CAREFUL INSTRUCTIONS UNDERWAY--Tony Bakker, kneeling in plaid shirt, is explaining the operation of the new machinery imported from West Germany to the Pete Fulcher farm north of Lariat in the Oklahoma Lane community. Tuesday morning, planting operations got underway on an experimental basis to check out the machinery in planting a wheat crop on a circle for Fulcher. With the new method, wheat yields are expected to be some 15 percent better using the same amount of seed.

New Wheat Experiment Tests Planting Method

"You can pick up 10 to 15 percent higher wheat yields just by narrowing the rows, with all other factors being equal," according to Tony Bakker, of West Germany, factory representative for the ACCORD Pneumatic Seed Drill.

Bakker was explaining the operation of the new drill

Tuesday morning at the Pete Fulcher farm in the Oklahoma Lane community. He said, "University research shows a consistent increase in yields by narrowing the rows, with the rate of seed per acre being equal."

Formerly, according to Bakker, all seed drills planted seeds

eight inches apart, but the new drill allows seeds to be planted four inches apart, increasing their chances for better yields.

Uebler Equipment Company of West Germany sent the experimental drill through eastern states, according to Bakker, who now lives in Kansas City, Ks. At this time, the new drill, which vaguely resembles some piece of outerspace equipment, is beginning to move in the Panhandle and onto the South Plains of Texas.

Starting out of the Fulcher farm, the equipment will also be used in the Lazbuddie community on the Gene Smith and Chuck Smith farms.

The new drill will spread the seed evenly; said Bakker, and the producer will only have to use the same amount of seed, and the same labor time as he did to produce the eight inch rows. This will save money, give the wheat room to grow and in the end, produce 10 to 15 percent more yield per acre.

When the machinery was first introduced in the United States

First Football Contest History, Crawford Wins

Well, the first football contest for the 1984 season is now history-- and a lot of people came close-- real close -- to being in the winner's column.

The double tie-breaker wasn't even needed for the first place winner, however, as Jimmie Crawford was the only person to miss only three games to gain first place. He missed the Notre-Dame Purdue winner; and both the tiebreaker games were guessed to be the wrong winners, but all in all, he won by virtue of being the only one to miss the three games.

Crawford will receive the first place weekly check of \$6; and have 10 points to go toward the final grand prize.

Donnie McDonald won second place with four wrong guesses and being only 29 points off on the double tiebreaker. He gets a check in the amount of \$3 along with 6 points toward the final contest when the grand prize winner will be determined.

Bailey County Clerk Barbara McCamish continues her winning ways again this year with a third place win. She missed four games, but was 36 points off on the double tiebreaker. Mrs. McCamish receives a check in the amount of \$2 and four points.

Two persons tied to be next down in the contest. Both Juan L. Garza and Jeff Chapman missed four games each, but they were each 42 points off on the tiebreaker; Danny May missed four games, but was 43 points away and Cliff Buckner also missed four games, and was 51 points off on the tiebreakers.

For the first week, the contest went real smooth, except for one very small problem. Games are chosen from the Harmon Forecast which runs in each Thursday issue of The Journal through the football season. During the first week, one game as listed by the Harmon Forecast, game No. 9, was incorrect. According to the Forecast, Washington State vs.

Ambulance Service Facing New Problems

★★ Mules Seeking Revenge From Morton Indians

Last year, the Morton Indians came into town in full regalia, and with a loud war whoop, took all the glory out of homecoming for the Muleshoe Mules, putting them down to defeat, 21-6.

This came right behind the Mules starting off with a bang, and winning everything around. Perhaps this year, the Mules, fresh from a 20-7 trouncing by the Portales Rams, can hand the favor back to the Indians when they go to Morton Friday night.

Muleshoe started off the season picked second in the district, but the defeat by the Rams last Friday night, dropped back to fifth place. Morton was picked third in their district starting out the season, and in action against powerhouse Denver City last Friday, tied up with them, 14-14.

Last year, the Indians made it to the quarterfinals, but graduation hit the Indians hard, and head coach Tony Mauldin said rebuilding was taking place.

However, the coach said his group was very competitive, and he expects a lot of good action out of the team.

The Indians will have Ricky Williams at quarterback, and Rickey Johnson at split end, to head up the Indians' offense. The only other returning starter for the Indians is fullback Steve Bracken.

Con't Page 6, Col. 3

Do the residents of Muleshoe and the surrounding area have an ambulance problem, or do they not have a problem?

Late Tuesday afternoon, a Journal reporter was notified that the ambulance service for the area had 'been shut down.'

According to the report given, the Director of the Ambulance service had resigned, along with most, if not all, of the Emergency personnel who operate the service.

An EMT representative, who talked with Cleta Williams of The Journal, told her that due to problems with the hospital administrator concerning insurance for the operators of the ambulance service, lack of adequate personnel to operate the service, and lack of proper maintenance and equipment for the ambulances themselves led most of the group to resign.

Jeweler Gives

Diamond 'Tips'

To Rotarians

Guest speaker for the Muleshoe Rotary Tuesday at noon was Jim Crawford of the JLC Jewelry Company. He told Rotarians about diamonds, how to choose a diamond, and what is a good diamond.

Crawford designs and makes his own jewelry on South First Street on Muleshoe.

Jeff Smith reported on the Bailey County West Plains Fair, and an announcement was made that Texas Gov. Mark White would be attending the Rotary meeting at 6:30 p.m. on October 9 in Lubbock.

Guests at the meeting were Todd Willis and Ron Harding.

Farm Bureau Plans Annual Fall Meeting

The Bailey County Farm Bureau annual meeting is scheduled for Saturday, September 15, at 6:30 p.m. in the high school cafeteria in Muleshoe, according to Lewis Dale, county president.

Bailey County Farm Bureau directors and their wives will prepare and serve a free meal of barbecue and homegrown vegetables.

Dale said the main purpose of the annual meeting is to adopt policies for the coming year. Also, directors will be elected at this time.

Directors up for re-election are Morris McKillip, Gary Hooten, Ronald Scott and Ronnie Barrett.

Nominating committee members include Bob Jones, Eugene Shaw, R.L. Scott, and Robert Hunt. They will offer nominations for elections and nominations may also be made from the floor.

All Farm Bureau members are invited to attend this meeting, said Dale, adding, but only agricultural producers may vote or be elected to an office, according to the county by-laws.

Major issues considered in the area Policy Development meeting and expected to be discussed in the convention are: the new farm bill, water education, conservation, mandatory set aside, loan rates, energy, government regulations, the federal deficit said Policy Development Chairman, Curby Brantley, of Muleshoe.

Adopted resolutions concerning local matters will become county policies, according to Dale. Other accepted proposals will advance to the state conventions as recommendations for policies on the state and national levels.

The policy development committee is currently accepting suggestions for resolutions, reminded Dale. Producer-mem-

bers are encouraged to contribute their thoughts to this committee at this time. All recommendations received by

Con't Page 6, Col. 3

Curb Painting Is Underway

A commercial company, City Curb Service, is currently painting house numbers on curbs around Muleshoe. City Manager Dave Marr notified the Journal that City Curb Service is not connected to the city in any manner although they have secured a city vendor's permit.

According to the Curb Service Company, the cost is \$5 and will prove beneficial for all emergency traffic, including police, fire, ambulance and will also help visitors find your home.

This particular company visits Muleshoe every year, according to the city manager.

Con't Page 6, Col. 4

Around Muleshoe

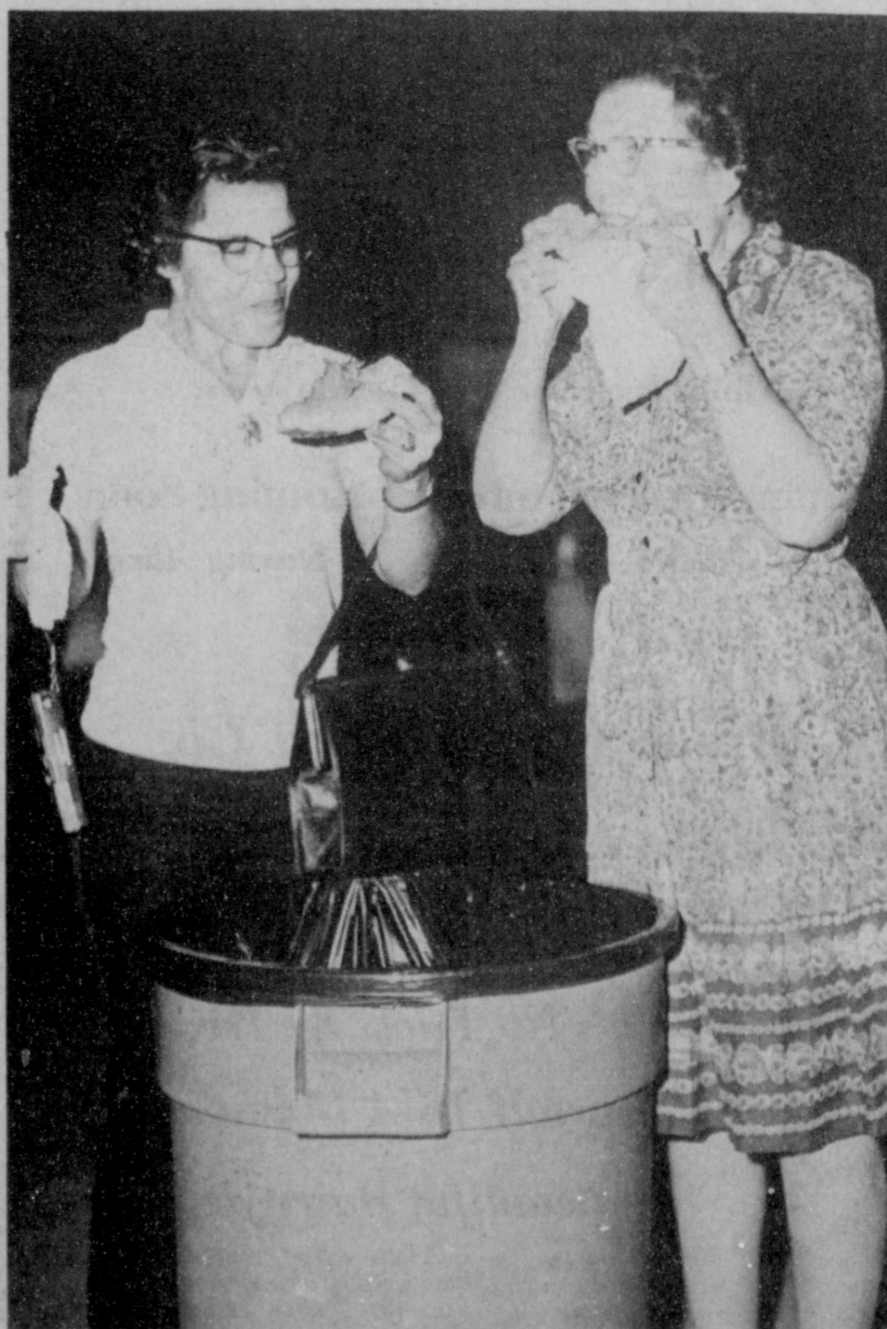

Richland Hills Baptist Church WMA will hold a Bake Sale on Wednesday, September 19, at Pay and Save Grocery. They encourage you to purchase your baked goods, and save your time and energy.

For special orders, call by Monday, and they will have your order ready for you. Call 272-4088 or 272-3186.

Lana Copp of the Lazbuddie Young Homemakers, said their annual pecan sale is getting underway, and they are currently taking orders. Del Cerro Pecan Halves will again be \$3.50 per pound this year, and you may place your order by calling Debbie Magby at 965-2793 or Mandi Seaton at 965-2438.

Two residents of Muleshoe have been awarded bachelor's degrees during summer commencement ceremonies at West Texas State University, Canyon. Receiving degrees are Charles Briscoe, Bachelor of Science in physical education and Timmy James, Bachelor of science in physical education with a second major in health education.

Navy Petty Officer First Class Joseph L. Partlow, son of J.L. Griffin and Wanda S. Partlow of Goodland, has reported for duty aboard the destroyer tender USS Prairie, homeported in San Diego.

BETTER THAN YOU CAN BUY IN STORES--Finding a handy trash can, these two visitors to the Bailey County West Plains Fair took time out to enjoy a slice of watermelon, with the comment, "You sure can't buy watermelon this good in any store."

Candlelight Ceremony Unites

Miss Brooks, Killman

In a candlelight ceremony Sunday, Aug. 26 at 6 p.m. Sherry Brooks became the bride of Burnie Killman, both of Breckenridge. Parents of the couple are Mr. and Mrs. Randy Jordan and Mrs. Sherry Killman, all of Breckenridge and Mr. and Mrs. Ray Killman of Magnolia, Miss. Mrs. Joy Logan of Sudan is the bride's grandmother and Mr. and Mrs. Roy Day of Sudan are her great grandparents. Mrs. Addie Killman of Throckmorton is grandmother of the groom. Don Morrison read the double

ring vows in the Throckmorton Christian Fellowship Center. The chapel was decorated with arched candelabras holding white tapers entwined with pink and lavender silk flowers, ribbons and greenery. Norma Brooks of Abilene, cousin of the bride, served as maid of honor. Steve Stanford of Breckenridge served as best man and candle lighter. Canda Morris of Muleshoe presented several wedding songs and Tim Calvert of Breckenridge sang "The Wedding Song." Canda also registered the guests. The rehearsal supper was held on the 20th. in the home of the bride's parents, Mr. and Mrs. Randy Jordan. A wedding shower was held on Friday and the hostesses presented her with a vacuum cleaner and money. She was also honored with a miscellaneous bridal shower in Bushland by her co-workers at U.S.D.A.

Mrs. Emma Copley Presented OES Fifty Year Pin

The regular meeting of Muleshoe Chapter No. 792 Order of the Eastern Star, was held Sept. 3 in the Masonic Hall, with Eulaine Phillips, Worthy Matron and Bob Phillips, Worthy Patron presiding.

The Bible was opened upon the altar, the Pledge of Allegiance recited in unison and "America" was sung.

The Worthy Matron extended a cordial welcome, especially to Mrs. Emma Dee Copley, a Past Matron of Muleshoe Chapter, now residing in San Antonio, and to Mr. and Mrs. S.E. Vaughn, Worthy Matron and Worthy Patron of Earth Chapter No. 870.

An invitation was received from Happy Chapter No. 562, to Friendship Night, Sept. 15 at 7:30 p.m.

Happy Birthday was sung for Sidney Dell bullock, Alton Epting, Owen Jones, Darrell Nowell, David Seymore and Ruth Williams. After the chapter closed and impressive presentation ceremony was enjoyed by those attending.

Mrs. Copley was escorted to the altar and was presented her fifty year membership certificate and fifty year pin, by the Worthy Matron, Mrs. Phillips, Mrs. Copley served as Worthy Matron of Muleshoe Chapter in 1944-45. A resume' of that year was given by Barbara Lust, who also dedicated a song to her.

The Worthy Matron presented her the "Electa's Cup". Enjoying the ceremony, with Mrs. Copley was her husband, A.W. Copley, her daughter, Mrs. Doris Jean Carpenter, and husband of Belton, and Mrs. C.W. Anthony of Friona.

Refreshment hostesses, Vera Clay, Jewell Strong and Hazel Nowell served refreshments from a table spread with a gold cloth and centered with a large cake, inscribed "Emma Dee Copley, 1934-1984." Approximately 35 members and friends attended.

Beware that thou forget not the Lord, thy God, in not keeping his commandments.

1. Where may this warning be found?
2. What is the meaning of the name of the book in which it is found?
3. By whom was it given?

Answers

1. Deuteronomy 8:11.
2. The "second law."
3. By God to Moses.

By Uncle Bob

Dear Bob,
Once again my spray can of paint has clogged before I've finished using the can. Poking pins into the little holes in the nozzle doesn't help. What else can I do?

Ilene

Dear Ilene,
Don't despair and I'll share a secret. The paint does not come up from the can into the nozzle through just the tiny holes. Look for a small slit located to the side of the nozzle head tube. Gently recut the opening about one-quarter inch, replace the spray nozzle, shake the can vigorously and spray. One more thing, occasionally turn the little head so your can tilts a different way, allowing every drop of paint to get up and out.

Bob

Paint Sale Ends Sat. Sept 15.

Birthday Reception Honors J.E. Embry Sunday

Sunday, Sept. 9th. the children and grandchildren of J.E. Embry hosted a reception, honoring him on his 90th birthday, at the Bailey County Civic Center.

Joseph Euell Embry was born in Villa Rica, Georgia on Sept. 6, 1894, one of 14 children born to J.C. and Molly Embry. Four of the children are still living. J.E. is the oldest remaining child. They moved to St. Jo, Texas in 1902.

Embry and Lula Wright were married in Davidson, Okla. in 1920. They lived there and farmed nine years. Five sons were born to them there. They were Floyd, who now lives at Farwell, Joe, Calvin and Chester, all of Muleshoe and Doyle Ray, who died at 15 months in 1927.

They moved to Bailey County in the Y.L. Community in 1929, and their daughter, Lula Mae Shanks now of Muleshoe was born several years later. They lived there and farmed until his retirement. They continued to live on their farm until 1980, when Mrs. Embry became ill and lived in the nursing home. Embry moved to 123 W. Ave. F. to be near her and continues to reside there. He spends most of his time visiting the hospital, nursing home and Muleshoe State Bank.

Out of town guests for the reception were: his sister, Essie Embry Agee and sister-in-law, Ruby Embry Fletcher, both of St. Jo.; Floyd, Betty, Elden, Weldon, Sherry, Rachel and Brandon Embry, all of Farwell; Harold, Elaine and Julie Pruitt of Hobbs, N.M.; Johnny, Tanya, Stacey and John Embry of Austin; Jake and Mildred Hodge of Gainville; Alvin and Lucille Harper, Benny and Vennel McKee, Rita Brunton, Essie and Larissa Dool, all of Amarillo; Mr. and Mrs. Clifford Meeks of Farwell and Mr. and Mrs. A.G. Smyer of Portales, N.M.

Also attending were a host of friends and relatives from the Muleshoe area.

All the great things have been done by little nations.

-Benjamin Disraeli

FIRST FLIGHT--First Flight winners in the golf tournament held at the Muleshoe Country Club Thursday, Sept. 6 include (L-R) Bernice Teeter and Mary Johnston, first; Judy Sims and Mary Zoe Owens, second; and Arlene Malone and Jackie Vaughn, third.

Alpha Zeta Pi Sorority Begins New Year

Xi Omicron Xi held their first meeting of the year on Tuesday, Sept. 4 at 7:30 p.m. in the home of Jana St.Clair. Gayla Toombs, president, called the meeting to order. During the regular business meeting Debbi Hutto was presented a baby spoon honoring the birth of her daughter, Candace.

All members were presented new yearbooks and various dates of chapter activities were discussed.

Following the business meeting members enjoyed a fall fashion show presented by Vickie Black and Rickie Warren. They were showing work, casual and evening fashions from "Look 'N Good."

The social committee served barbecued brisket, red beans, potato salad, corn bread muffins, homemade cookies and ice cream.

Those attending were: Gayla Toombs, Rickie Warren, Marilyn Riley, Jana St.Clair, Linda Marr, Vickie Black, Sheri Hawkins, Debbi Hutto, Alice Liles, Peggy Pohlmeier and Lindy Schuster.

J.E. EMBRY, 90th BIRTHDAY

In Fashion

In fall fashion news for women, styles are borrowed from the men's department, and the look is oversized and unconstructed.

Fourth Annual Lane Family Reunion Held

The fourth annual Lane family reunion was held over the Labor Day weekend at Caperas Point, Lake Proctor.

Each family member received an invitation from Mrs. Burt (Lane) Pierce and a request for a four line or four page poem pertaining to the reunion. A prize was given to Joe Lane for the best adult poem and to Kara Lane for the best children's poem. There were approximately 20 poems composed and given to Mrs. V.A. Lane for her scrapbook.

It was reported that everyone had a great weekend with many activities going on along with a fish fry Saturday and a Bar-B-Q on Sunday.

Jack Lane gave the devotional, taken from Psalm 100, before the breakfast Sunday morning.

Mr. and Mrs. Shawn Batchlor of Arlington were the newlyweds and E.E. Lane of Columbus, Ga. traveled the most miles to attend the reunion.

Children of Mr. and Mrs. V.A. Lane attending were: (sons) Mr. and Mrs. Jack Lane of Stegall, Mr. and Mrs. Joe Lane and Link of Arlington, Mr. and Mrs. Jimmy Lane, Mandy and Kara of Amarillo, (daughters) Mr. and Mrs. J.O. Pierce of Lubbock, Mr. and Mrs. Jack Still, Mrs. Burt Pierce and Mrs. Wayne Busbea, Shannon and Michael, all of Littlefield.

Also attending were: Mr. and Mrs. V.A. Lane, Mr. and Mrs. Shawn Batchlor and Tom Wentz, all of Arlington, Mr. and Mrs. Steve Demel of Hereford, Cynthia, Melissa, and Jonathan Bennett of Stegall, Michele Lane of Leveland, Mr. and Mrs. Chuck Still, Mark and Carl of Plano, Mr. and Mrs. A.R. Puckett of Quenlan, Mr. and Mrs. David Terrell, Tony, Andy, Dave and Amy of Garland, Mr. and Mrs.

Terry Iackett and Dana Pasadena, Mr. and Mrs. Dwain Lane, Rodney and Steven and Ronnie Miller, all of Watauga, Tx.

And Marie Lane of Elgin, Mrs. Eugene Lane and Pence of Rockdale, Mr. and Mrs. Pat Stephenson, Keith and Kamie,

Mr. and Mrs. Jerry Simmons, all of Lubbock; Garland Pierce of Littlefield, Tammy Lane of Grand Prairie, Danette Terrell and Roger Hatcher of Clovis, N.M. R.E. Lane of Columbus, Ga. and Mr. and Mrs. Leonard Lane, Gary, Jennifer and Lance of Granger.

Both the Marquis de Lafayette (who fought with Washington's forces during the Revolutionary War) and his wife had the same first name -- Marie.

Do we have your name right? Now's the time to tell us.

The new edition of your phone book goes to press soon. But before the presses roll, be sure you're listed correctly. Or tell us if you'd like more listings (the kids, a relative, your spouse, for example).

After all, it's your phone book. When you see your name in print, it ought to be the way you want it.

So, if you want changes or additions, let us tell you what the charges are. Just call our business office now.

The Anchor Brothers Band To Perform At Convention

This weekend, Sudan's Anchor Brothers Band, a gospel music group, will be among the gospel groups attending the Southern Gospel Music Association West Texas convention in Lubbock, and will be performing there Friday and Saturday nights, and on Sunday afternoon.

The group was recently notified they have been nominated for four state awards among the more than 90 groups in the Association in Texas this year.

Assembly Of God

Plans Special

Sunday Speaker

Rev. Steve Davis, invites you to attend a special Spiritual Life Crusade at the First Assembly of God Church at 512 South First Street on Sunday, September 16 at 10:30 a.m. and 6:30 p.m.

The crusade will be conducted by Evangelist Samuel Rijfkgogel from Dallas.

The local pastor said "An inspiring vocalist and motivational speaker, Rijfkgogel transmits Biblical truths in each service, creating an atmosphere which will cause you to rise above life's trials."

Rijfkgogel received his training for ministry at Southwestern Assemblies of God College in Waxahachie. During college his singing group, Morning Star, traveled widely ministering in rallies, said Pastor Davis. He also performed for churches and youth conventions where he shared in ministry with many noted speakers, such as David Wilkerson.

Rijfkgogel's ministry communicates with old and young alike as he says both vocal ability and in depth Bible preaching to help people tackle life's problems, added the minister.

On Saturday afternoon, during a banquet, the winners of this year's awards will be announced. The Anchor Brothers Band has been nominated for "Group of the Year." Also, vocalist, Kenneth Richards, one of the originators of the group, has been nominated as "Vocalist of the Year" and "Instrumentalist of the Year."

With the nominations, this places the Anchor Brothers Band among the top five groups in the State of Texas. Scheduled to be held in the Lubbock Municipal Coliseum near Texas Tech, thousands of people are expected to attend the convention and enjoy the best in gospel music, performed by gospel groups from throughout the state.

Other members of the Anchor Brothers Band are Reydon Stanford, one of the originators; Jerry Howard and W.T. Watson. They, along with the Richards, have already produced several albums, and currently are working on their sixth album.

With the production of the

SAMUEL RIJFKOGEL

Wheat Experiment

Cont. from Page 1

a year and a half ago, it had already been tested in Germany and other locations in Europe for seven years, and it was thoroughly tested at Virginia Poly Tech University in the U.S. before it was put to the test in fields.

A special chemical is released onto the field which makes the wheat shorter, sturdier and it will stand up under watering from the sprinkler circle, as well as stand up better under adverse weather conditions, explained Bakker.

With the new drill, "It's accurate. There's no guesswork - growers are driving in the exact same place everytime. If

sixth album, the Anchor Brothers will be featuring several new songs, written by Kenneth Richards and Reydon Stanford. One of the songs will be "He Knows My Name," which has already been enjoyed by people who hear them throughout a wide area.

Make your plans to hear all or any part of the music at 7 p.m. on Friday or Saturday night or at 2 p.m. on Sunday afternoon.

Football...

Cont. from Page 1

Muleshoe will have two players out with injuries received in the Portales game last Friday. Both Jeff McCarty and Hector Flores were in Lubbock on Monday to have their left knees checked after being injured in the Friday game.

Neither will see action Friday night, and at presstime, it was not known if they have been lost to the team for the season, or how much time they would be out with their injuries.

After the first defeat, the Mules will be hungry for a win, and they encourage everyone to travel to Morton Friday night to back the Mules in action.

Bureau...

Cont. from Page 1

the committee will be considered in drafting tentative resolutions to be voted on at the annual meeting. The committee will also receive recommendations made by the county commodity divisions.

During the meeting, President J.L. Dale, will give his annual report. Also, Young Waldrep & Co. P.C. firm, will give the organization's financial report and agency manager, James T. Lee, of Muleshoe will report on the insurance services.

Tina Ruthard, Percilla Quintana and Shelly Sain, all Muleshoe High School students, will report on their trip to the Texas Farm Bureau Citizenship Seminar in San Angelo in June.

they were to drive over wheat early in the season and it grew back they might not be able to tell where they were before," added the spokesman.

"Driving over wheat weakens it, and puts it under stress. That makes it more susceptible to disease coming in."

To put the wheel tracks in the right place, the grower chooses one of six rhythms or patterns on a chart. He simply pushes a button - it's all done by computers.

The air seeder keeps track of the number of trips across the fields. When one of the markers is lifted, that indicates to the machine that one trip has been made.

At the proper time, depending on which rhythm was chosen, electrical solenoids automatically cut off the seed flow to the right tubes feeding the right shoes. Thus, wheel tracks are made, he explained.

The seeder has a calibration chart, that shows where to adjust the seeder to different row widths. And, being relatively lightweight, it's easy to transport.

Assisting with getting the planting underway on Tuesday morning, was Fred Fewin of Fewin Industries, Inc. of Lubbock.

The Journal will be issuing periodic reports on the progress of the new experimental wheat crop in this area.

ship for a conservative and should one get elected to represent his district he can expect to go sit quietly in the corner or suffer the outrages of Tip O'Neill and his fellows. He must "go along to get along" with his party's liberal national leadership or he, and his district along with him, will be punished.

This is why I ask for, and value so highly, the support of all conservative Democrats and Independents in our District: So that we may have a Representative who can stay in touch with the people of West Texas and, at the same time, in tune with his party's leadership; a Representative in Washington who can vote with us 100 percent of the time; a Congressman who owes nothing to Tip O'Neill and everything to the people of West Texas.

I welcome all conservative Democrats and Independents to my campaign. My door will always be open to you.

Larry Combest is a fourth generation West Texan. He worked as a farmer, teacher, for the A.S.C.S. and for Senator John Tower for seven years. He is a candidate for U.S. House of Representatives 19th District.

Paid For by Combest Congressional Committee

Ambulance

Cont. from Page 1

the clock, seven days a week.

On Wednesday morning, a trip was made to West Plains Medical Center in an attempt to talk with Bob Haralson, the hospital administrator. However it was noted that Haralson was not available, and the Journal representative was told that he does not go into the office until around 9 a.m.

At presstime, Haralson had not returned a telephone call. As Haralson was not available, the Journal representative, along with Gerald Reid of Radio Station KMUL, visited at length with Baillev County Judge Gordon H. Green.

Judge Green told the news media representatives that he believed perhaps the ambulance problem had been "Blown out of proportion." Judge Green said he received a call from Haralson late on Tuesday afternoon, and that the hospital administrator had assured him that adequate personnel had been lined up to keep the ambulances operating.

The County Judge also said that according to the contract between the county, who owns the ambulances, and the operators, West Plains Medical Center, any rate increases would have to be taken to commissioners court for approval. Judge Green said the current increases being charged by West Plains Medical Center had not been approved by commissioners court, and in fact, commissioners were not even aware that such increase was in fact, being charged.

Judge Green said, "As far as I know, we have an ambulance service. The contract between the commissioners court and WPMC calls for the hospital to operate the ambulance. If at any point we find it is not operating satisfactorily, we will do something about it. At this time, we have no concrete facts that the ambulance service has any major problem, but we will be checking into it."

Judge Green was also not aware that the ambulances only have a temporary state certification, with inspection for a permanent certification pending the addition of state required equipment for the ambulances.

According to the Judge, it is up to the hospital, who has the contract to operate the ambulance to provide proper personnel to operate the ambulance, to keep the ambulance maintained, with all costs going back to the county for payment, and reminded that the hospital

cannot make a profit from the ambulance.

Bailey County is currently subsidizing the hospital with \$1800 per month for operation expenses, along with paying for all expenses, including gasoline for operation of the ambulance service.

According to an EMT who talked with The Journal, the ambulance service personnel had dwindled to only four persons, three of them volunteers, to keep the ambulances operational seven days a week, around the clock.

To certify as an EMT, 120 hours of school are required, and the training must be taken in Lubbock or Amarillo. The cost is approximately \$240 for each student, and some persons who expressed an interest in the training did not have the \$240 to pay out for training, along with taking off their jobs around 4 p.m. in order to be in a

classroom at 6 p.m. in Lubbock. Also, classes are for four hours, which would release the student around 10 p.m. to return to Muleshoe, around midnight.

There may or may not be a problem with the ambulance service, or it may be out of proportion, but by mid morning

on Wednesday, many residents were beginning to voice their concern to both the newspaper and to the radio station in the continuing problems faced by West Plains Medical Center, the Muleshoe Nursing Home, and now the ambulance service operated by the hospital.

Walter Mondale, Demo presidential candidate:

"Let us end this uncaring, icy indifference to human needs in American society and get a president who will stand up and lead us."

Kansas State, was not played. Thus, when the contest was checked Monday morning, that game was not counted, and had no bearing on the rest of the contest.

It is not necessary to list both teams on the answer column, it is sufficient to just list the winner among the first 13 games on the contest blank.

Please remember, that all mailed entries should be marked "Football Contest" and all mailed entries must have a Friday postmark in order to be counted.

Thank You

We wish to express our thanks to the nurses & doctors in helping Booger. Also everyone at the First Baptist Church. In our time of sorrow, we would like to express our appreciation to all of Booger's friends that brought food & sent flowers & called. He had many friends.

The Wilson Family

COMBEST COMMENTS

By Larry Combest

WELCOME TO OUR CAMP

In my first column I talked about my trip August a year ago to start my campaign for my party's nomination for Congress. Last week I made the same trip to visit all counties and county seats and to talk to Democrats and Independents in our District.

I want to make certain that all Democrats and Independents throughout the 19th District know they are welcome in our camp. They are not only welcome, we openly solicit their support now, and their advice and counsel after we get to Washington.

I hope all conservative Democrats will always remember the rousing cheer that went up from the Democratic delegates in San Francisco when Jesse Jackson said that they must rid the party

of the "boll weevils," or conservative Southern Democrats. The sentiments of the Democratic delegates were made very clear by that cheer, and by the fact that Mr. Mondale did not take issue with what the Rev. Jackson said.

Indeed, Mr. Mondale evidently agreed whole heartedly with Jesse Jackson, because he turned to a liberal from the Northeast as his running mate.

It is plain that the only thing the liberal leadership of the Democratic Party wants from conservative Democrats is their money anytime they can get it, and their votes in November. After that they are expected to go back to work, pay their new taxes, and keep quiet.

In short, there is no place now in the liberal Democratic leader-

Auburn Ready To Try Powerhouse At Texas

The onus of being tagged national champions prior to the start of the season spelled first game doom for the Auburn Tigers. Beaten by Miami 20-18 in their opener two weeks ago, the Tigers will try to come back against powerful Texas-in Austin. No easy assignment. The Longhorns in winning the Southwest Conference crown in '83 were undefeated during the regular season, losing by a single point to Georgia in the Cotton Bowl. Texas and Auburn opened the 1983 season, the Longhorns winning 20-7. We missed in picking Auburn to beat Miami. However, we'll go with Auburn again, this time to nip the Horns.

Iowa and Penn State put on a scoring circus last fall, the Hawkeyes finally winning 42-34. Iowa, one of the favorites for the Big Ten title, will be playing at home, and if it can forget that conference rival Ohio State is just one week away, the Hawks should come away with a win. Michigan finished in the

runner-up spot in the final Big Ten standings last fall, losing only to conference champion Illinois in league competition. However, the Wolverines' other loss came at the hands of Washington, runner-up to U.C.L.A. in the Pacific-10 Conference. It was a 25-24 squeaker in Seattle. The two meet again Saturday, this time in Ann Arbor. Michigan's the favorite. Pittsburgh was another opening day victim of a pre-season high ranking, losing to Brigham Young 20-14. After a one week lay-off, the Panthers meet Oklahoma in Pittsburgh. The Sooners, coming off an unusual (for them) 8-4 season that didn't earn them a post-season bowl bid, will be slightly favored to hand Pitt its second loss.

Elsewhere, Pac-10 champion U.C.L.A. is favored over Long Beach State while Big Eight champion Nebraska is a prohibitive favorite over Minnesota.

And Maryland, title-holder in the Atlantic Coast Conference, will beat Vanderbilt.

PUBLIC NOTICE
BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOVEMBER 6, 1984

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 29 proposes a constitutional amendment that provides to state-chartered banks the same rights and privileges that are or may be granted to national banks of the United States domiciled in this state. For example, if national banks become authorized to maintain branch offices, this amendment would extend the same privilege to state banks.

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 19 proposes a constitutional amendment that restructures the Permanent University Fund to provide: (1) for the expansion of the institutions eligible to participate in the bonding capacity of the fund to include the components of The University of Texas and Texas A&M University systems that have been added to those two systems of higher education since the Permanent University Fund was last restructured by constitutional amendment; (2) for the expansion of the purposes for which bond proceeds can be expended from new construction to include major repair and rehabilitation projects and the acquisition of major capital equipment (e.g., computers and laboratory equipment) and library books and materials; (3) for an increase in the bonding capacity from 20% (2/3 for The University of Texas System and 1/3 for the Texas A&M University System) to 30% (20% for The University of Texas System and 10% for Texas A&M University System) of the value of the assets (exclusive of real estate) in the Permanent University Fund in order to provide sufficient bond proceeds to care for the addition of 10 new institutions to those authorized to participate in the Permanent University Fund bonding program and to care for the expanded purposes for which the bond proceeds can be spent; and (4) for the dedication of the dividends, interest, and other income from the Permanent University Fund remaining after payment of principal and interest due on bonds and notes issued, to the provision of support and maintenance (over and above normal legislative appropriations) for Texas A&M University in Brazos County, Prairie View A&M University, and The University of Texas at Austin. House Joint Resolution 19 also annually appropriates \$100 million in each fiscal year, beginning September 1, 1985 (from the first money coming into the state treasury that is not otherwise appropriated by the constitution) for the use of those

education which are not included in The University of Texas or Texas A&M University Systems and, therefore, not eligible to participate in the Permanent University Fund bonding program. The amount of this appropriation could be adjusted every five years by a 2/3 vote of the Legislature, but could not be adjusted in such a way as to affect outstanding bonding indebtedness. Each institution of higher education that is eligible to participate (i.e., those institutions of higher education outside The University of Texas and Texas A&M University Systems) would be authorized to expend directly its share (such share to be determined pursuant to an equitable formula) of the \$100 million appropriation for the purposes of acquiring land, constructing and equipping buildings or other permanent improvements, major repair and rehabilitation of other permanent buildings or improvements, and acquisition of major capital equipment (e.g., computers and laboratory equipment) and library books and materials. Additionally, each institution would be authorized to issue bonds backed by a pledge of up to 50% of its share of the \$100 million annual appropriation for the purpose of land acquisition, new construction, and major repair and rehabilitation projects.

Except in the case of fire or natural disaster and in other extraordinary cases, verified by a two-thirds vote of each house of the legislature, all institutions of higher education would be precluded from receiving appropriations of general revenue funds for the purposes of land acquisition, new construction, and major repair and rehabilitation projects. The proposed amendment will appear on the ballot as follows: "The constitutional amendment to create from general revenue a special higher education assistance fund for construction and related activities, to restructure the Permanent University Fund, and to increase the number of institutions eligible to benefit from the Permanent University Fund."

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 65 proposes a constitutional amendment which authorizes the legislature to provide for the payment of assistance to the surviving dependent parents, brothers, and sisters of officers, employees and agents of the state or its political subdivisions, including members of organized volunteer fire departments and members of organized police reserve or auxiliary units authorized to make arrests, who die in the course of performing hazardous official duties. Payments to surviving spouses and dependent children of agencies and institutions of higher

education which are not included in The University of Texas or Texas A&M University Systems and, therefore, not eligible to participate in the Permanent University Fund bonding program. The amount of this appropriation could be adjusted every five years by a 2/3 vote of the Legislature, but could not be adjusted in such a way as to affect outstanding bonding indebtedness. Each institution of higher education that is eligible to participate (i.e., those institutions of higher education outside The University of Texas and Texas A&M University Systems) would be authorized to expend directly its share (such share to be determined pursuant to an equitable formula) of the \$100 million appropriation for the purposes of acquiring land, constructing and equipping buildings or other permanent improvements, major repair and rehabilitation of other permanent buildings or improvements, and acquisition of major capital equipment (e.g., computers and laboratory equipment) and library books and materials. Additionally, each institution would be authorized to issue bonds backed by a pledge of up to 50% of its share of the \$100 million annual appropriation for the purpose of land acquisition, new construction, and major repair and rehabilitation projects.

education which are not included in The University of Texas or Texas A&M University Systems and, therefore, not eligible to participate in the Permanent University Fund bonding program. The amount of this appropriation could be adjusted every five years by a 2/3 vote of the Legislature, but could not be adjusted in such a way as to affect outstanding bonding indebtedness. Each institution of higher education that is eligible to participate (i.e., those institutions of higher education outside The University of Texas and Texas A&M University Systems) would be authorized to expend directly its share (such share to be determined pursuant to an equitable formula) of the \$100 million appropriation for the purposes of acquiring land, constructing and equipping buildings or other permanent improvements, major repair and rehabilitation of other permanent buildings or improvements, and acquisition of major capital equipment (e.g., computers and laboratory equipment) and library books and materials. Additionally, each institution would be authorized to issue bonds backed by a pledge of up to 50% of its share of the \$100 million annual appropriation for the purpose of land acquisition, new construction, and major repair and rehabilitation projects.

PROPOSITION NO. 4 ON THE BALLOT

Senate Joint Resolution 20 proposes a constitutional amendment which abolishes the office of county treasurer in Bexar and Collin counties if a majority of the voters in each of those counties vote in favor of abolishing the office of county treasurer in a local election to be held on the issue. All the powers, duties, and functions of the office of county treasurer in each of these counties would be transferred to the county clerk.

PROPOSITION NO. 5 ON THE BALLOT

Senate Joint Resolution 22 proposes a constitutional amendment which provides a new method of filling a vacancy in the office of Lieutenant Governor. The amendment requires the President pro tempore of the Senate to call together the committee of the whole Senate within 30 days after a vacancy occurs in the office of Lieutenant Governor. The committee would be required to elect one of its members to perform the duties of the Lieutenant Governor until the next general election. This individual would continue his duties as Senator at the same time that he performs the Lieutenant Governor's duties. If the Senator who is elected ceases to be a Senator before the next general election, another Senator must be elected according to the above procedure to perform the Lieutenant Governor's duties. The President pro tempore would be required to perform the Lieutenant Governor's duties pending the election of one of its members by the committee of the whole Senate.

PROPOSITION NO. 6 ON THE BALLOT

House Joint Resolution 73 proposes a constitutional amendment that permits the use of public funds and credit for payment of premiums on non-assessable life, health, or accident insurance policies and annuity contracts issued by a mutual insurance company authorized to do business in this state. The constitutional prohibition against a grant of public money to an individual, association, or corporation or against becoming a stockholder in a corporation, association, or company has limited life and health group policies of political subdivisions to non-mutual insurance companies. The amendment would permit mutual insurance companies to bid for those policies.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to permit use of public funds and credit for payment of premiums on certain insurance contracts of mutual insurance companies authorized to do business in Texas."

PROPOSITION NO. 7 ON THE BALLOT

House Joint Resolution 4 proposes a constitutional amendment to change the membership of the State Commission on Judicial Conduct to include one Judge of a Municipal Court and one Judge of a County Court at Law, who shall be selected at large and appointed by the Supreme Court with the advice and consent of the Senate.

The amendment also provides additional grounds for removal from office of judges or justices of Texas courts, and provides additional disciplinary actions that could be taken in lieu of removal or censure. The amendment would extend the Commission's disciplinary authority to masters, magistrates, and retired or former judges who hear cases by designation. The amendment creates a tribunal to review recommendations of the State Commission on Judicial Conduct for removal or retirement of a judge or justice. The review tribunal would be composed of seven (7) Justices or Judges of the Courts of Appeals selected by lot by the Chief Justice of the Supreme Court. The amendment also provides for appeal of the review tribunal's decision to the Supreme Court of Texas and grants an accused judge the right to discovery of evidence.

The proposition will appear on the ballot as follows: "The constitutional amendment relating to the membership of the State Commission on Judicial Conduct and the authority and procedure to discipline active judges, certain retired and former judges, and certain masters and magistrates of the courts."

PROPOSITION NO. 8 ON THE BALLOT

House Joint Resolution 22 proposes a constitutional amendment which increases the per diem of members of the Legislature. The amount of per diem allowed during a calendar year would be equal to the maximum amount set in federal income tax statutes as of January 1 of that same year as a deduction for ordinary and necessary business expenses incurred by a state legislator. Current per diem is \$30; the maximum deduction is now \$75. The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to provide a per diem for members of the legislature equal to the maximum daily amount allowed by federal law as a deduction for ordinary and necessary business expenses incurred by a state legislator."

Estos son los informes explana-torios sobre las enmiendas propu-estas a la constitucion que apar-eceran en la boleta el dia 6 de noviembre de 1984. Si usted no ha recibido una copia de los informes en español, podra obtener una gratis por llamar al 1/800/252/9602 o por escribir al Secretario de Estado, P.O. Box 12887, Austin, Texas 78711.

Electrogator® 60 Series
The time-proven Reinke Electrogator is now available with economical galvanized mainline pipe in both 6" and 6-5/8" O.D. sizes. Both systems deliver Reinke reliability and innovation at the most affordable price. In addition, 8" O.D. galvanized pipe is available on the Electrogator Model 88.

Electrogator 600 Series
This family of Reinke Electrogators features Cor-Ten A steel mainline pipe, the optimum steel for corrosion resistance and strength. Cor-Ten A has passed the test of time in irrigation fields and other demanding applications all over the world. Systems are available with 6" or 6-5/8" O.D. mainline pipe.

A New Generation of Value.
Through refined engineering, the new 1984 Reinke Irrigation Systems set new standards of reliability and value. Talk to us soon about our new line of Reinke Electrogators.

The Knowledge of the Lord

Habakkuk 2:14. "For the earth shall be filled with the knowledge of the glory of the Lord, as the waters cover the sea."

The Church is chosen of God to spread the good news that God has a plan to redeem men and reconcile them unto Himself through the vicarious sacrifice of Jesus Christ our Lord. The Church will be so successful in spreading this glorious knowledge in the world that God says the earth will be as full of it as the waters that fill the ocean. Attend church and become a part of this great undertaking.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

MULES' TALE

Thursday, September 13, 1984

Editor: Susan Lunsford

Official Publication of Muleshoe High School Written and Edited by Students of the Muleshoe Schools

Junior Class Selling Mums For Homecoming

You may choose between a white, yellow, or bronze flower. A boutonniere is \$5.00 and comes in white. The child's mum is \$12.00 and has the "M" on the mum, a football, a bell, and eight streamers. These are to be purchased for 5th grade and under. The \$15.00 mum as the football, bell, 16 black and white streamers and an "M" on the mum. The mum that sells for \$18.50 has a football, bell, helmet, the "M" emblem, "MM" or a football number on the mum, with 20 black and white streamers. The \$22.50 mum has a football, bell, helmet, rabbit's boot, "M", "MM" or number on the mum and 24 black and white streamers, 1 pom, 1 bud, and a good luck charm. Add-ons for the \$22.50 mum which are available include a braided streamer with bell, \$3.00; braided checked streamer with bell, \$3.00; or \$4.00 for a feather backing. The mums will be on sale until Friday, September 20 and can be purchased from a junior class member.

MHS Principal Talks About New HB 246

Talk has been running fast and furiously in the halls of MHS concerning the prevalence of House Bill 246. Students and teachers have been confronted with alterations and modifications of how they will conduct their lives. In a recent consultation with MHS principal, Wayland Ethridge, the high school Journalism staff made an attempt to expose the facts concerning this issue. Mr. Ethridge stated that he believes the bill has been needed for years to improve the quality of education in our schools. He further added that many people

are overreacting to the bill because of the fear of anything new. He feels that students, teachers, and the public must look at the positive contributions this legislative act will add to our school system. A copy of the state and local policies concerning attendance and eligibility was issued to the students on Tuesday, September 11. This reproduction is simply a summation of rules adopted by the state legislation, State Board of Education, and local administration. A copy of the House bill will be on file in the office for student reference.

DECA Names Isabel Posadas As President

The Muleshoe chapter of Distributive Education Clubs of America elected officers for the 1984-1985 school year. There were several members who ran for various offices. We wish to extend congratulations to those students who won.

This year Isabel Posadas, a second year student, is the President.

Vice President will be Renee Copley, secretary for this year will be Jodi Cruickshank and Joyce Sims will hold the office of Treasurer. Student Council Representative will be Florinda Mendoza, and the Historian for DECA is Mary Norman. Kandi Moore will fill the office of reporter and Neomi Acosta will be the Parliamentarian.

All DECA members hope to make this an enjoyable year and also a learning one. Activities for the year are already beginning, starting with the pregame supper to be September 21, before the Muleshoe-Frenship Homecoming game. They will be serving at the MHS cafeteria from 5:30-8:00 p.m., for only \$4.00 for adults and \$2.50 for children 11 and under. The menu consists of delicious German sausage, barbecued brisket, potato salad, red beans, homemade rolls fresh garden vegetables, cobbler, tea or coffee. The sausage and brisket

is prepared by Winkler's Meat Market and meal includes "all you can eat." Tickets are now available through any DECA member or at the door. Muleshoe DECA students, parents and training sponsor would like to invite the community to join them Friday, September 21.

DECA club is Developing Future Leaders in Marketing and Distribution.

Band Beats It's Drum

Anthony Gibson, band director of the Mighty "M", Band and assistance band director Martha Anthis have started a new feature in band this year. Each week Mr. Gibson and Miss Anthis will pick a student of the week. This will be the first week for this feature and Mr. Gibson has chosen the entire freshmen class. Mr. Gibson commented that this freshmen class has been the best to come through Muleshoe High School since he has been teaching at the high school. When asked how he felt about the band and what the band was planning to do Friday, he commented, "The quality of the band has improved greatly over the last year. I appreciate all the people who attended summer band because it helped put the band on its feet fast and got us off to a stronger start. It was as if we were starting where the band left off last year." He said he feels really good about the band this year because the people are putting out more effort and playing more mature.

The show for Friday night will be flavored with latin music and topped off with the brand new uniforms. The show will be 1/2 of the final contest show and will feature soloist Alan Finney and Alex Larado on trumpet and Steven Ethridge on trombone. The percussion this year will be more corps style and march with tonal drums. Mr. Gibson feels that the show will be real exciting and invites everyone to watch the band perform this year.

The Muleshoe Mighty "M" Band has met and elected officers for the school year 1984-1985. They are as follows: President, Chris Hernandez; Vice-President, Jeff Haggins; Drum Major, Shelly Sain; Assistant Drum Major, Alan Finney; Secretary, Barbie Seaton; Chaplain, Leah Irvin; Senior Representative, Joey Cox; Junior Representative, Jesse Holmes; Sophomore Representative, Leah Bell; and Freshmen Representative, Ronnie Perez.

Cheerleaders Ready For Season

The MHS varsity cheerleaders consisting of Kristi Campbell, Trisha Burgess, Shelly McMeans, Laurey Grant, Stacy Smith, Becky Acosta and mascot Polly Harrison are really excited about the new season. They got off to a great start by attending cheerleading camp in San Marcos, Texas. The girls received many awards and a trophy the last day for "Most Improved Program." When they returned home, they taught the football players aerobics after the boys' workouts in the evening. This added a new and fun thing to do for the players and the cheerleaders during two-a-days.

School sponsors are Mrs. Lucy Faye Smith and George Washington, and honorary sponsors include Gwyn Murray

and Rhonda Meyers. These sponsors have helped the cheerleaders in many ways. "Meet the Mules" night was at 7:00 Tuesday night at the Benny Douglass stadium. The squad was introduced and did cheers and chants to get the people of Muleshoe involved in the starting season. The cheerleaders are going to be promoting more spirit this year than any of the past years because they are fresh and full of new ideas.

New money making ideas are coming to mind, and the cheerleaders plan to have a booth at the Bailey County Fair, where they will sell brownies and lemonade. Everyone is encouraged to buy some refreshments to help the girls raise money.

Enthusiastic NHS Members Are Prepared

The purpose of National Honor Society is to create enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, and to develop character in the students of secondary schools.

To be eligible for membership in the Muleshoe Chapter of National Honor Society, a student must be a second semester junior or a senior and must maintain a cumulative scholastic average of at least 90 per cent or 3.0. Students are then evaluated by the Faculty Council on the bases of service, leadership, and character.

Thursday morning, September 6, the members of NHS for 1984-85 assembled for their first meeting. Officers were elected and include: President, Preston Scoggin; Vice-President, Todd Jones; Secretary - Treasurer, Polly Harrison; Reporter, Vana Pruitt; Parliamentarian, John Isaac;

Chaplain, Trisha Burgess; Student Council Representative, Betsy Lunsford; and Bulletin Board Chairman, Kristi Heathington. Other members include Kristi Campbell, Jodi Cruickshank, Florinda Mendoza, Percilla Quintana, Shelley Sain, Barbie Seaton, Kristi Spies, Tracy Tunnell, and Janna Wuerflein. The NHS organization is under the supervision of Mrs. Lucy Faye Smith.

FCA Breakfast Starts Activities For Year

FCA kicked their new year with a breakfast Friday, September 7, at the First United Methodist Church at 7:00 a.m. After a delicious breakfast of eggs, bacon, sausage, and biscuits, the fellowship of students chose their 1984-85 officers. They include: President, John Isaac; Vice-president, Kristi Cambell; Sec-

Down The Halls Of MHS

Mum Sales started Monday, September 4. If you would like to purchase a mum or boutonniere contact a Jr. class member. The last day to purchase these will be on Thursday, September 20. Buy a mum and support the Jr. Class.

The Muleshoe High School Annual Staff is aiming record-breaking sales for ads for the annual. Be sure to renew or buy one when an annual staff member comes to your place of business.

Student and adult football tickets are on sale in the office. They are \$2.00 for a student, \$3.00 for an adult. You can also purchase a student season ticket for \$7.50.

Roger P. who won - you, the radio, or Mr. Ethridge!!!!

Sam what really happened to your red rod!!!!

Guess who was actually looking at a thesaurus today? Jeff Mc (You'll notice we said looking!!)

When the Sr. class walked into Civics and saw the "Pop Quiz" on the board, they knew that the extra hour of partying should have been used to study!!

Watch out Chris J., D.H. is on the prowl!!

Who was in Mrs. Smith's 5th period class munching on potato chips hidden in the vent?

FTA News

Approximately sixty people attended the FTA back-to-school party, held Sept. 4 at the new city park. The events of the night included a volleyball game between the junior and senior classes. Unfortunately for the seniors, the juniors won.

Sandwiches and cokes were brought, but the flies enjoyed the meal more than anyone else. Many of the freshman class were covered in molasses, bean dip and crushed potato chips. Had there been any more bananas, it would have been a real fruit salad!

retary Sherri Stovall; and Treasurer Mike Holt. Rev. Bill Kent, pastor of the host church gave the devotional. The next breakfast is tentatively scheduled for September 21, at the First Baptist Church at 7:00 a.m. Various churches of the community will be hosting the breakfast meetings in honor of students from their churches.

Happy Birthday

Coaches Comments

About the game Friday night, Coach Wendy Williams says; "I was very proud of the Mules in their efforts against the Portales Rams. We faced extreme adversity in many ways and still maintained our character and courage. We made some critical mistakes and had some exceptional plays that were called back. I feel that if we improve in some basic areas, we will improve our record next Friday night against Morton.
