Miss Bettie Louise Hudson and David West Foster were married January 1 in Gray Chapel, Bexley United Methodist Christian, Columbus, Ohio. Officiating was Dr. Robert A. Byler, pastor.

The bride is the daughter of Mr. and Mrs. Harry G. Hudson of Columbus, Ohio and the bridegroom's parents are Mr. and Mrs. Reynolds Foster of Sterling City, Texas. He is a grandson of Mrs. Rufus W. Foster of Sterling City and Mrs. Roy B. Davis, Sr. of San Angelo.

The bride was given in marriage by her father. The matron of honor was her sister-in-law, Mrs. Charles J. Hudson of Delaware, Ohio. Lee Foster of Midland served his brother as best man. Ushers were Steven D. Foster, brother of the bridegroom, and Charles J. Hudson of Delaware, brother of the bride.

A reception in the church parlor followed the service.

The bride attended the University of South Carolina. She has recently been employed by Cousins Properties as Lease Administrator in Atlanta, Georgia.

The bridegroom graduated from Texas Tech University and served in the U.S. Army as first lieutenant. He is now employed with Wells Fargo Alarm Service as a branch manager.

The couple will reside in Omaha, Nebraska after January 15.

Dear Sterling City Friends:

We thank you for the opportunity to spend eight years with you. Many dear friends are left behind us as we move to a new field of service. Especially do we want to thank you for every kind word at our parting and the many gifts we received. I am sure we will never find another town like Sterling City or its people. God bless you all.

Very sincerely,
Rev. Andy Daniels and family, Jackie, Jeff, and Danny

Highway Projects for Sterling County Set

Projects in Sterling County are included in a \$40.7 million program to increase safety and improve sections of non-Interstate highways in Texas.

District Engineer J.A. Snell of San Angelo said work to be performed under the annual program includes such things as widening of pavements and structures, reconditioning, resurfacing, providing additional surfacing, sodding, and improvement of shoulders and other miscellaneous work.

Statewide, the 1974 State Highway Safety and Betterment and Farm to Market Road Improvement Program includes work on 5,095.2 miles of US and State-numbered highways and Farm to Market Roads. The program includes 810 individual projects in 209 counties of the State.

Fifty-seven percent of the work statewide will be on US and State-numbered highways and 41 percent on Farm to Market Roads with two percent reserved for later assignment.

Projects in Sterling County are—U.S. Hwy. 87, from 1.3 miles south of Glasscock County

Sterling Lamb First In Odessa Show

ODESSA — Gene Dunbar of Fort Worth judged 334 entries Wednesday morning for the Junior Fat and Fine-Wool Lamb Show in a frigid Ector County Coliseum arena.

W. M. Day Jr., superintendent of the show and Upton County Extension agent, announced winners of the light weight, medium and heavyweight divisions of the contest.

Twelve-year-old Carl Igo of Sterling City entered the grand champion winner, a 106-pound Rambouillet lamb from the heavyweight division.

Igo, a Sterling City FFA member and the son of Mr. and Mrs. Fred Igo, said his winning lamb had not been shown before and would be sold at the show.

Igo's lamb was bred by Dayton Barrett of Sterling City.

Social Security News

State and Federal agencies are working together on the supplemental security income program that starts making payments in January to people with little or no income who are 65 or over, or blind or disabled. The program is a Federal-State partnership with each partner doing what it can do best, according to J.M. Talbot, social security manager.

Mr. Talbot said the Federal program will cooperate with State and local public assistance programs to establish the Nation's first uniform income floor for people in need who are 65 or over, or blind, or disabled. Social security and the Department of Public Welfare are working together so the new payment system will get off to a new start in January, he said.

People getting welfare assistance payments in December because they're 65 or over, or blind, or disabled generally will continue to get payments in January, Mr. Talbot said. They don't have to apply. Their combined State and Federal assistance payments in January will be at least as much as their welfare assistance payments were in December, Mr. Talbot said. They will also be eligible for Medicaid.

Medicaid, vocational rehabilitation for disabled people and other social services, such as child care, family counseling, etc., will be administered by the State Department of Public Welfare. The Social Security Administration will determine eligibility for supplemental security income, make the Federal payments, keep records, and work

New School Hours

START MONDAY

Superintendent of schools James Thompson said this week that the Sterling School would operate on a 9:30 to 4:30 daily schedule beginning next Monday, January 7.

Due to the new daylight saving time which begins Sunday, the new hours were set up by the school here until further notice.

LIONS CLUB

Basketball coach Milford Willey talked to the Lions Club Wednesday on the schedule and prospects of the Sterling High School Eagles cagers.

Other guests were Norman Smith and Jim Newby. The prize went to Norman Smith.

Cold Weather

Temperatures of 10 to 20 degrees have kept the nights cold here this week and sleet and drizzle have combined to add to the problems of driving and travelling.

The highway department has had to sand U.S. 87 and other approaches here and the slowed-down traffic on side streets has still been dangerous.

The weather service sees another day or two of the cold before it warms up.

to prevent fraud, according to the social security manager.

The amount of the supplemental security income checks people will get will depend on other income they might have. People with no other income at all will have a basic cash income of at least \$130 a month for one person and \$195 for a couple, Mr. Talbot said. People with other income may get reduced supplemental income checks.

Although the supplemental security income program will be administered by the Social Security Administration, payments will be financed by Federal general tax revenues—not by social security contributions from workers and employers, Mr. Talbot said.

Social security offices are taking applications from people who are 65 or over, or blind, or disabled and aren't getting public assistance but who think they might be eligible for supplemental income payments. People getting State or local assistance don't have to do anything about supplemental security income, Mr. Talbot said. They'll get additional information about the program from social security and the Department of Public Welfare. Until the supplemental security income program starts in January, Mr. Talbot said, the Department of Public Welfare will continue to make payments in the usual way.

Social Security Tips

Social security checks should be cashed within a reasonable time to prevent loss or theft, even though there's no time limit on cashing them, according to social security officials here.

'If your check is lost or stolen, get in touch with your nearest social security office at once,' a spokesman said. 'The check can be replaced, but it takes time. Handle your check carefully when you get it and you won't have to wait while it's being replaced.'

Social security pays over \$4 billion a month in benefit checks to almost 29 million people—eligible retired and disabled workers and their families and families of deceased workers who worked long enough under social security.

For further information contact the Social Security office at 3000 W. Harris Avenue, San Angelo, Texas 76901 or call 949-4608.

NEWS OF ECOLOGY

SCOUTS GIVE TRASH THE SACK

Three billion dollars! That's the estimated annual bill Americans are paying for public collection and disposal of garbage and solid waste — the third most expensive community service in the land. which is exceeded only by spending for highways and schools.

Concerned citizens, of course, can make significant contributions to cleaning up this national mess. As in Watertown, N. Y., where the initiative of the Environmental Systems Division of St. Regis Paper Company and a local Boy Scout Council is currently leading the way.

Recently, the more than 500 Boy Scouts of Jefferson and Lewis County launched an intensive environmental clean-up campaign to make their community a better place in which to live.

Soliciting the aid of the 30,000 homeowners in their area, the Scouts began their drive with the sale of St. Regis disposable refuse sacks. In addition to their 30-gallon capacity and convenience, these sacks were selected because — unlike plastic sacks — they will break down in sanitary land fill without adding to our ecological problems.

Watertown homeowners who purchase these sacks sep-

arate paper, cans, rags, metal, returnable bottles and miscellaneous glass. Then, free of charge, the Scouts pick up the differentiated sacks and dispose of them in ways compatible to our ecology. Glass bottles, for example, are sold for recycling; bio-degradable trash is sent to land fill sites. Provi-

sions have even been made to tow away abandoned automobiles.

The best part about the program is that everyone profits. The community gets a cleaner environment; the Scouts get the credit for a job well done — and the modest proceeds from selling the sacks and whatever trash they can... for the support of other worthwhile Scouting programs.

Now — what are you doing in your community?
