SCHOOL WILL DISMISS EARLY ON FRIDAY FOR THOSE ATTENDING THE MULE GAME IN DUMAS. BUSES WILL LEAVE THE PARKING LOT ON THEIR ROUTES AT 2:15 P.M.

The meeting for November of the AARP has been changed to November 18 at 11:30 a.m. rather than the normal date. Also in December a change of meeting time is scheduled. December meeting will be held on Thursday, December 15.

Tickets for the Muleshoe Perryton game are now on sale in the Junior High, High School and business administration office at Muleshoe. General Admission is \$3 for adults and \$2 for students, on pregame sales. All tickets will be \$4 at the gate. The game is scheduled to kick off at 7:30 p.m. with Perryton being the home team.

Heart Chapter Meeting Held

Directors of the Bailey County Unit of the American Heart Association met in a regular session on Friday, November 4 at the Corral Restaurant.

Hugh Young, president of the chapter, reminded board members to complete their pledge cards and set the pace for the current year's campaign so that Bailey County's financial goal might be met for 1983-84.

Region Director from Lubbock, Carolyn Mahon, presented a slide program to the group dealing with the formation of good heart health habits for children. Both the film and tape are available to civic groups or sororities for use as programs, Mahon said. Any group who wishes to use these supplies may contact Hugh Young or Betty Burel-Smith.

President Young urged all citizens to support the AHA.

Cross Country Team Bound For State

Muleshoe's Cross Country Boy's Varsity team finished second in regional competition at Lubbock on Saturday, qualifying for a spot in the state Cross Country meet in Georgetown on November 12. Muleshoe is the defending state champion of 1982.

Boy's Ranch slipped by the Mules by a mere four points to capture the regional title with 44 points. Muleshoe scored 48 points and won second place. Other winners in the boy's division included: Lockney, 3rd with 118 points; Floydada, 4th with 124 points; Roosevelt, 5th with 137 points and Abernathy, 6th with 144 points. Only first and second place teams travel to state playoffs under current UIL rules.

Individual qualifiers for the Mules Varsity Cross Country was headed by Tony Luna who placed third with a time of 16:08.9. Aldo Almanza placed fifth with 16:29; Ronnie Logsdon placed 11th with 17:07; David Medlin placed 14th with 17:16.4; Tony Rojas placed 15th with a time of 17:30.4; Allan Beasley placed 33rd with a time of 18:14.9 and Danny Sanchez placed 46th with a time of 18:49.7.

Jerry Johnson, Coach for the cross country teams, and his state qualifiers will leave Muleshoe on Thursday morning, November 10 at 8 a.m. from the high school parking lot. "Any well-wishers or spirit send-off will be welcome," Johnson said. The boys will return sometime late Saturday or Sunday.

SOLDIER

I was that which others did not want to be.
I went where others feared to go, and did what others failed to do.
I asked nothing from those who gave nothing, and reluctantly accepted the thought of eternal loneliness... should I fail.
I have seen the face of terror; felt the stinging cold of fear; and enjoyed the sweet taste of a moment's love.
I have cried, pained, and hoped... but most of all, I have lived times others would say were best forgotten.
At least someday I will be able to say that I was proud of what I was... a soldier.

George L. Skupeck

Veteran's Day Observance Scheduled Here Friday

American Legion's Ben Richardson Post #403 of Muleshoe will host a breakfast on November 11, 1983, Friday, in honor of all veterans, wives and widows of veterans, in observance of Veteran's Day. The breakfast will begin at 6:30 a.m. and last until 8 a.m.

The breakfast is being planned and centered around a quotation from as President Ronald Reagan: "On this Veteran's Day we should rededicate ourselves to the greatest task facing our nation--the unfinished work in our search for lasting peace. There are no better citizens to lead us in that noble task than our nation's 28 million veterans."

Veteran's Day first began as Armistice Day, which marked the silencing of the guns of World War I. Although that day was a time of sadness to many who lost loved ones for peace and freedom, it was also a time of hope for the future and for a new beginning.

And, so it is this Veteran's Day. Blood has been shed throughout the world by our Americans and this day's observance comes at a time especially meaningful to all Americans. The soldiers who fell in Beirut and Grenada are still being buried at this time, and the families and friends still mourn their passing. Those who fought in Grenada and those in Lebanon are a few of many who serve without fanfare each day, continuing and upholding the tradition of

American courage and service.

Also on this Veteran's Day, we should remember the sacrifices made by our valiant soldiers in defense of their country in all American wars.

Veteran's Day is filled with meaningfulness and the tradition of honoring the unknown soldier at Arlington on the 11th hour of the 11th day of the 11th month.

Over the years, over 1,081,000 Americans have died in the defense of their country since the first wars in 1776. More than half of the men and women who have worn the uniform of this country in wartime are still alive.

In World War I a total of 4,744,000 answered their

Cotton Ginning Off To Slow Start

A late planting season, drought, and an early freeze and October hail and rain storms have taken their toll on ginners in the Bailey County area this fall. Early predictions of short crops were updated to even shorter ones after the hailstorms in mid-October, and some ginners don't expect to gin very many bales again this year.

There is a possibility that some cotton damaged by the October storms can be picked up with a special kind of machinery, however, most gin officials report that the weather will have to clear up and the cotton dry out before this can even be tried. There still remains the doubtfulness of the quality of the crop after laying on the ground that long.

On October 12, Bailey County Electric Cooperative Association which services about 25 gins in the Muleshoe-Lazbuddie-Morton area reported nine gins of the 25 that have not ginned any cotton as yet. "Although their power is on, some have

Muleshoe Meets Perryton In Bi-District Game Friday

State, County Vote For Child Support

State and local returns showed strong support at the polls Tuesday evening on a constitutional amendment allowing the state to withhold delinquent child support payments from a person's paycheck.

Late returns state-wide revealed that all but two of the eleven proposed amendments passing - those two were Number 8, having to do with a tax-exempt status for vet's and fraternal organizations; and Number 10, that which would authorize cities to relocate or replace sewers on private property.

Farm Emergency Loan Program Re-instated

Although no news has been received locally in the Bailey County FmHA office, a recent news release from Secretary of Agriculture John Block has indicated that the \$600 million dollars which could have been made available to farmers on the brink of disaster in 1982, is scheduled to be put in circulation via a loan program operated by the Farmers Home Administration. Officials say that the program will be in effect by Christmas after being halted for more than two years by Reagan administration farm officials.

The program, which is the Economic Emergency Loan Program was authorized in 1978 and expired in September of 1981 and provided over 100,000 loans totaling \$6.6 billion. However, the decision by Reagan farm officials put an end to the program although \$600 million had been authorized by Congress for the 1981-82 fiscal year.

Much pressure was brought to bear on Secretary Block during the 1982 year to release the funds and at one time at a town hall meeting in Lubbock, he promised such release. However, despite the pressures, Block did not release the emergency funds

Game Played In Dumas 7:30 P.M. Friday Night

The Muleshoe Mules will travel to Dumas Friday to meet the Perryton Rangers, District 1-3A Champs, in a bid for bi-district honors. Although the Mules won the coin toss to determine where the game was played, an available stadium in a mid-way spot was not to be had. Therefore, Perryton will be traveling about 90 miles to the playoff game, while the Mules have a little over 150 miles to go.

Littlefield is scheduled to play Dalhart at Hereford at the same time this Friday, but maybe without the talents of Steve Greene.

Windy Williams Mules will have their hands full when they meet the Rangers Friday and a ground oriented offense with junior Monty Langford at the quarterbacking spot. Langford has had about a half a season in experience, taking over the number one spot mid-way in the year from Lane Schollenberger who had trouble with interceptions.

Although they are tough and big the Rangers have had problems this season with fumbles and penalties, which probably explains why they don't opt for the air more. Size-wise, they have more weight on the field than the Mules, but lack the Mule's speed and quickness.

Roger Bocox is the big

rusher for the Rangers and has the weight and build to go with it (6'3"-204). Bocox is a three year starter and in nine games has rushed for 1175 yards and 16TDs. He will be major factor in the Ranger attack. Brian Williamson is also a big man for the Rangers and has 965 rushing this year, starting in the third game. According to scouting information, if the big play breaks open, Williams will be the man in the plan.

Although the Ranger's offensive game is ground-oriented, Langford who is known as an option-type quarterback likes to throw to Joe Sardello. He also has three or four other receivers that are qualified to handle the passes.

Lane Schollenberger, who also quarterbacked, is the kicker for the Rangers and is pretty accurate. He's put 49 points on the board for the Rangers this year, hitting on 28 out of 32.

The Mules could possibly see freshman, Mike McKinley, in at a tailback spot. McKinley is a talented young man and in just four games has 203 yard rushing. He promises to be one of the top contenders in the years to come.

In comparison, the Mules and the Rangers have a lot in common in some ways, and if the Mules can contain the quarterback and put the "tops on Williams and Bocox, they should be in good shape. Muleshoe also has a quarterback who can run with the ball, along with a stable of pretty fair rushers and some good receivers. The Mules seem to be stronger on defense, where the Rangers claim to be an offense team. The Mules also have the ability to break loose with a big offensive play when the

Sudan Chapter Hosts Epsilon Delta Coffee

On Saturday, November 5 members of the Epsilon Delta Chapter of Delta Kappa Gamma International met in the new homemaking department of the Sudan School System for a coffee hosted by the Sudan members with LaDelta Vernon acting as chairperson.

Prior to the general meeting, the Executive Committee met and took care of current business. Members were then treated to hot cider served from a hollowed pumpkin assorted fruit breads, sausage rings and ham salad on crackers. The business meeting was

held in the new school auditorium providing an opportunity for all the members to see the new school facilities.

The meeting was opened by the reciting of the collect led by the president, Nettie Belle Hilbun. After the routine business of roll call, minutes, treasurer's report and resignations and transfers, the area coordinator, Lucy Faye Smith, urged all members to attend the State Convention to be held in Amarillo on June 14-17.

Mrs. Smith also urged the chapter's participation as hostess for the Birthday Luncheon and/or Founder's Day Banquet. Mrs. James then presented the president, Nettie Belle Hilbun her President's pin.

A program on Child Abuse was presented by Mrs. Phyllis Coleman, Lamb-Bailey County Representative for the Department of Human Resources. Invaluable information on how to detect as well as how to report child abuse was gained by all members present.

Members attending from Muleshoe were, Carrie Lee Bishop, Virginia Bowers, Joyeline Costen, Mary B.

a Christmas dinner at K-Bobs in Littlefield at 6:30 p.m. on December 3.

Stringed instruments played with a bow are thought to have originated in Asia about the 8th or 9th century.

Ricky Mata and Kem Bales tied in selling the most newspaper subscriptions for the Muleshoe High School Band. They each received \$12.50 for their efforts. The entire band sold \$822.75 in subscriptions.

Young Homemakers Bazaar Scheduled Saturday

The Lazbuddie Young Homemakers Christmas Bazaar is scheduled for Saturday, Nov. 12 from 10 a.m. until 6 p.m. in the school cafeteria.

A spokesperson for the group said, "We are expecting the largest turnout ever, and we are all working very hard to make this year's bazaar exciting and fun for all participants, whether they be behind the booths or in front."

The Young Homemakers have added some interesting features to this year's bazaar, beginning with the children's art competition for ages four through 12. These young artists have done some remarkable work and they are rightfully proud of their efforts.

In their desire to better serve the public, the Lazbuddie Young Homemakers have increased the number of items to be available at the snack bar. The new menu includes baked potatoes, with a variety of toppings, several different kinds of sandwiches, nachos, chips, coffee, soft drinks and homemade pies from the kitchens of the Young Homemakers.

Also available, as a courtesy to the public, several

Creative Woman

By Sheryl Borden

On November 15 and 19, viewers of "The Creative Woman" will learn about sewing machine care and maintenance and using oven cooking bags. Ann Silva and Kaye McCown, associated with Ann Silva's Bernina Sewing Center in Albuquerque will discuss lots of money saving techniques home sewers can do to eliminate the need for calling a sewing machine repairman. They

will also discuss proper needle sizes, what to look for in buying a sewing machine (both new and used) and ways to make a sewing machine last a lifetime.

Christy Kirk, home economist with Reynolds Metals Co. in Los Angeles will also be on the show and will tell how to spend less time in the kitchen and have more time for other activities. She emphasizes using oven cooking bags, and will demonstrate several uses for these bags.

On November 17 and 20, the topics will include cooking rice, wall treatments and sewing tips from Stretch & Sew, Inc. Diane Duncan, home economist and spokeswoman for The Rice Council in Houston will show four different ways to cook rice. JoAnn Less, Extension Housing Specialist with the Cooperative Extension Service in Las Cruces and she will discuss several different wall treatments.

Another guest will be Ann Person, President and Founder of Stretch & Sew, Inc. and she will demonstrate how to attach a patch pocket with hidden stitching.

"The Creative Woman" is produced and hosted by Sheryl Borden. The show airs on Channel 3 at 12:00 noon on Tuesday and Thursday, at 2:00 p.m. on Saturday and at 7:00 p.m. on Sunday on KENW-TV.

Education Commissioner To Speak In Littlefield

Raymon L. Bynum, Commissioner of Education for the State of Texas, will speak in Littlefield November 17 at the Lamb County Ag and Community Center at a 7:30 p.m. meeting sponsored by District 14 of the Texas PTA and the South Plains Area PTA Council.

Administrators, school board members and parents in the West Texas area are invited to the public meeting according to Mr. Merwyn Igo, Plainview, District 14 president.

The area-wide meeting is being held in conjunction with American Education Week, November 13-19.

Mrs. Warren B. Tynes, Waco, State Board of Education member and president of Texas PTA, will also speak at the meeting.

Mr. Bynum will present information on the direction in education brought about by recent legislation and is expected to speak to proposals of the Governor's Select Committee on Public Education.

Martin Services Held Here Tuesday

Services for Ernest E. Martin, Sr., 76, were held at 11 a.m. Tuesday, Nov. 8 in the Trinity Baptist Church with the Rev. Buster Huggins, pastor, officiating. Burial was in Bailey County Memorial Park under the direction of Ellis Funeral Home. Martin died at 11 p.m. Saturday in West Plains Medical Center.

A native of Callahan County, Martin was born Dec. 26, 1906, in Taylor County. He was a retired city employee and a member of the Muleshoe Trinity Baptist Church.

Survivors include his wife, Rosa; four daughters, Mrs. Elizabeth McGuire of Roswell, N.M., Mrs. Ravis Isbell of Tahoka, Mrs. Imelda Howell of Denton and Mrs. Verna Davis of Farwell; two sons, Bill Martin of Lariat and Eune Martin of Friona; a niece, Delia Cagle of Roswell; a great neice, Jackie Cagle of Roswell; 18 grandchildren; 20 great grandchildren; and one great great grandchild. One daughter, Marquetta Martin, died in 1931.

Grandsons were pallbearers.

Mr. and Mrs. Tynes will also speak on the activities of the State Board of Education and cooperative efforts of the Texas PTA and other educational organizations.

A reception honoring Mr. Bynum and Mrs. Tynes will be held at 7 p.m. preceding the public meeting.

W.H. Lee

Services Held

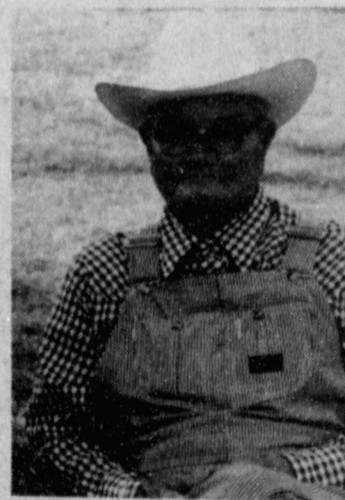

Monday

Funeral services for W.H. Lee, 75, were held at 3 p.m. Monday, Nov. 7 in the Ellis Chapel of the Chimes with K.B. Martin officiating.

Interment was in Bailey County Memorial Park under the direction of Ellis Funeral Home. Lee died at 5:35 a.m. Saturday in the Methodist Hospital in Lubbock.

Born April 14, 1908, in Hugo, Okla., Lee moved to Muleshoe in 1952, from Crosby County. He married Irma Clark Dec. 19, 1930, in Hugo. He was a retired farmer, a member of the First Baptist Church of Lorenzo and past president of the Muleshoe Co-op Gin.

Survivors include his wife, Irma; three sons, Glenn W. Lee of Bridgeport, Marshall Lee of Amarillo and David E. Lee of Carrollton; two daughters, Mrs. Dorothy Rierson of Clovis, N.M. and Mrs. Wilma Lee Gains of Amarillo; two sisters, Mrs. Ann Waddell and Mrs. Margaret Ivy, both of Dallas; five brothers, Wilson Lee of New Orleans, La., Jim Lee of Keller, Ray Lee of Boyd, Albert Lee of Garland and Wilbor Lee of Hugo, Okla.; 14 grandchildren; and three great grandchildren.

The Carpenter's FRIEND

To build... one must have plans, and plans give exact measurements. The carpenter who makes careful measurements finds that the work is made easier. Careful measuring prevents waste... waste of time and materials. Therefore the measuring device is truly a friend to the carpenter.

The church wants to be your friend, and help you to a easier and better way of life. The Bible clearly gives us a way to measure life. Through many centuries man has found no better rules than those given in the Bible.

Attend church and receive the friendly welcome that awaits you.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Double Ring Ceremony Unites Miss Holmes, Harris

MR. AND MRS. ROGER LEE HARRIS
(nee Joyce Ellen Holmes)

Miss Joyce Ellen (Joy) Holmes and Roger Lee Harris were united in marriage Saturday, Oct. 29 at 2:30 p.m. in the First Baptist Church of Plainfield, Indiana, with the Rev. Gene Everett officiating.

Miss Holmes is the daughter of Mr. and Mrs. Wayne Holmes of Muleshoe, and Harris is the son of Mr. and Mrs. Jack Harris of Plainfield, Indiana.

The couple repeated their vows before a cross and unity candles which were lit. Blue and pink ribbons marked the family pews.

Music for the ceremony was performed by organist, Patricia Hart. Songs played were "O Perfect Love", "The Lord's My Shepherd", "My Tribute", "O Love That Will Not Let Me Go", and the "Traditional Wedding Song."

Given in marriage by her father, the bride wore a formal white chiffon satin gown, featuring an empire waist line. It was fashioned with a high neckline and cap long sleeves. The gown was adorned with Venise lace of daisies and embroidered flowers, scattered with lillies

of the valley. The A-line skirt flowed into a chapel-length laced train, and her fingertip illusion net veil, was attached to a Juliet cap, and encircled with small matching daisies and pearls. She carried a bouquet of daisies and pink and blue carnations with pink ribbon.

Following tradition, the bride wore a pearl necklace belonging to her mother as something old. Something blue, her garter. Something new was the bride's dress. The bride wore a handkerchief carried in her sleeve as something borrowed from Granny Sanley (the groom's grandmother).

Jessie Holmes, sister of the bride, served as maid of honor. Bridesmaids were Mrs. Kelly Andrew, sister of the groom of Plainfield, Indiana, and Jackie Holmes, sister of the bride, of Muleshoe. They wore full-length, formal pink lace dresses. They each carried a pink carnation.

Tim Bengé served as best man. Groomsmen were Jim Harris, brother of the groom, of Plainfield, Indiana and Carl Barker, cousin of

the bride, of Maumee, Ohio. The groom wore his military uniform. The best man also wore his military uniform. The attendants wore blue suits with light blue carnations.

The ushers were Kirk Andrew, brother-in-law of the groom, of Plainfield, Indiana, and Brian Torok, cousin of the bride, of Swanton, Ohio.

Amy Torok, cousin of the bride, of Swanton, Ohio registered the guests.

Mrs. Steve Torok and Mrs. Carl Barker, aunts of the bride, served at the reception. The guests were served a three-tiered cake with blue and pink carnations and daisies (made by the mother of the bride). Mrs. Steve Torok and Mrs. Carl Barker decorated the table with blue and pink bows and streamers.

Following a wedding trip to Indianapolis, Indiana where the bride and groom were guests at the Hilton Inn, a Honeymoon Suite was paid for by Mr. and Mrs. Fred Bengé and family, the couple will make their home in Clovis, New Mexico where the groom is present-

ly stationed at Cannon Air Force Base. For traveling, the bride wore a pink and white lace dress.

The bride is a 1982 graduate of Muleshoe High School and the groom is a 1981 graduate of Plainfield High School, in Plainfield, Indiana.

Special guests for the wedding included Alberta Stanley and Pauline Harris (both grandmothers of the

groom). Mr. and Mrs. Fernando Kutzi (brides grandparents) of Liberty Center, Ohio. Guests also included Mr. and Mrs. Steve Torok, Brian, Amy and Scott of Swanton Ohio. (Relatives of the bride). Also, Mr. and Mrs. Carl Barker, Carl and Jodie of Maumee, Ohio. (Also relatives of the bride). The Rehearsal party was held at Gray Bros. Cafeteria in Mooresville, Indiana.

MRS. DARRELL CLARK

Bridal Shower Fetes Mrs. Darrell Clark

Mrs. Darrell Clark (nee Shawna Kelton) was feted with a bridal shower Saturday, Nov. 5 from 2 until 3:30 p.m. in the fellowship hall of the 16th and Ave. D. Church of Christ.

Guests were greeted by Dolores Harvey, Norrene Clark and the honoree and registered by Linda Bell.

Linda Bell served cookies, mints, nuts and punch from crystal appointments.

The serving table was covered with a white lace cloth and accented with a candelabra entwined with pink roses. The honoree's corsage consisted of pink and burgundy silk roses.

Special guests included Dolores Harvey, mother of the honoree; and Norrene Clark, mother of the groom.

The hostesses gift was a set of stainless steel cook ware. Hostesses for the occasion included: Jessie Robinson, Betty Carpenter, Glenna Raney, Marsha Rasco, Mary Garcia, Rosemary Bell, Joyce Albertson, Linda Bell, Sandy Peterson and Dimple Sims.

Roxie Hoover

November

'Artist Of Month'

Roxie Hoover has been named "Artist of the Month" at the Muleshoe Public Library, for the month of November. Some of her paintings will be on display at the library during the month.

Mrs. Hoover has been painting five years and states she enjoys painting in oil. Some of those she has studied under included Jean Green and J.D. Kwel. She is a member of the Muleshoe Art Association.

She has been a Muleshoe resident since 1936, and has three children, Juneta Wenner of Lubbock, Gail Hoover of Seagraves and Edward Hoover of Abilene.

ROXIE HOOVER

Pre-nuptial Shower

Honors Miss Sides

Miss Kim Sides, bride elect of Edwin Watson, was honored with a pre-nuptial shower Sunday, Nov. 6 from 2 until 3:30 p.m. in the home of Gladys Myers.

Guests were greeted by the honoree; Pat Watson, mother of the prospective groom; and Carolyn Sides, mother of the bride elect, and registered by Susan Wilson.

Darla Poyner and Kristi Ethridge served thumbprint cookies and almond punch from crystal and brass punch bowl and tray.

The serving table was covered with a white linen cloth and accented with a floral arrangement of green and anricot silk flowers. The honoree's corsage consisted of fresh flowers.

Special guests included: Mrs. Tom Watson, Mrs. George Bogwell, Mrs. Delbert Watson, Mrs. Booser, Mrs. Denise Sides, Mrs. Ray Kidwell, Cinde Sides, Sandy Watson, Mary Watson, Kyla Booser and Stacy Sides.

The hostesses gifts were a food processor and brass tray. Hostesses for the occasion included: Barbara Milburn, Pat Gunter, Evelyn Northcutt, Betty Cowan, Dolores Garrett, Janette Ethridge, Marilyn Wilson, Twilia Albertson, Flo Lynk, Patsy Poyner, Dean Gunstream, Judy Cox, Mary

Charles C. Smith Will Receive Service Award

A long-time employee of Southwestern Public Service Company (SPS) from Muleshoe will receive a service award at a dinner at the Hilton Inn in Amarillo on Thursday, November 10.

Charles Claude Smith will be honored for 30 years of service to Southwestern and its customers.

SPS will honor its System employees at the dinner.

System employees work in the general office of the Company, in Amarillo. The 103 employees have served a total of 1,640 years.

Bert Ballengee, president and chief operating officer of the Company, will present the service awards.

This year, Southwestern is recognizing a total of 385 employees in four states. They have served a total of 5,805 years.

It's easy to laugh at the ills of another but the humor ends when you have a pain in your own insides.

Alpha Zeta Pi Plans Holiday Fashion Show

The Alpha Zeta Pi chapter of Beta Sigma Phi met in the home of Debbie Hutto Tuesday, Nov. 1 at 7:30 p.m.

Preceding the meeting was Pledge Rituals for three new pledges, who had missed the earlier ceremony. Those initiated were Cyndi Gott, Rayniel Bamert and Barbara Young.

Following the ceremony 'Debbi Hutto, president, called the meeting to order. The roll call and minutes were read by recording secretary, Betty Bush and the treasurer's report was given by Alice Liles.

Communications from international were read communications from in-nce renewal, and a program for official ambassadors for Beta Sigma Phi. These ambassadors would help to develop new Beta Sigma Phi organizations in areas where none exist. Any member interested is to apply to the Beta Sigma Phi international headquarters.

State communications included information on the Texas State Service Project. This year Texas Beta Sigma Phi organizations are supporting Dialysis procedures for children. Other communications were from the Muleshoe Chamber of Commerce introducing new business memberships, the new chamber officers and announcing the date of Dec. 3 for the Muleshoe Christmas parade. The theme this year is Christmas Is.

Committee reports were presented by the chairman. Jan King, social chairman announced that the Halloween social between the chapters was a success. Also plans for the Christmas social, to be held Dec. 20, will soon begin.

Dani Heathington, service chairman, reported that the approval for a donation of playground equipment for the new park had been given. Recommendations were made and tabled until the service committee could meet.

Peggy Pohlmeir, membership chairman, passed out the Beta Sigma Phi pledge books. Annette Bonds, courtesy chairman, recruited three members to plan and take a meal to an ill member. As scrapbook chairman she announced that family pictures were due.

Debbie Hutto, year book chairman, passed out the remaining yearbooks to those who had not received one.

Ruth Locker, ways and means chairman, presented the new money making projects for this year. A fashion show presenting fall, winter and holiday fashions is to be held Saturday, Nov. 19 in the high school cafeteria at 6:30 p.m. Featured lines of clothing will be in sports-

wear, casual dress and after five, including sizes for men, women, and children. Members were presented tickets to sell in advance for two dollars each.

New business was introduced by Traci Matsler who explained her new group meetings for pregnant teenagers. "Her goal is to bring knowledge to those girls concerning the physical and mental changes they will experience during pregnancy and the love and responsibilities that come with being a new mother" said a spokesman for the group. Mrs. Matsler said "Volunteers and suggestions are welcome in helping to organize these groups".

The next meeting is to be held in the home of Paula McMeans on Nov. 15.

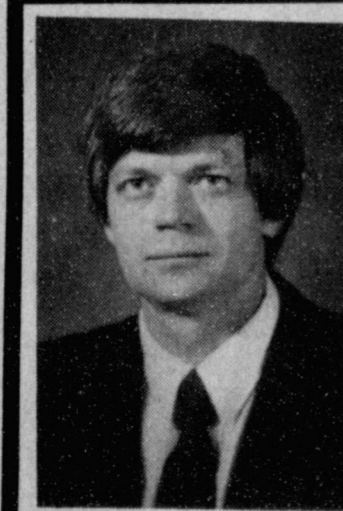

Mrs. Hutto presented a program on "Music and the Stories Told"

TAX TIDBITS
The following brief items on a variety of tax laws should be of interest to many taxpayers:
1. An interest deduction is not permitted if the payment for the interest expense is made from funds advanced from the same lender.
2. Taxpayers over 55 years old planning to wed should consider selling each of their homes before marriage. This will provide each of them with the once-in-a-lifetime \$125,000 exclusion from taxation. If sold after marriage, only one exclusion is available for the couple.
3. The rate of interest charged by the Internal Revenue Service on tax deficiencies and the rate of interest paid to taxpayers on certain refunds is 11%, effective July 1, 1983. The rate for the prior six months had been 16%.
4. Gains from illegal transactions such as gambling, extortion, fraud, and certain misappropriated funds from businesses, estates, etc. are includable in gross income. Can't you see yourself putting "funds from embezzlement" under Miscellaneous Income on your tax return? If you do, however, it is subject to self-employment tax as well as income tax.
5. Custodial and setup fees for your individual retirement account should be paid by you and deducted on your Form 1040 as an itemized deduction.
6. Stockbrokers will have to give the IRS more information about your account. Starting in 1984, the IRS wants to know in detail what securities and commodities you sell.
Don't wait until after December 31st to do your 1983 tax planning. Determine the tax consequences on all major transactions before they are completed.

Amendments...

Cont. From Page 1

against. Proposition 7 passed 185 to 108.

Proposition 8 failed in Bailey County with 206 votes against and 86 for. Proposition 9 passed with 171 votes for and 105 against. Proposition 10 passed by 152 to 138 votes and Proposition 11 passed in the county with 204 votes for and 95 votes against.

By voting boxes, seven in all, Voting box 1 had a total of 101 voters, #2 had 56, #3 had 15, #4 had 74, #5 had 20, #6 had 15 and #7 had a total of 19 voters.

The voter turnout was low in comparison to previous elections on constitutional amendments. In the last election prior to this on amendments, over 600 voters turned out in Bailey County.

Illinois Seems Favored For Big 10 Title, Roses

The last time Illinois represented the Big Ten in the Rose Bowl was on January 1, 1964, just twenty years ago. The Illini tripped Washington in Pasadena that year 17-7. With Indiana and Northwestern remaining on the schedule, it appears the Illini will win both the Big Ten title and the coveted Rose Bowl trip on New Year's Day. Indiana is a big underdog in Champaign this Saturday, and Illinois will be favored heavily over Northwestern in its final game the following week.

After the first three games of the 1983 football season, if one had looked ahead, it would have appeared that the Notre Dame-Penn State game on November 12 would not only be a dull affair, but would have no interest whatsoever to post-season bowl people. The Lions had lost three straight... the Irish had dropped two of its first three games. Six games later, everything has changed. Coaches Joe Paterno and Gerry Faust have made winners out of their losing football teams, and their match-up is one of national importance this week. Penn

State's conquests include Alabama and West Virginia while Notre Dame stormed back with five victories to bring their record to 6-2, prior to last Saturday's game with Pittsburgh. The Nittanians are playing at home, but it's still a toughie to pick. Bravely: Notre Dame.

U.C.L.A. isn't quite in the driver's seat as far as the Pac-10 title and Rose Bowl host spot is concerned. However, the Bruins have moved into the passenger's seat with their big win over Washington two weeks ago. Successive wins over Arizona and Southern Cal in their final two games will give them the championship regardless of what Arizona State or Washington do. However, the catch just might be this week against Arizona... the Bruins are only slight favorites in Tucson.

Here's a quick look at the Harmon forecasting statistics through games of October 29th: of 1583 games forecast, 1129 were correct, 416 were wrong, and there were 38 ties for a .731 average.

Mules Go For It

Cont. From Page 1

JVstarter Paul Siequero had a big interception near the end of the game.

The Perryton game will come down to an all-out battle, as it has in the past years. This year, with new tactics in a lot of procedures, could be a lucky one for the Mules. According to some scouting information received by the Journal, the word is out that the Mules have done a complete turnaround and have come back in football action with a rejuvenated team by the virtue of Windy Williams' and his staff's coaching techniques.

Some charter busses will be taken to the game and a lot of individual fans will be traveling to the game. School will turn out early, with the busses leaving on their routes at 2:15 p.m. Friday.

This is really an occasion for the Mules and for their fans, so come on people, let's show these kids we are behind them 100 percent and go to the game Friday. Remember, kick-off time is 7:30 p.m., with Perryton being designated as the home team. We'll see you in Dumas. GO FOR IT ALL, BIG MULES.

Parade...

Cont. From Page 1

In addition to the parade, the Moonlight Extension Homemakers Club will also host their fifth annual Arts and Crafts Bazaar on December 2 and 3 at the Bailey County Civic Center. Entry forms for booths at the Bazaar are also available at the Chamber office, or for further information contact Betty Campbell at 272-4583.

Cross Country...

Cont. From Page 1

In the coming years. This is the first year that Muleshoe girls have had a team in cross country events.

Good Luck to Mule Varsity Cross Country runners and to Coach Jerry Johnson, as they try for a second State Championship, for the Mules.

Contest...

Cont. From Page 1

it has been hard for anyone to really get a secure handle on the first place lead, so keep those cards and letters coming in folks - who knows - next week's winner could be you.

Several contestants are still strong contenders with ten points each. Those contestants are: Ina Dennis, Lula Mae Shanks, Bobby Gleason, Kathleen Hayes, Sam Whalin, Gerald Shanks, and Jo Wood.

There were a lot of upsets this week, which made for a hard contest, but, you can do it, so don't quit now. Anyone stands a chance at this point and a little close figuring can be a lot of help to you.

Also, as most of you are aware, Muleshoe will make a bid for bi-district honors in Dumas this Friday night at 7:30 p.m. when they go up against the Perryton Rangers. This will be the 13th time the Mules have played the Rangers, so if you are suspicious, it could mean a good sign for the Mules. This is another must win, if the Mules are to advance further into the playoffs. Get out and go to the game - it's not that far, and you'll be glad you did.

Perryton will be the home team on the playing field. Let's get behind these Mules, people, and show them and their coaching staff how much we appreciate them. Go to Dumas and GO BIG MULES-BEST PERRYTON BAD.

Local FFA

Members Attend National Meet

Five Muleshoe Future Farmers of America left early Tuesday morning, November 8 for the 56th National FFA Convention in Kansas City, Missouri. The convention will be held from November 10-12 and the group will return sometime Sunday. They are being accompanied by vo-ag instructor G. T. Dickerson and his wife, Gene.

Those FFA members attending include Michael Barrett, Craig Hunt, Stephen Ethridge, Kristi Spies and Sunny Bayless.

In the convention, recognition will be given to those who have distinguished themselves in the FFA ranks over the past year. Some awards will include that of American Farmer, Proficiency awards, FFA Contest awards and Honorary American Farmers. National officer candidates will also be running for office at the convention and a new slate of national officers will be elected.

Over 23,000 FFA members throughout the U.S. are expected in attendance along with 2,000 vo-ag instructors. The theme for the 56th annual meet is "Keeping American on the Grow - Vocational Agriculture and FFA." A number of distinguished guests are scheduled for the Convention.

BACK THE MULES FOOTBALL CONTEST

1st \$6
2nd \$3 **3rd \$2**

CONTEST RULES:

1. Pick the winner of each of the games contained in the advertisements on this page. Write the name of the teams you think will win opposite the game number in the blanks provided on the official contest blank.
2. The contestant must be 12 years of age or older.
3. Only one entry per person may be made for any one contest.
4. Bring you entry blank by The Journal office by 5:30 p.m. Friday, or, if mailed, the entry must be postmarked not later than 5:30 p.m. Friday. Write "FOOTBALL CONTEST" on mailed entry, and mail to P-O Box 449, Muleshoe, Tx. 79347.
5. Pick and write in the score of the tiebreaker game. This score will be used to break weekly as well as grand prize winners. Decision of The Journal's scoring judges will be final.
6. Check the team you think will win; 10 points for first place, 6 points for second place and 4 points for third place.
7. To count for grand prize, entries must be on official blank printed in the paper.

Grand Prize \$100

Bale Report

Con't From Page 1

but they do not expect to gin too much more. "The cotton crop in our area is really short this year," a spokeswoman for the gin stated.

"In a good year, we can gin as many as 8,000 bales," said an employee for the North Lazbuddie Gin. However, weather and related problems have downed that estimate by at least half this year. So far, the North Lazbuddie Gin has ginned 275 bales of cotton and expect to gin about 3500 total.

The Farmer's Co-op Gin at Enochs has ginned about 500 bales to date, and according to Mr. Newton, manager, "we might be able to gin some more if the cotton can be picked up out of the rows. We had a lot of cotton get hurt by the October storms and it hasn't dried out enough yet to do anything with it," Newton said. If farmers in that area can pick the cotton up, the Co-op Gin estimates they might gin another 2 to 3,000 bales - if not, "we are about through," Newton predicted.

Employees at the Maple Co-op Gin report 550 bales ginned as of Tuesday. An employee there said that the estimate of total bales was not possible due to the same

Vets

Con't From Page 1

country's call to battle -- 116,000 died in that conflict. With the coming of World War II, the greatest number of Americans ever were in uniform -- 16,535,000. Over 400,000 died in the WWII conflict. In the Korean War, 6,807,000 saw action and when the fighting ended in 1955, 55,000 of these brave soldiers had died. A total of 9,834,000 Americans were in service during the Viet Nam conflict - 47,000 deaths of American soldiers were due to the action of hostile forces.

At Gettysburg, President Lincoln urged his listeners to dedicate themselves to the "unfinished work...thus far so nobly advanced." For the living to do this was the only real tribute possible for those who fell in protection of their homelands.

Investments...

Con't From Page 1

accounts, CD's, T-bills, IRA, Capital Funds, Mutual Funds, Corporate Bonds and saving accounts.

A team of specialists from Shearson/American Express of Amarillo will be on hand to conduct the program which is entitled "Investments In An Uncertain Economy."

Program participants will include John Dowd, Financial consultant for Shearson/American Express; Jerry Sublett, Financial consultant and commodities advisor; and Ed Bagot, consultant and tax shelter coordinator. County Agent Linda Mullins says that the primary objective of the program is to help people understand the various options and to help them become better prepared to make decisions on the right investments.

reasons as the gin at Enochs. "A lot of our farmers have not yet been able to tell whether the cotton can be harvested, or if the cost will allow them to." In a good year, Maple Co-op will gin from 14 to 17,000 bales.

The Needmore Co-op Gin has ginned about 100 bales so far, and expects to gin close to 2500 before the season ends. "Crops in this area were not so badly damaged as those in some areas, and we've got a little more cotton here," a spokeswoman said.

Several other area gins have also reported some activity, but as a general rule, harvesting is just beginning to get underway. Several weeks of cool, damp weather following the rain and hail has slowed area harvest considerably. If the weather dries out and holds good, most gin operators say they could be through before the first of the year.

EE Loans

Con't From Page 1

to farmers in 1982. Following the halt of the loans, farmers in many filed suits in attempts to force the USDA to resume the program. In a U.S. District Court ruling two months ago, a judge said that Block should not have ended the program.

The FmHa is the USDA's rural credit outlet and makes loans to rural people and communities that are unable to obtain credit from private sources.

"Economic emergency loans are authorized for farmers and ranchers who are primarily and directly engaged in and expect to continue in agricultural production. Besides other qualifications, those who apply must have a need for credit to maintain viable farming operations."

The resumed loan program plans include both guaranteed and direct loans. The new-loans can be used mostly to finance 1984 crop production; purchase livestock, feed and equipment; pay family living and farm production debts and pay delinquent installments if a determination is made that the lender is demanding payment of such installment.

Law Enforcement Quiet This Week

Law enforcement activity over the past week has been slow, with few violations being recorded in both the Police Department and the Sheriff's office.

On November 7, local officers arrested Cheryl Lynn Williams on a capias pro warrant. She paid a fine of \$46 and was released.

On November 6, a burglary was reported at John's Custom Mill, however an investigation revealed nothing missing. The door had been forced open by persons unknown.

On October 23, police arrested Edward Lee Murphy on charge of alleged driving with license suspended. He was stopped after being observed riding a motorcycle which had no license. A driver's license check led police to book him pending bond.

JP Court Has Slow Week

Justice of the Peace Jack Bates reports a total of 20 filings on new cases for the period from November 1 to November 7, and 30 dispositions of previous cases for the same period of time.

Eleven cases of speeding violations were filed during this time and three for no liability. One case each was filed on the following violations: hunting quail from roadway, expired MVI, failure to have registration on trailer, over allowed gross weight, assault and one for defective tail lamps.

Of the 30 dispositions, fourteen were for speeding. Three were made for expired MVI's, and two each for hunting quail from roadway, public intoxication, minor in possession of alcoholic beverage. One case each was disposed of on the following violations: failure to have registration on trailer, over allowed gross weight, assault, defective tail lamps, no drivers license, running stop sign and violation of drivers license restrictions.

Since the City Hall was closed on Tuesday, due to elections, no report was picked up from Judge Huckaby. The Municipal court report will appear in the next issue of the Journal.

Burton's Service Center reported a criminal mischief occurrence on October 25, when a hole was discovered punched in a gas tank of a pickup belonging to a customer. About 20 gallons of gasoline leaked out of the

pickup, according to reports. On November 1, Mrs. W. F. Birdsong reported a burglary to local police, when mail containing checks totaling \$151.63 was removed by unknown suspects from her mailbox.

On November 3, police arrested Jose Ibarra Moreno on a warrant for failure to appear on a city ordinance violation. Moreno paid a \$30 fine and was released.

Also arrested on November 3 was Rolando Cortez on a failure to appear warrant for a city ordinance violation. The warrant was cleared after a fine of \$56 was paid.

On November 5, officers arrested Ricky McDonald on a charge of alleged disorderly conduct after an incident that occurred in the 900 Block of Avenue E. He was released after posting a \$55 cash bond.

In the Bailey County Sheriff's office two arrests including jail time, were recorded. On November 11, Charles E. Wells was arrested on a charge of alleged driving while intoxicated. He was released after posting a \$500 cash bond.

On November 4, Mariano Perez was arrested on a charge of alleged driving while intoxicated. He was also released after a \$500 bond was posted.

Song Of Woe

All that I am or ever hope to be, I owe.

-Appeal, Memphis.

Very True

Any person who is always feeling sorry for himself should be.

Humidity Hampers Harvesting

High Plains cotton harvesting remained in low gear all week. Overcast skies kept humidity high and daily doses of heavy dew and fog allowed only limited drying for agricultural purposes.

Equipment could be supported only in quick drying sandy areas, according to Mack Bennett, Area Director at USDA's Marketing Services office at Lubbock. Many areas remain too wet from heavy October rains. This harvest lull has allowed farmers to sell some

of their limited new crop supplies. Prices improved some this week. Growers sold small mixed lots of mostly grades 42 and better, staples 30-32, mike 35-49 at around 1300 to 1425 points over 1983 Commodity Credit loan rates. That's one to one and one-half cents higher than last week, Bennett continued. Gins paid growers \$160 to \$175 per ton for cottonseed, mostly \$160 to \$165.

The Lubbock Marketing Services office classed 12,800 samples during the

week ended November 3. This brought the season's total to 64,400 and compares with 33,200 classed by the same date last year.

Predominant grades during the week were grade 42 at 19 percent, grade 52 was 18 percent and grades 43 and 53 amounted to 13 percent each. Tinged grades accounted for 15 percent, about 26 percent was reduced one grade because of bark and four percent for grass.

Too many people know all the answers.

UIL Addresses Loss Of School Time, Academic Standards

Raising academic standards and restricting loss of school time were major issues addressed by the University Interscholastic League's Legislative Council, which held its 43rd annual meeting in Austin, October 16-17.

The council voted to place on a referendum ballot proposals that would raise academic credit requirements and restrict classroom absences by those participating in golf and tennis. In addition, the council voted to allow speech students to miss no more than 10 days per year in order to participate in speech/debate tournaments.

Among the proposals slated for referendum ballot examination are:

- An item that would require students to be passing four rather than three courses, excluding physical education, in order to compete in a League contest.
- A proposal that would prohibit students from missing a class that they are failing in order to participate in a League activity.
- A proposal that would require students to have passed four courses rather than three the preceding semester in order to compete. If passed, this item will not go into effect until the spring semester, 1985.
- A proposal that would restrict golf and tennis students to 10 days lost per year for participation in each activity respectively. For instance, a tennis player may miss no more than 10 school days in order to compete in tennis tournaments.

In addition, the council voted to place on the referendum ballot proposals that would relax summer basketball, football and volleyball camp rules. Summer camps would be open to athletes who have not participated in a varsity contest. Also, students may not be coached in a summer camp by a person employed by the students' school.

The council also placed on the ballot a proposal that would open the door to summer basketball leagues. Summer league play would be permitted between June 1 and August 1 under the following guidelines: Students may participate in one league only. Students may not be coached by a coach employed by the player's school. Students may not play more than two games per week. Students may not play on a team that has more than three players from one school. School equipment may not be used.

Students may not compete against a team that has more than three players from a single school.

"In both league and camp situations, the player may not be coached by a secondary coach -- meaning a seventh through 12th grade coach -- employed by the student's school," Marshall said.

Other major council proposals going on the referendum ballot include:

- Amending the rules to allow for parochial and private school membership into the League.
- Studying the concept of disqualification of coaches or contest sponsors who knowingly violate League rules.
- Revising the UIL spring meet calendar, with the combining of boys' and girls' district, regional and State Meet athletic events. District meets would be held either April 1-6 or April 15-20. Regional meets would be held April 29-May 4. The State Meet would be held in Austin, May 9-11.
- Revising the Five-Year Rule so that a child being retained in the seventh grade for competitive purposes would lose the final year of high school eligibility.
- Adding gymnastics and wrestling as UIL sports for Conference AAAAA only.
- Placing the amateur restrictions on all students beginning in the ninth grade, regardless of the student's age.

Eliminating mandatory penalties in basket ball and volleyball for players on teams violating game and tournament participation restrictions. The council recommended passage of this proposal, which would give the district executive committees greater flexibility in assessing penalties.

- Revising the college course enrollment regulations so that courses taught by a high school teacher during the regular school day and conforming to Texas Education Agency guidelines are not considered college courses, even though college credit is given.
- Changing seasons to begin on either the first Monday following certification of the district football champion (with the season to end the last week of February) or beginning on January 1 (with the season ending with the state championship tournament, held the last week of April).
- Allowing athletes to sign a letter of intent and a college scholarship agreement that contains the conditions of the scholarship, provided that the athlete received no part of any valuable consideration guaranteed by that scholarship until after all UIL eligibility is completed. If passed, the item would take effect in 1984-85.
- Revising future basketball starting dates, allowing

basketball practice to begin on the seventh Monday following the first Thursday in September.

- Giving administrators the choice of keeping the present outside soccer restrictions as is, applying restrictions only to players who have participated in varsity contests, or abolishing outside participation restrictions. At present, soccer players who participate in club soccer prior to the start of the UIL season are ineligible to represent the varsity soccer team.
- The council also voted to move the first day of play basketball games from November 22 to November 21, to allow baseball players to wear metal cleats this spring, and to restrict music organizations to one non-League meet held on school time. The music restriction takes effect next year.
- The council also voted to meet March 7, 1984 in order to take action on the following items:
 - Recodification of the League's Constitution and Contest Rules.
 - The findings of the Junior High Athletics Study Committee.
 - Procedures for imple-

mentation of a penalty on coaches or contest sponsors who knowingly violate UIL rules. The final item will be considered only if the concept of contest sponsor punishment is approved on the referendum ballot.

In final action, the council referred to a Committee on Excessive Expenditures a proposal that would penalize schools for spending on "Luxuries" above basic athletic equipment and supplies. This panel, to be named soon, as well as a Committee on Loss of School Time--Missing School--Number of School Contests will meet this spring and issue a report to the Athletic Committee of the Legislative Council, May 30-31. The Council also voted that if a district executive committee imposes either a post-district disqualification or a district disqualification, that action may be appealed to the State Executive Committee.

The council defeated a proposal that would have increased from \$40 to \$50 the limitation a school may spend per student as an award for participation in interschool competition.

"The council members did an outstanding job in considering the 50-plus

items presented in public hearings Sunday as well as the multitude of proposals they had previously heard," Marshall said. "They listened to, read and considered what each individual had presented."
