VOL. 82 Since '1890' PUBLISHED EVERY FRIDAY IN STERLING CITY, TEXAS 76951 Price 9c DECEMBER 5, 1975 No. 46

ARTHUR BARLEMANN, JR. COUNTY AGENT

One of the activities planned by the County Program Building Committee is the meeting on sheep diseases this coming Monday night, December 8, at 7:30 P.M. in the community center. This meeting was set up because members of the committee felt that there was a need for more information on diseases of sheep.

Dr. George Ahlschwede and Dr. Charles Livingston will present the program. Dr. Ahlschwede is sheep and goat specialist with the Agricultural Extension Service while Dr. Livingston is Professor of Sheep and Goat Diseases with the Agricultural Experiment Station. Both men have their headquarters at the Texas A & M University Agricultural Research and Extension Center at San Angelo.

Livingston, one of the few veterinarians to hold a Ph. D. degree, is an outstanding authority on sheep diseases. He has done much work in this field having been headquartered at the Sonora Experiment Station before being transferred to San Angelo.

All sheep producers are urged to take advantage of the opportunity to learn more about sheep diseases, their prevention and control, and new diseases. They will also learn how to use the animal disease diagnostic laboratory. This laboratory has the facilities for diagnosing diseases of all animal and is the facility available to veterinarians and livestock producers when something new in the way of a disease appears in the livestock field.

The cold weather of last few weeks should help slow down the pesky screwworm but there have been several cases reported positive in the last month. Among them were cases in horses, cattle and sheep in Sterling County. William Foster sent in a sample from a horse that was confirmed positive while Billy Palmer on the Caldwell and Palmer Ranch sixteen miles out the Big Spring road sent in one from cattle. The positive case in sheep was sent in by Tom McGill from the south part of the county.

While the cold weather should have slowed down the worms, it is wise to keep checking your stock for some of these pests that may be a little tougher and endure the weather.

Treat suspected cases and send in a sample.

The severe frosts have killed the annual broomweeds and what warm season grass there was on the ranges. This sets up a situation very favorable for range fires that could burn off a lot of country. As everyone knows the broomweeds will really burn; watch for possible fires.

Everyone is urged to check out any smoke they may see on the horizon. Several have been reported in the past few weeks but thus far they have all been pit fires at some of the drilling locations. This is much better than just forgetting about the smoke you see and having it turn out to be a range fire. The quicker it is reported, the better chance for control. Livestock sprayers should be kept in good operating condition for possible use. With the cold weather, it may not be advisable to keep one filled with water but if it is in operational condition, filling with water can be done quickly if needed.

LEGAL NOTICE

Notice of Intent to Engage in Weather Modification Activities

Notice is hereby given that the Colorado River Municipal Water District, 400 East 24th Street, Big Spring, Texas 79720, who holds License No. 76-5 of the State of Texas, issued December 18, 1974, and renewed September 1, 1975, intends to engage in an operation to change or attempt to change by artificial methods the natural development of atmospheric cloud forms for and on behalf of the Colorado River Municipal Water District, P. O. Box 869, Big Spring, Texas 79720, and will conduct the program of weather modification designed to increase precipitation by means of the aerial application of silver iodide or other artificial nuclei as follows:

1. The area over, or within which, equipment may be operated shall include the counties of Lynn, Garza, Kent, Dawson, Borden, Scurry, Fisher, Martin, Howard, Mitchell, Nolan, Glasscock, Sterling and Coke.

2. The target area, within which the precipitation is intended to be enhanced, can be described as follows:

The boundary may be described by a line beginning at a point of origin at Big Spring, Texas, and running along Highway 87 in a northwesterly direction to Lamesa, thence north-northeast on Highway 87 to the north border of Dawson County, thence east along the north border of Dawson, Borden and Scurry Counties to Highway 84; thence southeast along Highway 84 to Roscoe, in Nolan County; thence south-southeast to Maryneal; thence southwest to Silver in Coke County; thence south-southwest to Highway 87 at a point approximately 13 miles northwest of Sterling City; thence northwesterly along Highway 87 to the point of origin at Big Spring, Texas.

3. The materials, equipment and methods to be used in conducting the operation within this area of approximately 3500 square miles include a 3cm radar system, cloud seeding aircraft, and the application of silver iodide ice nuclei, hygroscopic nuclei or other nuclei considered appropriate to the artificial nucleation of clouds or weather systems.

4. The person in charge of this program shall be Owen H. Ivie, Colorado River Municipal Water District, Big Spring, Texas.

5. The program will be operational during the period from March 1st to November 30th during the years 1976, 1977, 1978 and 1979.

6. Any persons who feel they may be affected in some adverse way by this program may file a complaint with the Texas Water Development Board, P. O. Box 13087, Capitol Station, Austin, Texas 78711.

Signed: Owen H. Ivie
Colorado River Municipal Water District

In case of fire dial 8-4771.

LIONS CLUB

The Sterling City Lions Club met at noon Wednesday in the community center. Mrs. Jack Peel and Louie Alexander were guests.

The members voted to help put on the Volunteer Fire Department's annual Christmas party here on December 22. It will be held at the fire station.

It was announced that a golf tournament (ABC) would be held here Saturday, December 6. (1 p.m.)

Bill Watts announced that a check showed that 8 units of blood were given here at the last blood services visit.

The VFD annual Christmas party will be held at 6:30 on the afternoon of the 22nd. The club voted \$75 toward the party.

It was announced that the Christmas dinner of the club is to be on December 17. The prize went to Jeff Davis.

MCT Comedy Playing

6 RMS RIV VU, a sprightly rollicking adult comedy to close out the 1975 season at Midland Community Theatre.

Real estate and romance add up to rollicking fun in 6 RMS RIV VU, the whimsically cheerful comedy which will conclude the 1975 MCT season. 6 RMS RIV VU opens November 28 for an extended run at MCT.

The title, 6 RMS RIV VU, is classified advertising shorthand describing an apartment for rent, and such an apartment on the upper West Side of Manhattan is the setting of this 1972 Broadway hit. Romance enters the picture when two prospective tenants, a man and a woman who are each happily married to other people, find themselves accidentally locked in the vacant apartment together.

These two, to be played in MCT's production by Gloria Stephenson and Gary Askins, discover they have a number of mutual acquaintances, and a number of other matters in common, including a vague dissatisfaction with their respective spouses. The situation calls for them to fall in love—and maybe they do. Their dilemma is a big part of the comedy, and the show's appeal.

Other featured players include Rose Ann Coughlin and Bob Hammond as the wife and husband of the errant couple, and George Spelvin as the apartment super. Mary Lou Cassidy plays the nosy neighbor across the hall. Julie Gatte and Joe Sheffield appear as another couple interested in renting the vacant apartment. Bill Salt is Stage Manager and Art Cole is Director-Designer for the production.

Memberships are now on sale for next year, MCT's 30th anniversary season, and the 1976 card may be used on this production.

6 RMS RIV VU is the last show on which the 1975 membership card will be in effect. Box office is open from 10 a.m. to 5 p.m. daily. Phone number is 682-2544, and mail address is Box 4847, Midland, Texas.

ARTESIA WINS 3-A TITLE IN NEW MEXICO

The Artesia. N. M. football team won the 3-A title of New Mexico when they beat the St. Pius Catholic team of Albuquerque there last Friday, 22-17.

Vernon Asbill, son of the Tom Asbills of Sterling City, is the assistant coach of the Artesia team. St. Pius was the defending champions from last year. The game was played in cold, misting rainy weather, and the Artesia boys trailed 17-0 at half time. Bu they went on to win.

LEGAL NOTICE

Being certified by the Commissioner of Agriculture of the State of Texas for this purpose, the Mohair Council of America, 516 Central National Bank Building, San Angelo, Texas 76901, proposes a referendum election on February 10, 1976, under provisions of Article 55C, Vernon's Civil Statutes on the proposition of whether or not mohair producers in the following counties shall assess themselves an amount not to exceed 2½ cents per pound on all mohair sold to be collected at the first point of sale, and to elect members for a 12-person commodity producers board to administer proceeds of such assessment to be used for advertising, promotion, market and product development, education and research programs designed to encourage production, marketing and use of Texas mohair.

Counties included in the referendum are: District 1 — Terrell, Crockett, Pecos, Brewster, Presidio and Jeff Davis. District 2 — Val Verde, Kinney. District 3 — Edwards. District 4 — Bandera, Real, Medina, Uvalde. District 5 — Mason, Llano, Gillespie, Kerr, Kendall, Comal, Blanco. District 6 — Schleicher, Menard, Sutton, Kimble. District 7 — Mills, Hamilton, San Saba, Coryell, Lampasas, Burnet, Hays, Travis, Williamson, Bell. District 8 — Irion, Sterling, Coke, Tom Green, Concho, McCulloch, Coleman, Runnels, Nolan, Taylor, Callahan. District 9 — Brown, Eastland, Comanche, Erath, Stephens, Palo Pinto, Jack, Parker, Hood.

The referendum and election will be held by physical ballot with voting place to be at each county ASCS office in the referendum area or in the county courthouse in counties that do not have ASCS office facilities. Polls will be open at 7 a.m. and close at 7 p.m. Producers who will be away from their particular voting box location on election day may obtain an absentee ballot from county agent offices, wool and mohair warehouses or from the Mohair Council of America. Absentee ballots must be mailed in the self-addressed envelope to the central balloting place at P.O. Box 222, San Angelo, Texas 76901, before midnight three days prior to the election date.

Any person within this referendum area engaged in the business of producing or causing to be produced mohair for commercial purposes is eligible to vote, including owners of ranches and their tenants and sharecroppers, if such person would be required to pay the assessment proposed.

Directions for Packing and Shipping Heads from Suspected Rabid Animals to the Laboratory

Increasing difficulty to confirm a diagnosis of rabies is being experienced with the submission of animal heads for rabies examination when shipment by air takes as long as four days between shipping date and receipt. If at all possible, we recommend to those who use the State Department of Health laboratory service in Austin, that they USE THE VARIOUS BUS COMPANIES. Pack the animal head in a leakproof plastic bag. Enclose a second leak-proof plastic bag filled with ice or use water frozen in plastic bottles. An outside container of sturdy construction (styrofoam serves nicely and is inexpensive) must be used. Also, use packing material to absorb water in the event of leakage. The box should be securely taped down and marked, **KEEP UPRIGHT—PLEASE.** A note to telephone the Health Department Laboratory (454-3781 Ext. 313) on arrival, should be prominently displayed.

NEWS of Travel

LET YOUR CHILD TAKE YOU THROUGH DENMARK

One of the questions you hear over and over again when tourists plan their vacation is: "Where do we find a place where all members of the family can have fun and where prices fit our family budgets?"

The answer is easy. For tots and teenagers, for 20-year-olds to senior citizens, Denmark offers a variety of fun that can't be found anywhere else.

Your children will be completely captivated by a visit to a real fairy-tale park with its Renaissance castle Egeskov, erected in a lake, on the island of Funen. In the barn there is a museum filled with vintage aeroplanes, cars and motorcycles.

Denmark is truly a children's wonderland. Of course there are summer camps, riding schools and sailing schools. But what about the real children's traffic school at Legoland? The miniature village in Jutland is virtually a children's paradise.

From June through September, you can ride the Veteran Railway every Sunday from legendary Elsinore (site of Hamlet's castle) to the resort of Gilleleje, and there's a parade every Friday by the Elsinore Girl Guards.

For the adventurous, there is Givskud Lions Park, where you'll see African Lions, enormous elephants and gentle giraffes in natural surroundings. Driving your car among these exotic animals is comparable to enjoying a mini-safari.

At the Circus Building, Benneweis, Scandinavia's biggest circus, presents world artists in the ring every night, from mid-April to September 30. Tivoli, Denmark's world-famous fairy-tale garden in the heart of the city, is filled with amusements for children and adults, restaurants and dancing from May 1 to September 16. It features a fascinating playground, Children's Holiday Shows, the Pantomime Theater, The Open-Air Stage, the Tivoli Boy Guards, parades and fireworks. And every Tuesday throughout the summer, there is a very lively children's circus in the Odense Zoo.

Denmark even has its very special Hans Christian Andersen Festival held in the Funen Village, in his native town Odense, from July 6 to August 5, where children enact Andersen fairytales on an open-air stage, that will delight the whole family.

For more information on events for children in Denmark this year, write to: Danish National Tourist Office, Scandinavia House, 505 Fifth Ave., New York, N.Y. 10017.
