

DID YOU KNOW THAT:

5 FOREST FIRES EVERY 24 hrs.

Each year, for the past 5 years, over 2,000 fires occurred annually in the pine-hardwood area of East Texas, burning 47,000 acres of valuable timberlands. In addition, improvements such as homes, barns, fencing, and improved pastures were destroyed. These fires were man caused, for the most part, and could have been prevented if someone had used care with firebrands out of doors. Your Texas Forest Service urges you to take every precaution when doing any outdoor burning.

### Fire Department Suggestions

TO REPORT A FIRE

1. DIAL 8-4771.
2. GIVE YOUR FULL NAME
3. GIVE THE LOCATION OF THE FIRE AND WHAT IT IS (HOUSE, BARN, OR WHATEVER), AND HOW TO BEST GET TO IT.
4. STAY ON THE PHONE, IF POSSIBLE, UNTIL THE PERSON TAKING THE CALL HAS ALL THE INFORMATION HE WANTS.
5. IF IT IS A HOUSE FIRE CLOSE ALL DOORS AND WINDOWS YOU CAN GET TO SAFELY, THEN GET IN THE CLEAR AND STAY AT THE SCENE. ONCE YOU ARE OUTSIDE THE HOUSE, DO NOT GO BACK IN THE BUILDING!

WHEN THE SIREN BLOWS

1. STAY OFF THE STREET OR ROAD BEING USED BY THE FIRE TRUCKS AND FIREMEN.
2. DO NOT PARK CARS OR TRUCKS WITHIN ONE BLOCK OF THE FIRE.
3. NEVER, NEVER RUN OVER A FIRE HOSE, EVEN IF IT IS FLAT.

In all instances, use common sense, be as calm as you can, and give all information clearly completely, but in as few words as possible.

#### REWARD NOTICE

A reward of \$500.00 will be paid by the Texas Sheep and Goat Raisers Association to any person (other than law enforcement officers) giving information causing the arrest and final conviction of any person or persons found butchering or stealing any sheep or lambs or goats belonging to any Association member in good standing. When two or more persons give information, the above sum will be divided at the discretion of the Board of the Association. When two or more defendants are involved in a single crime, the total reward is limited to \$500.00, but the conviction of one defendant, even though the other defendants are acquitted, will entitle the claimant or claimants to said sum of \$500.00. All claims must be submitted within ninety (90) days following conviction. If, upon conviction, a defendant confesses other thefts, no additional reward will be paid. All deviations concerning the payment of such reward and the conditions of payment will be made by the Board of Directors of the Association.

### NOSTALGIA IS A NO-NO

How many women have you heard yearning for the "good old days?" One? None?

By and large, females don't seem to show nostalgia for the past. Especially women who earn income and travel as business or professional women. Stopping at exotic places they can also select where to dine, which hotel to reside in and enjoy freedom of choice.

The good old days had fewer choices. As recent as 1829, when Boston's Tremont House was the country's first hotel to install bathrooms, it had only eight water closets and eight bathing rooms—in the basement. A wash bowl, a pitcher, and a free cake of soap in each room made the hotel "modern."

Today, 60 million American women will be under water within the next 24 hours. That's the estimated number of showers turned on by women in their homes or in hotels.

A far cry from the pitcher with a small cake of soap, today's hotel rooms with bath are routine. Par for the course also are toiletries designed for travel which grant the career woman all the conveniences and comforts of home.

20th Century woman going across the prairies today isn't as apt to fear ambush as she is to carry it with her. Ambush Shower Gelee with Sponge Mitt, made by Dana Perfumes, is for the woman who can't decide whether to shower or tub-scrub. She does both with Ambush Gelee from a tube (un-

breakable) which she attaches to the hotel showerhead. It dispenses onto a sponge mitt, foaming with cleaning action like soap, but it leaves skin soft and dewy.

An after-shower oil spray, followed by Ambush Shower

Powder Cake (doesn't spill) gives mobile women more travel-power and contemporary conveniences.

Contemporary males, responding favorably to cosmetic lines for men and becoming more venturesome in attire, indicate the stronger sex might also be giving nostalgia the no-no and joining less sentimental females who favor present and future much more. Such unity could be the beginning of a more beautiful future? The good new days? Cleansed of the errors from the past? It's a thought to tuck under the shower cap and soak up.

### For Social Security

Want to get that first social security on time?

"Everyone does, but not enough people do anything about it," says Ted F. Moellering, District Manager of the San Angelo Social Security Office.

According to Mr. Moellering, every person who files an application for social security benefits will be asked to present certain proofs. Most applicants will also be asked to give the exact amount of earnings for the past year and for the current year.

Most persons do not bother to find out ahead of time exactly what they will need. "George waits until the day he files an application," said Mr. Moellering. "Then he has to go back home and dig around for records, or write letters requesting the necessary documents, causing a delay in the processing of his claim."

A claim for social security benefits may be filed as early as three months before entitlement to benefits.

Mr. Moellering suggests that claimants get in touch with the social security office several months before this three month period to find out ahead of time what proofs and information will be needed.

"The satisfied applicant," continued Mr. Moellering, "is the one who does this, and consequently has all necessary proofs and information with him. The result—everything is completely taken care of during this one visit at the social security office, and he gets that first check right on time."

"Social security relies to a great extent on each beneficiary's ability to report events which will affect his monthly payments," said Ted F. Moellering, Social Security District Manager. Among those events that the beneficiary should report are changes of address, stopping or starting work, changes in estimated earnings during the year, and a beneficiary's death, marriage, divorce, or annulment.

Each beneficiary receives a special card to fill out and send to his local social security office when a report must be made. Reports are relayed to the paying office by electronic means to avoid delays in updating records.

Those needing to report a change should request form SSA-1425 from the Social Security Office at 3000 West Harris in San Angelo, Texas, or see the representative when he is in your area. Any of our representatives will be glad to give you the necessary forms.

The traditional retirement age in private industry is 65. The gold watch is presented at farewell ceremonies, the company pension begins, and social security and Medicare become a part of the person's life.

But what is a person wants or needs to retire earlier? Recognizing that for various reasons employment cannot always continue until age 65, social security provides for early retirement at age 62.

Benefits which begin before age 65 are reduced proportionately month by month for each month before age 65. The full reduction at age 62 is 20 percent.

However, a person who begins receiving checks at age 62 would be about age 77 before he begins losing money by having taken the smaller amount at age 62 rather than waiting until age 65.

Any person approaching age 62 who is contemplating early retirement or partial retirement, or whose earnings have been rather low in recent years, should get in touch with social security to explore the possibility of getting early retirement insurance payments.

### Social Security News

Persons receiving social security disability benefits must report improvement in their condition to the Social Security Administration. Ted F. Moellering, social security district manager, stated that disability beneficiaries must also report a return to any kind of work.

Mr. Moellering made the announcement because of several recent cases in which beneficiaries were overpaid because these two events were not properly reported and benefits not due were continued. Overpayments have to be refunded and this can work a financial hardship on those having to repay benefits.

Mr. Moellering explained most overpayments in these cases occur because beneficiaries misunderstand the requirements of the law. Disability benefits can be paid only if an individual is so disabled he can't do any kind of a job, not just his regular job. Therefore, any improvement in the disabling condition has to be reported. Too, when a disabled worker does some work, even if it is sheltered or light work, it must be reported so that a determination can be made immediately about whether benefits should continue.

Mr. Moellering pointed out that in some cases, disabled workers can get benefits can get benefits up to nine months while they try out some job to see if they can do it, but their work still must be reported.

For more detailed information check with the Social Security Office located at 3000 West Harris Avenue in San Angelo, Texas, or see the representative when he is in your area.

### DISABLED WORKER NEWS

Disabled workers should file their social security applications early, according to Ted F. Moellering, social security district manager. Although benefits for disability cannot be paid until after a worker has been disabled for six months, an application can be filed any time after a disability begins.

Mr. Moellering explained that the process for determining eligibility for disability benefits can sometimes be rather long and complicated. Therefore, no one should delay applying until the six months waiting period expires. Applying early permits the claims process to begin so that a decision can be made early enough to mail the first check on time.

Mr. Moellering reminded Sterling City readers that social security benefits are payable to workers when they have become too disabled to do any substantial work. The disability must be expected to last at least 12 months. A disabled worker's children under age 18 (and those 18 to 22 who are full-time students) and his wife may also qualify for benefits.

Contact your Social Security Office at 3000 West Harris Avenue in San Angelo, Texas, or see the representative when he is in your area for more information.
