Around Muleshoe

American Association of Retired Persons (AARP) will meet at 11 a.m. Friday, January 25, at the Bailey County Civic Center, for a pot luck luncheon. All members are encouraged to attend the meeting.

The Three Way seniors are sponsoring a mens' and womens' volleyball tournament on February 28 and March 1 and 2. Games will be played at the Three Way Schools in Maple.

Deadline for entries is February 19 and entry fee is \$25.

For further information, call 927-5315 and after 5 p.m. call 927-5488. Mrs. Peggy Johnson is the class sponsor.

Juan Sanchez, son of Maria Sanchez of Earth, has been promoted in the U.S. Army to the rank of private first class.

Sanchez is a fabric-repair specialist with the 1st Corps Support Command at Fort Bragg, N.C.

Southwestern Oklahoma State University at Weatherford, has announced both the President's and Dean's honor rolls for the 1984 fall semester.

Included on the Dean's Honor Roll is Vicki Turner, of Muleshoe.

The third annual Lockney Arts and Crafts Fair, sponsored by the 11 Penseroso Junior Study Club has been scheduled for Saturday April 13, from 9-5 at the Lockney Elementary School Cafetorium.

Cost of a booth rental will be \$25 per 8x10 booth, with \$5 added for each additional exhibitor per booth. Booth rental will be on a first come first serve basis.

For more information on booth rentals, call Karen Quebe at 293-5788 or Rhonda McCain at 652-2534.

The Muleshoe Fine Arts Boosters are sponsoring a pregame Spaghetti Supper on Tuesday, January 29, from 6-7:30 p.m. in the high school cafeteria.

Menu for the evening will include spaghetti, meat sauce, salad, garlic bread, iced tea, and dessert and the cost will be \$3.50 for students and \$4.50 for adults.

Everyone has been encouraged to attend the supper and then attend the district basketball game between the Muleshoe Mules and the Dimmitt Bobcats.

Ambulance personnel from the West Plains Medical Center ambulances made two emergency runs over the past weekend.

The first was Saturday evening to an accident some 14 miles north of Muleshoe, where one man was killed.

From the second run, the ambulance took a man to Lubbock General Hospital following a one-vehicle accident one mile south of Earth on Sunday.

The man was brought to WPMC by private vehicle, then transferred by ambulance to Lubbock for treatment of a head laceration, injured back and possible injured spinal column.

Man, Woman Of The Year To Be Named

It's time to make nominations for the Man of the Year, and Woman of the Year, to be named by the Muleshoe Chamber of Commerce and Agriculture and presented an award during the CofC banquet on March 7.

Nominations will be accepted through February 11, and at that time will close, in order for the Board of Directors for the CofC to make their decision and get the award prepared prior to the banquet.

Make your nomination, in writing, and either take it to the Muleshoe Chamber of Commerce and Agriculture at the city hall, or mail it to the CofC P.O. Box 356, Muleshoe, TX 79347.

Bankruptcy Judge Plans Ruling In Cemetery Case

Reprinted with permission of the Lubbock Avalanche Journal is a story from the Wednesday, January 23, 1985 edition of the Lubbock Avalanche Journal.

By PAT GRAVES
Avalanche-Journal Staff

"U. S. Bankruptcy Judge Bill Brister said Tuesday he will rule in three to four days regarding disposition of a Muleshoe cemetery trust fund entangled in a Chapter 7 bankruptcy suit.

"Attorney David Langston wants the court to approve a negotiated settlement between himself, serving as trustee for the estate of H. D. Hunter Jr. of Muleshoe, and Muleshoe State Bank.

"But because Hunter and former fund trustees allegedly allowed the entire perpetual care trust fund of Bailey County Memorial Park to be applied to loans, five plotters are trying to block the compromise.

"Attorney Latrelle Bright Joy argued Tuesday morning that the plan is unfair, not necessarily in the best interests of the cemetery and allows Langston to operate with a conflict of interest.

"Langston admitted that, under his plan, he would become

trustee of the fund, a legal question on which even he is not sure. Brister, according to Mrs. Joy, asked questions about how a ruling would affect both parties financially. Langston's

Cotton Gins Near Season End

By Tuesday afternoon, most of the cotton gins in Bailey County were winding down for the season, which has been extended this year due to more cotton, and hampered by weather extremes.

With very little cotton left, most of the gins report cotton harvest to be above 80 percent completed at this time.

With 12 gins in the county, the report on Tuesday afternoon was a total of

68,747

bales ginned for the 1984 cotton crop to date.

Bailey County Electric Cooperative reported on Monday afternoon that the 25 gins they serve in a three county area reported 126,462 bales to date, however, several of these gins are included in the Bailey County count.

Local, Area Banks Show Increase In Loans, Deposits

Bank deposits in eight area banks, including the two banks in Muleshoe took a \$15 million plus jump in total deposits between December 31, 1983 and December 31, 1984.

Total deposits at the close of business on December 31, 1983 were \$208,697,221, and increased by \$15,570,178 to the \$224,267,399 reported at the close of the business day on December 31, 1984.

During the same period loans for the banks increased more than \$8 million. Loans on December 31, 1983 were \$86,168,560, and on December 31, 1984 were \$94,658,923, a difference of \$8,490,363.

For the two local banks, deposits increased some \$1,172,462 during the past year. On December 31, 1984, total deposits for the two banks were \$68,257,000, and by the close of business on December 31, 1983, showed a total of \$67,084,538.

Loans for the two local banks also increased, but by a much smaller amount. Loans showed a total of \$33,183,966 at the close of business on December 31, 1983 and increased by \$1,922,034 to \$33,376,000 on December 31, 1984.

First National Bank showed a decrease of \$512,538 in deposits between December 31, 1983 and the same date in 1984. Deposits at First National were

\$32,153,000 on December 31, 1984, compared to \$32,665,538 a year earlier on the same date.

Loans at First National Bank also decreased, by \$619,966 during the same period of time. The bank reported loans of \$13,392,000 at the end of December in 1984, and a year earlier, the loans were \$14,011,966.

For Muleshoe State Bank, deposits increased more than a million and a half during the period between December 31, 1983, and the same date in 1984. Deposits were shown at \$34,419,000 on December 31, 1983, and had increased by \$1,685,000 to the \$36,104,000 reported at the end of 1984.

For loans reported by Muleshoe State Bank, there is an increase of \$812,000 during the

Juvenile Officer Guest Speaker At Rotary Club

Keith Madole, juvenile probation officer, was guest speaker for the Rotary Club Tuesday at noon. He was introduced by Bill Liles, who was in charge of the program for the day.

The juvenile officer spoke on drug use in Muleshoe. In a general program on drug abuse, Madole spoke of ways to better deal with this problem, stating, "If you want it, you can find it in Muleshoe."

One startling statement by Madole to Rotarians was to remind them that the U.S. Government says that marijuana is the second largest cash crop grown in the United States, second only to corn, and well ahead of wheat, cotton and other crops.

That is his answer when someone asks "Why don't the police do something about it?" Madole says, "Can you stop all wheat growing in the United States? Can you stop a crop that is the first cash crop grown in Mexico and in other nations?"

Although he classifies alcohol as a drug, and says the usage of alcohol is widespread in Muleshoe, the local youngsters talk with him about the use of non-legal drugs, such as Acid, LSD, Cocaine (rare) and Marijuana. Prices for Acid include \$7 per stamp, and Madole says the Acid is usually sold on stamps. According to the grade, and gullibility of the buyer, marijuana ranges from

Self-Defense For Women Slated Here

The SPAG Law Enforcement Academy and the Muleshoe Chamber of Commerce and Agriculture are sponsoring a Women's Defense Course. The center of defense training will be a small plastic cylinder, a bit thicker than a pencil. Sharply applied to sensitive areas of the body, the Kubotan can disable a rapist temporarily, giving the intended victim time to escape. Anyone can use the Kubotan and it attaches to your car keys, says the instructor.

On Thursday, January 31, a four hour course will be offered, at the Civic Center meeting room from 6:00-10:00 p.m. The cost of the course will be \$20 which includes Kubotan and Training Manual.

Anyone interested in the course is asked to call the Chamber Office at 272-4248 or drop by 215 South First, City Hall.

By the time the annual Lazbuddie Livestock Show was over Saturday afternoon, the 'Alberta Clipper' had arrived, with its accompanying whistling wind and extremely cold temperatures.

Because of the very cold temperatures, the adult showmanship exhibition that generally concludes the show, was cancelled this year.

There was no steer division judged, although one person brought two steers to the show to be shown, but not judged.

Russell Redwine showed the Grand Champion barrow and Susan Redwine, his sister, exhibited the Reserve Grand Champion Barrow. They are the son and daughter of Mr. and Mrs. Harold Redwine.

Susan Redwine also won the showmanship award for the swine division.

Results of the swine show include, listed in the order they placed:

SWINE
LIGHTWEIGHT
Audra Allen, Jim Allen, Sheldon Mason, Casey Russell, Brett Thomas and Kirk Jesko.

MEDIUMWEIGHT
Shane Mason, Dusty Jesko, Holley Morris, Holley Morris and Casey Russell.

HEAVYWEIGHT
Russell Redwine, Susan Redwine, Susan Redwine, Brett Thomas and Brett Thomas.

Lance Ivy exhibited the Grand Champion Lamb and Sheldon Mason showed the Reserve Grand Champion Lamb. Lance is the son of Mr. and Mrs. D.G.

Friana Slapped

By Muleshoe Mules

Tuesday night, the Muleshoe Mules added another 'big one' when they downed the Friana Chiefs at Friana by a score of 52-34.

For the beginning game of the second half of basketball action, John Isaac was top scorer with 13 points; Rob Donaldson had 10 points and Mark Moton also had 10 points.

Leading rebounder was Rob Donaldson with 14, while John Isaac added nine rebounds to the night's total.

Friday night will be an open night for the Muleshoe Mules as they prepare for the big game against Dimmitt next Tuesday night, January 29.

The Muleshoe-Dimmitt game will be played in Watson Junior High School gym, and with the Mules standing an excellent chance to take district honors in basketball this year, the coaches and players are encouraging a large crowd.

For the first time in many years, the Mules' basketball team is playing with confidence and expertise, action that has been attributed much to their coach, Scott Murray, according to the team. They praise the coach and his leadership.

The Creative Woman

By Sheryl Borden

Information on complementary cooking, fettuccini a salsa verde, and custom linings will be featured on "The Creative Woman" show on January 29 and February 2.

No one appliance is ideal for all recipes, menus or families. The best choice in the appliance to use depends on many things, and this will be discussed by Evelyn George, home economist with the Maytag Co., from Newton, Iowa. Ms. George will show how to use appliances to complement each other, to complement our own time and energy and to complement the menu you've chosen.

Karen Dillon, a sewing instructor with Palmer/Pletsch Associates will demonstrate custom linings vs. quick linings. She will explain why linings are important and make suggestions as to suitable fabrics.

Another guest, Linda Behrends will prepare a dish that is low in calories, low in cholesterol and low in sodium, and is made with ingredients containing soybean oil. Ms. Behrends is a home economist with the American Soybean Association from St. Louis, Missouri.

On January 31, the topics will include the National Beef Cook-off, making a concealed closure, and cooking with silverstone.

Merle Ellis served as the head judge at the 1984 National Beef Cook-off contest in Albuquerque recently. He will discuss the contest, and share some of the prize-winning recipes, as well as talk about the versatility of beef. Merle represents the Beef Industry and he's from San Francisco.

Jo Beth Massey, a home economics student at Eastern New Mexico University in Portales will demonstrate putting a concealed closure in garments. This technique will be the perfect answer for anyone who has had trouble finding the right color buttons to go with a garment. This is used on the finest ready-to-wear clothing and is a very easy technique to use on home sewn projects. Mrs. Massey will show how to alter any dress or blouse pattern

Gradee LeAnn Adrian

Mr. and Mrs. Lonnie Adrian are the proud parents of a daughter born at 5:56 a.m. Friday, Jan. 11 in Central Plains Hospital in Plainview.

The young lady weighed six pounds and 15 1/2 ounces and was 20 inches long. She has been named Gradee LeAnn. She has an older sister, Christi, almost three years of age.

Grandparents are Mr. and Mrs. G.L. Adrian of Earth and Mrs. Leatha Smith of Gainesville. Also the late L.A. Smith of Hart Camp.

Mark Brandon Nix

Mr. and Mrs. Tim Nix are the proud parents of a son, Mark Brandon. He weighed eight pounds and two ounces and was 20 and 1/2 inches long. Mark has a three year old brother, Cameron.

Grandparents are Mr. and Mrs. Edwin Harper and Mr. and Mrs. Bill Nix, all of Sudan.

Great grandparents are Mr. and Mrs. L.M. Harper and Mr. and Mrs. R.D. Nix, all of Sudan; Mr. and Mrs. Henry Sager of Littlefield and Mrs. Buella Coker of Earth.

to do this technique.

La Nell Wilkins is a cookware consultant for the Du Pont Co. and she will demonstrate the versatility of silverstone cookware by preparing a Tex-Mex recipe that is as good prepared over the open campfire as it is on the range unit. Mrs. Wilkins is from Albuquerque.

"The Creative Woman" is produced and hosted by Sheryl Borden. The show airs on KENW-TV, Channel 3 in Portales on Tuesday and Thursday at 12 noon, and at 2:00 pm on Saturday. (All times are Mountain Standard). Viewers can request copies of printed materials offered on the show by calling on KENW-TV's toll-free telephone lines. Poetry Contest

Announced, Prizes To Be Awarded

All Texas residents are invited to submit original poetry in the Eighth Annual CSS Publications Poetry Contest. Open to all ages, the theme of the contest is "human emotions."

Cash prizes totaling \$100 will be awarded for the best poems entered, and the top 150 poems will be published in a book to be released in the fall.

Poems are selected by a prestigious panel of judges consisting of published poets, writers, and English professors.

The deadline is March 15. Poets should submit their poems to CSS Publications, P.O. Box 23-TX, Iowa Falls, Iowa 50126. A nominal entry fee of \$2 per poem is required; no other publication fees are assessed to poets.

CSS Publications, a member of the Iowa Falls Chamber of Commerce, has published seven anthologies resulting from previous annual poetry contests. The 1984 book, I Have Need of the Poets, contains 172 poems by 134 poets from 24 states. Texas residents from College Station, Cuero, and Dallas are published in the book.

TV sets, diamonds, etc., already won by those who visit new real estate developments are the big, new racket of the 1980's.

Miss Texas American Co-Ed Pageant Set

Miss Texas Co-ed pageant is to be held in the Westin Oaks Hotel in Houston the week-end of July 5, 6 and 7. Some lucky girl will be crowned Miss Texas American Coed for 1985!

Girls between the ages of 13 and 18 who would like to receive applications and pageant information should write: Miss American Coed Pageant, 6191 Alicia Drive, Pensacola, Florida 32504 or call 904-476-3814. Girls who are active in their schools and communities and have good grade averages can go directly to the state pageant without having to qualify in a local or preliminary pageant. When writing, please enclose a self-addressed stamped envelope for prompt reply.

Contestants will be judged on poise, personality, stage appearance, and personal interview. The winner will be crowned Miss Texas American Coed, receive a crown, banner, and trophy, and will win an all-expense paid Dream Vacation to Hawaii from August 8 to August 14, 1985 at the beautiful Sheraton Surf Rider Hotel on Waikiki Beach in Honolulu

where she will compete for the national title of Miss American Coed for 1986.

At the state pageant in July, in addition to the overall competition there will be several optional competitions for girls who wish to compete in them including: Academic Achievement, Volunteer Service, Swim-suit, and Talent. None of these competitions are required, but contestants may compete in all of them if they wish. Awards will also be presented for Miss Photogenic, Miss Personality, and Miss American Coed Hostess. A modeling scholarship will be awarded to the contestant selected as Miss Coed Model winner.

The pageant's theme is: Youth-Pride of the Present

...Hope of the Future. The Miss American Coed Pageant seeks to promote and recognize outstanding teens and encourage them to set lofty goals for the future.

'Spring Fling'

Set For Persons

55 And Over

Where can a person over 55 "get to" for: three days and nights of fun-filled activities; learning opportunities; other lively, life-loving people; fantastic food and special events in natural lakeside surroundings with all the modern conveniences?

There may be many places in Texas that offer such fare but not many can match "Spring Fling", an Extension camp for people 55 and over. Five sessions are scheduled for this spring: April 8-11, April 16-19, April 23-26, April 30-May 3, and May 7-10.

Some of the featured educational presentations will include: choosing Medicare supplemental insurance, cooking demonstrations, family life, food and drug interactions, and plant survival tips.

A variety of learning centers will offer "hands-on" experience in areas such as oil paintings, wind chime making, archery, needlecrafts and chair caning.

Participants will also have opportunities to go for boat rides, nature hikes, or fish on the waters of Lake Brownwood. Card and table games, tennis, horseshoes, and volleyball will be available at all times.

Evenings will be filled with such special social events as dances, "An Arabian Night" dinner, and a big talent show. Each camp is limited to the first 100 participants and cost is only \$72 per person for 3 days of activity, so contact the county Extension agent, Deana Finck, for details now!

Gwyn Murray served punch and thumbprint cookies from brass appointments.

Special guests included: Darla Rhodes and Nelda Hunt, grandmothers of Cory Blain; and Ruth Hunt, great grandmother.

The hostesses gifts were a walker and Fisher Price baby inercon. Hostesses for the occasion were: Bobbie Dunham, Dani Heathington, Rhonda Myers, Starla Ellis, Pam Prather, Kay Lynn Brantley, Tammy Ramm, Laverne James, Jean Harlin, Gwyn Murray, Pat Angeley and Phyllis Angeley.

Jennyslippers Initiate Officers

Clad in their evening wear, gowns and robes, Saturday morning approximately 25 Jennyslipper members were "Kidnapped" and taken to breakfast at the Bailey County Civic Center, for the first annual initiation, and according to Nelda Merriott maybe the last, of officers. Doing the kidnapping were the committee chairman.

Following breakfast a famous speaker (Thursie Reid) read her speech, which was prepared by Nelda Merriott and Marjorie Merritt. Helping Mrs. Reid with her speech was Vivian White, 1985 president.

Mrs. Merriott introduced Jennyslippers talented song leader, Billie Downing, and her band, who presented several musical numbers.

Next item on the agenda was the initiation of officers by Mrs. Merriott and Mrs. Merritt. Vivian White was presented a cap, (with a "Boss" insignia) a rope to keep the other members in line and a badge.

President elect, Thursie Reid, was presented a badge and a whip to help her in keeping the members in tow. Ellen Ladd, treasurer, was presented a badge and a can to collect money from the members in,

along with a large brown money bag. Donna Kirk, secretary, was presented a badge and a "Big Chief" tablet and pencil to keep all of the Jennyslippers minutes in.

Mrs. Merriott and Mrs. Merritt also initiated the committee chairman and presented them badges and prizes.

Following the initiation a beauty contest was held with everyone modeling and describing their evening attire, gowns and robes. It was reported that it was a hard decision as to who the winner would be, but after Irene Splawn slipped the impartial judges some money she was declared the winner. She was presented a cardboard clown and pink sheer shorty PJ's.

The last thing on the agenda was the reading of everyone's horoscope by Sandi Robison and Ann Johnson.

TOPS CLUB

Muleshoe TOPS Club chapter No. 34 met Thursday, Jan. 10 at 6:30 p.m. in the meeting room of Bailey County Electric with Clara Lou Jones, leader, in charge.

The TOPS pledge was recited and the fellowship song sung. Laverne James, weight recorder, called the roll with seven members present. Jewel Peeler read the minutes of the previous meeting and they were approved.

It was reported that Nan Gatlin, Mae Provence and Evelene Harris were sick.

Best loser for the week was Ruth Clements. First runner up was Laverne James and Clara Lou Jones was second runner up.

IS IT REALLY MORNING?--This seemed to be the sentiment early Saturday morning when the 1985 Jennyslipper officers were kidnapped and taken to breakfast at the Bailey County Civic Center. Following breakfast the officers and this year's committee chairman were initiated.

People must learn to get along with less than perfect persons.

Keeping Crops Profitable: **1** Number one in a series of informational bulletins.

You can't maximize profits until you optimize yields.

To a point, the higher the yields, the higher the profits. But, there's a certain yield level where profit reaches its highest potential. We call that the optimum yield. Optimum yields should be every crop producer's goal.

Determine your optimum yield.

Since optimum yields are based on profits, they're affected by the same factors -- namely the price you receive for your crop and your cost of production. The idea is to determine what yield level will give you the highest net return.

Obviously, some projections will have to be made. Included in those projections will be market price, the cost of fertilizer and other production inputs, and the effect that these inputs will have on your yield. Your Agrico dealer can be a big help in making these projections accurately. He has the knowledge and experience to not only help you establish the right goals, but to help you reach them.

Many farmers will find that they'll need to increase yields in order to reach optimum levels. A 20-30% yield increase is well within the reach of most.

Optimum yields require the right inputs.

One of the most important parts of both setting and reaching your optimum yield goal will be determining the amount of your various yield-influencing inputs. Your Agrico dealer can help you develop a yield and profit plan that will make the most efficient use of the money you

invest in your crop. Many Agrico dealers even have special computer systems to assist in this process.

Get more information.

Remember, to maximize profits, you must optimize yields. There's nothing new about this concept, it's just good business. Many farmers already practice optimum yield techniques. They're the ones who are making money with the crops they grow.

Together, we can make crop production more profitable. After all, helping you keep crops profitable is what we're here for.

Saluting LEADERS OF TOMMORROW
We Believe Our Youth Of Today Will Provide Effective Leadership Tomorrow

LEADER OF TOMORROW--Audrey Williams is the daughter of John & Sandra Williams and is a fifth grade student at Mary DeShazo Elementary School. Audrey enjoys studying health and will be participating in U.I.L. in Math and Spelling. She enjoys reading and watching TV in her spare time. She also enjoys playing basketball and softball and she will be going skiing for the first time this year. Audrey is a fine young lady and is well liked by both her fellow students and teachers. We salute this young lady as a fine "Leader of Tomorrow"

PROUDLY PRESENTED BY:

Country Club Report

By Claudine Elliott

The Muleshoe Country Club Ladies Association met Wednesday, January 16th for their first meeting of the year.

New officers for the year are: Argilee Millen, president; Lisa McElroy, vice president; Mary F. Holt, secretary; Cookie Bamert, treasurer; Analita Haley, tournament chairman; Jeanetta Precure, Hi Plains director; Lynn Campbell, play-day chairman; and Claudine Elliott, reporter.

A delicious lunch was served by the staff of the kitchen of the Country Club. We are pleased that they will serve our luncheons this year.

Argilee presided over the meeting. All business was discussed and committees made their reports. Lynn has a lot of fun things planned for us on our playdays. Among them are a birdie tree and water pond. She has made a bulletin board with the tree and pond on it, any lady making tree birdies a round-puts a bird in the tree-any lady putting four balls in the water-puts a ball in the pond on the board. (I'm afraid the pond may overflow from my balls alone). It really is a fun thing and will be something to work toward.

Argilee encouraged all ladies to take interest in all our activities and to attend all our luncheons.

Ampey, Ward Engagement Announced

Mr. and Mrs. Clarence John Ampey of Clovis, N.M. and Mr. and Mrs. Cleo Ray Ward announce the engagement and approaching marriage of their children, Dolores Ampey and Cecil Ray Ward.

Vows will be exchanged Sunday, Jan. 27 at 2:30 p.m. in the Muleshoe Church of Christ. A reception will follow the ceremony.

The bride is a 1977 graduate of Clovis High School and a 1981, graduate of E.N.M.U. Ward is a 1977 graduate of Muleshoe High School.

Lynn gave out playday awards to Analita, Evelyn, and Ruby for lowest on all three pars. To Mary Francis for the most six's and to Neats and Argilee for best on No. nine.

We missed Marlene St. Clair this week. She has been in the hospital, but is out and feeling better. Also, Cookie was in the hospital this month, but is all better again too. Argilee reported that her husband, Bill, was still in the hospital in Lubbock. We hope he gets to come home soon now.

Although golf playing is somewhat limited these days the weather is nice for card playing and we have a lot of activity there. So, Join us these cold, cold days.

Sixth Birthday Party Honors Justin Harrison

Justin Harrison was honored Friday, Jan. 11 on his sixth birthday with a party held at McDonalds in Lubbock.

Hamburgers, french fries, cokes and a Ronald McDonald birthday cake were served to the guests following games.

Those present included: Courtney and Casey Legg, Kyla Morris, Heath and Shane Harper, Kris Humphreys, Bo Baker, Jamie Wiseman, all of Sudan.

And Austin Muller of Littlefield. Others attending were Cindy Legg, Mary Ann Harper, Mike and Pam Morris and Rhonda Pickrell and Amanda as well as the parents of the honoree, Freddie and Nancy Legg; and his sisters, Heather and Amber.

Area Retired Teachers Meeting Held

The Muleshoe Area Retired Teachers Association met at the Muleshoe State Bank at 3 p.m. Friday, Jan. 18 with Mrs. Maxine Ragsdale, vice president, presiding.

It was reported that after a short business meeting, Mrs. Elaine Burgess from the Muleshoe State Bank presented a very interesting and informative program on investments.

SCHOLARSHIP--The Texas Tech Ex-Students Association annually provides scholarships to high school valedictorians and salutatorians who enroll as freshman students at Texas Tech. Donna Horn, salutatorian from Muleshoe High School, receives her check from Dr. Bill Dean, executive director of the Ex-Students Association. Donna is majoring in home economics education and is a member of the American Home Economics Association and Twister Sisters, women's gymnastics team. She is the daughter of Mrs. Wanda Horn of Muleshoe.

Missy Fisher Named To Dean's Honor Roll

The fall 1984 Dean's Honor Roll at Wayland Baptist University includes one student from Sudan.

Those present at the meeting were: Mrs. Dorothy Beddingfield, Mrs. Carrie Lee Bishop, Mrs. Mary B. Obenhaus, Mrs. Pauline Guinn, Miss Margie Moore, Mrs. Ragsdale, Mrs. Louise Thaxton and Mrs. Lois Witherspoon.

Home is what the family makes it.

Meals On Wheels Donations 'Up' With Campaign

Muleshoe High School DECA enclosed a letter in the December city water bills encouraging Muleshoe residents to contribute to Meals on Wheels.

DECA sponsor Lola Pylant said the response has been overwhelming. As of January 19, \$982.50 has been donated and this amount is increasing each day, she said. Also, Mrs. Pylant said four additional applicants to receive the hot meals daily are being considered as a result of the letter.

Donating to Meals on Wheels to date include James and Judy Crane; Jane A. Raines; Frank, Sally, Todd and Starla Ellis; Ruby Gordon; J.R. Johnson; Maude Young; Muleshoe Rebekah Lodge; Mr. and Mrs. M.L. Carpenter; Elizabeth King; James Crane Tire; Sam and Elaine Damron; Wooley International; Gladys R. Darsey; Anita Allgood; Dorothy Burge; Muleshoe IOOF; and Muleshoe Hospital and Nursing Home Auxiliary. Mrs. Pylant commented, "Muleshoe High School DECA and Meals on Wheels Appreciate your generosity."

DECA is encouraging such civic support as part of this year's Civic Consciousness project. Project chairman are DECA students, Florida Mendoza and Isabel Posadas.

plan calls for the bank to buy a \$70,000 note secured by a Muleshoe building from the trust fund. That, he said, would raise the value of the cemetery's stock, replenish the fund and satisfy the bank.

"James Glaze, Clifton Finley, Cecil Davis, Walter B. Little and A. D. McCarty claim the fund is not an asset of the cemetery corporation. They contend Langston cannot act as a trustee because his primary concern is paying off Hunter's creditors.

"Langston said he will sell the stock in the corporation and allow the new owner to appoint fund trustees once the principal is restored.

"The former trustees loaned \$70,000 of the fund to Hunter in 1983 to pay off a note Hunter owed the bank. The bank took the remaining \$9,000 from the trustees when they failed to pay a second loan that year. Langston called the practice "highly unusual." Mrs. Joy said it is illegal."

\$35 to \$250 per ounce, said the juvenile officer. LSD was virtually out of the local picture for awhile, but is making a comeback here, added Madole.

"Personally," says Madole, "I see no difference between a kid going out drinking and getting behind the wheel of a car, and the kid who goes out smoking pot then getting behind the wheel of a car."

He says drug usage is a personal choice for the youngster, and cannot be blamed on the parents, but believes the only solution is first "educating yourself, then educating your kids." He says drug prevention and education is not up to the school or the police, but up to parents, and their handling of education for themselves and their children.

"Society as a whole has changed, and people tend to either over-react or under-react to drug problems," added Madole. "But if parents give their children the right background, they will have the education to make the right choice where drug use is concerned."

Young people who go off to college after leaving Muleshoe, or move to other cities and come back to Muleshoe to visit, have told Madole Muleshoe is "worse than other cities and towns for drug abuse."

Alcohol kills thousands of youngsters, added the juvenile officer, who said a quarter-million kids have lost their lives through drug abuse, especially alcohol abuse.

There is even a minor problem of drug abuse among youngsters enrolled in Mary DeShazo Elementary School, according to what Madole has been informed, although it is not a major problem, nor is 'an epidemic,' he emphasized.

Guests at the meeting, included Mike Caldwell, Danny Skaggs, Bill Campo, Glen Green and Brad Poyner.

Water District Holds Election For New Officers

At the close of polls on election night, Saturday, January 19, voters in District Director's Precinct Three of the High Plains Underground Water District No. One had made their choices known as to who would represent their interests concerning the programs and activities of the Water District.

Local Schools Promoting Special Education Classes

The Muleshoe Independent School District provides comprehensive education services for handicapped children living in the district, and these services include an Early Childhood program. A free and appropriate public education is available to all handicapped students between the ages of 3 and 21, and to auditorially and visually handicapped persons between birth and 21, inclusive. The Early Childhood program for preschool handicapped children provides instructional and related services to eligible children based on individual needs. Handicapping conditions for Early Childhood children and other special education children include speech handicapped, learning disabled, emotionally disturbed, autistic, mentally retarded, and orthopedically or other health impaired.

The preschool years are generally considered the most important years for learning to occur. Early detection and intervention is especially important, and the Muleshoe Independent School District is ready to assist in the identification of preschool handicapped children, together with any handicapped child. However, it is the goal of the Muleshoe schools to identify handicapped children as early as possible and begin the process of placing such children, when eligible, in appropriate intervention programs.

Referrals can come from any source, including parents, school personnel, neighbors, doctors, civic agencies, human resource agencies, and others. After the referral, the school provides an appropriate individual assessment for each child referred to determine his needs for special education intervention.

All decisions regarding the educational program of a child referred for special education consideration are made by the admission, review, and dismissal (ARD) committee. This committee determines and documents that the child meets the

Castro Counties, which comprise District Director's Precinct Three, had expressed their continued support of A.W. 'Webb' Gober of Farwell, in representing their concerns for water and water conservation. Gober began his service to the people on this area in 1973 and with his election begins his seventh term in office.

Election judges in Bailey County, Mrs. W.R. Adams from Enochs and Mrs. Margrethe Taylor from Muleshoe, reported that Bailey County voters had elected Sam Harlan and Jay

Herington as Committeemen-at-large for Bailey County. Lewis Scoggin was also elected to the County Committee to represent the people of County Commissioner's Precinct Two in Bailey County. Each of these committeemen reside near Muleshoe.

Election judges said 14 voters went to the polls, and one cast an absentee vote, for a total of 15. Water District County Committeemen are primarily charged with representing the wishes of the people of the county they serve to the Board of Directors. Additionally, the committeemen make recommendations to the District's Board of Directors on the validity of applications for permits to drill and complete wells within their respective counties, and report violations of the District's rules.

The Water District's Board of Directors will meet on Monday, February 4, 1985 to canvass the results of the January 19 election. Results are expected to be approved at this time.

Sudan Basketball News

By Evelyn Ritchie

Both Varsity teams had run-away victories Friday night over the weaker Cotton Center teams. The boys won 97-19 with six Hornets scoring in the double figures. The Hornets took the game 98-10 after running up a 58 point advantage before Cotton Center was able to get on the board.

Sudan took the tip-off in the girls' game and put 8 points on the scoreboard in the first minute with JoAnn Wooley scoring first on a rebound shot. Shawnda Masten hit from the corner. Wooley scored again on a steal and Sharla Harrison put in a shot from under the basket. By mid-quarter, the Hornets had a 14-0 lead when Jeannia Nix hit from outside. Melissa Nix layed one up on a fast break. Harrison added two points on a turn-around, and Masten made it 22-0 as she scored two points at the buzzer. The CC fens got off one uncompleted shot during the first eight minutes while Sudan only turned the ball over once without scoring. Both teams were in bonus at the beginning of the second period and Harrison added three points when she was fouled on a rebound shot. Six of the seven team members scored during this quarter as Sudan controlled the ball, went in for lay-ups on steals and Keitha Scott added four points on outside shots. With the score 58-0, Cotton Center hit a 15-footer at the buzzer when all the fans applauded the stamina of the team.

Wooley took the tip-off of the second half and drove for a lay-up and two points before things cooled down for the local girls for several minutes as they committed several turnovers. However, they got back in the game during the final minutes of the quarter and added 16 points while CC hit a shot with seconds to go to give them four points for the quarter. During the final quarter Cotton Center tried to go into a stall and Sudan did not press but all Hornets managed to score; adding 24 points to give them the 98-10 victory.

Four of the Hornets scored in the double figures with Jeannia Nix leading the pack with 26 points; hitting 10FG and 6 of 6 from the line. Harrison hit 10 FG and 3 of 4 FS for 23 points. Wooley had 9 FG for 18 points and Masten had 8 FG and 1 of 2 FS to add 17 points. Sherrie Powell, the other starter, hit an outside shot for 2 points. Coming off the bench and aiding the Hornets in both offense and defense were Keitha Scott with 3 FG and 2 of 2 FS and Melissa Nix with 2 FG for four points.

The Hornets took the tip-off of their game and turned the ball over on a bad pass but got it back and Brent Kirkland put up the first two points on an outside shot. Seconds later Jeff Kinnie scored on a line drive and Jerry Dodson hit the first of his 22 points on a rebound shot. Charlie Fisher added two FS before Cotton Center got on the board with a 30 foot throw midway of the first period with

Sudan leading 8-2. Sudan continued to burn the nets and had an impressive lead 20-4 at the end of the first eight minutes. Lee Bartley started the second period with a turn-around basket and David Wood hit two FS, all in the first minute of play. Then Johnny Williams blocked a shot, tipped it to Kinnie who passed to David Wood for two, showing very good team work. Both Williams and John Taylor added FS as Sudan went into the bonus with 6:30 left on the clock. Play got fast and furious the final minutes of the first half as the Hornets showed good teamwork with good passes, fought for the rebounds and went to the locker with a 45-7 lead.

Sudan did not cool at the half and came back with Kinnie hitting from the corner within 8 seconds of play. They scored six more unanswered points in the first two minutes before CC scored. Taylor hit two more FS, giving Sudan a 61-9 lead, before Jeff Dodson added a point from the line on a technical foul call after a CC player slammed the ball down following a call by the referee. Wood scored four quick points to give him 7 for the quarter and Jeff Dodson put in a lay-up after getting the tip from a jump ball with 2 seconds in the quarter, 69-9. Sudan slowed down in the first couple of minutes of the final period but still managed to put up 28 points for the quarter. The Hornets added 11 points in the final minute and half with Kinnie adding 3 FS, Jerry hitting a rebound shot, Fisher got a jumper, and Dodson added two FS before Kinnie sank a 15 footer at the buzzer for the 97-17 win; giving the Hornets a 2-0 district record.

Jerry Dodson hit 10 FG and 2 of 4 for 22 points. Kinnie added 15 with 6 FG and 3 of 4 from

Speech Takes

Sweepstakes

From Friona

Muleshoe High School speech department participated in the Friona Speec Tournament on Saturday, January 12. Out of 12 schools, 150 students and 6 categories, Betsy Lunsford place first in Poetry Intpretation. Trish Burgess placed third in Prose Reading. Kristi Heathington placed first in Lincoln-Douglass Debate and Glen Flowers placed second in Lincoln-Douglass Debate. As a team the Muleshoe students took third place Sweepstakes Trophy.

The Friona Tournament was the first speech tournament for the high school team and marks what looks to be a promising year for the team.

At the Floydada Speech Tournament Saturday, January 19, Betsy Lunsford took first place in Poetry Interpretation and Leslie Langfitt took third place in Lincoln-Douglas Debate.

English Class Has

Classes On Satire

Mrs. Wrinkle's senior English IV class recently completed an assignment on writing satire, a type of literature that combines criticism and humor in order to bring about the improvement of humanity and human society. Satire attacks society and its institutions, types of people, places, or a particular person. In the following examples of satire, chosen from the senior papers, by Mrs. Wrinkle and the Mule's Tale Staff, Debbie Hicks views the dilemma of school, Kristi Heathington discusses the price of oil and its importation then Hector Flores, very humorously, looks at the illegal alien problem and the food shortage in Ethiopia.

FFA News

January 14 at 8:00 pm the FFA chapter meet at the Ag Building. The members discussed an outdoor banquet for their annual awards but no decisions were made. A drawing was held for six FFA caps and the meeting was adjourned. To show their appreciation to Mr. Dickerson for sponsoring the FFA group, they gave him a "gift", a gag gift which left him quite startled, to say the least.

Ethiopian 'Sausage'

ETHIOPIAN SAUSAGE by Hector Flores
The crossing of illegal aliens across the border has certainly become a major United States problem for the citizens who do not have jobs because of the low wages which these "burrito bending beaners" work for. I propose to set up a system to eliminate these "taco twirling tortillas." By using them as targets for our military forces, we can bill them off before they have chance to take our jobs. Our armed forces could shoot them as soon as they step on our American soil. Other teams of soldiers could practice their maneuvers by hiking through the terrain and picking up the dead Mexicans and dumping them into huge trucks. Using payloaders, the large sausage producing companies could move the large piles of these enchilada eaters into huge grinders, clothes and all, since this would eliminate the chore of having to add spices. Then we could make sausage to send to the starving in Ethiopia. This would not totally eliminate illegal aliens, but it sure would make them think twice before they tried crossing our border.

Students at MHS recently conducted an election to determine the winners of various honors. Shelley McMeans and John Isaac were elected as Mr. and Miss MHS with Kristi Campbell and Jeff McCarty selected as runners-up for this honor. Selected as Prince and Princess of Friendship were Shelley McMeans and Michael Del Toro, and Kristi Cambell and Andy Copley were runners-up.

The MHS faculty selected students to be honored as Best All-Around and the Best Citizens at MHS. Kristi Campbell and John Isaac were chosen as Best All-Around, with runners-up Shelley McMeans and Preston Scoggin. Florinda Mendoza and Janna Wuerflein were both selected as Best Citizens in a tie vote; Hector Flores was also selected for this honor, with Chris Hernandez named as runner-up.

Shelley is the daughter of Dub and Paula McMeans. She is active in school activities, where she participates in FTA, FCA, is the Student Council reporter, historian of SCAC, reporter for the senior class. She has served as varsity cheerleader and was selected as Homecoming Queen, Harvest Festival Queen. She is a member of the track team and works in the speech department.

John, the son of Mr. and Mrs. Charles Isaac, serves as Student Council president, senior class president, was a football captain, and participates in track and basketball. He serves as FTA vice president, SCAC vice-president, and National Honor Society parliamentarian.

Kristi is the daughter of Mr. and Mrs. Tim Campbell and has served as head cheerleader for this year and participates in basketball, FAC, National Honor Society. She is the secretary of FTA, district historian for FTA, secretary for SCAC, vice-president of the senior class, Student Council secretary, and was a Homecoming queen candidate. She was selected as AAUW Girl of the Month. Jeff, the son of Dr. Jack and Cindy McCarty, served as football captian for the past season and is a member of FCA and the art club. An active participant in all sports, he has been sidelined much of the time recently due to the knee injury and subsequent surgery.

Michael is the son of Rey and Gloria Del Toro. He played football and plans to be a member of the track team. He participates in FCA and is the president this year of the art club. Andy Copley, the son of Mr. and Mrs. Don Copley, plays on the varsity basketball team

and is a member of the Mighty "M" band.

Preston Scoggin's parents are Doris and Kerney Scoggin. He is serving this year as president of the National Honor Society, SCAC president, District FTA president, and participates in the tennis program. Florinda Mendoza, the daughter of Maria Mendoza, is the Student Council representative from DECA and is a member of FTA and the National Honor Society. Janna's parents are Frank and Betty Wuerflein. She is president of the Pep Club, is a member of the National Honor Society, Student Council, and is a member of the cross-country team. Hector, the son of Hector Flores, Sr., was a captain for the varsity football team and was escort for the Homecoming Queen coronation. He has been active in basketball, track and golf, although he is currently recovering from a knee injury. He participates in FTA and FCA. Chris, the son of Mr. and Mrs. Mickey Hernandez is active in band and athletics. He is a member of FCA, FHA, SCAC, Student Council and HECE.

Congratulations to these fine students as the "Royalty" of Muleshoe High School.

Mullettes Fall

To Wildcats

In Basketball

This past Friday night, the Littlefield Wildcats came to Muleshoe to take on the Mullettes. The Wildcats won with the score of 59 to 32. Debbie Isaac was high scorer with 13 points.

Coach Johnson comments "Actually this was one of our better defensive ball games. We were much more aggressive both offensively and defensively. Littlefield is one of the better teams in the Panhandle. They were undefeated in the first round of district play."

The Mullettes next game will be here against Dimmitt. The Mullettes asks everyone to come out and support them during district play.

Littlefield

Defeated

By Mules

The Muleshoe Mules defeated the Littlefield Wildcats by a score of 59-57. The Mules led throughout the game except in the last quarter when Littlefield took a 1 point lead with less than two minutes. After the Mules took the lead again, Andy Copley intercepted an inbounds pass and was fouled. Copley sunk the first free-throw and the second was rebounded by the Mules. Mark Moton dribbled the ball until the clock ran out. The win put the Mules district record at 4-2 to end the first half of district play. Next game for the Mules will be against the Dimmitt Bobcats at home. Come out and support the Mules!

Idalou 'Cats

Fall To Mules

On Home Court

The Muleshoe Mules defeated the Idalou Wildcats at home by a score of 60-50. This win raised the Mules district record to 3-2 and their season record to 10-7. Although the score was very close throughout the game the Mules pulled ahead for good in the final quarter of the game. The Mules put four people into double figures. They were Rob Donaldson with 20, Mark Moton with 13, John Isaac with 11, and Andy Copley with 10. Leading rebounders were Rob Donaldson with 14 and John Isaac with 12. Next game for Muleshoe will be Tuesday, January 22, against Friona at Friona for the start of the second half of district play.

The Perfect School System

THE PERFECT SCHOOL SYSTEM
In an age of problems and debates over the present school system, it is appalling to see the obvious solution to any academic problem being overlooked by the administration. This solution is to create the perfect school system. The system will run smoothly and efficiently and is based on conformity. It is also simple. The perfect school system is produced by installing infallible devices, teachers, and students. The perfect school system must first have a perfect school building. On the outside it looks like a perfectly carved rock. It has no windows and, therefore, no outside distractions. Inside, the floor consists of two conveyor belts-one going in each direction. This allows for order in the halls. When the students arrive at the proper classroom they punch their number into the role machine and sit in their assigned seat as the teacher begins class. The perfect teacher is a computer since humans have flaws that break down the system. The largest of these flaws is human emotion. The computer is programmed to give an explanation and then the assignment. The line is drawn between wrong and right and passing and failing. The absurd practice of giving a few tenths of a point to allow a student to pass is eliminated. Due to the fact that human emotion is removed everyone is treated equally which adds to the idea of conformity. The perfect student is created through conformity. All students wear black shoes, blue knee socks, and blue suits. Hair is

LONGING

To every child there comes a time when they begin to wonder... Where did I come from? Who made the trees? Who made the mountains? EVERYONE has a desire to know their creator. "O GOD, thou art my God; early will I seek thee: my soul thirsteth for thee..." This longing for knowledge of God should be satisfied at an early age. "Train up a child in the way he should go: and when he is old, he will not depart from it." Plan NOW to attend church with your family.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

18. LEGAL NOTICE

NOTICE TO CONTRACTORS Sealed bids addressed to the City of Muleshoe, Texas will be received at the City Hall until 8:00 AM, February 19, 1985 and then publicly opened and read for furnishing all plant, labor, material and equipment, and performing all work required for seal coating city streets. Bids shall be submitted in sealed envelopes upon the blank form of the proposal attached hereto and marked in upper left hand corner. All proposals shall be accompanied by a cashier's check or certified check upon a national or state bank in the amount of five (5%) percent of the total maximum bid price payable without recourse to the City or a bid bond in the same amount from a reliable surety company, as a guarantee that bidder will enter into a contract and execute performance bond within ten days after notice of award of contract to him. The bid security must be enclosed in the same envelope with the bid. Bids without check or bid bond will not be considered. The successful bidder must furnish performance and payment bonds upon the forms which are attached hereto in the amount of 100% of the contract price from an approved surety company holding a permit from the State of Texas to act as surety or other surety or sureties acceptable to the Owner. The right is reserved to reject any and all bids and to waive any informality in bids received. Plans, specifications and bidding documents may be secured from the office of Bill R. McMorries & Associates, Inc. 6300 Canyon Dr., Amarillo, Texas 79109, on deposit of Fifty (\$50.00) Dollars per set which sum so deposited will be refunded, provided: (1) All documents are returned in good condition to Bill R. McMorries & Associates, Inc. not later than 48 hours prior to the time for receiving bids; or (2) The Contractor submits a bid and all documents are returned in good condition to Bill R. McMorries & Associates, Inc. at the time that bids are opened.
