  At a meeting held last night of the Good Tempiar Dramatic and Social Club, it was decided to change the name, and hereafter it is to be known and designated as the Independent Dramatic and Social Club. This action was taken to increase the neetginess of the club by making it less exclusive, and, as the name indicates, it is not dependent for its conduct or government on any other organization. Of course it is dependent on the good will and patronage of an indulgent, yet di.eviminating, public, and the future efforts of the club will always be fowards the highest attainable excellence possible to its membership. All communications, soliciting the services of the club must henceforth be addressed to the provident, Mr. John Walsh, or the recording secretary, Mr. M. E. Redwood.
