## Livestock Show To Be Next Monday

Judging to Start at 8:00 a.m.

The Sterling County Livestock show will be held in the show barn on Monday, January 19. The show is sponsored by the Sterling County Livestock Show Association. Officers of the group are: Neal J. Reed—president, Charlie Davis—vice-president, S. K. Horwood, treasurer, and Fred Igo and Arthur Barlemann, Jr. secretaries. Show superintendent for the 1970 show is Ray Nixon and Bill Barrett is assistant superintendent. B. R. Bynum is in charge of the lamb resale.

W. M. "Dub" Day, county agent at Rankin will judge the show as well as sift and classify the market animals. Judging will start at 8 a.m. Monday, January 19. There will be approximately 150 fat lambs, ten registered Rambouillets, six registered Hampshire ewes and rams, several groups of range ewe lambs, and about twelve pigs in the show. The fat lambs will consist of finewool lambs, crossbred lambs, medium wool lambs and other breed lambs.

The sale will start at 2:00 p.m. in the show barn. Auctioneer will be Riley King. Worth Durham is chief sale clerk and will be assisted by Charles Probandt and Herb Senne.

Lunch will be available at noon in the community center. It will be served by the Women's Society of Christian Service of the local Methodist Church.

Ribbons for the show are provided by the Concho Valley Electric Cooperative. Two medallions for the show are provided by the Texas Sheep and Goat Raisers Association and the County Show Association officials. Showmanship belt buckles are provided by Holland's Jewelers of San Angelo with one for the outstanding showman in the fat lamb division and one in the breeding sheep division.

A number of trophies are provided for the winning animals in various classes. Donors and the class they provide a trophy for are: Champion finewool lamb, Reed Rotating Trophy by L.R. Reed, and a permanent trophy by the Sterling County Young Ranchmen's Association; permanent trophies as follows: Champion crossbred lambs, Ray Nixon trophy; Champion medium wool lamb, Ralph Davis trophy; Champion Southdown and other breeds, Sterling County Young Ranchmen's Association; Champion group range ewe lambs, William & J. Q. Foster trophy; Champion Rambouillet ram, Epsilon Zeta Club trophy; Champion Rambouillet ewe, Noratadata Club trophy; Rambouillet flock, Betty Jo Wright trophy; Champion Hampshire Ram, Riley King trophy; Champion Hampshire ewe, Brooks Dry Goods trophy; Champion market pig, Charlie Davis trophy.

All market livestock must be in the barn Sunday evening, January 18. The lambs will be weighed and divided into equal weight classes on Sunday. All 4-H Club boys and girls and FFA boys are entering stock in the show.

The 4-H Club and the FFA mothers will operate a concession stand in the barn.

### Hospital Board Has Annual Meeting

The Sterling County Hospital Board met Tuesday night in the January meeting with county officials as guests.

Present were board members Foster S. Price, H. L. Hildebrand, Robert Foster, Dr. W. J. Swann, and Worth Durham; administrator Mrs. Joe Emery; and county judge J.K. Martin, county clerk W.W. Durham; county commissioners Dayton Barrett and C. W. Smith and Jack Douthit. Board member Earl Bailey was absent.

A yearly report of the business of the hospital was given by the administrator. Total admissions in 1969 were 198, with 56 of them being medicare patients. There were 1580 total patient days last year. Nineteen births were recorded and three deaths.

Operating income of the hospital in 1968 was \$79,508.87; in 1969 it was \$82,766.95. Expenses in 1968 were \$73,647.37 and was \$82,028.20 in 1969.

Salaries were \$37,495.11 in 1968 and were \$45,634.15 last year.

The six women that completed the LVN one year course of study in San Angelo last fall all made real good grades, reported the administrator and one, Mrs. Ruth Hill, made in the top ten percent of the nation in grades. Mrs. Ruby Nord and Mrs. Nell Currington are working at the hospital here and Sue Griffin and Algerne Tomlinson are both working at the Shannon Hospital in San Angelo. Mrs. Max Duncan has moved to Lubbock, and Mrs. Hill was already working at the local hospital.

The administrator said that Mrs. Hill made a grade of 728 out of a possible 750 and all of the women made over 600 on their grades. All were granted licenses and were highly praised by the teacher of the class, Mrs. Jake Hoover.

Judge Jake Martin said that the architect on the nursing home and hospital improvements said that the bids for the new building would be advertised in the middle of May and let thirty days later. Construction should start 30 days after the bids are let, it was said.

### Mrs. Reynolds Foster Noratadata Hostess

Mrs. Reynolds Foster was hostess to the Noratadata Club in her home Friday, January 9. She served a dinner plate to members and three guests, Mrs. Rufus Foster, Mrs. Bill J. Cole and Mrs. Jim Windle.

The club members voted to buy uniforms for the Giants, one of the teams in the Little League and to sponsor them for one year. The members had previously voted to buy one uniform for the softball team and to pay \$500.00 to the Community Center Improvement Project.

A program entitled "Headlines of 1970" was presented by Mrs. Worth Durham.

Bridge was played and high score was made by Mrs. Charlie Probandt, second high by Mrs. Foster S. Price, low score by Mrs. Bobby Dodds and Mrs. Jim Windle was high cut. Other members present were Mrs. Hubert Williams, Mrs. James Thompson, Mrs. I. W. Terry, Mrs. Martin C. Reed, Mrs. Nan Nunnally, Mrs. Stan Horwood, Mrs. J.I. Cope, Mrs. Billy Ralph Bynum and Mrs. Henry Bauer.

Mrs. Jim Windle and two children of Denver, Colorado, visited her parents, the Finis Westbrooks here last week.

### Bank Stockholders Met Tuesday

The stockholders of The First National Bank of Sterling City held the annual meeting at the bank Tuesday morning. Flavy Davis presided for the stockholders. Rev. Harold Orr gave the opening prayer. The stockholders re-elected all the directors, being Flavy Davis, Worth Durham, Clyde Ross Foster, Royal T. Foster, Jr., H. L. Hildebrand, D. Kirk Hopkins and Roland Lowe.

Then in turn, the directors renamed the officers of the bank, being—H. L. Hildebrand, president; Worth B. Durham, vicepresident; D. Kirk Hopkins, executive vice-president and cashier, and Mrs. Nan E. Davis Nunnally, assistant cashier.

The bank had a very successful year, stockholders were told. President Hildebrand said the bank netted \$34.70 per share of stock in last year's operations.

Fourteen of the bank's stockholders were present for the meeting.

### Phone Rates to go Up Next Month

Business Rates To \$14 and Houses To \$7.00

The Sterling City Council granted a rate increase to the General Telephone Company here Monday. The phone company had been petitioning the council for a raise in rates for several months.

Business rates will go from \$11 a month to \$14. One-party residence rates will go from \$5.75 to \$7; and two party residence rates will go from \$4.75 to \$6. All extension rates remain the same.

Rural rates will go from \$9 to \$13 on business phones and rural residences will go from \$5.75 to \$7. All new rates go into effect with the February 22 billings.

It has been eight years since the last increase in phone rates happened here. The raise actually amounts to 2% a year since that last rate increase.

### Cecil Long Dead

Cecil Long, former druggist here, died in a hospital in Killeen last Sunday morning, and funeral services were held there Monday afternoon. Mr. Long operated the Long Drug Company here for several years before moving to Killeen and opening the Long Drug Company there.

### Mrs. Ray Tindall Dies

Mrs. Ray Tindall, a former resident here, died last Sunday. The Tindalls had moved to Rockdale from here several years ago. Ray had operated the Tindall Garage here for several years. Mrs. Tindall, it was reported, had a bad heart which caused her death.

### Receives Job Promotion

Ralph Gonzales, son of Mrs. Mrs. Lula Gonzales of Sterling City, and a civil service employee at Kelly Field in San Antonio, received a job promotion there effective November 2. Ralph is a mechanic on aircraft motors there and has been employed there for many years.

### PTA Needs Recipes

The Sterling City Parent-Teacher Association is putting out a cookbook with favorite recipes of local persons in it. They need more of your favorite recipes, it was said.

If you will turn in one or more of your favorites to be included in the book, please call Mrs. James Thompson or Mrs. Stan Horwood.

### Rainfall Was 29.60 in 1969

Jim Hinshaw, cooperater for the U.S. Weather Bureau here, chalked up 29.60 inches of rainfall here during 1969.

The rainfall by months was as follows:

January	.08
February	.40
March	1.89
April	4.03
May	3.54
June	.91
July	.18
August	5.31
September	5.92
October	3.47
November	1.76
December	2.11
TOTAL	29.60

### LIONS CLUB

The Sterling City Lions Club met at noon Wednesday in the community center for the regular weekly luncheon. Jay Nixon was a guest of Dr. Swann. Three Lions from the Southside Lions Club of Midland were guests—being Leonard L. Hanson, Forrest Lineberry and Walter Lee Sutton, Jr.

Club president A. C. Lively talked briefly about the club again sponsoring a youth rodeo or play day here in conjunction with the Old Settlers Reunion in August. He thought it should be made an annual affair, giving the youth of this area something to look forward to.

County agent Arthur Barlemann Jr. told of the plans for the Sterling County Livestock Show here next Monday.

### Juniors Beat St. Mary's

The local junior high basketball team, coached by Danny Slaughter, won both boys and girls games over Saint Mary's of San Angelo here on Monday afternoon. The Sterling boys won 41 to 36 in a close game and the girls easily won over St. Mary's 32 to 12.

### Cancer Meeting Monday at 7:30

The Sterling County Chapter of the American Cancer Society will meet at seven-thirty Monday evening in the community center, it has been announced. All board members are urged to be present, as well as any other persons interested in the work of the group.

### School Enrollment Now 245

The Sterling City schools now have 245 pupils enrolled in the grade and high schools.

There are 185 pupils in the grade school, reports superintendent O. T. Jones and 60 in the high school. At least three more pupils are expected to be enrolled by the end of the month, it was said.

### Old Sheets Needed CANCER BANDAGES

Mrs. Riley King, head of the local Cancer Chapter, said this week that there was a big need for old sheets to make cancer bandages with. She asks that anyone who has old sheets that they would contribute for such purpose, to take them to Brooks Dry Goods and leave them soon. They will be picked up there and made into bandages by volunteers.

### New "Way" For Car License Buying

It'll be easier and simpler this year to register your car, or buy your plates for 1970.

Every car owner is being sent a three part card deal and all he has to do is to take the three way card to the office of the tax-collector and pay his license fee. Or, he can mail it in, along with an extra dollar, and the plates will be mailed back to him.

You don't have to look up your car title this year, if you got one of the card deals and still have that car listed. If you have sold that car, just throw away the cards.

There will be time saved in busy collectors offices and, if you don't have time to go to the courthouse, you can just mail it all in; the license fee and one extra dollar.

You will be given one card for a receipt, the tax collector will keep one and one will be sent to Austin headquarters.

### Oil News Notes

Lone Star Producing Co., Midland, set 4½-inch casing at 8,693 feet, the total depth, and was prepared to move in a completion unit at the No. 1 V.M. Wilkinson, in 207-2-H&TC, Sterling County wildcat, eight miles northwest of Sterling City, three miles north and slightly west of the McEntire (Fusselman oil and gas) field and 3½ miles south of the Sterling Northwest (Fusselman field, but separated by failures).

A drillstem test in the Fusselman at 8,520-646 feet, recovered 90 feet of drilling mud, 90 feet of slightly oil- and gas cut mud and 620 feet of very slightly gas-cut mud.

Pennzoil United, Inc., No. 1-18 Foster, in 18-13-SPRR, ½ mile north and 1½ miles south east of Fusselman production in the north portion of the WAM, South multipay field of Sterling County and eight miles south of Sterling City, assured with the flowing of 250 barrels of oil, no water, in 13 hours.

It kicked off and flowed the above gauge after two swabs runs through perforations at 8,512-17 feet, which has been acidized with 130 gallons, plus 9.3 barrels of brine. Tubing pressure was 950 pounds; gas-oil ratio 1.213-1. There was no water.

Total depth is 8,600 feet.

The Bob Hays family of El Paso visited his parents here last weekend. Bob works for the El Paso Natural Gas Company.

CHARLOTTE FOSTER GETS HOMEMAKING AWARD FROM McCALL'S

Charlotte Foster, daughter of Mr. and Mrs. Ross Foster, has been selected for Membership in McCalls Teen Fashion Board for outstanding achievement in sewing and clothing class work. Charlotte was awarded membership in this national honoring organization. She was nominated by her home economics teacher, Mrs. Early Barton.

**Texas Highway Construction Here**

The Texas Highway Department has announced a new construction project on U. S. Highway 87 in Sterling County, from Sterling City South-east a distance of 8.0 miles. The construction will consist of grading, drainage structures base and surfacing on two additional lanes and reconstruction of the existing two lanes to provide a four lane divided highway. The Texas Highway Department and the contractor, Strain Bros., Inc., of San Angelo stated that construction began December 30, 1969 and will be completed by June of 1971.

H. L. Bailey, Supervising Resident Engineer, in charge of construction on the project, explained that traffic will be routed over the existing pavement while two new lanes are being constructed. The traffic will then be routed over the newly constructed pavement while the old lanes are being reconstructed. Although traffic will be on pavement at all times, motorists should use extreme caution while passing areas where construction is in progress. The entire project will be zoned for a maximum of 45 miles per hour. Cooperation of the public is requested in obeying all traffic signals, warning lights, and speed zones, Bailey said.

**Social Security**

A number of widows and surviving children of deceased workers in this area could be missing out on social security money due them, according to Ted F. Moellering, district manager of the Social Security Office. Many changes have been made in recent years concerning benefits for widows and children. Some who would be eligible do not know about the new rules, Mr. Moellering said. Mr. Moellering further noted that at present there are over three million young widows and children receiving a monthly social security check.

A widow who is completely disabled and over age 50 can receive reduced widow's benefit if she becomes disabled within seven years of her husband's death or the time she last had a child entitled to benefits in her care. Also, widows who remarry after age 60 may retain a part of the widow's benefit.

Children who would be otherwise entitled because of the death, disability, or retirement of a parent except for being over age 18, can now receive student benefits if they are in full-time school attendance, unmarried, and under age 22.

Children also have full protection now on their mother's account under the same rules that apply to a father's account. This present law will result in a number of children being able to receive social security benefits when their mother dies or becomes disabled, including some who were previously turned down under the old law, Mr. Moellering said.

Anyone knowing someone who might qualify for benefits under these provisions is urged to have them get in touch with their Social Security Office at 300 West Harris Avenue in San Angelo, Texas, or see the representative when he is in your area.

## New Texas Almanacs Now Out

Many new features have been combined with traditional information in the 1970-'71 edition of the Texas Almanac, published by The Dallas Morning News.

The 704-page publication includes, among other material, the following information not found in previous editions, Walter B. Moore, editor, said: Texas athletic records since World War II.

A new map for use in calculating sunrise and sunset times in Texas.

A summary of major nonpetroleum minerals in Texas.

A history of the sheep and goat industry in Texas.

Number of deer killed in each Texas county.

The original account of Col. Wm. B. Travis drawing a line with his sword in the Alamo, as first published in the 1873 Texas Almanac.

New listings of courts, Congressional, Texas Senate and House districts by counties.

Latitude and longitude of 254 county seat towns.

Literary awards to Texas authors, and list of poets laureate of Texas.

Updated information will include the vote in elections, names of state, county and municipal officials, members of appointive boards, officials of state and regional civic organizations, enrollment in colleges and universities, estimated populations of cities and counties, statistics on employment, payroll, banking, insurance, public welfare and much other material.

Other features include the complete text of the Texas Constitution, up-to-date maps and historical, agricultural and economic information for 254 counties, and chapters on minerals, agriculture, business, transportation, and other phases of Texas today.

Tourism and recreation are emphasized in the 1970-'71 edition, with a description of recreational attractions written especially for the Texas Almanac by Texas Tourist Development Agency.

Elisabet Ney's famous statue of Sam Houston, which stands in the Texas Capitol, is shown on the cover. The new edition contains more color photographs than any previous Texas Almanac, which has been published since 1857.

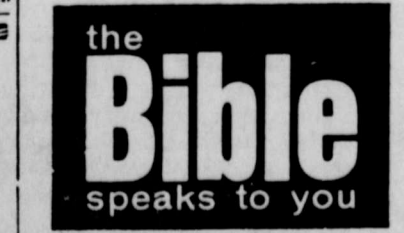

Texas newspaper editors, county agricultural agents, chambers of commerce, trade association and civic organization executives, authorities of the University of Texas Bureau of Economic Geology, U. S. Department of Agriculture, Texas A&M University and many others have contributed information for the new edition.

The new almanacs may be bought locally from the News-Record.

## U.S. Border Patrol Seeks Applicants

The U.S. Border Patrol of the Immigration and Naturalization Service has an urgent need for physically fit young men desiring a career in Federal law enforcement work. This is a career opportunity for those who like action and outdoor work.

The Border Patrol is the mobile, uniformed enforcement branch of the Immigration and Naturalization Service. Its principle purpose is to prevent the smuggling and illegal entry of aliens into the United States. The border patrolmen, called Immigration Patrol Inspectors, work along international boundaries, although their duties are not necessarily confined to these areas. They work in jeeps, cars, on foot, in boats and even in airplanes. Officers investigate violations of the immigration laws and frequently make arrests. They are often required to work irregular hours, under all weather conditions. These duties demand mental alertness as well as exceptional physical vigor and stamina.

The entrance salary of an Immigration Patrol Inspector is \$7,639 a year (Grade GS-7). There are promotional opportunities up to executive levels in the Immigration and Naturalization Service. On-the-job training offers splendid opportunities for promotion to positions of greater responsibility.

No experience is required for these positions. To qualify, applicants must pass a written test of verbal abilities, judgment, and aptitude for learning a foreign language. Candidates who pass the written test are called for oral interviews in the order of their standing on the list. The oral interview is designed to determine if the candidate has the personal qualities needed for the work. Applicants must also pass a rigid physical examination. Candidates who are selected for appointment are assigned to the Border Patrol Academy for a period of intensive training in such subjects as immigration laws, Spanish, physical training and marksmanship. Trainees receive full pay while in the academy.

Applications are now being accepted for the civil service examination for Immigration Patrol Inspector which will be held on Saturday, January 24, 1970. An additional examination is scheduled for April, 1970. However, those wishing to be tested in January must submit their applications before December 19, 1969. Full information is given in Announcement No. WAM-911 which may be secured from Interagency Boards of Examiners and from many post offices as well as any office of the Immigration and Naturalization Service. Applications should be submitted on the tearout application form on the announcement or CSC Form 50000AB and forwarded to the Interagency Board of U. S. Civil Service Examiners for Washington, D.C. 1900 E St., N.W., Washington, D.C. 20415.

Information concerning the patrol inspector position and this announcement may be obtained from the U. S. Immigration and Naturalization Service, P. O. Box 2539, San Antonio, Texas 78206, or by calling 512-225-5511, Extension 214.

## NEW SHIP IS A VACATION CITY AFLOAT

This chilly season, there's a palatial "floating city" carrying smart American vacationers southward to islands where winter never comes.

She's the Cunard Line's 65-, 863-ton Queen Elizabeth 2 — or QE 2, to her friends. Sailing from New York for the Caribbean, the luxury liner will winter-cruise you to such tropic playgrounds as St. Thomas with its palm-fringed blue sea and white beaches . . . to the spice island of Grenada, fragrant with cloves, nutmeg and cinnamon . . . to French Martinique, birthplace of Napoleon's Josephine . . . to Holland's Curacao and the tropical island-republics of Jamaica, Trinidad and Barbados.

But the QE 2 is much more than a vehicle for traveling between storybook ports. Of herself, she's a luxury vacation resort for her 1,500 pampered cruise passengers (compared with 2,025 on transatlantic sailings). And because the Queen Elizabeth 2 operates as a one-cruise ship, all services and activities are open to everyone.

The five decks of staterooms — most of which look out over the tropical sea and lush Caribbean islands — are topped by four decks of public rooms for dining, dancing, shopping or just lazing. All staterooms have private toilet and bath or shower, telephone, six-channel radio and air-conditioning. And for peace and quiet amid tasteful, eye-soothing elegance, each room is soundproofed.

Nothing that will add to passenger comfort and cruise pleasure has been overlooked. Three gourmet restaurants cater to the most fastidious taste. For night-clubgoers, the two-deck-high Double Room, largest entertainment palace afloat, stages an array of sparkling shows for up to 800 people at a time.

For a more casual pause that refreshes, saunter into the Midships Bar, the 735 Club or the

Lookout Bar. If you're a movie fan, sink into the plush comfort of the ship's 530-seat theater and escape among the finest first-run films.

Or stroll through the QE 2's shopping arcade, riotous with tempting gift items for yourself or friends. Even London's famed Marlborough Gallery has a sea-going branch aboard—The London Gallery—to tempt discriminating buyers of fine paintings and objets d'art.

For the athletic, there are two swimming pools outdoors and two indoors, a fully equipped gymnasium, Turkish bath and sauna. And of course there are acres of deck space for games, brisk walks or relaxation.

Swinging discotheques and rock bands cater to the young in years and spirit while their more sedate shipmates dance to ballroom music.

The very young have their own enchanted playland aboard. Everything in the spacious, gaily decorated fun-room is indestructible. There isn't a "Don't" sign in sight. Aside from its exciting stock of games, toys and other play materials, the nursery boasts its own cartoon-film theater and a shallow splashing pool. Small playpens for the tiniest tots are attended

by the ship's nannies.

Even the family pet is welcome aboard. Sixteen can be accommodated in the QE 2's signal-deck kennels. On her maiden voyage to New York last May, one passenger was a pet mouse; its transatlantic fare was one pound sterling — or \$2.40.

Structurally, the QE 2 is rated as "the most superb example of the shipbuilder's craft the world has ever seen." Captain W. E. "Bill" Warwick, a bearded maritime veteran, has technology's most advanced navigation tools at his fingertips. The QE 2's computer, first of its kind on a passenger ship, controls her machinery, logs data, predicts freshwater needs, controls food stocks and even adds up the bar tabs!

Several times a day the QE 2 "talks" to communications satellites in polar orbit. Radar helps to pinpoint the sea giant's course and position anywhere on the globe. And with fingertip pressure, the captain can steer the 963-foot-long cruise palace with a tiller no bigger than his thumb!

It's all part of the Queen Elizabeth 2's way of making your winter vacation at sea the most memorable holiday on earth.

## Lose 10 Lbs. in 10 Days on New Grapefruit Diet

This is the revolutionary new grapefruit diet that everyone is suddenly talking about. Literally thousands upon thousands of copies have been passed from hand to hand in factories, plants and offices throughout the U.S. There will be no weight loss in the first four days, but you will suddenly drop 5 pounds on the 5th day. Thereafter you will lose one pound a day until the 10th day. Then you will lose 1½ pounds every two days until you get down to your proper weight. Best of all there should be no hunger pangs. Now revised and enlarged, this new diet plan lets you stuff yourself with foods that were formerly 'forbidden' . . . Such as big steaks, trimmed with fat, Southern fried chicken, rich gravies, mayonnaise, lobsters, swimming in butter, bacon, fats, sausages and scrambled eggs. You can eat until you are full, until you cannot possibly eat any more. And still you should lose 10 pounds in the first ten days, plus 1½ pounds every two days thereafter until your weight is down to normal. The secret behind this new "Quick weight loss" is not generally known. Stuff yourself on the permitted foods listed in the diet plan, and still lose unsightly fat and excess body fluids. When the fat and bloat are gone you will cease to lose weight, and your weight will remain controlled. A copy of this new and startlingly successful diet plan can be obtained by sending \$2 to

## Social Security Tips Medicare Patients Pay More For Hospitalization

Because of the rising cost of hospital services, Medicare beneficiaries will be paying a bit more for hospitalization in 1970.

The deductible payable by the beneficiary will be \$52 beginning January 1, an increase of \$3 over the present amount. Medicare will continue to pay for the remaining covered services for the first 60 days of hospitalization for each benefit period.

For the 61st through the 90th day of a hospital stay, the beneficiary will have \$13 a day of the covered services to pay. At present, the beneficiary is liable for \$11 a day of such costs. Medicare will continue to pay the balance, which will average over \$40 a day now.

"This increase in cost to the beneficiary is a must," according to Ted F. Moellering, social security district manager, "in order to keep the Health Insurance Trust Fund on a sound financial level."

"The nationwide average cost of hospitalization for a Medicare beneficiary in 1966 was \$37.95 per day, including costs to the patient and costs paid by Medicare," Mr. Moellering pointed out.

"This cost per day rose to \$49.34 in 1968 and with such a substantial rise in costs still continuing, an increase in the deductible paid by the patient could not be avoided."

For further information, contact the Social Security Office at 3000 West Harris Avenue (P.O. Box 3806) in San Angelo, Texas, or see the representative when he is in your area.

GET Your new 1970-71 Texas Almanacs at the News-Record now. Only \$1.95.

Persons receiving social security disability benefits must report improvement in their condition to the Social Security Administration. Ted F. Moellering, social security district manager, stated that disability beneficiaries must also report a return to any kind of work.

Mr. Moellering made the announcement because of several recent cases in which beneficiaries were overpaid because these two events were not properly reported and benefits not due were continued. Overpayments have to be refunded and this can work a financial hardship on those having to repay benefits.

Mr. Moellering explained most overpayments in these cases occur because beneficiaries misunderstand the requirements of the law. Disability benefits can be paid only if an individual is so disabled he can't do any kind of a job, not just his regular job. Therefore, any improvement in the disabling condition has to be reported. Too, when a disabled worker does some work, even if it is sheltered or light work, it must be reported so that a determination can be made immediately about whether benefits should continue.

Mr. Moellering pointed out that in some cases, disabled workers can get benefits can get benefits up to nine months while they try out some job to see if they can do it, but their work still must be reported.

For more detailed information check with the Social Security Office located at 3000 West Harris Avenue in San Angelo, Texas, or see the representative when he is in your area.
