'The Community Of Opportunity - Where Water Makes the Difference'

## Look Out--Guys, She's A Winner!

All right! Come on, you guys. What's the matter with you? Letting a mere 'woman' beat you out on the football contest. For the second week in a row, a woman has outguessed all the men -- and guess what -- she's the same person who was first place in last week's contest, Donna Noriega.

As a matter of fact, she was the only person to miss only two games in the second football contest for the year. Mrs. Noriega, who may have some secret way of calculating the winners, missed only the Washington State-Arizona game and the Kansas State-Northern Iowa games.

This boosts her total points to 20 at this time, a mark that could easily fall by the wayside before the contest is over late in November.

Mrs. Noriega bested her husband, Victor, who incidentally, was the third place winner for the past week.

Three persons missed three games during the past contest, and all three became winners. Tied for second place with three misses and a total of 24 points away on the tiebreaker scores were Donnie McDonald and Kay Graves. And, in third place was Victor Noriega.

In the event of a tie, such as occurred this week, the winners split both the prize money and

the points. Be sure to join in the fun, and work toward the grand prize of \$100 cash at the end of the contest. The person who accumulates the most points during the weekly contests will be declared the winner of the grand prize, so at this point, it's still anybody's contest.

Weldon Eagle and Gary Freeman entered an Energas Golf Tournament at Plainview last Saturday, playing with 71 other golfers.

Freeman won first place in the first flight, and was given a golf bag. Eagle tied for second in the sixth flight, and following a coin toss, won third and was presented a golf putter.

Last Sunday night, the border patrol moved into Muleshoe and swiftly started gathering up illegal aliens.

They ended up apprehending more than 50 aliens, and called for a bus to transport the aliens.

They reported the aliens would be transported by bus to the border and deported to

Border patrol agents indicated and intensive drive at this time is being conducted to apprehend

## City Council Approves New Budget, Tax Rate

Tuesday morning, the city council unanimously approved both a budget and tax rate for the City of Muleshoe for the year beginning October 1, 1985.

Approved was a budget in the amount of \$1,134,428.00 for general revenue, operating and capital outlay; \$29,294.00 for interest and bonds; \$441,028.00 for water and sewer; \$75,000.00 from revenue sharing \$6,825.00 for the airport.

Council members also approved raising the tax rate by four cents from the 49 cents per \$100 valuation to the new rate of 53 cents per \$100 valuation.

The council also responded with an ordinance approving an amended budget for the 1984-85 year finding some unexpected expenses before fiscal year 1983-85 could be closed out.

Expected revenue for 1985-86 is \$1,169,659.00, which \$35,231.00 above the projected budget as approved by the

Another ordinance approved by the council was authorizing and allowing an updated service credit for service performed by qualified members or employees, of the City of Muleshoe; also providing for increased prior and current annuities for retirees and beneficiaries of deceased retirees of the city and establishing the effective date. This is an annual consideration

THEY; RE REGAL, AND THEY'RE ROYALTY-During traditional ceremonies Sunday night, a new queen was crowned in Muleshoe to serve during the next year before the annual Mexican Independence Day. Martha Diaz, left, relinquished the crown she has worn for the past year to incoming queen, Mary Ann Ybarra, right. In the background is Fr. Pat Maher, pastor of Immaculate Conception Catholic Church.

## Sales Tax Rebate Check Is Received

to the 1,005 cities that levy the pared to this year's figure one-percent city tax.

Muleshoe's check was in the amount of \$15,007.34, more than double the \$7,893.88' received for the same time last year. However, for the year, the city's receipts of the sales tax had increased only 11.91 percent. The 1985 payments to date are \$167,897.21, compared to the figure at the same time last year of \$150,028.58.

At Morton, the increase for

## Special Early Ends Sunday

A special early teal season that started Saturday, September 14, will conclude this Sunday, September 22. Prospects are said to be fair to good for hunting success during this special hunt.

Bill Brownlee, migratory game bird program director for the Texas Parks and Wildlife Department, said breeding populations in the northern U.S. and Canada were down slightly this year, but the birds will be plentiful enough for a good Are Available hunting season.

shooting hours during the teal season are different from those during the regular waterfowl seasons. During the teal season, hunters may shoot only from sunrise to sunset, to allow positive identification.

Daily bag limits is four teal in

State Comptroller Bob Bullock the year is 9.94 percent, with a last week sent checks totaling total of \$35,178.04 received \$57.3 million in local sales tax through September 1984, com \$38,674.63. Their current payment was \$3,693.67, compared to \$2,329.49 at the same time last year.

During the past year, Littlefield shows a decrease of 0.36 percent, with payments this year to date of \$200,233.71, compared to last year's total of \$200,950.16. Their September payment in 1984 was payment in 1984 was \$18,072.94, and was \$17,067.57 for the latest figure.

Figures for Friona show a current payment of \$6,640.39, compared to \$7,025.93 for the same time last year. They show an increase for the year of 13.07 percent, with 1984 payments at this time showing \$75,651.44, compared to the current figure for the year of \$85,541.87.

Houston's check for \$9.4 million was the largest, bringing total payments this year to \$114.2 million, up five percent over last year. Dallas' payment was \$7.2 million for a 1985 total of \$84.2 million, a 14 percent Cont. Page 6, Col. 2

## Young Trees Hunters are reminded that For Windbreaks

"The Blackwater Valley Soil and Water Conservation District is participating in the windbreak tree program," announced Carl Bamert, chairman of the district. "This year, those people interested in purchasing seedling trees for windbreaks can place their order and receive their trees right here in Bailey County.

This service is being provided to Bailey Coutny and surrounding areas as a convenience to the local people," he added.

Bamert stated, "The proper design and preparation of the site will determine to a large extent the longevity of the windbreak." Windbreaks are most effective if placed at right angles to prevailing winds. In most cases, they should be planted on the north and west sides of homesteads, no closer than 100 feet and extend 100 feet past the homestead.

"The site should be weed free but have a cover crop to protect the trees from wind erosion. The cover crop would be mowed or plowed in early summer to reduce competition for moisture and nutrients. Do not fertilize trees the first year. "The single most important

## Mules Meeting "compared to normal," this year and did not show an With Tigers Friday Night

It's going to be a battle between two teams trying for their first win of the season Tanksley's figures, making a when the Muleshoe Mules travel to Frenship Friday night to take on the Tigers at 8 p.m.

Both teams are in a rebuilding stage and the Mules have dropped their first two games, first to Portales, 35-0, then last Friday night, the Morton Indians came to town on the rampage, taking home a 41-7 victory.

Last week, Tulia Hornets swarmed all over the Tigers, stinging them with a 35-10 victory, leaving Frenship winless for the year after two

Injuries are not expected to be a big factor for the Mules, and the coaching staff and all the Muleshoe Mules said they wished to express their sincere appreciation to the townspeople who are supporting them as they are in a re-learning and

re-building stage. Wear your black and white tomorrow, Friday, and be very vocal in backing and supporting the Mules. Be sure to exhibit 'Mule Mania' and show our you are benind them, win -- lose --or draw. They are representing you to the best of their ability, and you all need to continue to show support, and continue to exhibit your support, extending to all school activities.

## Coach Explains His Philosophies For Athletics

"We are in a learning process, and right now the kids are having a real rough time," said Muleshoe High School Athletic Director and Head Football Coach Dale Keeling.

He was speaking to the Muleshoe Rotary Club Tuesday at noon, and outlined the athletic department's philosophies for the Rotarians. He expressed appreciation for the support of the city, and all the people who are offering encouragement to the athletes telling them to 'keep their heads up' and 'hang in there.'

Priorities of the athletic department are, in order, according to the coach: God, Famiy, Citizenship, Academics Team.

He also said goals of the department include to develop outstanding citizens for our community; develop the best over-all program in the state of Texas; to develop a program that all the kids are wanting to be a part of and to have the best off-season program in the state.

Also, to have a championship varsity team in every single sport; to be the most organized athletic program in the state; to include as many kids in the athletic program as they possibly can, because of what the department has to offer them and to let the athletes know the athletic department cares a great deal about each and every one of them.

Coach Keeling said his list of essential ingredients that must be present in all successful athletic programs are: enthusiasm, loyalty, organization, leadership, knowledge, communication, discipline and re-

He explained that the offseason program will be expanded and the weight room would be left open in the summer as they are striving to keep kinds interested in all athletic programs so they will want to continue athletics in school.

Cont. from Page 1

for the city council.

Following a discussion with Ron Montgomery, local manager to Southwestern Public Service, who explained the process being used for restructuring the rate system for SPS, the council approved an extension to SPS for consideration of the increase.

Montgomery explained that the rate increase would affect street lighting, cotton gins and schools, who formerly received special rating from SPS.

Bids were opened for two pickups for the City of Mule-shoe, as well as a suburban for the Muleshoe Fire Department.

Robert Green Inc. was issued the nod for the suburban with a low net bid of \$12,706.16, compated to \$13,212.72 bid by Muleshoe Motor Co.

Muleshoe Motor Co. then received the bid for the two pickups with the low bid for two 1986 Dodge pickups at a net bid of \$15,217.70 for both.

Mulshoe Motor Co. also bid \$16,066.88 for two 1986 Ford pickups, while Robert Green Inc. bid for the two pickups was a net \$15,851.10.

#### Junior High Gives Policies

## For All Students

Watson Junior High School Principal Fred Mardis said this week, "Policies regarding failing slips, report cards, and tutoring clases will be enforced again this year. Parents of students failing any subject will be notified, in writing, at the end of the third week of every six weeks period.

"Parents will need to schedule a parent-teacher conference with the teacher of the subject his or her child is failing."

The principal added, "Report cards will be sent out at the end of every six weeks period. These must be signed by the parent and returned to the

Also, students failing English, math, science, social studies, or reading, may be required to take tutorial classes from 3:45-4:15 p.m. or from 7:45-8:10 a.m. Classes will be offered Monday through Thursday, beginning on Monday, September 23, said the principal. Students will need to attend the tutorial class that is taught by their regular classroom teacher.

Muleshoe City Manager Dave Marr reported that the Muleshoe Fire Department has moved most of their equipment into their new building, although some finish work is still being done.

Responding to a question from council members, Marr said an open house or grand opening will be scheduled in the future for the new quarters for the fire department.

#### Rebate ...

Cont. from Page 1 increase.

San Antonio received \$3.5 million, pushing 1985 payments to \$41.7 million, up 15 percent over last year. Austin's check for \$2.7 million brought total payments this year to \$33 million a 22 percent increase.

million, a 22 percent increase.

Fort Worth's payment was \$2.3 million, bringing this year's total to \$25.3 million, up 12 percent. El Paso's September check for \$1.3 million pushed total payments to \$15.6 million, 15 percent over 1984 payments.

Bullock also sent checks totaling \$25 million to the state's five Metropolitan Transit Authorities. Austin's Capital Metro received its first check for \$2.2 million -- since the Comptroller began collecting the Austin MTA tax July 1.

Houston's MTA received \$10.3 million for total payments of \$131.4 million in 1985. Dallas' Dart check was for \$9.9 million, bringing 1985 payments to \$115.3 million. VIA in San Antonio received \$1.9 million for a 1985 total of \$23 million. Fort Worth's MTA payment of \$551,998 pushed payments this year to \$6 million in 1985.

September checks represent taxes collected in sales made in July and reported to the Comptroller's office by August 20.

#### Trees...

Cont. from Page 1

item that will determine the success or failure of the windbreak will be the watering system. A watering system should be ready for use at planting time. The most efficient and economical method is by trickle (drip) irrigation, and this supplemental watering should be continued for three growing seasons."

Bamert concluded, "Minimum requirements are -- first year -- five gallons of water per tree per week; second year -- 10 gallons per tree per week; third year -- 20 gallons per tree per week. Drip irrigation systems are available from the Blackwater Valley SWCD at a nominal cost."

For additional information on trees that will be available and prices of trees, see the order form in this issue of The Journal. Other information can be obtained from the Soil Conservation Service office at 111 E. Ave. D, Muleshoe.

## Sudan News by Evelyn Ritchie

Mr. and Mrs. Shayne Vincent and Benjamin of Mt. Vernon Texas visited during the weekend with his parent, Mr. and Mrs. Kenneth Vincent and also his granddad Hugh Vincent.

Mr. and Mrs. Dick West have returned home from Mexico where he underwent some treatments last week.

Gladys Glenn is a medical patient in the St. Mary's Hospital in Lubbock. She is the mother of Betty Masten and Pearl Opsal.

Roy Baccus has been transferred from the Methodist Hospital to St. Mary's in Lubbock where he will be undergoing therapy.

## Electrical Safety Vital To Farmers

National Farm Safety Week (Sept. 15-21) is a good time for farmers to remind their families and workers about the dangers of carelessness around electricity, advises Southwestern Public Service Company (SPS).

The National Safety Council reports 82 persons died in electricity related accidents on America's farms in 1982, the latest year for which figures are available, said Seth Thomason, SPS Manager of Agricultureal & Industrial Power. There were 979 electrocution deaths in the nation that year, he said.

Deaths and serious injuries have occured when farm machinery, tools or irrigation pipe touches an overhead line, Thomason said.

"A big problem is hunters who lift irrigation pipe to chase out rabbits," he said.

Farm workers should be extremely careful when operating tractors, combines, cotton module builders and other equipment with parts that extend high enough to touch overhead lines, Thomason said.

overhead lines, Thomason said. Fallen or dangling power lines damaged by a storm or accident pose a special danger, Thomason said. "Those lines can look harmless but be deadly." he said.

deadly," he said.

SPS offices have electrical safety booklets, posters and other items available free to the public, Thomason said. Films and presentations are offered free to schools, civic clubs, employers and other groups, he

Many area farmers through the years have been introduced to electrical safety at SPS-sponsored 4-H and FFA camps.

SPS primarily provides electric service to a population of more than one million people in a 52,000-square-mile service area in southeastern and eastern New Mexico, the Panhandle and South Plains of Texas, the Oklahoma Panhandle, and southwestern Kansas.

#### Letter To The Editor RRECEREDERRECERERRE

\*\*\*\*\*\*\*\*

(Editors note: The letter below was mailed to Muleshoe Rotary President Paul Wilbanks. As it is timely information. Rotary is sharing it with you. our readers.)

28th August, 1985

Dear Mr. President.

I bring you greetings from the Rotary Club of Rosebank in South Aftica.

We are aware that, in America, the subject of disinvestment from U.S. companies that do business with South Africa is being used as a political weapon, and, if politics were the only issue, we, as Rotarians, would not, of course. be writing to you on the subject.

However, in South Africa, we believe that the results of a successful disinvestment campaign would, first and foremost. represent a threat to the socio-economic structure of South Africa, and that the political implications would be only indirect and consequential.

We also firmly believe that the present sporadic unrest inthis country stems primarily from the financial distress of certain sections of our people, mainly Black, of whom large numbers are unemployed as a result of the currently depressed economic conditions in South Africa. Inevitably this situation is being exploited by subversive elements.

Because a large part of our Rotary service is concerned with the Black members of our community and because we fear that any further attacks upon our national economy will deepen and prolong their present hardship, we would ask you, as fellow Rotarians, to give full consideration to this vitally important aspect of disinvestment in coming to any conclusions as to its propriety and efficacy, and, as may be expedient, to bring it to the notice of those members of your club and community who may have influence in the decision to wield this two-edged sword.

In keeping with our role as Rotarians, we look to a progressive improvement in the education and economic wellbeing of our under-privileged people as the main forces in bringing about beneficial changes in South Africa, and disinvestment must inevitably impede this process. It is abundantly clear that this point of view is shared by the vast majority of our Black population, as expressed to President Reagan during their meeting recently by Chief Gathsha Buthelezi of the Zulu nation, the largest single ethnic group in this country representing 25% of our total population.

We would welcome your co-operation and trust that you will receive this letter in the spirit in which it is sent.

Yours in Rotary,

Savings Vs Spending It's all right to save money. but too many are trying to save it from people they owe it to. -Appeal, Memphis.

## Clemson, Georgia Game Will Be Dog-Eat-Tiger

Georgia lost to Alabama in the last 50 seconds of their Monday night season opener two weeks ago, 20-16. After the Bulldogs blocked a kick to go\* ahead 16-13, the Tide came roaring back with the winning touchdown in the final minute. Clemson and Georgia put on the same kind of thriller last season, Georgia winning 26-23. That was the 'Dogs' 35th win over Clemson in their long series..the Tigers have won 14 times. It'll be the same type of Dog-eat-Tiger struggle at Clemson this week with a very slight edge going to the home team.

Texas, always the last major college football team to open its season, entertains another pack of Tigers, Missouri. Mizzou opened at home against Northwestern last Saturday, then has two more home games with Indiana and California before launching into its Big Eight

Communities & Rural area

schedule on October 12th. The Longhorns blanked the Tigers in 1982, 21-0, but this meeting, Texas favored, looks to be much "closer. Nebraska and Illinois, de-

pending on which news service or poll you might have read before the season started, had each been selected as a possible national champion for 1985. However, both came short in their opening games, Illinois being upset by Southern California 20-10, and Nebraska losing to visiting Florida State 17-13. Real gridiron strangers, they meet in a big collision in Lincoln this week. The Cornhuskers, 9-2 last season, finished in a tie with Oklahoma for the Big Eight title. The Illini, 7-4, tied Purdue for second place in the Big Ten behind Ohio State. The winner Saturday, Nebraska.

Eastern football fans know that every Maryland-West Virginia game is up for grabs until the lights are finally turned out. With the exception of one game in the past five years, the winning margin has been four points or less. So why change the plot? West Virginia will win by a hair.

#### ONE MINUTE SPORTS QUIZ

1. Who won the Bank of Boston Golf Classic? 2. Which football team beat last years Super Bowl winner?

3. Name the winner of the men's singles U.S. Open tennis tournament. 4. Who won the women's singles U.S. Open tennis

tournament? Answers To Sports Quiz

1. George Burns. 2. Minnesota Vikings 28, San Francisco 49ers 21. 3. Ivan Lendl over John

McEnroe. 4. Hana Mandlikova over Martina Navratilova.

SELF SERVE GAS MONEY ORDERS WHILE SUPPLIES LAST

Funeral services for Lanelle Dewbre, 46, of Morton were held at 2 p.m. Monday, Sept. 16 in the Morton First Baptist Church with the Rev. Steve Thomas, officiating, assisted by the Rev. John Jenkins a retired minister from Lubbock and the Rev. Robert Meecham, pastor of the First Baptist Church of Ropesville.

Interment was in Morton Memorial Cemetery under the direction of Ellis Funeral Home of Muleshoe. Mrs. Dewbre died at 8 a.m. Sunday in the Methodist Hospital at Lubbock.

She was born on March 10, 1939, in Levelland and had been a resident of Morton 23 years moving there from Ropesville. She married James Edvin Dewbre Aug. 18, 1962, in Ropesville. She was a housewife and a member of the First Baptist Church of Morton.

Survivors include her husband, James; one son, Mike Dewbre of Lubbock, two daughters. Miss Mickie Dewbre of Lubbock and Mrs. Mattie Turney of Denver City; her parents, Mr. and Mrs. Tom Jackson of Levelland; four sisters, Mrs. Barbara Witt and Mrs. Tommy Bevers, both of Lubbock, and Mrs. Janie Stewart of Seminole and Mrs. Kay Bridwell of Lubbock: two brothers, Jerry Jackson of Littleton, Colo. and Wayne Jackson of Levelland; and four grandchildren.

#### L.B. Minor Services Held In Morton

Services for L.B. Minor, 77, of Morton were held at 2 p.m. Tuesday, Sept. 17 in the Missionary Baptist Church of Morton with Brother W.L. West, Jr., pastor officiating.

Burial was in Morton Memorial Cemetery under the direction of Ellis Funeral Home of Muleshoe. Minor died Sunday in the Methodist Hospital in Lubbock.

Born July 7, 1908, in Chickasha, Okla., Minor had been a resident of Morton 49 years moving there from Littlefield. He married Mary Jean Lavinder in 1948, in Morton. He was employed by Radiator Service Shop. He was a member of Missionary Baptist Church of Morton, the American Legion ment bonds. and V.F.W. and was a veteran of World War Two serving in the U.S. Army.

Survivors include his wife, Mary; two sons, Levie Blaine Minor, Jr. of Lubbock and Donald Minor of Morton; two daughters, Mary Jean Autry of Lazbuddie and Priscilla Brown of Morton; two sisters, Mrs. Opal Moody of Lubbock and Mrs. Gladys Harrison of Austin; a brother, Siddrick Minor of Lubbock; and seven grandchild-

He was preceded in death by a son, Ronald Minor.

#### Winnie Vining Local Woman's **Aunt Dies**

Funeral services for Winnie O. Vining, 88, of Plainview were held at 4 p.m. Monday, Sept. 16 at the Ninth and Columbia Church of Christ With Dean Brookshire, associate minister,

Burial was in Plainview Memorial Park under the direction of Wood-Dunning Funeral Home. Mrs. Vining died at 7:30 a.m. Saturday at Heritage Home in Plainview following a

lengthy illness. She was born in Indian Territory which is now Alma, Okla. and was raised in Cottle County. She married Homer Vining on March 24, 1914, in Chalk. They moved to Hale County in 1937, and farmed in the Ellen community. In 1942, they moved to Plainview, where he was involved in real estate. She was a member of the Ninth

and Columbia Church of Christ. Survivors include her husband; a son, Glenn M. of Earth; six daughters, Faye Findley of Olton, Thelma Watts of Farwell, Ava Mae Cox of Carlsbad, N.M., Lois Jo Kirkpatrick of Wichita Falls, Pat (Erma) Freeman of Morehead City. N.C. and Jean DuLaney of Dimmitt; two sisters, Vernie Puckett of Paducah and Flossie Keys of Anahelm, Calif.; 23 grandchildren; 50 great grandchildren; and six great great grandchildren.

Mrs. Vining was the aunt of Mrs. Myrtle Creamer of Muleshoe and the great aunt of Cleta Williams also of Muleshoe.

#### **PUBLIC NOTICE**

**BRIEF EXPLANATORY STATEMENTS** 

**CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOVEMBER 5. 1985** 

**PROPOSITION NO. 1** 

ON THE BALLOT Sections 1 and 2 of House Joint Resolution 6 propose a constitutional amendment that would authorize Texas Water Development Board to issue an additional \$980 million of Texas Water Develop-

The additional bonds to be issued will be dedicated for deposit in the Texas Water Development Fund, with \$190 million of those bond proceeds to be used for water supply loans and facilities acquisition and with \$400 million of those bond proceeds to be used for state participation in the acquisition and development of facilities for storage, transmission, transportation, and treatment of water and wastewater. Of the remaining bonds authorized, \$190 million will be dedicated for use in water quality enhancement projects, and \$200 million will be dedicated exclusively for flood con-

trol projects. The amendment would also allow the legislature to provide for the creation, administration, and implementation of a bond insurance program to which the state pledges up to \$250 million of its general credit to insure payment of the principal of and interest on bonds or other obligations issued by political subdivisions of the state for water conservation, water development, water quality enhancement, flood control, drainage, recharge, chloride control or desalinization. Unless authorized to continue by a two-thirds vote of the members of each house of the Legislature, the bond insurance program will expire on the sixth anniversary of the date on which this section becomes a part of the constitution. Bond insurance issued before expiration of the program will not be affected by such expiration.

The amendment would authorize the legislature to create and appropriate money to special funds in the state treasury to make grants, loans, and other financial assistance available to governmental entities for certain enumerated water planning purposes. Also, the legislature would be permitted to extend the benefits of constitutionally approved water projects to nonprofit water supply

corporations. The proposed amendment will ap-

pear on the ballot as follows: "The constitutional amendment to authorize the issuance of an additional \$980 million of Texas Water Development Bonds, to create special water funds for water conservation, water development, water quality enhancement, flood control, drainage, subsidence control, recharge, chloride control, agricultural soil and water conservation, and desalinization, to authorize a bond insurance program, and to clarify the purposes for which Texas Water Development Bonds may be issued."

#### **PROPOSITION NO. 2** ON THE BALLOT

Section 3 of House Joint Resolution 6 proposes a constitutional amendment that would allow the Texas Water Development Board to issue and sell Texas agricultural

amount not to exceed \$200 million, if authorized to do so by a twothirds vote of the members of each house of the legislature. The Texas agricultural water conservation bonds would be general obligations of the State of Texas, and would be paid from the first money coming into the state treasury in each fiscal year. The amendment would allow Texas agricultural water conservation bonds to be issued and sold only for four years after the date on which this Act becomes a part of the constitution.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment

authorizing the issuance and sale of \$200 million of Texas agricultural water conservation bonds."

#### PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 54 proposes a constitutional amendment that would permit the legislature to authorize a city or town to spend public funds and levy assessments for the relocation or replacement of water laterals on private property if such relocation or replacement is done in conjunction with or immediately following the relocation or replacement of water mains serving the property. Any legislative enactment permitting the expenditure of funds for such purposes would authorize the city or town to fix a lien on the property, with the owners' consent, for the cost of relocating or replacing the water laterals, and would provide that such cost shall be assessed against the property, with repayment by the property owner to be amortized over a period not to exceed five years at the rate of interest set by law. Such liens could not be enforced until after five years from the date the liens were affixed.

The proposed amendment will ap-

pear on the ballot as follows: "The constitutional amendment to authorize the legislature to enact laws permitting a city or town to spend public funds and levy assessments for the relocation or replacement of water laterals on private property."

#### PROPOSITION NO. 4 ON THE BALLOT

Senate Joint Resolution 21 proposes a constitutional amendment that would authorize the use of the proceeds from the sale of permanent school fund land to acquire other land for the permanent school fund. Currently, the constitution requires that proceeds from the sale of such land be invested in certain bonds and other securities.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing proceeds from the sale of land dedicated to the permanent school fund to be used to acquire other land for that fund."

#### PROPOSITION NO. 5 ON THE BALLOT

House Joint Resolution 89 proposes a constitutional amendment that would enable the legislature to regulate the provision of health care either to enact a statute or to atwater conservation bonds in an by hospital districts by determining tach a rider to the General Ap-

vide, by setting requirements a resident must meet in order to qualify for services, and by determining any other relevant provisions necessary for providing health care to

Prep . Union Carbide Agri Products Inc.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to authorize the legislature to regulate the provision of health care by hospital districts."

#### PROPOSITION NO. 6 ON THE BALLOT

Senate Joint Resolution 6 proposes a constitutional amendment that would enable the State of Texas to enter into an agreement with another state to confine inmates from the state of Texas in penal or correctional facilities of the other

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to permit state prisoners to be placed in penal facilities of another state pursuant to an interstate agree-

#### PROPOSITION NO. 7 ON THE BALLOT

House Joint Resolution 27 proposes a constitutional amendment that would authorize the commissioners court of Chambers County to divide Chambers County into not less than two and not more than six justice precincts. Under current constitutional law, Chambers County may be divided into not less than two and not more than five justice

precincts. The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing Chambers County to be divided into two to six pre-

#### **PROPOSITION NO. 8** ON THE BALLOT

Senate Joint Resolution 9 proposes a constitutional amendment that would grant an additional \$500 million in bonding authority to the Veterans' Land Board for the veterans' housing assistance program. Under the current constitution, the Veterans' Land Board is authorized by Article III, Section 49-b-1 to issue and sell not more than \$800 million in bonds, \$500 million of which may be used for the Veterans' Housing Assistance Fund. This amendment would increase that authorization to permit the issuance and sale of up to \$1.3 billion in bonds, \$1 billion of which would be used for the Veterans' Housing Assistance Fund. In addition, the amendment would remove the current definition of "veteran" from the constitution and permit the legislature to redefine "veteran" as the changing times and circumstances require.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment providing \$500 million in additional bonding authority for the veterans' housing assistance program and changing the definition of those veterans eligible to participate in the veterans' land program and the veterans' housing program by authorizing the legislature by law to define an eligible veteran for the purposes of those programs."

#### PROPOSITION NO. 9 ON THE BALLOT

House Joint Resolution 72 proposes a constitutional amendment that would permit the legislature

the services the district must pro- propriations Act to require prior approval of the expenditure or appropriated by the legislature to state governmental agencies.

Israel, after the death of Moses. Jordan into the Promised Land.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to protect public funds by authorizing prior approval of expenditure or emergency transfer of state appropriations.'

#### PROPOSITION NO. 10 ON THE BALLOT

House Joint Resolution 19 proposes a constitutional amendment that would authorize the legislature to provide for the issuance of general obligation bonds, the proceeds of which would be deposited in a fund to be known as the farm and ranch finance program fund. The fund would be administered by the Veterans' Land Board and would be used to make loans and provide other financial assistance for the purchase of farm and ranch land. The amount of bonds outstanding at any one time would be limited to \$500 million. The principal and interest that becomes due on such bonds in each fiscal year would be paid from amounts remaining in the interest and sinking fund at the close of the prior fiscal year, with the balance due to be appropriated from treasury revenues in the fiscal year when such amounts become due.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the issuance of general obligation bonds to provide financing assistance for the purchase of farm and ranch land."

#### **PROPOSITION NO. 11** ON THE BALLOT

Senate Joint Resolution 16 proposes a constitutional amendment that would define indictments and informations as instruments charging a person with the commission of an offense, and would delete certain technical requirements as to

the form of writs and processes. The proposed amendment will ap-

pear on the ballot as follows: "The constitutional amendment relating to the manner in which a person is charged with a criminal offense and to certain requirements applicable to state writs and processes."

#### **PROPOSITION NO. 12** ON THE BALLOT

Senate Joint Resolution 10 proposes a constitutional amendment that would grant the Texas Supreme Court and the Texas Court of Criminal Appeals jurisdiction to answer questions of state law certified from federal appellate courts. In addition, the two courts would promulgate rules of procedure relating to the review of those questions.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment granting the Supreme Court of Texas and the Court of Criminal Appeals of Texas jurisdiction to answer questions of state law certified from a federal appellate court.

#### **PROPOSITION NO. 13** ON THE BALLOT

Senate Joint Resolution 14 proposes a constitutional amendment that would create a board with responsibility for the reapportionment of judicial districts, subject to legislative approval. The amendment would provide for the continued power of the legislature to provide for judicial reapportionment, and would provide that reapportionment

will be the responsibility of the Legislative Redistricting Board if the emergency transfer of any funds Judicial Districts Board fails to make a timely reapportionment. The amendment would provide for the creation of judicial districts smaller than a county in counties where the creation of such districts has been approved by the voters at a general election. The amendment would provide for more than one judge for a judicial district. The amendment would rename supreme judicial districts as courts of appeals districts. The amendment would provide that the jurisdiction and terms of court of district and county courts may be as provided by law. The amendment would provide for the jurisdiction of justice courts, which may have additional jurisdiction as provided by law. The amendment would provide for rules of judicial administration and civil procedure to be promulgated by the Supreme Court, and would provide that the legislature may delegate additional rule making power to the Supreme Court or to the Court of Criminal Appeals. The amendment would provide that courts and judges in existence at the time of its adoption remain in existence until other-

wise provided by law. The proposed amendment will appear on the ballot as follows:

"The constitutional amendment providing for the reapportionment of the judicial districts of the state by the Judicial Districts Board or by the Legislative Redistricting Board, and providing for the administration and jurisdiction of constitutional courts."

#### **PROPOSTION NO. 14** ON THE BALLOT

Senate Joint Resolution 27 proposes a constitutional amendment that would abolish the office of County Treasurer in Andrews County and transfer the powers and duties of that office to the County Auditor. The amendment would also abolish the office of County Treasurer in El Paso County if, at the statewide election at which this amendment is submitted to the voters, a majority of the voters who vote in El Paso County favor the amendment. The functions of the office of El Paso County Treasurer will be performed by a person employed or designated by the El Paso County Commissioners Court. The amendment also provides for the abolition of the office of County Surveyor in Denton, Randall, Collin, Dallas, El Paso, and Henderson Counties upon approval of such abolition by a majority of the voters who vote on the question at an election called by the commissioners court of the county. If the office of County Surveyor is abolished in any county, the commissioners court may employ or contract with any qualified person to perform the duties of

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to

provide for: (1) the abolition of the office of county treasurer in Andrews

County and El Paso County; (2) the abolition of the office of county surveyor in Collin, Dallas, Denton, El Paso, Henderson, and Randall Counties."

Estos son los informes explanatorios sobre las enmiendas propuestas a la constitución que aparacerán en la boleta el dia 5 de noviembre de 1985. ## Extension Soil Testing Lab Increases Automation

Another step for increased efficiency and turnaround time regarding soil testing--that's the result of a newly installed data logger in the Texas Agricultural Extension Service's Soil Testing Lab at Texas A&M University.

The small boxlike unit, called a polycorder, is about the size of a standard tape recorder and forms the link between the lab's fully automatic pH testing unit and a computer.

Now, once a soil sample is ready for testing, technology takes over, the pH unit automatically analyzes the sample. the polycorder records the data and feeds it into a computer. and the computer issues a printout. The printout is then mailed to the farmer or other individual who submitted the sample. Someday the informabe sent from the computer to the individual's telephone.

'Ît all boils down to an extremely streamlined operation for pH testing," points out Dr. Dale Pennington, Extension soil chemist who operates the lab.

Pennington put together the unit along with help from Mike Gerst, Extension computer specialist at Lubbock, and Joe Bilbro, a systems analyst, also at Lubbock. Last year Pennington built the automated pH testing unit which forms the first link in this three-part chain of operation.

The polycorder has a 15k memory and can process up to about 3,000 soil analyses in one operation, or upload 300 entries in 30 seconds to the computer, Pennington explains.

"With this unit, we estimate that we can reduce paperwork at least three hours a day, and less paperwork means less cost and faster turnaround of soil samples," he adds.

"The next step is to develop the software (computer program) to handle other analyses, such as nitrogen, potassium and phosphorus," says the soil chemist. "This polycorder can process 10 different analyses, and once we develop the software, we'll be able to double the number of soil samples we can process in a given period of time.

The new operation in soil testing is a first for Texas and is the first step to fully automating the Extension Service's soil testing program, according to

Pennington. "We process from about 100 soil samples a day during slack seasons to some 250 a day at peak times," he points out.
"The number of soil samples sent to our lab is up about 10 percent from a year ago. I think this increase will continue as people become more familiar with our lab and become more conscientious about the kind and amount of fertilizer to apply to crops, lawns and gardens.

that abundantly. At its best the Christian mission to any people has

been "that they may have life." As for other religions,

to the cult and its practices. Christianity comes

especially among primitive peoples; it is obvious that they can give

neither life nor freedom. They offer only fear and slavery

in the name of truth and freedom and life.

# Why Missions his old rock church building is typical of the Spanish mission

What drove men to leave a comfortable place in civilization and go to distant and dangerous places? Did not people there already have a religion which they liked, and with which they were happy? The power which has continually sent Christians out as missionaries since the first century is the conviction that Christianty when embraced gives life and

architecture in the Southwest, but why were there missionaries here?

**ORDINANCE NO.262A** 

AN ORDINANCE BY THE CITY COUNCIL OF THE CITY OF MULESHOE. TEXAS, AMENDING THE BUDGET FOR THE FISCAL YEAR 1984-85.

WHEREAS. The City Council of the City of Muleshoe desires to amend Sections 2,4,5 and 6 of Ordinance No. 246A adopting a budget for the Fiscal Year beginning October 1, 1984 and ending September 30, 1985.

NOW THEREFORE BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MULESHOE, TEXAS:

THAT Sections 2, 4, 5 and 6 of Ordinance No. 246A, dated September 20, 1984, adopting a budget for the City of Muleshoe for the Fiscal Year 1984-85 be amended to read:

Section 2. That the sum of \$ 1,293,143.00 is hereby appropriated out of the General Fund for payment of operating expenses and capital outlay of the City Government as set for the in detail in the budget.

Section 4. That the sum of \$ 527,355.00 is hereby appropriated out of the Water & Sewer Revenue Fund for the paying of operating expenses, capital outlay, and debt service for the Water & Sewer Revenue Fund, as set for the in detail in the budget.

Section 5. That the sum of \$ 63,833.00 is hereby appropriated out of the Revenue Sharing Fund for the payment of operating expenses and capital outlay of the City Government, as set forth in detail in the budget.

Section 6. That the sum of \$ 46,612.00 is hereby appropriated out of the Airport Fund for payment of operating expenses and capital outlay of the Municipal Airport, as set forth in detail in the budget.

PASSED AND APPROVED THIS THE 17th DAY OF SEPTEMBER, 1985.

Darrell Turner Mayor, City of Muleshoe

ATTEST:

Mary Hicks

City Secretary, City of Muleshoe

ORDINANCE NO. 259A

AN ORDINANCE APPROVING THE ADOPTING OF A BUDGET FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 1985 AND ENDING SEPTEMBER 30, 1986.

WHEREAS, the City Manager of the City of Muleshoe has prepared and submitted to the City Council a budget estimate of the expenditures and revenues for the City of Muleshoe of the fiscal year beginning October 1, 1985 and ending September 30, 1986, which has been approved and adopted.

NOW THEREFORE BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MULESHOE, TEXAS.

Section 1. That the budget estimate of the revenues of the City of Muleshoe and the expenses of conducting the affairs thereof for the ensuing fiscal year, beginning October 1, 1985 and ending September 30, 1986, as submitted to the City Council by the City Manager of said City, and as changed or amended by the City Council, be and the same is, in all things, adopted and approved as the budget estimate of all the current expenses as well as the fixed charges against said City for the fiscal year beginning the 1st day of October 1985, and ending the 30th day of September, 1986.

Section 2. That the sum of \$1,134,428.00 is hereby appropriated out of theGeneral Fund for payment of operating expenses and capital outlay of the City Government, as set forth in detail in the budget.

Section 3. That the sum of \$ 29,294.00 is hereby appropriated out of the General Debt Service Fund for the purpose of paying the accruing interest and redeeming the serial bonds and warrants as they mature, on the general debt service bonds and warrants as listed in detailing the budget.

Section 4. That the sum of \$441,028.00 is hereby appropriated out of the Water & Sewer Revenue Fund for the paying of operating expenses, capital outlay, and debt service for the Water & Sewer Revenue Fund, as set forth in detail in the budget.

Section 5. That the sum of \$ 75,000.00 is hereby appropriated out of the Revenue Sharing Fund for the payment of operating expenses and capital outlay of City Government, as set forth in detail in the budget.

Section 6. That the sum of \$ 6,825.00 is hereby appropriated out of the Airport Fund for payment of operating expenses and capital outlay of the Municipal Airport, as set worth in detail in the budget.

PASSED AND APPROVED THIS THE 17th DAY OF SEPTEMBER, 1985.

Darrell Turner Mayor, City of Muleshoe

ORDINANCE NO.260A

County Judge

AN ORDINANCE LEVYING TAXES OF THE USE AND SUPPORT OF THE MUNICIPAL GOVERNMENT OF THE CITY OF MULESHOE, TEXAS, AND PROVIDING FOR THE INTEREST AND SINKING FUND FOR THE YEAR 1985-86, AND PROVIDING FOR THE TIME AND MANNER OF PAYING THE AD VALOREM TAXES LEVIED.

NOW THEREFORE BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MULESHOE, TEXAS:

SECTION 1. That there is hereby levied and there shall be collected for the use and support of the Municipal Government of the City of Muleshoe, Texas, for the year Nineteen Hundred Eighty-five (1985), upon all property, real, personal and mixed, within the corporate limits of said City subject to taxation, a tax of \$ .53 (fifty-three cents) on each One Hundred Dollars (\$100.00) valuation of property, said tax being so levied and apportioned to the specific purpose here in set forth:

For the maintenance and support of the General Government and for the operation of the City Government to be placed in the General Fund, of the total amount received, being \$.53 on each One Hundred Dollars (\$100.00) valuation of property.

SECTION 2. All monies collected under this ordinance for the specific items therein named, be and the same are hereby apportioned and set apart for the specific purpose indicated in each item and that the Assessor & Collector of taxes, the City Treasurer and the City Secretary shall keep these accounts so as to readily and distinctly show the amount collected, the amounts expended and the amount on hand at any time, belonging to such funds, it is hereby made the duty of the Tax Assessor & Collector and every such person collecting money for the City of Muleshoe to deliver to the City Secretary and the City Treasurer at the time of depositing any monies, a statement showing to what fund such deposit should be made and from what source received. All receipts for the City not specifically apportioned by this ordinance are hereby made payable to the General Fund of the City of Muleshoe.

SECTION 3. That the ad valorem taxes herein levied shall become due on the 1st day of October, 1985, and may be paid up to and including the following January 31st, without penalty, but if not paid, such taxes shall become delinquent on the following day, February 1st, and the following penalty shall be payable thereon, to-wit: if paid during the month of February, six percent (6%); during the month of March, seven percent (7%); during the month of April, eight percent (8%); during the month of May, nine percent (9%); during the month of June, ten percent (10%); and on and after the 1st day of July, twelve percent (12%). Such unpaid taxes shall bear interest at the rate of twelve percent (12%) per annum from February 1st, 1986.

SECTION 4. All taxpayers shall be allowed discounts for the payment of taxes under the following conditions: (a) three percent (3%) discount on ad valorem taxes due, if such taxes are paid ninety (90) days before February 1st; (b) two percent (2%) discount on ad valorem taxes due, if such taxes are paid sixty (60) days before February 1st; (c) on percent (1%) discount on ad valorem taxes due, if such taxes are paid thirty (30) days before February 1st.

SECTION 5. The taxes herein levied shall be a first and prior lien against the property upon which they are assessed and the first lien shall be superior and prior to all other liens, charges and encumbrances, and this lien shall attach to personal property to the same extent and with the same priorities as to real estate.

SECTION 6. The liens provided herein shall attach as of January 1, 1986.

SECTION 7. Should any part of this ordinance be declared invalid, for any reason, that invalidity shall not affect the remainder of the ordinance, which remainder shall continue in full force and effect.

PASSED AND APPROVED THIS THE 17th DAY OF SEPTEMBER, 1984.

Morton Indians Scalping Mules

## **Junior Class Mum** Sales As Fundraiser

As most of you know, Homecoming is just around the corner and it's time for the Jr. Class to begin it's traditional mum sales. This project is to help the Jr. Class raise money so they can put on a bodatious banquet, so your support is appreciated.

The sales started September 16 and will run through Wednesday September 25. The mums will be delivered on September 27, Homecoming

This year we have a terrific new idea for the girls to think

## Coach's Comments

The Muleshoe Mules played the Portales Rams in Portales last week. Even though the Mules lost, the coaches saw good potential in the ball players.

After the game, Head Coach Dale Keeling commented about the Mule's performance that night. "As a coaching staff, we felt we played a lot better than the 35-0 score indicated. Offensively, we did everything we intended to other than get the ball across. We blocked well and all of our backs ran well. Defensively, we allowed them to make the big play. If we intend to get better, we will have to

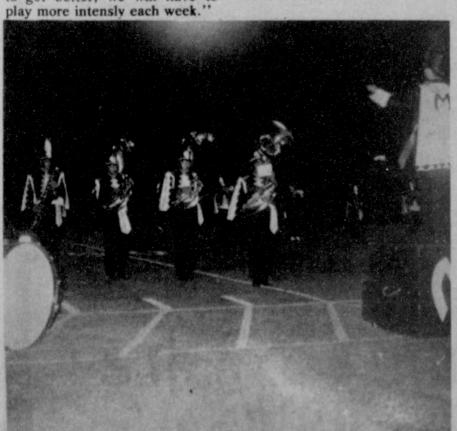

about. Unlike past Homecomings, we will not be selling the traditional boutonnieres, but we will sell these really cool black and white garters for \$6.00.

There will be a child's mum for \$12.00, and the other mums will range from \$15.00 .to \$22.50. The flower colors will be white, yellow and bronze, and there will be add-ons for the \$22.50 mum.

We feel this year is going to be the best ever and to make it even better you can help out by contacting any member of the Jr. Class or Mrs. Pat Watson.

#### J.V. Mules Lock Tight With Hornets

The Muleshoe JV Mules traveled to Sudan aiming to squash the Hornets. The Mules gave it their best "kick" but they just could not surpass Sudan and the game ended in a draw. One of the spectacular plays was an interception by Mule Mark Underwood, who ran for 10 yards. The final score ended being an even 14 to 14. The next game will be September 19, when the Mules will 'destripe' the Frenship Tigers. We encourage everyone to go out and CHEER the Mules on!

Mighty "M" Band

#### Those Who Bray Together, Stay Together

FCA met at 7:00 a.m. Friday, September 13th, at the First Baptist Church. Dewey Moore, Ronnie Holt, and Winston Allison prepared the breakfast. FCA members would like to thank them for their effort. Pam and Andy Gamble will be the FCA sponsors for 1985-86.

FTA Back-To-School Party was held Monday, September 16th, from 6:30 to 8:30, at the New City Park. All new members were welcomed.

SCAC met at Leal's on September 17th, at 8:00 p.m. Citizen of the Month was elected by the members. Mrs. Jean Allison and Mr. John Gulley are the sponsors of

The Junior class is selling Homecoming mums and garters. The prices of the mums vary depending on the different details that are available. The garters are \$6.00 each. They will continue to be on sale until Wednesday, September 25. You may purchase one from any junior class member. This is the main money-making project the Jr's have to raise money for the Jr., Sr. Banquet, so buy a mum or garter, and help support the

#### **Ebullient Bell Named** President Of Junior Class

The Junior Class has taken time out from its busy schedule to elect class officers. This year's representatives are Leah Bell, the 'ebulliant' Class President; the 'bodacious' Vice President is Darren Albertson; not surprisingly, following Darren's election Brent Black was chosen Secretary. This year's publicity Chairman is Melissa Martel. This enterprising young lady is in charge of advertising and reporting for the Junior Class. Last, but not least, is Lisa Hamilton. She is the new Student Council Representative and will be responsible for attending the Student Council meetings held every Tuesday morning. Good luck to all these officers in carrying out their duties.

> How much time do you spend trying to live like your neighbor?

## New Faces Are Noted In The Halls Of MHS

When Mrs. Pamela Ann Gamble, MHS English teacher, was asked if she and her husband had any children, she said, "No, but we're 'expecting' to get a black Labrador Retriever in two weeks". His name will be 'Rambo', named after Sylverster Stallon.

Mrs. Gambles hometown was Longview, Texas, where she graduated from high school. She was involved in the Drill team her sophomore and junior year, and during her senior year she was a lieutenant officer on the drill team. She was also in choir all through high school.

While attending Stephen F. Austin University in Nacogodoches, Mrs. Gamble was involved in the Baptist Student Union where she was introduced to her husband, Andy. Mrs. Gamble quotes "If a person can be a good luck charm then mineis my husband. Ever since we've been together we've had nothing but good fortune."

Her hobbies are jazzercise, and collecting brass. She also enjoys working with young people. Mrs. Gamble feels excited about coming to teach at MHS. She thinks MHS has the greatest bunch of kids she's ever seen. "They are very polite and well mannered," she says.

As for the administration she feels that Mr. Ethridge and Mr. Graves are exceptional men. They are very supportive and well prepared for what they want done at MHS.

When asked if she felt pressured about the Teachers Compentacy Test she said, "No, I know I'm well qualified for my job as a teacher in MHS".

Mrs. Denise Keeling is one of the new faces seen among the faculty this year at MHS. She teaches five, English I classes, and one, English IV class. Her husband, Coach Dale Keeling, is the new athletic director at MHS. They have one child, Erin Kaye Keeling, and she is 3 years old.

Mrs. Keeling attended Coronado High School in Lubbock, Texas, where she was raised. She has attended College of the Mainland in Texas City, University of Houston in Clear Lake City, and Texas Tech University in Lubbock, where she received her Bachelor of Arts degree. Her hobbies include reading, music, sports, and jazzercize.

Mrs. Keeling expressed her comments about Muleshoe by saying, "It is a very nice place to live. The people are very warm and friendly." She also commented, "The students are very cooperative and friendly. Overall, the students are willing and eager to learn."

When asked about his most embarrassing moment, head coach Gary Dale Keeling stated, "My most embarrassing moment was when I told a team member in high school about how I had this awful date with a girl older than myself, and it was his sister." Coach Keeling survived that embarassing moment, graduated from high school and college, and is now athletic director at Muleshoe High School.

Keeling and his wife, Denise, a freshman English teacher, came from Spur with their daughter, Erin Kaye. This young couple met at the wedding of their best friends.

Coach Keeling participated in all sports in high school, but the high school dream of the state finals never came true. His team went as far as quarter finals in football. During his senior year at Lubbock Coronado, Keeling was elected captain of his high school varsity football team and was homecoming king. He "walked on" and made the Texas Tech grid squad, but because of surgery on his knee three times, he remained in the Tech program for only one semester.

Coach Keeling commented,

"I'm very excited about the possibilities here at MHS and the future here. I feel as though all programs will get better and better each year. The kids here are extremely hard workers, and we would really love to get everyone in school, that is an athlete of any kind, to get involved in our program.'

One of the new faces seen aroung MHS this year is Coach Andy Gamble. Mr. Gamble grew up in the small town of Nacagodoches. While in high school, Mr. Gamble perticipated in football, basketball and track. He ended up going to state in track, in 1980. After he graduated from high school he headed off to Baylor University. In college he played baseball for three years and football for all four years. In 1982, Coach Gamble transfered to Stephen F. Austin. That year he was chosen All Conference Punter. After graduation he attended a free agent camp in hopes of trying out for the Dallas Cowboys football team, unfortunately the cowboys did not show up due to the remodeling of the Texas Stadium.

Coach Gamble has a real understanding of what its like to embarrass one's self in public. During a game against Abilene

#### Speech Class **Hosts Mexican** Fiesta Party

On Monday, September 9th, the M.H.S. speech department held a back to school party at the home of Joe Ella Flowers. Sponsor Kerry Moore kept his 'GOATS" in line with a lively game of volleyball.

After a scrumptous meal of mexican fiesta, everyone retired to the living room to watch the Dallas Cowboys ROMP over the Washington Redskins! Everyone agreed that the party was FANTASTIC!!!

Incoming officers for 1985-86 include Roy Tamos, President; Darren Albertson, Vice President; Susan Lunsford, Secretary; Brent Black, reporter; Tracy Long, Student council representative and the board of directors include Brandon Carpenter, Jamie Wheeler, and Melissa Ward.

> Is it accidental that the word, "NEWS" contains the four letters of the directions?

in 1983 Coach Gamble set a school record punting the ball 68 yards. The very next punt he sent the ball sailing a total of three yards, which we imagine was also a school record.

Coach Gamble is not superstitious. Rather than luck, he believes in getting the job done.

Besides his coaching duties Coach Gamble teaches account ing I and consumer math. As hobbies he enjoys hunting and music (he plays the bass guitar) as well as sports.

Coach Gamble's statement, "I enjoy seeing students reach their full potentia," is an indication of what kind of asset he will be to MHS.

## Mike Holt Re-Elected President

Senior class officers have been elected to serve for the 1985-86 school year. The senior board includes Mike Holt, who is again president; vice-president Sergio Leal; Meischelle Logsdon was elected secretary; Leslie Langiff was selected as reporter; the position of Student Council representative given to Michael Precure, and the new parliamentarian is Juanita Garcia.

Seniors decided by a unnaimous vote to use color pictures for a unique and beautiful look in the senior section in the annual. With the money left in their class fund, they are considering the possibility of leaving a gift to the

school. The seniors voted to have black class shirts. These shirts have all 1986 muleshoe graduates' names listed on the front. Seniors can purchase these shirts from Meischell Logsdon, and the last day to purchase them is October 11.
