The child is the offspring of the girl's own father, a clear case of incest as she states. She is a brutal, unintel ligent looking being. The child was born at the proper time, weighed five pounds and ved four hours. The brutal father lives in

KNIGHTS TEMPLAR.

Plamed Sir Kuights Assembling for Grand Conclave at Chicago.

Obicago, August 16. Several commandcries were serenacied at their camps last
night by the Appollo club. To-night the
entire list of commanderies, numbering 280,
will be here. Weather is rather cool for
samping, but pleasant and dry. A steady
stream of sir knights and their indees, and
other men, women and children has poured
into the city and erriving by thousands this
morning. Aiready the city is more crowded
than during the national republican convention. The great difference in the crowd is
the large percentage of ladies, many of the
knights having not only brought their wives
but their whole families. Hotels which,
though they were putting their powers to
the limit to accommodate thousands, are
trying to lodge and feed double that number. Single cots have to do double duty,
and a square yard of carpet is at a premium.
To-day is to be devoted entirely to the reception of visiting knights on the northwest
and south sides of the city. Commanderies
of Knights Templar continue to arrive in
such rapid succession that it is impossible to
keep track of them. So large has been the
crowd of visitors setting towards this
sity that trains had to be
divided to accommodate this
rush, and in this way much delay has been
occasioned by local commanderies to assign
them homes. The sound of music and the
tap of the drum is heard in every direction,
to which various bodies of unformed knights
are marching in and taking possession of the
city. The streets are almost impassible

General Terrance, brigadier general commanding the first brigade of Illinois Rationa Guards, has issued an order detailing 42 men to be stationed at Camp Demolia. Over one hundred newspaper men have arrived, representing the leading papers throughout the country.

The weather is delightfully bright and cool, and there is every prospect of a continuance throughout the remainder of the week.

week. It is now said that 368 commanderies will be in this city by to-morrow morning. Of these 150 have already arrived, and fifty more are in trains near by. Among the commanderies which have arrived since morning are Stephenson No. 3, Staunton, Va.; Georgia No. 1, Georgia; Palestine No. 1, Georgia; Richmond No. 2, Virginia; Lonisians grand commandery; Mississippi grand commandery; and Portsmouth No. 5, Portsmouth Va.
