Weather 'Goes On Rampage' In Area

Babe Ruth Off To Winning Start

Flash Flooding Keeps Rescue Workers Busy

Despite late sign-ups and decisions on where to play, Junior Babe Ruth is on the move...

It was decided on May 20, while other schools were getting out, graduating and end of year parties were winding down...

Brittany Tunnell, infant daughter of Rusty and Christie Tunnell of Keyes, Okla, formerly of Earth and Muleshoe was born prematurely on May 28...

Her great grandmother, Ethel Allison, said "She will surely be fine eventually, but hospital bills are mounting unbelievably..."

Longtime Muleshoe resident Babe Barbour died Tuesday in Methodist Hospital at Lubbock.

Toni Eagle, manager of the Muleshoe Chamber of Commerce and Agriculture said the Fun Dance Lessons have been cancelled at this time...

Also, persons who did not purchase their mule commemorative buckle have now lost their chance.

Young Adults of the Calvary Baptist Church will sponsor the final skating for the spring season at the Bailey County Civic Center, tomorrow, Friday night.

Three prizes will be given during the skating from 7-9 p.m., with admission at \$1 per skater.

Muleshoe Babe Ruth League will be conducting a car wash on Saturday, June 8, 10 a.m.-4 p.m. at the Western '66' card stop...

The U.S. Army has announced the retirement of First Sgt. Gordon R. Graves, son of John A. and Mayfair Graves of Sudan, after twenty years of service.

Graves served as first sergeant with the 320th Field Artillery at Fort Bragg, N.C., prior to his retirement.

He is a 1963 graduate of O'Donnell High School.

First Baptist High School students from Lazbuddie won high honors in international competition in Indiana last week. Having won top honors in their home state of Texas, they became eligible to compete in the 13th Annual Accelerated Christian Education Leadership Convention.

As a group, the students were first in Instrument Ensemble; Instrument Quartet; Instrument Trio; Brass Trio; and second in Mixed Quartet; and Male Trio.

Less Barnes was sixth in B/W Wildlife; Tiffany Parham was sixth in Dresses and Fourth in Color Char. Portrait and Tazia Smith was first in Coordinates.

At this time, it was raining and the Babe Ruth League would like to thank the City Manager and his fine employees, people who dedicated their time, citizens who furnished tractors and other equipment to get the park ready for the session.

On May 24, Manager Andy Perez carried his litter of Cats into Babe Ruth Park while host manager, Evaristo Sanchez herded his Colts in for the first game of the year.

Folks! There were butterflies all over the park, most of them being detected in the stomachs of certain 13-years olds.

The Cats scored first run of the season in the top of the fourth, but was quickly tied up 1-1 in the bottom of the fourth. The fifth inning returned to the great pitching duel between Colt Pitcher Tim Lust and Cat Pitcher Ronnie Perez...

In the sixth, the Cats got playful and scored four runs. Colt Pitcher Tim Lust, who had eight strike-outs was relieved by Omar Sanchez who struck out two players to retire the Cats.

In the top of the seventh, Colt Pitcher Sanchez put the Cats back in the field, striking out three of the four batters. In bottom of the seventh, Colts quickly got two runners in scoring positions, but Cat Pitcher Perez sent them back to pasture, striking out the last three batters of the game.

Colt Pitchers Lust and Sanchez had a total of 13 strike-outs. Cat Pitcher Perez logged 14. Final score, Cats 5-Colts 3.

Cont. Page 6, Col. 1

Mule Day Plans Now Underway

If you are wondering-it's official-plans for the annual Mule Day Festival, scheduled for Saturday, August 9, are in full swing right now...

Jeff Smith, founder and coordinator of the annual event for Girlstown, U.S.A., says he still needs to find several chairmen to head up different events...

According to Smith, he needs a chairman for the hot air balloon show, and possibly other events, but will soon have all the chairmen needed to head up the various events...

On tap will be the hot air balloon races and show, turtle races, parade, arts and crafts show, old time fiddling contest, a barbecue dinner served by the Odessa Chuck Wagon gang...

Jeff Smith emphasized that he and the residents of Girlstown, USA, sincerely appreciate all the support given the annual Festival which is a benefit for Girlstown each year.

JASON BOX LOBS A BIG ONE, RUNNERS WILL SCORE--Two runners made it home after Jason Box connected on a line drive in a Sox-Rangers Little League baseball game Monday afternoon.

Conservation Keeping Water Supply 'Level'

Improved water use efficiencies have substantially reduced the rate of net depletion in the Ogallala aquifer in the 15 county area served by the High Plains Underground Water Conservation District No. 1.

The total quantity of gravity water in storage in the Ogallala aquifer within the 5.2 million acre area served by the High Plains Underground Water Conservation District No. 1 as of January, 1960 was almost 100 million acre feet.

Averaging the net depletion over the past twenty-five years reveals an average annual net depletion rate of about 1.3 million acre feet.

Refining the average annual net depletion rate even further reveals that during the first half of this ten-year period, between 1975 and 1980, the average annual net depletion rate in the Ogallala aquifer was 1,249,315 acre feet.

Pressure Dials, Gauges Testing Slated Friday

Jeanette Pierce, Parmer County Home Extension Agent, has announced a free pressure canner testing clinic for Lazbuddie area residents.

It will be tomorrow, Friday, at the Lazbuddie High School from 9 a.m.-12 noon.

Ms. Pierce said all you need to take will be the lid of your pressure canner, as she will be testing dials and gauges.

to 1985, with the net depletion during this period amounting to about 777,336 acre feet per year.

The 1984 net depletion rate of 601,509 acre feet is 48 percent of the 1975 to 1980 annual net depletion rate, and 77 percent of the 1980 to 1985 net depletion rate.

There are numerous reasons for recent decreases in the rate of net depletion from the Ogallala aquifer. The most notable is the relatively stable or declining prices producers receive for their products as compared to ever increasing production costs.

Cont. Page 6, Col. 4

Free Childbirth Classes Offered From Portales

A new opportunity for expectant parents will be offered at Roosevelt General Hospital in Portales this month. Classes in childbirth, labor and delivery, infant care and post partum began Thursday, today, and are being conducted 7-9 p.m. (MDT).

Four classes are scheduled each month, and each will be conducted on Thursday. Printed materials, films, music, demonstration of a baby's bath, parenting and regaining your figure after delivery will be included.

The classes will be taught by the nursing staff of Roosevelt General hospital, explained Jo Richardson, who said to call her at 505/356-4411, ext 240 for additional information.

Water, water everywhere... was the theme song for this area by Wednesday morning, following two straight days of rain. In Muleshoe, the official

Rotary Hosts Area Youths To Camp Ryla

J.D. Cage, president of the Muleshoe Rotary Club, told fellow Rotarians Tuesday that four local youths, two boys, and for the first time, two girls, will be attending Rotary's Camp Ryla this year.

Two of the four designated to attend were at the noon meeting on Tuesday, Zanna Huckaby, who was chosen is currently attending the state 4-H meeting and Loy Triana, also chosen to attend Camp Ryla, is attending an FCA conference.

Also special guests at the Rotary meeting were four former Camp Ryla youths; Alan Finney, John Isaac, Aldo Almanza and Jay Cage.

President Cage reported on the road sign project; the installation of officers to be held July 2; and he also reported that the Muleshoe Rotary Club had gained 12 new members during the past year.

According to a video shown by President Cage about Camp Ryla, the key word for the camp each summer is "motivation."

Located near Taos, N.M., Camp Ryla is in Kit Carson National Forest in the Sangre De Cristo Range in northern New Mexico.

Featured during the camp, along with leadership training, are such activities as canoeing, running, swimming, tennis, basketball, volleyball, softball, fishing, shooting, a rope course, courses on the computer and other activities.

Each camp is one week long, with the local Rotary Clubs picking up the entire 'tab' for the youths chosen by their teachers at local schools to attend the camp.

Boys and girls attend different camps, with about 100 youths attending each camping session.

Other guests at the meeting on Tuesday included Martin Chandler and Pat Riley, from the Texico-Farwell Rotary Club; Paul Brigham, Barak Harlan, Ronnie Holt, Matt Phelps and Clea Williams.

SPECIAL ROTARY GUESTS--Specials guests of the Muleshoe Rotary Club Tuesday at noon were youths who have attended the Rotary's Camp Ryla in New Mexico, along with two of the youths designated to attend this year.

rainfall was only 2.22 with up to three inches reported in varied locations in the city.

As Mother Nature continued her rampage, rainfall of up to nine inches of rain.

On Wednesday, at presstime, more than nine inches of rain had fallen at Sudan, and it was still raining.

Bennie Claunch, at Bula, reported more than eight inches by Wednesday morning, and "lots of water."

A dispatcher at the sheriff's office at Morton said they had received more than nine inches of rain by Wednesday morning, and rain was still falling there at presstime.

Lesser amounts of rain were reported in other surrounding areas.

Eugene Shaw of the West Camp area reported 2.4 inches on Wednesday morning, and Marshall Williams at Progress had recorded 2.5 inches.

From Lazbuddie, the Lazbuddie Grain said 2.5 inches had been recorded, but was nice, slow, soaking rain.

As The Journal went to press Wednesday morning, a flash flood watch was continuing for all of the South Plains and Eastern New Mexico, and rain was continuing to fall in the area.

By Thursday, National Weather Service said most of the rain would be ending, and sunshine would return to the area. In the meantime, many area roads and highways were under water, with roads being closed for periods of time throughout the area.

Early Tuesday morning, Mother Nature went on a rampage in southeastern Bailey County, depositing in excess of five inches of rain on the Bula area, leaving roads under water and impassable, and terrified motorists stranded under water.

Brilliant and constant lightning and thunder accompanied Cont. Page 6, Col. 4

Rabies Clinic Will Be Held At Lazbuddie

A rabies clinic is scheduled to be held at the Ag Shop at the Lazbuddie School on Tuesday, June 11, according to Rick Copp, ag instructor.

He said the clinic will be conducted for cats and dogs by Dr. Jerry Gleason of the Muleshoe Animal Clinic. Rabies shots will be \$6 each, and other shots will be available during the clinic, scheduled for 2-4 p.m.

Have you ever gone to a store because of an ad, only to find disappointment waiting inside? The item was not all it was cut out to be in the ad? The supply had vanished and the salesman tried to interest you in another product?

Reputable and dishonest merchants offer what seems to be good buys at attractive prices. A swindler's deal is one that sounds too good to be true. Buying from reputable merchants helps you avoid the schemer's trap.

Advertising Talk
Know words that merchants use to explain price reductions and it will help you decide whether or not the price is really good.

Regularly usually formerly....was \$30.00, now \$10.00. Merchants may compare sale prices with the store's former selling price for the identical product. Know what you would pay for the same or similar item if it weren't on sale in another store. One store's sale price may be the same as another store's regular price. The former price may be stated higher than it really was.

Suggested retail price....list price....nationally advertised at. Honest dealers may compare the advertised price with the regular price used at other principle retail outlets in the area. The price is a comparison with other local stores and not necessarily with the advertiser's own regular selling price. Your own comparison of this merchant's price with others is the only way to know exactly how much you would or would not

save. Comparable value....compare at. Products may be compared with similar but not identical items sold at other stores in the same area. The terms are not always clear in meaning. Before buying, check the real price, and quality of a comparable item.

Factory price wholesale price. Beware of the business that advertises prices which merchants pay either the manufacturer or the distributor. Keep in mind that a merchant loses money selling goods at the price he paid for them.

Buy three get one free two for the price of one. The honest dealer offers a legitimate deal but the schemer often raises the regular price of an item, eliminating or reducing savings on a free item.

Reduced to \$9.99. Complete responsibility falls on you for guessing the regular price when nothing indicates the previous selling price. An item could be reduced from \$10.00 to \$9.99!

Never undersold lowest price ever lowest prices in town. Beware of a business which makes a habit of attracting you with lowest price claims. To legitimately make such claims, the seller has to know the prices of all other stores in the area and he must offer the lowest price!

Bait Advertising
Dishonest merchants frequently offer tempting deals to attract you into their stores. Once you take the bait and are inside, the schemer may try to interest you in a higher priced item by telling you the advertised item is sold out, unsuitable, or no good. The dealer should have a supply large enough to meet the public's demand unless the ad specifies a limited quantity.

What can you do if you arrive early at a sale and the item is

sold out? Or if a shipment of sale items did not arrive on time? Ask for a rain check. A reputable dealer wants to maintain good will. He may give you the special price even when his reasonable supply sold out fast.

What to Do
Avoid the trap of false advertising. Shop around before you buy and stick to honest dealers. Have verbal promises made by a sales person put in writing. Be courteous to the sales person; however, do not be afraid to say no if you do not want what they are trying to sell you are you are not sure you are getting a fair deal.

Deana Finck, CEA-HE

**Sudan
News
by Evelyn Ritchie**

Mr. and Mrs. Kenneth Noles of Throckmorton were in Sudan Tuesday to attend the funeral service for Marvin Bowling.

Dale Hanna has returned home from visiting in Fort Worth with his parents, Mr. and Mrs. Raymond Hanna and to be there with them while Mrs. Hanna underwent surgery. It was reported she is doing well.

Art Lynch was here just a few weeks ago to tell of the plans to establish a Christian Children's Home in Bangkok, Thailand. The elders decided to help in this worthy endeavor by sending a one-time donation of \$750.00 to the home.

The Church sent \$73.75 to the World Broadcasting Corp to help on the cost of broadcasting a 15 minute program. This gift is to be used in broadcasting the gospel into the Soviet Union and China via the radio transmitter in Alaska.

The church also sent a gift to the Children's Home in Lubbock for the cost of food supplies for the children for one day.

The church has decided to be responsible for and sponsor Ed Murray who has accepted the position as Pulpit Minister for the church in Sioux City, Iowa.

Students Recently Receive Special Awards

Many Sudan students in the fifth, sixth and seventh graders received special awards in math, reading and spelling their last day of school. These awards went to the students who had the highest average in the classes, the highest ranking boy and girl of each class, and to all students who maintained a 90 or over grade point average throughout the year. Each student received a certificate from Mike Fisher, their teacher, for these honors.

The highest student award

from each class went to Kyle Maxfield, seventh grade three math, and Ambyr Donnell, sixth grade section one math, reading and spelling; Monty Edwards, sixth grade section two math, reading and spelling; Clay Carr, fifth grade math; Doug Provenance, sixth grade section two spelling tied with Suzanne Ried.

The highest ranking student from each section went to Kyle Maxfield and Kristi Hargrove, seventh grade math; Ambyr Donnell and Bryan Baker, sixth grade section two math; Monty

Edwards and Tanya Fisher, sixth grade section two math; Ambyr Donnell, Gary Boyles and Bryan Baker, sixth grade section one reading; Monty Edwards, Nichole Maxfield and Glenna Testerman, sixth grade section one spelling; Monty Edwards, Doug Provenance and Gayla Rasco, sixth grade section two spelling; and Clay Carr and Amy Berryhill, fifth grade math.

Those receiving a 100 plus average in each grade were (seventh) Amie Baker, Diego Belez, Jarod Bellar, Patricia Camarillo, Mandy Carr, Kyla Ford, Kay Lynn Gordon, Kristi Hargrove, Kyle Maxfield, Melanie McKillip, Olga Montes, Michael Hernandez and Jay Harrison.

Others receiving a 90 plus certificate were in the sixth grade math, Gaberiel Azua, Bryan Baker, Julie Brotherton and Danny Conley.

Sixth grade math, reading and spelling were: Monty Edwards, Tanya Fisher, Nichole Maxfield, Gayla Rasco, Glenna Testerman, Jody Dodson, Sarah Davis, and Ambyr Donnell. Fifth grade math were Shannon Fisher and Clay Carr.

Sixth grade reading were Gary Boyles, Julie Brotherton, Danny Conley, Jeremy Miller, Suzanne Reid and Tray Baker. Sixth grade spelling, Gabriel Azua, Bryan Baker, Gary Boyles Danny Conley, Joe Flores, Jeremy Miller, Suzanne Reid, Johnny Tores, Charlie Smith, Teresa Zapata and Tyrone Johnson.

Also honored were the five students who placed fifth in the area on the Texas Mathematics test who included: Monty Edwards, Ambyr Donnell, Doug Provenance, Bryan Baker and Glenna Testerman.

Sudan Pioneer Independence Day Celebration Planned

The Sudan Pioneer Independence Day celebration committee met Tuesday night at the Central Compress office. Buddy Lowrance and Tom Rigsby, chairmen, were in charge of the meeting.

The theme for this year's celebration is "Sudan's Diamond Jubilee". Pioneers moving to Sudan prior to September 28, 1925, will be honored during the parade in the reviewing stand in front of the hotel.

It was reported that money collected to date is \$1710.00 and it was decided that the gifts to be given away during the day would again be displayed in the old Bellar Department Store window.

Mickey Stephens reported that she will be having demonstrations in the Senior Citizens building through out the day along with the Arts and Crafts show. Demonstrations for the day will be ceramics, water color paintings and wood carvings.

The parade has been set for 3 p.m. and the MC will be Mike McDonald, minister of the Sudan Church of Christ.

Muleshoe Hospital, Nursing Home Auxiliary Holds Annual Dinner

Muleshoe Hospital and Nursing Home Auxiliary held their annual dinner Monday evening, June 3 at K-Bob's Steak House. Clara Lou Jones, president, welcomed the guests. Elizabeth Harden, Volunteer to Volunteers' LaDonna Scott, Jim Swanner, administrator of Muleshoe Nursing Home, Mrs. J.J. McDonald, Jo Ella Flowers, from Channel 6; and Evelene Harris, from The Journals.

Mrs. Jones said "This is the highlight of our year as it is the only thing we do for ourselves during the year. It is the time we pay our annual dues and receive our bars and pins for our service hours."

Laverne James presented service pins and bars and gave the total amount of service hours and carry over hours for the year. During the past year the members have served a total of 5,321.50 volunteer service hours, either in the hospital, nursing home, or the Thrift Shop, or all three.

Those receiving pins or bars for 500 volunteer service hours were Nell Magby, Dorothy Green, Clara Lou Jones, Berta Muyschondt, Laverne James, Marie Bradley, Sammie Ethridge and Ruth Clements.

A special tribute was paid to Clara Crain and the bar she had earned was presented to her daughter, Mrs. J.J. McDonald. "She was a very special person and this is the first time we ever lost a member that was active for as long as she lived."

"Clara joined the auxiliary on April 11, 1972, and was a faithful member. She served as second vice president and chairman of the beauty shop in the nursing home. She made sure all supplies were there on time, but her main job was doing shampoos and she always liked to finish as soon as possible so she could get busy playing Skip-Bo with the nursing home residents. On Thursdays she and Laverne James and some others always played Skip-Bo until time for supper. This was always such a fun time for her. Also she was very faithful to her work at the Thrift Shop on Saturday. In fact she scattered sunshine wherever she went."

Another special award was given. A Life Membership Certificate was presented to Mabel Caldwell. "She is the only charter member of the Auxiliary. She joined on May 3,

1967, and was a faithful member for as long as she was able. She also worked in the shampoo room in the beauty

LIFE MEMBERSHIP--Clara Lou Jones, left, presented a Muleshoe Hospital and Nursing Home Life Membership to Mabel Caldwell at the Auxiliary dinner held Monday evening at K-Bob's.

shop and did the shampoos for many years and also for many years was a faithful worker at the Thrift Shop."

In closing of the evening Mrs. Jones thanked the committee for planning the dinner. The committee consisted of Laverne James and Marie Bradley with Berta Muyschondt as assistant.

Hypoglycemia Often Misunderstood

Hypoglycemia, or low blood sugar, is a physical disorder that's often mistakenly self-diagnosed as an easy explanation for anxiety, nervousness or lack of energy.

Hypoglycemia is somewhat rare and should be diagnosed by a physician after appropriate blood testing, advises Mary K. Sweeten, a nutritionist with the Texas Agricultural Extension Service. For those with a diagnosed condition, the doctor will prescribe treatment based on the patient's individual needs.

People who are not hypoglycemic, but complain of the symptoms, may be helped by following a more healthful lifestyle, suggests Sweeten. Skipping meals, not eating a variety of nutritious foods, poor sleep habits, lack of exercise or personal problems and stress may contribute to the problem.

The nutritionist recommends the following to alleviate nutri-

tion-related symptoms:

- * Eat nutritious meals and snacks.
- * Eat more complex carbohydrate foods, such as whole grain breads and cereals, with fruits and vegetables replacing candy and other sweets.
- * Eat several small meals a day.
- * Eat more fiber-rich foods.
- * Eat slowly.
- * Carry a nutritious snack, such as a can of orange juice or crackers and cheese, to eat if symptoms arise when away from home.

Very few participants in marriage ceremonies recall the "for poorer" phrase.

Those who love money greatly are never much in love with anything else.

NEW OFFICERS--(From Left) back row: Clara Lou Jones, Berta Muyschondt, Laverne James and Marie Bradley; front row: Paula McMeans and Ruth Clements, are the new officers for the Muleshoe Hospital and Nursing Home Auxiliary.

Enochs News by Mrs. J.D. Bayless

Mrs. Ima Roberts and son Steve visited in the home of the Bill Keys Sunday.

Visiting Mrs. Lorella Jones recently was her sister and husband Mr. and Mrs. A.A. Parkinson from 29 Palms, California.

The wheat harvest is in full swing. A few of the farmers have theirs combined.

Dinner guests in the home of Mrs. Etta Layton Sunday were her sons and grandchildren, Mr. and Mrs. J.E. Layton, Mr. and Mrs. Jarrol Layton and daughter, Mr. and Mrs. Keith Layton, Mr. and Mrs. Harold Layton, Mr. and Mrs. Mark Derrington and sons, Mr. and Mrs. Jerry Nichols and children, Robert Layton, Mr. and Mrs. Jerry Blasingame of Perryton and daughter Stacy of Lubbock visited with the group in the afternoon.

Maribel Zoromora left for Austin Sunday where she will be going to college and has a job. Her brother went with her and he will fly home.

Mr. and Mrs. Dale Nichols visited their daughter, Paula and husband James at Odessa and attended James' baptismal service Sunday night.

Candlelight Ceremony Unites Miss Powell, Moss

Kimberly Ann Powell became the bride of Troy Wayne Moss in a candlelight ceremony Saturday, May 25 in the Sudan First Baptist Church. Mike

McDonald, minister of the Sudan Church of Christ, read the double ring vows. Parents of the couple are Mr. and Mrs. Dwayne Powell and

Mr. and Mrs. Tommy Moss, all of Sudan. Grandparents are Mr. and Mrs. Arnold Beckett and Mr. and Mrs. Forest Powell, all of Sudan, and Mr. and Mrs. Troy Moss of Littlefield and Mrs. Theresa Baccus of Lubbock.

Organist, Mrs. Troy Moss of Littlefield, grandmother of the groom, provided the traditional wedding music. Mr. and Mrs. Billy Donaldson of Muleshoe, cousins of the bride, sang "The Wedding Song", "Sunrise, Sunset", "Truly" and while the couple lit the unity candle they sang "Just You and I".

The church was decorated with an arched candelabra holding white tapers and greenery flanked by candelabra of interlocking rings also holding white tapers and accented with greenery and interspersed with purple flowers with the setting complemented with large baskets of white and lavender gladiolus, bell flowers, roses and greenery on either side of the platform.

Given in marriage by her father, the bride chose a formal length gown of white silk organza over taffeta, featuring a high victorian neckline and a molded Alencon lace bodice with scattered pearls and a yoke of illusion and lace. The leg-o-mutton sleeves were embellished with Alencon lace and seed pearls. The natural waistline held a full gathered skirt which was encompassed with strips of Chantilly and Alencon lace down the sides and back with appergies and seed pearls. The hemline was finished in ruffles and lace and flowed to the back into a chapel length train. She chose a picture hat of Chantilly lace with a waist length veil of illusion attached.

She carried a white cascade bouquet featuring roses, gypsophilla and babies breath highlighted with lavender and grape ginger blossoms. In her shoes she wore pennies minted in the years of their births.

Following tradition, for something new she chose her dress, something blue was the traditional garter, something old was her grandmothers wedding ring, and borrowed was a hankerchief belonging to her sister.

Sherri Powell, sister of the bride, served as maid of honor. Matron of honor was Mrs. Cindy Nichols of Littlefield, sister of the bride. Bridesmaids were Kathy Powell, sister of the bride, and Stephanie Bickett.

They wore formal gowns of silk organza in shades of orchid and grape. They were styled with flounced drop shoulders and fitted waists. The full skirts featured a wide ruffle above the flounce at the hemline and one side of the skirt, featuring a

pick-up shirred motif topped with tiny bows of the same material.

They wore derby styled hats in colors of their dresses adorned with a cluster of silk flowers on one side of the turned up brim of the hats that were edged in a row of seed pearls. They carried fans with shades of purple and lavender flowers.

Courtney Legg, niece of the groom, was flowergirl and junior flower girl was Brandi Nichols, niece of the bride. Courtney dropped love knots as she walked down the aisle and Brandi carried a fan as the

other attendants. Courtney was dressed in a floor length gown of purple and Brandi was dressed in lavender.

Sherri Powell and Kathy Powell, sisters of the bride, served as candlelighters.

Shawnda Masten of Sudan and Gail Williams of Bryan registered the guests and Debbie Hall, cousin of the bride, was coordinator.

The registration table was covered with a white net over white cloth and accented with a stacked compote with shades of purple and lavender flowers.

The guests were given orchid and purple bookmarks imprint-

ed with the wedding date and names of the couple.

Ring bearer was Cody Carlisle of Temple, cousin of the groom. Pete Edwards of Sudan served as best man and groomsmen were Derwin Beauchamp, Craig Doty and Darren Provence. Ushers were Carroll Legg, Jimmy Nichols and Keevan Masten.

The groom was attired in a white tuxedo and the groom's attendants were dressed in silver tuxedos.

Following the ceremony, a reception was held in the fellowship hall of the church. The bride's table was covered with an orchid cloth with white lace overlay and accented with a silver candelabra, purple flowers and white candles.

Serving the three tiered wedding cake that was topped with a ceramic Precious Moments were Danene Cox, Debbie Hill and Laura Powell. They also served white punch from crystal appointments.

The groom's table was covered with a floor length purple cloth and centered with a fruit plate. Coffee and chocolate cake were served from a gold service by Sherri Doty and Mechelle Edwards.

The bride is a 1984, graduate of Sudan High School and is attending South Plains College and the groom is a 1981, graduate of Sudan High and is presently employed by Co-Op Gins of Sudan. They plan to make their home in Sudan.

MRS. TROY WAYNE MOSS (nee Kimberly Ann Powell)

The Creative Woman

By Sheryl Borden

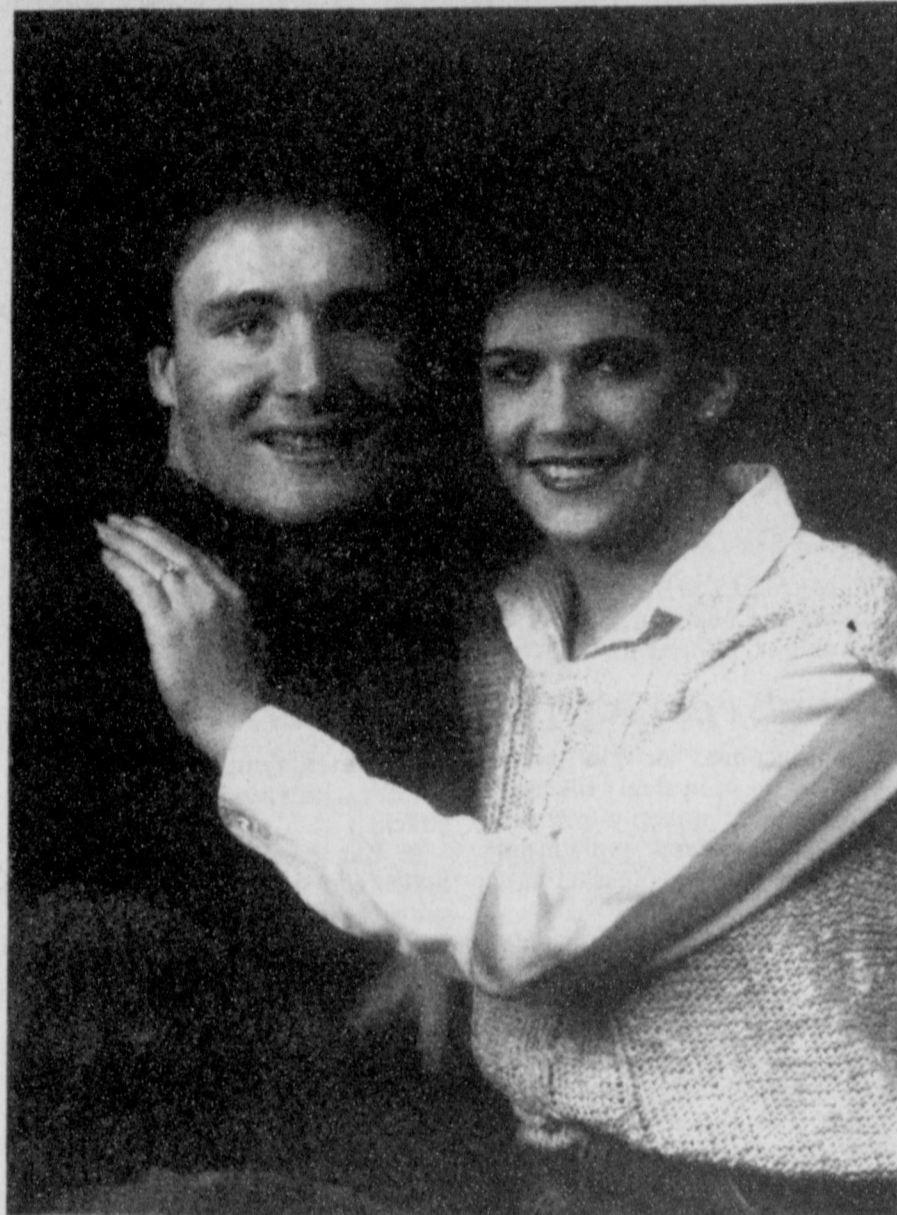

Three topics will be presented on "The Creative Woman" show on June 11 and 15. Batter breads are really the busy homemakers' friend--there's no kneading, less rising time and the mixer does the work. Fran Smith, home economist with Universal Foods in Milwaukee, Wisconsin will demonstrate making batter breads by making a strawberry coffeecake.

Paulette Durfee, owner of Coat Craze in Shelley, Idaho will discuss decorating coats with applique, yokes, or stripes. She will display a variety of coats with various types of decorating techniques.

The final part of the show will be on journal keeping and the guest will be Dr. Penny

Stewart, Associate Professor of English at ENMU in Portales. Dr. Stewart explains why people will enjoy journal keeping and tells how it can be used to reduce stress, tension and help keep you happy as well as record memorable events in your life.

On June 13 Paulette Durfee will be the featured guest as she shows step-by-step how to make coats. Paulette uses many factory methods which help to eliminate unnecessary work, shortens the time involved and makes the job much easier with professional looking results. Using her patterns and instructions, it's possible to make a \$75.00 coat for less than \$15.00 and in less than six hours.

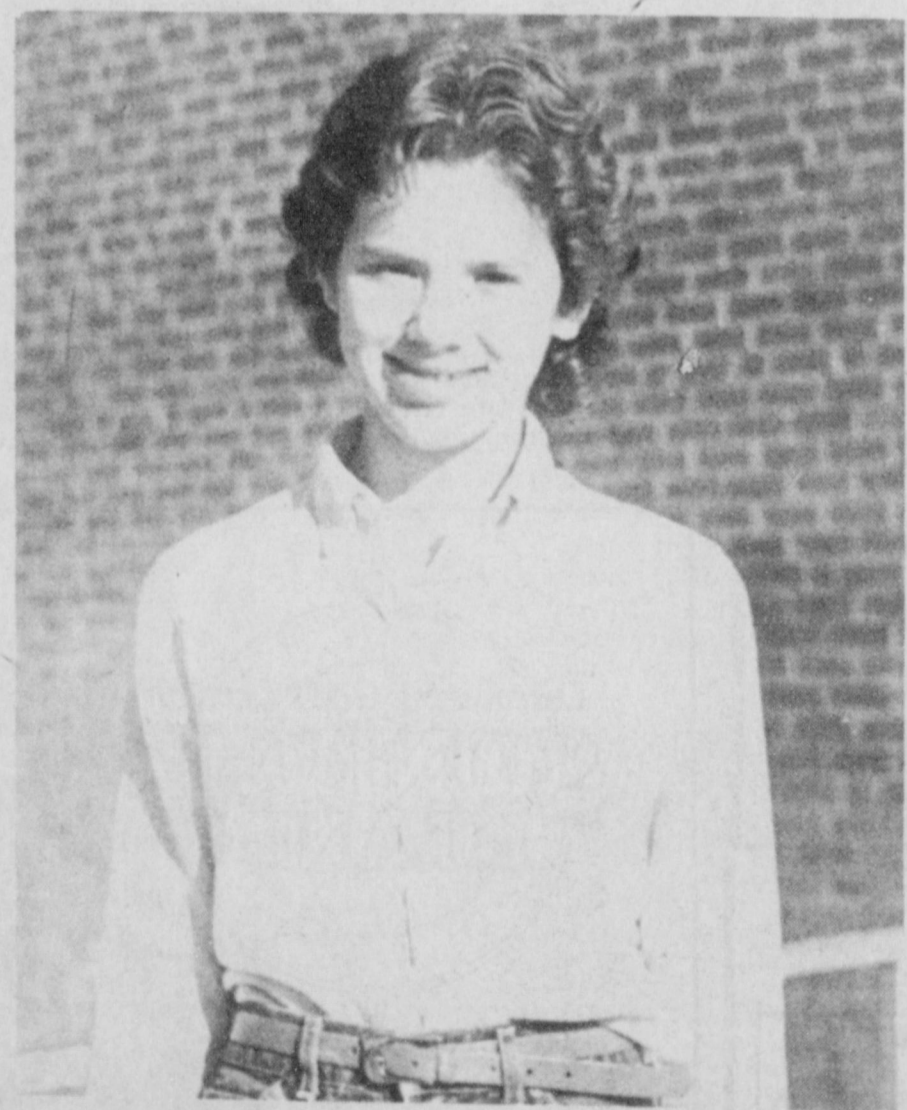

ENGAGEMENT ANNOUNCED--Mr. and Mrs. Ken Aldridge of Ranson Canyon announces the engagement and approaching marriage of their daughter, Pamra to Bill Hodnett, son of Mr. and Mrs. Jack Hodnett of Maple. Vows will be exchanged on Saturday, July 27 at 4 p.m. at the Ford Chapel of the First Baptist Church of Lubbock. The bride elect is a 1981, graduate of Roosevelt High School and attended WTSU at Canyon. She is employed as a dental assistant and model. Hodnett is a 1978, graduate of Three Way High School and attended WTSU. He is Executive Conference Director for American Guarantee Financial Service.

MISS CONNIE PUCKETT

Bridal Shower Fetes Miss Connie Puckett

Miss Connie Puckett, bride elect of Bill James, was feted with a bridal shower Saturday, June 1 from 3 until 4 p.m. in the home of Mrs. Paul Wilbanks.

Guests were greeted by Mrs. John H. Puckett, Mrs. Willie James and the honoree, and registered by Dee Kinard.

Sherri Claunch and Hattie Kinard served punch, cookies, mints and nuts from brass and crystal appointments.

The serving table was covered with a white lace cloth and accented by navy blue and peach butterflies. The honoree's corsage consisted of white carnations accented in blue.

Special guests were Mrs. John H. Puckett, mother of the bride; Mrs. Willie James, mother of the prospective groom; Audrey Dudley and Myrtle Puckett, grandmothers of the bride; Melissa Puckett, sister in law of the bride; and Tonya Pool and Glenda Copley, sisters of the prospective groom.

The hostesses gifts were a microwave oven and the butterflies on the serving table.

Hostesses for the occasion included: Hattie Kinard, Lee Ann Smith, Sherri Claunch, Jannette St. Clair, Lisa Whalin, Linda Pearson, Bethany Davis, Donna Shaw, Kathy Embry,

Nelda Hunt, Nancy Stovall and Evelyn Northcutt.

Also Jo Ella Flowers, Betty Cowan, Deborah Noble, Doris Scott, Pam Atwood, Judy Wilbanks, Helen Adrian, Helen Head, Helen Redwine, Marcia Henry, Dee Kinard, Laura Seals and Pat Watson.

Brittany Alexandra Tunnell

Mr. and Mrs. Rusty Tunnell of Keyes, Okla., formerly of Earth and Muleshoe are the proud parents of a daughter, Brittany Alexandra, born Tuesday, May 28 at Boise City, Okla.

Brittany has a brother, Travis, who celebrated his second birthday on June 2.

Grandparents are Sherry Allison Severson of Denver, Colo., Gene Tunnell of Earth and Ray Manasco, formerly of Muleshoe.

Great grandparents are Ethel Allison and Ovie Manasco of Muleshoe and Mr. and Mrs. Oliver Tunnell of Earth.

Tiffany Nicole Flores

Mr. and Mrs. Joe Flores are the proud parents of a daughter born at 8:44 a.m. Saturday, June 1 in West Plains Medical Center.

The young lady weighed seven pounds and nine and half ounces and has been named Tiffany Nicole. The couple have one other child, Melissa, two and half years of age.

Grandparents are Mr. and Mrs. Ray Garcia of San Angelo and Juanita Flores of Muleshoe.

Great grandparents are Ramon Garcia of California, and Maria Guman of Victoria.

A man matures as he learns what other people know and learns to laugh at himself.

SPECIAL TRIBUTE--Monday evening the Muleshoe Hospital and Nursing Home Auxiliary paid special tribute to Clara Crain who joined the auxiliary in 1972, and remained an active member until her death. Laverne James, member, presented Mrs. J.J. McDonald, Mrs. Crain's daughter, with the bar Mrs. Crain had earned before her death.

DEAN'S HONOR LIST--Eva Rejino, daughter of Mr. and Mrs. Concepcion Rejino, was a May 1985, graduate of South Plains College with a major in Computer Information Systems. She made the Dean's Honor List for the Spring Semester with a grade point of 3.57. She plans to move to Lubbock where she will pursue her computer career.

1925

This week closes the Muleshoe school, with five graduates from the high school. Several will graduate from the grammar school.

A wholesale seed grower from Rocky Ford, Colorado is here this week contracting acreage and the products, for his firm. The farmers of the Shallow Water Valley will plant 200 acres in cucumbers. The company has contracted all the seed from the 200 acres at 29 cents per pound. They will bring a thrasher here to handle the crop. In Colorado the farmers realizes about \$150 to \$200 per acre from their cucumber seed.

Master Gilrobert Rennels, three week old son of Mr. and Mrs. Jack Rennels, was honored with a Christening reception Tuesday afternoon at the Woodie Lambert home.

Judy Wiseman Receives Degree From WTC

Judy Lynn Wiseman of Sudan was among the 145 students receiving associate degrees from Western Texas College in commencement exercises held on May 10.

Miss Wiseman was named to Who's Who Among Students in American Junior Colleges for 1984-85. She was a member of the WTC chapter of Phi Theta Kappa, a national honor fraternity for students in junior colleges, and of the WTC women's basketball team, the Dusters.

A graduate of Sudan High School, Miss Wiseman is the daughter of Mr. and Mrs. Calvin Wiseman, Jr.

Local High School Students Named To Legion's Boys State

One high school boy will represent Muleshoe at the 1985 session of Texas American Legion Boys State, Commander Eldridge Graves of Ben Richardson Post No. 403 of the American Legion here announced today.

Named to participate in this annual American Legion workshop in the organization and operation of state and local governments is Michael Precure, Muleshoe High School, son of Mr. and Mrs. Ray Precure.

The 1985 American Legion Boys State will be in session from June 8 to June 14, 1985, at the University of Texas, Austin, Commander Graves said.

Departments of Texas of the American Legion will sponsor 51 of these Boys States this summer. Two outstanding youths from each of the American Legion Boys States will go to American Legion Boys Nation during July in Washington, D.C. where they will study federal government organization and operation in much the same manner as the Boys State delegates participate in training in state government.

During their Boys State sessions, the Muleshoe youth will participate in the organization of political parties, campaigns, elections, and the enactment and enforcement of their own laws within a mythical state. Elected State Officials will function "for a day" at the Capitol on June 14 and conclude with a Joint Session at the Boys State Legislature.

"As one of the Legion's outstanding youth-training programs, Boys State affords these youngsters an opportunity to learn the functions of Local and State Government," Commander Graves said. "Also, they will see the importance of the role a good citizen has in discharging his citizenship responsibilities. They soon discover how good government depends upon the active interest of every citizen."

Water Supply Level

Cont. from Page 1

also occurred during the past ten years. Additionally, increased interest costs to the producer of 15 to 25 percent during the past ten years as compared to six to eight percent for the prior ten years has tremendously affected the irrigator.

There have, however, been tremendous improvements by irrigators in their irrigation water use efficiencies. The High Plains Water District, the USDA-Soil Conservation Service, Texas Tech University, Texas A&M University, the Texas Agricultural Research and Experiment Station, the Texas Agricultural Extension Service, and the irrigation industry have all strived to assist irrigators in improving their water use efficiency.

Weather...

Cont. from Page 1

the cloud that seemed to cling to the area for several hours. It formed around the Morton area, and deposited more than six inches of rain, forcing evacuation of Morton residents from many low-lying areas of the city before slowly moving into the Sudan-Amherst-Littlefield region in Lamb County, dropping more heavy rain.

Around 8:45 a.m., Bennie Claunch of Claunch Gin at Bula commented, "We've had 4.6 inches of rain so far, and in the last few minutes, quite a bit of hail."

"I'm looking out the window at the most water I have seen around here since 1965, and it's still pouring down rain."

At 9:15 a.m., Bailey County Sheriff Bob Henderson, Deputy Sheriff Jerry Hicks, fire departments, a wrecker, Bailey County Electric Co-op workers and others were trying to get to a location four to five miles west of Enochs to a car that had washed off the road.

It was reported that a woman was in the car. At 9:40 a.m., Sheriff Henderson reported the woman had been rescued and was safe. Around the same time, cars just at the east edge of Sudan were said to have water over the hoods on Highway 84.

Roads were closed to the south and east of Muleshoe as the heavy rains lingered and continued falling throughout the morning. However, at mid-morning, only .2 had fallen in Muleshoe. During the same time, the Muleshoe National Wildlife Refuge, some 20 miles south of Muleshoe had received 1.5 inches, with some run-off water going into lower Pauls Lake, according to the Refuge.

At noon, rain was still falling in the Littlefield area, and all travel was discouraged, as even truck traffic was said to be 'creeping' along. At least one truck wreck, with injuries, near Roundup was reported.

Power was affected in a wide area, especially in rural Bailey County, as Bailey County Electric Co-op said Tuesday morning, most all power was out to the south and southwest of Muleshoe, along with much of the telephone service.

What happened when the agricultural economy turns around and it again becomes profitable for the irrigator to produce water for irrigation? A. Wayne Wyatt, Water District Manager, states, "It is my opinion that once the new technology is in place and improved conservation habits are developed by the individual irrigator, he will continue to conserve his water to his water to his maximum potential. I do believe that in some areas water use will increase. But in those areas where maximum efficiency has not yet been attained, that savings will offset any increased water use in other areas."

Texas A&M needs \$800,000 before constructing wildlife study facility

COLLEGE STATION — About a third of the money has been raised or pledged to build a \$1 million-plus wildlife studies facility at Texas A&M University capable of housing some of the exotic animals rounded up last year from a ranch near Laredo.

Another \$800,000 is needed — urgently, say university officials — before construction can begin on the star-shaped center which would be located on about 20 acres of land belonging to Texas A&M's veterinary school.

The center sports a special design to shelter several different varieties of animals as they undergo studies aimed at increasing basic knowledge about how they reproduce.

A 10-foot fence surrounding the site was recently finished at a cost of almost \$30,000 paid for by private donations, said university researchers heading the project — Drs. J.D. McCrady, Duane Kramer and Stephen Seager.

Plans also call for donations to finance a 50-foot-tall aviary within the fenced area where exotic birds being studied by Texas A&M researchers could enjoy considerable free flight, said Seager.

NEW BUSINESS FORMALLY OPENED--Monday morning, Muleshoe Mayor Darrell Turner, along with representatives from the Muleshoe Chamber of Commerce and Agriculture, were at Sunstation Tanning Studio for a ribbon cutting ceremony. The new business is owned and operated by Diane Saylor and Tonya Pool.

Babe Ruth Winning

Cont. from Page 1

For the Colts, Daryl Bruns had two runs batted in and one hit.

For the Cats, David Wooten has two hits and two runs batted in; Ronnie Perez and Rocky Flores each had a hit; Jerry Mendoza had two hits and one run batted in while Bryan Morris had one hit and one run batted in.

This was followed on May 28, when the Cats and Colts again returned to Babe Ruth Park. This time the Cats were the host team. The Colts stomped on the Cats in the first inning, scoring four runs, while the Cats were retired by Colt pitcher their first time at bat. Colts scored again in the second. The Cats settled for two.

Again, in the top of the third, the Colts recorded a run, making the score in that inning, Colts 6-Cats 2. It was evident it was going to be another long night, as the Colt pitcher, Omar Sanchez, had struck out six and Cat pitcher, Johnny Garcia, had retired seven Colts with strike-outs.

But, in the bottom of the third, the Cats decided the frisky Colts had run around the corral enough. In their dug-out, they yawned, stretched, and came out, pounding on the Colts backs, scratching out 12 runs. Colt Pitcher Sanchez was relieved by Tim Lust, who retired the Cats with the score Cats 14-Colts 6. In the top of the fourth, the Colts scored again but were stunned by the felines as they scored in the bottom of the inning.

In the top of the fifth, the Colts were again stopped 3 up-3 down by Reliever Perez. The game was called at this time, under the 10 run rule with the score, Cats 19-Colts 7. Colt pitching had eight strike-outs, Cats 11.

Colts logging hits in the game included Daryl Bruns, Tim Lust and Charlie Reyna, each with a hit and a run batted in; while Michael Dunham, Omar Sanchez, Joe Orozco each had hits.

Hits for the Cats included Richard Ring and Ronnie Perez; as Jerry Mendoza had a hit and one run batted in; Bryan Morris had one hit and two runs batted in; Johnny Garcia had four hits and three runs batted in and David Wooten had three hits and five runs batted in.

"Being unable to travel to

Bovina on the 31st of May, I can't really realize what was going through the minds of the Colts as they were the first team to travel out of town", added Morris. "I do think when Manager Sanchez opened the corral gate, the team didn't know when to stop running. From the score, it sounded like he was trying to stop a stampede through Bovina."

The colts pounced on Bovina Pitcher, Randy Stone, in the first inning scoring five runs. Bovina went down 1-2-3. In the third, the Colts shied away scoring only five. Bovina was again retired with no runs.

In the fourth, the Colts did not score with a runner left on third. Bovina got on the scoreboard with one run before being through for the night. After four innings, the Bovina team hollered 'calf rope' and called the game. Colt Pitcher Tim Lust was winning pitcher, with 11 strike-outs. Bovina Pitcher, Randy Stone, was losing pitcher, with two. Final score, Colts 28-Bovina 1.

Hits recorded by the Colts included Timmy Shipman, one; Joe Orozco, two and Daryl Bruns, two with one home run; Omar Sanchez had three hits; Tim Lust, two; and Abel Leal, Jerry Don Gonzales and Lonnie Wilhite, each had one hit. Bovina had no hits.

At the same time the Colts were grazing in Bovina, the Cats were at home. Friona Bengier was gracious enough to show up in the place of Dimmitt II. Ronnie Perez for the Cats again started out strong by striking out two of Friona's first four batters. At the bottom of the first inning, the Cats scored one run.

In the second, Friona went down 1-2-3 with two more strike-outs and the Cats had two of their four batters downed by strikes by Friona Pitcher Julian Mendoza. In the top of the third, Perez kept up his pace, retiring three of four batters with strike-outs. In the bottom of the third, the Cats purred along, scoring three more runs.

Score at the end of the third, Cats 4-Friona 0. At the top of the fourth Friona took advantage of an error to score their first run. After being retired by some great fielding by Cat infield, the Cats came to bat and went down 1-2-3 as the result of one strike-out and a terrific infield play by Friona

second baseman Joel Jass. After four, the score was Cats 4-Friona 1. At the top of the fifth inning, seems as though Cat Manager Perez stepped on the Cat's tails. They came out of the box, Pitcher Perez putting down three of four Friona batters with strikes. Then, the Cats clawed out six runs before Cat left fielder David Wooten pawed a three run homer out of the park, putting an end to the game on the 10 run rule. Final score, Cats 13-Friona Bengier 1.

Hits for the Cats included, Jerry Mendoza, one and one run batted in; David Wooten, three, four runs batted in and a home run; Johnny Garcia, one with two runs batted in; Ronnie Perez, two with two runs batted in; Rocky Flores, one with two runs batted in and Bryan Morris, one with one run batted in.

For Friona, hits were by Robert Sandoval, Mike Valero, Joel Sanchez and Gilbert Mendoza, who each had one. Cat Pitcher Ronnie Perez had 10 strike-outs and Friona Pitcher Julian Mendoza and four strike-outs.

"Again, we would like to thank everyone who got Junior Babe Ruth off to a terrific start," concluded Morris. "Especially, we would like to thank our sponsors, equipment managers, concession personnel, and Muleshoe Youth Baseball Organization."

Guide to coastal plants published by Texas A&M

COLLEGE STATION — Beachcombers have long entertained themselves by walking up and down the Texas coast, collecting shells. Now a new book from the Texas A&M University Press offers a new pastime: identifying plants along the shore.

Plants, the basis of life in the dunes and wetlands, often go unnoticed by visitors, according to authors Mary Michael Cannatella and Rita E. Arnold.

For those willing to explore beyond the hotels, restaurants and amusement parks that are part of the coastal landscape, a variety of beautiful and interesting plants, both exotic and common-place, are waiting, the authors say in "Plants of the Texas Shore — A Beachcomber's Guide."

Coastal regulars and newcomers alike will enjoy this easily understood book that was published in conjunction with the Sea Grant College Program at Texas A&M. It contains 77 pages and is available for \$5.95.

Enochs News

by
Mrs. J.D. Bayless

Mrs. E.N. McCall and grandson Brent drove to Plainview to see her sick brother Mr. and Mrs. Lee Kelly one afternoon last week.

Rain received Monday, Tuesday and Wednesday was 2 and .1 inches, due to the cold weather and rain the farmers are having to plant their cotton over, some got a lot of hail.

Mrs. Wilma Petree was in Clovis, New Mexico Monday of last week her son, Kenneth was here and he took her out to

dinner.

Mrs. Elnita Key, Mrs. Winnie Byars and Mrs. Ellen Bayless were in Morton Monday afternoon and visited Mrs. L.G. Fred and family. Several of the friends attended the services of Mr. L.G. Fred Tuesday afternoon at the Methodist Church in Morton.

Harrie Pollard and a friend Sam Spence of Floydada, went to a World War reunion last weekend at Minden, Louisiana. They enjoyed seeing their War 2 buddies.

Mrs. Juanita Snow of Muleshoe is visiting her sister, Mrs. Etta Layton for a few days.

Edd Autry was admitted to

the Littlefield Medical Center Monday. Get well soon Edd.

Mrs. Bill Key, Mrs. Winnie Byars and Mrs. J.D. Bayless visited Mrs. Bonnie Long in Morton Monday afternoon.

Guests in the home of Mr. and Mrs. Harrie Pollard, Thursday and during the weekend were their daughters, Mrs. Joel Sinclair and children of Muleshoe and Mrs. Tommy Lewis and children of Littlefield.

Mrs. Omas Petree and Mrs. Wilma Petree were in Midland last Tuesday to attend the Petree reunion at the home of Mrs. Elga Puckett.

Mrs. Robert George and son Brent brought Kelly Mosser out last week for Kelly to attend the Vacation Bible School at the Baptist Church. He is staying with his grandparents, the E.N. McCall's.

Mrs. Dean McBee, Mrs. Dorwin McBee Mitzi and Melinda Fred all visited Kerry and Robbin Web at Dimmitt Memorial Day.

There were 49 children registered in Vacation Bible school Monday, Three Way and Bula are attending the school also.

Mrs. Wilma Petree attended the 80th birthday reception for Mrs. Akin in Morton last week.

Visiting in the home of Mr. and Mrs. Clifford Snitker Sunday afternoon were a son, Mr. and Mrs. Curtis Snitker of Hart, and Mr. and Mrs. Ray Seagler of Idalou. Judy Cape of Nacogdoches also visited them Wednesday.

NEWS VIEWS

George Shultz, Secretary of State, on S. African tension: "The United States must not throw American matches on the emotional tender of the region."

Sandhills Philosopher

Editor's note: The Sandhills Philosopher on his Johnson grass farm on Sandy Acres says the Agriculture Department is mixed up on some statistics.

Dear editor: If the Agriculture Department figures are correct, the care and feeding of a child now costs almost as much as the care and feeding of a congressman.

According to its figures, to raise a child from birth to age 18 costs a \$96,484.

It's enough to make parents with three or four kids file for bankruptcy.

But I examined the figures more carefully, like media people examining the President's tax reform plans the next morning after the glow of the TV speech the night before were off.

I believe the child care-cost figures were developed by a defense contractor accustomed to figuring things on a cost-plus basis. Probably figured dolls at \$4,000 apiece and baby food at \$95 a can. For example, the report said housing costs for a child from birth to 18 come to \$31,456. This included the child's share of the cost of the house, heating costs, other utilities, etc.

I can't see how having a child under foot can add to the cost of the mortgage. Heating a room costs the same whether there's a child or two in it or not. The electricity to run a TV set costs the same regardless of how many people are staring at it. Of course, kids can add to the maintenance costs of a house and the front and back yard and the surrounding area.

Among some of the other figures the report gives was \$15,768 for transportation cost during the child's first 18 years. Even if the kid has to be hauled from daylight to dark to kindergarten, to the baby sitter's, ballet classes, band practice, the doctor, the dentist, the psychoanalyst and possibly the probation officer, and later on has to have a car of his own or he'll throw a fit, I doubt if very many parents spend \$15,768 for child transportation.

It used to be that a child paid part of his way by milking a cow or feeding the hogs or chopping cotton or plowing after school and on weekends, which cut down on his overhead and made him a fairly good investment. But if it costs \$96,484 to get

him to age 18, with college still ahead, you can see that financially speaking a child isn't what you'd call a sound investment.

The Agriculture Department was mixed up. The \$96,454 isn't what it costs to raise a kid. What it was trying to say is that it costs \$96,484 to raise \$86,000 worth of wheat.

Yours faithfully,
J.A.

Letter To The Editor

Cleta- Thanks so much for those copies of The Journal! We like to stay up on all our "Press" activity.

We all enjoyed our visit to Muleshoe. We'll definitely be back as soon as possible-every-one made us feel right at home! Hope all's well up that way-till we see you again....

THAT'S THE CULPRIT--Early Saturday afternoon, Fireman Brian Rudd came flying out of a house at the corner of West Third St. and Ave. E with a heavy metal frying pan containing the charred remains of some type of meat. The burning meat prompted a call to the Muleshoe Fire Department. Heavy smoke damage was the main result of the call. The residents were not home at the time.

LOCAL GIRL ON NATIONAL AAU TEAM--The Clovis AAU, 12 and under, basketball team consisting of Clovis, Texico and Farwell girls, along with Heather Hutton of Muleshoe, will be competing on a national level. The team went undefeated in the state tournament at Albuquerque last weekend, playing against Kirtland AFB South Plains, Tuba City, Ariz. and Socorro. They will advance to the national AAU play in Kansas City, Mo. in late July. The players are from left, back row, Kim Davis, Annie Brandon, Kelli Forest, Carrie Roanhaus, Vanessa Holloway, Coach Clent Harden, Jennifer Gentry, Dianne Harden and Heather Hutton; and front row, from left, Cassie Purvis, Tracy Westfall, Nikki Rush, Amy Guinn, Dana George, and Rochelle Hester. Not pictured is Coach Mike Hawkins.

**Clarence Kube
Funeral Services
Held Tuesday**

Services for Clarence H. Kube, 48, were held at 2 p.m. Tuesday, June 4 in St. John's Lutheran Church at Lariat with pastor Norman Gardels of Emanuel Lutheran Church of Clovis, N.M., officiating.

Burial was in Bailey County Memorial Park under the direction of Ellis Funeral Home. Kube died at 6:10 a.m. Sunday in West Plains Medical Center.

Born June 13, 1936, in Clovis, N.M., Kube resided two miles south and two and half west of

**Reinhold Steinbock
Longtime Lazbuddie
Resident Dies**

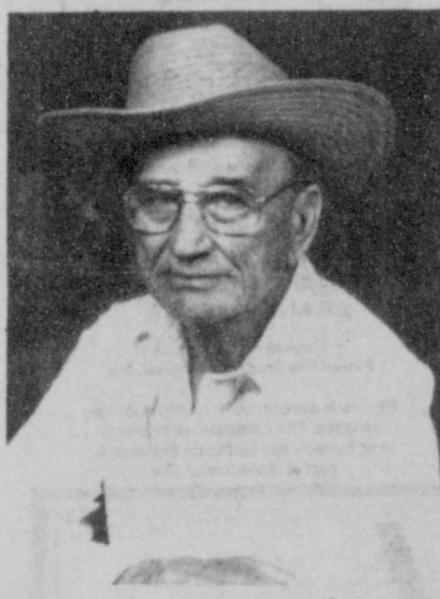

Funeral services for Reinhold "Rhiney" Steinbock, 76, of Lazbuddie were held at 2 p.m. Tuesday, June 4 in the Lazbuddie Methodist Church with Andy Rogers of Antlers, Okla. officiating.

Burial was in Lazbuddie Cemetery under the direction of Ellis Funeral Home. Steinbock died at his home Sunday. Justice of the Peace Albert Smith pronounced him dead of natural causes.

A native of Frederick, Okla., he was born Aug. 12, 1908, and moved to Lazbuddie in 1925, from Frederick. He married Ruby Marie Bewley on Dec. 14, 1929, in Clovis, N.M. He was a retired farmer and a Lutheran. He was past president of the Lazbuddie School Board.

Survivors include his wife, Ruby; two daughters, Mrs. Demp "Anita" Foster of Lazbuddie and Mrs. Trixie Wright of Chattanooga, Tenn.; two sisters, Mrs. Frances Oliver of Cleburne and Mrs. Alma Winn of Slaton; seven grandchildren; and six great grandchildren.

The family has requested memorials be made to the Lazbuddie Methodist Church.

**Ask any boy and he will tell you ...
IT'S A WONDERFUL FEELING**

When winter is past and most of the spring rains have come and gone, what a joy it is for a boy to go barefoot and feel the warm moist earth oozing up between his toes and the hot sun on his back ... It's a wonderful feeling — remember?

If it has been some time since you were in the warm company of like-minded Christians and basked in the warmth and love of God's glory and grace as manifested in His Church, attend this coming Sunday. It's a wonderful feeling to sense that you are in tune with God, your fellow man, and the universe.

"I was glad when they said unto me, let us go into the House of the Lord."
Psalm 122:1.

**EVERYONE IN THE CHURCH
THE CHURCH IN EVERYONE**

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Paw Prints

Advice from the American Animal Hospital Association on pet care.

Q. My tom cat's a fighter. What can I do?

A. Often Tom can't help it. He's fighting for girl cats, or territory or both—his male sex hormones make him do it. Neutering should calm him down and make him a better pet. Although the best time is between seven and nine months of age, neutering can be done any time after that. We recommend it for all house cats not being used for breeding or showing.

Q. When should my cats be vaccinated?

A. AAHA veterinarians recommend that the vaccination schedule begin with a distemper shot when a kitten is weaned. Then, over the next several months, your veterinarian will schedule a combination respiratory viruses/distemper inoculation, a booster and then a rabies shot. Ask your doctor about the new feline leukemia virus vaccine and when to start your cat on that vaccination schedule. All immunizations should be repeated annually.

Q. Should I trim my cat's whiskers?

A. No. Cats' whiskers are sensitive organs that aid vision and help him squeeze in to dark places and disappear. Cats without whiskers are clumsier and slower-moving.

Mr. and Mrs. Carl Dupler from Midland visited his mother Mrs. Minnie Dupler Sunday.

Rev. and Mrs. John Cockrel and children from Ft. Worth spent Saturday night with the Adolph Wittners. Also dinner guests in the Wittner home Sunday were Mr. and Mrs. Joe Sowder and Rev. and Mrs. Cockrel and children.

Mr. and Mrs. Joe Sowder spent Friday and Saturday with their daughter the Jack McCarty at Logan, N.M.

Mrs. Rayford Masten and Mrs. Robert Kindle were in Muleshoe Wednesday shopping.

Theft Of Sales Tax Money Sees Man Indicted

State Comptroller Bob Bullock Thursday announced an Odessa grand jury has returned the state's first criminal indictment for theft of sales tax money.

In a case that could set a new precedent dealing with willfully delinquent sales taxpayers, Ector County grand jurors indicted Bill G. Overton of Odessa for theft of \$68,000 Overton allegedly collected as sales tax but did not send to the State Comptroller.

"Let this case be a warning to any business person who might be tempted not to send sales tax they have collected to the state," Bullock said.

Overton, who had never applied for or been granted a sales tax permit, operated an

Odessa oilfield supply business. The alleged diversion of sales tax monies involved the use of altered invoices from Overton's firm and was discovered by a Comptroller auditor.

Bullock praised the grand jury's action saying, "If a merchant collects sales tax from his customers and fails to send it to the Treasury, he's stealing in the name of the state. He's stealing from his customers who pay the tax in good faith; he's stealing from his local government, which doesn't get its share and he's stealing from state government."

"It's also downright unfair to his competitors because it gives him an extra 5 and one-eighth percent profit margin over his competition and in today's business climate, that can make the difference between staying in business and going broke. With the help of local prosecutors, we're going to see this kind of theft prosecuted to the full limit of the law."
