Old friends with new applications.

There will be a meeting of the board of trade this evening. There will be more work done towards perfecting the organization, and several matters of great importance to the city will be discussed.

Once upon a time in the wine producing district of France, a number of tenants of popular landlords resolved that they would present their landlord with a barrel of wine.

Each man had contributed water, excepting others to contribute wine, and for their equiduity they were deprived of their lands.

Each member of the board of trade shirks his duty with the expectation that others will perform theirs, the result can easily be foreseen.

Once upon a time there was a great criminal law. Each man had contributed water, excepting others to contribute wine, and for their equiduity they were deprived of their lands.

THE SIERRA MOJADA MINES.

NOTES FROM A RELIABLE GENTLEMAN WHO HAS BEEN THERE.

Some stories exaggerated. But no doubt of immense riches. Mr. Placido Olivares, a well known and reliable citizen of this city, has just returned from the Sierra Mojada. AN INSANE MAN'S RASH ACT.

He Shoots His Best Friend Through the Heart, and Then Wants to be Hanged.

Our reporter yesterday met Sherril R. C. Houston, of Wilson county, from whom were obtained the particulars of a shocking tragedy that occurred just across the river from the little village of Lodi last Tuesday night. A well known citizen of Wilson county, Henry Holden, a few days ago lost his wife, and then his daughter, by death. The affliction these losses occasioned appears to have been more than he could bear, and after continuous grieving day by day his mind became impaired.
