Local Nursing Home Drops Medicaid

Administrator Cites Financial Problems

Twenty-three residents of the Muleshoe Nursing Home this week following the announcement that the facility was terminating their contract with Medicaid.

In a Tuesday afternoon news conference, WPMC Administrator Robert Haralson said the decision had been reached to terminate the contract with Medicaid effective September 1 of this year.

Effective on that date, Muleshoe Nursing Home will be accepting patients on a 'private pay' basis only. According to Haralson, the decision was due to federal mandated changes, and the fact that the Nursing Home has been losing money for the past four years.

"For the past four years, the hospital and the private pay patients have subsidized the patients who are on Medicaid," he explained. "The State of Texas pays \$900 per month for Medicaid patients and that includes all extra medications, as well as other charges."

"Some of our patients take from \$200-\$300 per month in medication, and we are not allowed to charge them any extra for their medication, or if they are sick and in the hospital."

Haralson said the private pay patients are paying from \$1500-\$1700 per month, and can be assessed for additional medications and other expenses.

Included in new regulations would be the furnishing of additional personal items for the residents, he added, including personal care items, such as toothbrushes, toothpaste, shaving apparatus, and other comparable items, with no increase in revenue.

Haralson cited the continued rising costs, and no additional income as being the trigger for the decision to close out the Medicaid program.

Today, Thursday, families of Medicaid patients have been invited by West Plains Medical Center Board of Trustees to be taken on tours of area Nursing Homes who have beds available and attempt to secure a facility for the 23 persons who are scheduled to be transferred.

"Our staff will assist in any way possible to relocate the patients," said Haralson. "We met with family members on Monday night, and explained the Hospital Board's decision to them at that time. They were concerned and upset over the relocation of their family member."

Jolene Swanner, administrator of the Nursing Home said a Life Safety Code inspection was

Local Duo Win At Olympic Meet

During Weekend

The first Olympian Track Club International Meet was held at the Texas Tech R.P. Fuller Track in Lubbock on Saturday, July 7.

Tony Luna and Quay Gregory participated in the meet. Tony placed first in the 1500 meter and second in the 1400 meter run.

Quay was first in the 3000 meter and first in the 1500 meter.

King Feed Yard Has New Owners, Plans Expansion

Louis Reeder, president of Wes-Tex Feed Yards, Inc., has announced the purchase of King Feedlot and Bailey County Feeders, both located west of Muleshoe in Bailey County.

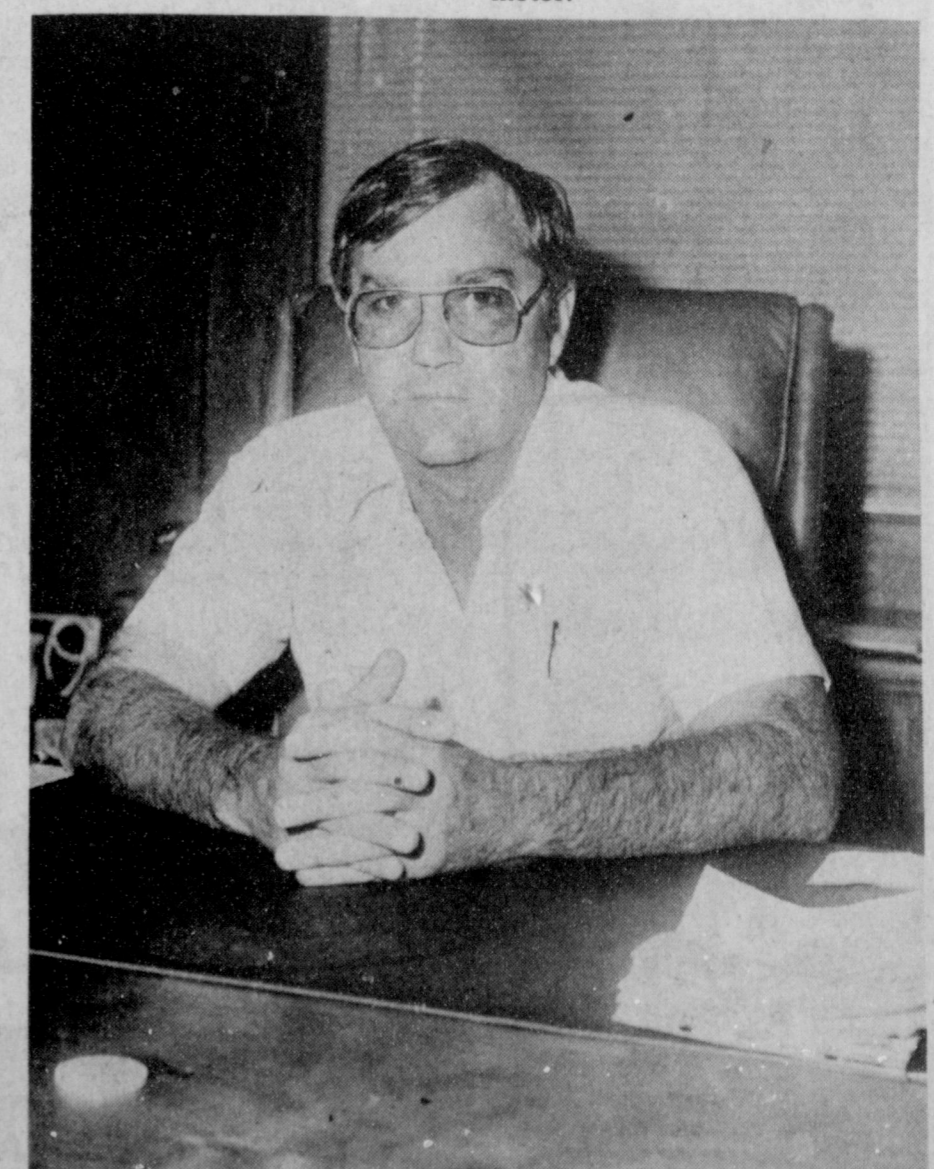

Wes-Tex Feed Yards, Inc. took over operation of the two local cattle feeding facilities on July 1st. Bob Clark, who has been associated with King Feedlot for many years, is remaining as a stockholder of the new corporation, and Yard Manager.

Reeder said the operation will be expanded to include more cattle on feed. Current capacity of both lots is 24,000 head. Along with this, there will be more purchases of commodities and the employment of more people. The new owners predict that Wes-Tex Feed Yards, Inc. payroll will double within a year.

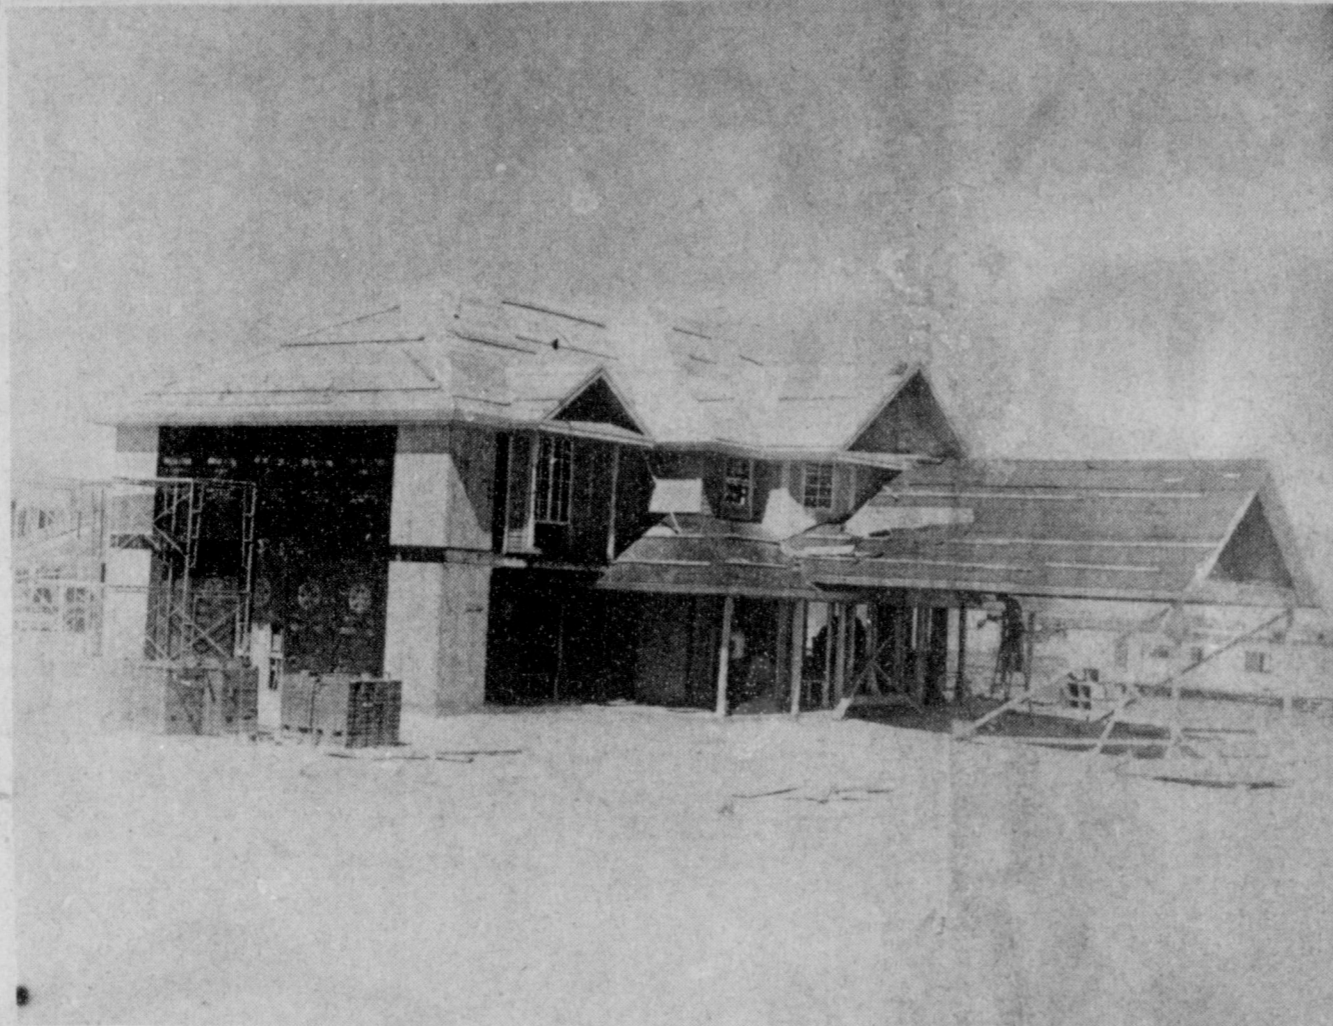

Changes will be made in the operation as they become necessary - all changes will make the operation better and will take place over a period of time.

Reeder is originally from Arkansas and recently moved to Muleshoe. He has been associated with Wheeler Feedyard, and Swisher County Feed Yard, where he worked for seven years with Bob Bliss, a former Muleshoe resident.

Louis and his wife, Jane, have three sons and one daughter. One son, Mark, is at home with the Reeders; a son, Randy lives in Amarillo; a daughter, Denise is a resident of Little Rock, Ark. and son, David, is an airline pilot at Camden, Ark.

WORK PROGRESSING ON MOTEL-Workmen are taking advantage of the dry, hot weather to stay 'right on schedule' in the construction of the Heritage House Inn located at the west city limits of Muleshoe. The 51-unit motel office is shown here, and behind it are the two-story multi-units. A targeted completion date of September 1 is expected to be just about right on time, according to Mike Neal of American Heritage, Inc. of Lubbock, builders of the motel.

Sudan Battles For Fire Truck

Approximately 30-35 concerned Sudan citizens met at the Sudan community building in an effort to work out a method to obtain a new pumper truck for the Sudan Fire Department.

According to a letter received in Sudan almost a year ago, the State Board of Insurance has issued notice that credit for Sudan's 1953 pumper truck will be ending at the end of 1984. They further said that Sudan would be facing a drastic increase in fire insurance rates, up to more than double their current rate.

According to the Insurance Board, the key rate for Sudan could be going from the current .34-.37 to .81.

"The City Council elected not to do anything about the fire truck since receiving the letter on August 9, 1983," according to one of the spokespersons at the meeting.

It was acknowledged that the City of Sudan does not have the funds to purchase a new fire truck, but the Sudan Fire Department and Fire Department Auxiliary expressed interest in getting donations for a \$13,000 down payment on a truck and assessing \$2 with the city water bill to be able to make the yearly \$7,430 payment on a new fire truck.

Sudan Mayor Kenneth Wiseman and one of the two Sudan city council members attended the meeting. When asked if they would check into the legalities of assessing the \$2 per water meter in Sudan for fire protection, stated they were not in favor of such assessment, but would prefer to see if the payment could be on a voluntary basis.

Appearing reluctant to approach Sudan residents for any funds for a new truck, Mayor Wiseman said he did not even know if such would be legal as Sudan is currently on a bond issue for water improvements.

He did agree it would create a hardship for persons, especially many of the persons on a fixed monthly income, to have to pay the expected higher insurance, as well as the very

Commissioners Approve Firm For Engineering

During a meeting of the Bailey County Commissioners Monday, the court unanimously approved employing Douglass Engineering Co. of Lubbock to supervise seal coating the West Camp pavement.

Commissioners also approved members of the Muleshoe Heritage Foundation, Inc. and instructed the nine members to divide their terms into one, two and three year terms.

Members of the Foundation approved by commissioners included Tom Watson, Mike Perez, Glen Williams, Ruth Hall, Jenne McVicker, Jean Allison, Magann Rennels, Roy Whitt and John Gulley.

Members of the court also paid routine bills.

Former Students At Bula School Schedule Reunion

The 1957 through 1960 graduating classes of the Bula School will host a reunion for all graduates of the school on July 28 at the Holiday Inn Civic Center in Lubbock.

Registration will begin at 11 a.m. and continue through the day at the Civic Center.

A buffet lunch will be served at 1 p.m. Those who plan to attend the luncheon must pre-register by Saturday.

A registration fee of \$10 includes lunch, afternoon coffee and tea, attendance at the meeting room and other activities.

For those who cannot attend the luncheon, a lesser registration fee will be charged at the door.

Pre-registration fees may be sent to Sandra Austin, 1715 Pontiac, Route 8, Lubbock Tx. 79407.

For further information, call Sandra Betta at 927-5455 or Catiy McBee at 933-4451.

Troy Stegemoeller, third vice president; Tim McCormick, secretary; Mike Caldwell treasurer; Bob Sanders, Lion Tamer; L.T. Johnson, Tail Twister and directors, Jim Burgess, Gordon Wilson and Phil Kent. Not installed during the evening was first vice president, Les Irvin.

New members Bob Sanders, Tom Watson and Danny Noble were given the Lions oath and received membership packets.

Lion of the Year is Dave Cavitt, "who has done everything," according to Tim McCormick. Lion Cavitt has transferred to Guyton, Okla.

Rotarians Hear Guest Speaker From Lubbock

Joe Burks of the Regional Day School Program For the Deaf, was guest speaker for the Muleshoe Rotary Club Tuesday at noon. Charles Moraw was in charge of the program for the day.

Burks said the program is state funded and serves 65 school districts. They had 103 students from 27 schools, including two students from Muleshoe, during the 1983-84 school year.

In Muleshoe, Burks works with Betty Jennings through the local school as they try to help set up programs to help the hearing impaired.

Among the services offered through education are the programs for Parent / Infant; Early Childhood / Elementary / Secondary; Vocational; Itinerant and Multihandicapped. In each phase, special emphasis is placed on the development of communication skills, as well as basic academic curriculum programming, explained Burks.

He added that "In these settings, the hearing impaired students are integrated socially and academically with normal hearing students of like ages."

Jeff Smith reported the Rotary cleared \$1,008.65 from the carnival in town last week.

Guests at the meeting included Dwayne Hamar, Johnny Actkinson, J.D. Davis, Kevin King, Larry Hancock, Jack Bloomer, Jeff Actkinson and Angela Crawford.

Also, Rotarians were asked to help with the Junior Babe Ruth District playoff games Today (Thursday) and Friday at 7:30 p.m.

Around Muleshoe

Carver Light, director of the ambulance service for West Plains Medical Center said an EMT course will be scheduled in the near future. He encourages all interested persons to call him at 272-4524. He said the cost for the course will be \$10.

Trinity Baptist Church will hold Vacation Bible School August 6-10.

Each evening at 7 p.m., ventriloquist Uncle Bob Hendly and his partner, commonly called a dummy, Amos Matthews, will present the Bible lesson and lead in other activities.

Bring your parents and friends with you during this week.

Bradley Bickel, a two-year qualifier in the discus at Muleshoe High School, has signed a letter of intent to run track for South Plains College.

He took District 2-AAA champion honors in the discus this year as a senior. He was voted most valuable player in field events this past year.

Active in the Future Farmers of America, Bickel received academic awards in agriculture and is also the recipient of three local scholarships, including the Jerry Lawrence Memorial FFA Scholarship.

He plans to major in agriculture engineering while at SPC.

**Letter
To The
Editor**

Dear Editor:
We are writing you in regard to the news we received Monday July 9th concerning our residents in the Nursing Home. We were informed that we have until Sept. 1st less than 60 days to place all the Medicaid patients in another facility. There are 50 patients in the Nursing Home and 25 of these are Medicaid. We either have to move them or they must pay the full amount themselves, which is an impossibility for many of them. Muleshoe is home for many of these people and I feel like this will really be a trauma for all of them.

We were told this is a community owned Nursing Home and Hospital and I just think it is a disgrace that we, the people, would set back and let something like this happen in our community.
At the meeting it was brought out that the Nursing Home could be operated separately from the Hospital. There would be a need for a separate kitchen & laundry. These are the two largest expenses and since all expenses are divided

evenly between the Hospital and Nursing Home, they feel that the Nursing Home could stand on its own if they had their own separate facilities.
Now, we are not saying the Nursing Home needs to be moved, they just need separate kitchen and laundry rooms. They say the Nursing Home would have to be isolated from the hospital, which could be easily done.
We would like to see our civic organizations make this a priority project to HELP SAVE OUR NURSING HOME.

Some Snacks Nutritious Say Researchers

Should a child who refuses to eat his breakfast cereal be given a peanut butter sandwich instead? Children's nutrition experts at Baylor College of Medicine say why not; it's not important what a child eats for breakfast, as long as it's something nutritious, like a peanut butter sandwich.

Good nutrition is vital during the growing years, but parents are often exasperated because children have special tastes which usually don't include vegetables or fish.

A new pamphlet from Baylor College of Medicine helps parents choose the right foods and teach their children about nutrition.

A child's nutritional requirements change as he grows, the experts said.

An infant needs plenty of calories and nutrients from breastmilk or commercially prepared solutions because more physical and mental development occurs the first year than at any other time.

A toddler sometimes doesn't want or need three full meals a day because he has a slower growth rate.

A school age child needs three nutritional meals a day

MRS. BOBBY CHADWICK

Mrs. Bobby Chadwick Feted With Bridal Shower

Mrs. Bobby Chadwick, the former Michelle Agee, was honored with a bridal shower on Sunday, July 8, in the home of Mrs. John Young in Muleshoe.

Guests were greeted by the bride and her mother, Sharon Agee, and were registered by Annette Black. Serving was Betsy Black.

Special guests at the shower were Mrs. E. A. Parham, grandmother of the bride; Mrs. W.O. Chadwick, mother of the groom; Mrs. Ronald Byers, sister of the groom and Mrs. James Chadwick, sister-in-law of the groom.

Hostess gift was a microwave oven.

Included among the hostesses were Mrs. John Young, Mrs. Annette Black, Mrs. J.D. Cage, Mrs. Doyce Turner, Mrs. Don-

Wilson, Mrs. Travis Bessire, Mrs. Kenneth Hanks, Mrs. Royce Turner, Mrs. Jerry Engleking, Mrs. Curby Brantley, Mrs. Paul Wilbanks, Mrs. Eugene Shaw, Mrs. Jerry Gleason, Mrs. Dick Chitwood, Mrs. James Brown, Mrs. Ronnie Holt, Mrs. Wayne Tunnell, Mrs. Ben Roming, Mrs. Joe Mack Wagnon, Mrs. Ray Precure, Mrs. Paul Poynor, Mrs. Max King and Mrs. David Hamblen.

Mr. and Mrs. Chadwick are making their home in Farwell where he is engaged in farming.

because he is very active. But he is also choosing his own foods, so he needs to understand good nutrition. What he learns will carry over into adulthood, and bad nutrition can lead to heart disease, obesity, high blood pressure and

dental problems.

Other suggestions the Baylor experts had were:

Don't serve small children spicy foods that are too hot or too cold. The prefer mild-flavored foods served at room temperature.

Don't buy expensive health foods. They are no more nutritious than foods from the four basic food groups—meats, fruits and vegetables, milk products and breads.

Avoid putting a child on fad diets or high doses of vitamins. Neither will improve one's health and any vitamin is potentially dangerous if taken in high enough doses.

The children's nutrition pamphlet is part of Baylor's "We Care For You" health information program. Free copies are available by writing to: We Care For You, P.O. Box 13567, Houston, Texas, 77219.

MR. AND MRS. JAY KIRK SEALEY
(nee Pamela Beth McDonald)

Pamela McDonald, Sealey Wed In Double Ring Ceremony

Miss Pamela Beth McDonald became the bride of Jay Kirk Sealey in a double ring ceremony Friday, June 8, in the Farwell Church of Christ. Andy Rogers, Church of Christ minister from Antlers, Oklahoma, performed the ceremony. G.W. Mimms of Lazbuddie led the closing prayer.

Parents of the couple are Mr. and Mrs. J.J. McDonald of Farwell and Mr. and Mrs. Joel Sealey of Clovis.

The front of the church was decorated with a fifteen branch center fan, brass candelabra, adorned with pink bows, 2 fifteen branch brass spiraling candelabra with a garland of grapevine ivy and pastel pink votive cup candles. In front of the center fan was a large bouquet of enchantment lilies, pink roses and irises. The unity candle was of sculptured roses with two white tapers.

Wedding music was solo and trio selections by Sheryl Day of Texico, D'Ann Richardson of Texico and J.R. Sewell of Farwell. Selections were "The Lord Our Saviour Is," "The Rose," "Speak Softly Love," "The Wedding Song," and "Whither Thou Goest." As the Bride entered the church the group sang "Let It Be Me" and "Follow Me" as the couple left the church.

The bride was escorted to the altar and given in marriage by her father. Her gown was an off the shoulder silk taffeta applique with alecon lace and pearls, clusters of silk roses gracefully appear throughout the florentine neckline and skirt. She wore a crownless hat

sewn of sheffli lace and iridance finished with a waltz length illusion and silk ribbons cascading to the floor. The brides' bouquet consisted of both white cabbage roses, white sweetheart roses, pink azalea blossoms, silk lavender and ivory baby's breath, pink bells of Ireland, embossed with silver tulle with a rainbow of lace streamers. For "something old" the bride wore a diamond necklace made from her Grandmother Crain's engagement ring. "Something new" was pearl earrings, a gift from the bridegroom. "Something borrowed" was a small gold ring belonging to her sister, Kim McDonald. "Something blue" was her garter made by her aunt, Fletta Webb of Lubbock.

The maid of honor was Kerri Donahey of Canyon. Kim McDonald, sister of the bride, of Amarillo and Julie Johnston of Crosbyton served as bridesmaids. They wore dresses of pastel yellow, pink and lavender dotted swiss featuring a ruffle cape collar, semi-fitted bodice and gathered skirt culminating with a deep ruffle to the floor. Bows of matching satin graced each shoulder with a satin sash tied in front. Each carried a nosegay of African violets, yellow and white daisies, pink phlox, lavender tulle accented with delicate butterflies.

Serving as best man was Layne Walker of Dallas. Groomsman were Gary Starbuck of Clovis and Max Martin of Texico.

The bride groom escorted both his mother and the brides' mother to the front of the church. Guests were ushered by Brian Jones and Robert Klebold of Clovis.

The brides' mother wore a pale blue street length chiffon dress with a matching long sleeved jacket with white accessories and a corsage of pink roses. The mother of the groom wore a long sleeved fushia chiffon street length dress with matching accessories and a corsage of pink roses.

Following the ceremony, a

reception was held in the church banquet room. The brides table was draped with a three tiered white floor length cloth caught up into scollops and trimmed with pink bows. The cake was a three tiered white cake featuring hearts enhanced by scallops, doves and bells. It was highlighted by roses made of the brides chosen colors of pink yellow and lavender. It was roped with wedding rings, doves and bells and adorned at the bottom with leather leaf and baby's breath. Appointments were silver and crystal.

The bridegrooms table was covered with a pastel yellow linen cloth. The cake was

chocolate with chocolate icing and decorated with dark chocolate hearts on each side and topped with a cascade of chocolate roses and leaves. Appointments were a silver service belonging to the brides grand mother McDonald.

Among special guests were the grandparents, Mrs. G.W. Crain of Lazbuddie, Mrs. J.H. McDonald of Farwell, Mrs. Grace Kelso of Clovis, and Mr. Clovis Sealey of Rockmart, Georgia.

After a honeymoon to Ruidoso, N.M. the couple will be residing north of Clovis where the groom is engaged in farming.

A rehearsal dinner was hosted by the bridegrooms' parents at K-Bobs in Clovis. Members of the houseparty were Mrs. Bill Bourlon and Mrs. Preston Martin of Farwell and Mrs. G.W. Mimms, Mr. s Bill Thorn, Mrs. Everett McBroom and Mrs. J.W. Gammons of Lazbuddie.

Local 4-H Compete For State

It was "roundup" time for almost 2,000 boys and girls across Texas who attended the 38th Annual Texas 4-H Roundup June 5-6 held on the campus of Texas A&M University.

It was a time to "show off" their skills and expertise that they had acquired through long hours of study and practice, including top honors in county and district competition.

Activities began with the State 4-H Food Show and State 4-H Project Show the first day. Special awards and scholarships were presented at the opening assembly the first evening at 7 p.m. in the Rudder auditorium. Scholarships totaling \$498,000 were presented to 84 youth. Those scholarships were provided by friends of 4-H from businesses, industries and organizations.

The 40 contests and events started early the next morning. Top teams and individuals in those events were recognized that evening at 8 p.m.

Donae Parker and Shelley Sain won 2nd place in the Home Environment Contest. The topic of their team demonstration was refinishing furniture. Their parents are Mr. and Mrs. Don Parker of Three Way and Mr. and Mrs. Walter Sain. Zanna Huckaby and Britta O'Tay won 4th place in their team presentation of Promote 4-H which they did with puppets. Their parents are Mr. and Mrs. Lyndon Huckaby and Mrs. Betty Campbell.

Mrs. Walter Sain accompanied the group to College Station. They traveled by Chartered bus from Lubbock along with other 4-H'ers and their sponsors from other countries.

Belinda McBee, Fred Wed At Levelland

MRS. GARY SCOTT FRED
nee [Belinda Gay McBee]

Belinda Gay McBee, daughter of Mr. and Mrs. Darwin McBee of Morton and Gary Scott Fred, son of Mr. and Mrs. Prentice Fred of Levelland, were united in Marriage on June 15, at 7:30 p.m. in the College Avenue Baptist Church in Levelland.

She is the granddaughter of Mr. and Mrs. Morris Phillips of Muleshoe. Cloyce Cox of Abilene officiated for the double ring ceremony.

Vows were exchanged before an arch and two spiral candelabra holding orchid and blue candles.

Escorted by her father, the bride wore an Alfred Angelo gown of white silk organza over satin. The high neckline descended to a soft embroidered net bodice, accented by a large lace ruffle. The skirt was multi-tiered and flowed into a chapel-length train. Her wreath headpiece was white satin roses and pearls with a fingertip veil of silk illusion.

The bride carried a bouquet of blue carnations with tiny orchid and white blossoms and orchid and blue streamers.

ShaRita Wesley, of Levelland, served as matron of honor, Robin McBee, of Morton, sister of the bride, and Danene Cox of Sudan, cousin of the bride, served as bridesmaids.

They wore identical floor-length dresses of orchid dotted Swiss. The dresses were off the shoulder with a large neckline ruffle. Their headpieces were wreaths of orchid and blue blossoms and baby's breath

with orchid and blue streamers. They carried a single orchid lily with long orchid and blue streamers.

Robin Fred of Lubbock, brother of the groom, served as best man. Groomsmen were Thomas Blackstone of Morton and Terry Jesko of Lazbuddie. They wore black tuxedos with orchid ties and cummerbunds. Kevin Reeves of Maple and Mark Parish of Earth seated guests.

Serving as candlelighters was Mitzi McBee, sister of the bride. She wore a dress similar to the bridesmaids in blue dotted Swiss.

Christie Phillips of Sudan, cousin of the bride, was flower girl. She wore a floor-length white dotted Swiss dress with orchid sash and an orchid headpiece. She carried a white lace basket and dropped orchid and blue love knots.

Monty Parkinson of Levelland, cousin of the groom, served as ring bearer. He carried a white satin and lace heart-shaped pillow.

Wedding music was provided by pianist Kristie Rowland of Morton. Shanna Blackstone of Morton sang, "The Love She Found In Me," and "Theme From Ice Castles." Jamie Cheek of Lubbock, cousin of the groom, sang, "Love The World Away" and "With You, I'm Born Again."

A reception was held in the fellowship hall of the church, following the ceremony. The bride's table was covered by a white cloth with a white lace skirt, accented with orchid bows. The four-tiered cake was decorated with orchid and blue silk blossoms and topped with a Precious Moments bride and groom. The bride's bouquet and crystal appointments completed the setting.

The groom's table was covered with a blue cloth with a white eyelet skirt. The cake was in the shape of a tree trunk with "Belinda and Scott" carved on top. A blue arrangement and silver appointments

completed the table.

The bride is a 1984 graduate of Morton High School and will attend South Plains College in

the fall.

The groom graduated from Morton High School and South Plains College.

real possibility of higher taxes to help pay for higher insurance rates on public buildings, such as the school, churches and other buildings.

One of the spokespersons said it was very likely that merchandise prices would have to rise to help pay for the much higher insurance for the city if a new pumper truck was not obtained.

With more than 400 water meters in Sudan, a \$2 monthly assessment would mean additional income to the city of more than \$9,600 per year, a figure more than adequate to make the yearly payment on the truck.

Dorothy Hill, one of the persons who spoke at the meeting asked, "If we are lucky enough to raise \$13,000 for a down payment, would the city consider assessing the \$2 each month to pay for the truck."

Mayor Wiseman said "We're not against buying a fire truck, but I still believe that 80 percent of our people prefer to make volunteer contributions than have to pay the \$2 assessment."

One man asked how the city could justify a new street sweeper which he said was two years old now, and had only been used two times during the two years the city has had it. "Is it paying it's way," he asked?

"How can you justify buying the street sweeper and not justify the purchase of a new fire truck to protect the homes, the lives and the businesses of everyone?"

Several of the firemen, including Sam De La Riva said that even if the 30 year old pumper truck goes out, there will still be a fire department.

"I am still a fireman," said De La Riva, "and even if we have to be out there with tow sacks or a bucket brigade, there will still be a fire department."

His thoughts were echoed by most of the fire fighters at the meeting.

Main concern appeared to be the higher insurance rates, as well as reduced fire protection if the older truck does go out of service. Also much concern was expressed over the apparent lackadaisical attitude of the Sudan citizens who did not appear at the meeting.

At the conclusion of the long meeting, Mayor Wiseman said the city would check into the legality of assessing the \$2 on the monthly water bills to make the yearly payment on the fire truck.

Although nothing concrete appeared to be accomplished, the city has agreed to see what steps will be necessary to obtain a new truck.

Appraisal Review

Board Sessions

Get Underway

According to Ruby Spurlock, chairman of the Bailey County Appraisal District Review Board, the review board will convene at 9 a.m. on July 12 (today) at the district office conference room, and will continue in session on July 13-18.

Mrs. Spurlock said the board will examine and equalize the appraisal records of the chief appraiser, and will hear and determine taxpayer and taxing unit appeals on all matters permitted by Texas Property Tax Code Chapter 41.

She added that the appraisal review board will be in session until all tax appraisals have been equalized and approved, and all timely filed appeals heard and resolved.

Know Your Chamber Of Commerce

Toni Eagle, Mgr.

WHAT IS A CHAMBER OF COMMERCE?

A Chamber of Commerce is a voluntary organization. It unites business and professional leaders and firms, thus creating a central agency which leads itself to improving business and building a better community.

It must be understood that a Chamber of Commerce is people. There is a place in the Chamber of Commerce efforts for all who share the desire to improve the community and the conditions under which business is conducted. It directs the energies of those who believe that community worth living in is a community worth improving.

A Chamber of Commerce enables these people to accomplish collectively what no one of them could do individually. Its strength lies in attracting the greatest number of individuals and firms into membership, thereby creating a pool of resources from which can be drawn ideas, energy, and finances.

A Chamber of Commerce comes into existence to give expression to the business man's natural instincts to improve the market and the community of which that person is a part. Originally, its function was to protect commerce in transit, in the market place, and to promote the sale of goods.

Today, Chambers of Commerce have become organizations for the total community. Currently, the successful Chamber of Commerce is the one which recognizes all the factors which affect the community and adjusts its programs accordingly.

WHAT A CHAMBER OF COMMERCE IS NOT:

A department of the city, county or state's government; a political body; a civic club or professional society; a social service, welfare, or charitable institution; a private advertising, publicity, or public relations agency.

due Wednesday (yesterday) and it would be known at that time how long the Nursing Home would have to comply with the mandated changes. Changes as mandated by the inspectors are expected to cost around \$75,000 according to the figures released during the meeting.

Some of the changes or corrections include firewalls, new sprinkler systems, the moving of a utility pole and other corrections to the facility.

"We either have to repair the existing facility, completely rebuild the facility, or face closing the Nursing Home altogether," said Haralson.

Haralson said they would like to be able to phase out Medicaid, just not accept any more Medicaid patients, but that did not appear to be feasible at this time.

"We are at a point where it is not fair to ask our private pay patients to subsidize our

Club. "We have had a great year," he explained, "with Great projects, we have made more money than any past year, we have given away more money than at any time in the past and have spent more than any Lions Club year in the past."

McCormick said they spent money on 14 pair of eyeglasses for kids who could not afford them otherwise; spent \$5,000 to help obtain and move the railway depot; sponsored glaucoma testing at the Health Fair, with 76 people being tested; gave \$400 to the Lions Eyebank and other projects.

He said the Muleshoe Lions Club was eighth in the state in cities the size of Muleshoe in the annual broom sale, and credited Lion Dave Cavitt with the major success of the project.

Incoming president Paul Cox said he was looking forward to the new year and a great year, and welcomed the new members, with an admonition to them, as well as the older members, to have a commitment to serve mankind.

"Become personally involved in projects," he commented, "we're going to have to pull a little harder. We are expecting a lot from you, to fall right in and put your shoulder to the wheel."

Laura Leal provided piano selections during the dinner.

Medicaid patients any longer, and it is not fair for hospital patients, through higher prices, be asked any longer to subsidize the Nursing Home."

Dr. Bruce Purdy, who is a member of the Hospital Board was at the news conference, and he said "The Board is committed to fair medical rates, along with good medical care," and cited figures showing losses of \$211,000 in 1981; \$425,000 in 1982; \$672,000 in 1983 and through May, 1984, the loss figure is \$520,000. These are amounts billed and not paid by the government for Medicaid and Medicare, explained the physician. The figures for 1981, '82 and '83 are audited figures, he explained.

Haralson said they are making every effort to address the problems of the hospital and of the Nursing Home and in the future hope to be able to provide quality care with less money.

Education Reform Approved 'No Surprise' To Texas Teachers

Final approval of the education reform legislation by both the Texas House and Senate came as no surprise to the Texas State Teachers Association, the state's largest teacher organization that withdrew its support from the package last Wednesday afternoon.

Becky Brooks, who is TSTA's president elect and who will assume the organization's presidency in two weeks, said today, "We did not ask legislators who are friends of education to oppose House Bill 72 because it contains provisions that make academic endeavors the top priority of the schools, provisions that reduce class size in the lower grades and that mandate other positive changes."

Brooks said, "But the heart and soul of the entire educational process are in teaching and learning; in the relationship between teacher and student. That's why teacher morale is all important in the effort to improve public education."

"As fine as certain provisions in this legislation are, no one can expect teachers to be happy with this legislation with all of its uncertainties. Aides and secretaries who will be removed from the state minimum salary schedule and librarians and counselors who will be excluded from the opportunity of ever entering the so-called career ladder cannot be expected to be ecstatic about the new legislation."

"Only a third of some \$850 million the Legislature will spend on education reform next year is guaranteed to go to teachers' salaries. The final bill has great potential for further eroding the morale of teachers and other school employees if the substantial amounts of money are not passed through in order to raise salaries. That is to say, if the commitments communicated to TSTA and stated by many legislators are not kept, the morale of the professional and support employees of Texas schools will hit an all-time low."

"And TSTA is speaking for

those teachers and employees. They are the people who determine which is the leading organization and which one speaks for them, not individuals outside the educational community. Likewise, we believe that parents, students, and other citizens will be the ones to pass judgement on whether or not this is landmark legislation as they experience its implementation."

"We fully appreciate the difficulty of the decision that legislators are making to pass the first major state tax increases since 1971 in order to fund the education reforms and we admire them for their courage. Our concerns involve the way the money will be spent and what it will be spent for by the local school districts that will have a great deal of control over those decisions."

"Salary increases for all teachers in all school districts are not built into the law and our efforts to build in guarantees that teachers would have some input into how the block grant monies will be disbursed at the local level were rebuffed."

"We believe the people of Texas expected the Legislature to raise teachers' salaries. As the representative of teachers and school employees, TSTA will be working closely with the teachers and other employees, with school boards and superintendents, and with local communities to see that what the legislators intended -- to raise salaries -- actually happens. We continue to have the same concern about this that was expressed by a number of Senators on the floor of the Senate on Saturday."

"Like those Senators, we believe the effect of this bill will be to force local school districts in many cases to raise local property tax rates or cut back services and/or reduce or eliminate local salary supplements, thus negating the pay raise intended by the Legislature."

"We think it is significant that only one teacher organization -- one that represents no more than eight percent of

Texas teachers -- has endorsed this bill and does not predict that serious problems will be encountered as it implemented."

"There are other problems, as well. The bill was produced in a pressure cooker. The lobbying tactics were so heavy-handed that many members of the Legislature and political observers called them uneducated. The result is a bill that probably does things that some legislators who voted for it did not intend. There are contradictions in different provisions and there are questionable provisions that TSTA's attorneys are examining."

"Many legislators in both the House and Senate have stated that if the reforms they have voted for in this bill do cause the problems TSTA has identi-

fied, they will correct the problems during the regular legislative session in 1985. We hope they do."

"In the meantime, TSTA will be working to make the new law, despite its deficiencies, work in the best interests of educators, other employees and school students."

Services for Nellie B. White, 95, of Dimmitt, and a former resident of Muleshoe, were at 2 p.m. Tuesday in Summerfield Baptist Church in Summerfield with the Rev. Dusty Stout of Summerfield officiating. Burial was in Muleshoe Cemetery under the direction of Parsons-Foskey Funeral Home in Dimmitt.

Mrs. White died Sunday morning in Southhill Manor Nursing Home in Dimmitt after a brief illness.

She was born in Red Bay, Ala. She lived in Muleshoe 20 years and moved to Dimmitt in 1982 from Friona.

Survivors include three sons, Jack of Summerfield; Ross of Hereford and Eugene of Fort Lauderdale, Fla.; a daughter, Lois Austin of Dimmitt; a brother, Dick Bottoms of Oklahoma City; a sister, Maggie Hammock of Red Bay, Ala.; 27 grandchildren, 41 great-grandchildren; and two great-great-grandchildren.

Services For Oliver Glenn Held Tuesday

Final rites for Oliver G. Glenn, 78, of Muleshoe were conducted at 11 a.m. Tuesday in the Trinity Baptist Church of Muleshoe with the Rev. V.L. Huggins, pastor, officiating. Burial was in Muleshoe Cemetery under direction of Ellis Funeral Home.

Glenn died at St. Anthony's Hospital in Amarillo on Friday, July 6, at 11:55 p.m. following a lengthy illness.

He had been a resident of Bailey County since 1947, moving here from Happy, Tex. He was a retired farmer. Oliver G. Glenn was a member of the Trinity Baptist Church. He was a veteran of World War II, having served in the U.S. Navy.

Glenn was married to the former Jewel Amanda Crossland on February 2, 1964 at Littlefield. She preceded him in death on June 12, 1984.

Survivors include one daughter, Mrs. Faye Gipson, Stinnett; several nieces and nephews; two sisters, Mrs. Ada Lee Chambers, Amarillo and Mrs. Era Lyburger, Lancaster, Calif.; one brother, Austin Glenn, Muleshoe, four grandchildren and six great-grandchildren.

Services For Dessie Perkins Held Here Monday

Funeral services for Dessie M. Perkins, 73, were conducted at 11 a.m. Monday at the First Baptist Church of Muleshoe with Rev. Barry Bradley, pastor of the First Baptist Church, officiating. Mrs. Perkins, a resident of Clovis, N.M., died Wednesday, July 4, at 2:15 p.m. at the Chapparral Nursing Home in Clovis. Burial was in the Sudan Cemetery at Sudan under the direction of Ellis Funeral Home of Muleshoe.

She had lived in Clovis since 1978, moving there from Ira, Tex. Mrs. Perkins was born January 31, 1911 at Steigler, Okla. and was a housewife.

She was married to Albert Perkins on December 24, 1938 in Bailey County. He preceded her in death on November 10, 1978. She was a member of the First Baptist Church of Ira and a member of the Order of Eastern Star.

Her survivors include one daughter, Rosa Lea Dukes of Gainesville, Fla.; one son, Randy Lynn Perkins, of the U.S. Navy; her mother, Sarah Kelton of Farwell; one sister, Mamie Provence, Clovis, N.M.; two brothers, Robert Kelton and Acie Kelton, both of Muleshoe and four grandchildren.

Wed. afternoon Glenda Jennings and Jackie Johnson came to have a sing-a-long with the residents Thursday. Sharon Williams came to have a Devotional with the residents. Friday morning Lindy Schuster and

daughters came to play Bingo with the residents. Fri. afternoon the J.O.Y. Choir of the First Baptist Church came to Sing with the residents. Refreshments of finger sandwiches and punch were served to residents and staff. The Calvary Baptist Church came Sun. afternoon to sing to the residents. E.B. Wilson came Sunday morning for Bible Study with the residents.

We really had a good time at our cook out Wed. the 4th. We had entertainment by Mr. Espinosa & son, and Mr. John Fried & his group. Conrad Cupion cooked all those beef patties. Ruby Lee Kerr and our volunteers helped put the hamburgers together and serve. Rose & Shelly Sain made our table decorations. The employees all dressed in their Western Attire added a real special touch and alot of help to the Occasion.

Our sympathy goes to Cordelia Cochran on the death of her brother Gene Coffman of Farwell.

We thank all of our family & friends who came the 4th to visit and share lunch with us. It was so nice to have you here.

Rosie McKillip is visiting in Portales today, July 4th. She is there visiting with her children. Her son Fred took her to Portales.

Lois Ethridge was visited Tues. by her niece and great niece from Wilson Ariz.

Cleo & Stanley & their grandson visited Alma Henley Wed. They helped celebrate the 4th with Alma. Maud Young visited Alma Fri.

Rose Mary Pool's visitors at the cook out Wed. were her mother Jewel Pool, her nephew John Boston, also Jimmy.

... "we thy people and sheep of thy pasture ..."

We realize that the Lord our God created all things and has dominion over the earth. It is through him that we have this wonderful land. We plant and we water, but it is God that gives the increase. "The Lord is my shepherd; I shall not want... surely goodness and mercy shall follow me all the days of my life; and I will dwell in the house of the Lord forever."

Attend church and give thanks to the Lord each Sunday:

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

"I was surprised how quick the variety was ready to graze." "In fact, some of my neighbors tried to rent my pasture when they saw how much better established it was than others all around us." "Pioneer" variety 2157 gets off to a fast start, quickly establishing the kind of healthy, vigorous growing stand so necessary for good pasture. Its upright growth habit helps provide maximum available grazing. And because 2157 has proven to be such a good yielder, you can count on it to deliver top quality wheat at season's end. If pasture is part of your wheat program, new 2157 should be too.

New Wheat Variety 2157
 Superior Yield • Excellent Standability • Outstanding Grazing

"When I pulled my combine into the field, I knew for sure this wasn't an ordinary wheat crop." "That 2157 was standing out there good and straight. And when I moved down the rows, I could hear the cylinders rinning full." Farmers who've seen this impressive new high yielding variety like its standability and tolerance to dry growing periods and severe weather. It has excellent resistance to leaf rust, fungal leaf blights, soil borne mosaic virus and the Hessian fly. In side-by-side comparisons, Pioneer brand 2157 wheat has consistently out yielded other popular varieties. And it has shown consistently high test weights.
