GETTING READY FOR THE HARVEST-This will be a typical scene at local elevators in the next couple of weeks. But, for now, Lupe Pineda of Griffith and Sons is watching corn go into the cleaner, being prepared for shipment to make chips and tortillas. Although it is a bit premature for this year's crop, it is a reminder of what is to come for local producers. At this time, the local corn crop is 'looking good.'

'Meet The Mules' Is Scheduled With Welcome For New Coaches

Travis Bessire, president of the Muleshoe Athletic Booster Club, said the annual "Meet the Mules" night is scheduled for Tuesday, September 3 at 8

p.m. at Benny Douglass Stadium at Muleshoe High School. Welcome will be extended to the new athletic director and head football coach, Dale Keeling and his family. Also to be welcomed will be other new coaches, including Andy Gamble, Kyle Carver and Kim Nelson, as well as to returning coaches, Lonnie Scott, Jerry Johnson, Jerry Robinson, Bobby Turner and Roy Donaldson.

Ice cream will be served immediately following the "Meet the Mules" ceremonies at the field, where not only coaches, but members of the Muleshoe Mules will be introduced, along with the cheerleaders. Varsity cheerleader sponsors are Debbie Cowley and Lucy Smith and the cheerleaders include Stacy Smith, head cheerleader; Laurey Grant, Casey King, Lisa Black, Debbie Isaac, Juanita Garcia and Leah Bell, mascot.

Hellen Adrian is sponsor of the junior varsity cheerleaders, who are: Crystal Angeley, Misty Ott, Debbie Brown, Amy Bean and Caroline Liles.

Varsity cheerleader sponsors are Debbie Cowley and Lucy Smith and the cheerleaders include Stacy Smith, head cheerleader; Laurey Grant, Casey King, Lisa Black, Debbie Isaac, Juanita Garcia and Leah Bell, mascot.

Vocational Programs Available

With school starting in Muleshoe next week, Muleshoe ISD Superintendent H. John Fuller has issued the following statement:

"Muleshoe ISD offers vocational programs in Vocational Agriculture, Useful and Gainful Homemaking, Industrial Education, and Distributive Education. Admission to these programs is based on enrollment in appropriate grade level in Muleshoe High School.

"It is the policy of Muleshoe ISD not to discriminate on the basis of sex, handicap, race, color, and national origin in its educational and vocational programs, activities, or employment as required by Title IX, Section 504, and Title VI.

"Muleshoe ISD will take steps to assure that lack of English language skills will not be a barrier to admission and participation in all educational and vocational programs."

Superintendent Fuller concluded, "For information about your rights or grievance procedures, contact the Title IX and Section 504 coordinator, H. John Fuller, at 514 West Avenue G, Muleshoe, Texas, 272-3389."

Coach Dale Keeling firmly believes it will be very important to start out with a

Salvation Army Official Speaks To Local Rotary

Doug Rains, Salvation Army official from Lubbock, presented the program for the Muleshoe Rotary Club at noon on Tuesday.

Rains told Rotarians there are two different Salvation Army programs, encompassing 83 counties. There are 358 volunteer units in the State of Texas along, according to the official.

He said a lot of the Salvation Army activities are caring for transients, and working in rehabilitation facilities.

In Muleshoe, the local Salvation Army Board members are Judge Gordon H. Green, chairman; Troy Stegemoeller, treasurer; welfare committeemen Bob Henderson and Les Irvin and members, Glen Williams, Dee Clements, J.D. Black, Frank Ellis, Ron Montgomery, Darrell Turner and Rev. Barry Bradley.

Rains said each unit is responsible for raising their own funds, and a fund raising drive will begin here on Sunday, September 1. Local banks will be sending out letters in their September statements soliciting assistance from the community.

He also said, "The Salvation Army will work cooperatively with other agencies to meet the human needs of the community. Services include emergency aid for stranded travelers; aid to prisoners and their families; disaster relief, camping program for underprivileged boys; alcoholic rehabilitation programs; assistance for the needy at Christmas and help for the elderly.

Hospital Administrator Explains Rates, Changes

Kountry Kitchen Opening Sunday: Cuevas' Retired

The San Francisco Cafe, first started February 29, 1959, is no more. Today, Thursday, Mr. and Mrs. Aurelio Cuevas turned over the keys to Connie Dominguez and Barbara Pearson.

The experienced duo will be opening the former San Francisco Cafe at 5 a.m. Sunday, with a new name, B&C Kountry Kitchen.

With the transition, Mr. and Mrs. Cuevas, who raised two children in Muleshoe, Aurelio Jr. and Ana, said they wished to tell all their customers, "We appreciate all our customers over the years, and their continued support. We have no definite plans at this time, except to enjoy our retirement."

Mr. and Mrs. Cuevas and their children moved to Bailey County in 1956 from Monterrey, Mexico.

Located at 121 South Main, B&C Kountry Kitchen will start out being open seven days a week from 5 a.m. to 9 p.m. and will feature all-American food, along with a Mexican plate.

Regular breakfast will be served, and will be available for those who wish breakfast throughout the day.

Each day, a noon Lunch Special will be available, along with regular menu items.

The new owners of the B&C Kountry Kitchen said San Francisco Tortilla Factory, which had been operated by the Cuevas', will continue operation, and tortillas will still be available.

Barbara and Connie, who were formerly with Dinner Bell Cafe, said they will welcome all their friends, along with new customers when they open the doors on Sunday morning.

Adequate parking can be found across the street from the new B&C Kountry Kitchen in front of the vacant Hurst Department Store building and the parking lot to the north of the building.

"We promise quality care at the most reasonable price possible," said Jack Reamy, West Plains Medical Center Hospital and Nursing Home administrator, "so in keeping with our policy, we have reduced the room rates for hospital patients."

He explained that a typical hospital cost for most patients will be \$1,100 per day, and no more than \$1,250 per day, per patient, but bringing down the room rate is expected to help the patient. The administrator said many insurance companies pay only a set amount for a hospital room rate per day, and by lowering the daily room rate, West Plains Medical Center will be helping the person with the set room rate.

Also, according to the administrator, the national average stay in a hospital is six days, but WPMC provides quality care, that shortens the average stay in the hospital here to only three days. "We can still provide good care, and help the patient by keeping their stay with us shorter," said Reamy.

As WPMC continues a changing and growth pattern, one of the new features is the "swing bed," which is used primarily for Medicare patients, who frequently require longer care, said Reamy. He said that after 72 hours of regular hospitalization, if the patient meets certain guidelines, they can be switched to the swing bed care.

Also adjusted have been the emergency room charges. Although he did not release specific figures, Reamy said the emergency room charges have been reduced to very reasonable charges.

He further explained the OB program at the hospital, adding that he wanted to clear up some misconception about the program. He said the hospital charge for a one day uncomplicated delivery is \$900, and for a two day average stay, again for an uncomplicated delivery, the charge is \$1,200.

OB patients are encouraged to pay out their hospital charges before delivery, preferably by their seventh month.

Another new program creating interest for WPMC is the Intercept Program, for treatment of alcoholism and drug abuse. After purchasing the

former First Christian Church building at the rear of WPMC, extensive remodeling has been going on, with a completion date for the remodeling expected in the near future.

Reamy explained that the Intercept Program will begin in Muleshoe on October 1, and patients are expected to be coming to Muleshoe from a wide area for treatment.

Jim Ates, of Custer, S.D., is expected to arrive in Muleshoe this week to conduct preliminaries for the new program. He will be moving his family to Muleshoe in the next month. He has been with the Intercept Program for West-World Community Healthcare for the past 15 months.

Other remodeling concerns the Muleshoe Nursing Home. Cont. Page 6, Col. 5

Muleshoe School Meal Policies Are Outlined

Muleshoe Independent School District serves nutritious meals every school day. Students may buy lunch for Kindergarten, 1st and 2nd grades for .85; 3rd, 4th and 5th grades for .90; and 6th through 12th grades for 1.00. Students may buy breakfast for Kindergarten, 1st and 2nd grades for .40; 3rd, 4th and 5th grades for .45; and 6th through 12th grades for .50. The price for a milk will be .20.

Children from families whose income falls within the level are eligible for either free or reduced-price meals priced at .40 for lunch and .30 for breakfast.

Children from families whose income falls within a certain level are eligible for either free meals or reduced-price meals.

To apply for free or reduced-price meals, parents may fill out an application, sign it, and return it to the school. All questions must be answered.

An application which does not contain the following information cannot be processed by the school: (1) the total household income must be listed by the amount received by each household member receiving income and the type of income it is (such as wages, child support, etc.) or your food stamp case number if your household is on food stamps, (2) names of all household members, (3) social security numbers of all household members 21 years old or older, or the work "NONE" for any household member who does not have a social security number and (4) the signature of an adult household member.

Annual MDA Telethon Scheduled September 1

Bob Phillips of the Triangle CB Club says they are gearing up for the annual telethon to "Help Jerry's Kids," which is the Muscular Dystrophy telethon.

Activities get underway in Muleshoe at 7:30 or 8 p.m. on Saturday night at the Bailey County Civic Center with a Country Western/Gospel live show at the Civic Center. It will continue until late Saturday night.

After church on Sunday night, the activities will begin again at the Civic Center with an evening of Gospel Music, and will continue as long as there is a crowd.

The Kastner family from Lubbock will be back for both nights, and there will be two groups from Olton and a couple of groups from Muleshoe, along with other groups.

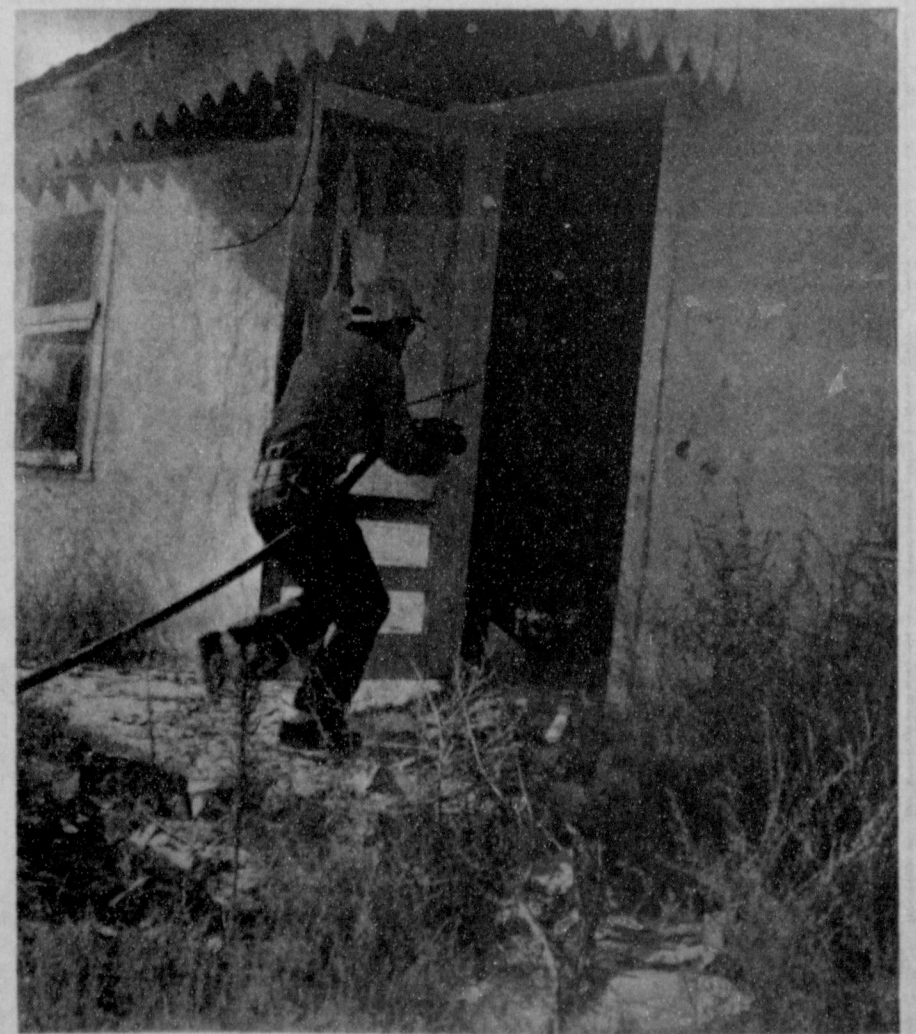

Phillips said for everyone to bring their billfolds, because although there is no admission to attend the shows either night, they will be collecting money to send off for "Jerry's Kids."

A concession stand will be in operation both nights at the Civic Center.

The Muleshoe telethon pledge center for the "Jerry Lewis Supershow" is always the Bailey County Civic Center, and has been for the past several years.

Again, as in the past, the pledge center coordinator is Don Prather, and the Triangle CB Club. Everyone in the community will be urged to show their support for their town by calling

the center during the telethon to make a pledge. The center's phone number will be announced. Cont. Page 6, Col 1

KIDS APPARENTLY START FIRE-Tuesday morning, youngsters playing with matches were blamed for a fire that broke out in abandoned house at the corner of West 13th St. and Ave. B. Firemen made quick work of dousing the flames in an old mattress and dragged it outside. However, they had to make a return trip to further extinguish the smoldering mattress.

LAS ANGELES TO DETROIT FOR \$22.20

That is what it costs in a Chevrolet according to an insurance man who recently made the trip of 3,104 miles at an expense of \$44.40 for gasoline, oil and food or seven-tenth of a cent per man per mile.

The Chevrolet used was a sedan and had been driven only 630 miles before the vacation tour began.

Two men, alternating at the wheel made the trip in five days and 18 hours, only a day and half longer than the time of transcontinental flyers which travel a much shorter distance due to the windings of the motor roads.

ALL CANNING SUGAR ISSUED BY AUG. 31

Issuance of canning sugar for home canning will stop August 31, Chairman E.W. Johnson of the local War Price and Rationing Board, announces.

Original plans were to continue issuance through October, but the local board has been advised to issue the entire allotment for 1945 by the end of August so that the home

Sudan Young

Homemakers

Meeting Held

The Sudan Young Homemakers met Monday, Aug. 19 for their regular August meeting. The meeting was held at the First National Bank and pizza was served to all members attending.

Plans were made for the Secret Grandfather supper to be held Thursday, Sept. 5th at the Home Economics Department of the school beginning at 7 p.m.

On Monday, August 26 the group hosted a salad supper in the community room of the First National Bank at 7 p.m. for those wishing to join the Sudan Young Homemakers.

After officers were elected for the 1985-86 year, the meeting was adjourned.

Those present included: Deneece McDonald, Rita Conley, Michele Edwards, Jodee Tennyson, Deanna Humphreys, Susan Donnell, Margaret Williams, Julie Rigsby and Ann Carson.

canning sugar program can be completed, he said.

"This simply means that issuance will be speeded up and what we have for canning purposes will be issued by the end of the month," he said.

Most of the applicants in this county received only five pounds per person after the drastic cut in sugar rations was announced early in the summer.

Applicants will not have to sign a new application as their second allotment will be issued on their original application.

KILLER 84 LAND BUYING-COMLETE

Widening of "Killer 84" from Muleshoe to the Parmer County line, is virtually "in the bag."

The tedious-and nerve-racking-process of buying right-of-way land for the 10 mile strip is over except for a few "tag ends" and now the next move is up to the state highway department.

This means that the road could be built next year if the state highway department gets on the ball, local officials said, and the final modernizing of one of the most dangerous roads in West Texas may be completed before Santa Clause pays his official visit in December 1966.

10 Years Ago

BAILEY COUNTY TOP TEN IN CORN PRODUCTION

Bailey County made an important contribution to Texas agriculture in 1974 by placing in the top ten counties in corn production.

According to the agriculture commissioner farmers harvested almost three million bushels, a 26 percent increase from 1973's production.

Parmer county led the state in corn production with over 19 million bushels.

RECIPE

By Sarah Ann Sheridan

Cheese Straws
These are good to have on hand. They freeze well and thaw quickly. The only secret is to press them out not more than 1/8 inch thick.

- 2 c flour
- 1 t salt
- 1 lb. sharp cheese, grated
- 1 stick of butter or margarine, melted
- red pepper according to hotness desired

Add cheese to dry ingredients. Mix well. Add melted butter. Mix well. Put bowl in warm water to keep mixture soft. Run thru cookie press or form one inch logs (these can be frozen and cooked when needed).

Bake on cookie sheet at 350 degrees for 15 minutes.

Fish Can Be Fat Or Lean

We tend to think of meat as fat or lean and fish as just plain fish. Yet fish do vary in fat content, and the degree of fat can be important, especially when it comes to freezing them.

"Fatty fish are more susceptible to rancidity due to

exposure to oxygen," says Annette R. Hegen, seafood consumer specialist with the Texas A&M University Agricultural Extension Service.

"With fish such as tuna, the high fat content of the raw fish will oxidize when exposed to even a small amount of air and gradually cause the frozen fish flesh to become strong, taste "fishy" or even taste rancid," she adds.

According to Hegen, analysis of fish fat content is also complicated because the quantity of fat varies from fish to fish, even in the same species, and may differ with the seasons of the year or temperatures of the waters where the fish is found.

As a result, most statistics now available are based on relatively small samples of fish.

However, Texas A&M University Sea Grant researchers have assigned some categories that can be used to classify fish as fat or lean, until more information is available.

A fish is categorized as lean when the fat content is less than 2.5 percent. It's classified as moderate if the fat content falls between 2.5 and 6.5 percent, and fat is the fat content is over 6.5 percent.

Using these guidelines, Hegen says tuna, mackerel and salmon herring are classified as fat fish, while cod, flounder, croaker drum and trout are lean.

Some fish, like halibut or mullet, which seems to be oily and might be thought of as high in fat content, are actually classified as lean. But Hegen says that larger samples of these fish will need to be tested to more accurately establish their level of fat content.

INCREASING FORECLOSURES

"Many people bought houses and condominiums when interest rates were high through builder buydowns," says Texas A&M University Agricultural Extension Service housing specialist Dr. Jane Berry. Builders artificially lowered interest rates for the first few years of the loan by adding the "buydown" costs into home loans. As the interest rate and monthly payments increased, some of these homeowners found themselves with lower incomes or without a job. The result was a high foreclosure rate in many parts of Texas, she says. Berry warns prospective home buyers that they will find it more difficult and most costly to secure financing, as the lending industry evaluates buydowns.

ANNOUNCEMENT

H & R Block is offering a Basic Income Tax Course starting September 5th. There will be a choice of morning or evening classes held at the H & R Block office at 224 W. 2nd St. The twelve week course is taught by experienced personnel and certificates are awarded to all graduates. While thousands of job opportunities are available, graduates are under no obligation to accept employment with H & R BLOCK. Registration forms, brochures and a schedule of classes may be obtained by contacting the H & R BLOCK office at 224 W. 2nd 272-3332.

Double Ring Ceremony Unites Miss Hunt, Bruton

MR. AND MRS. JOEY BRUTON
(nee Tori Hunt).

Miss Tori Hunt became the bride of Joey Bruton Friday, Aug. 2 at 7 p.m. in the First Baptist Church. Bro. Barry Bradley read the double ring vows.

Parents of the couple are Mr. and Mrs. Robert Hunt and Mr. and Mrs. John Bruton, all of Muleshoe. Grandmothers living in Muleshoe included Mrs. Jewel Bruton and Mrs. Ruth Hunt, also a great grandmother of the bride, Mrs. Minnie Redwine.

A heart shaped candelabra arrangement holding 63 burgundy tapers was lit by Curtis Hunt, brother of the bride, and Kim Black, brother in law of the bride, before the ceremony.

Crystal Taylor accompanied by Laura Leal on the piano sang "The Wedding Song" and "Looking Through the Eyes of Love" as the parents and grandparents were ushered into the candle lit setting and seated in pews marked with large pink bows.

Mrs. Elbert Hamilton, organist, played the traditional wedding march as the bride, escorted by her father into the chapel wearing a chapel length gown of white polyester eyelet. The gown was fashioned with a Queen Anne neckline, fitted bodice and short puffed sleeves. Venice lace and seed pearls trimmed the neckline and medallions on the skirt and bodice front.

An eyelet lace ruffle formed a yoke around the shoulders. The puffed sleeves were tied with white satin bows and pink silk rosebuds. The skirt featured three wide eyelet lace ruffles whose scallops were caught with white satin bows and pink silk rosebuds. She wore a picture hat with braided tulle and pearls around the crown. A cluster of pink silk rosebuds were nestled at the back of the brim in a tulle pouf that fell to a fingertip length veil.

The bride carried a cascade bouquet of pink roses, white daisies, pink mini carnations, stephanotis and babys breath complemented with white and pink ribbon, burgundy ribbon loops and sprays of wired pearls.

To complete tradition, the bride wore a locket belonging to her mother and carried a handkerchief belonging to her

grandmother, Minnie Redwine. Something new was her wedding gown, something borrowed was her diamond earrings from her sister, Sheila Black, and something blue was her garter. For good luck, she wore pennies minted in the couples birth years, in her shoe.

Vows were repeated in a candlelight setting featuring a plantation style column holding a large bouquet of pink gladiolas and burgundy carnations, centered in a heart shaped candelabra, flanked by two nine branch candelabras and palm greenery. Following the wedding prayer, symbolizing two becoming one, the couple lit a white hand carved memory candle.

Honor attendants for the bride included: Mrs. Kim Black, sister of the bride, and Mrs. Bobby Gover. Sarah Reynolds served as flower girl.

Jay Pearson and Wally Perez served as the groom's honor attendants. Robert Gardner, Jr. served as ring bearer.

Ushers were Sonny Hancock, cousin of the groom, of Clovis, N.M.; Lance Free, Kim Black and Curtis Hunt, all of Muleshoe.

Following the ceremony, a reception was held in the fellowship hall of the church with Mr. and Mrs. Willie James, Mr. and Mrs. Robert Lunsford, Mr. and Mrs. Arnold Prater and Mr. and Mrs. Joe Simnacher serving in the houseparty.

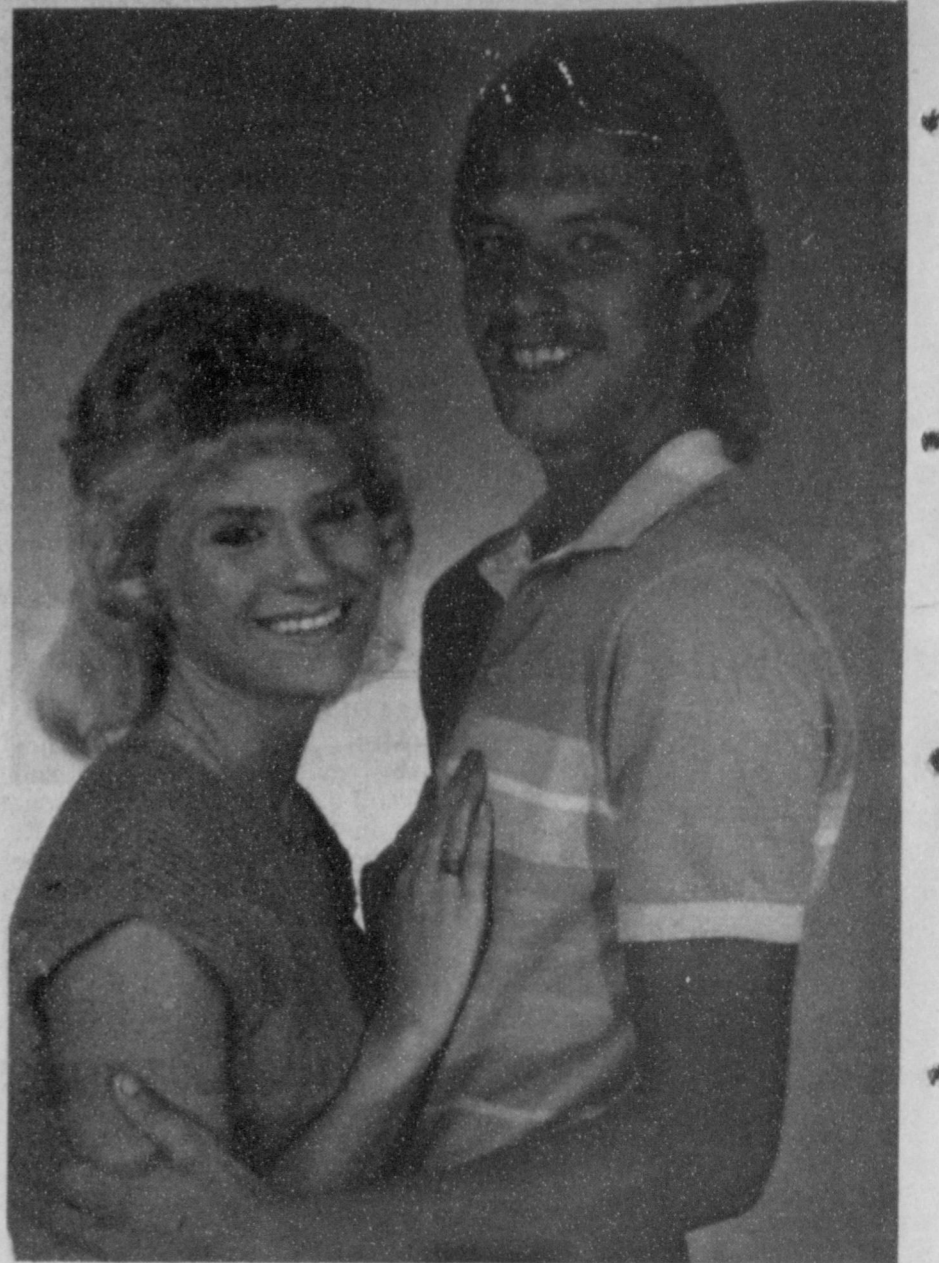

Misti Prater, Kristi and Kacy Henry, cousins of the bride, served at the bride's table. Serving at the groom's table was Tammy Bruton, sister of the groom, and Mrs. Joe Simnacher assisted with the ice tea cart.

Following a wedding trip to Lubbock, the couple are making their home at Route 2 Muleshoe.

The bride is a graduate of Muleshoe High School, participated in basketball and HECE, was a 4-H Exchange student to Japan in 1980, and is a graduate of Denver Floral Design School. Bruton attended Muleshoe High School and is employed at Valley Grain Products-Masa Division.

Out of town wedding guests included: Mrs. Selma Smith of Granite Shoals, grandmother of the bride; Mr. and Mrs. Jackie Redwine of Hereford; Mr. and Mrs. Oren Laug of Clovis, N.M. grandparents of the

groom; Mr. and Mrs. Melton Hancock of Clovis, N.M.; and Howard Looney of Clovis, N.M. A rehearsal supper was hosted at K-Bobs by the groom's parents on Thursday, August 1.

SEPTEMBER DATE SET--Mr. and Mrs. Ruben Brock, Jr. of Littlefield announce the engagement and approaching marriage of their daughter, Michelle to Bradley Damron, son of Mr. and Mrs. Jerry Damron of Circleback. Vows will be exchanged on September 20 at 5:30 p.m. in the garden of Mr. and Mrs. George T. Dibert in Littlefield. The bride elect is a 1984, graduate of Littlefield High School. She is employed at Country Gardens in Levelland and is attending South Plains College in Levelland. Damron is a 1981, graduate of Sudan High School. He attended South Plains College in Levelland and is presently employed with United Oil Company in Levelland.

Country Club Report

by Claudine Elliott

The Ladies Country Club Association met Wednesday, August 21st, for their monthly luncheon and business meeting. The President, Argilee Millen, presided over the meeting. She welcomed our two guests, Shirley Hicks and Mary Mayo. Mary is the sister-in-law of Jerry Mayo. Our birthday lady for August is Caraleen Hamilton.

All business was discussed and committees made their reports.

Analita Haley reported as tournament chairman and has everything on go for our Sept. 5th. annual Partnership Tournament. It will be our big day with approximately 65 ladies coming to compete.

Janetta Precure reported as Hi Plains Chairman. Hi Plains was in Muleshoe this month and all ladies had a great time. Muleshoe ladies represented us well with Neats Foster winning low net of the field that day! Jeanette Precure won low net in the Championship Flight. Argilee Millen won low net and low putts in her flight. Mary Francis Holt won low gross and low Putts in her flight. Ladies were here from Friona, Olton, Dimmitt, Clovis, Farwell, Tulia and Canyon. The next Hi Plains Playday will be in Farwell, Sept. 11th.

Argilee appointed a nominating committee to get our officers for next year. Neats Foster, Evelyn Riley, and Mary Francis Holt has this honor!

Good luck ladies!

Neats gave out playday awards for Lynn to: July 24th-Jeanetta, Lynn, Mary Francis, Helen, Cookie and Jo; July 31st-Dorothy, Mary Francis, Analita, Helen and Sherri; August 7th-Neats, Helen, Analita, and Mary Francis.

After the luncheon, the ladies divided into teams of four to play their monthly scramble. Of course, the team having the most fun when it was all over was the winning team-Jeanetta Precure, Evelyn Riley, Argilee Millen, and Marlene St.Clair.

Summer is slowly winding down. Its been a fun time and we are all going to miss Shirley Hicks as she starts back to school. She assures us she will see us on weekends. We are going to see that she does just that!

We missed several of our ladies at our luncheon this month. They were on a nice trip to Germany. Dorothy St.Clair, Cookie Bamert, Elaine Damron, Jo Rempe, Doris Reeves, Mary Pool, and Arlene Phelps. We hear they had a grand time.

Late

"Helen's plane gets in at four-thirty."

"Well, I'll be at the airport at five-thirty."

"Five-thirty?"

"Yes, Helen is always an hour late, whatever she does."

Senior Citizens

A covered dish luncheon was served to 28 members of the Muleshoe Senior Citizens Monday, August 26 at the Methodist Church fellowship hall. The invocation was given by Doc Goucher.

Joy Stancel took two residents from the Muleshoe Nursing Home. "We were pleased to have Gil Lamb and Mrs. Joella Flowers interview our president, vice president and secretary/treasurer. They also filmed our program given by Wayland Ethridge and Janet. They brought five beautiful hymns in song with Wayland at the piano", said Bess Edwards.

Following this portion of the program the meeting was presided over by Mae Wilterding, president. Minutes of the previous meeting were read and approved.

Jennie McVickers presented some information concerning Muleshoe Heritage Center, which involves work to be done on moving Janes Ranch House and Cook House to a selected sight. Also work to be done on the "Depot".

The birthday song was sung for Lois Ethridge. No further business was transacted and the group was dismissed by singing of "Blest Be The Tie".

CLOTHING COSTS AND HIGH

--In spite of the heat wave outside, shoppers will be flocking into air-conditioned stores this month to buy back-to-school wardrobes, dress-for-success suits and other fall clothing. According to Texas A&M University Agricultural Extension Service clothing specialist Becky Saunders, what they'll find in the stores is high prices. "Clothing prices increased at a lower rate than prices for other items over the last few years," she says. "But when the effect of inflation is removed, U.S. Department of Agriculture figures show the percentage of personal expenditures for clothing and shoes is at a 25-year high." Annual spending for clothing and shoes is now estimated at \$588 per person. Part of the increased spending for clothes is due to higher prices and part is because we're buying more clothes than in the past, she explains.

SALUTE LEADERS OF TOMORROW

We Believe Our Youth Of Today Will Provide Effective Leadership Tomorrow!

LEADER OF TOMORROW--Our leader of tomorrow this week is Carrol Copley. Carrol is the daughter of Jimmy and Myra Copley and will be a Freshman at Muleshoe High School this year. Carrol's favorite subjects are History and Science with reading, and Stamp Collecting are her hobbies. She lists Pizza and Mexican Food as her favorite foods. Carrol is active in 4-H and was a very dependable Library worker for 2 years in Watson Junior High. We are very proud to recognize this young lady as a Leader of Tomorrow.

PROUDLY PRESENTED BY:

Miss Nowell, McCutchen Untied In Marriage

Miss Tammy Trazelle Nowell of Muleshoe became the bride of John Phillip McCutchen of

Lazbuddie July 27 at 7 p.m. in the First Baptist Church. The Rev. Barry Bradley, pastor read

the double ring vows.

Parents of the couple are Mr. and Mrs. Darrell Nowell of Muleshoe and Mr. and Mrs. James McCutchen of Carthage.

Vows were repeated before an archway of English ivy and Navy blue flowers. The unity candle was a bulb candle in an antique candle ring of peach roses and candlelight baby's breath.

Pam Haney of Muleshoe sang, "The Wedding Song", "To Me" and "You Light Up My Life."

Given in marriage by her father, the bride wore a dress of candlelight satin featuring a high neckline. The yoke and bishop sleeves were sheer tulle with Venise and Chantilly lace trim around the yoke and collar. The bodice also featured Venise and Chantilly lace trim from the yoke to the V-style waistline.

The bride wore a candlelight hat covered with Chantilly lace and seed pearls with shoulder length veil.

Her bridal bouquet was silk peach roses and Navy blue starflowers and candlelight

babys breath.

In keeping with tradition, something old, she wore her grandmothers locket; something new was her dress and pearls belonging to a great great aunt; something borrowed was a wedding band belonging to her great great grandmother; and the traditional blue garter for something blue.

Kathi White, cousin of the bride, of Ft. Towson, Okla. served as maid of honor, and Tanya Nowell, sister of the bride, of Muleshoe was bridesmaid.

Robert Smith of Lazbuddie served as best man and Craig Hunt of Muleshoe was groomsman. Ushers were Jay Pearson, cousin of the bride, of Muleshoe and Lloyd Williams of Texico, N.M.

Following the ceremony, a reception was held in the fellowship hall. Serving at the bride's table were Mrs. Robert Crawford, cousin of the bride; and Mrs. J.C. Pearson, aunt of the bride. Pam Williams registered the guests.

Mrs. Gene Hamilton and Mrs. Royce Turner served at

the groom's table.

Following a wedding trip to Dallas, Carthage and Oklahoma, the couple are making their home in Lazbuddie.

The bride is a graduate of Muleshoe High School in 1985, and Floral Design School of Denver, Colorado. She is employed by Muleshoe Floral.

McCutchen is a graduate of Lazbuddie High School and is employed by Jennings Land and Cattle in Lazbuddie.

Out of town wedding guests included: Mrs. Virgil Nowell,

grandmother of the bride, of Ft. Towson, Okla.; Mr. and Mrs. Jimmy White and Kyle of Ft. Towson, Okla.; Mr. and Mrs. Claud Nowell, aunt and uncle of the bride; Mr. and Mrs. Don Hall, aunt and uncle of the bride, of Levelland; Mr. and Mrs. Lee Pearson of Levelland, and Mr. and Mrs. Randy Pearson of Levelland.

Following rehearsal Friday, July 26th Mr. and Mrs. Bob Henderson, aunt and uncle of the bride, hosted a rehearsal party at the Civic Center.

MRS. JOHN PHILLIP MCCUTCHEN
(nee Tammy Trazelle Nowell)

Bridal Show Honors Miss Deanna Jones

A bridal shower honoring Deanna Jones, bride elect of Brad Franks, was held Thursday evening August 15 in the home of Mrs. Kay Wiseman.

The serving table was covered with a lace edged white linen cloth and accented with a floral arrangement in mauves and blue.

A fruit plate, hor d'ourves and punch were served from crystal appointments.

Special guests were Mrs. Sandra Franks and Holly, mother and sister of the prospective groom; his grandmother and aunt, Mrs. J.C. Franks of Amherst and Reba Williamson of Littlefield; the honoree's mother and grandmother, Linda Jones and Mrs. R.C. Jennings, both of Littlefield.

The hostesses gift was a set of cookware. Hostesses for the occasion included: Jeanne Bartley, June Bartley, Lynette Burns, Evelyn Fisher, Shirley Fisher, Dorothy Hill, LaRhonda Hill, Nell Ingle, Bertha Johnson, Nellie Kessler, Martha Markham, Donna Masten, Drusilla Moss, Marge Nelson, Sandra Nix, Yvonne Pierce,

Peggy Ray, Loretta Reid, Mickey Stephens, Wanda Swart, Charls Ann Williams, Jane Wiseman, Kay Wiseman and Bette Withrow.

First Rejino

Family Reunion

Held In Muleshoe

Around 150 family members attended the first Rejino Reunion in Muleshoe on August 10-11.

The first Rejino Reunion was hosted by the Concepcion Rejino family; the Lupe Rejino family and Mr. and Mrs. Ben Rejino.

Activities got underway at the Immaculate Conception Catholic Church Catholic Center with a noon meal, followed by a dance that night. Sunday's activities included an outing at the old city park, with a meal and games, along with a lot of visiting.

Rejino family visited from Louisville, Ky.; Kansas, Oklahoma, El Paso, Fort Worth, San Marcos, Austin, Lubbock, Bovina and Levelland, well as Muleshoe.

Bridal Shower Fetes Miss Terri Webb

Miss Terri Webb was feted with a bridal shower Saturday, August 24 from 3 to 4 p.m. in the parlor of the First Baptist Church.

Guests were greeted by the honoree; Beth Webb, Tammy Smith, Tona Webb, and Lindsay and Tara Smith, and registered by Shelly Davis.

Tammy Smith served thumb-print cookies and peach colored sherbert punch from crystal appointments.

The serving table was covered with a white satin skirt with white overlay and accented with an arrangement of peach and yellow silk flowers. The honoree's corsage consisted of yellow daisies and peach roses (silk).

Special guests included: Beth Webb, mother of the bride; Tammy Smith, sister of the honoree; Lindsay and Tara Smith, nieces of the honoree; and Tana Webb, sister of the honoree.

The hostesses gift was a set of copper bottom Reveware and

Telethon...

Cont. from Page 1
 nounced periodically on the telethon which will be broadcast live at 8 p.m. Sunday, September 1 through September 2, 5:30 p.m.
 Marcher kits will be available at the pledge center during the telethon for anyone wishing to collect donations door-to-door. MDA recommends that everyone who collects in the area should carry some type of legitimate identification. People are also encouraged to take donations to the pledge center site, also.

Everyone who makes a pledge during the telethon will receive a pledge envelope in the mail within one or two days after the telethon. Pledge envelopes contain a return envelope that will go directly to New York. All contributions will be tallied, banked, and will benefit the respective local areas for use in research and patient services.

KLBK-TV, Channel 13, of Lubbock, will broadcast Jerry Lewis' Supershow the Labor Day weekend telethon to benefit the Muscular Dystrophy Association (MDA). Eric Summers and Vicki Hutson, KLBK's news anchor team, will host the local portion of the telethon.

The local telethon will focus on area fund-raising events. MDA district director Paul Moore said that this will be the "year of the area pledge centers." The goal is to help get more people in the pledge center communities involved. Over 12 area towns will join in the telethon telephone network.

The 20th annual Supershow Telethon, which will be broadcast by some 200 "Love Network" affiliates nationwide, will originate live from Caesars Palace in Las Vegas. Ed

McMahon will once again serve as anchorman, and Casey Kasem, Sammy Davis, Jr., and Tony Orlando will encore as Lewis' Supershow Co-hosts, Davis from Atlantic City and Orlando from New York City. Among Jerry Lewis' guests in show business legend Frank Sinatra, making one of his infrequent live television appearances.

In most of the hours during which the Supershow is on the air, each station carrying it will cut in for 15 minutes local programming. Lewis noted that local affiliates use this time to inform viewers about what MDA does with the money it receives.

MDA supports some 240 hospital-affiliated clinics nationwide where patients with any of the 40 neuromuscular diseases covered by the Association's programs can receive medical care, counseling, and selected orthopedic aids. The Association also funds a massive worldwide research effort seeking treatments and cures for these disorders, which affect hundreds of thousands of Americans.

In the Lubbock area, an MDA clinic is located at Methodist Hospital. MDA also sponsors some 70 summer camps throughout the country for youngsters with neuromuscular diseases, including one in the South Plains.

Last year's Jerry Lewis Telethon raised the highest pledge total in the show's 19 year history -- more than \$32 million in pledges. According to data provided by the S.C. Neilsen Company, a projected audience of some 96 million people watched the show, making it one of last season's top-rated programs.

FIREMEN AT WORK--'Smoky' Martin is shown with a fire hose dousing a fire that started in the engine of this car, totally destroying the car Sunday night east of Muleshoe. Dozens of vehicles drove to the fire site, and most were held up in traffic which was backed for miles in both directions until the emergency was over.

Mules...

Cont. from Page 1
 winning team. "I think, early, we're going to have to win some ball games," said the coach. "If we go to Portales, Morton and Frenship and have some success, it's the only way, once we get deep into the season, we're going to win some more ball games."

"We don't need to get down early. We can't 0-3 or 1-2 and then play the folks in this district."

"We're not going to save any tricks for anybody in district. We're going to let it all hang out -- early."

Most football enthusiasts on the outside, don't appear to expect too much from the Mules, and that will work to the Mules' favor, believes Coach Keeling.

"People think we're going to be pretty poor," Keeling said. "We hope they continue to think that."

"But our kids don't think they're going to be poor. The thing I've always heard about kids at Muleshoe is they come to play. They get pumped up and put up a good fight."

Detrimental to the Mules will be that they will only have eight returning starters.

Veteran guards Sergio Leal and David Vela are expected to provide the vanguard offensively, along with split end, Loy Triana. Defense will be led by Leal and Mike Holt at linebacker, Triana at safety and Vela as rover.

Keeling will be using Vela at strong safety, Scott Bickel and Leal will position as guards in the offensive front.

Holt will be moving from

linebacker to quarterback and could be joined in the backfield by fullback Todd Bessire and tailback Wade King. Other probable starters on offense are tight end Sidney Lewis, tackles Joe Ambriz and Jaime Torres and center Francisco Ybarra.

Linebackers will be Leal and Russell Brown and the possibilities for secondary are expected to be Vela, Triana as free safety and Mike Lopez and Bessire at the corners.

Plan now to be out for "Meet the Mules" next Tuesday night.

Muleshoe...

Cont. from Page 1

On Monday, September 9, at 7:30 p.m., the first Muleshoe 4-H meeting for the fall will be held at the Bailey County Civic Center.

Deana Finck, Bailey County Home Extension Agent said enrollment forms will be available and programs and projects will be discussed.

ON HUMAN RIGHTS
 HELSINKI, FINLAND -- Secretary of State George P. Shultz accused the Soviet Union of widespread human rights violations, saying that "the most important promises of a decade ago have not been kept."

Hospital...

Cont. from Page 1
 Westworld is currently correcting problems in order to re-certify the Nursing Home to conform with the State-mandated Life Safety requirements. Also to be added to the Nursing Home is a cafeteria, said Reamy.

Accompanying Jack Reamy to The Journal offices at 8 a.m. on Monday was Delbert Watson, who is president of the West Plains Medical Center Hospital Board.

He explained that since Westworld Community Healthcare signed a 30-year lease to operate the hospital, two boards were set up. The first board is the original board, whose members were elected by the people of Bailey County.

The original board is responsible to the people of this area. They oversee the terms of the lease agreement, and are charged with the physical plant and hospital facilities.

The original board adds their input to operations of the hospital, listen to and consider public opinion and listen to the people and their needs.

He said the other board is the corporation governing board, who handle the day-to-day operations of the hospital and nursing home. They are in control of the physical plant at Muleshoe, the satellite clinic at

Earth, and future satellites for the area.

When asked if the original board is very involved with the hospital operations now, Watson replied, "Very much so, more than ever before."

"Westworld is very good to work with, and as you may realize, the board has to approve renovations, and changing of any operations, to conform with Westworld and state requirements. They are all very congenial, and easy to work with. It is a big, big relief to have them (Westworld) taking care of the operations of the hospital."

Watson added, "There was a lot of equipment and renovations we wanted to do, but we didn't have the means. With Westworld, we are seeing better service to the people, and better care."

Jack Reamy, administrator, emphasized, "If people have any question about their billing, hospital policies, or any other phase, my door is always open to them. I want to assure everyone, I am there to talk to them, and to explain anything we can."

ON CHILD ABUSE
 WORCESTER, MASS. -- A researcher who examined the bones of dead infants under a microscope has come up with preliminary proof that faint, mysterious marks on their X-rays were signs of child abuse, giving the first backing to a 40-year-old theory.

Our roots are firmly planted right in your own back yard!

For years, the Terra Seed Company has been a valuable part of farming communities throughout the country. As quality producers of certified seed, and by offering a wide variety of seed products, we've become like a member of the family at planting time... doing our part to bring you the best wheat seed yet.

Our roots go deep!
 Your wheat crop needs a good strong root system to assure its survival. One that goes deep in search of food resources and won't leave the plant high and dry. Terra Seed Company's roots are deeply embedded in its over 30 year history in the seed business. And now the roots grow stronger with the backing of Terra International, so you

know your seed is coming from a tried and true friend who will stand by you at planting time.

Breaking new ground.
 Our roots are firmly planted in quality production of clean certified seed. By continually searching for the sturdiest, high yielding wheat strains, we make sure we're offering you the best seed available. It's our goal and our promise to continue producing new types of seed to increase the harvest of today's farmer.

Consistency
 When you plant your wheat fields, you're putting your livelihood into the ground, so you have it made sure

that what comes up is a consistently healthy high yielding wheat crop. Terra Seed Company has always offered the highest quality wheat seed available to make sure your fields produce a great crop year after year.

Enochs News

by
Mrs. J.D. Bayless

Mrs. Bill Key visited her cousin, Mrs. Winnie Spears Aug. 26 in Lubbock, also visiting there were her brother, Raymond and Irene Turner of Porterville, California also another brother, Woodrow Turner of Garland, Texas.

Mrs. Elderd Coffman and a granddaughter, Sue Coffman of Andrews, Texas and two other grandchildren, Beth and Ronald Coffman of Borger, Texas were in route to Muleshoe to meet Beths and Ronalds mother, who were to pick them up Thursday, at the home of Mrs. Clara Coffman where they were dinner guests. They stopped and visited in the home of the J.D. Bayless'.

Visiting in the home of Mrs. Wilma Petree Tuesday were Mr. and Mrs. Calvin Calvert of Lufkin, her brother, Mr. and Mrs. L.O. Williams of Amarillo, came that day also for a visit.

Visiting in the home of Mr. and Mrs. Guy Tuesday were a nephew, Curtis Pierce of San Abria, and a sister, Ethel Fagen of Lubbock.

Mr. and Mrs. J.E. Layton drove to Dell City Friday and spent the weekend with his brother, Mr. and Mrs. Harold Layton and Robert.

Visiting the Bill Keys Wednesday was John Lathem of Bula other guest Wunday was Mrs. Mamie Adams.

We express our sympathy to the family of Fidel Delerosa who died last week. He had been in

the hospital for some time in Lubbock.

Mrs. E.N. McCall visitor her sister, Mr. and Mrs. Fred Locker in Littlefield Wednesday of last week.

Mr. and Mrs. Dale Nichols are home from a 12 day trip to points in Montana and Wyoming. They met at a Lions Club Camp at Bitterroot Lake near Marion Montana with Rose's sisters and brothers, seven of the ten were able to attend the family reunion. Those attending were: Mr. and Mrs. Bryant Sandefer of Kilispell, Montana, Mr. and Mrs. Lyn Sandefer and children of Hungry Horse, Montana; Mr. and Mrs. Gary Sandefer and daughter, of Columbia Falls, Montana; Mike Sandefer, of Columbia Falls, Montana; Roger Sandefer of Valdosa, Georgia; Mr. and Mrs. Walt Sandefer and family of Midland, Texas; Mr. and Mrs. Ralph Pugh and grandson, Clayton Oldham of Midland, Texas; Mr. and Mrs. Charles Wilson of George West, Texas; Mr. and Mrs. M.L. Bunn of Amarillo, Texas; Mr. and Mrs. Dale Nichols of Enochs; Mr. Leroy Sandefer of Midland; also an Aunt and Uncle Mr. and Mrs. Al Foreman of Lake Havasu, Arizona. Other places the Nichols' visited were Glacier Park, Yellowstone, Grand Tetons, Hungry Horse Dam and Custers' National Monument.

Mr. and Mrs. Jarrol Layton and Mr. and Mrs. Keith Layton took their mother, Mrs. Wanda Layton out to eat a Mexican supper in Muleshoe Wednesday night August 21, for her birthday, their grandmother, Mrs. Eitta Laytons birthday was Saturday 24, so they also honored her with a supper too that night. Mrs. Keith Layton had home made ice cream for the group after the supper at

their home.

Tuesday some in the area received .1 to .6 inches of rain, then Friday afternoon and night the rain ranged from .1 north of Enochs to 1 1/2 inches south of Enochs. Some farmers are sowing their wheat, some plan to sow this week. The women are very busy canning and freezing vegetables and fruits.

Congratulations to Mrs. Lillie Snitker. She went to Tech this summer and got her Masters Degree. She will be teaching in the Muleshoe school again this fall.

E.N. McCall was honored by his family with an early birthday dinner Saturday at his home, he will be 77 September 14. Those present were their daughters, and families, Mr. and Mrs. Robert George, and Brent of Lubbock, Mr. and Mrs. Steve Mosser, Chris, Kim, Kerry and Kelly of Slaton. Kim and Kerry stayed for an extended visit.

Mr. and Mrs. Dorwin McBe attended her family, the Phillips, family reunion at Cloudcroft, New Mexico. There were 50 in attendance.

Visiting Mr. and Mrs. Burley Roberts recently was Mr. and Mrs. Brian Roberts and baby from Poway, California. Mrs. Melonie Bruton and baby are staying with her parents, the Burley Roberts.

Mr. and Mrs. Timothy Roberts and Mrs. Melonie Bruton went to Dallas, Friday to spend the weekend and go to Six Flags.

Letter To The Editor

Dear Muleshoe Journal Employees,

On behalf of the Muleshoe Heritage Foundation, I would personally like to say thank you for the fine coverage given to the Heritage Foundation, especially about the Community Party held recently. Due to the special features, interesting articles, and the advertising, people were made aware of the importance of preserving our colorful past.

The Community Party at the Bailey County Coliseum was a huge success, and much of this success was due to the comprehensive coverage given by the Muleshoe Journal.

Sincerely,
Jean Allison
Board Member

The first American student to work his way through college was Zechariah Brigden, 14, who graduated from Harvard in 1657. He earned money by "ringing the bell and waytinge."

When Are Sunflowers Ready For The Harvest?

JOHN SWANSON
Agronomist

Sunflower is generally considered ready to harvest when the plant is brown, all the leaves have dried, and seed moisture is in the lower teens. But is this really the best time to harvest sunflower?

What is maturity on sunflower? Sunflower has two types of maturity: physiological and harvesting. Physiological maturity means that the plant has reached the point of maximum yield or oil content. At this point, the crop can be killed by a frost or by desiccant and not experience any loss of yield potential. Research has established that physiological maturity is at 35% seed moisture. Whenever seed moisture is less than 35%, the plant is normally considered physiologically mature. In the past, physiological maturity was also defined as the back of the heads turning yellow and the bracts brown. This is still an indication, but certain varieties turn yellow shortly after petal drop and are not physiologic in maturity.

In other areas where there are very warm temperatures, the bracts sometimes dry up and turn brown. However, the plant is still not physiologically mature. It's wiser to use the moisture test as a much more accurate rating system. Any time you look at colors for rating maturity, it is not a very objective test.

The real rating of maturity of sunflower probably is "when is it ready to harvest?" This is what makes money for you the grower, not necessarily when they're physiologically mature. There is a difference in hybrids between their drydown from physiological maturity to harvest moister. Dahlgren & Company, Inc. has selected hybrids that tend to have thin pallet areas for faster drydown. We feel that this is important, as much of the sunflower growing area has limited days that are ideal for harvest.

So when do we really feel that sunflowers are ready to harvest? You can economically start harvesting sunflowers at approximately 18 to 19% moisture and, under most conditions, put more money in your pocket than waiting for 10% moisture. The reasons being: 1. You're going to have much less shatter loss.

2. Easier combining. 3. Prevent loss of crop which can happen from adverse weather. 4. Air temperatures are warmer, so drying time and fuel is less. 5. Fall field work can be accomplished. 6. Prevent the possible loss from bird depreditation.

Proper combine adjustments have shown that dockage can actually be less at 14-18% moisture than at moisture levels of 11% or less.

There are theories that sunflower actually dries down quicker in the head when there is some green in the stalk and leaves, and then picks up moisture as the leaves and stalk give off moisture. This past year we experienced this with some growers who actually started harvest when there were still some green stalks and leaves and were able to combine at approximately 13 to 15% moisture range. As the plants and leaves became more brown, the moisture acually went up even though there was no rain or high humidity days. There very likely could be, in most the seed is dry enough to combine well and then the seed

picks up moisture as the head cell tissue starts to break down. For this reason, I feel there is a time period that you can harvest sunflower with some green stalks and leaves. This will make some difference in variety as to how tightly the seed sits in the head. There are varieties, such as DO-164 and D-131. that

can have relatively dry seed while still maintaining some green on the head and stalk. This is usually an indication of a plant that has very good disease resistance, especially to the later maturing diseases such as the premature ripening complex.

When you're harvesting sunflower in the 14 to 18% bracket, normally the head should be able to come out whole with very little breakage of the head. It is normally easier to combine at this moisture level, the stalk and head does not break up nearly as bad as when moisture gets below 12%.

It is a must to remember that seed must be 10% moisture or less for long term storage.

Music Appreciation

I am not a musician, but as I write this I think back and realize how my taste in music has changed. Early in life, it took only the simplest childhood jingles to please me, then in school I was trained and taught to appreciate more intricate music. All through life I feel that my knowledge of... and appreciation for music has grown and matured.

Through study and help from others, I have also grown as a Christian and have a better appreciation of my Lord.

My knowledge of, and love for God increases with each church worship service...

This way of life and worship, I would recommend to anyone. Won't you try it...

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Sudan News
by
Evelyn Ritchie

Mrs. Sherry Capers, Rebecca and Annette visited during the weekend in Lovington, N.M. with friends and relatives.

Mrs. Debra Nelco, Nicholas, Tori and Travis of Leeds, Alabama visited last week with her grandmother, Mrs. Oleta Reece and aunt, Mr. and Mrs. Cliff Shupe.

Mr. and Mrs. Marvin Tollett were in Spade Saturday to visit their son, Mr. and Mrs. Burck Tollett and Zachary.

The Hornets will be scrimmaging Friday, Aug. 30 at 6:00 p.m. at Kress. Come on out and support the Hornets to a victory.

Raymond Gage was released from the Methodist Hospital and returned to his home on Tuesday of this week. Hoyt Robertson has also been released and is at home. Calvin Jordan remains hospitalized at this time.

Ray Baccus remains a patient in the Methodist hospital in Lubbock.

Roy Graves was released Tuesday from the Veteran Hospital in Amarillo and is at home.

Our apologies—the name of Nell Ingle was omitted from the card of thanks from Christie Phillips last week. Nell assisted with the reception held upon Christies return from Miami.

Mr. and Mrs. Jerry Bellar, Jason and Justin, Mr. and Mrs. Gary Ray and girls and Glenn Chester were in Amarillo last week to attend the Panhandle Horse show.

Visiting last week with Mr. and Mrs. John Davieau were her cousins, Mr. and Mrs. Fred Scarborough of Murfreesboro, Tenn.

Visiting recently with Mr. and Mrs. Henry Williams were their children, Mr. and Mrs. James Carroll Williams and Jimmy Williams of Marble Falls and Mr. and Mrs. David Williams and family of Idalou.

Mr. and Mrs. Connie Hill were recently in Tres Ritos, N.M. with their son, Mr. and Mrs. Ronnie Hill and boys and their daughter, Mr. and Mrs. Larry Durham and family.

Visiting last week with Mr. and Mrs. Connie Hill and here

to attend the Damron family reunion were their daughters, Sandra Hill and Mr. and Mrs. Larry Durham and family of Lubbock.

Mrs. Lynda Joe Hunter and children of Amarillo visited during the weekend with her mother, Mrs. Joy Logan as did her sister, Mrs. Mickey Lou Jordan and boys of Breckenridge. They also visited their grandparents Mr. and Mrs. Roy Day.

Mr. and Mrs. Wayne Doty were in Hobbs, N.M. during the weekend when their daughter, Mr. and Mrs. Doyle Mapp became parents of a new son, Dustin Ray. Wayne returned home Sunday and Billye remained for a few days.

Winona Dudgeon and her daughter-in-law, Philda Dudgeon of Dimmitt, were in Ruidoso, N.M. the first of the week.

James Newsom of Waco visited during the weekend with his parents, Mr. and Mrs. Dale Newsom and family.

Visiting Sunday with Mr. and Mrs. Norman Humphreys were her grandchildren, Jodee, Justin, and Jason, children of Mr. and Mrs. Gary Morris of Muleshoe.

Shelley Chester and boys of Clovis, N.M. were weekend visitors with her parents, Mr. and Mrs. Jim Bob Hargrove.

Mr. and Mrs. Don Harper hosted a dinner Sunday in observing the 35th wedding anniversary of their parents, Mr. and Mrs. Raymond Harper.

Mr. and Mrs. Corley Baker and family have returned from vacationing in the mountains.

Funeral services were held Thursday, Aug. 15, 1985 at 2:00 p.m. for Mac Williams in the St. Petersburg Baptist Church in Waelder, Texas. Rev. E. Barns pastor, officiated.
Mr. Williams was the father of Mildred Lee Scott of Sudan.
Other survivors include five other daughters, Masline Johnson, Merlin Evans, Hanna Dorothy Kelly, Emma Lois Jones all of San Antonio; Flossie Williams of Muldoon, Texas; one step-daughter, Mercile Harvey of Houston, four sisters, and five brothers, twenty grandchildren, seven step grandchildren and 13 great grandchildren.
Pall bearers were Jerion Williams, Jeffery Kelly, Reginal Kelly, Ray Charles Williams, Bobbie Glen Williams and Donald Evans.

ANNIVERSARIES AND BIRTHDAYS

Missy Fisher, who will be attending Wayland Baptist University again this year and playing with the Flying Queens, has moved back into the dorm there and she and Sharla Harrison, also will be playing with the Queens, visited some this week with Josephine Fisher and others. They will be leaving Friday on a trip to Old Mexico where they will be playing 13 games in 15 days in Mexico City & will also play in Vera Cruz, Mexico. This is sponsored by Old Mexico Olympics.
A&M professor says manufacturing efficiency vital to U.S. productivity
COLLEGE STATION — U.S. corporations must put more emphasis on manufacturing to maintain America's title as most productive country in the world, says an operations management specialist at Texas A&M University.
Dr. Benito Flores of Texas A&M's College of Business Administration says America is feeling the crunch of international competition largely because over the past two decades management placed more emphasis on marketing and financial considerations than on manufacturing.
He says U.S. manufacturing, due to many factors, has become too costly to have the competitive advantage on a per-capita basis over countries such as Japan and West Germany.

Nursing Home
By Joy Stancell

D.J. Gage was visited by Brother Bradley last week.

Thursday morning Clara Jones and Zora Bellar came to play the piano and lead singing for the devotional. Fred Peat and Lois Ethridge read Bible verses.

Ruth McCarty came Friday afternoon and played beautiful selections for us on the piano. We were blessed by her visit.

Laverne James, Retta Shipp, and Mrs. Shafer played dominoes and Skip - Bo with us Thursday afternoon.
Residents participating were Fred Peat, Ernest Kerr, Lois Ethridge, D.J. Gage, Lewis Shafer, B.B. Street and Edith Goucher.

Claudia Cannon was visited by her daughter-in-law Tuesday.

Edith Goucher was visited by Mrs. Floyd and her husband, Doc Goucher, this week.

The New Covenant Church came Sunday afternoon for gospel singing and visitation.

Our thanks to Bruce Slayden and Lois Ethridge for the delicious melons. We really enjoyed them.

Lois Ethridge shelled peas Fri. morning. It took her just a little while to shell a big bag full.

Glenda Jennings and Jonessa came Wednesday afternoon for a sing-a-long. It was expressed by several that one highlight of the sing-a-long is when Glenda and Lois Ethridge do *Put Your Little Foot*. Special guest attending were Mrs. Shafer, Elizabeth Street, Mrs. T. R. White, Arnold Morris, Mr. Cannon and Doc Goucher. Our thanks to Glenda and Jonessa.

Edith Bruns was given a new perm Wednesday morning by Chubby Douglass.

Violet Dean served juice and coffee to the residents and

visitors Wednesday afternoon.
Among those visiting with W.L. Shafer were his wife Zeffa Shafer, Mrs. T.R. White, and Jimmy Crawford.

Rita Saure, Lois Ethridge and B.B. Street played Skip-Bo Wednesday afternoon.

We were so pleased that Mrs. Baker came to visit and played our new game, Hand and Foot, with us.

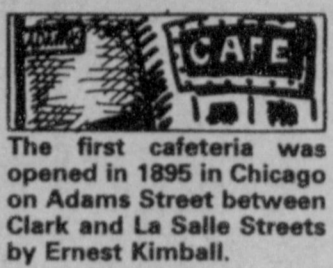

Ernest Kerr was visited by Mrs. T.R. White, Mrs. Baker, Jimmy Crawford who helped Ernie out to the patio to look at our tomato crop.

Mr. Fred Peat went out with his son Clinton Peat Wednesday afternoon. Mr. Peat's granddaughter from out of town is here visiting. Mr. Peat states that he enjoyed the visit as well as the good supper of home grown vegetables.

Lonnie and Nelda Merriott, grandchildren of Josephine Wenner, are back from a few days vacation. We really miss them when they are gone, although we were pleased they got to go.

BIBLE VERSE

And all the tithe of the land, whether of the seed of the land, or of the fruit of the tree, is the Lord's: it is holy unto the Lord.
1. Who was the author of the above command?
2. From what book is it taken?
3. What is the general characteristic of this book?
4. Where does the name originate?
Answers to Bible Verse
1. Moses.
2. Leviticus.
3. It has been called a "directory of the Old Testament worship."
4. From that of the Levites, the priestly tribe of Israel.

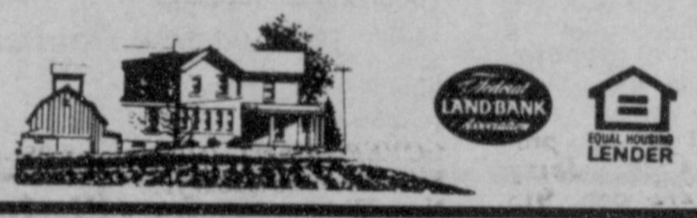

The first cafeteria was opened in 1895 in Chicago on Adams Street between Clark and La Salle Streets by Ernest Kimball.

How to relax a budget that's stretched tight

Many farm families find they need a better balance between short-term and long-term debts. Any many times we can help with long-term Land Bank loans.
By spreading repayment over a number of years, terms may be arranged to fit your budget and cash flow. And, there's no prepayment penalty with a Land Bank loan. You can prepay any amount, at any time, from any source.
Stop by and see how we can help solve your budget problems.

Federal Land Bank
Association of Muleshoe

316 Main 272-3010

ATTENTION MR. FARMER!

Plant the new variety of wheat that made the big yields plus high grazing!!

If you're going to graze cattle, plant the new varieties of wheat:

Certified Mustang, Certified Hawk, Certified Ram

These wheat are wide bladed, have high grazing potential plus yield potential of over 100 bushels per acre on irrigated land.
The increase in grazing will off set the cost of seed over planting your own seed.

The state of Nebraska says that you can increase your yield from 3 to 7 bushels per acre over non-certified seed by planting certified WHEAT seed.

One bushel increase in yield will more than pay for the certified seed over using your own seed. The extra increase is profit to you.

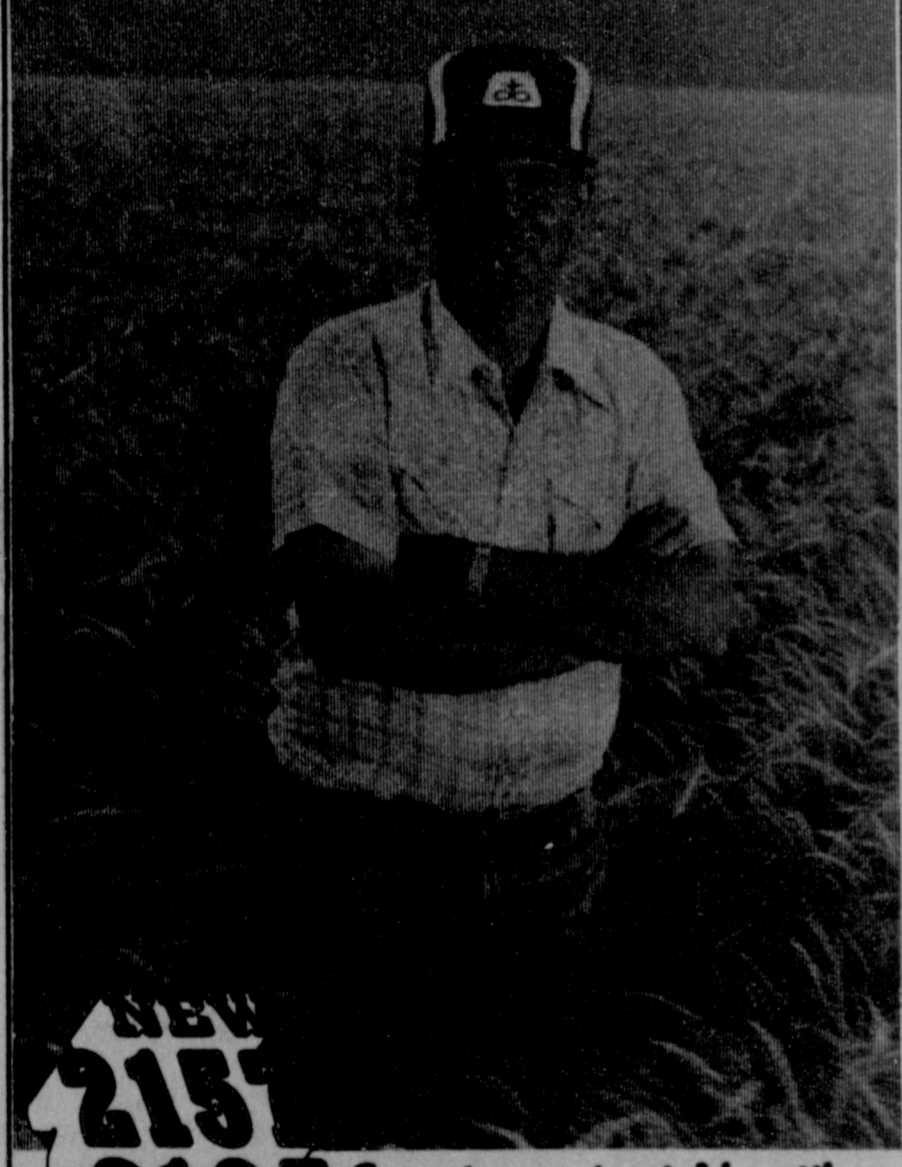

We Have The Following Varieties Of Wheat Seed:

- Certified Hawk Wheat
- Certified Newton Wheat
- Certified Ram
- Certified Rocky Wheat
- Certified Sage Wheat
- Certified TAM 105
- Certified Wings Wheat
- Certified Vona Wheat
- Certified Mustang

We Also Have Rye, Rye Grass & Triticale Fro Pasture.

McCormick Seeds Inc.

400 East Ash Muleshoe, Texas 272-3156

NEW 2157 2165 Superior grain yields with a good grazing bonus. Excellent straw strength, too!

Our researchers were impressed by the tremendous pasture production and grain yields from these new varieties during testing. And now that the varieties have stood the test of actual production on many farms under many conditions, the proof is in!

They grow off well and show strong resistance to SBMV, leaf rusts, fungal leaf blights, and the Hessian fly.

- New 2157 gives you good, early grazing, then stays with you through the winter. And the grain yields are right up there with anything you care to compare it against. Choose 2157 for dryland or limited water production.
- New 2165 works with your irrigation program to make the most of all you put into the crop. Pasture comes on strong in the fall and grain yields are among the best you'll find, bar none.

See your Pioneer dealer right away. He'll show you yield results and interesting new facts about the advantages of pure seed.

18. Legal Notice

PUBLIC NOTICE REVENUE SHARING HANDICAPPED REGULATIONS
This notice is published pursuant to the requirements of Section 51.55 of the Revenue Sharing Regulations, as published in the Federal Register on October 17, 1983. Section 51.55 prohibits discrimination against qualified individuals because of their handicapped status. Bailey County, Texas, advises the public, employees and job applicants that it does not discriminate on the basis of handicapped status in admission or access to, or treatment or employment in, its programs and activities. Bailey County, Texas, has designated the following office as the contact to coordinate efforts to comply with this requirement. Inquiries should be directed to: County Judge 300 South First Street Muleshoe, Texas 79347 Phone 806-272-3077 Hours: 8:00a.m. to 12:00 noon & 1:00 p.m. to 5:00 p.m. g18-35t-4tfc

15. Misc.

When vacationing at theme or amusement parks, board Fido at a well tended park kennel, rather than in a locked car in the parking lot.

Q. I've got my driver's license, traveler's checks, luggage and road maps. What should my pet take along on vacation?
A. Your pet's suitcase won't be as large as yours, but he will need a few items, such as favorite toys, water/feeding dishes, grooming aids, medications, and a leash and harness. Fido or Felix should always wear a collar with appropriate ID--and take along a wallet-sized pet picture. Ask your veterinarian what additional shots or certificates your pet may need.
Q. Many hotels don't accept pets. How can I find out if my animal is welcome?
A. There are many hotel/motel lodgings that welcome the four-legged set. Ask your travel agent, AAA, or local motor club for recommendations. If your heart is set on an establishment that refuses pets, and if your stay is a short one, you may be able to locate a nearby kennel.

NOTICE OF PUBLIC BUDGET HEARING
The Commissioners Court of Bailey County will conduct a hearing on the FY 1986 budget at 10:00 a.m. on Monday, September 9, 1985, in the Commissioners Courtroom at the Bailey County Courthouse, 300 South First Street, Muleshoe, Texas. Any citizen attending the hearing has the right to give written and/or oral comments and to ask questions about the proposed budget for FY 1986. Revenue Sharing funds will generally be used for capital expenditures and other extraordinary expenses. The proposed budget for FY 1986 provides for cost and living salary increases for all officials and employees of three per cent. A summary of the entire proposed budget is as follows:

Road and Bridge Estimated Revenue.....	\$791,605.57
Precinct No. 1 Budget.....	146,726.94
Precinct No. 2 Budget.....	145,137.68
Precinct No. 3 Budget.....	145,111.94
Precinct No. 4 Budget.....	145,137.68
General Fund Estimated Revenue.....	791,605.57
County Judge's Budget.....	43,330.54
County Clerk's Budget.....	54,076.32
Non-Departmental Budget.....	173,402.24
County Court Budget.....	6,625.00
District Court Budget.....	20,509.17
District Clerk's Budget.....	38,824.77
Justice of Peace & Constable's Budget.....	23,641.48
County Attorney's Budget.....	30,360.80
District Attorney's Budget.....	10,216.67
County Treasurer's Budget.....	23,419.79
Tax Assessor-Collector's Budget.....	39,258.54
Jail Budget.....	75,818.88
Coliseum Budget.....	79,147.70
Sheriff's Budget.....	110,079.38
County Health Service's Budget.....	26,820.00
Extension Office Budget.....	51,617.44

A copy of the complete proposed budget is available for public inspection in the office of the County Judge, Bailey County Courthouse, 300 South First Street, Muleshoe, Texas.

FOOTBALL *****

By Pete Fritchie

WASHINGTON, D.C. -- The Dallas Cowboys, sometimes called America's team, are in trouble this year if Danny White doesn't come through in style.

Dorsett and balance the Cowboy offense.
If they don't, Danny White must come through like he and Roger Staubach did in many past years.

Dorsett wants a contract

THE Know Weather

Can we tell anything from the ordinary rainbow? Does it give us any clue to the coming weather?
Yes. The rainbow, of course, is usually seen after or during a rain, but it's also often seen when there has been no rain.

Sometimes it may indicate the possibility of rain, since moisture is always one of the ingredients which form a rainbow.
If you see a rainbow in the windward (the direction from which the wind is blowing), chances are good that you will be in for a rain.
On the other hand, if the rainbow appears to the leeward (the direction in which the wind is blowing), you can expect an end to the rains soon, usually.
The sun's light, playing through moisture laden particles of air, forms a rainbow, the result of various reflected hues of light.

Paw Prints

Advice from the American Animal Hospital Association on pet care.

Q. Is air travel dangerous for animals? I've heard that baggage compartments become very cold.
A. Fido won't freeze, but summer heat may be a problem--hold temperatures can climb well above 100° on a warm day. If your pet is too large to fit underneath your seat and must travel in the hold, book an early morning or late evening flight, when temperatures are cooler--the mid-70's or lower are best. Use a sturdy, very well-ventilated travel carrier, and ask that he be loaded last. Airlines really do try to take good care of pets, but extra precautions won't hurt. Check with them or with your veterinarian for more information.

like that of Randy White, a multi-million dollar guarantee spread over fifteen or twenty years. He may be pushing the Cowboy organization and Tex Schramm to the wall.

By staying in L.A. and not being in touch with the club, even as exhibitions are being played, he risked losing much of a season.

Tony Dorsett seems a mixed up individual, having frittered away much money with unwise investments, etc. As this is written, he's holding out in California. And Dallas opens with the Redskins September 9!

It would be nice for the Cowboys if they came up with Hershel Walker, from the NFL. He could replace

DID YOU KNOW ?

Here are a few facts about newspapers that may be news to many:

- The country with the most newspapers is the United States.
- There are nearly 2,000 English-language daily papers published in this country, with a combined net paid circulation of over 60 million copies a day.
- There may be far fewer papers around next year with greatly reduced circulation for the ones that remain unless Congress acts this year.
- The President's budget proposal would do away with the government's assisting the post office to allow certain newspapers a lower rate, as has long been their right.
- If the papers have to pay regular second-class rates--two and three times higher than they pay now--many may go out of business. Others would have to raise their subscription rates. Many Americans would lose their source of local news and local advertising.
- The biggest newspaper ever printed was the New York Times of Sunday, October 17, 1965. It comprised 15 sections with a total of 946 pages and weighed seven and a half pounds.

ABOUT YOUR HOME

TV dinner trays can be reused by creating your own TV dinners from leftovers. Some like to cook extra and fix frozen dinners for busy days.

You can use your electric knife for more than slicing meats. Use it to slice freshly cooked cakes, breads, tomatoes, etc. Don't slice extremely small items.

When grilling steaks score fat with a sharp knife at close intervals to prevent the edges from curling.

To make a window appear larger, extend the drapes beyond the window frame. This helps the looks of a large room that has only one window.
