Twelve Victims Treated From Saturday Accident

As the Journal was going to press, Ellis Funeral Home notified us of the death of Joe Pat Wagnon, longtime Muleshoe resident. He died at 2:12 a.m. Wednesday at West Plains Medical Center.

Funeral services were pending at presstime.

Joyce Holmes, Manager of the Bailey County Civic Center and Coliseum, said there will be no skating at the Coliseum for the next two Friday nights.

On Friday, December 7, skating will be sponsored by the Cub Scouts 7-9 p.m.

Toni Eagle, manager of the Muleshoe Chamber of Commerce and Agriculture, announced Tuesday morning that the Southwestern Public Service Company has done it again! They are the winners in the Thanksgiving decorating contest.

Customers chose SPS as the winner in the contest. They won the Halloween decorating contest last month. Congratulations are in order for Vanda Turnbow, Dolores Garrett and the entire SPS crew for making it two in a row.

Both space is still available for the annual Arts and Crafts Bazaar Scheduled for November 30-December 1 at the Bailey County Coliseum.

If you are interested in having a booth at the bazaar, contact Linda Huckaby of the Moonlight Extension Club at 902 West Eighth St.

Farm Cost To Increase For 1985

Farmers will once again have to deal with rising production costs in 1985.

"Production cost rises will generally exceed the inflation rate next year," says Dr. Forrest Stegelin, economist with the Texas Agricultural Extension Service, the Texas A&M University System. "These increases in input costs will virtually offset any increase in market receipts."

Stegelin expects manufactured fertilizer prices for all forms of nitrogen, phosphates and potash to be up six percent by spring. However, there may be regional declines in prices due to a decline in the outlook for farm crop prices and a decline in the demand for farm goods.

The economist foresees a continued moderation in prices of ag chemicals for 1985. "While the demand remains strong for ag chemicals, prices have declined due to the demise of patents as companies try to protect their market share from free market infringement," notes Stegelin.

Petroleum prices for fuels will be up about four percent by this time next year, notes the economist. Seasonal variations will depend on heating needs. A 3-4 percent growth in farm demand is expected, but farm usage is so minimal relative to total usage of fuels that farm prices will parallel wholesale or

Con't Page 8, Col. 3

WHAT IT LOOKS LIKE AT A WRECK--Firemen and EMT personnel are waiting for members of the Muleshoe Fire Department rescue squad to free another victim from the wrecked car in the background. Twelve persons were injured in the two vehicle accident. At presstime, all victims were reported to be in satisfactory condition. In the car shown, one man is waiting to be freed from the mangled wreckage.

Five Are Transferred To Lubbock Hospitals

Last Saturday evening, the Emergency Medical Technicians from Muleshoe proved, without a doubt, that they care, and really care, about what happens to the citizens of this area.

On receiving a call that a head-on vehicle crash had happened some five miles east of Muleshoe on Highway 70, involving a number of persons, the EMTs quickly went to work.

Most of them drove out to the wreck in their personal vehicles, and immediately starting helping administer emergency treatment to the 12 victims of the accident. Others brought their personal vehicles to town for them after the emergency was over. They were still busy.

With the two local ambulances running a 'shuttle service' back and forth to West Plains Medical Center with victims, the EMTs worked on victims who had been freed from the badly damaged cars. At the same time, members of the Muleshoe Volunteer Fire Department were busy with the 'Jaws of Life' working to free victims trapped inside the mangled cars.

After the final victims were loaded into ambulances to transport to WPMC, the EMTs went to the hospital to help with the major disaster which had become a 'disaster drill for real.'

After the 12 victims had received additional emergency treatment at the hospital, EMTs then drove two ambulances with victims to hospitals in Lubbock for specialized treatment. An ambulance from Sudan, with three EMTs aboard, also came to Muleshoe and transported some of the victims to Lubbock hospitals.

If you happen to run across one of the following EMTs, be sure to take the time to thank them for their support of the community in a disaster. They are Larry and Deanna Rasco, Misty Prater, Royce Harris, Wayne Wauson and Todd Ellis.

Also Due a big 'Thank You' are members of the Muleshoe Fire Department, who turned out in large numbers to help with the accident scene. They not only used the Jaws of Life, but helped in many, many other ways, such as cleaning debris off the highway, helping with traffic control, as traffic was backed up approximately one-half mile in both directions behind the accident.

DPS Troopers Lacie Kirk and David Blackerby were both at the accident, as well as other area DPS Troopers were at the accident, along with Deputies Jerry Hicks and Hal Bynum, Muleshoe City Police Sgt. Wayne Holmes, and a deputy from Lamb County.

The hospital was put in the position of not being in a drill 'in case of a disaster' but being in the situation for real.

Director of Nurses Trina Wilson gave the following statement about the traumatic events from Saturday evening:

"At 1805, Saturday, November 17, 1984, Muleshoe Police Department notified the Hospital Nurses Station that a motor vehicle accident had occurred east on U.S. 70 and ambulances were needed to transport four injured persons to West Plains Medical Center. Both ambulances were dispatched from West Plains Medical Center in a timely

manner. Jo Ann Sanders, RN, Charge Nurse of 3-11 shift, notified Trina Wilson RN, Director of Nursing Service, Marita Smith RN, 3-11 Charge Nurse, and Sue Rogers RN, Operating Room Supervisor and asked them to report to the hospital immediately and be prepared to receive trauma victims from a motor vehicle accident.

"Before the patients arrived at the hospital, Mrs. Sanders RN, Miss Kreighauser GVN, Mrs. Edens GVN, Mrs. Ola Chisom Nurses Aide, and Mrs. Sundquist GVN, prepared emergency Room and Treatment Rooms by assembling IV bags, pulling dressings and opening prep basins.

"Dr. Homer Allgood was already in the building and was prepared to treat all patients. All other physicians were out of town at the time of the emergency. When patients began arriving at the Emergency Room entrance, it became evident that more than four persons had been injured. Patients were Triage'd at the Emergency entrance. Hemorrhaging patients were directed to the Emergency Room and the hallway between ER and Physical Therapy. Persons who needed attention, but could wait for treatment were taken to Treatment Rooms One and Two near the Nurses Station. While Dr. Allgood attended to the severely injured patients in the Emergency Room, and assessing hallway, x-rays were taken on patients suspected of having fractures. Pressure dressings had already been applied on a majority of the patients by the Emergency Medical Technicians who transported the patients from the scene of the accident to WPMC.

"After assessing all twelve of the patients, Dr. Allgood determined that five needed to be transported to Lubbock for special medical care. The remaining seven patients were treated in the Emergency Room

Salvation Army Disaster Canteen To Be In Parade

Doug Rains from the Lubbock Salvation Army district office was in The Journal Monday afternoon and said the Salvation Army Mobile Disaster Canteen from Amarillo will be featured in the Muleshoe Christmas Parade.

He said the Disaster Canteen will be on public display at the Muleshoe State Bank parking lot from 11:30-12 noon on Saturday, December 1, and encouraged local residents to stop by and see what is contained in the Disaster Canteen.

Also, on Saturday, December 8, from 9 a.m.-4 p.m. members of the Jennyslippers will be manning two Salvation Army Christmas kettles in Muleshoe. Tentative locations are in front of Poyner's White Stores and at Pay and Save Grocery.

Rains asked that all persons contribute generously to the Salvation Army Christmas kettles as the funds will be used for persons who otherwise will not have Christmas.

Youth Committee To Start Scholarship

"In August, 1984, the Bailey County 4-H and Youth Committee, in cooperation with the Bailey County 4-H Parent's Association, founded the Bailey County 4-H Scholarship," said Kirby Rankin, assistant Bailey County Agent on Monday afternoon.

"These groups of 4-H supporters recognized a need to further the education of Bailey County's finest young people," he continued. "For this reason, the scholarship was created to help lessen the financial strain of college expenses as well as to

Twenty Year Reunion Set By '64 Class

Are you a member of the 1964 graduating class from Muleshoe High School? How about making plans to attend a 20-year reunion of the class? A 20-year reunion is scheduled for Saturday, December 22 at 8 p.m. at the Muleshoe Country Club.

Coordinators of the event, Diane Wiedebush and Charlene Shafer say class members and their spouses will be more than welcome to attend the reunion. Casual dress will be the rule for the evening said Mrs. Wiedebush.

The coordinators are currently seeking the addresses of the following members of the class: Ray Dewarf, Sandra Jackson, Darrell Burton, Karen Bragg and Marshall Wimberley. If you know the location of these persons you are asked to contact Mrs. Wiedebush or Mrs. Shafer.

Contact Diane Wiedebush at the Muleshoe office of production Credit Association, 8:30 a.m.-4 p.m. by calling 272-4220 or Charlene Shafer at Friona, 247-2007, or write her at 1312 Columbia, Friona Tx 79035.

reward outstanding 4-H members."

From now until January 1, 1985, the two combined groups will be asking for donations toward a \$5,000 scholarship fund. This will be a one time fund drive, asking businesses, individuals, corporations and clubs for a contribution.

Rankin and Lyndon Huckaby, along with Charles 'Chuck' Smith, from the 4-H and Youth Committee, explained that the scholarship fund will be a perpetual fund, which means the scholarship will be given from the interest on the original \$5,000, and not from the principal sum at all.

Eligible will be 4-H senior youths from throughout the county.

"The members of the 4-H and Youth Committee, and the 4-H Parent's Association are committed to raising enough money to set up a permanent scholarship fund from which only interest income is used for scholarships," said Rankin. "This means that we will still be giving scholarships to the next generation of Bailey County 4-H'ers."

The assistant county agent explained that 4-H has already committed several fund raising activities to the scholarship and each 4-H family is being asked to pledge money. "Bailey County 4-H members and parents sincerely believe that a scholarship for our own 4-H kids is worthy of their time, labor, and hard earned money," added Rankin. "They also hope that you believe in the benefits of a 4-H scholarship as well."

They have offered to speak to civic clubs, as well as social clubs to explain the proposed scholarship program. Contact the Bailey County Agent's office at the courthouse to obtain a speaker.

"This is your chance to invest in the future of Bailey County's finest young people," concluded Rankin. "4-H supporters from all across the county encourage

you to donate to the Bailey County 4-H Scholarship Fund."

Members of the 4-H and Youth Committee for Bailey County include: Lyndon Huckaby, Don Parker, Linda Tanksley, H. John Fuller, Lonnie Adrian, David Gutierrez, Judy Watson, Charles 'Chuck' Smith and 4-H Members, Shelley Sain, Donae Parker, Britta O'Tay and Zanna Huckaby.

Two More Weeks For 1984 Contest To Decide Winner

It's really winding down, folks, and there is still no clear cut winner in the Annual Football Contest. With just this week, and one more to go in the annual contest, Danny May and Kathleen Hayes are still tied for the lead with 20 points each.

The latest contest didn't prove anything, except one person with a previous first place win picked up an additional four points. Winner for the week was Marilyn Engelking, who missed only three games, and, in fact, was the only person to miss just three games.

A new name showed up in the winner's column for second place, although his name is not new as an entrant. Lloyd Pollard missed four games, and was 50 points off on the double tiebreaker to take second.

The only other person missing just four games, was previous first place winner, C.O. 'Dutch' Larue of Dimmitt. Larue lost out to Pollard as his tiebreaker scores totaled 61 points.

And, listen to this! A whole 'flock o' folks' missed five games, including some familiar names: Jo Blackwell, Barbara McCamish, Kathleen Hayes, Harold Cowan, Jual L. Garza, Cliff Buckner, Jo Wood, Ruth Malone, Margrethe Taylor and J.E. McVicker.

Thanksgiving

Blessings

From All The Journal Staff

A Time for Thanks... and Sharing.

Thanks for the good that is, and always has been ours...

Our Thanksgiving stems from a harvest festival held by the Pilgrims to give thanks for God's bounty.

They invited their Indian friends who arrived, 90 strong, carrying five deer. The food was welcome, the feast lasted for three days. That sense of sharing and of giving, continues to this day. It is called Thanksgiving.

We remember the courage, bravery and determination of our forefathers who settled on the rockbound coast of the Atlantic and pushed across the new country, regardless of dangers. We honor their memory at Thanksgiving time.

We have been blessed far beyond any dreams our forebearers may have had. For us, Thanksgiving Day is an expression of an ultimate attainment — the giving of thanks for the good that is and always has been ours.

Have A Happy

Thanksgiving

'Kids Of America'

Pageant Set At Lubbock

Darry Modeling of Dallas presents "Kids of America," on Saturday, December 1, at the Evans Junior High School, 4211 58th St., Lubbock, Texas... The search for beautiful and talented young people is open to any youngster between the ages of 0-17 yrs. Living within the state of Texas.

This youth development program in the form of a beauty and talent pageant will offer participation for boys and girls between the ages of 3-17 in a special three minute talent presentation and judging will be based on skill and entertainment. The beauty competition will be separate from the talent and participants may enter either or both. Beauty contestants will have a judge's personal interview, present themselves in casual wear and formal wear. (Street Length dress for ages 3-12: Evening Gowns for 13-17).

Trophies will be awarded to the top five finalist in each age division for all competition and crowns and banners will be given to each winner along with a bouquet of flowers to the beauty winners. An official Kids of America crown will be given to the female winners or a Medal of Honor will be awarded to the male winners, along with an official Kids of America talent banner.

All winners will receive their entry fee paid to participate in Grand Finale '85, the national competition for winners to be held July 30th-August 4, 1985 at the Loews Anatole Hotel in Dallas, Texas.

The beautiful baby division for ages 0-5 months, 6-11 months, 12-23 months, 24-35 months, will be held in the morning and infants will be judged on grooming, alertness and personality.

Young girls and boys will compete on an equal basis. A top five finalist will be named in each age division and the winner will receive an official trophy and Kids of America beautiful baby banner. These winners will also advance to Grand Finale '85 competition.

Also offered is a photogenic division competition where you enter by submitting your photograph for judging by major agencies in the print and media field prior to the pageant.

You may enter the photogenic competition without entering any other event and do not have to be present during the pageant to win. The officials of Darry Modeling and Kids of America, Dallas, Tx., will personally be on hand to meet and welcome you to a program full of fun, excitement and designed to instill ideals throughout our participants. For more information call (806) 793-9488 or (214) 328-KIDS....Deadline for registration is .. Nov. 26, 1984.

Rebekah Lodge

The Thanksgiving dinner served by the Rebekah Lodge was deemed a big success and from all reports, it was enjoyed by everyone attending.

According to ticket sales, around 250 persons went by and had lunch with the Rebekah's.

In parts of Europe it was believed that planting thistles around the doorway was good luck.

Wedding Anniversary Reception Honors Mr And Mrs Terrell

Mr. and Mrs. Coleman Terrell were honored Sunday on their 50th. wedding anniversary with a reception held in the parlor of the Methodist Church in Sudan.

Nieces and nephews and their families hosted the event when some 200 persons called throughout the evening.

The serving table was covered with a candlelight lace cloth and centered with an arrangement of gold and white sweetheart roses flanked with a five branch candelabra with candlelight candles.

The three tiered wedding cake was decorated with gold and white sweetheart roses and topped with a gold 50th. The cake and gold punch were

served from crystal and brass and cake and coffee were served appointments.

The grooms table was also covered with a candlelight cloth and hostesses alternating at the tables.

We're Just Around the Corner Serving You!

MRS. PERRI LEE AND KELLEN POYNOR

Baby Shower Honors

Mrs Perri Lee, Kellen

Mrs. Perri Lee and son, Kellen Poynor Lee, were honored with a baby shower from 10

until 11 a.m. Saturday, Nov. 17 in the home of Jana St. Clair. Guests were greeted by Mrs. Lee and Kellen.

Muffins and sausage pin-wheels were served from crystal and brass appointments.

The serving table was covered with a white lace cloth and accented with yellow mums and a baby mobil. The honoree's corsage consisted of spider mums with booties.

Special guests included: the honoree, Perri Lee and Kellen Poynor Lee, Faye Poynor,

grandmother of Kellen; and Kellen's cousin, Shelby Robinson.

The hostesses gift was a high chair. Hostesses for the

occasion included: Jana St. Clair, Betty Bruns, Marilyn Wilson, Margaret Hamilton, Sheryl Engelking, Elinor Yerby and Debbie Beauchamp.

Senior Citizens

Muleshoe Senior Citizens met Monday, Nov. 19 for a covered dish luncheon at the fellowship hall of the Methodist Church with 20 members and 12 guests present. Guests included five from the nursing home and seven guests who brought the musical program.

It was reported that the Goodtime Quartet from the Trinity Baptist Church brought a very interesting musical program. On the program were Gerald Shanks, J.R. King, R.L. Clark, with Maudie Speck at the piano. Along with them were Mr. Speck, Ida Pearl Clark and Loula Mae Shanks.

The meeting was called to order by the president, Mae Wilterding. Minutes of the previous meeting were read and approved. The next meeting will be December 10.

The birthday song was sung honoring Madge Clements and Myrtle Chambless.

Each one is asked to bring canned food for needy families at the December meeting. An election of officers will be held at this meeting also.

The group was dismissed with the singing of "Blest Be The Tie."

Young Artists

Schedule

Art Show

Students of Rheta White will be holding an art show Dec. 3-7 in Citizens State Bank at Earth.

Young artists showing will include: Tory Matthews, James Foster, Noel Vourazeris, Sheldon Mason, Sherri Stovall, Jeannie Cox, Jeff Lewis, Lindsey Krey, Angie Krey, Heather Merritt, Kelli Caldwell, Leah Bell and Connie Lott.

These young artists also held an art show Sunday at the Heritage House Inn.

Dianna Longwell of Hargill, Tx., sister in law of Mr. and Mrs. Edwin Cox, was the winner of the door prize at the art show Sunday.

Area Retired Teachers Association Meets

Muleshoe Area Retired Teachers Association met at 3 p.m. Friday, Nov. 16 in the meeting room of Muleshoe State Bank with Mrs. Katherine Sanders, president, presiding.

The speaker was John Fuller, superintendent of the Muleshoe Schools, who presented an informative program, concerning the changes in the educational system and community volunteer involvement in education.

Following a short business meeting, Mrs. Maxine Ragsdale

reported on the District Meeting which was held in Lubbock earlier this month.

Plans for the Christmas meeting were discussed. A covered dish luncheon will be held Friday, Dec. 14, in the home of Margie Moore.

Those present at the meeting were Mrs. Raneta Dawson, Mrs. Lena Hawkins, Mrs. Blanche Johnson, Miss Margie Moore, Mrs. Ragsdale, Mrs. Katherine Sanders, Mrs. Aileen Siewert and Mrs. Lois Witherspoon.

LEADERS OF TOMMORROW

We Believe Our Youth Of Today Will Provide Effective Leadership Tomorrow

LEADER OF TOMORROW--Our leader of tomorrow this week is Riley Byers, he is a first grader at Dillman Elementary and is the son of James and Terry Byers. Riley lists riding bikes and playing in his sandbox as his favorite pastime. He says he really likes all of school, but the part he likes most is recess and lunch. His favorite food is pizza and he wants to grow up to be a telephone man like his dad. His impish smile and enthusiasm for living makes us glad to recognize this young man as a Leader of Tomorrow.

Largest Number Of Contestants Ever Entered WBU Pageant

MISS WAYLAND ENTRIES--Among the 28 entries in last weekend's Miss Wayland Baptist University Pageant are (standing) L-R Lisa Malonne, and April Lovell and (seated) Rhonda Mills. The annual pageant, decided Wayland's entry in the 1985, Miss Texas pageant next summer. Miss Mills, a junior business fraternity, is the daughter of Mr. and Mrs. Marlin Mills of Muleshoe.

The largest number of contestants ever resulted in the first three-night pageant ever when the 14th annual Miss Wayland Baptist University Pageant unfolded there last weekend.

Held Thursday, Friday and Saturday evenings, Nov. 15-17 at 7:30 in Harral Auditorium, this year's pageant featured 28 of the most talented and beautiful coeds on the Wayland campus--the largest number of entries in pageant history.

The pageant size necessitated a move to three nights of competition, with the field being divided into two groups. On Thursday night, Group A competed in evening gown and swimsuit, and Group B presented talent. On Friday, the groups switched roles, with Group A doing talent and Group B competing in evening gown and swimsuit.

At the end of each evening, a preliminary swimsuit and talent winner was named. All contestants were interviewed privately by a panel of five judges on Friday afternoon during one of the most important phases of pageant competition.

Saturday evening began with the announcement of 10 semi-finalists, who began the final evening with no points and competed again in evening gown, swimsuit and talent.

Theme for this year's pageant was "Give My Regards to Broadway". Featuring Dean Nolen, sophomore from Seminole, and the reigning Miss Wayland, Weatherford senior Inez Smith, as entertainers. Tom Hall, coordinator of the McClung University Center served as master of ceremonies, while the Wayland University Band, under the direction of Dr. Jim Hansford, provided the music.

Winner of the pageant will represent Wayland and Plainview at the 1985 Miss Texas Pageant next July in Fort Worth.

In addition to the crown, flowers and trophy, the new Miss Wayland received a scholarship which could total as much as \$2,300. The reigning Miss Wayland received almost \$5,000 in goods and services from Plainview merchants and professionals in addition to the scholarship last year.

Miss Wayland serves as an official hostess for the university

during the year and performs for almost every civic club in the area. She is given professional counseling in modeling, makeup and talent.

This year's list of contestants included 12 freshmen, 11 sophomores, two juniors and three seniors. There were 15 vocalists including one who accompanied herself on the guitar. Four played the piano, and three played other instruments--clarinet, flute and French horn. One performed a jazz dance, one performed a song in sign language and four presented monologues.

According to Pageant Director Joe Provence, WBU director of student services, this year's group of contestants was the strongest ever assembled.

Six have been in the Miss Wayland Pageant before, and one competed in the Miss Texas Pageant last summer.

"In a three-night pageant, judging was much more fair to all the girls," Provence said. "When one has to look at 28 girls at once and decide which five to place on any given ballot, it becomes very difficult. By dividing the nominees into two groups, the judges only had to look at and consider 14 at one time.

In pointing to the strength of the talent competition, Provence says that when talent was presented for grouping during rehearsal, 15 deserved to be placed on talent ballots.

Contestants in Group A were Elizabeth Stole, Pullman, Wash.; Sherri Cole, Iowa Park, Dallas Phillips, Hereford; Terri Skinner, San Antonio; Ginny Gagnon, Lazbuddie; Mary Slay, Pilot Points; and Sheri Knesek, Missouri City.

Also Angie Gonzales, San Jon, N.M.; Lisa Cash, San Antonio; A'Lesia Housley, Silver City, N.M.; Kelly Freeman, Bangs; Lisa Malone, Pampa; Janet Hallonquist, Missouri City; and Marca Ford, Borger.

Group B entrants were Belinda Bounds, Lubbock; Lori Brownlow, Roswell, N.M.; Angel Edwards, Tulia; Tonya Echols,

Lubbock; Alexia Andrew, Olton; Jeanette Hallman, Plainview; Darlene Delcamp, Baker; Mont.; Malina Allen, Rancho Cordova, Calif.; Janet Debnam, Lamesa; Lenna Lowrance, Childress; Rhonda Mills, Muleshoe; Gail Cockrell, Amarillo; Tara Younger, Vega; and April Lovell, Lubbock.

SUNSHINE

BADLY SMASHED CAR--Several victims were seriously injured from an accident Saturday evening about five miles east of Muleshoe. The driver and occupants of this vehicle received varying degrees of injuries in the 6 p.m. wreck.

Fruit Tree Spraying In Fall Stops Disease

Fall is often the time when fruit tree care is forgotten or neglected, but it's critical time for controlling many peach and plum tree diseases to insure a good crop next year. With the arrival of fall, there's often a tendency to forget our peach and plum trees that served us so well last summer, notes Spencer Tanksley, county agent with the Texas Agricultural Extension Service, Texas A&M University System. Tanksley says that applying a copper fungicide now can stop or reduce three of the six diseases that attack peach and plum trees in Texas. These are peach leaf curl, bacterial leaf spot and bacterial canker. Puckered and distorted peach tree leaves that were either bright red or light green in diseased areas last spring were due to peach leaf curl fungus. The only time to effectively control this disease is in the fall with a copper-containing fungicide such as Kocide 101 or Kocide 404. Timing of the fall spray is

critical for effective control and for avoiding tree damage, Tanksley explains. Copper is a metal and may cause severe defoliation unless applied correctly. He advises spraying when 70 percent of the leaves fall off the tree. Spraying too early will cause leaf shed or cause the spray to be ineffective later. Bacterial leaf spot and bacterial canker can be partially controlled by fall spraying with a copper fungicide, Tanksley notes. But again it's important to spray at the right time to prevent foliage burn. Bacterial leaf spot affects both fruit and foliage. The infection causes fruit to crack and leaves develop angular spots which drop out. Bacterial canker will kill trees slowly. Infected trees will have gum or wax forming on the trunk and main limbs. Fall spraying is important to the health and production of fruit trees, Tanksley says, because there's no other time when 50 percent of peach and plum tree diseases can be controlled with one spray.

Victims...

Con't From Page 1
of West Plains Medical Center and were subsequently released. All casualty victims were treated in a prompt, efficient manner by Muleshoe EMT's at the scene of the accident and then by nursing personnel and Dr. Allgood at West Plains Medical Center. EMTs who were driving the ambulances found a stumbling-block when they started out to Lubbock with the patients, neither Lubbock General Hospital or Methodist Hospital wanted to accept the patients. However, five of the victims were transported to Lubbock, and after some further discussion 'on the scene' with the Lubbock personnel, all five were left at the two hospitals in that city.

Transported to Lubbock Methodist Hospital were Ramon Garza, Janie Salazar, who are treated and released and Lorea Garza. Transported to Lubbock General Hospital were Daniel Lopez and Gabriel Salazar. Treated at West Plains Medical Center and released were Lucy Salazar, Betty Jo Garza, Joe Garza, Rose Garza, Emma Guzman, Melissa Garza and Joe Torrez. According to DPS reports,

Farm...

Con't From Page 1
rack prices, Stegelin adds. "Farmers and ranchers can expect rebates and sales incentive programs from the farm machinery industry which is bulging with large inventories of all items," Stegelin points out. "It's too bad the farmer is burdened with high real interest rates for operating loans." The economist advises farmers to expect heavy price discounting for large four-wheel drive tractors and hefty price increases on some models of front-wheel drive assist tractors touting fuel efficiency and improved manageability in field conditions. Prices also are expected to be up nearly 10 percent on small horsepower tractors, many of which will be imports. Overall, prices for farm machinery will rise faster than for any other production input, says Stegelin.

People who look upon the past history of the world and find everything good, know little about the past history of the world.

most of the victims received head injuries in the accident. Joe Torrez was driver of one of the vehicles and Joe Garza was driving the other vehicle, when they collided, right front to right front. Torrez was westbound and Garza was eastbound at the time of the accident. Troopers said the damp road was not a factor in the accident, although it had been raining earlier in the day, no moisture was falling at the time of the wreck. No skidmarks were found for either vehicle. The Torrez vehicle ended up on its side on the south side of the highway, in the ditch and the Garza vehicle blocked the westbound

lanes of the highway. Officers cleared the north side of the highway and worked the backed up traffic through after travelers were delayed for some time due to blocked highways. Some persons briefly hampered rescue operations by getting in the way of emergency personnel, but were quickly cleared from the immediate area around the accident. Possible charges are pending, but investigation into the accident is continuing by DPS Troopers at presstime.

DANGER! HIGH VOLTAGE

COTTON HARVEST IS HERE AGAIN and BAILEY COUNTY ELECTRIC COOPERATIVE ASSN. urges extreme caution when operating farm equipment near electric lines!

In recent years, many tragic incidents have occurred involving cotton module builders and power lines. The extended portion of the cotton module builder can come into contact with overhead electric lines if the operator is not very careful. The same problem exists with overhead baskets on cotton strippers.

We urge farmers and their employees to be alert to these potential hazards and to take every possible precaution to avoid serious injury... or even death! When you are moving a module builder, be sure the packer arm is lowered as far as it will go. When using a stripper with an overhead basket, be sure to check for overhead lines before dumping.

If some piece of equipment DOES contact these 7200 volt lines, it is important that you or the operator not try to simply back away. The line could break, or if it's already broken, it could tangle in the equipment and break again, compounding the problem and increasing the danger. Jump clear of the machine, being sure NOT to touch the ground and the machine at the same time. Move quickly away at a right angle to the power line. Then call the Cooperative office whether or not the line is broken so they can help you.

REMEMBER -- a little precaution is ALWAYS worth the time it takes ! !

MULES' TALE

Thursday, November 22, 1984

Editor: Susan Lunsford

Official Publication of Muleshoe High School Written and Edited by Students of the Muleshoe Schools

Band Beats It's Drum

The Mighty "M" Band has retired for the marching season and is now concentrating on three separate fields of musical education: concert band, music theory and jazz band. The jazz band members held tryouts and the following were chosen: saxophone-Diana Martinize, Wesley Foster, Brandon Carpenter, Robert Orosco, and Mark Mata; Trumpet - Alan Finney, Alex Larado, Leah Bell, and Richard Muyschondt; trombone-Loy Triona, Scott Williams Sergio Leal, and Joe Ambrize; bass guitar-Steven Ethridge; rythm guitar-Nathan Lloyd; trap set-Joel Soto; Vibes - Barbie Seaton; piano-Lisa Hamilton; flute-Shelly Sain; vocals-Carmen Espinoza.

The jazz band will be competing at the Texas Tech Jazz Festival in the spring. The jazz band will be rehearsing selections from the pop, jazz, latin jazz, and ballad fields. The jazz band, along with the concert and junior high bands will be performing at the annual Christmas concert on December 13.

After the Odessa UIL band competition, Anthony Gibson, received the following letter in tribute to the Mighty "M" performance: On November 3rd of this year in Odessa, Texas, I attended the UIL Marching Contest to support our own Rankin Red Devil Band. All of us in the stands viewed the performance of your band with the upmost appreciation for outstanding effort. We were more than convinced your fine performance would be rewarded by a trip to State. Unfortunately, we who sit lower in the stands and not in the big box on high were not in a position to make that judgment.

Your band members turned in an extraordinarily fine performance-one that was thoroughly enjoyed and appreciated by the fans in the stands. Keep up the good work. Sincerely, Janice Hyatt

Down The Halls Of MHS

School will be out November 22 and 23. We will be dismissed early Wednesday, for Thanksgiving Holidays.

SCAC will have a meeting November 28.

Mighty "M" Band will have a Christmas Concert December 13. The time will be given at a later date.

Basketball Season starts Tuesday, November 20. The Varsity and J.V. Boys and Girls will play Shallowater there at 3:30.

MHS Honors MHS Faculty With Breakfast

The Muleshoe High Faculty was honored Thursday morning, November 15, with a breakfast hosted by the National Honor Society members. The breakfast consisted of Muffins, brownies, cookies, and breads and hot apple cider. A number of the faculty attended and really appreciated the meal. The NHS met Wednesday 14, at the Chick-n-Dock for their monthly meeting.

Marine Corps Boasts Improvement Concept

Marine Corps Recruiting Station Albuquerque, NM-The Marine Corps is convinced that an individual interested in self improvement is the kind of person who will shoulder some responsibility.

Perhaps that philosophy is why nearly 43,000 Marines enrolled for off duty education under the Tuition Assistance Program in 1984, and why officials at Headquarters Marine Corps expect that figure to hit more than 45,000 by the end of 1985.

Tuition Assistance is a financial aid program for education for active duty Marines who need the money up front for off duty education. The funds are paid by the Marine Corps and do not come out of the individual's other educational benefits. The program will cover between 75 and 90 percent of the tuition costs for Marines, depending on their rank and number of years in the service.

Marines applying for tuition assistance must enroll in classes at a college or university accredited by a regional association and students are limited to a maximum of two concurrent courses, the off duty education load deemed most manageable by HQMC officials.

Marines interested in pursuing higher education, but who haven't graduated from high school are also eligible for the

tuition assistance program to help them obtain a high school diploma. A 100 percent tuition rate applies to courses taken for this cause.

The Tuition Assistance Program is one of many education benefits available to individuals who join the Marine Corps. Further information on this program, and other Marine Corps opportunities may be obtained by contacting the U.S. Marine Corps Recruiting Station collect in Albuquerque at (505) 766-2470. Or write to USMCRS, P.O. Box 2187, Albuquerque, NM 87103.

Army College Fund Is Bigger, Better

Albuquerque, September 27, 1984-The Army College Fund (ACF) will be bigger and better starting in October, with the maximum benefit being increased to \$26,400, according to Lt. Col. Joseph M. Mabry, commander of the U.S. Army Recruiting Battalion, Albuquerque.

"The Army is increasing the benefits to be earned through the Army College Fund because we recognize that college costs will increase between the time the soldier enlists and the time he begins or returns to college," Mabry commented.

"Another major change in the ACF is that soldiers entering the Army with two years of college credit will also earn an increased benefit. This change is in line with the Army's drive to recruit more soldiers with college backgrounds. A soldier who falls into this category can earn up to \$20,100 for educational expenses after just two years in the Army," Mabry continued.

To take part in any of the ACF programs, the soldier must be a high school diploma graduate, be entering the Army for the first time, score in the top half on the Armed Forces aptitude examination and enlist for skill training considered critical to Army needs. The

Civics Classes Travel To Mock Trial Clinic

★★

'Hit Me-- With Your Best Shot

The Varsity Mules started their basketball season Tuesday Nov. 20 at Shallowater. Four letterman will be returning to the court this year; these are Mark Moton, John Isaac, Rob Donaldson, and Hector Flores. The J.V. members from last year who moved up are Andy Copely, Lester Burks, Loy Triana, and Michael Precure. A new member of the team moving here from Lazbuddie is Ben Williams.

Coach Murray comments "We have a well rounded basketball team, physically." "We have height, outside shooting, ball handling, and quickness. "We certainly have areas that need improvement. "We will try to keep improving on a daily basis. How far we can go will depend on how much we improve." Coach Murray seems to feel that these are the best guys to coach in the state.

GIVEN PRISON TERM
CUSTER, S.D. -- Indian activist Denis Banks, who surrendered after nine years as a fugitive, was sentenced to three years in prison recently for his role in a 1973 riot at the Custer County courthouse.

Representatives from each of the five civics classes traveled to Lubbock Thursday afternoon, November 8 to attend a Mock Trial Clinic, conducted by the Education Service Center. This clinic is presented each year to acquaint the students with the rules for the mock trial competition and to initiate them into courtroom procedure. Travis Brown of the ESC gave the welcome and an overview, and then presented Judy Yarbro from the Dallas Bar Foundation. Mrs. Yarbro explained the rules of the contest and trial procedures, followed by a question and answer session.

A mock trial was then presented with three Lubbock attorneys acting as the judge, contestant's attorney and proponent's attorney. Two Muleshoe students were chosen to

act as the witnessess, Tina Ruthardt and Preston Scoggin. This proved to be an interesting and informative session, and at the conclusion of the mock trial, another question and answer session was held.

February 23 has been set as the date for the regional mock trial competition, and the Muleshoe students are eagerly anticipating preparation for this event.

At the conclusion of the meeting, the Muleshoe civics students and sponsors had dinner at the Red Lobster Restaurant where they were joined by a former civics student, Danny Seales. Students attending the Mock Trial Clinic were Tamara Bean, Kristi Heathington, Florinda Mendoza, Becky Mardis, Tracy Tunnell, Preston Scoggin, Vana Pruitt, Ray Vinson, Shelley McMeans, Betsy Lunsford, Debbie Hicks, Charlie Mata, Shonda Pruitt, Trina Seales, Alan Finney, Tammy Nowell, Jodi Cruickshank, Chris Johnson, Tina Ruthardt, Gary Watkins, and Mary Norman. Sponsors attending were Jean Allison and Esther Marie Dillman.

Preliminary tests show herpes vaccine effective on cattle

COLLEGE STATION — Researchers here and in Houston say a successful vaccine against herpes virus in cattle will provide information that should one day help prevent genital herpes and other herpes-caused human diseases such as chicken pox and cold sores. The vaccines, developed by Baylor College of Medicine, were shown safe and effective in preliminary tests on cattle at Texas A&M University, said Texas A&M veterinary virologist Dr. Stewart McConnell, who collaborated on the study headed by Dr. Saul Kit of Baylor.

Pig herpes (better known as pseudorabies) and bovine herpes cost breeders and feedlot owners millions of dollars a year. Pseudorabies or "mad itch disease" is now more than 10 times as prevalent among slaughtered pigs as it was in 1974.

McConnell said the long-range objective of the cooperative experiment is to obtain a vaccine against herpes viruses in humans, but that substituting livestock for lab rats and pastures for cages provides invaluable information that can benefit producers, too.

ATTENTION! BOOK LOVERS

The library staff will be sponsoring a pre-Christmas inventory sale in the library. Students are invited to come in and browse among the books throughout the day, beginning November 21 and continuing on November 26, after the Thanksgiving holiday. With prices of 25 cents, 50 cents, or \$1.00, a wide variety of reading material will be available from which to choose, according to Mrs. Esther Marie Dillman, high school librarian.

EATING OUT

By Rose Hughes

The big ripoff in any chain and new snob-appeal restaurants is what's called home fried potatoes or some other similar misnomer. What this means is that the establishment is taking the easy out and not bothering to peel its potatoes.

NOW it's true that baked potato skins contain most of the vitamins. And at home, where you know what the potatoes looked like when you washed them, eating the skins is a good idea.

BUT are we to trust every restaurant kitchen, the never-seen food preparers back there, to always have good potatoes, and clean them properly? Not this diner.

THERE'S already far too much stomach bug trouble as a result of eating salad at restaurants, raw vegetables not properly cleaned or fresh.

THOSE with sensitive stomachs know that about one out of every three or four times after eating in a new restaurant diarrhea follows the same day.

THAT'S because the food wasn't adequately cooked or cleaned.

A good general rule, then, if you don't know the establishment, is to get meat and vegetables well cooked on your first try. And if the seafood or chicken doesn't taste right, put it aside. Seafood can be more poisonous than chicken.

By the just we mean that which is lawful and that which is fair and equitable.

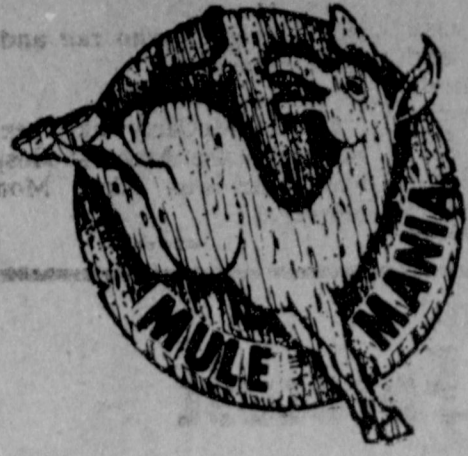

-Aristotle

ON STUTTERING

LOS ANGELES -- Children who stutter, lisp or have difficulty expressing ideas suffer a dramatically high rate of learning and psychiatric disorders, a recent study of 600 children and young adults has shown.

Back The Mules Football CONTEST

Now That Football Season
Is Over

Get Out And Support
The
Cross Country Team
And The
Muleshoe
Basketball Teams

1st \$6
2nd \$3 3rd \$2

CONTEST RULES:

1. Pick the winner of each of the games contained in the advertisements on this page. Write the name of the teams you think will win opposite the game number in the blanks provided on the official contest blank.
2. The contestant must be 12 years of age or older.
3. Only one entry per person may be made for any one contest.
4. Bring you entry blank by The Journal office by 5:30 p.m. Friday, or, if mailed, the entry must be postmarked not later than 5:30 p.m. Friday. Write "FOOTBALL CONTEST" on mailed entry, and mail to P.O. Box 449, Muleshoe, Tx. 79347.
5. Pick and write in the score of the tiebreaker game. This score will be used to break weekly as well as grand prize winners. Decision of The Journal's scoring judges will be final.
6. Check the team you think will win; 10 points for first place, 6 points for second place and 4 points for third place.
7. To count for grand prize, entries must be on official blank printed in the paper.

JAWS OF LIFE IN OPERATION—Members of the Muleshoe Fire Department were on hand at a two vehicle accident Saturday evening to help free trapped victims from their smashed vehicle. Several received serious to critical injuries.

Sudan News
by Evelyn Ritchie

Mr. and Mrs. Calvin Baker were among these from Sudan who were in Georgetown during the weekend to watch the Hornets in the Cross Country run when their granddaughter Danette Provence, placed 8th among all the contestants. The Hornette team placed second.

Mr. and Mrs. C.W. Burford recently visited with relatives in Pecos, Monahans and also in Abilene and Lawn.

Mathis Funeral Held Saturday At Kingsland

Funeral services for Houston Bert Mathis, 79, former long-time resident of Bailey County, will be held at 10 a.m. Saturday in the First Baptist Church of Kingsland. Interment will be in Lakeland Hills Memorial Park at Kingsland under direction of Waldrop Funeral Home of Kingsland.

Mathis died around noon Tuesday in a Kingsland hospital following emergency surgery.

He was born December 3, 1903 in Elk City, Okla. and moved to Bailey County in 1924, where he was a farmer until his retirement several years ago.

He was a Master Mason and a lifetime member of the Muleshoe Masonic Lodge No. 1237. He was also an active member of the First Baptist Church.

His survivors include his wife, Billie; two sons, Allen of Kingsland and David of San Antonio. He also had seven grandchildren and six great grandchildren. He was the uncle of Jack Schuster of Muleshoe.

Mr. and Mrs. Byron Ford were in Abilene during the Veterans Day weekend to visit their son, Mr. and Mrs. Donnie Ford and Steven & Michael.

Mr. and Mrs. W.C. Masten and Mr. and Mrs. Al Harrison and Jay were in Georgetown

during the weekend to visit their sister & aunt, Mr. and Mrs. Carl Becker and to attend the Cross Country run when the Sudan Hornets competed Saturday. The Masten's grand daughter, Sharla Harrison and Shawnda Masten were among

the Hornets who ran and the team placed 2nd.

Lindle McCarty has been a patient in the Amherst Hospital where he was taken Monday morning.

HIGHLIGHTS

The last time Oklahoma State beat Oklahoma was in 1976 . . . the score, 34-24. This will be the 79th meeting in an intra-state rivalry that has been primarily all Oklahoma Sooners. The Sooners have won 60 times, lost only 12, and there have been six ties. Though the Cowboys came close last year, losing by just one point, 21-20, Oklahoma State has the best chance of beating Oklahoma this year. The game is in Norman, and in intense rivalries of this kind, the home crowd can be a tremendous assist. Possible upset? We think so . . . Oklahoma State.

The Army-Navy series is not, as some people believe, the oldest football rivalry among colleges in the country. In fact, there are nineteen traditional rivalries that outrank Army-Navy in number of games played. The Minnesota-Wisconsin series is the oldest among Division I-A schools; they played their 94th game this fall. Lafayette and Lehigh, incidentally, met last Saturday in the 120th renewal of their rivalry, the longest series in number of games. Of course, Yale and Princeton first played football against each other back in 1473 . . . whoops, 1873. That's the oldest of the old. Didn't mean to get so far off the track from this Friday's Army-Navy clash. For Army and Navy, this will be their 85th meeting, Navy leading with 40 wins to 37 for Army. The Cadets of West Point have not beaten the Midshipmen since 1977. Army winning that year 17-14. Since then, other than an unexciting 3-3 tie in 1981, Navy has rolled up 158 points to Army's 33 in winning five straight games. Last year, it was 42-13. Navy. However, this just could be Army's year. The Cadets upset the Air Force, tied Tennessee, and frightened, but lost to Boston College 45-31 for a 5-3-1 record through games of November 10th. Navy, 3-5-1 through the same period, beat North Carolina, lost a 7-pointer to the Air Force, tied Pittsburgh, and had Notre Dame on the ropes before losing 18-17. Based on season records, this should be one of the finest Army-Navy football games in many years. We're picking Army.

Our forecasting fortunes fortunately found "dry ground" two weeks ago and we were relieved that the crystal ball renewed its brightness after Dismal Black Saturday, October 27th. For a few days we thought we might even have to fire the coach! Through Saturday, November 3rd, our average, based on 1,265 winners out of 1,702 games, was .743.

One of the "baby" series in the nation, but one that is traditional for surprises, is the 55-year series between Southern California and Notre Dame. In 1977, the Irish swamped the Trojans 49-19, then went into a five-game losing streak before striking back last fall with a strong 27-6 win. Notre Dame leads the series with 28 wins vs 23 for Southern Cal . . . there have been four ties. The two teams are so close this year, it's almost a coin-flip. They have played only one common opponent, L.S.U., with quite different results. Notre Dame upset L.S.U. 30-22 just a month ago while Southern Cal lost to the Tigers in the third game of the season 23-3. So, in what could be a wild one, the Trojans by a hair.

In a couple of other traditional season-ending contests, Arizona State is favored over Arizona, and Tennessee will out-score Kentucky.

Dorothy Chance Funeral Services Set At Dimmitt

Services for Dorothy Chance, 63, of Dimmitt will be held at

Local Woman's Father Dies At Dimmitt

Funeral services for Billy Marrison Derryberry, 54, of Dimmitt were held at 2 p.m. Monday, Nov. 19 in Bright-Holland Funeral Home Chapel in Paris with the Rev. Eddie Johnson, pastor of the Ramsey Baptist Church, officiating.

Interment was in Evergreen Cemetery under the direction of Bright-Holland Funeral Home in Paris. Derryberry died at 2:43 p.m. Friday in Plains Memorial Hospital following a lengthy illness.

A native of Honey Grove, Derryberry married Mary McCool Oct. 17, 1949, in Paris and moved to Dimmitt 10 years ago from Grand Prairie. He was a shift foreman for Goodpasture and a Baptist. He was a Cub Scout leader and a Little League coach.

Survivors include his wife, Mary; two daughters, Linda Tucker of Muleshoe and Sharon Womack of Dimmitt; one son, Billy Marrison, Jr. of Amarillo; two sisters, Mrs. John C. (Patsy) Bradley of Paris and Mrs. Allene Ellis of Dumas; one brother, James Ragan of Van Nuys, Calif.; and three grandchildren.

Pearl Walden Services Held In Littlefield

Funeral services for Pearl Walden, 93, of Littlefield were held at 2 p.m. Tuesday, Nov. 20 in the Crescent Park Church of Christ in Littlefield with Virgil Yoakum, minister, officiating.

Interment was in Littlefield Cemetery under the direction of Hammons Funeral Home. Mrs. Walden died at 4:41 p.m. Sunday at Littlefield Medical Center Hospital following a lengthy illness.

A native of Fannin County, she married Luther Walden. She was a former Bula resident and moved to Littlefield in 1981. She was a member of the Church of Christ. Walden died on March 10, 1960.

Survivors include five sons, M.D. and Clifford T. of Lubbock Ernest of Houston, Lowell of Earth and Gordon of Littlefield; three daughters, Jewell Lynch of Canyon Lake, Goldie Nixon of Lubbock and Marie Aaron of Hobbs, N.M.; three brothers, Henry and Cecil Allred of Duncan, Okla. and R.B. Allred of Comanche, Okla.; two sisters, Vina Sanders of Bowie and Tina Brooks of Duncan, Okla.; 29 grandchildren; 90 great grandchildren; and numerous great great grandchildren. She was the grandmother of Carroll Kenemer of Muleshoe.

Pallbearers were Nolan Harlan, Ronnie Fisher, David Hampton, Jimmie Pat Claunch, Thomas Lee Harper and Leon Richardson.

2:30 p.m. Friday, Nov. 23 in the First United Methodist Church of Dimmitt with the Rev. Mike Stafford, pastor of the Earth First Baptist Church, officiating, assisted by the Rev. Vernon O'Kelly, pastor.

Burial will be in the Dimmitt cemetery under the direction of Parsons-Ellis Funeral Home of Earth. Mrs. Chance died at 4:15 a.m. Tuesday in St. Mary of the Plains Hospital in Lubbock.

A native of Eastland County, Texas, Mrs. Chance was born Sept. 27, 1921, and moved to the Flagg Community in 1922, from Eastland County. She married Paul Chance on March 6, 1937, at Dimmitt. He died in 1969. Mrs. Chance was a housewife and a member of the Baptist Church and the Muleshoe

Rebekah Lodge. Survivors include two daughters, Miss Patsy Chance of Dimmitt and Mrs. Julia Barnes of New Mexico; one son, Steven Chance of Alaska; a niece, Kathy McElroy of Clarendon (raised by Mrs. Chance); three sisters, Mrs. Pearl Rathel of Anton, Mrs. Ettoy Bryant of Cisco and Mrs. Effie Morgan of Ennis; four brothers, Earl Scitern of Alpena, Ark., Coy Scitern of Devine, Henry Scitern of Gorman and Curtis Scitern of Blythe, Calif.; and six grandchildren.

The family suggest memorials to the Diabetic Foundation. God provides for him that trusteth.

-George Herbert.

the harvest is plentiful

The barns are full, the bins overflowing, the market heaped; America is again blessed with a bountiful harvest. Nowhere else in the world is there a certainty this winter that none, no not one, need freeze or starve. How grateful we can be that we do not have to agonize with the thought that our families may face starvation.

Thanksgiving for America's plenty should rise to God with a concrete, expressed love of our neighbor in this world. Christian love is never an abstract well-wishing; it takes the form of real acts of love. We may be assured that God has given us our abundance to be shared with those who have not. This sharing will be our real act of thanksgiving. Jesus did not speak in vain when he said, "It is more blessed to give than to receive." If we would be blessed, our hearts need to be turned to giving rather than to getting.

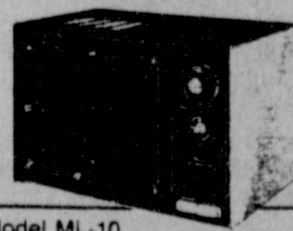

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long preserve and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

A&M educators develop stress tests for adolescents

COLLEGE STATION — The "carefree days of youth" that adults like to remember are for many teenagers filled with anxiety and pressures, say two Texas A&M University educators who have developed one of the first stress tests designed especially for adolescents.

Increased pressure to go to college, to grow up earlier and to succeed have all placed more stress on teenagers than ever before and some measures must be taken to help make youths aware of this stress, contend Drs. Sue Beall and Gayle Schmidt, both associate professors of health and physical education, who developed the Youth Adaptation Rating Scale.

Government statistics show that suicide is the third leading cause of death among 15- to 24-year-olds behind motor vehicle accidents and other accidents. With the help of several hundred adolescents, Schmidt and Beall have identified and categorized by degree of severity 59 events that place stress on the lives of teenagers.

The researchers said they would like to make the test available to teachers to use with their students so that the issue of stress management can be brought up and discussed in the classroom.

What is against truth cannot be just. —St. Augustine.

How Sweet It Is: Apple Industry Starts To Bloom

AUSTIN—Though it's a well-kept secret in some parts of the state, Texas has a small but sweet apple industry that may bloom more widely as new varieties and root stock become available to growers.

In the past 10 years an estimated 200,000 trees have been planted in Texas where apple production goes back more than 40 years in the Panhandle and the Davis Mountains. Many of these trees, weakened by cotton root rot, an indigenous fungus, did not survive. Some did, however. Today between 100-150 acres are harvested annually near Fredericksburg in the Hill Country. Another 100-150 can be found in Montague County along the Red River in North Texas.

Apples are also grown commercially in Comanche, Eastland and Lamar counties, and orchards have been planted in San Saba County, the Winter Garden area south and southwest of San Antonio and the Davis Mountains. A few backyard growers occasionally sell along the roadside in Bowie and Fannin counties.

Texas apples are harvested earlier than those from traditional growing areas in the East, Midwest and Pacific Northwest. The first local Mollie's Delicious, Winesaps and Hollands are off the trees by July 15, and harvest is over in most places by late August or early September. Cold storage apples are available in Fredericksburg and DeLeon until November.

Most of the crop is sold locally at roadside stands and small retail stores. Shoppers unfamiliar with the apples' quality and taste frequently are invited to sample one. "We don't want anyone to buy something they haven't tasted," said Tom Calfey, owner of the Roadsider, a stand outside Fredericksburg.

Tasters will discover crisp, fresh-tasting fruit ranging in flavor from extremely sweet — like the early season Mollie's Delicious — to tart Winesap cooking apples. Depending on where they are, they may also find Jonathans, sweet-tart eating and cooking apples; Starkrimson Delicious apples, a sweet Red Delicious type; sweet Golden Delicious; tart, crisp green-skinned Granny Smiths and tart Hollands, both excellent in pies, cobbles and other cooked dishes; and Rome Beauties, medium-large sweet apples.

Customers will not find the deep red color to which they are accustomed. High, uniform color in red apples

comes from cool growing weather; Texas red apples are pale with patches of green. "We laughingly call them 'Pink Delicious,'" said Calfey.

Color, according to Texas Department of Agriculture assistant marketing director Paulette Schwartz, does not affect taste. The flavor and crispness of fresh Texas apples are likely to be better than out-of-state varieties sold in late summer. These are actually from last season's crop and are marketed from storage.

Blueford Hancock, Texas Agricultural Extension Service, said new varieties of apples, including some developed for warm climates, may herald a bright future for production here.

"So-called low chilling apples require only a small amount of cold during the winter to break dormancy," said Hancock. "You can't grow a Red Delicious near Houston because it won't get cold enough to bloom and put on leaves. Now we have low-chilling varieties that will produce fruit in areas as hot as parts of South Texas."

Growing trees on dwarf and semi-dwarf root stock also holds potential for increasing production. Trees grown on traditional root stock may reach heights up to 12 feet with a spread of 25-30 feet. While one acre will support 35-48 large apple trees, it will hold more than 800 dwarfs.

Dwarf trees are trellised like grapes. At maturity they are approximately 60 percent the size of a standard tree. Hancock said investment in such a super-intensive orchard runs \$6,000 an acre excluding land. Increased production, however, is expected to offset expenses and produce profits. Dwarf trees are already growing in the Winter Garden area and in the Davis Mountains. Thirty acres of semi-dwarfs will be producing in San Saba County by 1986.

Consumers who would like to bite into a fresh Texas apple can do so at the following places:

The Roadsider, Nixon Orchards and Fredericksburg Orchards retail store, Highway 290 East, Fredericksburg.

Scotty Daniel Orchard, Brushy Road, 3-4 miles east of Bowie; I. B. Wagonseller Orchard, Highway 287, Sunset, 3 miles north of Bowie; Robbie's Whitecotton, St. Joe Highway, 1 mile north of Montague.

Smith Fruit Farm, Highway 6, 2 1/2 miles west of DeLeon.

Taxes With Your Morning Coffee.

Texas must pay the state sales tax on magazines and newspapers sold over the counter and by subscription.
