reading of the journal occupied twenty minutes.

A question was raised upon this fact by
Garfield, who expressed the hope that it
would not pass into precedent.

An explanation was made by the speaker
as to the reasons why his had directed this to
be done, the principal one being that under
the existing stroumstances, white potitions
and memorials are being presented. seconspanied by bills, the question as to which
committee they should be referred to became
an important one, and already differences
had arisen between the chair and, members
presenting petitions as to their proper reference. It was therefore deemed proper that
the house itself should have an opportunity
of passing on the question.

In the course of the discussion is was
suggested by Frys, of Obio, that, it might
be found there would be no objection was
ever to the introduction of bills next Monday, however absurd they should be.

The matter was finally refuned to the
committee on rules.

The subsidiary silver coin bill then came
up as unfinished business of the morning
hour.

Warner, of Ohio, moved to amend the 3d

devil-born amendments," "down with the pictures of Lissoom and the secundrels who surrounded him?"

Blackburns took the floor, and in a highly impassioned manner, replied:

Mr. chairman, if this be not the first time I have been forced to complain of unfairness at the hands of my friends on the other side, it is certainly the first time I have been compelled to make such complainst against the gentleman from Maine. He regretted that every day brings up nonce personal assualt which seemed to him fair dealing, honesty of construction and ordinary manhood would reputiate. With each recurring day he found himself forced to see the secundary of the found himself forced to see the secundary of the september of that side of the house. He cared nothing for the newspaper article editor. An effort was made in the house yesterday to misrepresent him. When the gentleman from Maine seeks to add his high authority to the injustice done him by the editor of that inconsequential sheet, it then becomes

a more serious matter. Then he grouped that paper and the gentleman from Maine together, and he said to the committee and to the country that it occurred to him that they were well mated; one is about as unfair

they were well mated; one is about as unfair as the other is illiberal and crazy.

Frye replied that one was a colonel in the confederate service, and not a carpet-bagger from thic. One was the peer of the goutleman from Kentucky in that service in the south. Of the other he had nothing to say, Blackburn said he had this to say of the other. "He seemed to be more perfectly."

which his utherances had been subjected by the gentleman on the other side, and by that emissary sent among his people. What in-ducements were offered that emissary to make his home among the people whom he so persistently seeks to misrepresent, he was not prepared to say. Possibly the gentleman from Maine could tell whether the forced contributions levied upon the government employees con-stitutes the work which led him to the work which seems to answer so good a purpose. He did not know. He did not take issue with the gentleman from Maine when he

says that man is his peer, or was once. That may or may not be, but he had only this to say; that the matter of injustice done and

misrepresentations made he had not shown himself superior to the gentleman from Maine to-day.

Mr. Kinley, of Ohio, here came into the controversy which was contined for some time.

After which Price took the floor and argued against the repeal of the election laws.

At 4:45 the house adjourned to Monday.

Mational Boand of Health.

Washington, April 19.—The national board of health issued notice of a session to be held at Atlanta, May 5, contemporaneously with the American medical association, which meets in regular session at the same place on the 6th of May, and urges upon all persons interested in matters of sanitation, whether municipal, state or national, be present and counsel with the board.

Burke, under-secretary of foreign affairs, and also with reference to British interests; and also with reference to British interests in fact reached the government which seems to be practically of

government which seems to be practically of the same character as that mentioned in question; that the subject had received in the last forty-eight hours the serious attention of the government, and they had already taken steps they think advisable for the protection of British interests and British property.

limited sums his avings in the ten dollar refunding certificates at par and accrued interest at the end of sixty days. Offers have already been made for the 4 per cent. bonds sufficient to cover the 10:40 bonds then outstanding, if any will be accepted.

COLORED CONVENTION AT NEW ORSELEANS.

New Orleans, April 19.—At a colored convention to-day speeches were made by Herbert, Dave Young, Pinchback, Ruby and others on immigration, saying the colored men could get no justice here. Congressmen mow in congress had their credentials written in the blood of negroes, and the judiciary being in the interest of the worst element of the democratic party.

A resultion accounts for the very single southern state unmintakable is ginn of improvements are visible, and these signs of improvements are visible, and those signs of improvements are visible, and those signs of improvements are visible, and the most numerous fines the coordination of the panic, with its immense shrinkage of values of the war, the depression of the panic, with its immense shrinkage of values are rapidly as the last of the panic of the panic, with its immense shrinkage of values are rapidly as the last of the panic of the p

The spring elections in New Jersey were full of political significance. For instance, in Jersey City, the republican gains were made in all the local government boards. Nobody can dispute that this is an indication of the coming republican tidal wave, which is to sweep the confederate congress out of Washington. And then, again, in Rahway, a democrat is elected mayor over the present republican incumbent, and the council, last year republican, is now a tie. This also indicates—but, an the whole, probably, it isn't worth while to draw conclusions. In some localities the indications don't quite confirm localities the indications don't quite confirm the general theory. STATE NEWS.

county, or the southern portion of Guada-lupe, is in dispute. It is claimed by, both counties, and the officials of both have been trying to govern it. But they never tell out trying to govern it. But they never fell out about the governing part—the row only began when the time for the assessment and collection of the taxes on the disputed territory rolled around—then there was a collision. When the Guadalupe county assessor went down the other day to fasten upon the real estate owners of the contested section, he found the following notice stuck up on trees and other conspicuous places: rees and other conspicuous places : THE STATE OF TEXAS,)

County of Wilson.)
to the Citizens of Stockdale, Ecleto and vicinity: To the Citizens of Stockdale, Relete and vicinity:

You are hereby notified that we do not recognize any assessor of Wilson county but Juan Flores, who has been elected and legally qualified as such, or one of his legally appointed deputies. You are therefore warned by these not to give in your property to any but the above designated officer; any other assessment than that above mentioned will be held for maught. Any person constituting himself as assessor, or personasiconstituting himself as assessor, or personat-ing said office, will be dealt with according to law, and your rights as citizens of Wilson county be protected from any unnecessary officiousness of self-constituted officers, annoying and troubling you're the discharge of your pursuits.

As Judge Lewis has decided that the strip of territory in question belongs to Gua lupe county, or course the assessor of that county, in pursuance of what he considered his duty, rushed back to Seguin to arm him-self with legal authority to act, in the shape of a fiat from the county judge of Guada lupe. He got it in the following shape: THE STATE OF TEXAS, Guadalupe County.

To the Honorable W. L. Worsham, county judge of Wilson county, Juan Flores, Tax Assessor, and R. C. Houston, Collector of Taxes, in said county: Persons for calling any of the above letters will please say advertised and give date.

The Right Ned to Vect.

The proposition is the legislature to purish voters for not voting it a nevel one. There are considerations that command it to some degree of fever, however. It provides that a qualified voter who falls or refuses to vote for three consecutive elections shall be deemed guilty of a misdemeasure and forfeit his right to hold any office of leaver to the public of the regression of graps and signals, and a picture disapple. Concludes the initial time of the public of the regression of the consecutive elections will no doubt regard it as a great wrong to the output of the publish. There are not the publish, and the output of the regression of the regression of the regression of frequency and it is necessary of the consection, not have the output of the regression of the regression of the regression of the consection of the regression of the regression

The telegraph tells un fluit George M. Robeson, in his mailten speach in the house, made a "highly favorable impression." The ex-ceretary has a finely-sounded flagrap, a shapely head und an off-hand manner, which, under most circumstances, plasme to upder the processor. But he would appear to the best advantage in a lateral striped unit of icans, with an accommandance of shaped interest.

nch ural WS. SE ∌l,

nday Morning, April 20, 1879. Railroad Time Table.

Alfred Bay. tard, close man was Affred Ray, thing of value his man single, he hearded and asved; He pinched and shaved; the more he had the more he craved.

The hard-samed dollars he toiled to gain Brought him little but care and pain;
For little he spent,
And all he lent
He made it bring him twenty per cent. He made it brine also twenty per cent.

total was the life of Arcel Ray.

The three word by, satisfas manger.

He disches grew thin,
Anddiss soul within

lore are due the delay in a worked to

lot he disc, one day, a fall men miner,

or life is freeting, and man but dust,

The heirs were gay

That laid him away,

and that was the end of Alfred Ray.

They quarreled now, who had little cared For Affred Ray while his life was spared. His lands were sold, And his hard-carned gold All went to the lawyers, I am totd.

Yet men will distribut study, and save, Xor carry their secured beyond their ra And their gold some day Will melt away Like the serfish savings of Alfred Ray. A shot.

Queth a wise man to a youth one day.

Fell me your aim in life, I pray.

A mighty general Pd be.

It piled the youth, ambitiously.

Then quoth the statistic to the same.

Tell me your aim in yout did age.

Libre said the same, a tittle tired:

"Alm? Oh I T have no aim; I we fired."

Disease in telepote siftee thread,

It binds us close to each other In an enduring grasp, It makes our lives worth the living In this bhak desert here, And leads us on to realms above; Fair Heaven! so very near.

A cantle person is like a river flowing almly along; while a passionate man is like the sea, casting up mire and dirt continual-
