Junior Babe Ruth Completes A Winning Season

Around Muleshoe

Tickets are still available for the MHS Class reunion Saturday, July 6 at the Bailey County Civic Center.
Contact Fern Warren at 272-4515 or 272-3050.

Rainfall was very light in the Bailey County area Sunday and Monday nights despite brilliant lightning and booming thunder.
Up to one-quarter inch was recorded in far southwest Bailey County, and the northeast corner of the county. Rain failed to accompany clouds that moved through the county Tuesday night and early Wednesday morning.

Because of a shortage of blood on the South Plains, a Muleshoe community blood drive will be conducted at the First United Methodist Church on Monday, July 8, 12 noon to 9 p.m.

If you wish to donate blood, please call 272-5517 to make an appointment for the blood to go to United Blood Services of Lubbock who provide this area with all blood services.

Gary Lee Hailey of Muleshoe, is one of 675 Abilene Christian University students listed on the Dean's Honor Roll for the 1985 spring semester. He is the son of Mr. and Mrs. Jerry Hailey of Muleshoe.

To be listed on the honor roll, a student must be enrolled for a grade in at least 12 semester hours, and earn a 3.45 grade point average or higher, with 4.0 representing a perfect score.

West Plains Medical Center will be conducting a CPR Instructors Class for the American Heart Association. If you have a current Basic Life Support Card and would like to be an instructor, please call 272-4524.

The class will be from 6:30-9:30 July 16, 23, 30 and August 6. Fees for the class, including materials, will be \$25.

Myrtle Creamer has been released from Sunrise Hospital in Las Vegas, Nev. where she had been undergoing treatment for two heart attacks suffered while visiting in the home of a daughter, Phyllis Champlin.

Mrs. Creamer will be recuperating for awhile in the Champlin home, then will go to the home of another daughter, Sue Kemp, in Amarillo before returning to Muleshoe.

Early Stories Boost Area Potential Growth

The Muleshoe Journal Friday, March 27, 1925

That Muleshoe is on the eve of an unprecedented era of development is strongly evident when viewed from any angle.

During the past six months there have been more buildings erected within the town than there was during the past four years all put together, while out in the country surrounding, the big ranches have been cut into farm tracts and sold out to home-hungry people. During last fall it was no uncommon occurrence for from 10 to 25 sales to be made daily by the local real estate dealers.

Now, these recent buyers are beginning to move in and take possession of their lands. They are building homes -- homes of the permanent type -- just as

Duo Receive Scholarships

For State Meet

Two local youths, Kristi Heathington and Betsy Lunsford, have been informed they are recipients of University Interscholastic League Scholarships in the amount of \$1000 each. Scholarships are awarded on the basis of UIL state participation and academic records during their four years of high school.

Kristi Heathington is a 1985 graduate of Muleshoe High School. She was the recipient of a scholarship from the Don and Sybil Herrington Foundation in the amount of \$1000.

Kristi became eligible for this scholarship through participation in the state-winning one-act play, "King Lear," in which she played the part of Regan. Kristi was a member of the National Honor Society, SCAC, FTA, and was a regional qualifier in the Lincoln-Douglas Debate. She is currently en-

tho they intended to live here forever. They are stringing the wire around their farms, putting down the wells, putting up windmills, turning the sod and getting ready for real farming operations during the coming year.

Offtimes it seems that the very "eyes of the world" are on the Blackwater Valley country, and not since the early days of Oklahoma, when people literally blocked to that state by the multiplied thousands, has there been such an immigration of folks to any given location.

New Probation Officer Here:

Madole Resigns

Keith Madole, Chief Probation Officer for Bailey and Parmer Counties, has resigned his position, effective August 1. Madole said he will be attending college as a law student this fall.

Assuming the duties as Probation Officer for the two counties is Deanne Herring, a native of Amarillo. She started her new job Monday, July 1 and will become Chief Probation Officer when Madole leaves in August.

Miss Herring told The Journal, "I am the oldest of three girls, my father, Dee, works for Ben E. Keith Co. in Amarillo as sales manager and my mom, Pat is a housewife and great mother. My two younger sisters are Kim, who is nineteen and a sophomore at Wayland and Amy, who is fourteen and an eighth grader."

She said she graduated from Amarillo High School in 1981 and has just received her degree from Wayland Baptist University, a B.A. in Psychology with a minor in Sociology.

The new Probation Officer added that she enjoys all sports, especially golf and softball. Her hobbies include jogging, keeping scrapbooks and candle-wicking.

As a lifetime goal, Deanne Herring has listed getting married and have a ranch for kids.

She also commented, "I am looking forward to getting to know the town of Muleshoe and the people. I am excited and ready to begin my new job as the Chief Probation Officer of Bailey and Parmer County."

Grain Sorghum Producers Meet

Set At Lubbock

Texas grain sorghum producers will vote in August to decide if they want to expand the check-off territory from the existing 29 High Plains counties under the jurisdiction of the Texas Grain Sorghum Producers Board.

To learn more about the upcoming grain sorghum referendum, producers in Bailey and surrounding counties will want to attend an informational meeting conducted by the Texas Agricultural Extension Service on July 9, at the Lubbock Research and Extension Center says Spencer Tankley, county Extension agent. The meeting will be on Highway 87 north from Lubbock, and will start at 9:30 a.m.

Producers will hear from an Extension economist regarding the current feed grain situation and outlook and the changing sorghum production trends in the state, says Tankley. Also, the mechanics and timing of the referendum voting process will be discussed, including recent changes in the commodity referendum law.

Following these discussions, Texas Grain Sorghum Producers Board representatives will present information on the existing

Senior Babe Ruth Ends On More 'Positive' Note

Coach Gerry Pierce got his Senior Babes together for the finale for Senior Babe Ruth for this season, and Senior Babe Ruth made a very strong finish.

Starting out Tuesday, June 25, Plainview I came to Muleshoe. Muleshoe jumped out on them early, scoring two runs in the bottom of the first, after setting Plainview down, 1-2-3 in the top of the first.

But, Plainview hurler Johnny Trevino set Muleshoe down 1-2-3 after they scored in the second. Muleshoe came back in the third to score another run. Then, in the fourth, Plainview got into the game scoring four runs, then Muleshoe came back with three.

At this point, it was Muleshoe 6-Plainview 5. Neither team got on the board in the fifth as Johnny Trevino and Muleshoe's Norman Perez were showing their arms. Plainview again went 3-up-3-down in the sixth, hitting the ball but seeing some great fielding by Muleshoe.

In the bottom of the sixth, Muleshoe decided it was time to turn out the lights, putting them away, scoring four runs. At the top of the seventh, Plainview again went down 1-2-3. Winning pitcher was N. Perez, with losing pitcher J. Trevino. Perez had seven strike-outs. Final score was Muleshoe 10-Plainview 5.

Thursday, Muleshoe slipped over to Friona. Joe Reyes went on the mound for Muleshoe, while Friona started D. Perez. Both teams scored in the first inning, but both went 3-up-3-down in the second. Muleshoe again scored in the third and stopped Friona until the fourth when they scored again.

In the fifth, Muleshoe added another to Friona's none. Then in the sixth, Muleshoe had faced three Friona pitchers and had seen enough for the night. They pounded Friona for seven runs in the sixth, to none for Friona. For the seventh and last inning, both teams scored a run. Final score was Friona 3-Muleshoe 12. Joe Reyes for Muleshoe, struck out seven;

Friona pitchers struck out seven.

In the finale, Dimmitt traveled to Muleshoe on Sunday afternoon. Norman Perez again took the mound for Muleshoe. Philip Vargo started for Dimmitt. In the first, Dimmitt

1935 Census Has Several Schools Here

The Muleshoe Journal Thursday, April 25, 1935

Bailey County schools will have a total of 1,658 pupils on which it will draw state money the coming year, according to the scholastic census of the various districts just completed. This number is 44 less than the census of 1,702 for last year. The enrollment includes 44 colored scholastics in the various districts.

Just why the enumeration should be slightly lower this year than last year is not known, since the population of the county has enjoyed a steady increase regardless of the depression.

However, it is being estimated the cause is due to the fact that more pupils have passed beyond the school age than have reached it. This being the case, the enumeration in another year or two should show a decided increase.

The enumeration by districts is as follows:

Progress, 111; Circleback, 142; Liberty, 87; West Camp, 111; Goodland, 53; Baileyboro, 91; Stegall, 30; Watson, 80; Fairview, 146; Longview, 106; Wilson, 108; Bula, 217; Muleshoe, 376.

On the basis of this enumeration, should the state per capita appropriation for next year be the same as it is this year, Bailey County schools should receive a total of \$30,673.00.

OLDEST VISITOR AT CELEBRATION--R.B. Boren, left, who now resides in Littlefield, says he moved to the Fairview community in 1925. The 94-year old was the oldest visitor at the Sudan Independence Day and Pioneer celebration last Saturday. Pictured with him is Russell Ingle of Sudan.

Ruling May Cut States

Mineral Revenues

Future generations of Texas schoolchildren were dealt a blow recently when the Texas Supreme Court made a ruling that would remove as much as \$918 million in future earnings for the Permanent School Fund, Texas Land Commissioner Garry Mauro said today.

"This case could have major negative implications for the state and for the schoolchildren of Texas," Mauro said. "As much as \$918 million in future revenue dedicated to the Permanent School Fund could be affected."

The Texas Supreme Court ruled that the state does not own the coal and lignite under 817 acres in Webb County even though it owns the mineral rights. Instead, the court gave ownership of the shallow minerals to the owner of the surface rights.

The state has \$94 million at today's prices in coal and lignite on what had until now been considered state property.

This ruling, in effect, means that the Permanent School Fund will never realize the \$94 million in potential revenue—and that's \$94 million at today's prices, Mauro explained, making this a conservative estimate when one considers the steady increase in the cost of fuels.

This ruling is expected to be extended to iron ore, conservatively estimated to be worth \$44.8 million, revenues that also will not go to the schoolchildren of Texas.

However, Mauro said, the real danger is that this case opens the door to challenges of state ownership for other hard minerals under state lands, such as silver, talc, mercury, limestone, and gypsum.

If the state is forced to turn over all these hard minerals within 200 feet of the surface, it could total as much as \$918 million in revenues on 6 million acres on which the state owns the minerals but not the surface rights.

"It's disappointing and surprising that the Texas Supreme Court has decided to give away the mineral rights to state land that the surface owner had never paid for," Mauro said. "Since the turn of the century, Texas Land Commissioners have very carefully reserved the state's minerals."

Mauro pointed out that leases issued during this time stated clearly that: "For the purpose of buying said land I represent

that I am buying it for agricultural or grazing purposes only, and if it is classed 'Mineral' the sale to me is upon the express condition that the minerals therein shall be and are reserved to the fund to which the land belongs..."

"When the state sold this land under the State Land Act," Mauro said, "it was very clear from this language that there was never any intention to sell the minerals to the surface owners as well."

"I'm very surprised that the Supreme Court has given away something for nothing," Mauro stressed. "And, if this ruling is allowed to stand, our schoolchildren will be the poorer for it."

PARTY GIVEN AT HOME OF MRS. D.O. SMITH FEB. 27, 1925

February 27, 1925
A party was given at the home of Mrs. D.O. Smith Saturday night by Hugh Taylor and Rufus Gilbreath. The affair was attended by a most happy and pleasant crowd of young folks. The Roubinek Bros. orchestra with the assistance of Miss Reta Lee Dodson who played Mrs. Smith's new piano helped to make the party very gay. Refreshments were served which consisted of "Goddies" which the guest express "could never be beaten".

NEW YEARS PARTY JAN. 3, 1924

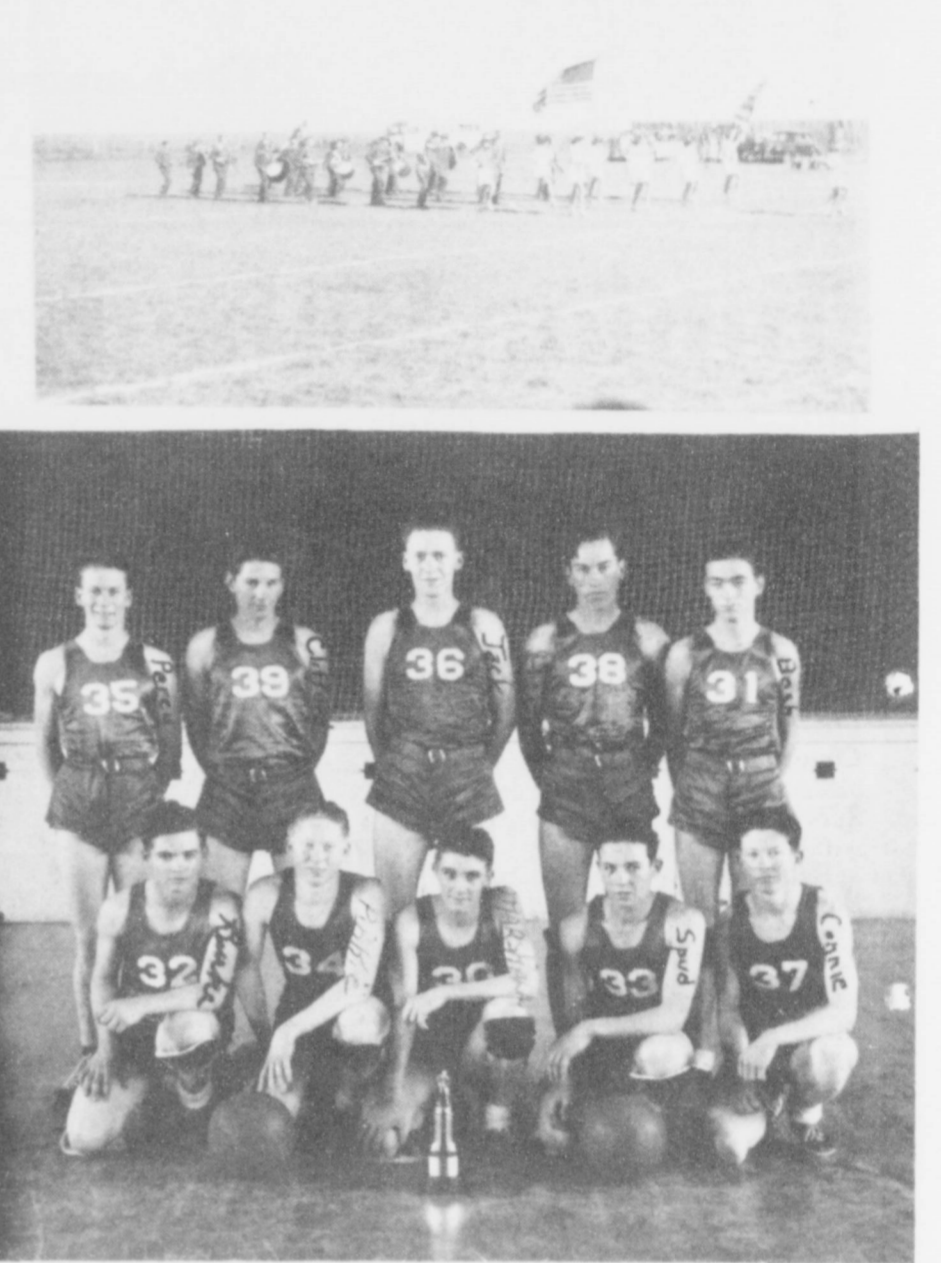

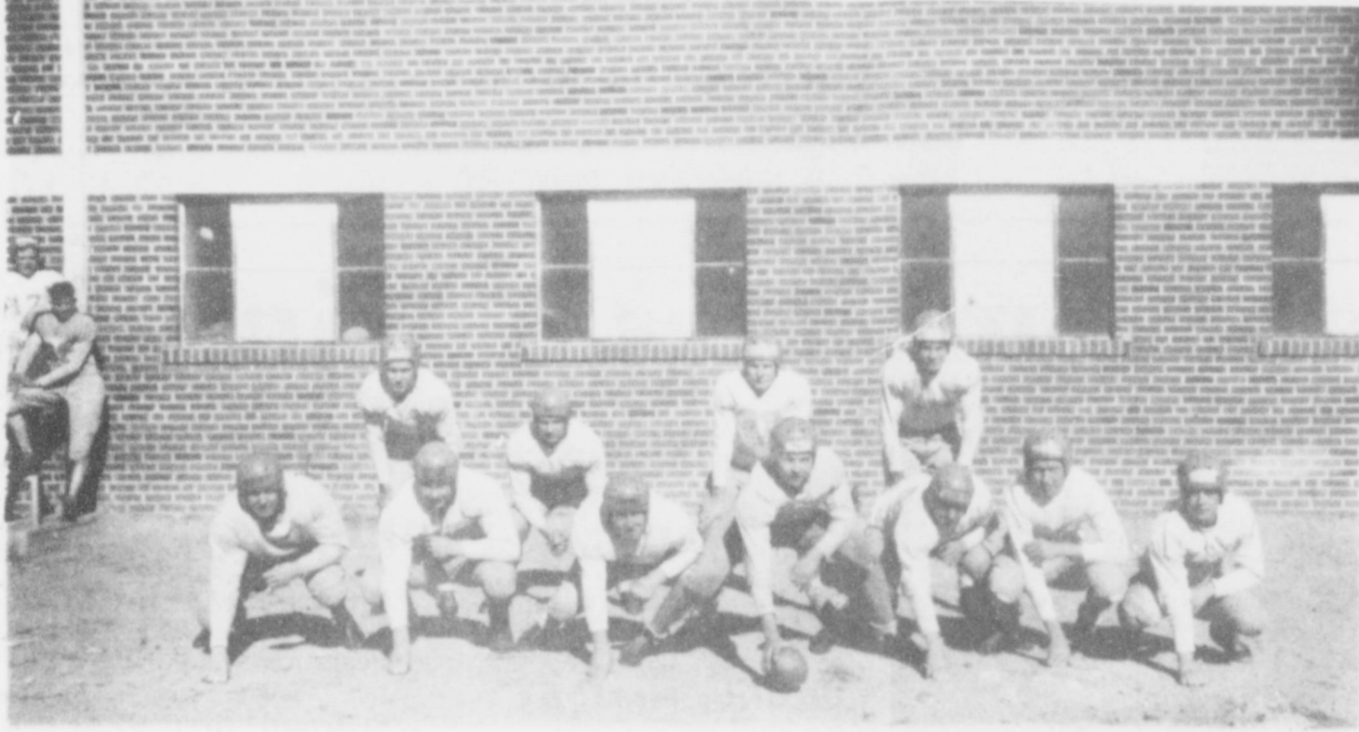

January 3, 1925--
The James Hotel was the scene of a very enjoyable time for the younger set in a new years party Wednesday night. Games of various kinds were played and refreshments served to the guests.

After the party had watched the old year out and the new year in and were served with a midnight lunch at the Mecca Cafe by J.L. Dotson, they all

expressed themselves as having been highly entertained.

BARBECUE EXPECTED TO BE BEST EVER PUT ON

July 17, 1925
The business men and farmers of Anton, Texas, and the surrounding community will hold a big all day Picnic and free barbecue celebration on July 22 and every one is invited to come and help us to have a good time.

Area University Reduces Prices For Some Classes

Students from a 24-county area may now receive a half-tuition scholarship when they enroll at the International Occupational Center at Wayland Baptist University, Dr. David L. Jester, president, announced this week.

The Executive Committee of the Wayland Board of Trustees recently voted to enlarge the IOC's service area to include a total of 24 counties instead of the existing six, Jester said. The action was authorized on an experimental basis for a period of one year, concluding May 31, 1986.

Students who reside in the 24-county region may attend the IOC at a cost of \$38.50 per semester hour, which is one-half the regular undergraduate tuition rate of \$77 per hour.

The IOC's service area originally include the six counties of the immediate Plainview area: Hale, Lamb, Floyd, Briscoe, Swisher, and Castro Counties.

Those added to the list are Deaf Smith, Potter, Randall, Armstrong, Donley, Collingsworth, Hall, Childress, Motley, Cottle, King, Dickens, Crosby, Lubbock, Hockley, Cochran, Bailey and Parmer Counties.

The International Occupational Center, housed on the western edge of the Wayland campus, offers vocational-technical training leading to the associate of technology degree in several fields of study.

The A.Tn. degree is currently available in building trades, electronics technology, mid-management, real estate, automotive mechanics, and welding.

The IOC also offers one-year certificate programs in book-keeper-clerk studies and child care.

VALENTINE PARTY AT M.E. CHURCH MONDAY NIGHT

February 17, 1928-The Epworth League held a very interesting Social Monday night at the Methodist Parsonage. The house was decorated with a profusion of red hearts, carrying out the valentine idea. This being leap year, the young men were given broken hearts and were asked to write the name of some young lady who had broken their heart. This produced a great deal of merriment. The young men were also given hearts and the young ladies were asked to propose to the young men and see how many hearts they could secure. Miss Grace Chapin proved that she could propose most charmingly. At a late hour the merry crowd departed declaring that they had a wonderful time.

VIOLIN PUPILS TO GIVE RECITAL

March 9, 1928-The Violin pupils of Miss Virginia Egbert will be presented in recital at the High School auditorium next Saturday evening at eight o'clock. They have a very interesting program arranged for that occasion and the public is cordially invited to attend.

Muleshoe AARP Meeting Held Friday

Muleshoe AARP met Friday, June 28 in the Bailey County Civic Center for their regular meeting and covered dish luncheon. Clarence Wilhite gave the invocation.

Mrs. Sanders, president,

Muleshoe Square Dancers Elect New Officers

Muleshoe Square Dance Club met Thursday night, June 27 following square dancing to accept members and elect new officers. Twenty-five people were accepted into the club following lessons that were started in January.

New officers elected were: president, Elinor and Chester Yerby; vice president, Joyce and Ken Carr; Kathy and Darrel Embry, secretary/treasurer; Shug and Morris Kellough, historian; Mary Alice and Ernest Ramm, reporter; one year delegate, Helen and Norman Head; two year delegate, Alene and Leonard Huber; and Member at Large, Linda and Donald Powell.

The members are looking forward to the Hard Times Dance Thursday, July 11, dancing at Farwell Border Town Days on Thursday, July 25, and several are planning on attending the 27th annual Square and Round Dance Festival August 23, 24, and 25 in Ruidoso, N.M., at the Inn of the Mountain of Gods.

"Visitors are always welcome to come and watch the Muleshoe Square Dancers the second and fourth Thursdays of each month at the American Legion Hall here in Muleshoe," said Mary Alice Ramm.

"Come out to the Bailey County Civic Center and watch us dance for the public today, Thursday, July 4, from 10 to 11 a.m. Our caller is James Pettus of Portales, N.M. He is easy to understand and enjoys calling."

asked Mrs. Lena Hawkins to lead the pledge to the flag. Mrs. Hawkins also introduced the visitors from the nursing home including, D.J. Gage, Lois Ethridge, Beryl Hollis and Joy Stancell. Other visitors included: Janie Moraw, Mr. and Mrs. Curtis Welborn, Austin Floyd, Gil Lamb and Jack Rennals.

Mrs. Sanders introduced the speakers, Bill Hamrick, State Coordinator of the "55 Alive" drivers program of Lubbock, and Glenn Williams.

A "55 Alive" course is planned August 1 and 2 from 10 a.m. to 3 p.m. in the Harmon Elliott Senior Citizens Complex. A covered dish luncheon is planned from 12 (noon) until 1 p.m. Mrs. Hawkins said "Anyone 50 or older is welcome to attend and the price is seven dollars. After completing the course you are entitled to a ten percent discount on your car insurance. Mrs. Ruth Fallor, former Muleshoe teacher, will be teaching the course."

Glenn Williams brought the group up to date on the Meals on Wheels and other programs for the Senior Citizens.

Forty-four were present including the following members: Homer Millsap, Mr. and Mrs. K.K. Krebbs, Austin Floyd, Sam Blackwell, Aubrey Langfitt, Mr. and Mrs. Oscar Tims, Bertie Thompson, Alice Moore, Rheta Ship, Helen Pruitt, Mr. and Mrs. Clarence Wilhite, Faye Lambert and Maude Young.

MULESHOE POST OFFICE MAY GO SECOND CLASS RATING, BUSINESS EXCEEDS CLASSIFICATION DEMAND

January 6, 1938-Postal Receipts and Money Order Business For 1937 Totals \$82,833.97; By Far The Biggest Business In Muleshoe History.

That the Muleshoe post office is now eligible to advancement from third to second class rating, is the statement of A.J. Gardner, local postmaster, who says business for the year 1937 just closed was greater than ever before transacted by the local office. Just when an order would be issued for such earned advancement, he did not know.

Postal receipts the local post office, according to Mr. Gardner's report sent to the Postmaster General at Washington D.C., at the close of last year showed a total of \$9,570.37 an increase in business over 1936 of \$1,761.76. The money order business of this office for 1937 totaled \$73,263.37, an increase of \$7,632.13 over that transacted during 1936.

Comparative postal receipts for the past two years are as follows:

1937-First quarter, \$2,165.80; second quarter, \$2,062.29; third quarter, \$1,684.27; fourth quarter, \$3,658.01; total \$9,570.37.

1936-First quarter, \$1,716.21; second quarter, \$1,915.66; third quarter, \$1,716.95; fourth quarter, \$2,359.79; total \$7,808.61.

Comparative money order receipts for the past two years are as follows:

1937 - First quarter, \$15,553.52; second quarter, \$14,052.03; third quarter, \$11,914.22; fourth quarter, \$31,743.60; total, \$73,263.60.

1936 - First quarter, \$13,922.88; second quarter, \$12,838.75; third quarter, \$11,424.75; fourth quarter, \$27,444.86; total, \$65,641.24.

Classification of post offices are based upon total postal receipts for a given year. When the three cent postage rate went into effect, the law then calling for \$8,000 minimum business for increase from third to second class rating was amended by the addition of a 15 per cent requirement, bringing the total requirement up to \$9,412, since the postal business transacted during 1937 at the Muleshoe post office totaled \$9,570.31, there remained \$1,50.31 more business transacted last year than was

required for its increase to the second classification.

The news of such probable increase comes to Muleshoe business men and patrons in general, putting the town in position for various increased governmental favors and accommodations not enjoyed by the office at its present rating.

MULESHOE MAKING MANY IMPROVEMENTS

January 27, 1928-Muleshoe is making many new improvements the past week. The residence of E.H. Wood in the west part of town is nearing completion. This is a combination house and garage.

New concrete walks are being put down in front of the buildings occupied by Taylor's Barber shop and the Hot Shot Cafe. Mr. Taylor is also having his shop remodeled inside.

A new modern Filling Station is being built on the Highway near the Burrow Lumber Company for Oliver Jones, and is going to be one of the best equipped stations in this section of the country. Continental gas and oils will be handled and modern camp cottages will be built in time for the tourist travel this spring and summer.

August 31, 1925--

Miss Kathryn Smith and her kindergarten class and Mrs. Lilla Dniel who is taking special work enjoyed a picnic last Friday in the Hart's grove. Twelve children were present and they all thoroughly enjoyed playing games in the grass and eating lunch under the trees.

Warren Will Make A Four Block Addition To City Of Muleshoe Plot Is Now Being Surveyed

September 26, 1940-It has been frequently stated by leading citizens here that Muleshoe could have between 300 and 400 increased population if there were housing accommodations for them. For several months past practically every desirably located residence lot in Muleshoe has been sold and nearly all of them are now occupied by residence properties.

Now that situation of lack will shortly be changed as it is announced by A.P. Stone, local representative of the E.K. Warren & Sons corporation, large land owners of this section, that a four block addition of 48 lots will soon be laid out and offered for sale to home-hungry people. Engineer H.E. Musson is now running the chain and locating proper corners for lots, streets and alleys.

The new addition will be located south of the present townsite and west of State Highway No. 214, that being adjacent to the most desirable residence part of the present town. It is now thought that within the next 30 days the addition will be ready to receive new home-owners.

The addition will carry no

Muleshoe School Is Off To Good Start Has 20 Teachers

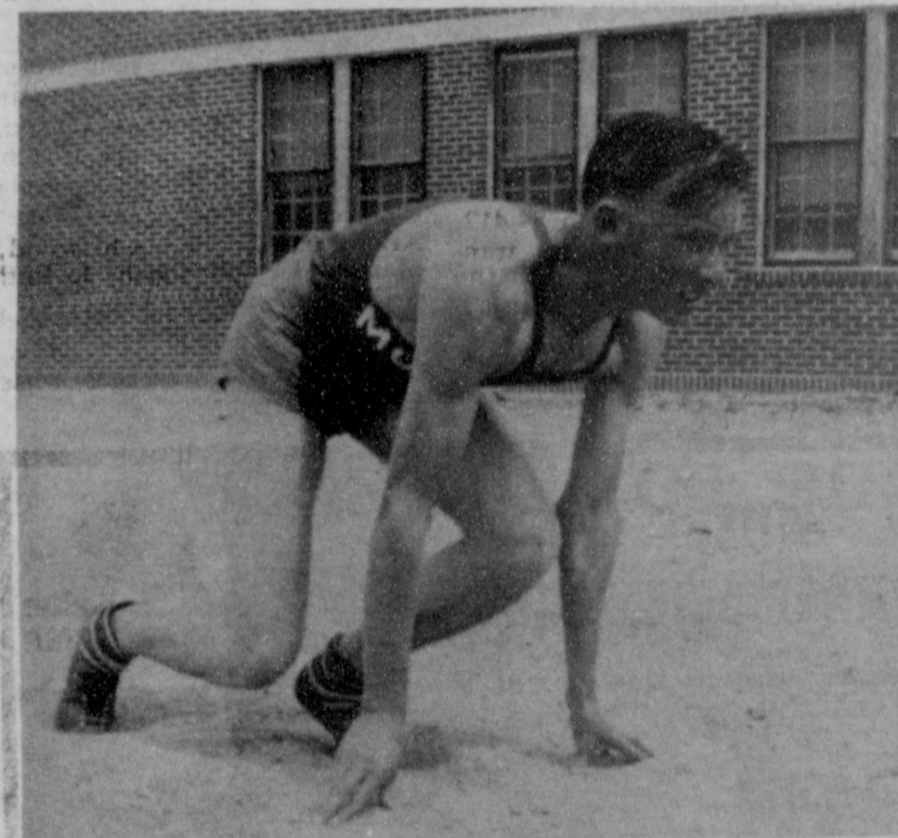

September 5, 1940-Muleshoe schools were formally opened Tuesday morning with a chapel program attended by the faculty, enrolled pupils and large number of citizens and school patrons.

Monday was enrollment day for pupils, there being 324 enrolled in the high school department and 260 in the grammar school, with several more yet to be included for the coming school year. About 620 is the expected total enrollment. There are 161 transfers into this district.

There are 20 teachers employed this year, and the enrollment is destined to be the largest in the history of the school, according to Superintendent W.C. Cox.

Following singing of "America" by the audience and prayer by Prof. H.D. Bentley, a piano solo by Mrs. S.C. Holland, the Hon. R.L. Brown, Muleshoe city mayor delivered an address, followed by a talk from Ray C. Moore, city commissioner and local merchant.

There was a piano number arranged by Mrs. Holland, after which the student body joined in singing "The Eyes of Texas Are Upon You." Elder S.W. Sanders dismissed the service. Pupils returned to their respective rooms and the race for more education among young building restrictions other than

December 25, 1925-- Eighteen pupils of the seventh grade enjoyed a social at the home of Miss Iris Harden, Thursday night.

After playing games for about an hour and half they were forced to rest while hot chocolate, sandwiches and cakes were being served.

The pupils all had their X-mas box Friday and everyone received a nice present.

ROBBERIES ARE FREQUENT MULESHOE CITIZENS WARNED

July 16, 1931-Frequent robberies of more or less serious

nature are now being reported by surrounding towns in this section, one nearby place reporting as many as eight last week.

So far Muleshoe has escaped with petty thievery, but no one ever knows when some major robbery make take place. Officers are warning people, to be careful of their property. Window peepers in local homes have already been reported, and such action is frequently preliminary to robberies later on.

Present financial conditions, it is said, would be conducive to pilfering and robbing.

saw the light as Bubba Dayton for Muleshoe drove a three run home run over the fence to take an early lead. In the second, Dimmitt couldn't capitalize on several Muleshoe errors. Shortstop Darin Shaw to first baseman Gig Pierce got to be a put-out pattern for the day.

In the fourth, Muleshoe scored five more runs. In the bottom of the fifth, Muleshoe put them away, scoring two runs. At that point the game was halted under the 10-run rule 10-0. Winning pitcher Perez struck out 10 to Dimmitt's Vargo and reliever Alex Lopez's eight.

Senior Babe Ruth would like to thank their fans for their support after getting a late start this year. Muleshoe, Dimmitt and Friona will combine to select All-Stars to represent ALAMO league in District at Plainview. Good luck to the All-Stars.

JUNIOR BABE RUTH

And--now we come to the ever familiar Cats and Colts of the Junior Babe Ruth. We don't really know what could still be said about these two teams except AWESOME!!

The Cats were rained out in Friona Tuesday night, but the thunder started in Muleshoe Monday. The thunder that was heard was the hooves of the ponies' stampede returning to Muleshoe to play Amherst. Not a whole lot could be said for this game except ??? Amherst held the Colts to two runs in the first before they scored one in the second. Then, they lost all composure. Battling to the end, the game was stopped after four and one half innings. Amherst only scored the one as they were stopped by some great infielding by the Colts. Omar Sanchez was in his usual form, striking out eight of the Amherst players. Before the ponies were corralled, they has tromped out 26 runs. The lights went out on a final of Colts 26-Amherst 1.

Daryl Bruns, Omar Sanchez, Daniel Olivas and Joe Orozco each had two hits and Timmy Shipman, Hector Reyes and Tim Lust each had one hit in the game.

On Friday night, both teams were at it again. Manager Evaristo Sanchez penned his Colts to go to play Friona Bi-Wize. Colt Tim Lust went on the mound for Muleshoe to face Andre Duran of Bi-Wize. This was the first meeting of these two teams so the Colts were a little shaky and probably still panting after the races at the Muleshoe Downs. After two innings, the score was tied 1-1. In the third, Friona broke the tie, scoring one run.

At the top of the fourth, the Colts tied it up again, but couldn't stop Bi-Wize as they got three runs. Then the Colts came back in the fifth to score two, but still trailed, 5-4. In the bottom of the fifth, Omar Sanchez took over for Tim Lust and went to work. At the top of the sixth, Albert Trevino relieved Andre Duran for Bi-Wize. He couldn't help but hear the creaking of the gate as the Colts

ceased out and trod in six runs. In the seventh, they continued the race, scoring four more.

Bi-Wize finished with one in the seventh. Final score was Colts 14-Bi-Wize 6. Muleshoe pitchers Lust and Sanchez had 11 strike outs to Friona's nine. Hits for Colts were Timmy Shipman, and Hector Reyes, one each and Daryl Bruns, Omar Sanchez and David Olivas, each had two runs.

Although the Colts had played Dimmitt in the season, the Cats were not expecting the Dimmitt team who traveled to Muleshoe Friday night. It was an expansion team called the Expos. Seems as though manager Andy Perez soothed his kitten's backs and coaxed them on the field, placing Ronnie Perez on the mound to face Dimmitt's Narcisco Quiroz. It was the bottom of the second before the Cats bristled up and scratched out four runs.

Then, in the third, the Cats frisked around for four more. Cats scored four more in the fourth and fifth. Dimmitt only sent 17 batters to the plate in five innings, scoring no runs. Final for the night was Cats 12-Expos 0.

Perez for the Cats, struck out 10 batters to the Expos five. Hitters for the Cats were Bryan Morris, David Romas and Johnny Garcia, each with one; and Jerry Mendoza, Ronnie Perez and Rocque Flores, with two each.

The 13-year old All-Stars will be picked from the Cats, Colts and Amherst to represent Muleshoe at District play in Friona.

ly given out by the West Texas Chamber of Commerce, the South Plains country has, during the past year, amassed a citizenship of more than 250,000 people. Such a figure seems staggering, especially at first glance, when it is known that not more than a dozen years ago much of this country was considered fit for nothing other than the existence of cattle.

But this 250,000 new inhabitants is merely a bagatelle of what is yet to come. In great numbers, the soldiers of the soil from East and Central Texas, Southern Oklahoma, and many other states are today forming their ranks, shouldering their plows, and marching in full formation toward this, the greatest land owning opportunity the Nation now affords.

Some, like the proverbial spies of the olden days, who were sent here by the pentatichal statesman, coming to investigate and report back what their findings and judgments are the unlike that ancient land of promise there are no giants here to combat and the "milk and honey" is a reality, tho it is manufactured from the products of the virgin soil. Others of more assured natures, have been reading for months of the new country. They have decided to cast their lots here, and selling off all the surplus stuff, they load the remainder together with their families and set out for the "mighty west" where big fortune and happiness await them.

this direction has its "benzene buggies" loaded the gunwales with household goods, tents, bedding, folding cots, etc. They are all optimistic -- an report with the new visions constantly greeting their eyes and the prospect of what is yet to be seen and learned.

Like their early pioneer forefathers they have a feeling of ease never before sensed, and their contemplation of happiness and future independence further serves to heighten their joy and quicken their ambitions.

The high prices of cotton and the stories of successful production in this country have doubtless contributed much toward stimulating the westward movement. People who are accustomed to frequent crop failures, paying high taxes on

high priced land and living amid malaria and misana can not well help being attracted to a country of health and abundance, where taxes are low and land is still cheap. It is not reasonable to think that any man would persist in remaining a hireling to some landlord, when in this country, after a few years of earnest labor and frugal living he may own land, be his own boss and become

looked upon as a gentleman of means and influence.

There are plenty of people out here who, back East had their "noses to the grindstone." But now are owners of a fine body of land, ranging from 10 to 240 acres. They are gradually getting it nicely improved. They have nice slick stock, big stacks of feed, good teams, a tractor or two and a bank account. They don't have to crop on the shares any more. They don't need the landlord to stake them for the season's grub. They don't have to give chattel mortgages and waive homestead rights. No, none of these! They are today men of means, their every pulse quickened with ambition, their every energy fired with determination, their very soul thrilled with the sense of real living.

Muleshoe has plenty of this kind of people in her territory. There is room for a few more -- and they are coming, coming every day. There is still a little more land to be acquired, but it won't last long. It's a case of first come, first served.

He who curbs his wrath merits forgiveness for his sins.

SMU Institute:

Has New Ideas

Toni Eagle, manager of the Muleshoe Chamber of Commerce and Agriculture, recently completed a week's Institute for Organization Management at Southern Methodist University in Dallas. Over 200 voluntary organizations' executives from all over the country participated in this professional development program.

Mrs. Eagle returned to Muleshoe full of new ideas, she said, and has plans to institute many new programs for the promotion of this city. She said shel will be starting work on the new programs as soon as the July 4th Celebration is over this week.

The SMU Institute is one of the six annual, one-week sessions sponsored by the Chamber of Commerce of the United States at leading universities throughout the country. Other universities that host Institutes are Notre Dame, Georgia, Colorado, San Jose and Delaware.

During the five-day session, participants spent 27 classroom hours in the Institute course of study, which is designed to assist voluntary organization executives improve the knowledge and skills necessary to enhance the effectiveness of their organization. The Institute curriculum includes coursework in management philosophy, interpersonal processes, government, law and organization structure; as well as in more contemporary issues such as economic and environmental concerns. Each participant may attend progressive levels of the program throughout his/her professional career.

University professors chosen to serve as faculty are authorities in their fields. Other courses are led by top-level Chamber of Commerce executives. This combination makes the Institute faculty unique in its depth and range of knowledge and experience.

February 21, 1935-Thursday afternoon of last week Mrs. H.L. McDonald and Mrs. W.H. Attaway were joint hostesses at a surprise stork shower given in honor of Mrs. Bill Collins, at the home of Mrs. Attaway.

The home was decorated with valentines and hearts. Valentine favors were given to everyone, and Mrs. Collins received many lovely gifts.

Delicious refreshments and consisting of fruit jello, cake, coffee and valentine candy hearts were served to the following: Mesdames J.F. Wallace, J.C. Weaver, Jack Lawler, Thurman Gallocock, Earl Hicks, Vernon McCollough, I.W. Haney, Finley Pearson, Dudley Malone, Morris Douglass, Lillian Welson, the honoree, Mrs. Bill Collins and the hostesses Mesdames W.H. Attaway and H.L. McDonald.

SUNDAY SCHOOL CLASS ENTERTAINED FRIDAY

November 2, 1928-Mrs. J.M. March and Mrs. Delma McCarty entertained their respective Sunday school classes with a Halowe'en party last Friday afternoon at the home of Mrs. C.R. Ferrell, with Mrs. C.H. Buchanan assisting. The room was darkened with shocks of feed and from these merry, jack-o-lanterns gave what light was necessary. The witch was there, to the huge delight. Games of various sorts were then enjoyed. Refreshments, carrying out the Halowe'en idea, were served and then the little guests departed, declaring they had never spent such an enjoyable afternoon.

CHAMBER OF COMMERCE HOLDS SESSION

December 14, 1928-At the meeting held on the 11th of December, at the Courthouse in which the discussion for the paving of Main Street took place, there was also held an informal meeting of the Chamber of Commerce.

Everyone present expressed themselves as being well pleased with the success of the organization and commended the present officers for the way in which the business had been handled. A suggestion for the election of new officers was immediately voted down, and unlimited support pledged for the coming year.

Messrs. J.M. March and Pat R. Bobo, President and Secretary respectively of the organization, were re-elected

without opposition.

It was through the able management of Messrs. March and Bobo that a gin was secured for Muleshoe for this season as well as other moves for civic development.

A FEW COLD FACTS ABOUT BAILEY CO.

August 17, 1928- Bailey county has without a doubt the best crop outlook than has prevailed for many years, and the people here are expecting the busiest season that has been seen here in many years.

At this time the sudan crop is in almost perfect condition and old timers say that although the total production will not equal that of last year, other grain crops and revenue from stock and poultry will more than make up for it. Last year's shipments amounted to about 5,000,000 pounds, and that ear corn was piled 25,000 bushels deep all along the Santa Fe tracks, is a significant fact. Muleshoe is fast becoming famous as the largest shipping point of sudan grass in the world. This year no matter in what direction one travels out

of town thousands of acres of maize, kafir corn, ear corn, feterita, hegira, cane, sudan and a great variety of other money crops are looking fine, and nothing short of a catastrophe can prevent the crop from maturing.

Although cotton is not "king" here as it is farther east or south, there is sufficient acreage to insure a revenue that will help in the further development of our county.

The Rocky Ford cantaloupe and watermelon is not superior to the kind that can be grown right here around Muleshoe. Besides, cucumbers, onions, sweet potatoes, lettuce Irish potatoes, sugar beets and may other varieties of truck can be grown here profitably.

Cattle and hogs are higher than they have ever been. In the past 30 days more than \$5,000,000 has been paid for

Panhandle cattle and more than \$10,000,000 worth of cattle contracted for delivery in the next 90 days.

People of this section are just now beginning to learn that wheat can be grown here very profitably. Statistics show the fastest shipment of wheat in the history of the Panhandle has already taken 19,345,900 bushels of the golden grain out of the Amarillo territory alone, which shows that our export demand is still great and it has been demonstrated that wheat can be grown in Bailey county as well as any other section in the Panhandle.

Hundreds of new farmers are coming in. Farms are being bought by men from other states. Thousands of acres of virgin soil are being broken. Better farming methods are being adopted by the men already here.

Our Sante Fe agent, C.L. (?) Eckles, states that the local business of his station shows an increase each month over last year.

The total wheat shipments from the Muleshoe elevators amounts to 90,000 bushels. Grain men estimate that fully a million bushels are still in shipping point elevators.

GASOLINE DOWN TWO CENTS GAL.

January 12, 1939-Automobile and truck owners, and drivers took it as a sign of returning prosperity when the high grade gasoline price in Muleshoe was reduced two cents, or from 20 to 18 cents per gallon.

Whether the reduction affected other stations outside of Muleshoe territory was not known by local dealers.

MULESHOE PLANNING BIG CELEBRATION

October 5, 1928-A big celebration is being planned for October 19 and 20th in Muleshoe it was learned today. The main features will be horse racing, rodeo, carnival attractions and dancing.

Attractive prizes will be given in the different events, and everything is going to be done to assure the people a big time. Further announcement will be made in next week's issue of the Journal.

NOTICE OF INTENT TO IMPLEMENT RATES

General Telephone Company of the Southwest in accordance with the Public Utility Regulatory Act and the Rules of the Public Utility Commission of Texas gives notice of its intent to implement new exchange access rates for the provision of shared tenant and tenant resale services.

These proposed rates are applicable to customers of General Telephone Company of the Southwest, excluding hotel/motel customers, who provide local exchange telephone service of General Telephone Company of the Southwest to their tenants or patrons on a resale or shared use basis. This resale or sharing arrangement is normally provided utilizing a customer-provided PABX or other similar stored control switch capable of common control processing or other features commonly associated with a PABX "Smart" switch.

These proposed rates are designed to recover costs on a usage basis for local exchange telephone service access and are identical to General Telephone's "Optional Measured Service" rates. The monthly access rate will be \$28.95 per trunk line and the usage rates are as follows:

Over	Up To and Including	Band	Set Up	Full Rate Period Each Minute
0	7 miles	A	\$.025	\$.015
7	14 miles	B	.035	.021
14	21 miles	C	.050	.030
21	28 miles	D	.070	.042
28		E	.090	.054

As this is a new service offering, we are unable to determine the number of customers who may be affected. Currently, there are no known prospective customers. Until any customer utilizes this new offering, there will be no effect on the revenues of the telephone company, and in any event, the telephone company does not expect revenues to be affected by more than 2 1/2 percent. These proposed rates, where applicable, will provide tariffed local exchange access to customers who then will provide shared or resale services to tenants.

These proposed rates have been suspended by the Public Utility Commission of Texas and will become effective as proposed or modified by order of the Commission on a date to be determined by the commission.

The proposed rate schedule is on file with the Commission for public inspection and is also available at any business office of General Telephone Company of the Southwest. Persons who wish to intervene or otherwise participate in these proceedings should notify the commission as soon as possible. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Consumers Affairs Division at (512)458-0223 or (512)458-0227, or (512)458-0221 teletypewriter for the deaf.

SPEEDERS ARE WARNED

Folks who persistently use the Main street of Muleshoe as a course on which to test out the speed of their automobiles are going to wish they had not, if they don't stop it, according to Sheriff H. Sterling.

In other words, speed limits are being violated within the municipal limits and the violators may feel the brunt of the law on their pocket-books if they don't stop it.

LAZZBUDY STUDY CLUB GIVES MOTHER'S DAY PROGRAM

May 11, 1928-The Lazzbuddy Study Club met in its regular session May 3rd, in the auditorium of the pretty new school building. On account of so much sickness among the club members, and it being nearer the center of the community, we decided to meet here instead of

in a home as usual.

After roll call by the director, Mrs. Ed Steinbock, came the business session and the election of new officers for the ensuing year.

Mrs. Loyal Lust was re-elected president; Vice-president, Mrs. Ed Steinbock; Sec. Mrs. Layman; Parliamentarian, Mrs. George Treider; Club Reporter, Mrs. Opal Jennings.

The most touching and appropriate program of the year was rendered as follows:

Roll Call; Response - "The things that My Mother did That Benefitted me Most."

"How Mother's Day Came to be Observed throughout Our Land". Mrs. George Treider.

Duet-"Mother-Mrs. B. Witte and Mrs. Opal Jennings.

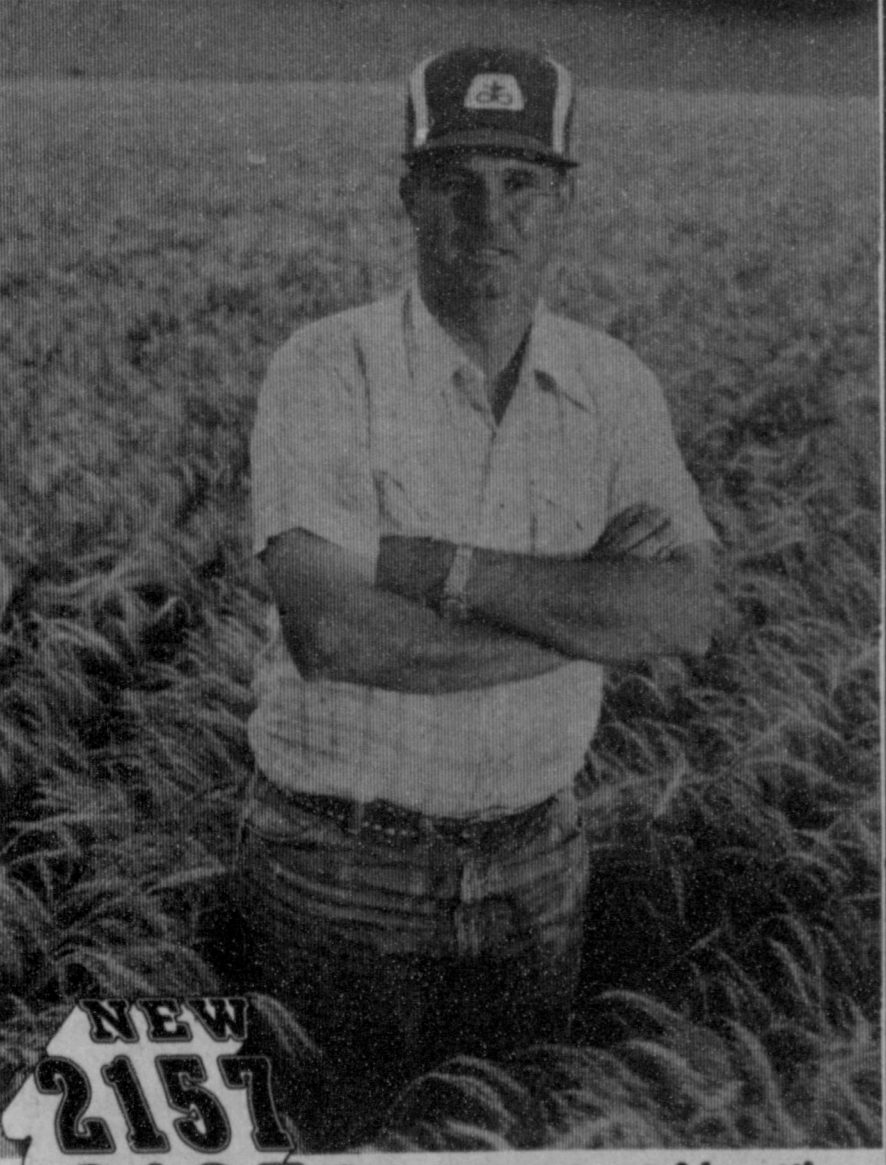

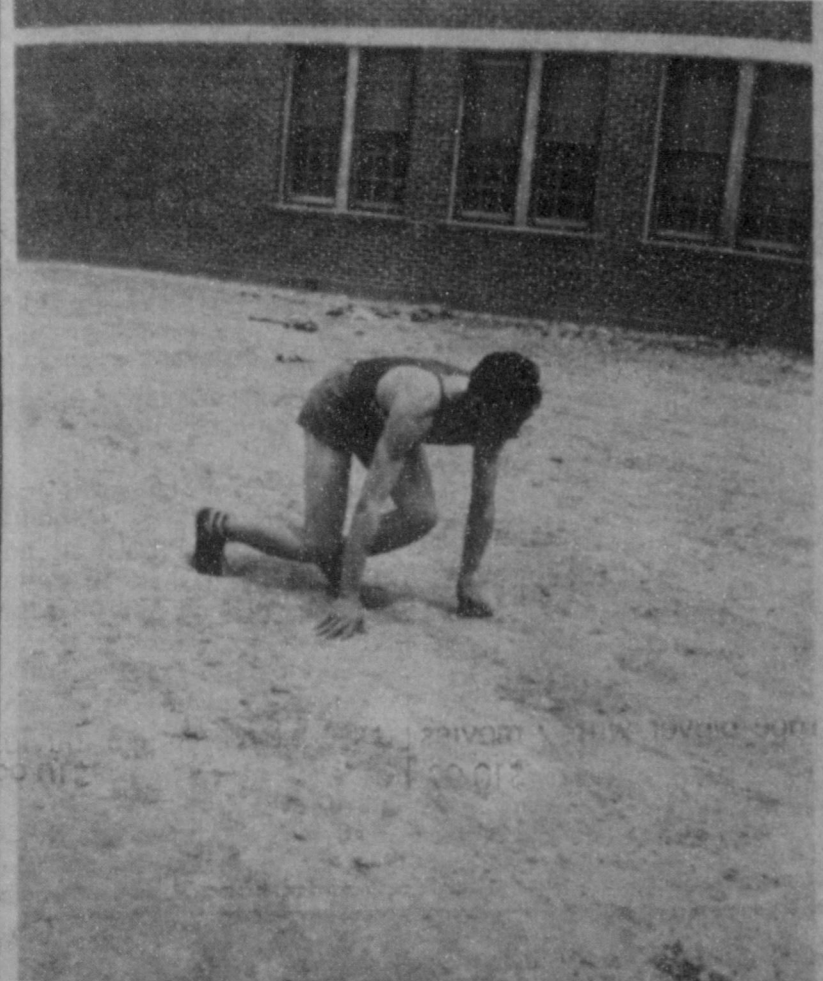

Reading - "Somebody's Mother"-Mrs. Juell Treider.

"What We Owe Our Mother"-Mrs. B. Witte.

Song-"Tell Mother I'll Be There". Club.

After adjournment, box lunches consisting of sandwiches, olives, cake and coffee were spread "picnic style" on the lawn. Those present were: Mrs. Lust, Mrs. George Treider, Mrs. Menefee Mmes, John, Ed and Willie Steinbock, Laymen, Hober, Juell Treider, B. Witte and Opal Jennings.

Welcome Lazzbuddy folks, the Journal invites you to call often.

NEW 2157 2165 Superior grain yields with a good grazing bonus. Excellent straw strength, too!

Our researchers were impressed by the tremendous pasture production and grain yields from these new varieties during testing. And now that the varieties have stood the test of actual production on many farms under many conditions, the proof is in!

They grow off well and show strong resistance to SBMV, leaf rusts, fungal leaf blights, and the Hessian fly.

New 2157 gives you good, early grazing, then stays with you through the winter. And the grain yields are right up there with anything you care to compare it against. Choose 2157 for dryland or limited water production.

New 2165 works with your irrigation program to make the most of all you put into the crop. Pasture comes on strong in the fall and grain yields are among the best you'll find, bar none.

YL WINNER IS INTER-SCHOLASTIC MEET GENERAL REPORT SHOWS

April 6, 1928-The Bailey County Interscholastic League meet was well attended last Friday and Saturday at Muleshoe. Teachers, pupils and parents showed a great interest in the work. The children from all the schools represented did well and that showed they had received much valuable instruction in preparing for the work.

There were eight schools represented. Four of these schools, Muleshoe, Bula, West Camp and YL, belonged to the

High School Division. The other four schools, Fairview, Longview, Progress and Figure Two, belonged to the Rural School Division. All of the above named schools complied with the general principles given in the League Rule book, and no school was disqualified for any reason.

YL was the high point school in both literary and athletic work. West Camp was a close second in literary work and would have been high point school this work had YL not won the boy's debate by default. Out of the four divisions in declamations, West Camp won three first places and two third

places. Muleshoe and West Camp ran close race for second place in the Meet. Muleshoe won the place by only three points. Muleshoe won second place in athletic events, West Camp third and Bula fourth.

In the Rural Division, Longview won first place, Fairview second and Progress third place, while Figure Two took fourth.

As YL won County Championship, and had the best track and field team, both loving cups were carried to YL.

Longview was entitled to receive cups for having won the County Championship in the

Rural division, but the county had no cups for the rural division. In order to put the rural schools on the same level with the High school division and to stimulate more interest among the rural schools in this work, the teachers of the county decided to ask each community to give \$5.00 to be used in buying two cups for the rural school division. These cups are never to be permanently owned by any school, no matter how many years one school may win them. They are to be given up any time the school holding the cups is defeated in League work.

The above is the general results of the Interscholastic

League Meet. The winners of the different events will be listed in next week's paper. The original record was sent to the Lubbock press and has not been returned.

PUPILS ON A PICNIC TO HORSESHOE BEND

May 18, 1939-Pupils of the primary room, Muleshoe Grammar School, were entertained with a sand hill picnic at Horse Shoe Bend, Tuesday by Mrs. Earl Ladd and Mrs. Bill Collins, home room mothers and Mrs. W.C. Cox, teacher in that department.

Mrs. Jess Murrah furnished a school bus and took the group

to the bend where all enjoyed a big picnic dinner at the noon hour and the children spent the early part of the afternoon romping and playing in the sand.

Among those attending were: Norma Jean Clark, Durwood Howard, Billy Don Bybee, Junior Day, Mary Jo White, Billy Greer, Charles Ireton, Doyle Wayne King, Earl and Johnnie Ladd, Kenneth Lovelady, Roger Scarbrough and sister, Joe Scarbrough, Franc Lee Edwards, Waneen and Lavelle Beller, Billie Margaret Collins and two sisters, Mary Janette Freed, Wilma Lou Jennings, Maxine Peace, Alvie Jane Thomas, Mary Roxie Ward, Alice Porter, Jimmie Dale White, Howard Tate, Roy Janice Jordan, Jolivy Sirene.

SINGING CONVENTION SURPASSES OTHERS IN ITS PROGRAM

October 12, 1939-The Bailey County Singing convention was held at Y L Sunday, it being an all day session, beginning in the morning and continuing well into the afternoon, with one of the largest crowds of singers and music lovers present in the history of the convention.

Tye Young was re-elected president and Mrs. Cecil Davis was re-elected secretary of the convention.

The Library singing class won first place and received the loving cup which had previously been held by the Progress class winners since the last two conventions.

Large numbers of experienced song directors from various towns and communities of this section were present. The following quartets attended: Circleback, Fairview, Campbell No. 1 and No. 2 from Hockley county, Clovis, Reed Quartet from Lamb county; Reed quartet from Cochran county; Muleshoe faculty quartet and the Muleshoe quartet.

At the noon hour a big basket dinner was served community style and everyone attending brought a basket of culinary delicacies enough for themselves and several visitors.

The next convention will be held at Circleback the second Sunday in April.

May 21, 1929

Graduation exercises of the Muleshoe High School were held at the school auditorium last Friday evening in the presence of a large audience.

Dr. Leroy T. Patton, head of the Department of Geology, Texas Technological College, at Lubbock, delivered the main address.

His remarks were very appropriate and instructive, and were greatly appreciated by the graduating class and the faculty as well as other pupils and the patrons and friends of the school who heard him.

Those who received diplomas were Hazel DeBord, Ila Mae Glasscock, Jereene Parsons and Delmon Ragsdale. These young people have made good in their classes and are now prepared to enter higher institutions of learning, which they will probably do in the near future. Whatever may be their intentions, we join their host of friends throughout the community in wishing them well.

Some of the members of the faculty the past term who live in other communities have gone to their respective homes where they will spend all or a part of their vacation months. Those whose homes are in Muleshoe are likewise resting from their labors for a few days before continuing higher college work.

150 GALLONS OF BOOZE IS DUMPED IN PORTALES SEWER

February 12, 1931-Last Friday evening at 1:30 o'clock Sheriff Jernigan and deputies dumped over 150 gallons of booze into the sewer in the alley between Warnica's and the pool hall.

This booze consisted of beer, whiskey near whiskey, rattlesnake poison, and bonded liquor.

Some was contained in cream cans iron barrels, and when poured out was of a thick, rusty color.

A large crowd witnessed the pouring out, amid tear and watering mouths. They absorbed the fumes but were denied a taste.

It is reported that at the other end of the sewer where the disposal plant is located, that the jack rabbits became so vicious that they whipped several bull dogs.

More things are wrought by prayer
Than this world dreams of.
-Alfred Tennyson.

MULESHOE NINE WINS OVER AMHERST IN 12 INNING GAME

June 15, 1928-The strong arm of Bentley last Sunday led the Amherst nine to believe that there was something wrong with the ball that he was trying to throw Bentley was very successful with the Amherst boys, letting them out to only six hits which brings himself in line with the higher leagues. It was his stenuous pitching that led the Mule out on top to a victory over the Amherst club of 5 to 6 in 13 innings.

The game was the fastest and most thrilling ever seen on the

Muleshoe field. It was a real fight from the very first with Amherst scoring the first time at bat. Dewey Walker, lead off man, hit a single and followed by a single of Aughtman's, Walker went to third, then with an error Walker scored. The third inning went for the visitors as our boys had not straightened out and a few errors was recorded in this inning, scoring the total score for the visitors 5 to 2. For several innings at this, a very fast game, three up and three down, until Muleshoe scored another run in the seventh, making 3 to 5, then after all had begin to look down hearted with the feeling of defeat, Stegall led the nine to

the path of a rally followed by Milton Dyer, both singled and were safe. Jim H. Dyer's single through the pitcher scored the two runs that tied the game. A battle then started, it was a pitching battle between Guinn and Harmon, and in the outcoming Guinn was the winner.

It is said that Amherst has a habit of winning all of their games, and that up to Sunday some of them claimed not to know where the town of Muleshoe was located. We venture to say it will be easier for them to find the place now.

A large and enthusiastic crowd attended the games.

BAILEY CO. SINGING CONVENTION IS HERE SUNDAY

October 6, 1938-Next Sunday morning, beginning at 10 o'clock melody markers of the Bailey County Singing Convention will gather here at the High school auditorium for an all day program of musical enjoyment, several hundred guests from over the county and from various distant points being expected to be present and assist in swelling the rhythm of the occasion to the highest vaults of sacred tone, echoing and reverberating in transcendent joy amid the hearts of participants.

Several well known song leaders from throughout this and adjoining counties are expected to be present to direct the cadences, and there will be duet, trio and quartet organizations here with their specialty numbers to add inspiration to

SUNDAY SCHOOL PICNIC

June 18, 1931-The Sunday School class of Mrs. Nina Elrod of the local M.E. church, composed of senior young folks, enjoyed a picnic outing Monday evening at Horseshoe Bend, 10 miles east of Muleshoe. There was a group of 45 young people present a large percentage of the number making the trip on a truck.

A number of games were enjoyed in the sand dunes immediately after the party's arrival at the picnic site, after which the hungry group was served a sandwich and fruit supper before returning to town.

COUNTY MEET TEAM--This MHS Relay team was the team sent to the county meet in 1938. Team members include (l to r) back row, Leamon Carpenter, Randy Johnson, Woody Lambert and Martin Oliver. Front row, left to right: Claude Riley, Don Moore, Johnny Starkey, Horace McAdams and Red Harris. Harris was a top hurdler and went to state meets in 1939 in the hurdle event.

THURSDAY, MAY 19, A RED LETTER DAY IN MULESHOE WHEN FIRST AIR MAIL WAS RECEIVED AND SENT

May 26, 1938-Muleshoe sent out 256 Letters In Air Mail Week Cooperation With Other Towns Of The South Plains Area.

That the Muleshoe post office will be raised to second class distinction, is the information received by A.J. Gardner, local postmaster, the first of this week, the order from Washington for such a raise becoming effective July 1.

The classification raise is based on a gross business of \$9,412 or a net of \$8,000 for the year, while the Muleshoe office last year topped the \$9,500 mark in total postal business.

The classification will entail employment of two clerks instead of one under present regime, one being known as an 8-hour clerk and the other a 6-hour clerk. Still another clerk may also be hired this fall during rush business season. A civil service examination will probably be ordered for the extra clerk. Clerk's pay will also be increased under the new order, as will the postmaster's salary, and the office will be closed at noon on Saturdays beginning July 1.

The higher classification will also put Muleshoe in line to obtain a federal building. Mr. Gardner stated that business at the local office this year continued to keep pace to date with that of last year.

Dear Uncle Bob:
I have a problem area on my home that requires constant repainting. I have scraped and repainted with a quality paint and by spring the surface is bubbled again. What do I do now?

Kevin

Dear Kevin:
When you scrape the blisters, are you down to the bare wood? If so, no doubt moisture from your home is trying to escape. Check for clogged vents if the problem is outside a laundry or bathroom. It may be necessary to install additional vents. Then scrape off all loose peeling paint; sand edges smooth and prime bare areas before repainting.

Business Men To Have Big Feed Friday Night

January 4, 1940-Everything is all set for the Business men and women's banquet to be held Friday night at the Methodist church annex, ladies of the missionary society to furnish the feed, which fact insures its superior quality. Every business man and woman in Muleshoe is expected and urged to attend, bringing with them friend husband or wife, as the case may be.

Review of past accomplishments and future activities will be discussed. There will be financial reports and election of officers, with plenty of music in between numbers to add to the general interest of the program, which has been outlined as follows:

"America", by assembly.
Invocation, Rev. R.N. Huckabee.

K.K. Smith, toastmaster and delivering the address of welcome.

Response by some woman of the audience.

Music, High School Brass Ensemble.

Past Accomplishments of the Chamber of Commerce, Judge M.G. Miller.

Music, High School Brass Ensemble.

Community Spirit, Supt. W.C. Cox.

French Horn solo, Prof. H.E. Williams.

Accomplishments of the Future, Neil Rocky.

Accordian solo, Miss Gloria Gowdy.

Financial report of secretary, Ed Lane.

Vocal solo, Miss Wanda Farrel.

Election of officers for 1940.

Vocal solo, Mrs. Pat R. Bobo.

Adjournment.

Mrs. Tate Hostess To "As-You-Like-It"

November 7, 1940-Members of the "As-You-Like-It" club met Friday afternoon of last week with Mrs. Cecil Tate.

The entertaining rooms were lovely with fall cut flowers.

Sewing and knitting were displayed and swift fingers flew in and out of materials, while friendly conversation enlightened the hours.

Names for the Christmas tree were drawn, and delicious refreshments of Hallowe'en ice cream, chocolate cake and coffee, with Hallowe'en plate favors were served to Mesdames Horace Holt, G.O.

Jennings, Jack Lenderson, Dick Rocky, Houston Hart, Sam Fox, Archie Pool, Finley Pierson, Morris Childers, Morris Douglass, Roy Jordan, D.D. Lancaster and the hostess Mrs. Tate.

Seniors Turn "Hoboes" Friday For Money

March 21, 1940-Members of the Senior class, Muleshoe High school, are planning a "Hobo day," Friday March 22.

Funds raised by this means will be used to help finance the Senior trip.

Class members will go over town and do work for citizens at a small fee. Types of work will

be cleaning yards, trimming hedges, fix gardens, wash windows, cars, housework, flower bed arrangements, child tending, general straightening of stores, scrub porches, walks and driveways, wash dishes, run errands, and any other work of this nature.

Those serving on the Ways

and Means committee of the class are: Claud Riley, Billy Joan Damron, Betty McAdams, Lela Mae Barron, Wiley Baker, Imogene Lowry and Mrs. J.A. Lumsden, senior sponsor.

Fry & Cox Bros. To Erect Building New Location

August 1, 1940-Fry and Cox Bros., have let contract for construction of a new and modernly equipped blacksmith and machine shop building on lots located directly south of the Journal office, across the street on the corner southeast of the court house.

The main building will be of brick and tile construction, 50x100 feet, with concrete floor, to be used as an implement and machine shop. Adjoining it will be a 32x34 iron-clad building to be used for blacksmithing.

Their business already well equipped, will be still further strengthened by addition of other machinery to take care of their growing patronage. This concern was established in Muleshoe in 1923 by T.B. Fry who came here from Littlefield.

Irvin St. Clair has bought the lots on Main street being vacated by this concern.

Young Folks Return From Encampment

August 8, 1940- A group of local young people returned Friday afternoon of last week from a Methodist Young People's encampment held at Ceta Canyon near the City of Canyon, from Monday until Friday.

Approximately 90 young people were present from Methodist churches at Plainview, Vernon, Amarillo, Perryton and various other towns in this district.

Dr. Fank Turner, president of McMurry college, Abilene, was principal speaker during the encampment.

Among those from Muleshoe attending were Leona Bartley, Frances Border, Doris Churchill, Dorothy Ray Jones, Mr. and Mrs. R.N. Edwards and son Horace.

DELINQUENT TAX OWNER MAY GET FINE AND IN JAIL

January 2, 1931-Monday morning of this week there were only 10 passenger car and one truck owner who had paid their 1931 auto license, according to Deputy Tax Collector H.A. Towery.

Midnight of January 31 is the fatal time for delinquency in auto tax paying, which if not done by that date, the owner is subject to a penalty of 20 per cent addition above the regular price, and also liable to a fine of from \$1 to \$100 and a jail sentence, according to the discretion of the court.

Passenger car and truck owners will present headlight receipts before license plates will be granted and issued, and truck must also show weight receipt from some competent weigher within the county confines.

License fees are the same this year, Fords running from \$4.20 to \$9.36, according to model and type, and Chevrolets running from \$4.48 to \$10.08. Other makes are practically the same as last year.

Numbers in Bailey County for 1931 will run from 23,901 to 25,000 for passenger cars, and to 652 for trucks.

TRU-TEST PAINTS

PAINTING HELP SPOKEN HERE.

BY *Bonnie Blaire*
TRU-TEST COLOR CONSULTANT

Dear Bonnie:
I am applying a small country print wallcovering above a chair rail. Shall I pick up the lightest color or deepest shade of the paper to paint the wainscot?

Janis

Dear Janis:
Broken color materials, such as prints, need four or five feet distance for matching, because small spots of color mix in the eye at a distance. For instance, a green dot on a blue background will give the appearance of turquoise at a distance. Stand back and select the blended color for the larger flat surface.

Alma Henley Services Held Here Monday

Funeral services for Alma Henley, 85, were held at 11 a.m. Monday, July 1 in Ellis Funeral Home Chapel of the Chimes with the Rev. V.L. Huggins, pastor of the Trinity Baptist Church, officiating, assisted by the Rev. B.C. Stonecipher, a Baptist minister. Interment was in Bailey County Memorial Park under the direction of Ellis Funeral Home. Mrs. Henley died at 7:15 p.m. Friday in Farwell Convalescent Center.

A native of Sulphur Springs, Mrs. Henley was born July 1, 1899, and moved to Muleshoe in 1947. She was the lunch room manager of the Muleshoe Schools from 1956 until 1969, and a member of the Muleshoe Trinity Baptist Church. She married Benjamin Howard Henley on March 12, 1916, in Macon, Texas. He died August 28, 1956.

Survivors include one daughter, Mrs. S.D. Seagroves of Muleshoe; three sisters, Mrs. Jennie Crane, Mrs. Syble Cran, and Mrs. G.R. White, all of Mt. Pleasant, Texas; one brother, W.C. Satterwhite of Mt. Pleasant; three grandchildren; and several great grandchildren.

C.O.F.C. VOTES TO HOLD A COUNTY FAIR HERE

April 20, 1939-At the Chamber of Commerce meeting held last Friday noon it was voted unanimously to hold the Bailey County fair this fall and President St. Clair was instructed to select a committee composed of representatives from every community in the county to make arrangements for such.

Some discussion was indulged in regarding location for the county exhibit, several good suggestions being made; but nothing was definitely decided upon at this time.

Finley White, county farm agent, spoke enthusiastically regarding the fair program, pledging his full cooperation toward making it a success.

Paul Haines of the A & M Extension department, was present and spoke briefly on "The Farmer and the American Tariff," showing clearly by his statements how the farmer "got it in the neck" while big business "got it in the purse."

Mr. Haines gave it as his positive opinion that the high tariff wall built around this nation was almost entirely for the drastic economic condition of America. He declared it was an error that high tariffs were necessary to maintain the high standard of living. His talk was greatly appreciated by members present.

MULESHOE OBSERVES GLORIOUS FORTH

July 6, 1928-The Fourth was a very quiet day in Muleshoe. There was no program here and most everyone spent the day at some one of the larger towns where picnics or political rallies were held.

If The Journal is not just what it should be this week, just blame it to the Fourth, and next week we will try to do better. We believe the taking of a day off once in a while is well worth the money and trouble, for, as one good citizen expressed himself this morning, "You have to get out and see some of the other sections of the country in order to really appreciate your own."

Messrs. and Mmes. J.M. March and daughter, Delma McCarty, H.C. Edmonds, C.E. Dodson, G.B. Prather, and children: Misses Virginia Egbert Fannie Anderson, Jewel Haney, Jewel Anderson; Messrs. Pat Bobo, Buford Butts and David Anderson were among those from here who celebrated the Fourth at Elida, N.M.

CHILDRENS DAY PROGRAM RENDERED AT METHODIST CHURCH

June 1, 1928-A Children's Day program was rendered at the Methodist Church last Sunday evening which was enjoyed by a large crowd. Readings and songs were given by the little tots and a number of excellent piano and violin selections by Miss Iris Harden,

Miss Virginia Egbert and Mr. Herschel Allsup, with Mrs. Ruth McCarty as pianist. After the program an interesting talk was made by Rev. W.B. Hicks.

 Tension and suppressed emotion killed many of our associates and may kill you.

BAPTIST LADIES PUBLISH FORTY PAGE COOK BOOK

June 15, 1928-The W.M.U. of the Baptist church have compiled a cook book of forty pages, which is just off the press. The book is full of fine recipes, everyone of which has been tried and tested. The book also carries advertising from about twenty-five progressive business firms. The Baptist ladies are

going to sell the books and they are well worth the price they are asking for them.

 The truth hurts people who do not like to face facts.

 The first fruit of a religious personality is an honest life.

hot day—long cool drink

Sometimes there seems to be literally nothing to equal the refreshment of a tall cool glass of tangy fresh lemonade on a hot still day; it truly perks up a tired body. How good it is that we have such refreshment. The good news of the Gospel is that there is also refreshment for a tired life. A decision to trust in God and the life which He gives one moment by moment is like a refreshing breeze in dusty, dry life. Life, no matter how tired, or discouraged, or wrapped in despair, can be renewed by knowing and trusting God's love. Go to the Church and hear the story of that Love which is eternally yours.

EVERYONE IN THE CHURCH
 THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond in that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny: the truth which alone will set him free to live as a child of God.

NEW \$60,000 COURTHOUSE PROGRESSING

The Muleshoe Journal
Friday, July 31, 1925

The carpenters and concrete men practically finished their work for some time on the new \$60,000 Court house. The brick masons started to work Monday and are making a fine showing. The Rice Construction Company have the contract. Mr. Lanier, the Superintendent stated that they are going to put on all the brick masons they could get hold of and the work would be rushed right up. This building is going to be a thing of beauty when completed. Gray brick trimmed with white stone, and will be fire proof through out.

Our Civic League will beautify the grounds next year. We have a fine start of trees. Black locust and elm. The entire county will be proud of such a building.

The Muleshoe Journal

Bill Harris, formerly of this city and at one time lived near Hurley, is making big headlines and front page stories on the Sport papers of the Northern states. He is playing in the Minneapolis League, is twenty-four years old, and has only lost two games out of ten.

He won five straight in the American Association. In fifteen games they only received two to five hits on him. He is doing some wonderful playing.

In one story on the front page of a Minneapolis paper was his picture and glowing headlines.

"Muleshoe Texas Boy Winning Games In Pitching Ball." So you can see that one of our local boys is giving us national advertising through ball playing.

COMMENCEMENT EXERCISES ARE WELL ATTENDED

The Muleshoe Journal
Friday, April 30, 1926

The Commencement Exercises were well attended. Sunday night Prof. Bickley of Clovis, N.M., preached the Baccalaureate sermon. Monday night Dr. J. W. Hunt, of Abilene, delivered the graduating address to a large and appreciative audience.

Erick Moeller was valedictorian and Miss Dorothy Beller was salutatorian, while Bill Elrod gave the class history and Roland Matthiesen read the class history.

This closed one of the most successful years of school work in the history of the school.

Due to the shortage of money the school was cut short one month, but the student body was able to work over time and make the grades.

OLD TIMER VISITING MULESHOE PEOPLE

The Muleshoe Journal
Friday, September 11, 1925

J. a. Barnett of Long Beach, California, father of Mrs. M. P. Smith, is here this week visiting M. P. Smith and his old time friends. Mr. Barnett at one time owned many acres of the fine land of this county and sold it all out and moved to California where he is enjoying life.

We understand he owns

thousands of acres of fine land in the Panhandle and will look over that before returning to his home in California.

He first came to this country in 1890 and has spent the better part of his life helping to develop this wonderful country, for us to live in. Men like Mr. Barnett deserve much credit for their sacrifices and efforts, in the early days. We believe there should be a monument erected in honor of these noble pioneers.

COURT HOUSE CORNER STONE LAYING AUG. 8

The Muleshoe Journal
Friday, August 7, 1925

Judge Wm. G. Kennedy, authorizes us to announce that the people of Bailey County are invited to attend the public laying of the corner stone of the Court House at 4 o'clock p.m. Saturday, August 8th.

The Judge wishes it to be known that the ceremonies to be had at the laying of the corner stone is under the auspices of the People of Bailey County, and everybody is expected to attend. Prominent speakers will be present and deliver orations for the occasion.

The Court house under construction is a credit to this county, and the people have the right to feel justly proud of it, and this feeling will be evidenced at the ceremonies is our prediction. You are requested to assemble promptly at 4 o'clock Saturday afternoon at the North-east corner of the Court house.

MULESHOE SCHOOLS TO OPEN FALL TERM SEPTEMBER 10th

The Muleshoe Journal
Friday, August 3, 1928

The Muleshoe schools will open the fall term September 10 this year, it was announced by members of the board today. All the teachers have been engaged and a successful year is anticipated. The board decided to move the 7th grade pupils to the High school building as they could be better accommodated there than in the Grammar school. The following is the faculty for the 1928 and 1929 term:

J. C. Jenkins, superintendent; D. L. Knight, principal; Miss Mabel Harris, English and Spanish; Miss Annie Woods, home economics; and Mrs. W. B. Hicks, seventh grade. The Grammar school faculty are Mr. Fred Boone, principal; Mrs. Ivan Mardis, Mrs. Jay Wyer and Miss Ruth Burton. The work in this department will be assigned later. The music department will be in the High School building and in charge of Miss Virginia Egbert, violin and Mrs. C. S. Holland, piano. Miss Egbert is now taking advanced work under Miss Helen Wytech, one of the leading musicians of the nation. Mrs. Holland is a former pupil of Mr. Ball, of the Ball Conservatory of Music, Fort Worth, Texas.

SHERIFF DOUGLASS RETIRES AFTER 12 YEARS OF SERVICE

January 8, 1931

With the opening of the year 1931 H.A. Douglass, sheriff in Bailey County for the past 12 years steps aside and another takes his place. As his successor, Howard Sterling was sworn in, there were also many citizens present from over the county to express their appreciation of the man who had served so faithfully and efficiently during the years past and to congratulate him upon his successful long tenure of office.

With but two exceptions, each time Mr. Douglass has re-announced for office he had an opponent, but each time the ballots were counted the then present incumbent was declared to be still in office. In the last primary he stated that he had served the people of this county long enough and notwithstanding the importunities of many citizens, refused to again announce.

During the 12 years Mr. Douglass has worn the county star he has handled multiplied thousands of dollars of the peoples money as tax collector it has been a great satisfaction to both him and his constituents to know that each year when his books were audited his accounts were found correct. During this time he has also handled hundreds of prisoners, of which number one ever escaped and he was recaptured. It is especially worthy of note that in his dealings with criminals and suspects he has never once been compelled to shoot or even wound a single man when taking him in the minions of the law.

As Mr. Douglass retired from office last Friday, he expressed his grateful appreciation to the citizens all over the county for their helpfulness and loyal co-operation during his long term of office, realizing that in large measure their assistance has been invaluable to him in the successful performance of his duties.

J.W. LEE, 2 BOYS BADLY BURN IN A TANK EXPLOSION

May 7, 1931- J.W. Lee and two cowboys employed on the Halsell Mashed O ranch, about 13 miles east of Muleshoe, were seriously burned Friday afternoon as a result of a gasoline tank explosion.

Lee and the two boys, known as "Blackie" and "Blondie" were getting ready to place the tank, which was of 45,000 gallons capacity, in the ground to supply a nearby irrigation well, when the explosion took place. Lee, who was just in the act of turning away from the tank, received severe burns on the back of his head, neck, one cheek and both hands, his jacket being burned before it could be taken off. The two boys working with him were each blown 50 feet from the scene of the explosion, their clothing being nearly all blown off them and both were severely burned. They were taken to Amherst for treatment. Another man working in the pit of the

well nearby was not injured.

A.P. Stone who had but a moment passed the well, heard the explosion one-half mile away, it jarring him perceptibly in the car. He immediately turned around, retracing his route to the scene of disaster, and rendering all possible assistance to those injured. Other neighbors as far as five miles away, heard the concussion and rushed to the scene of disaster.

Mr. Lee is reported to be able to be up, while the two boys are still confined to their beds, but it is thought they will recover.

JAUNTY JOURNALETTES

Recreational centers are the thing for children now, but in former days Muleshoe children got along pretty well with spanking centers.

A writer compares the human body to a violin. That explains why some Muleshoe men are always fiddling around.

RURAL ROUTE NO. 2 STARTED MAY 1ST

May 7, 1926--Jack Johnson is the carrier on Route No. 2 out of Muleshoe, starting on May 1st. This new route has been looked forward to for some time by the Chamber of Commerce and the people it is serving. Thru the persistent efforts of our efficient post Mistress this route has been made possible. Now the people can take their daily papers and with a rural telephone which they are sure to get in the near future, they will be living in a modern rural community.

The Muleshoe country is gaining it's needed conveniences right along and soon will be one of the best places in the state to make your home. Come to Muleshoe and make your home in one of the fastest developing parts of the plains.

WATER WORKS BONDS CARRIED 83 TO 24

June 2, 1926--Tuesday of this week was another red letter day for Muleshoe after the returns of the Water works election was canvassed. The bond issue carried by a big Majority, 83 in favor and 5 against the bonds. There was more interest manifested in this election than there has been in any of the previous elections held in the last few years.

As we understand the proposition we will soon have plenty of fine water for all purposes. Insurance will be greatly reduced, the quality of water, will be best than can be had on the plains, and the plains has the best water in the U.S.A.

This gives Muleshoe the best of service in electric lights and with the coming of water works, she will soon be taking on the airs of a real up to date city. Watch us step.

IRRIGATION PAYS: BUMPER CROPS PROVE THE FACTS

August 20, 1926--R.J. Clark who lives on the T.E. Millen farm in the YL Community has proven to the world, that irrigation pays big dividends when a little judgement and business methods are applied.

One of the outstanding crops on this farm is a 10 acre patch of onions planted on sod land. The rows are about 12 inches apart and a border is run every 15 to 20 feet, then he floods between the borders. The crop is perfectly clean and a wonderful stand over the field. The yield is going to make the public take notice.

Mr. Clark's other crops are all fine, perfect stand and retaining dark green color. Irrigation in the shallow Water Valley of Muleshoe is going to put this country on the map in a big way, when we get more farmers like Mr Clark on the land.

BIRTH REGISTRATION AND ITS IMPORTANCE

October 8, 1926--Texas has set for her goal in 1930 admission to the registration area in Vital Statistics. This area is set down by the U.S. Government and based upon a certain percentage of births and deaths registered. Texas is far down in the scale and we are endeavoring to raise the standard.

Everyone can help in this matter by having your children

registered; If you are not sure that they have been registered come in and do it now, if they have been it does not harm and if they have not been it will do some good.

Come in and do it now, don't wait, Miss Wentland will help you with it and will register them for you with the county clerk.

Every child that is registered with the state of Texas will be issued a certificate of registration and this will establish beyond a doubt their registration. Lets have a large number of registrations this month.

MULESHOE YELLOW JACKETS DEFEAT TEXICO-FARWELL IN FINAL GAME OF SEASON

November 26, 1926--Tuesday afternoon the Muleshoe Yellow Jackets played a real game of foot ball with the Texico-Farwell team and defeated them to the tune of 6 to 7 which made the entire Muleshoe countryside rejoice to know that our boys were victorious after the long season of battling with the different teams of the surrounding towns. Our boys were defeated by the Texico-Farwell eleven a week or so ago but this Tuesday's game was a much better game from all stand points. Star players were outstanding features of the game made by our local boys and the Twin City visitors. We are glad to note that the Yellow Jackets still hve a high spirit although this is the first game they won. Lost in points but victorious in spirit. Thats all right boys the

Journal is for you and we hope a great number of victories shall be the outcome next foot ball season.

SANTA CLAUSE SENDS US A SECOND MESSAGE

December 10, 1926--The Journal is in receipt of a message this morning direct from the North Pole, signed Mr and Mrs Santa; announce to the little boys and girls of Muleshoe that I am looking for them to write me at my store (McCarty Drug Store) their wants and the Journal is to print their letters and send me a copy of the paper, so I can get their orders. Have them to be sure and leave the letters in the basement of the drug store not later than the 18th.

SCHOOL NOTES

January 10, 1925--Probably many of our friends and patrons will be interested to know that the girls' basketball team played the Canyon high school basketball girls a most interesting game on Saturday, December 13. The game was exciting and hard fought from the first sound of the whistle. Each of our girls stood her ground and battled for her school as she had never done before. When time was called the score was 39-40 in our favor. Are we proud of our girls?

Well I guess! Muleshoe, Muleshoe, yes! yes! yes!!

A Muleshoe wife's idea of the finest thing to get for a kitchen is a hired girl.

BOND FOR \$60,000 HIGH SCHOOL GOES OVER TOP TO VICTORY

April 10, 1925--Tuesday was a red letter day for the Muleshoe Independent School district when the people voted for the \$60,000 bond issue to erect a High School building. In the Final count it showed that 22 voted against the issue and 78 were in favor of a new high school building.

The contract will be let just as soon as possible work will be rushed so that it will be finished by the time school starts this fall.

The Muleshoe school has made wonderful progress under the never tiring school board and fine staff of teachers. The next term will see many new faces in the various rooms as the people are moving from the four corners of the world to make their homes in the Shallow Water Valley.

THE MULESHOE SCHOOL GETS MORE CREDITS

The Muleshoe Journal Thursday, April 25, 1935 Superintendent W. C. Cox is this week in receipt of information from G. D. Holbrook, deputy state supervisor of District No. 2 stating that the Muleshoe High school had been granted three and one-half more credits of affiliation with the State Department of Education, bringing the total now held by this school up to 23. The supervisor was also quite complimentary of the high class of educational work being carried

on by this school. Muleshoe patrons are very happy over the progress that has been made by the Muleshoe school during the past four years. Previous to that time and also the first year Prof. Cox was superintendent of this school affiliation credits were not available because the curriculum was not standardized and the school term was only eight months instead of the required nine.

Four years ago, under direction of Prof. Cox, and his efficient faculty of teachers, seven and one-half credits were obtained. The following year ten credits were earned. Last year, two more units were acquired. This year, English 4 was granted one unit, biology one unit, music, one unit, civics, one-half unit, bringing the total now acquired up to 23. Sixteen units are required for graduation and 15 for entry into any of the state schools.

BULA SCHOOL IMPROVEMENT

The Muleshoe Journal October 17, 1935

The work of adding two more class rooms to the building of Bula school district is now about 75 percent finished, according to P. W. Smith, superintendent of that school.

Contract for construction of a new gymnasium was let last Monday night.

The district upon refusal of PWA and grant of funds, has vote \$10,000 to recognize their application for loan in bonds to defray the necessary building expenses.

A MASS MEETING HERE FOR CANNING FACTORY COMMITTEE APPOINTED

March 19, 1931--A meeting was held Wednesday at the court house looking forward to establishing a canning factory in Muleshoe. C.N. McCarty, of Portales, N.M., an experienced canning factory man gave much needed information. Others speaking favorably of the plan were C.D. Gupton, E.H. Harrell, D.L. Coulter, O.N. Robison and E.R. Hart.

A committee composed of E.R. Hart, O.N. Robison, E.H. Harrell, Wm Mathieson, Neal Rockey and J.L. Allsup, was appointed to perfect the organization.

Several farmers present expressed their interest in the proposed factory and stated their readiness to plant both tomatoes and beans for the new enterprise.

HOLD-UP AT EARTH TESTS BRAVERY OF SHERIFF BOB CRIM

April 9, 1931--Sheriff Bob Crim received a call from Earth, last Wednesday, stating that there was a hold-up there. He rushed out and found a crowd of men at one of the stores. He shouldered his way through the crowd and found two men guarded and hand-cuffed in the back of the store. He made a thorough search of the "culprits" at which the crowd burst into a roar of laughter and reminded him that it April Fool's Day.

The sheriff has been skeptical of all suspicious calls since.

BALL GAME "RODEOED"
OUT AT FARWELL SUNDAY**

The Muleshoe boys went to Farwell last Sunday afternoon to play the Farwell-Texico team a game of baseball. But the game failed to materialize, owing to the fact that a rodeo was in progress at the ball park which lasted very near all the evening, and when it was over our boys decided it was too late to play ball. Those who went from here to witness the ball game and who paid 75 cents to get in, figuring that in order to see the game it would probably be necessary to "get in on the ground floor," seem to be a little sensitive on the subject and it might not be best to ask them how they enjoyed the rodeo.

GLORIOUS FOURTH DULY
CELEBRATED HERE YESTER-
DAY**

From early morn until late at night the town of Muleshoe was astir yesterday in the event of the great Fourth of July celebration which had been planned several weeks ago. The various amusements and attractions that had been previously announced were all, or nearly all, carried out according to schedule.

The noon festivities on the court house lawn were thoroughly enjoyed by the large crowd that assembled there for the purpose.

The water fight, pulled off in the afternoon was one of the exciting attractions of the day. Probably the most thrilling performance, especially to kiddies, was the fireworks display at the ball park last night.

A large crowd witnessed the baseball game between the Muleshoe and Baileyboro teams, which resulted in a score of 6 to 2 in Baileyboro's favor, immediately after the ball game, the drawing of prizes took place. We did not learn the winners. They will be announced next week.

The celebration as a whole was a success, and immense throng of people in attendance were shown a good time in varied form. Hats off to those who helped in putting over the event.

ENTERTAIN GUEST AFTER
THE SHOW**

Mr. and Mrs. James Joslin entertained a number of young people at their home last Saturday night after the Willard Show.

Again Spirit valism, Hypnotism, etc. were tested, and forty-two and other exciting

games were played and enjoyed.

Breakfast was served at 3:10 and all departed soon afterward but not before having expressed their gratitude for such a lovely night.

Those present were: Jeff White, J.B. Gordon, Jewell Haney, Walter Foust, Lela Glasscock, Wayne Wallace, Dorothy Priboth, Bill Bunyon, Reva Mae Williams, Mills Barfield, James Joslin, Lillie Joslin and Les Dodson.

**MULESHOE SCHOOLS TO BE-
GIN FALL TERM ON MONDAY
SEP. EIGHTH**

Muleshoe Public schools will begin the fall term Monday, Sept 8, according to Superintendent C.W. Cox, who arrived here this week and has already entered upon his duties in preparation for the coming school year.

Muleshoe teachers are planning attending institute to be held at Tech college, Lubbock, September 1, 2 and 3, and pupils are requested to make enrollment September 4 and 5.

This year there will be four teachers employed in the High School and seven in grammar

grades. Prof. Cox is serving his first year, coming highly recommended from Wynnboro where he was in charge of the public school. D.L. Kendrick was retained as superintendent of the high school for another year, while Fred Bryant, this city, is the new principal for the grammar grades.

MULESHOE FOOTBALL TEAM
BEATS LITTLEFIELD SQUAD**

Wednesday of last week the "outlaw" football squad from Muleshoe played a return game with Littlefield, returning winners in a score of 11 to 7.

Muleshoe lads made their touchdown within four minutes of the first quarter. Littlefield scored a touchdown in the second quarter and passed for the extra point. In the third quarter Muleshoe scored the extra points. Fred Moore was the star player of the game.

The line-up was as follows: Jeff White, R. end; Ray Moore, R. tackle; Owen Head, R. guard; Milton Harper, center; Fred Bryant, I. tackle; "Fat" Donner, I. tackle; Louis Walker, I. end; Sherman Glasswell, R. half; Del McCarty, I. half; Fred Lee, full back; Fred Moore, quarterback.

In a game here played the week previous the score stood 6-0 in favor of Littlefield. The Muleshoe squad however made six points, that were not counted at the time, it was found to be allowable, resulting in a tie game.

**BAND MAY MAKE FIRST
PUBLIC PRESENTATION ON
ARNISTICE DAY**

That the recently organized Muleshoe band is rapidly whipping into musical form is the consensus of opinions expressed by several members this week. The band now totals 26 members and several others contemplating coming in, and the instrumentation is one of the best ever secured in small town bands.

Many of the new, as well as the old members have spared nothing in the purchase of their instruments, and have as fine a lay-out as could be desired for a band of several years experience, and, under the direction of Prof. Monte Bowron they are rapidly learning to play them.

It has been intimated that they may make their first public armistice day.

**M.F. KESLER VICTIM OF A
HEART ATTACK AT PORT-

November 14, 1930
M.F. Kesler, well known in Muleshoe, and who for some time was employed in the Journal office, died suddenly Thursday of last week while working in the News Office, at Portales, N.M. For some time he had afflicted with a heart ailment.

He leaves a wife, also a sister, Mrs. Pearl Moss, of Clovis, N.M.

It's always easy to stand on the sidelines and criticize the players.

**ORGANIZATION
OF BAND HERE
NEXT MONDAY**

The Muleshoe Journal
Thursday, February 28, 1935

Much interest was shown in the organization of a band in Muleshoe by a good attendance at the meeting called for Monday night of this week at

the High school building. Fifteen interested people attended, in spite of inclement weather, many of whom expressed a desire to have a part in the band organization.

K. W. Shearer, experienced band leader, who recently came to this section from Stinnett, where he has developed a special band, was in charge of the meeting. He is permanently located on a farm near Muleshoe, and called the meeting after being endorsed in the movement by the Muleshoe Kiwanis club.

Much enthusiasm was manifested in the prospects of getting a band started here at an early date. A check-up disclosed there were 22 people in this vicinity who are known to play instruments or have expressed a desire to join the band. It was decided that efforts to organize the band would continue.

NIX DELIVERS BACCALAUREATE SERMON HERE

Rev. J.F. Nix of Clovis, N.M. delivered the baccalaureate sermon for the graduating class at the High School auditorium Sunday. The auditorium was filled almost to capacity. Rev. Nix told the graduates, they capacity. Rev. Nix told the graduates that "to wear a crown, they must first bear a cross," and that many trials and disappointments must be met before success came to them. He said that today the world needed men and women of fine character and urged them to prepare to take their places in the world by completing their education in the universities and higher institutions.

MULESHOE GRADUATES FIVE MAY 24, 1925

May 24, 1925--
 This week closes the Muleshoe school, with five graduates from the high school, Billy Daniels, Houston Taylor, Agnes Abney, Virge Mae DeBord and Winnie Mae Crosswhite. Several will graduate from the grammar school.

Upon the closing of the school we extend our congratulations to students, hard working teachers and the faithful school board for the completion of a good year. The passing session has been a good one, a busy one and a faithful one.

In both schools possibly there are a few who failed to make the grade. To them we say, grit your teeth and resolve to not let it happen again. Life is long, and while disappointment may be keen at the present, remember that people love above all else the fighting spirit that comes back fore more, that is knocked down again and again but never gives up. If you have the spirit you are not a failure.

MULESHOE LOST

March 22, 1924
 There was some sort of a game played here this evening between the students of the Baileyboro school and the Muleshoe school. The editor has not learned what the game was, but judging from the way the Baileyboro folks were yelling and singing and the futher fact that none of the Muleshoe pupils have been in to report the game, Muleshoe lost.

April 19, 1924--
 Construction gangs have started work on the Clovis-Texico highway. Much of the fill work has been completed. All equipment for the work has arrived, most of which is new. The highway will be one of very best pieces of road work in the state when it is completed.

SHOOK-GUPTON NUPTIALS

May 3, 1924
 Miss Louise Gupton, daughter of C.D. Gupton, owner of the Gupton Hotel, and Mr. Reed Shook, popular young man of Muleshoe, were united in marriage at Clovis, N.M. Monday. The bride and groom are spending their honeymoon visiting near Encino, New Mexico. The groom came to Muleshoe about fifteen months ago. The bride came here with her family from Kentucky several years ago. All wish them a long and happy life.

BE IN MULESHOE JULY 4 AND 5

June 21, 1924--
 Muleshoe is preparing to pull off a good-un the 4th and 5th of July. There will be a rodeo, with all kinds of wild west stunts, also a barbecue. Perhaps the best part of all will be meeting Judge Klump and county Clerk Mardis of Bailey County ride a wild steer. We do not know if they are going to ride together or separately. All we know is that they were told to prepare a good speech and they chose riding instead, as Mr. Mardis said there was nothing he fears more than bucking steer except the stage. Everyone is invited to attend the rode.

MULESHOE HIGH SCHOOL NOTES

August 9, 1924--
 Twenty-nine pupils have been transferred to the Muleshoe High School from surrounding districts-eight from YL, four from Baileyboro and seventeen from Hurley. Those who are close enough will be hauled in a school truck.

The school board will work the old truck over and buy a new one also there will be too many pupils for one truck to handle.

Most people are afraid to face the complete truth, including you.

SLUMBER PARTY

Bettie Jane and Dale Rogers were hostesses to a slumber party Tuesday night. The girls gathered about 7:30, playing all kinds of games until a late hour when a lunch was served to the girls. Wednesday morning Mrs. Rogers served a delicious two course breakfast. Those present to enjoy the affairs were Holly Ann Busy, Anna Margaret Hart, Dora Nell McCarty, Wanda Farrell, Marie Busy, Twilla Darrell, Zoe McReynolds, Tidwell Douglass, Bernice Arnold, Dale Rogers, Bettie Rogers. Miss Jane Busy assisted Mrs. Rogers in entertaining the little guest.

LITTLEFIELD TO GET GAS BY FEB. 22; MULESHOE ON LINE

Monday the South Plains Pipe Line Co. had the gas main laid from Lubbock to within seven miles of Littlefield, and it is thought if the weather does not prevent, the line will be completed into town by Saturday of this week, a gate placed in the line and ready to turn over the West Texas Gas Company.

The West Texas Gas Co. has yet to build its own border station, which, when completed, will then be ready to turn gas into the local lines for citizen service, which will probably take another week longer, or by Saturday, February 22nd.

The South Plains Pipe Line Co. after reaching Littlefield will continue its main line to Amherst, Sudan and Muleshoe.

LOCAL GOLF FANS MET LAST THURS. TO ORGANIZE CLUB

About sixteen golf fans met at the Legion Home last Thursday night and took up the business of organizing a club for Muleshoe land is to be secured for a course adjacent to the city and preparations are being made for putting these grounds in shape for use. Connie Gupton was elected chairman of the organizations and a number of rules and regulations were adopted. The membership is to be limited to thirty members and Saturday the quota had almost been reached.

Heretofore, "addicts" of this game have had to journey to neighboring towns to engage in such sport, and believe it or not, there are quite a number of veterans of the game here who already have that far-away look in their eyes when golf is mentioned. Applications for membership should be turned in to Connie Gupton or H.A. Bryant.

MULESHOE-LARIAT BASEBALL GAME NEXT SUNDAY

The Muleshoe baseball team will meet the Lariat team on the local grounds Sunday afternoon. The players are expected to be on the field at 2:30 and it is probable that the game will be under way by 3:30.

According to Manager Garrett, the local team is looking mighty good for a starter, and he is sparing no effort to whip the team into shape as soon as possible. At present he is drilling the team on base running, something, the says, that is overlooked in many cases but is a vital factor in baseball.

Players for positions have been picked only tentatively, as it is still too early to see who is going to be able to qualify.

The baseball grounds are being worked over and improved for the season.

Fortune and love don't always favor the most deserving.

BAILEY COUNTY TEACHERS ASS'N TO MEET AT YL

MULESHOE WORKING GIRLS ORGANIZE CLUB

March 19, 1926--The Working girls of Muleshoe met at the Legion Hall last Monday evening for the purpose of organizing a club. The following officers were elected: President, Miss Dorothy Wentland, Vice President, Miss Gertrude Tucker, Secretary and Treasury, Miss Katherine Neal.

After much discussion the club was named the M.B.G. Club. The purpose of this club is to help one another and to provide some clean amusement for the Working girls.

We are going to make this one of the liveliest little clubs in this part of the country, and all working girls are invited to join us.

ANNOUNCEMENT PARTY GIVEN AT JUDGE W.G. KENNEDY HOME

April 23, 1926--On Friday, April 16, a crowd gathered at the home of Judge and Mrs. W.G. Kennedy. This will be remembered as one of the

leading events of our social season. The home was beautifully and artistically decorated in green and white.

On arriving each guest was given a bag of beans, this providing an article of much merriment during the evening. Miss Reta Lea Dodson was winner of this contest.

Next came the Wedding race which provoked much laughter, Howard Carlyle and Miss Zula Harding were announced winners. Following this came the spoon race and then the Shakesperian Romance, which was won by D. Reed and Miss Leona Brown.

During the chair contest in which everyone was greatly interested a white pigeon flew into the room carrying a small parcel. The bird was captured by D. Reed, the parcel contained the announcement of the forthcoming marriages of Miss Eunice Page to Raleigh Keith and Miss Ethel Kistler to J.D. Thomas. After reading the announcement the absence of Misses Page and Kistler was noticed. Immediately a search began for the missing pair.

They were discovered hiding at the Baptist Church and were escorted to the house, upon entering they were greeted with showers of rice.

The future destiny of the two was humorously disclosed in a toast given by D. Reed.

Refreshments were served at a late hour and the following left; wishing the young ladies happiness during their married life:

Lottie Huke, John Bickle, Jesse West, Lela Bickle, Clay Buchanan, Mills Barfield, Leona Brown, Sue Snyder, Mr. and Mrs. DeShazo, Reta Lea Dodson, M.H. Kelley, Novella Elrod, Ray Buzard, Dudley Buzard, Miss Spencer, Miss Lola Lipscomb, D. Reed, Billie McClure, Kate Neal, Good Harden, Howard Carlyle, Zola Harding, Mrs. Nina Elrod, Helen Charles, B.A. Trice.

The time for a vacation is when you can get it. Don't worry about the work you leave behind, it will be there when you return.

A little more expensive... but worth it.

MULESHOE IS GROWING

Two new lumber yards locate here and new homes are being built. Farmers have big crops and prosperity is evidenced on every hand. Schools are flourishing over the entire county.

And old adage says: "It takes an outsider to know whether or not your house is in order."

This is because the "outsider," when given access, is observant and critical.

It is so with regard to a town and the stranger within its portals. The visitor sees this and that, notices improvements and fathoms shortcomings, because he automatically becomes an investigator. If you want to know about your town, ask the visitor.

A representative of The Clovis, New Mexico, Journal was a Muleshoe visitor Monday. His observations follow:

It is hard to realize the vast changes taking place in the areas formerly known as the big pastures of the Plains country. It takes a tugging of the imagination to realize that what was at one time used only as scantily stocked range is being converted into one of the richest intensified farming districts of the Southwest.

That is what is taking place in the strip known as the Blackwater Valley and adjacent lands in the region of Muleshoe, Texas, a part of the same section of the Plains now undergoing a rushed settlement because it has been discovered a splendid cotton growing possibility.

Muleshoe is in the heart of what is considered the best of this vast Plains section from the fact that abundant shallow water is available, free from alkali or mineral that is injurious to plant growth and accessible to shallow water pumping proposition.

HIGH SCHOOL IS GROWING

Last week we moved the 10th and 11th grades into the auditorium, added a teacher to the faculty, relieved the primary teacher of the 3rd grade and made room for two more high school subjects. At this time the primary teacher still has forty pupils and Wednesday morning it became necessary to promote the 7th grade to the last room on the first floor and move the 9th grade to the auditorium also. Pupils in the auditorium are now using single desks, double desks, tablet arm chairs and opera seats for seating

purposes. Three dozen seats of a smaller size have been placed in the lower grade rooms and the high school desks are here ready to be installed. But where can we put them? It will be necessary to remove the back section of the auditorium seats and furnish it with desks for the 9th, 10th and 11th grades. It will not be long at the present rate until we will need the front section and then the next thing will be a new auditorium. We might as well begin to get prepared for it.

The two rooms in the basement can be used only for laboratory work. Sewing tables and machines will fill up one room and the chemistry and agricultural equipment will occupy the other.

The present enrollment of the Muleshoe school is 150.

MULESHOE HAS A WINNING BALL TEAM
April 24, 1925

The Muleshoe Base Ball team has secured the material for a winning team this season and should have the support of every business man in this city. Last Friday the team played Rogers, N.M. at Gaddy school house, this is considered one of

the fastest teams in this part of the state. The game was a very close one, the score was 7 to 8 in favor of the Rogers team. Newt Moore our keen lightning pitcher showed up wonderfully well in this game and Burdie Richards our catcher was more than behind the bat.

The game Saturday with Big Square at Star Ranch was won by a score of 2 to 3. The entire team is showing up fine.

Sunday they played Friona on the home grounds, with a score in their favor of 5 to 2. Houston Taylor and Newt Moore in the pitchers box. With Homer Mardis as catcher. The entire team played good ball and are showing up as a winning team.

SENIOR NEWS NOTES
May 1, 1925

The Muleshoe Basket Ball girls will go to Friona, Friday, Nov. 12. Come on people. Let's support our team. We're expecting a great victory.

We are proud to say that the Senior Class has seven of the foot ball players and three of basket ball girls. Just watch the Seniors shine.

Hadderton Roy was absent from school Wednesday and Thursday.

Ray Moore was absent from school Wednesday.

The B.Y.P.U. will give a program next Sunday, Nov. 14, at Sudan. Everyone is invited to go.

We lost the game Friday but that is no sign that we will lose next Friday when the boys play Olton and the girls play Friona.

The Seniors have ordered some classics to read in English.

Miss Verbie Griffiths is making it possible for the pupils to have a warm lunch at noon. I'm sure we are all glad she remembered us and hope she can continue her good work.

We had visitors at chapel, Monday. Remember we have chapel every Monday, Wednesday and Friday mornings. Be sure to come some morning as we want your support.

The mother sponsors have been chosen by each department. We hope they all will do their best for us and that they may be proud of us.

Senior Reporter.

Vance Wagon--"I don't see where we are going to get anything out of this English course."

Hershel Alsop--"How's that?"
Hershel--"Just think of the sleep we are getting."

Hershel Alsop--"Oh, yes we are."

FAREWELL PARTY FOR MRS. KISTLER

One of the most enjoyable events of the season was a surprise party given Mrs. W.H. Kistler last Wednesday afternoon by the W.M.S. and numbers of old friends.

About 3 o'clock guests began arriving to spend the afternoon and not until a roomful arrived did Mrs. Kistler realize that she was having a party.

Mr. and Mrs. Kistler were among the first settlers in Bailey County and have encouraged its development in many ways, and it brings sadness and regret to each friend to know that they are moving from our midst.

During the course of the afternoon love gifts in the form of dainty handkerchiefs, were placed in a dresser drawer to found later by the honoree.

Delicious refreshments of hot chocolates and cake were served to the following: Mesdames Stone, Hardin, Elrod, Kistler, Wallace, Wyer Hicks, Wilman, Buhrmann, Kennedy, Mardis, Haney and Glasscock; Misses Harris, Mildred Wilterding, Dottie Wilterding, Jane Bucy, Doris Smith and Beulah Kistler.

At a late hour all departed, wishing Mr. & Mrs. Kistler all the happiness and good fortune that could attend them in their new California home.

ALL ABOARD FOR BIG DAIRY SHOW AT PLAINVIEW APRIL 2 TO 5 INCLUSIVE

Next Wednesday is the day set for Muleshoe's delegation to visit the Dairy Show at Plainview and every one who can possibly go, is requested to do so. There will be plenty of cars so that any one who has not a way to make the trip may be in Muleshoe by 8:30 in the morning and notify C.H. Long or Ivan Mardis and transportation will be found for them.

Arrangements have been made for thirty-six cars and

others are expected. It is asked that all those who signed up to go, assemble on Main Street so that the delegation may make the trip in a body. The cars will leave Muleshoe at nine o'clock.

PICTURE SHOW TO CLOSE FOR THE SUMMER MONTHS

Friday and Saturday nights will be the last time the Brooks Theater will show until fall months. Mr. Brooks will leave in a short time for Pecos County, in the new oil field, where he will engage in the building business. He owns quite a bit of property in the new oil field, and will look after his interests while employed there.

The Muleshoe Journal
Friday, March 27, 1925

The Muleshoe Senior basketball girls went to Hailcenter last Saturday morning to the basketball tournament.

We played Floydada early Saturday morning and lost by a small score. Late Saturday afternoon we beat Lockney and lost Saturday night to Canyon.

The Muleshoe Senior basketball girls have played fifteen games this season and have lost only three of them which were to: Plainview, Floydada and Canyon. Beat this fair record if you can, fine for you Muleshoe Senior High girls, stay right in there we are for you.

Now as the basketball season is over the Muleshoe girls and coach wish to thank the people one and all of Muleshoe for their loyalty and especially those who accompanied them to their games.

Although one of their players graduates this term; we are looking forward to a team that can "pull it over" them next year.

The words of a silent man are never brought to court.

Twenty-five pupils are slated for graduation in the Senior class, Muleshoe High School this year, being the largest of such graduation classes in the history of this school.

The baccalaureate service will be held Sunday night, May 12, in the high school auditorium, and Rev. J. F. Nix, pastor of the First Baptist Church of Clovis, N.M. has been invited to deliver the sermon.

The commencement exercises will be held Friday night, May 17, the program to be put on by members of the graduating class under direction of Miss Lucille Beatty, class sponsor, who is arranging for the program.

Listed in the senior class for graduation honors this year are Misses Sybil Coker, Ruth Eckler, Alynne Evans, Twila Farrell, Ida Lou Glaze, Mary Holt, Eva Harper, Hazel Nelson, Gerald Reynolds, Dorothy Ross, Frances Robbins, Melzine Rockey, Evelyn Wilterding, Dora Nell McCarty, Messers. Frank Atkinson, Bob Beller, Kline Buhrman, L. S. Barron jr., Alvin Farrell, Lester Garth, Clarence Harris, Tony Ivy, Ferel Little, Herschel Wimberley, Felton McCoy.

In the class are also five other students who are taking special work, while nine other members at the beginning of the school year have dropped out for various reasons.

TOWN ALRIGHT. MAN WRONG

June 11, 1931-"This is a h---l of a place.

We once heard a fellow make such a remark about a neighboring town and a fairly good town at that.

Investigation disclosed a few interesting facts.

The man was a chronic kicker.

He was a confirmed loafer.

He was an inordinate brag.

He was intollerent of opinions that were at variance with his own.

Like the recruit in the parade, everybody but him was out of step.

Some day he will be gone, but the town will still be there.

He will not be missed, because he never does anything worth remembering.

Ours is a good town.

TRAFFIC COUNT ENDED

July 2, 1931-The annual traffic count to determine the actual numbers of vehicles travelling various Texas highways closed Wednesday night of last week. Highways No. 7 and 28 were counted in the Muleshoe section.

The count included all types of motor and horse drawn vehicles. The report will be available later.

BAILEY CO. TO HAVE FINE EXHIBIT AT LUBBOCK FAIR

August 9, 1931-That Bailey County will have one of the finest, and in all probabilities the finest, exhibit of farm products shown at the Panhandle South Plains fair to be held at Lubbock, September 28 to October 3, is the statement of O.N. Robison and R.L. Brown, who are now gathering the luxuriant specimens.

Never before in the history of the agricultural era of this county have there been finer farm products, and these men state they are certainly going to make some of the other countys showing hustle for first money.

LEGION MEET IN GOODLAND

Sept. 24, 1931-The Muleshoe Post, American Legion, will hold a special meeting at Goodland school house Friday night, October 2, to which the public generally is invited attendance.

It is stated there are several ex-service men in that part of the county, some of whom are now members of this post.

A special program of speeches, readings and music, including selections by the Muleshoe orchestra will be given at that time.

A good attendance from here is also anticipated, and it is stated by Commander Curtis Taylor, that conveyance will be furnished those who do not have such and desire it.

OPEN NEW STREET HERE

October 29, 1931- Chester Layne, experienced highway builder, last Monday completed

a half mile stretch of new road leading out north from No.7 highway into the vicinity of the gins and elevators near the Santa Fe railroad.

The new street will be an accomodation to farmers coming in from the south who desire to do business with concerns in that section of town.

ROACH-COLLINS

November 18, 1931- Miss Margaret Roach, daughter of Mr. & Mrs. C.J. Roach, this

city, was married last Saturday night to Wm. Collins residing northeast of town.

The wedding occurred at 10:30 p.m. at the Methodist parsonage in Clovis, N.M. Rev. Campbell officiating accompanying the bridal couple were Miss Theron Kimbrough and Aubrey Jarman after which the wedding party enjoyed the play "Riders of the Purple Sage," at the Mesa theatre.

Both contracting parties are well known in this city, and have numerous friends who extend to them their best

wishes. They will make their future home on Mr. Collins' farm 10 miles northeast of Muleshoe.

12 POUNDS OF TINFOIL GOES TO CRIPPLED CHILDREN

Dec. 17, 1931- In keeping with the Christmas Spirit, The Journal last Friday mailed 12 pounds of tinfoil which had been gathered by the citizens of local and nearby communities, to be used for the expenses of the crippled children at the Dallas Hospital. Three pounds

will keep one child for one week.

Saturday, Mrs. Glen Stiles of the Big Square Community brought in three pounds of tinfoil, which had been gathered by the children in that community. This is a worthy cause teaching children to think of others less fortunate than they, Mrs. Stiles said.

PROGRESS SCHOOL BURLARIZED

Jan. 26, 1931-The Progress school building was again entered last Sunday night. However,

nothing is missing, according to report. It is stated that this is the third time the building has been entered this winter.

Complaints were sworn out and filed last Monday against three young men residing in that community.

FAST FOOTBALL GAME PROMISED LOCAL FANS FOR FRIDAY AFTERNOON

The Muleshoe Journal
Friday, October 11, 1929

One of the best games of the season is promised football fans on next Friday afternoon, when the Muleshoe High School team meets Friona at Cobb park here.

The local boys have been at hard training the past two weeks and are expected to deliver the goods, which means victory. The town team, which was recently organized and is composed of former stars of the gridiron, can testify to the fact that the High school lads are hard hitting babies. Tuesday afternoon they marked up three touchdowns to none for the town boys, and for good measure, we notice numerous limps and bumps on the heroes of former days, some of which were college men.

MULESHOE IRRIGATION ATTRACTING THOUSANDS
June 12, 1925

The Muleshoe country receives as much rainfall as any other section of West Texas, and for the past two years we have had a little more moisture than any other section surrounding us, but we are so situated that we can avail ourselves of shallow water and can irrigate our farms and can insure a big crop every year. The time is coming and coming fast when we are going to be able to handle the pumping proposition with electricity in the Muleshoe country. The Texas Utilities Co. will be stringing high lines all over the shallow water belt, and as soon as the demand is sufficient they will be able to supply the farmers with electricity to pump irrigation water from the shallow wells onto the crops.

The world outside are just now beginning to realize that the shallow water belt is the best farming country of all Texas, they don't realize what it means to see 2,000 to 3,000 gallons of pure water spurting from a well every minute until they come to this section and actually see these wells in operation. The advantages of irrigation in this section discounts all other irrigation districts. The water here does not have to be treated before it is put on the crops, it is 99 per cent pure. Every person who has a foot of land can have an irrigation well, as the entire section is underlaid with a vast lake or underground river of running water. No channels, canals, etc., are necessary, and you can get your own water at any time by merely cutting on the pump. The day is not far distant when there will be a farmer on every 40 to 80 acre tract in the Muleshoe country, and practically every acre will be in cultivation as the ground is level as there are no rocks, creeks or hills or other obstacles to keep all the land from being farmed.

CELEBRATED APRIL FOOL APRIL 10, 1925

A celebrated April Foll Party was given at the home of Mr. and Mrs. M.M. Jennings ten miles Northwest of Muleshoe. The Rev. Brother G.O. Dean tuck a truck load of young people from Muleshoe and Hurley to the gay and much appreciated affairs.

MULESHOE SCHOOL WILL BEGIN ON SEPTEMBER 14
September 11, 1925--

We are expecting about 250 pupils to be enrolled this year. Until the new school building is completed most of the rooms will be crowded. On account of the crowded condition in the lower grades, we expect to enroll only scholastics in the first grade, that is, no child under seven years of age on Sept 1, preceding date of enrollment may enter first grade.

FREE BARBECUE & PICNIC
June 26, 1925

Final arrangements have been made for the greatest barbecue ever put on in this part of the state. M.P. Smith the business manager has secured 7000 pounds of good fat beef, 1000 loaves of bread, pickles and everything that goes with it to make up a real barbecue.

The Clovis orchestra will furnish music for the two days.

A big platform dance will be given each night. Thousands of people will be here, from miles away. Be sure to come.

There will be an entrance charge at the gate of \$1.00 per adult, all under 12 free, 12 to 15 years ago in at 50 cents. This will enable you to enjoy a big barbecue, rodeo, horseraces, ball game and fine band music.

TOWN TALK

Jan 1930. Plainview reports a ten-inch snow this week.

Mr. J.M. March and little son have returned from hospital at Lubbock. The young man answers to the name of Arch Murphy.

H.A. Douglass and K.K. Smith returned Saturday from a trip to Almagodo N.M.

Cecil H. Tate, R.L. Brown and Miss Jackie Barrington were in Amarillo last week-end attending the opening of the new Santa Fe building.

Al Isacs and Tommy Sides motored to Lubbock last week-- to visit home-folks, returning Monday morning

MULESHOE HIGH SCHOOL NOTES
October 22, 1925--

The school has asked us to announce they will have a pie supper at the Baptist Church tonight (Friday) for the benefit of the athletic fund. Let everyone come and bring a big fat juicy pie.

November 6, 1925--
The new high school building will probably be completed by November the fifteenth. This will relieve the crowded conditions that have existed heretofore. All "Unders" who were six years old on or before September the first, nineteen hundred and twenty five, may attend when we get in our new building. Tuition will be three dollars per school month, payable in advance. No more "Undres" will be admitted after the first semester.

Every person reaches the stage, somewhere in life, where he realizes the real values of society are different from what he thought they were.
