ANYESTIGATIONS AT CABUL. ENDER CLORE ARANNY.

Simila, October 27.—Inquiry into the massacra at Cabul is proceeding. The ameer's
father-fandew, ex-governor of Cabul and
uninister of Suance are under close arrest.

London, October 27.—A dispatch from
Cabul suyas the Sive men who were hanged
for complicity in the massacre of the British
embamy include the Kotwoe of Cabul, the
head of the city Molahas, and two goards,
It is charged that they dragged the head of
Maj. Cavagnari from the British residence to
Batalian.

Londou, October 27.—A. Times' special article says the factics of the Anglo-American cable company to nip in the bud the French cable enterprise by announcing a reduction in tariff on messages to six pence per word from the opening of the new French cable appears to have been so far successful, as shares of the French company issued at five per cent, premium have fallen to twenty five

Postal Money onders.

Paris, October 27—Mr. McDonald, special agent of the United States postoffice department, has been received by Minister Cookeny. They have arrived at an understanding with regard to the exchange of postal money orders between France and the United States, and agrangements may be considered concluded.

San Francisco, Ostober 27.—The City of Pekin brings the following news from Yokoboma, 11th:—The cholers is rapidly subsiding. The official returns show a hundred and fifty thousand osses since the outbreak, and eighty-fire thousand deaths. Its suppression is now attributed to the energetic afforts of the government and unprecedented expenditures for sanitary purpose.

New York, October 27.—Argument was beard to day before Judge Blatchford, U. the directit court, on the denurrer to the bill of discovery filed by the government in a suit begun against Samuel J. Tilden for unpaid income tax. United States attorney Woodford and S. B. Clark appeared for the government, and of the principles. The sequittal of the murderers of Elder Standing word and S. B. Clark appeared for the government, and of the murderers of Elder Standing moves the church organ to intenses wrath. In an editorial published last evening it says it is evident that a jary cannot be empanelled and the standing moves the church organ to intenses wrath. In the sequities of the murderers of Elder Standing moves the church organ to intenses wrath. The Two Republics, C makes that black is white or white of Mexico, can be assured all that will be you can imagine mply because the remark may be

time, and we will have driven the enemy from their greatest strenghold and into an open field, where we can fight them upon their official correspond extravagance and fraud, and, we have the believe, who an energy victory.

The Sutter Greater than the Soldier—The Yardstek Discounts the Sabre, and Bayonets Must Rule Ballots—So Say the Majority of the Person

MAJ. PENN will now tackle Houston. We A Dallas dispatch to the Galveston News are glad of this on Houston's account. Holiness band, God, we are given to under-stand, having designated the News, through a revelation to Haynes, as the organ of the arrival of Maj. Penn at Houston,

sanctificationists:

They hold that at the closs sof the present decade the millenium will commence, and that all who are sanctified will never due in the body, but be translated like Elijah; that the abousand years of Christ's reign on earth does not signify that Jesus, of the God-head, will return to earth, but that the heads of the bands of sanctification will rele in his stead, the authority being delegated by the Holy Ghost, who will pervade their stead, the heads of the bands of sanctification will rele in his stead, the authority being delegated by the Holy Ghost, who will pervade their \$1.000 for the performance." eir \$16,000 for the performance."

the B C of Finshes," by Colonel Wilam M. Growenor. Of course, the articles
the strong ples in favor of the financial
bility of the administration, and a good porbility of the administration and a good porbility THE St. Louis Post-Dispatch has been

republicane to steal our thunder and laugh in our faces as they point to the results as their work. Colouel Groevenor states the situation pointedly when he says:

A year ago, specie resumption was a great buggbear, which most people greated. Many

do, then I hold that the purpose of preventing done anything for the purpose of preventing him, and if it was true that, the defendant continued to insult this young lady in the manner in schiols it has been said as did manner in schiols it has been said as did.

public speakers that black is white or white black, simply because the remark may be made by a republican or democrat. To score viscory user year, if the recent elections are may effected to go by, we must score viscory user year, if the recent elections are may effected to go by, we must score viscory user year, if the recent elections are may effected to go by, we must score viscory user year, if the recent elections are may effect from the republican party. Let ut show their that we will improve on their policy of government; accepting what is known to be good, but rejecting the ball. If we promise to introduce obnozious or dangerous measures in place of what is recognized as good, as promise to give no more perfect spreament than exists at present, and it would be only a question of which of two with to choose; and while as corrious a few more places of success in the success of the distillar from the house set while as corrious a few more places of success in the success of the country of the lives and the work of the distillar to the post of the country of the lives and the success of the distillar from the house and success of the distillar from the house and success of the distillar from the beautiful from the present republicant financial policy is the irre democratic one.

Then the mine of the country of the lives and prevail to be a few or the distillar of the country of the lives and prevail to a post of the distillar from the house and success of the distillar from the house and success of the distillar from the house and the success of the distillar from the house and the few or the distillar of the success of the distillar from the house and the success of the distillar from the house of the distillar of the says "We sak cooperation of the distillar of the says "We sak cooperation of the primary object the amplication of the house and we will have driven the congruent to the form the promise of t are ordered to the neck of the woods from which the government of the United States has withdrawn her forces. Hall's whole number of available men is only twenty-five. To be in the least effective the entire force should be concentrated upon the site Grande. Do this and valuable State work must go undone until seen time as the general covernment may great the Lodian crail covernment may great the Lodian

their official corregion. extrayagance and fraud, and, we hearely believe, win an eary victory.

The governor has pardoned twenty-two boys under extenny years of see, confined in the penitentiery. The intention is, of course, to reform them, and is would be interesting to follow their future career. The probabilities are that half of them will find their way back to the penitentiary before they attain their majority, but the experiment is worth trying.

In the first under each head first and being the first under such head first under such head to the penitentiary before they attain their majority, but the experiment is worth trying.

In the first under such head first and being the first under such head first under

Ladies

MAGNOLIA BALM will gratify you to your heart's content. It does away with Sallowness, Redness. Pimples, Blotches, and all diseases and imperfections of the skin. It overcomes the flushed appearance of heat, fatigue and excitement. It makes a lady of THIRTY appear but TWENTY; and so natural, gradual, and perfect are its effects, that it is impossible to detect its application.
