Weber offered me \$175 and a position at \$75 per month if I would testify as he wished. Dula also asked me to go with Weber. My impression is Dula wanted me to make money, and said bales of it had been sent here from New York. Dula said Weber was to give him \$500 to testify. Witness had not been in the parish since 1872, was afraid to return. A report, had been circulated that he and other prominent Republicans had organized the negroes for the purpose ut murdering the whites. I am certain there never was any such organization in the parish. Witness detailed acts of violence by whites, including the murder of John Gair, and said the colored people never banded together for unlawful purposes, and never thought of such a thing. Hes heard that colored people were recently whipped in East Feliciana, but refused to give their names.
