Weather forecasts for Texas
Partly cloudy weather and local rains, with slight change in barometer and temperature and westerly to easterly winds, becoming variable.

A MAJORITY of the house finance committee reported in favor of appropriating \$1,500,000 to repair and refurbish the government's mansion, but a minority of the committee, "in view of the deplorable condition of the public treasury, the constantly increasing poverty of the people, and their diminished power to pay taxes, the fall in price of labor and every description of material, and the urgent necessity of the government to reduce its expenditures in every direction," recommended an appropriation of only \$1,000,000 for repairs and painting and \$500,000 for furniture, carpets and other things required in furnishing said mansion.
