Government will do the choosing for them. It also means that if not enough negro teachers are assigned to schools where a large number of white pupils are in attendance the Federal Government will refuse funds unless the imbalance is corrected. The so-called "Guidelines" indicate percentages that must be achieved in order to satisfy requirements.

The Court has, in effect, taken over the legislative function in sanctioning virtual control of the public schools systems by the Federal Government.

This decision affects mainly six states in the deep South.

An editorial in the New York Times says that "The Supreme Court was wise in refusing to entertain further frivolous delaying actions by States in the deep South on school desegregation and the decision should hasten constructive development". This, in spite of the fact that no city or State has a greater problem in attempting racial balance in schools than does New York.

The hearts of the great cities of the country are experiencing an exodus of people to the suburbs. This leaves an increasing percentage of negro families in the city proper and of course greatly increases the imbalance of the city schools. Therefore, a balance will require the bussing of children from within the city to the suburbs and from the suburbs into the city. This is a great issue in the City of New York at this very time. It will become an issue and a problem for every large city creating insoluble handicaps. But this is seemingly the intent of the Department of Health, Education and Welfare.

How will the requirement be enforced? Simply by denying funds to any school district which does not comply.

Mrs. V.T. Ferguson
Mrs. E. B. Butler
Mrs. Bill Reed
Dismissals since Thursday morning of last week include: Mrs. Tommy Arp

REWARD NOTICE
A reward of \$500.00 will be paid by the Texas Sheep and Goat Raisers Association to any person (other than law enforcement officers) giving information causing the arrest and final conviction of any person or persons found butchering or stealing any sheep or lambs or goats belonging to any Association member in good standing. When two or more persons give information, the above sum will be divided at the discretion of the Board of the Association. When two or more defendants are involved in a single crime, the total reward is limited to \$500.00, but the conviction of one defendant, even though the other defendants are acquitted, will entitle the claimant or claimants to said sum of \$500.00. All claims must be submitted within ninety (90) days following conviction. If, upon conviction, a defendant confesses other thefts, no additional reward will be paid. All deviations concerning the payment of such reward and the conditions of payment will be made by the Board of Directors of the Association.
