WILLIS TO Dec 78, 1878.
Between 8 and 9 stock 1st night, in Wood's saloon, George Walkeris and a stranger got into a dispute, art. prifs was shot, the ball penetraling his bound nor producing instant death. He would to the jary of inquest was that form tame to his death by a gunster wound from a pistof in the hands of a party and multively known, but the evidence pointing to one John Talbot.

THE FORTY-FIFTH CONGRESS.*

THE PORTY-PIPTH CONCRESS!

Washington December 1 Benators Conking and kernan were in their seats to-day for the first time this session. Bills were introduced and referred as fol-lows:

Pensions.

By Mr. Hamlin, of Maine, by request, for promoting the efficiency of the corps of Chaplins in the U. S. Navy. Referred to committee on Naval Affairs.

Onspille on Naval Affairs.

Mr. Windom, of Minnesota, submitted a preamble and resolutions setting forth the allegations that the United States Paient Office had become an institution of oppressions for directing the committee on

in said State.
Ather of Temessee, rising to a personal
explantion sum to the clerk's desk and had
read a statement from the New York Herald

from all connection in the matter.

A resolution was adopted for the appointment of a commistee of nine members to investigate the method of preventing the introduction and spread of epidemic diseases.

The motion to snapend the rules and pass in a bill prohibiting the further coinage of trade dollars, and directing their exchange for and recoinage into standard dollars was defeated. Yeas, 104, nays, 91; not the necessary byo-thirds.

Hewitt, of New York, introduced a bill to make silver standard dollars interchange, able for gold.

NEW ORLEANS COTTON EXCHANGE

REPORT FOR NOVEMBER.

per cent, making an average of about six per cent, making an average of about six per cent of trop marketed. Nearly all the replies report the weather for picking very favorable, and in consequence thereof the cotton is clear and of good quality. Questions were sent to 'ascertain the number of acres planted last year, but the few replies which

were made to these questions do not enable to sive an accurate report.

AREANALA.

Twenty six answers have been received from 18 counties, of the average date of December 1st. The weather during the month has been universally favorable for gathering the crop, more so than during the month has been universally favorable for gathering the crop, more so than during the same time last year. Seventy five per cent. of the crop has been gathered, and it is estimated that the remainder will be picked by December 25th.

In the counties of Jefferson, Nevada, Outchits, Fulsaki and Howard the yield is reported as about the same as last year, while in the rest of the State there has been an average decrease of about 25 per cent.

mentioned in the reports applied of lint cotton, are relative to all yield of lint cotton, are relative to the same acrospondents. The estimates for all States are based on the same acrospondents. The estimates for all States are based on the same acrospondents of the average date of November 30. The weather has been marked by the 20th of December 30. The weather has been marked on the same acrospondents of the average date of November 30. The weather has been much more favorable than appropriate of the progressed quite rapidly and will be completed by the 20th of December The yield of lint in this State generally agree that the own parsitive yield of list its seed cotton this years is much less than the average of any previous years.

CRESCENT OITY NOTES.

Orleans, December 9.

ORESCENT OITY NOTES.

New Orleans, December 9.—The Excentive committee of the Young Men's Progressive Assistation has issued a circular setting forth outrages committed in the South and the abuse of the suffrages of colored voters during the recent elections. It endorses part of Hayer's meanage, and points out remedies.

It is considers local solf-government in the South and plane L. Robinson Secretary. They claim the organization around the remember of the profile of the Finding Board met to-day. The static control of the profile of the collectors. The nuditor expects a deficit of 33 j per cent.

A resolution was passed that the facet against a feel the consolidated bonds matering January 1st, should adequate collections are made, the coupons on the consolidated bonds matering January 1st, should adequate collections must be made in time to meet the composition of the Eucletions are made, the coupons on the consolidated bonds matering January 1st, should adequate collections must be made in time to meet the composition of the Eucletion and the consolidated bonds matering January 1st, should adequate collections must be made in time to meet the composition of election hwy will arrive by steamer Bryardy to morrow. Herbert, the Republican candidate for Congress at the late election, left for the Third Congressional District to gather evidence for his own societ against Acklem for a seat in Congress.

The judicial system of Texas wants much doctoring. A movement is one stoot in many of the judicial districts to secure a division at the next sension of the Legislature. It is a very general complaint that they are too large.

The bill introduced by Representative Burchard to secure a more efficient collection of revenue dues from eigers, provides in addition to the presentaystem of box stamps that each eiger shall have a stamp affixed each stamp to correspond by serial numbers with the stamps on the boxes. This plan also applies to eigerertee and eberoots.

Burchard, of Illinois, offered a resolution for having a recess from Saturday, the 21st of December, to the 6th of January, which was referred to the committee on Ways and

THE INDIAN TRANSFER INVESTIGATION.

MISCELLANEOUS PARAGRAPHS.

MARKET REPORTS BY TELEGRAPUL

Bristol, December 3.—The circulation of the West of England and anouth Wales District Bank, is limited to £83,253. The number of shares was 283, chiefly owned by persons of small means—a share being non-nounch had been paid up. The nominal apital was one million pounds and the reserve tund one hundred and fifty-six thousand pounds. The failure is a stribulated to the deprension in business large presiding in South Wales.

Constantinispis, December 9.—The Salian has assured Count Yeachy, the Austria-Hunger of the Port's inclination to aftere to the treaty of a ferin and expressed great sangicty to arrive at a friendly understanding with fundrate at a friendly understanding with summent to those German ecclesiastics who specially apply for it and make submission to the family of the Austria Hunger of the Austria Hunger of the Hung

London, Nov. 29.—It appears that there is some foundation for the report that General Kauffman and Frence.

London, Nov. 29.—It appears that there is some foundation for the report

that the South is a peculiar property of the North; that the people of the South must act in such manner or with such circumspection as the people of the North may direct, or be deprived of a voice in mational affairs, if the Republicans in the South can not control the Sorthern States, the Republicans of the North will. A recent threat of this kind in the New York Times shows the animus of the Radical press in this connection. The Times says "There are indications that the Republicans of the Cotton States have gone through the last contest, which they will be obliged to go through unassisted."

The Westers Journal of the South must said a sounder and relef, it is as a solder and relef, it is and being brave and warlike and having an ancient feud against England, it may be inferred that in the event of a general war the British troops will have no holiday excursion in making their way to Cabul. If thusis the summently fitted for this poet. Under the provisions of the treaty of Berlin perfect equality in political and religious rights is to extended to all the inhabitants of Bulgarian nobles, who are now debating among themselves the question of a ruler and the details of a new constitution, to look upon him as the most ownly like and the details of a new constitution, to look upon him as the most of the visit be ward to look upon him as the most of the ruler and the details of a new constitution, to look upon him as the most of the visit be ward to look upon him as the most of the ruler and the details of a new constitution, to look upon him as the most of the visit be well as the self of the sum of the treaty of Berlin perfect equality in political and religious rights is to their way to Cabul. If thusis the war may be re-opened in Europe between the foreignes, like Gen. Grant, can dit is thought a wholly impactial foreignes. He Gen. Grant, and if made, it is thought the General will decline the honor. We will be obliged to go through unassisted."

The Westers Journal of the South and the details of a new cons people of the North are compelled to elect a

Tuesday Morning, December 10, 1878.

Entron Kratino, of the Memphis Appeal, is receiving his reward for his heroic conduct during the yellow fever plague by being wined and dined and petted and praised in race against the government. There may be states; the Greenback party; how resumpwined and dined and petted and praised in race against the government. There may be States; the Greenback party how resump-

some ground for this statement, as the Indian tion is to be effected. is getting buzzard every time under the arrangement, and he may think there is no better chance for turkey under the military. But whether it is true or not

It does not make much difference, probably, to the Indians, whether the process by which they are starved is called an irregularity or a single of the Senate, among them the venerable Harvey Watterson, who retired from that position in 1846. Among the applicants are several ex Senators. Senators declare, buy ever, that no attention will be paid to applicants until the time comes for action, and then the question will be decided in caucus, the fitness and efficiency of the candidates to be the only things considered in connection with the selection.

It does not make much difference, probably, to the Indians, whether the process by which are easily or a strength of the Senate, buy hich can much by these agents, by which name it is called. The Indian ring and the Interior Department are greatly exercised court until the time comes for action, and then the question will be decided in caucus, the fitness and efficiency of the candidates to be the only things considered in connection with the selection. It is said there are already over twenty to the Indians, whether the process by which

JEFFERSON DAVIS has spoken and worked the existing bungling and corrupt system.

from the industry of the count lation of chances to know how far Russia Van Brunt called: "George ys. Soth-The Count started, "but never a word he." The Judge, again called: The speech of General Kauffman of the mission, Mr. F. A. Bevan, and others also gave some excellent advice to the same effect.

against Sothern, I answer ready for plaintiff." The judge retorted, "If you don't know enough to behave yourself I will strike the case of the calendar." The Count replied, "I have as much right to my title of Count as you have to your title of Judge." Thereupon Judga Van Brunt struck the case off the calendar.

Soare of the Radical papers of the North appear to be under the impression, not that this is a common country, belonging to and to be equally enjoyed by all classes and all sections alike as far as civil and religious of the against a counted on to bear arms, as in the Therese of the far are proposed as a candidate for the turne of Bulgaria. Under the previsions of the first and scome foundation for the report that Gen. Grant has been proposed as a candidate for the turne of Bulgaria. J. J. ELLIS, Proprietor C. R. Reeves, Ag't at San Antonio. For Sale or Bent.

The Braden Hotel, with Livery Stable, located on Market street, this city. The hotel is completely furnished, enjoys a good patronage, is centrally located. The Stable is convenient, and also has a good patronage. Here is a rare opportunity for some person with the means to establish himself at once in a good business. Apply at Hotel for terms.

Beautiful, now and novel patterns of ladies all gold and heavily plated jewelry, cheap and stylish. Also ladies hats, spectacles, and a great many other goods for ladies will be on exhibition and for sale from now until the new year at Mrs. Alice Jones' dressmaking establishment, 117 Main street, three doors from Commerce street bridge, north side. Call, call, call, C. C. C. Call and C. tf.

An Undeniable Truth. You deserve to suffer, and you lead a miserable, unsatisfactory life in this beautiful world; it is entirely your own fault, and there is only one excuse for you, your unreasonable projudice and skepticism, which has killed thousands. Personal knowhedge and common sense reasoning will soon show you fitted thousands. Personal knowhedge and common sense reasoning will soon show you fitter the common sense reasoning will soon show you fitter the contract of the head, and the common sense reasoning will soon show you that Green's Angust Flower will cure you of liver complaint or the head, nervous prostration, low spirits, &c. Its sale now reaches every town in the western continent and not a druggist but will tell you of its wonderful cures. You can buy a sample bottle for 10 cents. Three doses will relieve you.
