AROUND THE COUNTY

ARTHUR BARLEMANN, JR. COUNTY AGENT

Sterling County 4-H Club teams participating in the State 4-H Contests and Round Up last week at College Station did very well. Two teams participated in the contests; a Natural Resources Conservation Team Demonstration and Range Grass Identification Team with five club members on the two teams took part in the activities.

The Natural Resources Conservation team demonstration placed second in competition in that division; sixteen teams from all over the state took part. Team members Janis Igo and Pam McEntire received silver medals and a ten dollar award towards expenses. Their score was a total of 91 points out of a possible hundred. The demonstration was based on the conservation of range grass by proper management of livestock and grass. It was written locally and much of the material used was the result of demonstrations in Sterling County in past years.

A Range Grass Identification team made up of Bobby Bynum, Charlotte Foster and Frank Price tied for tenth place Bobby's first year to work on grass identification; Charlotte has been a member of junior teams for several years but this was her first year as a senior. Frank has been on the senior team previous to this year and participated in the state contest two years ago.

Mrs. Fred Igo and Mrs. Ewing McEntire accompanied the group to Round Up. They, and the rest of the group, experienced the "monsoon season" during the activities. Already beset with heavy rains that have delayed planting in the area, they received an additional inch and a quarter of rain following a solitary thunderclap Wednesday evening just as the awards banquet was to begin. Some roads in the area were closed Thursday morning as a result of the rain.

Worth Durham was recognized at the awards presentation at 4-H Round Up on Tuesday evening following the barbecue. Each year, a number of firms and companies as well as groups of individuals are recognized for their contributions to 4-H club work in Texas. Worth received a plaque recognizing the Texas Sheep and Goat Raisers' Association for their contribution to club work. The Association sponsors the range management awards program each year, the sheep and wool program which includes a trip to Chicago and National 4-H Congress, and helps sponsor the Make It with Wool program for 4-H, FFA, and other interested girls.

The build-up of screw-worms continues to plague the state. Thus far Sterling County has had no confirmed cases of worms. The latest sample, sent in from the Finis Westbrook ranch, was non-screw-worm.

With conditions favorable to the worms, all livestock producers are urged to maintain their vigilance. Only through a close watch and check of all worm cases, can the effectiveness of the program be kept up. Check all stock, treat all wounds, and send in all worm samples—

Rabies Shots for Pets Next Monday

Rabies shots for all pets will be available on Monday, June 17 between the hours of 4:00 and 5:30 p.m. Dr. Percy R. Turner, veterinarian from Water Valley, will be in Sterling City on the west side of the courthouse at that time to give the shots. If you have dogs or cats that have had the shots here in the past, it is time to give them their annual shot. For animals over six months of age, the first shot should be given now.

These shots are the only prevention for rabies in pets. Once an animal has been exposed to rabies in another animal, the shots are not effective. The only recourse is to destroy the animal. Rabies remains one of the diseases of human and animal alike for which there is no treatment once it has been contracted.

All pet owners will receive tags and receipts designating the animals that have been given the shots. For residents of Sterling City, this is important. The city council has enacted ordinances regarding dogs and cats in town that are not wearing tags; if you are not familiar with this regulation, you might want to contact the city secretary, Mrs. Horace Donalson, in regard to it.

Cost of the shot will be \$2.50 per animal. Don't forget it; this is the best and only prevention for rabies. The date and time again — Monday, June 17 between 4:00 and 5:30 p.m.

HOSPITAL NOTES

Patients in the Sterling County Hospital on Thursday morning of this week included—

Lee Hunt
Mrs. Jessie Sparkman
Jess Blagg
Mrs. Moises Rodriguez and infant son, Eddie

Bobby Dodds, grade school principal here, is attending summer sessions at West Texas State University at Canyon this summer.

James Salvato, science instructor at Sterling High, is attending Angelo State College this summer.

High school principal James Thompson is attending summer sessions at West Texas State University, Canyon, now.

David Foster, son of Mr. and Mrs. Reynolds Foster, is attending the summer session at Texas Tech.

Billy Boyd Allen, son of Mr. and Mrs. Worth Allen, is attending summer session at Angelo State College.

Dogs and Cats Must Be Vaccinated

All dogs and cats in Sterling City must be vaccinated soon or the City of Sterling City will have them picked up—if they are found without tags.

The next vaccination for the area will be held here June 17, so arrange to have your pets vaccinated against rabies. City of Sterling City

a non-screw-worm sample is better than doubt.

Behind the 8-Ball

By the editor.

Dr. Swann is gone on his vacation. He will be gone for his usual length of time, we suppose.

SO, about this appreciation deal honoring him.

We are thinking of a bronze plaque with a tribute to him on it, placed somewhere in or on the hospital here. Also, if we get enough money, we can (it has been suggested) fix up his lounge at the hospital. With a new couch, a desk, a big chair, a small color TV, draperies, etc.

It will take some money, all right. But who deserves it more? No one.

I mentioned not long ago that the county and community around here should do a deal of this kind, and two checks for \$25 each came in before anyone could say boo.

B.B. Parmer of Amarillo and their daughter, LaNelle Parmer Cornelius, saw the column and wanted in on the deal. The daughter said "Amen! There'll never be another Doctor Swann, they just don't make 'em anymore. Anything that could be done to honor this fine and noble doctor should be done, and my family would consider it an honor to have a part in it."

Mr. Parmer, who suffered a heart attack once here while a guest at the Sterling Motel, said, "The article was a fine tribute to our Dear Doctor and I'm all for it and more."

So, lets raise the money—while Doc is gone. Lets do a real nice job of this. Lets get a big barbecue supper up at the city park, get some doctor friends or such to talk and let him know how much he is appreciated around here.

We could get Fred Harris to cater the supper and then perhaps go to a large building (maybe the gym) and have the appreciation speeches.

We know and appreciate Doc, we appreciate the quality of medical service we have enjoyed under him, we know we are lucky to have him in a town this size, we know and think we should in some manner honor him here—for what he has meant to us and the community. Let's do it up right.

Any money you might want

to give toward an appreciation deal for Doc, can now be given or donated to Mary Helen Reed at the bank. She has started a Doc Swann Appreciation fund, and will be happy to take your donation. A committee will be set up to decide how to spend the money, likely as mentioned above.

NOW, this is all strictly voluntary. No one is going to ask anyone for a donation. It you want to give, do it on your own. No drive will be made, nor will anyone beat the bushes for donations. This has got to be a voluntary deal. NO DRIVE.

I think all the letters from those out of town who donate should be saved and presented to Doctor Swann and a list of donors made up for him. Such will be done.

8-BALL
The H. A. Chapples wrote from Rocksprings that they surely wanted in on a deal if it is carried out. The Capertons of Bronte said count them in. Two or three local people have told me that they would donate to the fund as soon as it was set up. Now, that Doc has gone for his vacation, put up your donation—at the bank. Let's do this one up big.

I will report the amount of money donated (and by whom) if I don't change my mind in the paper each week.

8-BALL
Unless something happens to stop, I will not put out the paper next week. We plan on taking a week off for summer vacation. Plan to go to Florida and visit our daughter, Lee, a graduate student in the University of Florida, Gainesville. Also want to see Cape Kennedy and other scenic and tourist spots of Florida.

8-BALL
Each year we take off for one issue for a vacation. We are only one of a number of weekly papers that do that. It's about the only way one can get a vacation in anymore.

8-BALL
Our phone at home was hit or knocked out by lightning Thursday night of last week. At the time this is being set into type, still no phone.

Wow.
8-BALL
Sterling's Alumni Association will meet here at the city park for a supper and a dance follows on the slab at the park. Nearly 225 persons had made supper reservations the first part of this week.

A good crowd is always at the affair when held in Ster-

Sterling Alumni To Meet Saturday

ling City.

8-BALL
Someone asked why the appreciation for Doctor Wm. J. Swann couldn't be real big—such as a wing on the hospital or such. That's just too big of a deal for me to think up or ramrod.

Perhaps some large piece of equipment for the hospital might be bought in his name for an appreciation item.

I don't know. I just think something of somekind of appreciation is in order.

We wouldn't even have the hospital if it hadn't developed that he might have to leave here, because of limited facilities back in 1949 or was it '48—perhaps

He used to have to haul off to Angelo for the Shannon in all cases requiring a hospital, and that was killing.

But he did it for many, long years.

I know, I've followed him over there a couple of times—in races (so to speak) with the stork.

8-BALL
Luke Hallmark's crew has been out cleaning up and getting the Montvale Cemetery in good shape. They cleaned up the grounds, the lost and repainted all the metal tanks and fence bars.

8-BALL
A group of North Carolina Boy Scouts were refused permission by the National Park Service, a site for an encampment near the Washington Monument in Washington, D. C. Of course, the 3,000 Poor People's March were welcomed there for their "encampment" by the Park Service.

The Boy Scouts wanted it for July 18-20. The Park Service said the greatest crowd of tourists in the summer made it inadvisable to grant the request. Naturally, a North Carolina Congressman is fusing about it.

Sterling to Host Miss Wool Candidates Here June 22

Sterling County is hosting a welcome to the Misses Wool and Mohair contestants here on June 22 with a barbecue and dance at the Alvie Cole ranch house. A barbecue supper will be served at about 7 p.m. and a western type dance follows in the "barn" there.

Mayor Lee Reed will greet and welcome the contestants on the courthouse square at 4 p.m. that Saturday and then everyone will go on out to the Cole ranch. Everyone in the county is invited. (In fact, nearly everyone will be asked to contribute something like a cake, salad or something.)

The affair is being gotten up by an interested group of citizens from the county.

Mr. and Mrs. Reynolds Lee Foster are attending summer sessions in Lubbock, Texas Tech. Both are graduate students there.

Chesley McDonald had a kidney stone operation in the Shannon Hospital, San Angelo, last week. He is reported doing fine now.

The Gene Alleys are going to live in Richardson for awhile, and Mrs. Alley is going to work on a degree. Gene will continue to ranch south of town.

In City Park Here

The Sterling Alumni Association will hold its annual meeting here Saturday, June 15. A barbecue supper and memorial service will be held that evening in the City Park. Secretary of this year's group Nan Davis, said 225 had made reservations for the dinner and everyone is invited to the dance that follows. The affair will be informal and western, said Davis.

The "Leap-Year" class of '28 will be honored at the program and that class will be on the program. Mrs. Lucille (McWhorter) Bryan of Robert Lee will play for a sing-song and Rev. Ross Welch of the class will talk. The '68 graduates will be welcomed into the association.

Davis Family Group Reunion Held Here

Descendants and connections and friends of the late Mr. and Mrs. Hank Davis gathered here last Saturday for a family reunion. A dinner was held in the City Park for the group.

Among those present were Mr. and Mrs. Jeff Davis, Jim Davis, Mrs. Winnie Mae Neill, Mrs. and Mrs. David Glass, Mr. and Mrs. Larry Glass and son, Robert, Mrs. Joe Emery, Mr. and Mrs. Will Durham, Dan and Danny Glass, Jim Hinshaw and Dale Carpenter, all of Sterling; Nell Ann Campbell of Fort Worth, Karen Ann Campbell of Los Angeles, Gary and Doris Campbell of Bryan, Stephen and Nan Campbell of Fort Worth; Mr. and Mrs. Tom D. Davis, Jeffrey, John, Diane and Joe, Mr. and Mrs. Harvey Hennigan, Jerry, Tim, Mike and Mark, Tom and Lilly McKnight, Ewell and Lucille McKnight, Jean Lambert, Blake, Lyndon, Louis, Elizabeth LLambert, Scott Holland, all of Odessa; Mr. and Mrs. Bill Hurt, Jimmy, Terrie, and Valerie, all of Arlington; Mr. and Mrs. Bill Dorsey, Beth, Jenny and Peggy of Wichita Falls; Vern Davis of Big Lake; Robert and Regina Neill, Raymond and Katherine Bynum and Louis and Ann Schneider, all of Abilene; Mary Roser of New Mexico, Nannie B. Amburgey, Bill and Betty B. McAlpine and Bill of El Paso; Dr. Bynum, Annetta and Sue Bynum of Abilene, Mr. and Mrs. Ed Aiken of Sweetwater, Lowe and Eula Slaton, Dr. and Mrs. Roy Glass and Mrs. Lulu Glass, all of San Angelo; Allen and Claire Curry of Fort Worth and Charles and Beth Meadows of Austin.

Car Thief Caught Here
Donald Lee Partridge, 18, was caught by sheriff Jim Cantrell here at 10:15 Tuesday morning as he was going through in a car stolen earlier in San Angelo. Partridge whose parents live in Dallas, had been released from the State School for Boys (reform) at Gatsville on June 6.

Mac Benge lost \$35 in money at his Fina Station and home in a burglary last Sunday night.

Mrs. Arthur Barlemann, Jr. returned home Monday night from Tyler where she had been visiting her sister and brother-in-law, the Robert Whams.

George White is in Sul Ross State College, Alpine, working on a higher degree this summer.

JOE BARNETT

Church of Christ Meeting June 16--23

The public has a cordial invitation to attend a series of gospel meetings beginning Sunday, June 16 at the local Church of Christ.

The Sunday schedule will be: Bible Study at 10:00, morning worship at 11:00 and evening services at 7:00 p.m. Weekday services (Monday—Friday) at 7:00 a.m. and week night services at 8:00 p.m.

Joe R. Barnett, well known minister for the Central Church in Amarillo, will be the speaker for this series of Bible sermons. Mr. Barnett is not a stranger to this community as he conducted a meeting here in 1963. He is a graduate of Abilene Christian College and at the present time he is a member of the Board of Trustees of Lubbock Christian College and Amarillo Christian Schools. He is co-editor of the High Plains edition of the Christian Chronicle, staff writer for Power for Today, 20th Century Christian and ACTION. He was one of Governor Price Daniel's delegates to the White House Conference on Children and Youth in Washington, D. C.

He has published a series of filmstrips for teenagers dealing with moral problems and authored several tracts in conjunction with this series. He conducts eight gospel meetings each year.

This meeting with Bro. Barnett has been scheduled for five years and we feel very fortunate to have a man of his ability, said Marion H. Hays, local minister.

Selective Service

Editor's note: Below are questions now being asked at draft boards. The answers are by Col. Morris S. Schwartz, State Selective Service Director, 702 Colorado St., Austin, Texas 78701. He will welcome your questions.

Q.—For the purpose of college student deferments, is a junior college considered an institution of higher learning?

A.—Yes, if its credits are acceptable toward granting of a baccalaureate degree by a college, university, or similar institution.

Q.—How long can a person be deferred as an undergraduate college student?

A.—He can be deferred in Class II-S until he completes the requirements for his baccalaureate degree (if completed within the normal and specified time), until he fails to pursue satisfactorily a full-time course of instruction, or until he reaches age 24, whichever occurs first.

Q.—Will men who become fathers after the new Selective Service law became effective (June 30, 1967) be deferred in Class III-A?

A.—Every case will have to be considered on an individual basis.

Q.—Does the new law make any change on fathers?

A.—Yes. Any man classified in Class II-S (college student) after June 30, 1967, can not under the law, be classified in Class III-A as a father.

REWARD NOTICE

A reward of \$500.00 will be paid by the Texas Sheep and Goat Raisers Association to any person (other than law enforcement officers) giving information causing the arrest and final conviction of any person or persons found butchering or stealing any sheep or lambs or goats belonging to any Association member in good standing. When two or more persons give information, the above sum will be divided at the discretion of the Board of the Association. When two or more defendants are involved in a single crime, the total reward is limited to \$500.00, but the conviction of one defendant, even though the other defendants are acquitted, will entitle the claimant or claimants to said sum of \$500.00. All claims must be submitted within ninety (90) days following conviction. If, upon conviction, a defendant confesses other thefts, no additional reward will be paid. All devisions concerning the payment of such reward and the conditions of payment will be made by the Board of Directors of the Association.

Social Security Tips CHANGES IN SOCIAL SECURITY LAW

One of the recent changes in the social security law will benefit many young families, according to Ted F. Moellering, of the San Angelo social security office. Benefits are now available to some workers, disabled before they reach age 31, who could not have been eligible under the old law.

"Under the old law," Mr. Moellering said, "a worker needed social security credits for at least 5 out of the 10 years before he became disabled unless he became disabled before 31 because of blindness. But a young worker might not have a chance to work enough to meet this requirement."

"Now, if he becomes disabled between 24 and 31, he needs to have worked under social security for only half the time between age 21 and the time he became disabled. Also, if he is disabled before he is 24, he will need only 1 1/2 years of work in the 3-year period ending when disability begins."

Mr. Moellering urges all workers who became disabled before 31, regardless of their age now, to get in touch with the local social security office soon, even if they have had a previous claim turned down because they had not worked enough. The new law may help them and their families. If they have young children, monthly benefits may be available to the wife and youngsters as well as to the disabled worker.

For further information and assistance in filing applications contact the social security office at 3000 West Harris Avenue in San Angelo, Texas. The telephone number is 949-4608. Or, if you prefer, contact our representative when he is in your area.

Higher Earnings Possible Without Benefit Deductions
 For older people and other beneficiaries who continue to work the recent changes in social security will enable them to make more money and still draw some or all of their social security benefits.

The amount of money a per-

son can earn in a year and still draw all his social security benefits has been raised. Beginning with 1968, a person who makes as much as \$1,680 can still collect all of his social security benefits. Even if he earns considerably more than that, he may still draw some benefits. The old law had set that limit at \$1,500, through 1967.

Here's how it now works. If you are working regularly and do not earn more than \$1,680 a year in wages, you will receive all of your social security benefits each month. If you are working regularly and make more than \$1,680 a year, \$1 will be withheld from your benefits for each \$2 you make over \$1,680 and up to 2,880. If you make more than 2,880, \$1 will be deducted from your benefits for each \$1 you make above that amount.

However regardless of your total earnings for the year you will receive your social security check for any month in which you do not earn more than \$140 in wages and are not active in self-employment. This means that you could make any amount over \$1,680 a year, and still receive your checks for any month that you do not work, but with deductions against the months you do work. Remember, these new provisions apply to earnings in 1968. The old law applies to earnings and benefits in 1967.

As in the old law, there are no deductions taken from your social security benefits for any month after you reach 72, regardless of how much you earn in the year.

The provisions of the retirement test apply also to dependents of people who are receiving disability benefits, but not to the disabled worker himself. Special rules, including medical considerations, apply to people who are receiving benefits because of disability. About 760,000 people across the country are expected to receive some \$175 million in additional benefits during 1968, as a result of this change.

Of special interest to military men and women and their dependents is a provision in the

new social security law which promises greater protection for them and their families.

Under the old law only a person's military base pay was counted toward social security benefits. Starting with January 1968, an additional \$100 will be counted for each month in which the person in military service is receiving active duty pay.

Since social security benefits are based on average earnings over a working career, you and your family may be able to receive higher benefits later because of the additional credits.

The Congress recognized that under the old law, the social security protection of a worker might be impaired during a period when he is in military service, because of the relatively low earnings covered under social security. This new provision seeks to take into account the value of payment in kind — such fringe benefits as food, housing, and clothing, medical services, which are in effect part of the serviceman's earnings.

These earnings credits will automatically be credited to your social security account, and you don't have to make any kind of application to receive them. They will not mean additional social security contributions from your paycheck, but will be attributed to the general funds of the Treasury.

AS IT LOOKS FROM HERE

By Omar Burleson, Member of Congress, 17th District

WASHINGTON, D.C. — On August 25, 1959, I introduced a Resolution in the Congress which would permit two companies of Marines to patrol the streets of Washington, which, is of course, a Federal City, in conjunction with the police.

Again on February 26, 1963 and July 14, 1965, the same Resolution was introduced and each of these was referred to the Armed Services Committee where it was opposed by the Defense Department. In fact, Departmental reports, including the district of Columbia Commissioners, were adverse to the passage of this measure.

As time went on it is common knowledge as to what happened and, finally, the Marine and Soldiers were called in to quell riots and looting.

On three different occasions the House of Representatives passed legislation which would have the effect of nullifying many of the Supreme Court's decisions affecting arrest and prosecution of criminals. The Senate did not act.

At last, they have done so, and last week a bill was passed which has as its purpose to override certain Court judgments which have handicapped law enforcement and provided assistance to police enforcement in the States.

Title I of the bill provides planning grants and action grants to State and local law enforcement agencies to develop and strengthen the total service. Title II of the Bill seeks to give authority back to the trial courts that they may not be handicapped by these decisions which have given encouragement to the criminal as against the public interest. The tendency of the Federal courts, and especially the Supreme Court, to disrupt the finality of State court decisions has eroded respect for law and diminished the fear of punishment.

Another important part of Title II says that the Supreme Court can not review the question of the voluntariness of a confession when the voluntary aspect has already been settled by the highest court of a state. Under the proposed legislation, the standard for admitting confessions as evidence will return to the time-tested standard of true voluntariness. It sets aside the inflexible and technical rules established in the so-called Mallory, Escobedo and Miranda cases.

Title III, to which much opposition developed, is concerned with permitting wire-tapping in the investigation of serious Federal crimes. This section allows a court to order electronic surveillance under the lawful search provisions of the Fourth Amendment to the Constitution. This power will give much needed assistance in the war on organized crime. The Justice Department has identified an estimated 5,000 members of the Cosa Nostra but has succeeded in indicting only 200 and convicting only about 100 since 1961.

Title IV prohibits interstate mail order sale of handguns.

Methodist Pastor Is Returned

The Rev. Phil Robberson, local Methodist pastor, was returned to the Sterling City church the first of this month in action by the annual conference. The meeting was held in Austin this year, due to the HemisFair in San Antonio.

The Rev. Robberson has served the church here for two years next September. He replaced Bill Wiemers, who joined the chaplain corps two years ago, while serving as pastor here.

Wiemers to Vietnam
The Wiemers family were visiting friends here last week and before June is over, Bill, in his capacity as chaplain in the U.S. Air Forces, will go to Vietnam for a year of overseas duty. He is stationed in California, and Mrs. Wiemers and the children will stay in California while Bill is overseas.

To Attend VFW Convention

Mr. and Mrs. George Turner will attend the VFW State Convention in Fort Worth on June 20-23. They will serve as delegates for Post 1815 of San Angelo.

Cooper T. Holt, executive director of the Washington office of the Veterans of Foreign Wars, will represent the National organization at the 48th annual department of Texas Convention in Fort Worth.

Site of the convention activity will be the Texas Hotel in Fort Worth.

EVERYBODY, but everybody is invited and welcome to attend the dance following the Alumni supper here Saturday night. Be there.

WHOLESALE

It does not affect rifles and shotguns and does not limit the right of the person under the Constitution to keep and bear arms. It does prohibit all sales of handguns to persons under 21 and to non-residents of the State. It does require gun dealers to be licensed by the Federal Government and to keep records of acquisition and disposition of their sales.

This is a section which gives considerable concern to many of us who have been opposed to the Federal Government injecting itself into this Constitutional right of the individual but as a "take it or leave it" proposition, with the other desirable provisions of the Law, it was acceptable to the House of Representatives. Personally, I would prefer not to see this sort of license power given to the Federal Government, feeling it is a "foot in the door."

On the other hand, the so-called Dodd Bill in the Senate imposes far-reaching restrictions, and the action in the Bill approved by the Congress and sent to the President may stop this further infringement by the Federal Government on gun control.

The omnibus crime control act already bears the imprint of many restrictive changes and additions. If America is to be made safe for its citizens, this is a long step in the right direction.

LIONS CLUB

The Lions Club luncheon was held at Wednesday noon in the community center with three guests being present. They were Doug Robinson, R. T. Caperton and John Davis.

President Jim Davis reminded the club of the Alumni meeting and dance here this Saturday night. He said the dance was open to everyone. Cost would be \$1.25 per person.

The club voted to transfer the money left in the Lions baseball park fund over to the Little League fund.

County judge Jake Martin said if the Hill-Burton grant for the local nursing home was not received, the county would have to cut the size of the home down to fit the bond issue of \$200,000.00 that was voted here.

County agent Arthur Barlemann reminded members of the club of the rabies shots for pets here next Monday afternoon.

It was announced that ladies night and installation of officers would be held on June 28 at the community center at 8 p.m. No day meeting will be held that week, it was said.

Mr. and Mrs. Finis Legg visited relatives in Marble Falls on Memorial Day week end. They visited, along with Mr. Legg's parents, Mr. and Mrs. A. C. Hennig of San Angelo, Finis' sisters and brother-in-laws, Mr. and Mrs. Norman Farrell of San Antonio and Mr. and Mrs. Decon Parsons of Wichita, Kansas. They all met at the Farrells cottage on Cottonwood Shoals near Marble Falls. They enjoyed boating and fishing.

Civil Service

Federal agencies, principally in the metropolitan area of Washington, D. C., need Electronics Technicians. The work involves maintenance, testing, and development of various electronic equipment, ranging from radio, radar, and sonar devices to computer systems.

Both general and specialized experience are basic requirements for Electronics Technician positions, except where education may be substituted for such experience. Entry level for eligibles depends on quality and quantity of both. No written test is required.

Starting annual salaries range from \$5,331 to \$10,927. Ask for Announcement No. WA-7-19.

Additional information on these and other Federal jobs may be obtained from the Civil Service Commission in Washington, D. C., 1900 E Street, NW, 20415, or from any one of 65 Intergovernmental Boards of Civil Service Examiners.

JAYNE B. SPAIN, ONE OF THE PIONEERS IN EMPLOYMENT OF THE HANDICAPPED, IS THE FIRST WOMAN TO HOLD THE POST OF VICE CHAIRMAN OF PRESIDENT JOHNSON'S COMMITTEE ON EMPLOYMENT OF THE HANDICAPPED. SHE IS ALSO PRESIDENT AND GENERAL MANAGER OF ALVEY-FERGUSON, AN OPERATION OF THE HEWITT ROBINS DIVISION OF LITTON INDUSTRIES.

MRS. SPAIN'S EFFORTS TO ASSIST THE HANDICAPPED ARE BEST ILLUSTRATED IN HER COMPANY, WHICH MAKES CONVEYOR EQUIPMENT. SHE HAS SHOWN EXHIBITS OF THE COMPANY'S PRODUCTS AT MANY FOREIGN TRADE FAIRS, WITH BLIND WORKERS ASSEMBLING THE COMPLICATED CONVEYORS!

ON 1966, SHE WAS HONORED WITH A MEDAL BY THE AMERICAN FOUNDATION FOR THE BLIND, AND GIVEN AN AWARD BY THE PEOPLE TO PEOPLE COMMITTEE FOR THE HANDICAPPED.

"INDUSTRY RECORDS SHOW THE HANDICAPPED OUTPRODUCE THEIR ABLE-BODIED FELLOW WORKERS", SAYS MRS. SPAIN. "THEY ARE MORE CAREFUL WORKERS, SO THEIR SAFETY RECORDS ARE BETTER. THEIR VERY PRESENCE IN A COMPANY ACTS AS A CATALYST TO RAISE THE MORALE OF THE ENTIRE WORK FORCE".

CEREAL packages have taken on a new look. The backs of many Post Cereal packages are a miniature recipe file containing wonderful new recipe ideas for ways to use and serve cereal.

Did you know that bran and prune flakes are delicious served with sour cream or yogurt? All you do is stir enough milk into sour cream or yogurt until it's the right consistency, pour the mixture over the cereal and sprinkle brown sugar on top.

Another flavorful way to use bran and prune flakes is with sweet potatoes. This casserole would be the perfect accompaniment to roast pork or ham.

Sweet Potato Casserole

One 1-lb. 2-oz. can sweet potatoes; one 8 1/2-oz. can crushed pineapple; 3 tablespoons butter, melted; 1 slightly beaten egg; 2 tablespoons brown sugar; 1/2 teaspoon salt; 1 1/2 cups bran and prune flakes.
Drain and mash potatoes. Blend in pineapple, 2 tablespoons butter, egg, sugar, and salt. Gently stir in 1/2 cup cereal. Bake in a 1-quart casserole at 350° about 20 minutes. Mix remaining butter and cereal; sprinkle over top of casserole. Makes 4 servings.
