

AROUND THE COUNTY

ARTHUR BARLEMANN, JR. COUNTY AGENT

Three Sterling County 4-H Club members attended the State 4-H Round-Up and State Contests in College Station last week.

While at Round Up, the club members took part in all the activities associated with the gathering.

A check of a number of pecan trees here this week did not show any eggs of the pecan casebearer.

Most trees this year have very few pecans due to a freeze in early May and checking is difficult.

For those who sprayed their trees a week or ten days ago, it would be well to repeat the spray application this week-end.

A tour of the Cal-Tex Feed lots near Trent, managed by R. L. Bland, has been set up for Thursday afternoon, June 17.

In order to plan for the tour, it is necessary that anyone who would like to make the tour notify the county agent before June 14, Monday.

The Cal-Tex lot is one of the largest in this area and feeds cattle of all weights and under any system the owner desires.

Mary Amador, and an aunt and uncle, Mr. and Mrs. Manuel Lopez, their children and two friends, Rosemary and Juanita Garcia, are spending two weeks visiting and sight-seeing in Monterrey, Mexico.

**For Social Security**

**WHO MUST FILE SOCIAL SECURITY EARNINGS REPORT**

Most social security beneficiaries who earned over \$1680 in 1970 are required to file a report of their earnings with the Social Security Administration by April 15, 1971. This report is in addition to any Federal or State tax return, and it must be filed with the Social Security Administration, according to J. M. Talbot, social security manager.

Beneficiaries who were 72 years old in all months of last year are not required to file the annual report of earnings. Disabled beneficiaries should report immediately if they become self-employed or take a job. All other beneficiaries, including families of disabled persons, are under the retirement test and must report their earnings annually.

The purpose of social security benefits is to replace earnings lost due to retirement, death, or disability. If an individual continues to earn a substantial amount — \$1680 or more — some adjustment is made in the amount of his benefits. One dollar for every two dollars earned between \$1680 and \$2880 is withheld. If a individual earns over \$2880, he gives up a dollar for each dollar earned over \$2880 regardless of the amount of yearly earnings. A beneficiary is entitled to his full social security check for any month in which he does not earn over \$140 and is not self-employed. The annual report will allow us to determine whether or not additional benefits are payable.

For more information, contact the Social Security Office at 3000 West Harris Avenue (P.O. Box 3808) in San Angelo, Texas, or see the representative when he is in our area. Persons who are unable to meet with him are encouraged to call the office in San Angelo. The telephone number is 949-4608.

**CHECK YOUR SOCIAL SECURITY RECORD**

"How do I know my work under social security is being credited to my record, and how do I find out about it? This is one of the questions most frequently asked," says J. M. Talbot, social security manager.

In explaining the process involved in reporting social security, Mr. Talbot said, "When you work for wages, your employer deducts social security tax from your paycheck each pay day. At the end of each calendar quarter, he submits your name and number with payment for these taxes to Internal Revenue. Internal Revenue forwards copies to social security's main office in Baltimore, Maryland. Your wages are then posted to your record. The same process is followed for a self-employed person except that his earnings are recorded yearly."

Mr. Talbot states that the possibility of an error being made in the process does exist. He recommends that you request a statement of your earnings at least every three years.

All you have to do to secure the statement is to send a post card request available at your social security office to Baltimore, Maryland. If the reply you receive is incorrect in any way, contact the Social Security Office at 3000 West Harris Avenue (P. O. Box 3808) in San Angelo, Texas, or see the representative when he is in your area.

**MEDICARE'S PREMIUMS INCREASE**

Because of increased medical costs, Medicare's medical insurance premium will be increased from \$5.30 to \$5.60 per month effective July 1, 1971, according to J. M. Talbot, social security manager. Those who are enrolled in the medical insurance program and who receive social security, railroad retirement, or a federal civil service pension simply have the premium deducted from their checks. People not receiving one of these payments must pay their premiums direct.

Mr. Talbot said, "Even with the impending premium increase, Medicare's medical insurance is still considered a good buy for those age 65 and over. The federal government pays one-half the cost of this insurance from general tax revenues. Those covered by medical insurance will be receiving \$11.20 worth of insurance for \$5.60."

Medical insurance helps pay for a variety of medical services including doctor bills, ambulance service, outpatient hospital treatment, and durable medical equipment such as wheelchairs or hospital beds.

Mr. Talbot stressed that the premium applies only to medical insurance. Hospital insurance, which pays the inpatient hospital service, is financed by social security payroll contributions.

For additional information regarding Medicare or any social security matter, contact the Social Security Office at 3000 West Harris Avenue (P. O. Box 3808) in San Angelo, Texas, or see the representative when he is in your area. Persons who are unable to meet with him are encouraged to call the office in San Angelo at 949-4608.

**Water Can Be Tested for Salinity**

The school now has the chemicals on hand to test well water for salinity — salt water content. So says Fred Igo, local vocational agricultural teacher. If landowners want to keep a check on the salt content of their water wells, they can bring a sample in for testing. Cost of the test is only 50c, which will defray cost of the chemicals used, said Igo.

**LIONS CRIPPLED CHILDRENS' CAMP**

Members of Lions Clubs throughout Texas this month are pausing to pay recognition to their camp for crippled children which has given over 12 thousand handicapped youngsters a new dimension since it was opened in 1953.

The camp, located at Kerrville in the Hill Country of Central Texas, is free to crippled, blind, deaf or mute children from the ages of seven through sixteen. The 17 permanent buildings and other improvements dotting the 504-hill-side acres represent an investment of more than \$700,000.

At the camp, these youngsters who have been denied a normal childhood through no fault of their own learn to shed their shyness imposed by their handicaps. By mutual association with other handicapped children and by skillful and gentle counseling, these youngsters have found the freedom to grow, mentally and spiritually, into useful citizens of tomorrow.
