AROUND
THE
COUNTY

ARTHUR BARLEMANN, JR. COUNTY AGENT

There have been reports of livestock losses, both cattle and sheep, from a wide area of the state this year. Some of the losses have been attributed to bloat in the case of cattle and some to blackleg.

The bloat losses are caused primarily by the lush weeds and winter grass on which the cattle are grazing. This stuff is—or has been, prior to the high winds—particularly lush this year. Cattle are taking it in and with the shortage of dry grass on the ranges, the digestive system is not functioning as it should. They are bloating and unless found in time, are dying from it.

The losses to blackleg are turning up in vaccinated as well as unvaccinated cattle. Veterinarians are advising a second shot of the blackleg vaccine, particularly where the very young calves are given a shot. The vaccine is breaking down and is not effective. Thus heifers or cows that were vaccinated at a young age have lost their immunity. If such animals were vaccinated when under three months of age they should be given another shot near weaning time.

Blackleg also affects sheep, particularly younger ones. They too can be vaccinated with the same vaccine in a smaller dose.

The sheep losses have not been as extensive as the cattle losses but probably are due to some of the causes. However, with the lush range conditions, losses on the shearing boards may increase.

Many sheep producers make it a practice of penning their sheep overnight prior to shearing. This would be a good practice and those that are not doing this would do well to consider it this year. An old ewe full of these lush weeds that is thrown on the shearing boards stands a good chance of not getting off the boards alive. Penning overnight would help in this situation.

There could be a second effect to the over night penning. The rounding up the day before would not need to be as hurried as it might be the day of the shearing. It would not be necessary to push them as hard and with the presence of poisonous plants along with other weeds, a reduction of losses could be beneficial.

Home slaughtering of beef is making a comeback. Once popular over the state, the practice has largely been dropped. But the present prices of beef have brought about a return of the practice.

Woodrow Bailey, livestock and meat specialist with the Agricultural Extension Service, has been holding a number of demonstrations over the state on home slaughtering. This year marks the first time since 1939 that such demonstrations have been held at the request of people over the state. One such demonstration in Georgetown was attended by over 500 persons. They have been held in the metropolitan areas as well—Dallas, San Antonio and others. One is being held this week in San Angelo.

Another contributing factor to the popularity of the demonstrations is the fact that most locker plants are snowed under. Most of the plants have a wait-

City Election on April 1

There will be an election for three city councilmen in the City of Sterling City on April 1. The voting will be done at the city office, as usual, said the city secretary, Mrs. Horace Donalson.

The councilmen are up for reelection, being Neal J. Reed, Don Griffin and Ross Foster. They have filed and will have their name on the ballot that day.

The other members of the City Council are Mayor Lee Reed, Foster Sims Price and Dan Glass.

Baptist Revival Starts Sunday, April 6

A revival will begin here at First Baptist Church on April 6, said pastor Traugott Vogel this week. The visiting evangelist is to be the Rev. Kenneth D. Emerson, now of Wichita, Kansas. Soloist will be Mike Ramirez of Big Spring.

Services will begin on Sunday morning at the 11 o'clock worship service, and will be held at 7:30 p.m. each night through April 11, said Vogel.

Everyone is cordially invited to attend all the services, said the pastor. He and Rev. Emerson were co-workers or pastors in Germany.

Rev. Emerson was born in Wise County, Texas and attended schools there. He and his wife, the former Cleta Joyce Boyd, have three sons, all married and living in Dallas. He attended Decatur Baptist College and Midwestern University at Wichita Falls. He has served churches in Byers, Texas, Wichita Falls, and Walldorf, Germany before going to Wichita, Kansas.

Rev. Emerson was president of the European Baptist Convention in Germany and also was the Evangelism chairman of the European Baptist Convention. He is now on the executive board of the Kansas-Nebraska Baptist Convention.

HOSPITAL NOTES

Patients in the Sterling County Hospital on Thursday morning of this week include:

Mrs. Fowler McEntire
Marcus Estrada
Mrs. Iver Mercer
Dismissals since Thursday morning of last week were;

Robert Ritchie
Mrs. Weldon Parker

Patients in the Sterling County Nursing Home on Thursday morning of this week were;

Mrs. Luther Hallmark
Jim Pate
Mrs. Lura McClellan
Mrs. Edith Hudson
Mrs. Ida Brown
Mrs. Jim Duke
Jim Duke
Mrs. Lucy Norman
W. J. Williams
Earnest Turner
Mrs. J. E. Bynum
Mrs. Larkin Longshore
Mrs. Robbie Grace
Noble Read
J. B. Ratliff
Mrs. Minnie Pinson
Roy Morgan
Mrs. Henrietta Long
Mrs. Noble Read
Mrs. O. M. Cole
Mrs. Mabel Martin
Mrs. Clifford Carpenter
Mrs. A. G. Daves

School Trustee Election April 5

The yearly election for the Sterling School Board Trustees has been set for Apr. 5. There are two members whose terms are expiring this being Charlie Davis and I.W. Terry. They are the only two persons who filed for the board this year.

Other members of the board include Stan Horwood, Billy Cain Humble, Bill Davis, C. J. Copeland and Larry Glass.

Voting will be in the county courthouse as usual.

Behind the 8-Ball

By the editor.

When I was a kid growing up in San Angelo, Easter was a dress up time. Little boys wore short pants and stockings that came up just below the knees (for dress up, that is, like on Easter Sunday). I remember one Easter when all the little boys had on their short pants and summer weight clothes and all the little girls had on their new Easter finery of light net dresses and hats and ribbons, etc.

Most people walked to church then and we walked. It wasn't far. The wind got up, cold and full of dirt and dust. Big old rocks got mixed up in the act and practically sandblasted one's legs, face and arms, and any other part of the anatomy that was not covered.

Little girls especially would not hear of getting into some of their older, warmer clothes; no sir, not on an Easter Sunday when they had a new dress and hat to show off. I remember watching the girls holding on to their hats in the wind and trying to hold their dress down discreetly.

8—BALL

Easter is early this year. That is, it comes in March. For the past four years, it has come in April. Maybe this means there won't be any more bad freezes this spring.

8—BALL

Occasionally I like to repeat one of my favorite poems, Little Algy met a bear

The bear ate little Algy

The bear was bulgy

And the bulge was Algy.

8—BALL

The students and teachers at the Sterling school are off on an Easter holiday or spring break through Monday of next week. They got off Thursday, Friday and Monday.

8—BALL

How to Cut Down on Your Electric Bill

Would you like to save or cut down on your electric bill?

Here are some ways to do it:

1. Keep your wife from setting thermostat too high. Train her to move about a lot and

Local U.I.L. Winners

Winners from the Sterling school in last Friday's District U.I.L. Literary Contests are as follows

ORAL READING—5 and 6
Lonnie Horwood, second
ORAL READING—7 and 8
Carl Igo, first

PICTURE MEMORY

Sterling City team, tie for 2nd place; Don Templin, Kathy Maricle, David Myrick and Sandra Rodriguez

SPELLING—5 and 6, Angela Gonzales, 3rd; ORAL READING—7 and 8, Melanie McEntire 4th; NUMBER SENSE—Gary Maricle, 4th; STORY TELLING, Reed Stewart 4th. The Garden City School won first place and Greenwood 2nd. Kathy Maricle and Sandra Rodriguez both made 100 on their picture memory contests.

LITTLE LEAGUE TO MEET TO ORGANIZE NEXT THURSDAY NIGHT

The Sterling Little League will meet on next Thursday, April 3, at 7:30 in the community center. All kids (both boys and girls) who want to play AND their parents are asked and urged to be present by Jim Cantrell.

Cantrell said the season will begin May 1 and last through June 24. He said he hoped to get two teams here this year.

MITCHELL-HOLLAND WEDDING IN BLACKWELL

Mrs. Shirley Mitchell and Billy Burl Holland were married in the First Baptist Church in Blackwell March 23. Officiating was the pastor the Rev. Ely.

The couple will make their home in Blackwell.

ing list and it takes several weeks to get an animal slaughtered and processed.

LIONS SPONSOR BLOOD BANK 19 Donors

The Sterling City Lions Club met at noon Wednesday in the community center for the regular weekly luncheon. Thirty-four persons were present.

President Bill Watts named a nominating committee to nominate new officers. He named Louie Alexander, Roland Lowe Arthur Barlemann Jr. and himself.

BLOOD SERVICES GROUP PRESENT PROGRAM

A group of personnel from the blood bank services of San Angelo were present and gave a short film and talk about the blood bank services. Wanda Lee talked for the group.

After the program, the blood bank was open for blood donations. Among those donating blood were Roy Wold, Dusky Wells, Louie Alexander, Robert Hamilton, James Thompson, Ronny Hord, Tom Kilpatrick, Russell Davis, Fredah Bates, Amy Hodges, Lisa Horwood, Marylynn Rich, Celia Colvert, Leslie Cole, Royce Sparks, Martha Lawson, Ann Browne, Billy Watts and Stan Horwood. Also participating in the program were Jeannie Wells, Marlena Johnson, Kim Rich, Gladden Stewart and Dan Glass.

One-Act Play at SHS

Sterling City High School has entered the U.I.L. One-Act Play contest with the play RIDERS TO THE SEA by J.M. Synge. Directing the play is Mrs. Jaynell Bodine.

Appearing in the play are Horwood, Melinda Terry, Marlena Johnson, Dow Ferguson, Kim Rich, Patti Bynum, Kathy Frizzell, Charles Blaneck, Lee Fleming, Victor Proabndt, Leslie Rich, Larry Horwood and Mickey Dodds. Crew members are Jeannie Wells and Jeff Cantrell.

The play will be presented on Tuesday, April 1 at 7:30 as well as Thursday, April 3 at 7:30.

The district contest will be in Forsan on April 5. The contest begins at 2 p.m. The public is invited to attend all the performances.

The Thursday, April 3 performance will be presented in Water Valley in a joint performance with Water Valley.

keep warm nature's way.

2. Cook everything rare. A little step every day and you can soon eat it raw.

3. Be sure wiring is heavy enough to carry the power you need. Electricity wastes itself trying to crowd through small wires.

4. Marry your girls off young. Let some other dope heat their irons.

5. Go to bed earlier.

6. Give motors and equipment a periodic inspection. The squeaky wheel uses more kilowatts.

7. Don't bathe your kids so often. If they smell, send them outside to play.

8. Ditch your TV. (Really not a bad idea.)

9. Go to church frequently. While there your TV, radio and other equipment will not be in use.

10. Visit your friends and relatives as often as possible. Accept their invitations to stay for meals. Even for baths if invitations can be wrangled. Their hot water is just as good as yours.

11. Place your water heater as near the sink, lavatory and bath tub as possible.

12. Don't pay your electric bill and be disconnected. This will save everything.

Holy Week Church Services Set

A Good Friday service will be held at the United Methodist Church at 7:30 and Baptist pastor Traugott Vogel will be the speaker.

An Easter Sunrise Service will be held in the city park, with Methodist pastor Rev. Roy Wold bringing the message. Time for that morning service will be 7:30 a.m.

Everyone is invited to attend all of these services, said the ministers of the churches.

All Sterling City residents are urged to attend the church of their choice on Easter Sunday.

Cancer Crusade Drive in April

Mrs. Henry Bauer, Crusade Chairman for the annual Cancer Crusade Fund drive, has announced that volunteer workers will be canvassing Sterling County during the month of April. The theme for the rally will be *Curing Cancer in Our Lifetime*.

Last year, Sterling County won a BETTER THAN BEST award, which Oliver Jones, county chairman, had framed, and hung in the community center.

Also Mrs. Bauer was awarded the GOLDEN ACHIEVEMENT award for her endeavors as the Crusade Chairman two years running. She will spearhead the drive again this year, and has asked that the county support this charity with the same generosity of money and spirits as has been demonstrated in the past.

The goal this year is 10% over last year's total of \$1,566. A reminder to all who might not be aware: Cancer memorials can be given not only for the deceased, but for the living. Contributions may be made at any time to Bill Brooks, Cancer Memorial chairman.

Mrs. Bauer reiterates her appreciation to all city and county residents who have given so generously in the past; also to the group of volunteers who have donated their time and efforts to what has proven to be a worthy cause.

M.C.T. Presents "Drink to Me Only"

There was plenty of laughs beginning March 14 as Midland Community Theatre opened its second show of the season, 'Drink to Me Only' This comic farce is sort of a jolly intemperance lecture inspired by the pursuit of truth, justice and true love.

Springboard for the comedy's uproar is the trial of a daffy millionaire playboy charged with shooting his seventh wife in the derriere. The accused insists that a staid firm of lawyers must save him from jail or lose the right to represent his eighteen large corporations. His defense for shooting is simple: he had drunk two quarts of whiskey in twelve hours, and while in this state, he decided to clean his pistol. It went off accidentally, he claims, delivering the wound to his soon-to-be ex-wife. The case for the defense proceeds smoothly until a medical expert testifies that it is humanly impossible to consume two bottles of hooch in that short of ime.

Desperately his attorneys attempt to overcome this testimony by producing someone who can preform the feat. Their choice is a mild junior associate of the law firm. They promise him a large bonus and a promotion if he can just guzzle two quarts in twelve hours and still move about, if only slightly. The money offer is especially attractive to the young barrister because it would allow him to get married, an event which has been delayed some time for lack of funds.

To verify that the young lawyer does indeed drink the two bottles in the allotted time, a representative of the 'Honest Ballot Association' is assigned to observe the entire experiment. Pringle's marathon drinking session naturally concludes with his rubber-legged, thoroughly soused appearance on the witness stand at the trial, a howling climax to an evening of belly-laugh comedy.

DRINK TO ME ONLY is scheduled to run through Mar. 29, with a matinee performance on Mar. 23. Reservations should be made by calling the box office at 915-682-2544.

Memberships will remain on sale through the run of DRINK TO ME ONLY. There are five more productions scheduled for 1975, counting the current show. In May see 'The Last Meeting of the Knights of the White Magnolia', a comedy set in West Texas. In June there will be GIDEON, a warm, exciting and humorous Bible story. Next October the enchanting drama, ANNE OF THE THOUSAND DAYS, and closing the season in December a sprightly and happy comedy, 6RMS RIV VU.

NOTICE

The Texas State Department of Health has established, in accordance with the Federal Public Health Service Act, the current annual level of uncompensated services for Sterling County Hospital, Sterling City, Texas to be that the facility does not intend to deny anyone admission to the facility or any of its services because of an inability to pay. The documents upon which the determination was based are available for public inspection at the Texas State Department of Health, 1100 West 49th St., Austin, Texas from 9:00 A. M. to 4:30 P.M. on regular business days. The level of services set out meets the presumptive compliance guidelines of the Federal regulation.

WANT TO Buy old guns and coins. Ph. 378-5921

Social Security Tips

Social security checks should be cashed within a reasonable time to prevent loss or theft, even though there's no time limit on cashing them, according to social security officials here.

'If your check is lost or stolen, get in touch with your nearest social security office at once,' a spokesman said. 'The check can be replaced, but it takes time. Handle your check carefully when you get it and you won't have to wait while it's being replaced.'

Social security pays over \$4 billion a month in benefit checks to almost 29 million people—eligible retired and disabled workers and their families and families of deceased workers who worked long enough under social security.

For further information contact the Social Security office at 3000 W. Harris Avenue, San Angelo, Texas 76901 or call 949-4608.

HOMEMAKERS WANTED IN THIS AREA: men, women, students. No experience necessary; stuffing & addressing envelopes (Commission Mailers). Earn sparetime money at home, \$100.00 weekly possible. Send \$1.00 (refundable) & long stamped envelope for details to PPS-1038, 216 W. Jackson Blvd., Chicago, Ill. 60606.

CITATION BY PUBLICATION THE STATE OF TEXAS

To: Conception Gaitan, greeting: You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A.M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 14th day of April, A.D., 1975, at or before 10 o'clock A.M., before the Honorable District Court of Sterling County, at the Court House in Sterling City, Texas.

Said plaintiff's petition was filed on the 3rd day of March, 1975.

The file number of said suit being No. 813.

The names of the parties in said suit are: Pilar Gaitan, Petitioner, and Conception Gaitan as Respondent.

The nature of said suit being substantially as follows, to-wit: Petition for divorce.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this the 3rd day of March A.D., 1975.

Given under my hand and seal of said Court, at office in Sterling City, Texas, this the 3rd day of March A.D., 1975.

(Seal) W. W. DURHAM

NEWS OF ECOLOGY

ALUMINUM STRETCHES ENERGY RESOURCES

Now that pollution clean-up is underway, environmental concern seems to be shifting to energy supply. Some ecologists worry about America's accelerating use of fuels — coal, oil, gas and uranium.

These basic sources of energy, burned directly or transformed into electricity, propel all vehicles, heat and cool our homes, run appliances, cook and refrigerate foods and power our industries.

The use of aluminum, an environmentally thrifty metal, stretches fuels and energy, the people at Reynolds Aluminum point out.

"Aluminum does not deteriorate and is easily recycled with little expenditure of energy," said Dr. Robert F. Testin, director of environmental planning for Reynolds. "That makes it an energy bank that can be drawn upon again and again. When long-lasting aluminum products are finally discarded, melting them down for refashioning into new products takes less than 5 per cent of the energy used to make the aluminum originally."

Because it is so light — only one-third the weight of steel, copper or brass — aluminum provides a greater quantity of material per ton. "This phenomenon stretches the energy used in making aluminum products, as a ton of aluminum yields two to three times more items than are obtained from a ton of other materials," according to Dr. Earl E. Patterson, who heads up Reynolds metallurgical research.

An example of Dr. Patterson's point is beer and soft drink containers. A ton of steel produces 15,400 steel cans, and a ton of glass makes 5,000 bottles, but a ton of aluminum results in 32,680 all-aluminum cans.

An article in the Reynolds magazine reveals many other

ways aluminum conserves energy.

Transportation of all kinds consumes 30 per cent of America's energy supply. The light metal cuts fuel consumption in all kinds of vehicles — aluminum highway trucks, automobiles with their aluminum parts, aluminum railroad cars, aluminum boats and ships with aluminum superstructures. The 1973 autos average about 78 pounds of aluminum per car.

In heating and air conditioning, which take 27 per cent of the energy supply, aluminum insulation and ducts, because of their high heat reflectivity, cut fuel consumption.

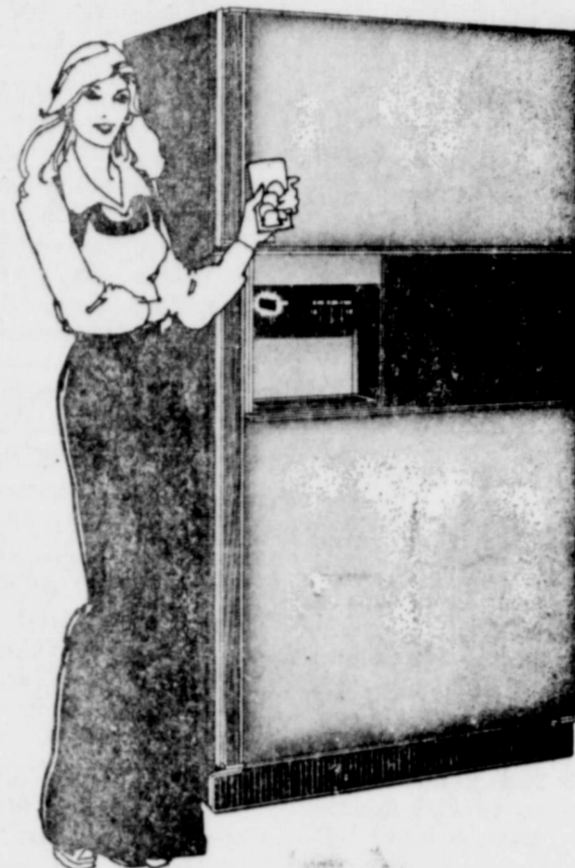

Durable aluminum siding, windows and other construction items greatly reduce use of resources and energy in maintenance, repair and replacement. The article points out that aluminum will not rot or warp, and is immune to red rust, mildew and termites.

In cooking, the rapid heat conductivity of aluminum pots and pans — six times faster than steel, for example — conserves electricity and gas. In the refrigerator, foods in aluminum foil chill or freeze quicker than when wrapped in paper or plastic film, saving electricity.

The public depends on aluminum electrical cable for low-cost delivery of electricity to the home. Replacing expensive copper, aluminum cable has lowered everybody's electrical bills.

REDDY'S REFRIGERATOR SAVINGS TIPS

Don't open refrigerator door unnecessarily. Plan your trips to the refrigerator while cooking. Make sure the children maintain a closed-door policy.

Buy the size that fits your needs. An over-large refrigerator or freezer wastes space as well as electricity.

Clean external coils, fins and motor often and keep them free from dust.

Defrost your refrigerator and freezer before ice deposit exceeds 1/4 inch. Excess ice causes your refrigerator to work harder.

Cleaning

Inside of cabinet

- a. Should be cleaned twice a month
 - dispose of forgotten foods
 - clean up spillovers
 - eliminate "off" odors that transfer flavors
- b. Use warm water and baking soda solution. (1 teaspoon soda to 1 quart water). Rinse in clear water and dry.

Pick up your FREE copy of "ENERGY CONSERVATION" Booklet from
Frigidaire
 Home Environment Division of General Motors.

ASU. RODEO ASSOCIATION OFFICERS

The fourth edition of the ASU Intercollegiate Rodeo will be held at the fairgrounds in San Angelo April 10, 11, and 12 at 8 p.m. it has been announced.

President of the ASU Rodeo Association is Bobby Bynum, a sophomore animal science major from Sterling City. Debby Hendry, a freshman animal science major of Sterling City is the secretary.

PRESBYTERIAN CHURCH EASTER EGG HUNT

The Presbyterian Church Sunday school class held their Easter Egg hunt at the Robert Allen home here.

In the junior age group Bruce Myrick found the silver dollar prize egg and in the primary age group Jeff Glass found the silver dollar prize egg.

Ten children were present.

OPEN HOUSE AND EASTER EGG HUNT

The residents of Sterling County Nursing Home and Marion Hendry would like to invite you, the community, to come to the Open House and Easter Egg Hunt they are having on the 28th of March. The Easter Egg Hunt is for the kindergarten and 1st and 2nd graders only, but everyone is invited to the Open House. Refreshments will be served to everyone after the hunt is over and prizes given to the child or children who find the most eggs, the least eggs, and the hollow eggs.

We will appreciate your company and look forward to seeing you there. Remember March 28, 3 to 5 p.m.

Today is Coffee Day for Easter Seal Drive

Today is COFFEE DAY day for the Easter Seal Society.

Those who have purchased COFFEE DAY buttons will be able to get free coffee at the Fina Restaurant and at Moore's Texaco Restaurant, if they are wearing their buttons. In lieu of buttons, in these two restaurants, donations of the price of coffee will be accepted. Whether you drink coffee or not, cannisters are available in all three local restaurants for your donations to the Easter Seal Society.

Sincere Thanks

To all the good people of Sterling and all other towns for being so good to my Martha while she was with us, and when she went away.

A special thanks to Dr. Swann and Mildred and all the people at the fine hospital.

If I missed sending anyone a thank you card, forgive me.

I know that all the memorials, cards, food and money were given from your heart. I know some of you are like me, could not afford to give like you did, but that is why she loved and was loved by so many people.

A special thanks to Rachel and Mac Bengue.

We will never forget you, and I ask for your prayers to keep me going as she kept me going for 42 years. You good people are my kind of people. May God keep you and bless you.

Forgive me for being so late with this thanks and appreciation. Her husband, George Garner, Sister Kathryn McAuley and all our good relatives.

A GIFT OF LIFE

Your contribution to the American Cancer Society in memory of your loved one will help support a program dedicated to the conquest of cancer. Your memorial gift will not only do honor to the dead. It could help provide a gift of life.

Memorial gift funds may be sent to your local American Cancer Society office.

OUR GREAT LIQUID ASSET - WATER!

1. PEOPLE EVERYWHERE ARE CONCERNED ABOUT POLLUTION. RIVERS AND LAKES THAT ARE DIRTY AFFECT FISH, RECREATION, AND ENVIRONMENTAL BEAUTY. SURPRISINGLY, IT HAS LITTLE EFFECT ON OUR WATER SUPPLY.

2. TOO MANY PEOPLE, INCLUDING THOSE IN GOVERNMENT, ARE NOT AWARE THAT WATER SUPPLY HAS PROBLEMS COMPLETELY SEPARATE FROM POLLUTION CONTROL. NEGLECT CAN LEAD TO SERIOUS PROBLEMS.

3. IN THE PANIC OVER POLLUTION, RESEARCH INTO NATURE OF NEW CONTAMINANTS IS BEING FORGOTTEN. SO IS THE NEED TO TRAIN WATER SUPPLY EXPERTS AND MANAGERS.

4. TO DAY, GOVERNMENT IS SPENDING 500 TIMES AS MUCH ON MAKING WATER SAFE FOR FISH AS IT IS ON MAKING IT SAFE FOR PEOPLE. AUTHORITIES SAY A BETTER BALANCE IS NEEDED... PEOPLE SHOULD COME FIRST!
