Enterentment Last Evening.

The San Antonio Literary Association had its regular weekly entertainment at the Alamo Literary hall last evening. The exercises consisted, as usual, of reading, and vocal and instrumental music. The readers were Mrs. Gregory, Miss Bertie Ord. and Messra. W. W. Herron and George Paschal. The music, under the management of Mr. Otto Hilgers, was excellent, and this part of the entertainment was well man-

within healthril bounds, and it is not too late to profit by the experience of other cities, and curtail expenditures.

It is not proposed to stop all improvements; there are some that are absolutely necessary; but is it not the part of wisdom to confine ourselves to these, and to the annual revenues of the city, and discontinue the policy of vestry increasing our bonded.
