141 Students Graduate Area Schools

Commencement Begins Friday

With the 1982-83 school year ending, many area youth are left with thoughts and a lot of memories - memories that will become milestones in their young lives. For most, these past years have been one of the most carefree times they will ever spend; some are sad; some glad, and then there are some who are just glad that it's finally over and that they can go on about the business of living their lives. Some will carry an apprehensive feeling that leaves them asking, "Where do I go from here?"

Beginning on May 20 with the Muleshoe and Three Way Independent Schools graduation and going through May 24 when Lazbuddie will graduate 14 seniors, one hundred forty-one young men and women will pass from the ranks of school students into that of the adult world. These youth have left their marks upon the schools and lives they have touched, whether good or bad; they are our makings of tomorrow and for the most part, will do the jobs before them with pride.

One hundred seven young Muleshoe men and women will make their last public appearance as seniors when they begin the commencement exercises in the Junior High Gymnasium at 8 p.m. on May 20 to the accompaniment of Elgar's "Pomp and Circumstance" played by the Muleshoe High School Band.

Valedictorian for the 1983 graduating class of Muleshoe High School is Michael Isaac, son of Mr. and Mrs. Charles Isaac. Michael has maintained a four year grade point average in high school of 3.1432 and has distinguished himself in many aspects of both sports and speech. He has served his class as president in his senior year and was named "Best All Around Boy" in 1983. Mike's future plans include the University of Texas and a career in the field of medicine.

With a grade point average of 3.0350 for the past four years, Tamara Gilliland will serve as 1983 Salutatorian of Muleshoe High School. Tamara has been active in numerous activities and organizations such as FFA, Band, and has been a member of the Annual Staff. Tamara is the daughter of Mrs. Jessie Robinson and Wayne Gilliland of Muleshoe. Her future plans include college and a career.

The graduation address will be given by Brock Saunders, Pastor of the Richland Hills Baptist Church and will precede presentations of the Class of 1983, scholarships and awards and the awarding of diplomas.

Immediately after graduation exercises, a reception for all Muleshoe seniors will be held in the High School Cafeteria.

Three Way High School at Maple will begin their graduation ceremonies at 8 p.m. also on May 20, with twenty students in the graduating class.

Valedictorian for the 1983 class is Maribel Zamora, the daughter of Mr. and Mrs. J.C. Snitker of the Enochs community. She has attended Three Way High School for four years, and will graduate with a four year grade average of 93.26. Maribel has been a member of the National Honor Society, as well as an officer in that organization and president of the Student Council. The University of Texas figures in her plans for the future.

Red Raider Day Set Thursday

Muleshoe's annual Red Raider Day celebration is scheduled to kick-off Thursday, May 19 at the Muleshoe Country Club. Apologies to the ladies, but this is a "Stag Only" event and is a Muleshoe tradition.

The golf tournament will begin with a sign-in at 1:30 p.m. on May 19 at the Pro Shop. A shotgun start is scheduled at 2 p.m. for the open tournament. Non-golfers (as long as they are male) are welcome.

Plans for guests at the 1983 edition of Red Raider day will include a host of the Texas Tech coaching staff, as well as many other coaches and out-of-town special guests.

Local Court Dockets Lighter This Week

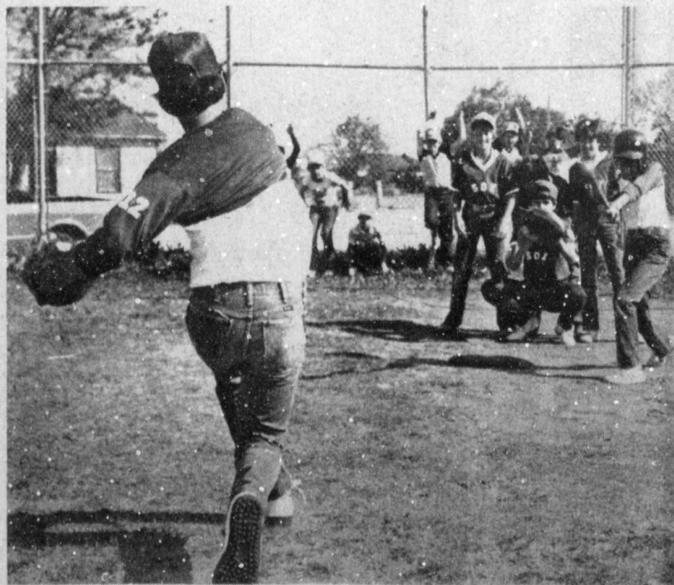

A total of 33 cases were filed in both Municipal and Justice Courts last week from the period beginning May 11 through May 16. Cases disposed of in that same time period totaled forty-five for both courts.

In Municipal court, Judge Linda Huckaby disposed of eleven speeding violations, three bad checks and one each on the following charges: failure to yield right of way, failure to appear, unsafe backing, expired plates, no drivers license, and one for expired MVI.

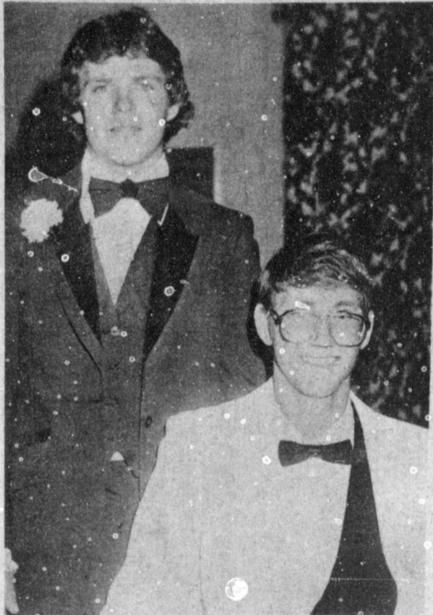

Fifteen new cases were filed in Municipal court with five of them being on the issuance of bad checks.

In Justice Court, Justice of the Peace Jack Bates recorded a total of twenty-five fines paid for violations during the May 11 to 16 period. Eleven of these were for speeding, three for no MVI, two for being over allowed gross weight and one each on the following charges: running stop sign, operating unregistered in Texas, trespassing on public property, failure to control speed, unregistered in Texas, two for no lease on file, and two for having no cab card; also one for failure to display placards of transporting hazardous materials and one for defective tail lamps.

Those cases filed in Justice Court included seven for speeding, one for running stop sign, four for over allowed gross weight, one for failure to control speed, one for operating unregistered in Texas, and two for no lease on file.

GETTING INTO THE SWING OF THINGS--Muleshoe Youth Baseball got under way on Saturday with a downtown parade at 2 p.m. and a kickoff at 4:00 p.m. introducing all players and coaches of all teams. A schedule of all games was printed in last week's paper and followups will be run in Sunday papers for the week ahead each time. Gametimes for major, minor and T-ball are set up at 6 and 8 p.m.

Blackwater Valley Offering Scholarships

The Blackwater Valley Soil and Water Conservation District which is headquartered in Muleshoe has recently advised teachers in the Muleshoe and Three Way Independent School Districts that they are offering one scholarship, per school district, to attend an environmental conservation education course this summer.

SWCD Chairman, James Wedal has stated that the course is for graduate students (teachers) only. Wedal added that the course is a three hour graduate level course.

"Our district has as deep interest in this course because we are hopeful that our teachers will be able to use the material presented to make their students more aware of our renewable natural resource concerns," said Wedal.

Teachers interested in enrolling in the course may obtain further information by contacting Blackwater Valley SWCD's office at 110 East Avenue D in Muleshoe. The courses will be offered at five separate colleges during June, July and August on particular given dates. College included will be Tarleton State, Sul Ross, Abilene Christian University, Southwest Texas State University and East Texas State University and cost of the course varies from college to college. The first course begins on June 6 to 16 at Southwest Texas State.

Nurse's Aide Classes Begin May 23

Trina Wilson, RN and Director of Nurses at the West Plains Medical Center has announced that the Center is now taking applications for a Nurse's Aide Class, scheduled to begin May 23, 1983. The last date of sign-up application has been set for May 19 at 5 p.m.

The fee for these classes will be \$30 per student. Any interested person should contact Wilson at the West Plains Medical Center by calling 272-4524 extension 219 or 226. Final sign up date is May 19 at 5 p.m.

New Cotton Sign Up For Area Farmers Ends May 26

Close to one week ago, the U.S. Department of Agriculture issued confirmation of the fact that more cotton is now needed to fill Payment - In - Kind (PIK) program commitments. While USDA officials do not venture to guess how many bales they are short, they have begun taking bids, (as of May 16) from farmers who still have 1982 cotton in the federal loan program, according to

Roy Cozart, assistant deputy administration of the ASCS.

While the PIK plan was designed to help rid producers and the USDA of existing surpluses in cotton, record numbers of sign-ups resulted in the USDA's realization that enough stocks were not owned by the government to fill the needs. Thus, the existing farmer - owned commodities stored as collateral for loans are being obtained by the government to meet this additional demand. A similar bid for grain was accepted in April.

According to Bailey County ASCS Executive Director, "Bids will be taken on that cotton in excess of PIK cotton on 1982 crop cotton only." Bidding will be done on a per bale basis. "Seven percent is the maximum that a producer may bid - that is - 7 percent of the PIK excess," the director stated.

The program started on Monday, May 16 and will run for ten days, with bids open until the close of business on May 26. Producers bids will be opened following the close of ASCS business hours on the 26th, and as far as can be determined at this time, will be handled in much the same manner as the excess grain bids were. Williamson said that producers should know the results of their bidding by the second week in June.

Although the decision to accept the cotton bids has received favorable re-

Around Muleshoe

The Rodeo Cowboy Ministries will have a gospel music jubilee on May 21, Saturday beginning at 7 p.m. in the Bailey County Coliseum. Several local singing groups will be on hand for the music including the Goodtimes Gospel Quartet, the Storie Brothers and the Fishers of Men from Olton. There will be a concession stand and no admission charge will be made.

Rusty Williamson, Executive Director of the Bailey County ASCS office told the Journal on Friday that he had been transferred to San Benito in Cameron County and would be leaving Muleshoe on May 18 to assume his new duties there. "It is a promotion for us and we are happy about it, although we hate to leave all the friends we've made in Muleshoe," Williamson said.

Mrs. Myrtle Creamer was in Childress Wednesday to attend the funeral of an aunt, Mrs. Ethel Creamer, 91, who formerly lived in the Goodland community in Bailey County. She died Monday evening in a Childress hospital.

Among Mrs. Creamer's survivors are two sons, Forest of Paducah and Sherrill of Childress, and a daughter, Mrs. Alton (Hazel) Ryan of Childress. Her husband, Buck, preceded her in death in 1950.

Mr. and Mrs. Creamer moved from Goodland to Childress in 1950.

The Journal was notified this week that WOTS will disband for the summer. Luncheons will resume on Sept. 8 at Summit Savings. There will be no luncheon on Thursday, May 19.

'Mule Buck' Promo Begins As May Ends

Beginning on May 31, and continuing throughout the month of June, the Muleshoe Chamber of Commerce and Agriculture will be sponsoring a "Mule Bucks" promotion here in Muleshoe. A number of Muleshoe Chamber member merchants will be offering a 20% across-the-board discount on their services and merchandise.

Area citizens will be able to buy the Mule Bucks at Muleshoe banks and savings and loans for 80 cents on the dollar, in increments of \$25.00. Then the Mule Bucks will be honored by participating merchants for one dollar each. The Mule Bucks will be for new purchases only, and cannot be used to pay off existing accounts or layaways. In addition, they will be used for whole dollar amounts only. In other words, if you buy an item for \$9.85, you may pay for it with nine Mule Bucks and 85 cents in regular coinage.

The Mule Bucks will go on sale at the banks and at Summit Savings on May 31. The merchants who at press time have said that they will be participating in the program include Adrian Photography, Antiques and Junk, Bass Appliance, Bratcher Motor Supply, Corral Restaurant, The Fair Store, Fry, and Cox, KMUL, Lindsey Credit Jewelry, Main Street Beauty Shop, Muleshoe Chamber of Commerce and Agriculture, Muleshoe Motor Company, Inc., Poyner's

Sales Tax Payments Show Steady Quarter Trend

State Comptroller Bob Bullock today sent checks totaling \$94.5 million in local sales tax payments to 974 cities that levy the one-percent sales tax.

"The checks we're sending today bring this year's total payments to \$309.6 million statewide, which is 2.7 percent below the total at this time last year. Although these receipts are still running behind last year, we have seen a steady improvement for the past three months. This is in line with our forecasts and, if the trend continues as we expect, we should finish this year with a slight increase over 1982's totals," Bullock said.

Muleshoe, with net payment for the period ending May 6, 1983 showing \$31,262.50 reflected a sizeable increase from the comparable payment in 1982. Total 1983 payments to date for Muleshoe are \$93,730.38,

up also from the \$87,611.28 of 1982, reflecting a 6.98 percent change.

In Dimmitt, Castro County's largest city, the net payment of local sales tax for this period were \$16,629.22, up some from the \$16,428.75 of the same comparable time last year. Total 1983 payments to date for Dimmitt are \$57,451.62, down some from the \$61,133.18 in 1982. This reflects a total change to date of 6.02 percent of Dimmitt.

Net payment for this period for Morton in Cochran County was \$6,398.87, down from the \$6,708.42 of last year in 1982. Total 1983 payments to date for Morton are \$19,245.23, down some good bit from the \$22,034.54 - a change of minus 12.66 percent for the year's time.

In Lamb County, the largest reporting City in that County of Littlefield a net

payment for the past quarter ending showed \$38,725.53, up slightly from the \$37,931.59 of 1982. The 1983 payments for Littlefield to date amount to \$114,931.59.

Librarian Aides Attend Meeting

Librarian Anne Camp, and Izetta Shain, lay Representative from the Muleshoe Area Public Library attended a System meeting, Thursday May 12, in the Community Room of the Mahon Library in Lubbock.

ENGAGEMENT ANNOUNCED—Mr. and Mrs. Ed Ziegenfuss would like to announce the engagement and approaching marriage of their daughter, Jennifer Louise to Gary Lynn McDaniel, son of Mr. and Mrs. Lynn McDaniel of Amherst. Vows will be exchanged June 10 at 7 p.m. in the First Baptist Church of Amherst.

Dorothy Beddingfeild Retires From Teaching

Upon completion of a teaching career spanning 45 years, Mrs. Dorothy Beddingfeild plans to retire at the end of the 1982-83 school year. Thirty-four of those years have been spent in the Muleshoe schools. She currently teaches social studies and English at Muleshoe Jr. High.

Mrs. Beddingfeild attended Wesley Methodist College in Greenville, Texas, and graduated from East Texas State University in Commerce, Texas, with a BS degree in history and minors in English and government. She is the holder of a Professional teaching certificate from the Texas Education Agency. Her career as a teacher began in 1935, at the Cottonwood Rural School in Haskell County. Other schools she served included Center Point Rural School, Monday, ISD, Abilene ISD, and Cash, Texas, where she served as principal for grades six through nine.

She and her husband, G.A. (deceased in 1972) moved to Muleshoe in 1947, where she began as a third grade teacher. Mrs.

Kirby, Burris Engagement Announced

Mr. and Mrs. Reuel Kirby of Three Way announce the engagement and approaching marriage of their daughter, Staci Lynn to Jackey Burris, son of Mr. and Mrs. Sonny Burris of Muleshoe. Vows will be exchanged at 7 p.m. Saturday, May 21 in the Three Way Baptist Church.

A reception will follow the ceremony in the home of the bride's parents.

Miss Kirby is a 1983 graduate of Three Way High School and Burris is a 1980 graduate of Muleshoe High School. The couple will make their home in Muleshoe where Burris is employed at Joe Shipman's.

Mrs. Kerr Named Lady Of The Year

The combined chapters of Beta Sigma Phi held their annual Mother's Day Luncheon Saturday, May 7 at the Bailey County Exhibition Center. Members and guests were served a salad lunch.

Pat Black, president of City Council, welcomed the guests and introduced the program. The program was presented by students from the Performing Arts Department of Muleshoe High School, Freddy Vela, Danny Seales and Betsy Lunsford, who demonstrated their skills in interpretive readings.

The president recognized Denise Wilson, daughter of Leon Wilson and Anita Allgood, as graduating senior.

Mrs. Black was presented gifts from the City Council in appreciation of her leadership during the past year.

Each year the joint chapters of Beta Sigma Phi honors a lady of the Muleshoe community for their service and devotion.

Among the guests recognized were past First Ladies, Mrs. Elizabeth Watson, Mrs. Ann Camp and Mrs. Dorothy Green.

Melba King introduced Mrs. Ruby Lee Kerr as the First Lady for 1983. Ms. King said "Mrs. Kerr is honored as a lady who each day is a living example of love, patience, kindness and determination."

Mrs. Kerr Moved to Muleshoe in 1950 with her husband, Ernest. She devoted 18 years to the children of our town through teaching. She is a member of the First United Methodist Church and has been active in Rainbows, serving on the advisory board and as a Mother Advisor.

She has three daughters and seven grandchildren. A loving and caring woman, Mrs. Kerr's top priority has been her love and concern for her family and friends, Ms. King continued.

Study Club

The Muleshoe Study Club met Thursday evening May 12 in the home of Mrs. John Agee. The hostess served sliced baked ham and an old English Trifle for dessert. Each member took a salad. Mrs. A.C. Neely gave the blessing.

Mrs. Agee introduced the club's 1983 scholarship recipient, Misti Prater, daughter of Mr. and Mrs. Arnold Prater. Misti plans to attend Eastern New Mexico University and study nursing.

Misti's mother, Mrs. Arnold Prater, and grandmother, Mrs. Chandler Wolf also attended. Members present were: Mrs. J.G. Arnn, Mrs. Betty Jo Carpenter, Mrs. Joe Costen, Mrs. Wesley Glover, Mrs. B.O. Gregory, Mrs. A.C. Neely, Mrs. Charles Shain, Mrs. Wilma Thompson, Mrs. T.R. White, Mrs. Ed Johnson and Mrs. Barry Lewis.

KEN CRAFT

GIFT OF APPRECIATION—Jim Swanner, Nursing Home Administrator, presented Dorothy Green with an engraved brass serving tray in appreciation of her 15 years, seven of which she served as president, with the Hospital and Nursing Home Auxiliary. It was reported that through her dedication, caring and many hours of service enormous changes have been made in both the nursing home and hospital. The latest being a new carpeted patio area in the nursing home.

Ken Craft

Receives Paderewsky Medal

Ken Craft, son of Jimmy Craft and the late Jean Craft of Earth, received the Paderewsky Medal from the National Guild of Piano Teachers at Elaine Damron's Piano Recital Sunday, May 1.

To receive this honor a student must have played a National or International Guild program (10 to 20 pieces) each year for ten years.

Craft started playing a National program in the first grade and continues to play National and International programs for the next nine consecutive years, he now being a tenth grader.

He always made very high Guild grades and is an exceptional student, according to Mrs. Damron.

Gratitude, in most men, is only a strong and secret hope of greater favors.

Bridal Shower Fetes Miss Traci Walker

Miss Traci Walker, bride elect of Danny Kemp, was feted with a bridal shower Sunday, May 15 at 2:30 p.m. in the home of Mrs. Doyce Turner.

Guests were greeted by Mrs. Turner, Mrs. Curtis Walker, the honoree and Mrs. Frank Kemp and registered by Rhonda Mills.

Shelli Walker and Blenda Clayton served strawberry tarts and fruit punch from gold appointments.

The serving table was covered with an off white linen cloth with lace trim and accented with a spring bouquet of fresh flowers. The honoree's corsage was a butterfly orchid accented with blue baby's breath.

Special guests included: Mrs. Curtis Walker, mother of the bride elect; Mrs. Frank Kemp, mother of the prospective groom; the bride's grandmother, Mrs. D.O. Burelsmith; the bride's aunt, Mrs. Karen Black of Hobbs, M.M.; and the groom's sisters, Debbie and Vicki Kemp of Lubbock.

The hostesses gifts were a Sunbeam Mixer and a three place setting of china.

Hostesses for the occasion included: Marie Bass, Lynn Campbell, Betty Clayton, Sydna Flowers, Margaret Gleason, Darlene Henry, Melba King, Mar-

lene Martin, Pat King, Barbara Mills, Polly Oliver, Rhonda Spies, Eva Nell Stovall, Janelle Turner, Marsha Watkins and Terry Young.

TOPS Club

TOPS Chapter Tx. No. 34 met at 6:30 p.m. Thursday, May 12 in the meeting room of Bailey County Electric. Clara Lou Jones, president, called the meeting to order. The TOPS pledge was recited and the fellowship song sung.

Clara Crain called the roll with 15 members present. Mrs. Jones read a thank you card from Hazel Nowell. She also read an article which was brought by Mae Provence. A report was given on Polly Clark.

Best loser for the week was Evelyn Moore. Lena Gartin was first runner up and Zeffa Shafer was second runner up.

The meeting was dismissed with the singing of the goodnight song.

QUALIFY FOR STATE--(From Left) Chanda Kemp, Britta O'Tay and Brandi Estep each received a ribbon at the South Plains 4-H Round-Up Saturday, May 7 and qualified for State competition.

Alpha Zeta Pi Met Tuesday In Bush Home

The Alpha Zeta Pi chapter of Beta Sigma Phi met on Tuesday evening, May 3 in the home of Betty Bush. Members repeated the opening ritual and the meeting was called to order by Debbi Hutto, president. Committee reports were given and reminders were

given about the end of year party. The members drew for secret sisters and voted on hostess and program of the year.

The hostesses, Betty Bush and Jan King, served banana split cake and iced tea to Alice Liles, Janice Williamson, Lyniece Good-nough, Peggy Pohlmeier, Debbi Hutto, Tonya Pool, Annette Bonds, Debbie Green, Paula McMeans and Gina Smith.

MISS TRACI WALKER

TWILIGHT

The flying of "Old Glory" in outer space, remembering the voyage, the first man on the moon, sights and complete sound effects, these are all a part of the Twilight Zone."

The Twilight Zone is a realm beyond our imagination, an area of dimensions of space, sight and sound.

Members of the Junior-Senior Prom were treated to a journey Saturday night into a realm where the real and the imaginary expand the mind to enormous proportions.

As you stepped through the doorway from normal existence, into the Twilight Zone, you were met with a feeling that the moment could last an eternity.

Fare for evening consisted of a performance by Galactic Go-Fers with the music provided by a mysterious band. After the show, class members were treated to a prom with the celebration of the Twilight Zone.

Leal's - Known For The Best In Mexican Foods
Closed on Monday
Leal's Nuevo Restaurant
1542 W. American 272-3294

"We're Number One! We're Number One!..." could just be the "battle-cry" for the most popular Mexican food restaurant in this part of the country. From all over, Bailey County, surrounding counties and eastern New Mexico, persons flock to El Nuevo Leal's Restaurant, where they can be assured of the very best Mexican food. When the Leal's moved to Muleshoe November 24, 1955, they opened a torilla factory--the original torilla factory shortly turned into a most popular restaurant, and the reputation of Leal's was made -- fine food in a good atmosphere. Today, after moving from their first location on East American Blvd. to the 1500 block of West American Blvd., the Leals are joined in operation of the restaurant by their sons, Victor and Hector. Although Jesse and Irma do not spend as many hours at the restaurant since their two grown sons have virtually taken over the operation, Jesse and Irma are still well-known and well-respected as the owners of the restaurant. They feature adequate parking at their location as well as the main dining room and a smaller side dining room, which is also utilized for parties and special dinners. Leal's is currently closed for a few days for vacation, but when the doors are re-opened, their faithful customers will be waiting - and ready - for more of the food made famous by El Nuevo Leal's Restaurant. Visit them - you will be glad you did.

Tax Rebate

Cont. from Page 1

\$113,969.20, up from the \$110,214.12 in 1982; a change to date 3.41 percent.

In Parmer County, the city of Friona reported net payment this period in the amount of \$16,707.62, up from the \$13,777.68 reported in 1982. Total payments to date in 1983 for Friona have reached \$42,041.35 and when compared to the \$45,752.92 of 1982 reflect a minus 8.11 percent change.

Houston, with more than 54,000 reporting outlets, received the largest check—\$18.4 million, bringing the city's total 1983 payments to \$60.4 million, 9.7 percent below last year. The Dallas check totaled \$11 million from almost 33,000 outlets, up almost 10 percent from the May 1982 rebate. San Antonio's payment of \$5.2 million showed an increase of more than 5 percent from May 1982. Austin received a \$3.4 million rebate to bring its 1983 total to \$11.8 million, up more than 13 percent over last year.

Fort Worth's check of \$3.5 million was up more than 8 percent from last May, while El Paso received \$1.8 million, down more than 6 percent compared to May 1982.

Bullock also sent May rebates to the state's two Metropolitan Transit Authorities. The Houston MTA received \$21.7 million, compared to \$22.2 million in 1982, while San Antonio's May check totaled

\$3 million, compared to \$2.7 million last May.

The City and MTA sales taxes are collected along with the state sales tax by merchants and rebated monthly to the cities in which they are collected by the Comptroller.

The May checks were for taxes collected on sales made in March and reported to the Comptroller by the end of April.

SPC Area Students Honored

Four South Plains College students from this area were among those honored at SPC's recent departmental awards ceremonies. Michael Hukel won the departmental award in philosophy. He's the son of Mr. and Mrs. Lennis Hukel and plans to attend the University of Houston after graduation from SPC.

Cristi Champion, recipient of the outstanding fashion merchandising award, is the daughter of Mr. and Mrs. Lloyd Champion.

Stan Sell received the outstanding freshman student award in math. He's the son of Mr. and Mrs. Roger Sell, a Smallwood Scholar, recipient of an American Petroleum Institute scholarship, on the President's Honor List and a member of Phi Theta Kappa, national honor society for students in two-year colleges.

Karol DeSautell of Bula received the outstanding sophomore math award. A graduate of Slaton High, she's the daughter of Mr. and Mrs. Harold Steffens. She's a member of Phi Theta Kappa, on the President's Honor Roll and a recipient last year of both the outstanding award in math and sociology.

Heart Association Names New Officers

The Bailey County Unit of the American Heart Association met on May 13 in the Fellowship Hall of the 16th and Avenue D Church of Christ for their annual awards dinner.

Carolyn Mahon, regional director from Lubbock introduced guest speaker, Dr. Larry Osborne. Osborne is a 'fellow' in the cardiology school of Texas Tech University School of Medicine and spoke to the group on new technology for detecting and treating cardio-vascular diseases. He also revealed some promising results of research that may be available in the future, including the laser.

Laura Seales of the local AHA reported that the Bailey County Unit had raised over ten thousand dollars during this fiscal year. Some \$5,000 of that was raised by the "Jump A Thons." These funds will be submitted to the association for the purpose of research and education to lower the rate of heart disease within the county.

Jr. High Band Gets 1st Division

On Saturday, May 7 the Junior High Band traveled to the Levelland Band Festival where they received a first division in concert and a second division in sight-reading. The judges in concert were Bob Bryant of Lamesa, Barbara Lovett of Brownfield, and J.W. King of Plainview. Some of their comments were: "This is evidently a group who has worked hard and has had good teaching." "Very good job. I liked your band." "Good work on a different piece."

Several students also participated in solo and ensemble competition. Those making a "two" were: Steve Neptune, Stacey Haley, Mark Mata, Lloyd McCray, Roxanne Richards, Becky Boor, Torey Cox, Pam Williams, and Lisa Laredo. These people will receive a certificate to be presented to them at the final concert Tuesday night.

Those making a one were: Elizabeth Posadas, Torey Cox, Lisa Laredo, Joel Soto, Steve Neptune, Greg Garcia, Donnie Nowlin, Nathan Lloyd, Scott Williams, Francisco Ybarra, Ed Chance, Michael Garza, Brandon Carpenter, Karen Kennemer, Chantel Robison, Lisa Hamilton, Sue Haire, Shannon Crozier, Cindy Anguiano, Susie Leal, and Elizabeth Posadas. These students will receive a meda for their efforts at the concert.

Paul Volcker, Federal Reserve chairman: "My views may be characterized as more conservative than some others, but I'm not about to apologize for those views."

Volcker states bank interest rates still too high.

Cotton PIK

Cont. from Page 1

The 1982 crop upland cotton pledged as loan collateral. It is not confined to those who are participating in the Payment-In-Kind Program. Bid acceptance according to ASCS officials, will be contingent on total cost to the government, location of the bales, quality and total need.

According to reports from Plains Cotton Growers, Inc., there is no shortage of cotton to meet domestic and export market requirements. CCC has in storage a more than adequate supply for both the market and to fill PIK requirements.

However, farmers - not government own much of this cotton, since it is held by CCC as collateral for loans and can't be used until those loans expire or are forfeited. PIK debts to farmers will begin to fall due in July, 1982 and thus, to en-

courage early forfeiture or redemption of these debts, the "Son of PIK" (newly announced program) was born. As of March 31, the total 1982 crop cotton under loan amounted to 3,207,580 bales.

A Sense of Direction

The pioneers of science, art, and industry... those who found a way where others saw only a blank wall... have all had a sense of direction.

The seniors seem imbued with this same sense, and it makes us proud to take note of it. It is a mark of maturity and eagerness to reach for new goals.

With pride, we take this opportunity to say, "Well done. Seniors, and good luck, whatever your direction!"

Bailey County Electric

Law Enforcement Agencies Have Varied Activities

Muleshoe Police investigated a number of accidents over the last week, however, most of them were minor. On May 13 a minor was involved in an accident with Eusebio M. Villarreal, when the minor's unit made a left turn into the front of the Villarreal auto. The accident occurred in the 400 block of South Main. On May 8, Mrs. E.E. Holland reported to local police that her auto which had been parked in the Church of Christ parking lot had been hit by an unknown party. Police classified the incident as a hit and run.

On May 13 in the 500 block of Hickory, Michael H. McDaniel and Kay Lynn Prather were involved in a two car accident. The witnesses and drivers agreed, according to reports, that the McDaniel vehicle ran a stop sign while eastbound on Hickory and collided with the Prather vehicle. On May 14 Juanita Ibarra and Geoffrey Dixon were involved in an accident; however when police arrived at the scene, the vehicles had been moved and no diagram was available. Police also reported that a fire hydrant at 900 West Avenue B had been hit and the driver had left the scene of the accident.

On May 12, city officers arrested Charles Bradley Neal on an alleged Failure to Appear Citation on speeding. He sent a money order in the amount of \$70 clearing the charge.

Several thefts of businesses were also reported for the past week. On May 14 Leals El Nuevo Restaurant reported the burglary of their kitchen. From all reports, the intruders forced open the rear door of the establishment, taking kitchen equipment and a cassette valued at \$960. Also on the 14th, The Pizza Hut reported the theft of some restaurant equipment amounting to a little over \$2,000. Damages were also estimated at \$70. City Police received a call on May 14 from the Post Office stating that a Clovis News Journal stand was found on the dump at the rear of the post office.

On May 15, John Gentry reported the theft of tools, tapes and records from a doorway at the Bailey County Coliseum. Apparently, the tapes and other items were a part of the entertainment for the Junior-Senior banquet on Saturday night. Two men witnessed the incident and it is currently under investigation.

Two men were arrested within the last week on alleged DWI's; however, after taking a breath test at the Sheriff's office, it was found that they were not intoxicated and both were released with traffic citations. Police also handled several bad check cases over the week's period.

On May 11, Cheryl Williams reported a criminal mischief happening to city officers, when the front left tire of her vehicle was cut. Damage was estimated at \$50.

Arrested and charged with alleged DWI on May 11 was Howard Ray Manasco. Monasco was booked into the county jail, pending bond. Also arrested on May 11 was Sidney Thomas Sliger on an alleged public intoxication charge. He was placed in the county jail, pending bond. On May 10, Michael Espinoza was arrested on a charge of alleged driving with license suspended. He was taken to the County Jail for processing. David Lee Maddox was arrested on May 11 on an alleged charge of DWI. He was taken to the SO, given a breath test and incarcerated in the County Jail. His auto was impounded.

On May 10, City Police received a report from parents of an apparent runaway. No further information was available on this matter. On May 9, Mark N. Lielher was arrested on failure to appear warrant on traffic citations. He paid a fine to Judge Linda Huckaby to secure his release.

The following listings were taken from the Bailey County Sheriff's office jail book for the past week, indicating charges, suspects and fines or bonds assessed.

On May 7, Ruiz Gregorio Garcia was arrested by the Department of Public Safety on a charge of alleged DWI. He was released to the Border Patrol. On May 9, Jesus Martinez was arrested on an alleged charge of public intoxication; he was also released to the Border Patrol.

Michael Espinoza was arrested on May 10 on a charge of alleged driving with license suspended. He posted a \$500 cash bond before he was released. On May 11, David Lee Maddox was arrested on an alleged DWI charge and was required to post a \$500 cash bond prior to his release. Jefferey Peters was arrested by local Sheriff's officers on an alleged trespassing charge. He was fined \$56 prior to his release.

Editor's note: The Sandhills Philosopher on his Johnson grass farm on Sandy Acres tries to help a national committee in its efforts to improve public education, somewhat.

Dear editor: A group of nationally prominent college presidents, professors, high school teachers and a school board member, alarmed that the public school system nowadays isn't turning out kids as smart as it did when they were in school, has come up with a list of proposals for improving the situation. I won't go into all their proposals, some of which include stiffer academic standards without saying where you're going to get teachers who know what that means, but one proposal especially caught my attention. The group wants all high school pupils to have at least one half-year of computer science. No reporter asked the group how many of them had computer science in high school, but it should be remembered that probably none of the reporters had computer science either. I doubt if very many Congressmen did. Anyway, I have an additional proposal. When a student finishes his course in computers, he should then immediately be required to take a course in computer repairs. Those things can break down or mal-function right in the middle of figuring up tax bills, utility bills, etc.

Has the group considered what's going to happen when everybody depends on computers, when all knowledge, all names of every citizen in the country, all tax records, etc. are all on computers and the electricity goes off? And nobody is around who knows how to count on his fingers?

Not only should computer repairing be studied, but computer construction should be also. Something has happened to craftsmanship in this country, as re-called defective automobiles testify, along with household appliances of all sorts that break down two days beyond the warranty period.

In fact, craftsmanship among some manufacturers is in such a low estate that they can't even make an electric chair that won't mal-function.

Yours faithfully,
J.A.

Lake Water District Created

The Texas Senate has passed Senate Bill 1269, sponsored by Senator Bill Sarpalus, which calls for the creation of the Buffalo Lake Water District. Senator Sarpalus says the establishment of a water district will help get Buffalo Lake back on its feet.

The lake at one time was a refuge for wildlife and a recreational area which people of all ages enjoyed. Many people believe that it could become an aid to flood control, and that it could help improve water levels in wells near the lake.

The lake, which is located northeast of Hereford, is now almost dry. At one time, thousands of people could be found at Buffalo Lake, fishing and swimming. An estimated 500,000 people live within a two hour drive from Buffalo Lake.

The United States Department of interior still owns the lake. But, Federal officials closed the refuge in 1980 when the spillway was declared unstable. The dam has gone unrepaired, and by some opinions is considered unsafe in its present state.

Senator Sarpalus says the Buffalo Lake Water District will serve as a funding vehicle in order to repair and maintain the dam.

The Buffalo Lake Water District, if approved by the

voters, will consist of a nine member board. Three members will be selected from Deaf Smith County, three from Potter County and three from Randall County. The jurisdiction of the district will be the Buffalo Lake National Wildlife Refuge.

Firefighters Report
By Wayne Peterson

Monday the 9th, the night was dark and the sky was blue, (dark blue with lighting) down hiway 1760 the fire wagon flew (6 units and eleven men to be exact). Now what do you think all the ruckus is about here at supper time in the middle of a rain storm? Well the timing sure could have been different, but fires start when they get ready or get set off. The roads were slick, some fireman got wet others missed supper, but the fire was brought under control and the units were ready for the next run by 10:00 p.m. Nature of fire, hay cubs at Lamb Star feeders West of town.

On May 4th Griffiths elevator had an elevator leg belt catch a fire about 150' up the shaft. This did cause some excitement, as hose had to be run all the way up there and someone had to be on the nozzle end to apply the water. From this height everything below looks to small and the least amount of movement seems to be just to much.

At the May business meeting, April's business minutes were read and approved. Thank you cards were received from the Bob Copeland and Jack Rennels families.

After checking the records, the State Board of Insurance informed us that they will subtract \$11,871 from 1982 fire loss total which should help on the Insurance Key rates.

The department voted to purchase 4 new 25 watt two way radios and one 60 watt radio on a 30 day price quote of \$1,437 this money will come from the department general fund.

On behalf of the Civil Defense the fire department wants to thank the residence of the Lenau and Country Club additions for their donations to the new storm warning system. Five hundred Sixty five dollars and twenty three cents was picked up on behalf of this project by the firemen on a door to door contact.

Remember the Firemans Ball Saturday 21, 1983, Jeff Smiths Barn East of town at 9:00 p.m. until 1:00 a.m. \$5.00 per couple, music by Home Cooking from Clovis, New Mexico.

Training operations on May 11th was again pump-truck training from the new pump truck unit #7 1000gpm, two operations were run, first drive one block to the hydrant hook up and lay one 2 1/2" hose with nozzle, second run was race to hydrant hook up and run two 1 1/2" lines with nozzles and on 2 1/2" line with nozzle, as said before, racing the clock makes it a little complicated. Team #1 came in last with a total of 4 mi. 37 sec. team III came in second with 4 mi. 25 sec. team II won with a 3 min. and 28 sec. time. There was talk of some cheating, who would ever think a fireman would do such.

You may believe anything that is good of a grateful man.
-Thomas Fuller.

PIK May Not Be As Costly As Thought

When the final verdict is in, PIK may not be as costly a government program as some have suggested.

While estimated costs of the payment-in-kind program range from \$10 to \$25 billion, two economists with the Texas Agricultural Extension Service, Texas A&M University System, peg the cost at about \$11 billion.

Dr. Ron Knutson and Ed Smith break this figure down to \$7.5 billion as the value of PIK commodities.

\$2.3 billion for deficiency payments and \$1.3 billion for diversion payments. Deficiency payments result when farm prices drop below a designated level while diversion payments are for taking cropland out of production.

Analyzing the \$11 billion cost of PIK, here's a breakdown by specific commodities: corn, \$5.4 billion; wheat, \$3.1 billion; cotton, \$1.4 billion, grain sorghum, \$700 million; and rice, \$500 million.

"Although the total cost

of PIK may seem high compared to farm programs in the '70s, the figure is low compared to what the government's farm program would have cost without PIK," say Knutson and Smith. They estimate that farm program costs for 1982-83 will reach about \$18 billion and that costs for '83-'84 would total almost \$21 billion without PIK.

Since this estimated \$21 billion would include \$3 billion for the dairy support program and another \$2

billion on minor agricultural commodities and general administrative expenses, the remaining \$16 billion represents program costs for grains and cotton in the absence of PIK. Thus, if the \$11 billion estimated cost of PIK stands up, the program could be viewed as causing a net savings of about \$5 billion.

"These savings would result mainly from reduced commodity storage costs and reduced deficiency payments," say the economists.

By Spencer Tanksley
County Extension Agent

Spring is the time when many homeowners discover they have termites because winged forms appear and swarm.

Winged termites outdoors are a natural occurrence, so usually there is no problem. But if they are found indoors, usually on a window sill, chances are good that an infestation has established in your home, points out Spencer Tanksley, county agent with the Texas Agricultural Extension Service, Texas A&M University System.

Termites can cause extensive damage to wooden parts of your home, so take some precautions, advises Tanksley.

Quite often termites and certain ants swarm at the same time and it's important to be able to tell the difference between these two insects. Carpenter ants swarm in the springtime and can cause some structural damage to wood. However, termites are much more destructive and require different control measures.

Termites have a broad waist-ants have a narrow, constricted waist; termite wings are the same size and shape-winged ants have a front and back pair of wings of different lengths and shape; termites have straight antennae (feelers on their heads) - ants have elbowed antennae.

Hagaman Rites Held Tuesday In Amarillo

Services for Frederick Whittington Hagaman, 78, were held at 11 a.m. Tuesday 17 in Boxwell Chapel of Amarillo.

Burial was at 2 p.m. Wednesday in Evergreen Cemetery at Ranger. Hagaman died at 12:30 p.m. Sunday.

A farmer and rancher, Hagaman lived east of Conway from 1929 until 1965 when he moved to Amarillo. Survivors include two daughters, Betty Long Hopper of Amarillo, formerly of Muleshoe and Kathleen H. Carson of Dallas; two sons, C.O. Long of Dallas and Frederick Whittington Hagaman Jr. of Madisonville; 10 grandchildren; and six great grandchildren. The family suggests memorials to be made to your favorite charities.
