The Land Agitation Continues in Ireland,

and the Prospects are Considered

Loudon, November 25.—A dispatch from Dublin to the Times says while the Irish agitators tell the public that they are engaged ed in a legal and constitutional agitation, and extensibly advise the people to keep within the law, the country abounds with exidence that different interpretations have been put upon their language. Threatering notices and acts of violence are practical from the country abounds with exidence that the exidence are practical from the country abounds have been put upon their words. These are evil omens for winter.

Loudon, November 25.—The press association says that the excitement throughout the west of Ireland shows no signs of abatement. Large age that are being held in all populous places in the counties of Mayo and Sigo. Mr. Parnell, in addressing a large merting last night in Sigo, asked the people to person the agitation and remember handwise to keep's firm grip on the land.

Great crowds assembled in the streets of Sigo to day. The examination of Davitt is proceeding.

November 25, -Court to-day was

Sigo, November 25.—Court to-day as acais provided with spectators. Measurs. Killen and Davitt appeared perfectly cheerful and fearless. Mr. Monroe, the Queen's councyl, said if he could prove the utterance of Mr. Davitt's alleged words, viz: "The manhood of Ireland should spring to its Joseph and lordism no longer," the magistrate would landlordism no longer," the magistrate would

Jose and say it would telerate inodiords and landlordism no longer," the magistrate would be bound to commit him. Police evidence was called to prove their atterances. Mr. Davitt, who "had been occupied all morning preparing a written defense, before commencing to deliver it, protested against Mr. Mouroe's

Davitt, who had been occurred a morning preparing a written defense, before commencing to deliver it, protested assists. Mr. Morroe it remarks that he had already experienced the elemency of the crown, and declared that he was immoscul of the charge on which he was convicted 1870. Mr. Dalley, since his release from jail, complains of his treatment while in prices. Mr. Monroe, in the course of his remarks, said that Mr. Davitt was probably the most dangerous of Irish agitators, and recally pointed to his language comparing a Zelu asseguie to an Irish pike. Daving his examination to day Davitt declared he had been convicted of fedianiam in England on the evidence of a professional perfure. His cross examination to police waterson failed to weaken the evidence against humand he was committed for irial, bull being accepted.

were removed, were about the size of one's wrist. The indications were that their struggles for life had been great. The woman was found about a mile from town in a thicket, perfectly insane. Her hueband, Fred Coghill, died here some three weeks, ago, and ber mind has been gradually falling since then, and resterday culminated in this horrible deed.

Our district court is now in session and has been for the past three weeks. There being plundered by some of the contending parties during revolutions and disorders on

the case of Virginia involving the vatidity and constitutionality of a statute of that state which prohibits marriage between white and colored persons. Timber, plaintiff in error, came to the district of Columbia about a year ago and married a white woman. Upon his return to Virginia, he was arrested, tried for an offense, found guilty and sentenced to the penitentiary, where, pending this appeal, he remains. Persons interested in a final settlement of the question of marriage of races, have brought the case to this court for its decision. KERRYZLEE, Nov. 24, 1879. The report shows that 3,448 distillers were registered dering the past facal year, and 5,487 operated. During the special tax year ending April 30th, there were furthernine millions of gallons of spirits rectified; and during the fixed year taxes paid or spirits withdrawn from warehouse aggregated \$46,728,000. Discussing the reduction of tax on tobacco, the commissioner say during four months of the commissioner asy during four months of the commissioner as the

The control of the co

FORT DAVIS, Nov. 14, 1879. I am now able to give you something more

definite about the Chibuahua revolution. As I have previously advised you of the retiring of the "pronunciados" in front of that city, and of the force of troops sent in pursuit of them by the governor, which resulted in an action near Villa Concepcion, 150 miles west of Chibuahua, with final withdrawal of the governor troops for want of ammunition, all of which is confirmed. But it seems the

soon the structure was doomed. The walls have commenced falling, and it is reported that several firemen are injured.

When the fire broke out but few employes were about the stables. Heroic efforts were made to rescue the horses, but out of 75 on the second floor but 25 were saved. There were about 200 horses on the third and fourth floors, of which only 40 were brought out. The suffering of many horses haved from flames, scorehed or burned, were brille to witness. On the Fifteenth street side the flames spread with light singuistic rapidity, owing to the fact that immense quantities of hay and feed were stored there. It was here that two gallant but unfortunate quantities of hay and feed were stored there. It was here that two gallant but unfortunate firemen were terribly mangled, and another badly injured. A ladder had been run upthe wall, and three members of engine company No. 1, of Harlem, were at work. Without a moment's warning the wall fell in, carrying ladder and firemen with it. prisoner, with several other state officers and congressmen, two only of the latter escaping capture. The small ferce of state troops in the city serrendered without resistance, and an hour after occupation the without a moment's warning the wall fell in, carrying ladder and firemen with it.

New York, November 25.—The fire which broke out in the eighth arenue street rail. road company stables, this morning, was finally gotten under control, but not until the building had been entirely destroyed. Four firemen were buried under the falling walls, but only two were dangerously hur. About one hundred horses perished in the fames The company estimates its loss at \$250,000. Fully covered by insurance.

I served on Gen. Hooker's staff for hearly a year, and on one occasion was assigned to duty as judge-advocate of a general court martial before which a private soldier of a Michigan regiment was brought, charged with desertion. The evidence showed that the prisoner had deserted three times, on the last occasion "in the face of the enemy."

The oburt martial sentenced lim to be whot, and the record of his trial and conviction was forwarded to Gen. Hooker for his approval. A short time subsequently Gen. Hooker came to my quarters, which adjoined his own, and said:

"Bond, in this case against Private—what do you think had better he done? Are there no extenuating circumstances?"

"None that I know of, general. He had deserted three times."

"Isn't there something in the case upon which you could base a recommendation of mercy?"

"Not a thing. The proof against him was a suffice and not denied and do with the subsequent of the prices of the Alamo city.

He, started sighteen horona 175 times, was first 55 times, second 45, third 25, unpixed 50 times.

was afterwards removed to Austin. He was afterwards removed to Austin. He was afterwards removed to Austin. He was superintendent of that institute from its foundation, in 1888, until the present. In 1875 he was appointed by the accretacy of the anay a member of the beard of visitors to the United States naval acadesay at Annapolis. He says his election was unsolicited and a surprise. There are nearly one thousand alumni of his old school for the proceed to lie with as now in the state.

If found present, and alumni addition is the foundation adopted to fully mass that assemble infirmity of body or mind, are unable to take care of themselves. The total cap is the care of themselves. The total cap is the care of themselves. The class of persons in the year edding September 30 lack were \$7.58.44.

This sum was distributed among ten else, independent and the beavens above, the carth beneath and the Soldiers' Orphans' hone was \$1.35 for take the first in the blind anglum, \$370, and for the native months and the proceed to lie with as natic nonchalance as they would lift a seminate to the constitution adopt d to fully mass that assemble infirmity of body or mind, are unable to take care of themselves. The total cap and the cap and th while highther of purfortunates in the ten in etitutions, \$202. This is a larger sum that is expended on an average by the members of a labores's family of five persons. There are thousands of such families whose total carnings'do not used \$500 a year, a hich ugold give an allowance of \$100 for each would give an allowance of plots of each member. The state of Illicons, therefore, properties of the respective of the family—to say nothing of members of his family—to say nothing of

throughout the State, including lots in all parts of the city of San Antonio, which they will sail at RILYES mining in Nevada seems to be on the decline. The 1846 type the first greed duced \$35,000,000 in 1878 and will probably not reach \$22,000,000 in 1879. The great bonanzs in the Consolidated Virginia and California is marrly exhausted. Those two mines furned out \$1,500,000 a mouth for a long time, and now not one tenth as much.

The Galveston fire department is inefficient, such as the paid at that, and the content of the content and the content and the content as march. LOW PRICES GEO. W. CALDWELL

New York Trolune.

The far-sighted themografic prophets, whate so more Tilden is dead, should passe their rapid deliverance of forecasts for countries to consider the grounds to consider the grounds from Tahmas bounced from Tahmas and Jahren State of Science of Sc Kelly's being "bornead" from Tammany Hall between now and the spring of 1880, it is evident tengeths outgivings of Tilden's organs that his next still hunt will be for the possession of Tammany Hall, in order to present himself at the national capital with the undivided support of his party. John Kelly gong to of much force in that convention, if the most well-back him.

Washington disputch to St. Paul Press with being 7,200,000 pieces—the greatest
