**CURVE CLAIMS ANOTHER VICTIM**--About 9:30 Monday morning, the curve at the old Bula School on SH54 claimed its latest victim, a truck loaded with small rocks. The westbound truck, apparently went into the curve too fast, lost control and turned over on its side. The Morton fire department responded with the 'jaws of life' and ambulances from both Morton and Littlefield were at the wreck. The Littlefield ambulance took the injured driver to a hospital in Littlefield.

## Drug Awareness Day Slated

The Muleshoe School District is sponsoring four presentations on Thursday, September 26 concerning Drug Abuse and General Drug Awareness. The presentations will be given by the Regional Coordinator for Texan's War on Drugs, Beverly Barron. Texan's War on Drugs is funded from the Governor's Office of General Counsel and Criminal Justice.

Muleshoe schools will dismiss early on Thursday, Sept. 26 so all teachers may attend the Drug Awareness Program. Elementary schools will dismiss at 1:30 p.m. with Junior High and High School dismissing at 1:40 p.m.

The four programs to be presented for Muleshoe I.S.D. will include two presentations to the high school students. The first session will be at 9:00 a.m. and will involve 9th and 10th grades. The second session will be at 11:00 and will involve 11th

and 12th grades. These two programs will include an overview of the national drug scene as it effects the youth popula-

### Country/Western Dance Lessons Will Begin Soon

Muleshoe Chamber of Commerce and Agriculture will once again be sponsoring country and western dance lessons. The lessons are scheduled for October 7, 8 and 9, beginning at 7 p.m. at the American Legion Hall. The cost is \$25 per person and families are welcome.

"As you know, country/western music is very popular today," said Toni Eagle, manager of the Muleshoe CofC, "and with this in mind, country/western dancing is also very popular."

"With this in mind, the Fun Dancers program is designed to be quick and easy to learn. There is no special equipment, or clothes to buy. It can be enjoyed any season of the year, in any part of our great country."

The Fun Dancers program includes the Two-Step; Waltz; Cotton-Eyed-Joe; Schottische; Put Your Little Foot; and many other fun dances. The Fun Dancers also offer many solo dances, danced without a partner, including: Four Corners; Texas Freeze; Slapping Leather; Wheel of Fortune; and many others, added Mrs. Eagle.

"The Fun Dancers introduce you to country/western swing or jitterbug the easy way, as well," said Mrs. Eagle.

Registration for the dance lessons will begin one hour before classes begin and interested persons are asked to please call the Chamber office at 272-4248 prior to the October 7, class time.

"Come on out and join us October 7, 8 and 9, beginning at 7 p.m. at the American Legion Hall," concluded the CofC manager.

### Intercept Program Sets Open House

#### At New Facility

Saturday, September 28, 1-4 p.m., West Plains Medical Center will be hosting an open house for the new Intercept Program in Muleshoe.

Officials from the Westworld Community Hospital, Inc. issue a special invitation to each and everyone in this area to attend the open house and look over their new facilities.

The new facility is immediately behind West Plains Medical Center, and is the former First Christian Church building.

Following a tour of the facilities, refreshments will be served.

tion with emphasis on why students abuse drugs and what positive measures are being undertaken by students across the land to reverse drug-taking trends.

Ms. Barron will also include the health hazards of drug use to the developing body with emphasis on the ability to learn, reduced potential, and lost opportunities and present a videotape of Kevin's story - a film about Kevin Tunell, age 18, who was convicted of manslaughter and drunk driving for the death of an 18 year old girl. As an alternative form of punishment, Kevin was sentenced to speak about his accident for one year to high school students, parents, and

### Cross Country Varsity Teams Win Second

Muleshoe High School's boy's varsity cross country team competed in Plainview on Saturday, coming home with another second place finish, just behind first place finisher, Boy's Ranch. Floydada was third; Brownfield, fourth and Spade, fifth.

In first place was Ronnie Logsdon with a time of 11:36; Norman Perez, seventh, 11:53; Ralph Salazar, ninth, 11:59; Rudy Flores, 12th, 12:05; Jose Sanchez, 22nd, 12:38; Greg Garcia, 27th, 12:58 and Ricky Rasco, 49th, 15:20.

Varsity girls also won second place in the tournament, with Nazereth, first; Floydada, third; Paducah, fourth and Motley County, fifth.

Individual placings were Juanita Garcia, fourth, 12:01; Jennifer Green, seventh, 12:07; JoAnn Gutierrez, 11th, 12:25; Norma Castorena, 13th, 12:27; Caroline Liles, 24th, 13:02; Adena Lindt, 31st, 13:36 and Caice Hendrix, 45th, 15:12.

Muleshoe High School's junior varsity boys finished in third place behind Boys Ranch and Lubbock Monterrey. Fourth place finisher was Lubbock High with Amarillo High in fifth place.

Carlos Reyes was sixth, at 12:41; Michael Garza, 20th, 13:12; Richard Ring, 22nd, 13:13; George Alvarado, 27th, 13:24; Shannon Simnacher, 36th, 13:48 and Michael Sanchez, 42nd, 13:54.

JV girls were sixth in the tournament. First was Nazereth, followed by Levelland, Amarillo High, Sundown and Lubbock Monterrey, completing the first five teams. Also, Lubbock Coronado, Floydada, Paducah, Lubbock High and Spade rounded out the top 11 places.

Lisa Laredo was sixth, 13:05; Esther Acosta, 10th, 13:18; Cynthia Cavazos, 30th, 14:04; Lisa Noble, 46th, 14:28 and Paula Vela, 70th, 15:24.

## SPS Plans Refund For Most Customers

### Welcome, Men-- It's About Time You Won!

Guess it was time for a turnaround! This week, the first place in the weekly football contest was captured, and very well, by a long time contestant, who moved into the top spot in the contest for what may be the first time.

Gerald Shanks, who faithfully enters the contest every week, had a very good week, and missed only two games in the contest, and was the only person to miss just two games, to take the top honors.

Again this week, there was a tie for second place, Keith Hicks and Roger Crosswhite each missed three games in the contest, and were the only contestants to miss three games. They also had identical tiebreaker scores to take the tie.

They will be splitting the second place prize money and the points for the week.

A total of three persons missed four games during the past week, and after figuring the tiebreaker scores, Ruth Malone won third place by one point as she was sixteen points away on the tiebreaker scores. Close behind was Hazel Gilbreath, who was only 17 points away on the double tiebreaker, while Victor Noriega was 20 points off.

Unfortunately, four contest blanks from one family had to be discarded this week. They had apparently picked up copies of the paper from a week prior to the current contest, and each and every game had to be discarded.

Please be careful and make sure you have the right issue of the Thursday Muleshoe Journal before filling out the contest blank.

Also, it's still very early in the season, and there's lots of time to compete for the weekly prizes, and points toward the grand prize award of \$100 cash at the conclusion of the contest.

Southwestern Public Service Company (SPS) will ask permission this week from the Public Utility Commission of Texas (PUCT) to credit \$19 million in fuel cost savings and interest to Texas retail customers.

The electric utility also will seek permission from the PUCT to reduce the fixed fuel-cost factor in Texas retail electric bills.

Southwestern is petitioning to reduce the fuel factor from \$0.030824 per kilowatt-hour (kwh) to \$0.027560 per kwh, effective with October bills.

SPS estimates the credit to Texas retail customers, proposed for late October or early November, would reduce an average monthly residential electric bill one time by a total of about \$15. An "average SPS customer" in Texas uses about 600 kwh per month.

The credits and fuel-cost reductions are possible, said SPS President Bill Esler, primarily because the electric utility has increased generation at its new, more economically operated, coal-fueled power plants, and has renegotiated and significantly lowered boiler fuel and boiler fuel-transportation contracts.

### HERO Plans

#### Pre-Game Meal

#### For Homecoming

Muleshoe High School HERO Club will be preparing a meal to be served prior to the Muleshoe-Friona Homecoming game next Friday night.

It was reported that the meal will be homecooked and will be baked ham, baked potatoes, green beans, hot rolls, tossed salad, fresh fruit, and a choice of cherry or apple cobbler, tea and coffee.

Serving time will be 5:30-7:30 p.m. and will be in the Muleshoe High School cafeteria. Tickets will be sold at the door for \$4 for adults and \$2.50 for children under 12.

This is a meal served to be "all you can eat", so HERO invites you to come and fill up before the game.

## Parker, Wilson Given Top Bicycle Trophies

Although it was a cool, cloudy Saturday afternoon, at 3 p.m. a group of local children paraded down Main Street on gaily decorated bicycles to the old City Park for an old fashioned watermelon feast.

A crowd of parents and other children joined the paraders in the 70 degree weather, on grass that was dry although rain continued to threaten the annual outing.

Trophy for the 'Best Overall' entry in the parade went to Andy Wilson, nine year old, fourth grade son of Stanley and Patricia Wilson. His entry was in the form of an army tank, complete with turret. Andy was dressed in army fatigues for the parade.

'Best Decorated' bike belonged to Michelle Parker, age two, the daughter of Mr. and Mrs. Larry Parker. Her bike was decorated as a 'Little Blue Pony' and earned her the second top award.

Winning 'Best of Class' trophies were Kalam Puckett, a fourth grader, and son of Larry and Cheryl Puckett; Jarod Clarkson, third grade, and son of Roger and Regina Clarkson; and Adam Graves, age six, a first grader, and the son of John and Kay Graves.

First place ribbons were awarded Chad Parker, four, son of Larry and Beverly Parker; Kalam Puckett, son of Larry and Cheryl Puckett; Jimey Israel, five, son of Benjamin and Esther Israel and Jarod Clarkson, third grade son of Roger and Regina Clarkson.

Winning second place ribbons were Grayson Rennels, three, son of Jack and Magann Rennels; Audra Lee, third

grade, daughter of Albert and Linda Lee; Payton Rennels, five, son of Jack and Magann Rennels and Shawna Delaney, fourth grade son of Carol Delaney.

Third place ribbons were given Shawna Raley, three, daughter of Denise and Milton

### Around Muleshoe

Members of the Alumni Band for Homecoming have been asked to meet at the high school band hall at 5:30 p.m. Friday, to prepare for the halftime finale during homecoming Friday night.

Anthony Gibson, high school band director, said anyone who has participated with any band in school will be welcome to join the alumni band. Some instruments will be available if you do not have your own instrument.

Friday night, 7-9 p.m., the Muleshoe Jennyslippers will host youth skating at the Bailey County Civic Center. Admission is \$1 per skater, and refreshments will be available.

Judy Jacobs, RN, with the West Plains Medical Center Home Health program, said they will be doing free public blood pressure screening each Tuesday.

Screening will be at the Home Health offices in the south wing of the hospital 12:30-2:30 p.m.

According to Jerry Hutton, 33 people attended the Muleshoe Singles cookout at the home of Eugene and Gladys Black last Sunday afternoon.

He said the group ate, played volleyball, '42' and canasta during the afternoon.

The Muleshoe Singles expressed their appreciation to the Blacks for hosting the cookout.

In future plans for the Muleshoe Singles will be a costume party for Halloween.

Muleshoe Singles meet each Thursday at 7 p.m. in the 16th and D Church of Christ meeting room. All singles are encouraged to attend.

**TOP PARADE WINNERS**--Winning the two top prizes during the annual Bicycle Parade/Watermelon Feast, as sponsored by the Muleshoe Jennyslippers last Saturday, were from left, "Best Decorated", won by Michelle Parker, daughter of Mr. and Mrs. Larry Parker and "Best Overall" won by Andy Wilson, son of Mr. and Mrs. Stanley Wilson.

## TCU Frogs Expect Home Field Victory

S.M.U. started its season three weeks ago, sputtering against Texas-El Paso before coming up with a 35-23 win. So, after a three-week lay-off, the Mustangs will start again, this time against Southwest Conference rival T.C.U. The Horned Frogs surprised the experts in 1984, finishing 8 and 3 during the regular season and receiving an invitation to the Bluebonnet Bowl. T.C.U.'s at home, and the Frogs are favored.

In the Southeast Conference, the unbeaten Auburn Tigers travel to Tennessee to take on the Volunteers, and Florida, also undefeated, visits Mississippi State. Both travelling teams are favored in these contests, but Auburn could run into Volunteer problems. Tennessee is coming off a 26-26 tie with U.C.L.A. a couple of weeks ago. The Vols have a score to settle after the 29-10 loss they took from Auburn last year. It'll be interesting.

One of the better match-ups in the Pac-10 Conference this week will be Arizona State and Southern California. Trojan stock hit a real high after the upset over Illinois on opening day 20-10, but the Sun Devils from Tempe took it on the chin from Michigan two weeks ago 12-3. Last fall, Southern Cal won a 6-3 squeaker over Arizona State on its way to the

league title, so this will be a major test for both teams. The Trojans should chalk up conference win number one.

The football program at Rutgers has escalated right on schedule. Just ask the Florida Gators who were tied, and almost beaten, by the Scarlet Knights two weeks ago. Penn State is Rutgers' opponent Saturday, and the Nittany Lions can verify first-hand the level of Rutgers' football. Penn State eked out a 15-12 win last year. This year, Rutgers.

Georgia Tech is a hair favorite over Clemson. Oklahoma will start 1985 (finally) with a win over Minnesota and, Notre Dame, watch out, Purdue's the host!

### Enochs News by Mrs. J.D. Bayless

Mrs. Goldman Stroud was in Lubbock one day last week and visited in the home of her daughter, Mrs. Sandra Dickey.

Dewayne Williams was home over the weekend to visit his parents, Mr. and Mrs. D.A. Williams.

Mrs. George Autry of Pep, New Mexico spent a week in the Littlefield Medical Hospital and George spent some time with his parents, Mr. and Mrs. Edd Autry.

Mrs. Juanita Blake of Plainview visited her daughter and family, Mr. and Mrs. Gary Welch, a few days the past weekend.

Miss Stacy Blasingame of Lubbock visited in the home of Mrs. Etta Layton Friday.

Rev. and Mrs. Ray Cunningham of Lubbock spent Monday night with her sister and husband, Mr. and Mrs. J.D. Bayless.

Rain received Wednesday through Friday ranged up to 4 inches in places in our area there are lakes in some fields but the farmers are proud of the rain.

# Farm Credit System Leaders Clarify Status

Farm Credit System leaders said today that the system is handling its own problems well and the announcement last week by the Farm Credit Administration (FCA) that the system would need a "Bailout" was premature.

A national news article quoted FCA officials saying the system could not survive without help from the U.S. government or some other source. James Rogers, president of the Farm Credit Banks of Texas, said a statement Monday from the Federal Farm Credit Banks Funding Corporation in New York presented a more accurate view of the system's financial condition.

Peter J. Carney, president of the Funding Corporation, said total capital of the system is more than \$9 billion. The system reported, as of June 30, 1985, \$745 million in loan loss reserves, capital stock of \$5 billion and surplus of more than \$4 billion.

Carney stated that published reports recently indicated as much as \$11 billion in system loans were "uncollectible."

He said the mix-up may have come when high risk and nonperforming loan figures were interpreted as loans that could not be collected. "Nonperforming loans do not represent the uncollectible loans for the system," Carney pointed out. "Nonperforming loans include restructured loans (loans on which concessions have been made to borrowers) and other high risk loans - all of which are either current as to interest and principal or, if past due, are adequately secured."

Carney said many of the restructured or other high risk loans will require more than normal loan servicing to make sure they perform, but only a small portion are expected to result in actual loan losses.

Carney labeled as misleading information that the system is seeking financial help because of a recent review of Federal Land Bank loans which indicated losses had increased significantly.

He said the special credit

review did indicate an increase in high risk loans for the Land Banks, nationwide, but indicated this was expected with the land value decline.

Carney added that the review disclosed that FLB loans nationwide were under-collateralized by \$930 million. Under-collateralized loans are those which have current market value less than the loan balance. He said many of these loans that lack enough collateral will not result in any loss when other credit factors and financial information of the borrower are considered.

Carney expects year end allowances for loan losses for the Land Bank to be \$850 to \$900 million, about 1.8 percent of Land Bank loans outstanding.

An analysis of collateral values in the Texas Land Bank showed an under-collateralized amount of only \$1 million, Rogers pointed out. This figure is based on only land as collateral and does not take into account other repayment capacity of the borrowers.

Also giving a different perspective on the information released last week was Alton B. Cook, president of the Farm Credit Corporation of America, a central organization owned by the system with responsibility for national planning. Cook said the system is "solvent" and contingency planning has been going on for several months.

"The system's financial con-

dition is not critical," Cook indicated. "We are concerned with the impact of the farm economy on farm economy on farm income and land values over the next 12 to 24 months." The corporation president said, however, that the system's board of directors and bank presidents had planned for several months to present their plan for the system this month.

"The unilateral actions announced by the Farm Credit Administration earlier this week have preempted the orderly consideration of these issues by the system," Cook said.

The national Farm Credit System is composed of the 12 Federal Land Banks which make long-term loans through Federal Land Bank Associations; 12 Federal Intermediate Credit Banks which provide short and intermediate-term credit to Production Credit Association and other qualified institutions serving agricultural producers; and 13 Banks for Cooperatives which make loans to agricultural, aquatic and rural electric cooperatives and provide financial services to exporting cooperatives.

The Farm Credit System in Texas has more than \$4 billion in loans outstanding to 50,000 members and their cooperatives.

# Miss Jana Briggs, Irby Exchange Marriage Vows

Miss Jana Carol Briggs became the bride of Michael Anthony Irby Saturday, Aug. 17 at 8 p.m. in the First United Methodist Church of Mercedes. The Rev. Casey Jones and the Rev. Vicky Jones read the double ring vows.

Parents of the couple are Mr. and Mrs. Jimmy C. Briggs of Mission, George Irby of Mercedes and Mrs. Jeanne Bazar of Houston.

The church was decorated with tall baskets of white gladiolus, carnations, and mauve alstroemeria were used across the marriage altar. Bows of teaberry marked the family pews.

Mrs. Judy Van Berg and Mr. Penn, vocalists, were accompanied by Mrs. Penn, organist.

The bride's gown was made of white French taffeta and was re-embroidered Alencon lace on the bodice and along the hem. The gown featured a sweetheart neckline with a princess style waist. The full gathered skirt formed a medium length train in the back, which had lace appliques along the edge. Beginning at the side of the skirt was a self fabric ruffle forming a V in the back of the gown and

finished at the top with self fabric bow, and large puffed Victoria sleeves.

Her headpiece was a halo of silk orange blossoms accented with bows of silk illusion from which cascaded her chapel length veil.

The bride carried a cascade of white, pink and mauve sweetheart heart roses interspersed with pink carnations and gypsophilla tied with white, pink and mauve

streamers. In keeping with tradition something new was her wedding gown and her strand of pearls, a gift from the groom. Something blue was the traditional blue garter, something old was the sixpence with her date of birth, something borrowed was a handkerchief, borrowed from her grandmother, Mrs. H.W. Carpenter of Lubbock.

Jenny Allen of McAllen served as maid of honor. Bridesmaids were Cynthia Gallindo, Leticia Garza and Lourdes Garza, all of McAllen. Kristy Ratley of McAllen served as flower girl.

Sam Irby, brother of the groom, of Mercedes served as best man. Groomsmen were Mike Dannel of Houston; Tom Irby, brother of the groom, of Austin; and Mike Melton of Edinburg.

Ushers were Joe Dan Briggs, brother of the bride, of Mission; Randy Waters of LaFeria; and John Sparks of Harlingen. Ring bearer was Sean Waters, son of Mr. and Mrs. Randy Waters.

Following the ceremony a reception was held in the fellowship hall of the church. Assisting at the reception were Susan Boyce of Donna, Cela Waters of LaFeria, Debra Schultz of McAllen, Cindy Nelson of Mission, Inez Tjerina of Mission and Christine Melton of Edinburg.

The couple are making their home in Mercedes, following a wedding trip to Montego Bay, Jamaica.

The couple are making their home in Mercedes, following a wedding trip to Montego Bay, Jamaica.

The bride graduated from Sharyland High School in 1981 and plans to attend Pan

American University where she is a senior communications major.

Irby is a graduate of Mercedes High School, attended Pan American University and is now owner of Bazar and Irby Oil Co. Inc. of Mercedes.

Special guests were Mr. and Mrs. Jack Thomas of Lubbock, grandparents of the bride; Mrs. G.F. Irby of Mercedes, the groom's grandmother; and Mrs. Walter Bazar of Weslaco, grandmother of the groom.

Pre-nuptial courtesses included a June couple's shower in LaFeria, given by Mr. and Mrs. John Sparks and Mr. and Mrs. Randy Waters. A bridal shower was given in McAllen by Jenny Allen and a bridal luncheon given by her mother, Mrs. Jimmy Briggs. A luncheon at the Tower Club in McAllen was given by Mrs. Tom Holmsley and Cary Homsley. A rehearsal dinner at Cimarron Country Club, hosted by the groom.

It is better to be alone than in ill company.

## Senior Citizens

The Muleshoe Senior Citizens held their regular meeting Monday, Sept. 23. A covered dish luncheon was served with 33 present. The invocation was given by one of the guests, Bob Burris.

Several guests were present, two from the nursing home, Dorann Jones and Mary Nunn; also Lora Dale, Mrs. Townsend, Mrs. Williams, and Bob and Orvidie Burris.

The program was given by Bob and Orvidie Burris by singing two hymns, "This World Is Not My Home" and "Life Is Like A Mountain Railroad." Burris then brought the devotional on "Eternal Life."

Mae Wilterding, president, presided over the meeting. Minutes of the previous meeting were read and approved. The birthday song was sung for Mae Wilterding, Florene Upchurch and Homer Millsap.

The group was dismissed by singing "Blest Be the Tie."

## Brownie-Girl Scout Registration Monday

Monday, Sept. 30 has been set for the registration of all girls ages 6-17 interested in joining Girl Scouts. Sign up will be held in the Girl Scout Little Hut from 5-8 p.m. The Hut is located at 815 West Second street.

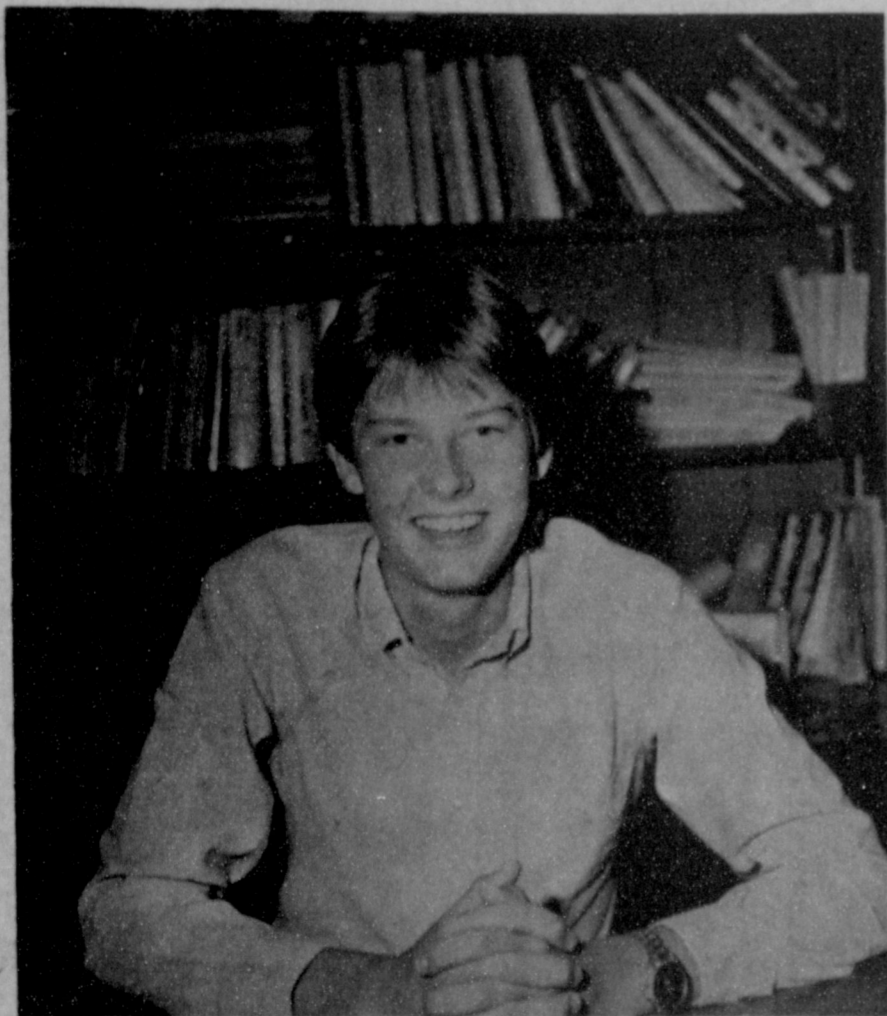

Registration fee will be \$3.00 and applications for leaders and

assistants will be taken also. Although the Scout Hut is still in the process of renovation the girls are invited to come out and see what has been done so far.

## Country Club Report

by Claudine Elliott

The Muleshoe Ladies Country Club Association met Wednesday, Sept. 18th for their monthly luncheon and business meeting. Argilee Millen presided over the meeting. All business was discussed and committees made their reports.

The nominating committee did a great job of getting our officers for next year. They are: president, Lisa McElroy; vice president, Anita Foster; secretary, Shirley Beane; treasurer, Cookie Bamert; reporter, Marlene St. Clair; parliamentarian, Melzine Elliott; tournament chairman, Helen Templeton; playday chairman, Mary Holt; Hi Plains Director, Jeanetta Precure and Analita Haley. Congratulations to these!

Analita Haley was applauded for her successful job as our tournament chairman this year. She worked hard and we were so proud of the beautiful tournament we had. She thanked all the ladies for their help in every way. Those making donations of money and favors for our tournament were: Latrell's, Western Drug, First Bank, Nickels Gin, Muleshoe State Bank, and Connie and Pearl Gupton. Our special thanks to them!

Jeanetta Precure reported on our Hi Plains Playday in Farwell this month. Muleshoe represented us well again with Jeanetta Precure winning medalist with a score of 81. Cookie Bamert won low putts in her flight and Helen Templeton won low net in her flight. The next Hi Plains Playday is in Tulia, October 9th. This is our last Playday this year and will be our Tournament for the year.

BUILDING SIDEWALKS AROUND COURTHOUSE

A bunch of workmen are busy this week building concrete side walks around the new \$60,000 court house. The walks are being built on all four sides. They were set in from the old curb about twelve feet. This was done to give more room for parking space in the future.

In building a town in this western county it is wise to lay it off just like you were going to make a city out of it. Take for example Amarillo, we can remember when it was a wide place in the road, and the thriving city of Lubbock. When the writer first passed through Lubbock it was only a few houses scattered over a section of land. Now see where it is headed for. One can never tell, Muleshoe may someday be larger than Amarillo or Lubbock. When you build, build for the future. Look ahead "Hook your wagon to a star".

## Today's TV Snacker Looks For Nutrition Too

As daylight hours shorten and television viewing time lengthens, viewers begin to reach for snacks.

According to *The Official Couch Potato Handbook* by Jack Mingo and Robert Armstrong, the simultaneous development of TV dinners and toaster ovens made modern TV cuisine practical. Viewers were able to prepare a meal in less time than the commercial break and had no dishes to clean up afterward. TV viewers and other snackers today want nutrition as well as convenience.

One easy answer is pairing an assortment of fresh vegetables with a simple dairy dip. A refrigerator stocked with plastic bags or containers of broccoli and cauliflower flowerets, green pepper strips, carrot and celery sticks will tempt snackers.

Dips can be prepared ahead, ready for prime time snacking. To make Cottage-Barbecue Dip, start with cottage cheese and blend in minced onion, barbecue sauce, lemon juice, celery salt, and a little sugar. The flavors will ripen in the refrigerator. Or make Cheesy Cream

Dip with equal amounts of shredded Cheddar cheese and sour cream. Stir in chopped pimiento-stuffed green olives and a little salt, pepper and oregano. Again, you'll find the flavors blend during refrigeration.

Fruit is another good snack to

keep on hand. Invertebrate dip-pers will enjoy Cheddar Blue Cheese Dip for fruit. Beat together a cup of shredded Cheddar cheese and half a cup of Blue cheese. Then beat in a cup and a quarter of dairy sour cream and chill it. This dip is especially good with honeydew melon, pear and apple wedges, pineapple chunks and green grapes. Be sure to dip the apple and pear slices in lemon juice immediately after preparation so that they'll remain white during refrigeration.

## Shellfish Safety

According to seafood expert Annette Redell Hegen, the two most common questions consumers have about shellfish is how can you tell if they're spoiled, and how can you tell if they're safe to eat?

"It's a rarely publicized fact, but there is a watchdog organization which regulates the domestic and imported shellfish we consume," says Hegen, a consumer information specialist with the Texas A&M University Agricultural Extension Service Sea Grant Program.

The National Shellfish Sanitation Program is administered through the U.S. Public Health Service by the Food and Drug Administration (FDA) and in cooperation with state health departments, she explains. The FDA regulates the areas

from which shellfish can be taken, industry complies by taking shellfish from these approved areas, and the state health departments assure that the product has been harvested and processed in a safe manner, the specialist says.

"With all these groups doing their part, consumers can be assured that high quality shellfish is reaching the market place," Hegen says. "But consumers must still refrigerate and handle the product properly to make sure they're putting a safe product on the table."

## Wanted! Willing Workers

"Parents, you are a much needed addition to the Fine Arts Boosters! What does this group boost? --Our children, who are enrolled in drama, art and band in the Muleshoe Independent School System," says a spokeswoman for the group.

"These three departments have limited budgets each year and the funds raised by the Boosters enable our children to participate in school-sponsored events," she continued. "Expenses such as meals and lodging incurred during UIL competition, supplies needed in the classroom, items for the yearly one-act play competition, uniforms, clothing bags, even the yearly upkeep of a copy machine which was purchased

by the Boosters in times past -- all of this and more, is provided by the Boosters."

Be a "willing parent" and become an active Booster member.

The next scheduled meeting will be Monday, September 30, at 7 p.m. in the high school band hall. All parents are invited to participate.

Each parent has a unique talent which can be put to great use this year believe members of the Fine Arts Boosters. You are encouraged to attend each meeting that will be held throughout the school year on the fourth Monday of each month.

"Let's show our children how much they mean to us and become a part of the Fine Arts Boosters," concluded the spokeswoman.

"Special thanks to Dr. A.E. Lewis for providing the delicious watermelons, Yellow-meated and red! Jack and Peggy Bates went out and gathered them for us."

"Thanks also to Wayne Holmes and Dwayne Hancy, Muleshoe City Police officers for handling the parade for us; Johnny Ziegenfuss for bringing out the water truck and hosing down the tables for us and to the City of Muleshoe for being sure we had a dumpster handy for the watermelon rinds. Thanks, too, to the news media for coming out to cover this event, Channel 6 and the Journal."

Jennyslippers who helped during the day included Billie Downing, Kathryn Taylor, Nelda Merriott, Kay Graves, Dianne Nieman, Linda Lee, Peggy Bates, Lucy Mardis, Sandi Robinson, Vivian White and Nelda Merriott.

we have requested in base rates."

The estimated \$19 million, one-time credit SPS proposal would reconcile an over-recovery of fuel revenue resulting in Texas from the current, fixed fuel factor of \$0.030824, the utility president explained. The fixed fuel factor was ordered by the PUCT in October 1983.

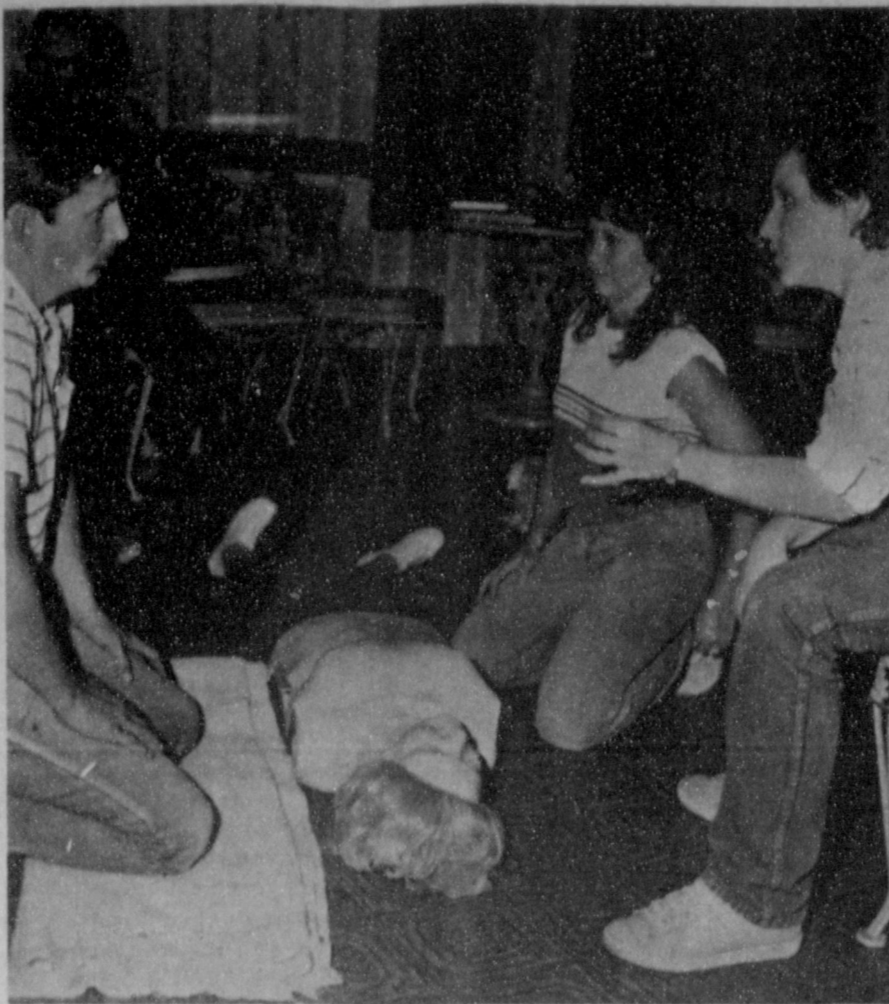

"That mandated fuel factor over-recovered fuel revenue in Texas this year," Esler said. "By contrast, in the other areas we serve, eastern New Mexico, the Oklahoma Panhandle, and southwestern Kansas, our customers have already been enjoying reduced fuel costs. Those states still allow automatic fuel cost adjustments by utilities on a monthly basis."

## Scouts Selling Tickets For Show

ATTENTION! The 1985 Scout Show is drawing near! Cub Scouts from all over the area are selling Scout Show tickets at this time, and they need your help.

Cub Scouts and Boy Scouts of Muleshoe will each have booths at the Scout Show on November

2, at the Lubbock Memorial Civic Center. Tickets are \$1 each, and for a purchase of five tickets, the buyer gets his or her name placed in a treasure chest for a drawing for a television. Each ticket also has six coupons which can be used for the purchase of food items at the fair.

Scout Show exhibits will be activities where the boys demonstrate or put together for the public, and is enjoyed by everyone who attends.

For selling tickets, the boys earn individual gifts for themselves, as well as chances for prizes in drawings to be held every week until November 2.

They also have a chance to win a trip to a Dallas Cowboy football game in Dallas, and at the same time earn a large commission for the Pack and Troop in Muleshoe.

"Please help these boys earn prizes as well as self-confidence, and self-esteem for themselves," said a Scout spokesperson. "They need your help! Thanks, Muleshoe!"

teachers. Kevin's speech is the film. Both high school sessions will conclude with a question and answer period.

The next session will be an afternoon session to be held at 2:00 p.m. This session is specifically designed for teachers and all Muleshoe ISD teachers and aides will attend. All interested residents are welcome to attend this session also as well as the student session held in the A.M. This session will focus on an overview of the current drug scene in American schools; what drugs students are abusing and how they effect the developing young body; cognitive impairment and how to recognize the drug user; and recommended courses of action for school districts from classroom teacher to administration. The session will end with a question and answer period.

The fourth and final session will be held in the evening at 7:00 p.m. This program is specifically designed for parents. ALL PARENTS are urged to attend. The session will run from 7:00 p.m. to 8:15 p.m. Following this session at 8:30 p.m. the annual Bon Fire Pep Rally will be featured. Parents will be dismissed in time to share in this annual event.

The evening session will feature the following topics:

What parents ought to know about the drugs their kids are abusing: USE IS ABUSE

How to tell if your child is abusing, from elementary school to college

What you can do about it  
Questions and answers  
The P.T.A. will be assisting with a telephone "chain line" encouraging all parents to come out and participate.

All presentations will be given in the high school auditorium.

## TEAMS Test Booklet Out For Students

Each student in grades 8-11 has received a booklet explaining the Texas Educational Assessment of Minimum Skills (TEAMS) according to Linda Marr, counselor at Muleshoe High School.

Texas state law has mandated that students must pass both the mathematics and English language arts sections of the TEAMS test by the end of their 12th grade year in order to receive their diplomas, she explained.

The booklet has been prepared to give parents and students an opportunity to know what will be expected on this

test as far in advance of a student's graduation as possible. The booklet lists the 18 objectives that will be tested in English and mathematics and gives sample test questions. Students and parents are encouraged to use this booklet as a resource guide in preparing for the test.

The TEAMS test will be given state-wide on October 1 and 2, to students classified as juniors. Muleshoe High School is holding review sessions in preparation of this test in mathematics on Thursday, September 26; Tuesday, October 1 and Thursday, October 3, from 5-7 p.m. at the high school.

Teachers in the area of English will be available for tutoring each morning except Monday from 7:45-8:15 a.m. Students are encouraged to attend as many of these sessions as they feel are necessary to review skills that will be tested by the TEAMS.

## Local Baptist

## Church Plans

## Special Sunday

Southern Baptist Churches across the nation are participating in a "Celebration Sunday," September 29. This will be the culmination of a three-year emphasis in which Southern Baptists have attempted to enroll 8.5 million people in Sunday School, explained Barry Bradley, pastor of First Baptist Church in Muleshoe.

Rev. Bradley said First Baptist Church, Muleshoe, will celebrate the conclusion of this effort on Sunday, September 29, beginning with Sunday School at 9:45 a.m. and morning worship at 11 a.m.

He said this will be followed by an All-Church Picture and Dinner, and will conclude with a "Sangin'" beginning at 2 p.m. He added that the public is invited to attend and be a part of "Celebration Sunday."

## A&M professor designs revolutionary office chair

COLLEGE STATION — A new, more comfortable workplace chair whose design is based on the posture of astronauts in weightlessness has been developed by an engineering researcher at Texas A&M University.

Known as the Pos-Chair, it was designed by Dr. Jerry J. Congleton, assistant professor of industrial engineering, with the assistance of the Institute for Ventures in New Technology (IN-VENT), an innovations development group at the university. Congleton says the chair can increase worker productivity and reduce lower back pain and tension.

It features a unique seat that comes in four sizes and combines features of the farmer's tractor seat and the English saddle with special thigh support.

**NO LONGER Sewing**

Once this home housed a family, was full of laughter, protected its members from the elements. Now it is an old abandoned home...decaying, and falling apart. No longer of any use to anyone.

A person away from God is like this old abandoned home, gradually decaying in spirit and serving no purpose in God's will. Return to a regular church worship with the Lord. Receive God's great love, and live a joyous full life.

"I was glad when they said unto me, let us go into the house of the Lord."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Homecoming Royalty-1975

Picture a time when renovations were not on everyone's mind or not even needed; a time when Marcell waves were the vogue, and pomade and Brylcreem were still selling; the Muleshoe High School building was new, the Mule became the mascot, cuffed baggy pants and bobbie socks with penny loafers were the rage. This was the year Miss Donna Kimbrough, now Mrs. Ed Nickels, reigned as Homecoming queen. The time was good ole 1950.

and Ronnie, each have two children and they are currently farming in the Muleshoe area. Her daughter, Susan, is now working at First Bank here in Muleshoe.

"We moved into the new high school during Christmas vacation in 1949, and we were the first class to graduate from the building. We were the typical senior class and when we went on our senior trip, we didn't give our sponsors too much trouble," says David Stovall, another member of the graduating class of 1950. Stovall currently farms northwest of Muleshoe. While in high school, he was active in FFA. His wife,

Nancy, works for Farmer's Coop. Elevator and they have one son and two daughters. Their son, Robert, is a captain in the United States Army and is stationed in Aschaffenburg, and is the father of two little girls. Their daughter, Karen, attends nursing school at Houston, Texas, and their youngest daughter, Sherri, is a senior at Muleshoe High School.

The class of 1950 will hold its reunion Friday and Saturday, September 27 and 28. They will attend the Homecoming football game Friday night and will have a dinner at the Country Club Saturday night.

## Reflections: Of Homecoming

"The predestined feeling of victory is in the air. The Mules will once again claim victory over Morton in Friday's homecoming game at 7:30. Before the game, however many festive events will kick off the 1975 homecoming week. A poster contest is being held for any individual or group who wishes to enter. A pizza donated by XII Steakhouse will go to the winner. A hall decorating contest is also being held with the Senior Class of 1976 as the forecasted winners with their theme "Ye Olde Mule's Towne." If the Seniors win, this will be the first time in seven that the Juniors have not been victorious. Thursday evening at 6:00 a parade and bonfire will be held. It starts at the High School and continues down Main Street ending at the Boy Scout Hut for the burning of the Morton Indian. The homecoming pep rally will be held Friday at 2:45 and the winners of the poster and hall decorating contests will be named. The Student Council is selling tickets for a homecoming football. The ball is red, white, and blue with all the players signatures on it.

Before the game, the HERO Chapter of HECE will sponsor a fried chicken supper. During halftime the homecoming queen, Jana Bruns, escorted by future husband, Tommy St. Clair, will be announced. The attendants will be Perri Poynor, escorted by Robert Shafer, and Patti Poynor, escorted by Carey Suddeth."

...And this is the way it was, homecoming 1975.

The excitement and anticipation, then the words, "We present to you Miss Jana Bruns, Homecoming queen for 1975," were recreated in the memory of Mrs. Tommy St. Clair in a recent interview. Reflecting on changes the years have brought into her life, former MHS cheerleader Jana commented,

"It was exciting and one of the highlights of my high school days."

Jana's escort for the evening of festivities became her husband a few years after high school graduation. While in high school, Tommy, also a 1976 graduate of MHS, participated in both football and basketball. In fact, the night of the queen's coronation, St. Clair had blood on his uniform after a rough half game experience against the Morton Indians. The Muleshoe Mules, incidentally, were victorious in that tilt.

Mrs. St. Clair stated that after going together for two years in high school, she and Tommy felt that it was important for each to go their separate ways for awhile, although they continued to date during this time. After attending college for two years, they were then married and are the parents of Justin Ryan, age 6; Adam Bryce, who is four

years old, and Cole Garret, two years of age. They live in Muleshoe, where St. Clair is engaged in farming and Jana.

Mrs. St. Clair further added that the graduating class of 1976 was a close-knit group who enjoyed doing things together, and they are anticipating their ten-year class reunion next year. The football squad did not make history as a "winning team," but they had spirit, enthusiasm, and respect for each other.

When speaking of her two attendants on that memorable night, Mrs. St. Clair warmly recalled the friendship she shared with Perri and Patti Poynor and added that they are still close friends who "keep in touch" with each other. Escorting the Misses Poynor were Carey Sudduth and Robert Shafer; the parents of both of these young men still live in the Muleshoe area.

## SCAC News

SCAC met September 17, at Leal's restaurant. (The meeting was called just as an excuse to eat at Leal's!) Casey King gave the prayer, Sherri Stovall attempted to read the minutes, and Stacy Smith gave the treasury report, reporting their account is bankrupt! As a result bankruptcy, everyone was begged to pay their dues of \$3.00. Loy Triana read the club by-laws, and Mrs. Allison gave the report on the Muleshoe Heritage Foundation.

A committee was appointed to raise money. This committee consists of Meischelle Logsdon, Kristy Landers, Laurey Grant, Sherri Stovall, Stacy Smith and Susan Lunsford.

SCAC purchased a Sesqui-centennial Flag for the school, and presented it to Mr. Ethridge along with his honor of being selected as Citizen of the Month for September. Congratulations, Mr. Ethridge!!

The next SCAC meeting will be held October 15, at 8:00 p.m. at Kristy Landers' house.

## Band Beats It's Drum

"We are trying to convey an intellectual piece of art," stated Anthony Gibson, band director of the "Mighty M" band. Reflecting back on a year of sweepstakes in 1984, the directors and members of the band are anticipating another wonderful year.

The new officers for 1985-86 are: president, Leah Bell; vice-president, Lisa Hamilton; Secretary, Jessie Holmes; chaplain, Elizabeth Posadas; senior representative, Sylvia Posadas; junior representative, Freddy Paez; sophomore representative, Greg Garcia; freshman representative, Selina Gonzales. This year's drum major is Lisa Hamilton, and the assistant drum major is Jessie Holmes. The flag captain is Sylvia Posadas, and the co-captain is Zanna Huckaby.

Jessie Holmes, the recently elected secretary, thinks the band is really getting after it. She said the band is "coming along great!" and that the band has much potential to go to state. They just need to keep trying. Martha Anthis, the assistant band director, stated that the "Mighty M" band is looking great." She is very excited about this year. Miss Anthis can't wait until contest.

Mr. Gibson, head band director, commented, "We were kind of slow getting out of the gate, but we are running full steam down the track now!"

Muleshoe fans are invited to come and watch the "Mighty M" band perform at halftime at all of the football games.

### Double Meaning

A lady was very much pleased because her husband had called her an angel. She was not accustomed to compliments from him and asked him why he has called her an angel.

"Because," he replied, "you are always up in the air, you're continually harping on something, and you never have a darn thing to wear."

## Homecoming Queen Candidates Announced

"And the Homecoming Queen for 1985 is Miss...." Who will the winner be? Juanita Garcia, Stacy Smith, Laurey Grant, or Casey King?

Miss Garcia, a Senior, is the daughter of Mr. & Mrs. Lino Garcia. She is Student Council Parliamentarian and the Senior Class Parliamentarian as well as being a member of FTA, and S.C.A.C. She is active in cross country and track, and she likes to spend her time spending money, communicating with people, and she enjoys cheerleading. Juanita names as her idol, Mary Decker.

On the other hand Miss Smith, a Senior, another queen candidate names as her idol. Wonder Woman. Stacy is the daughter of Mr. & Mrs. Curtis Smith. She is involved in FCA, FTA, and is the reporter in DECA, and the treasurer in S.C.A.C. Stacy enjoys cheerleading, playing tennis and water skiing. She also plans to attend Texas Tech University after graduation.

Laurey Grant, also a Senior, is the daughter of Mr. & Mrs. C.E. Grant, Jr. She is involved in FCA, SCAC, and is FTA Treasurer. Laurey enjoys playing tennis, cheerleading and snow skiing. She also plans to attend Texas Tech University after graduation.

Completing the roster of candidates is Casey King, A Junior. She is the daughter of Mr. & Mrs. Joe King. Casey is active in tennis and basketball. She participates in JFTA, FFA, and is the secretary for FCA.

Casey's hobbies are snow skiing and cheerleading.

Candidates will be escorted by the 1985 Mule Captains: David Vela, Mike Holt, Jarrod Embry, and Sergio Leal. Coronation will begin at 7:15 prior to the Muleshoe-Friona game, Friday night in Benny Douglas Stadium. Be there!!!!

## Float Contest Slated Friday At Pep Rally

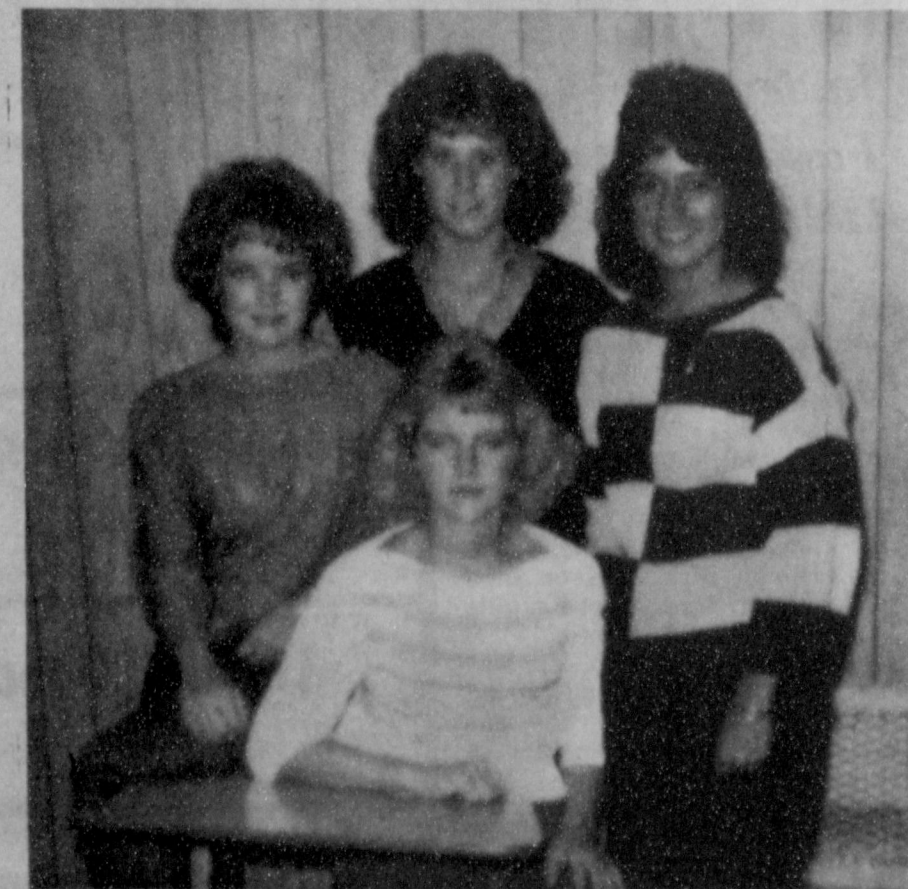

This year, being no exception, the traditional Homecoming float contest will be held Friday, September 27. Clubs and organizations at MHS are encouraged to participate. The floats will be shown at the pep rally, and first, second, and third prizes will be awarded. Door decorations will be done by teachers and students after school; ribbons will be awarded for first, second, and third place winners.

The pre-game dinner, sponsored by HECE, will be from 5:30 to 7:30. The crowning of the Homecoming queen will be at 7:15, followed by the Muleshoe-Friona game.

An alumni band will perform during the halftime activities. Anyone interested in performing with this band is requested to be at the band hall at 5:30 for a rehearsal.

# Congressman Announces Passage Of '85 Farm Bill

Congressman Larry Combest (R-Texas) announced Wednesday that the House Agriculture Committee approved a 1985 Farm Bill after nearly five months of work on the bill, which would set some new directions for the nation's 50-year-old agriculture policy.

The bill, H.R. 2100, was adopted by the committee following agreement of budget-saving recommendations totaling \$11.8 billion over three years in an effort to bring the farm bill in line with budget guidelines.

"There are numerous provisions in the farm bill package that are worthy of support and offer some help for the farmer, however the bill can be better and it should offer more hope for American agriculture," Congressman Larry Combest said. "We will attempt to make significant improvements in some areas, such as the wheat and feed grains section when it reaches the House floor or in conference," Combest added.

The omnibus farm bill preserves an income protection "safety net" for farmers for five years and includes -- among other major provisions -- continuation of current target price loan rates, an expanded export enhancement program and a conservation reserve provision.

"We are facing a critical time in agriculture, the worst since the Great Depression. The farm bill in itself is not going to solve all the problems in agriculture. The budget deficit and its effect on interest rates, and the strength of the dollar in international markets continues to threaten the family farmer," said Combest. "Our financial house must be shored up before attempts toward long-term agriculture policy can be truly beneficial for the American farmer," Combest stated.

Major provisions of the 1985 Farm Bill include:  
COMMODITY STABILIZATION PROGRAMS

For cotton, wheat, feed grains and rice, the bill would adopt a market-oriented system for set-

ting price support loans at levels that would make American crops competitive in international markets, coupled with continued target price protection. Basic loan rates, for wheat and corn, for example, would be set each year on the basis of formulas using average market prices of recent years.

Basic loan rates for cotton and rice would also be set by a formula using recent open market price averages.

Target prices for grains, cotton and rice, which protect farmers' income with direct payments when market prices are below the target rate, would be frozen at current levels through 1987 to prevent any reductions in returns to farmers. For 1988, 1989 and 1990, the bill sets up a formula which would permit declines of no more than five percent a year in target prices.

When commodity surpluses are above designated levels, producers who want price supports would be required to comply with acreage, control programs including a 30 percent reduction for 1986 wheat, a 20 percent cut for 1986 feed grains, and cuts of up to 25 percent for cotton and rice. For 1987 through 1990 crops, if wheat and feed grain supplies are above designated levels, the Secretary of Agriculture would have to require at least a 20 percent acreage cut for wheat and a 10 percent cut for feed grains.

"We could enact a wheat and feed grains program that improves upon current law for the vast majority of farmers," Combest said. "I supported an amendment which dramatically departed from current law by (1) mandating that the Secretary of Agriculture implement a 'marketing loan' and (2) 'targeting' maximum deficiency payments to medium-sized family farmers," said Combest.

"The marketing loan allows us to immediately become price competitive in the export market while protecting farmers' income. Farmers would receive

federal price support loans on all of their production, but would only have to repay their loans at the lower of (1) the original loan rate, or (2) the state average price at the time they redeemed their loan, Combest added.

"I will work to amend the wheat and feed grains provision when the farm bill reaches either the floor of the House or in the conference committee," said Combest.

For cotton and rice, payments would be required for diversions of more than 25 percent. To make those programs work more effectively, the bill includes a permanent new system for establishing acreage bases and yields, and further permits practicable -- in family-size units. Where the Secretary leases or operates foreclosure land, he would have to make leases on a competitive bid basis, giving priority in leases to former owners of the land, family farmers and beginning farmers.

RESEARCH  
The research section includes a five-year extension of funding authority for agricultural research and extension programs, multi-year acreage-idling agreements to quality farmers for support programs. Also, the farm package includes discretionary authority for export certificates to help promote sales of grains and a standby provision for use of export and domestic marketing payments in kind for cotton and export payments for rice if world market prices fall below domestic support rates.

For sugar, peanuts and wool, the bill generally extends current programs.

Payments limits in the bill include a \$50,000 annual per producer ceiling for program payments.

"An amendment I offered which was included in the farm bill exempts the payment limitation on deficiency payments which results from loan levels being set below the 55-cent loan floor for cotton and any land diversion payments under an in-

kind program for cotton. This provision will allow the loan rate to fluctuate with world market prices.

TRADE  
The bill authorizes a payment-in-kind bonus export enhancement program designed to make American commodities fully competitive in world markets where they have been undersold by other exporters in recent years.

CONSERVATION  
A two-phase plan to protect fragile soils for future generations and move a substantial amount of such land into less intensive use is included in the conservation section of the farm legislation.

For highly erodible soils which are already in crop use, the legislation provides a long-term Conservation Reserve Program under which farmers would contract to return up to 25 million of such acres to less-intensive uses such as grass or trees.

CREDIT AND RURAL DEVELOPMENT

The farm package reauthorizes and in some cases revises federal farm credit and rural development programs and includes discretionary authority for a program of planting-season advance commodity loans to farmers beginning in 1986. Authorization ceilings include annual caps for the 1986 through 1988 fiscal years of \$3.15 billion for Farmers Home Administration farm operating loans including \$2.5 billion in insured direct loans and the remainder in guaranteed loans. For farm ownership loans, the bill authorizes \$700 million annually including \$650 million in direct insured loans in fiscal 1986 with loans in the final two years all on a guaranteed basis.

For emergency disaster loans there would be a ceiling of \$1.3 billion in fiscal 1986, \$700 million in 1987 and \$600 million in 1988.

The Agriculture Department would be required to observe a number of new restrictions on the way it handles farmland acquired by the government in future foreclosures of FmHA loans. USDA would be forbidden to sell such land if the sales would depress local farmland values, and any sales made would have to be -- as far as a number of new research priority guidelines, and a pro-

posal to spur development of export promotion centers.

FOOD ASSISTANCE  
The food assistance programs sections of the bill extends the Food Stamp Program for five years, improves some program benefits, and requires all states to set up special employment and training programs to help move jobless stamp recipients onto payrolls.

### Know THE Weather

What are the ominous directions for winds to blow from? Can useful weather information be obtained from the use of a wind vane only?

The worst weather in the United States often follow winds out of the east or north. Yes, it is possible to detect valuable clues about the weather using only a wind vane. If one will combine the vane with a barometer, the accuracy of predictions will be raised many times.

However, with only a wind vane, be suspicious of a wind change from the east to the north. If the sky looks threatening (or a barometer reading shows pressure falling) you might well be in for a bad storm.

Likewise, a wind changing from south to east is often a bad omen. Remember that bad weather systems in this country (low pressure areas) move counter clockwise, and drift eastward.

Wind changes often reveal what section of this circular movement you are then in.

### BIBLE VERSE

*As I was with Moses, so I will be with thee; I will not fail thee, nor forsake thee.*

- To whom is this promise addressed?
- Upon what occasion?
- What task did he accomplish?
- Where may this promise be found?

### Answers

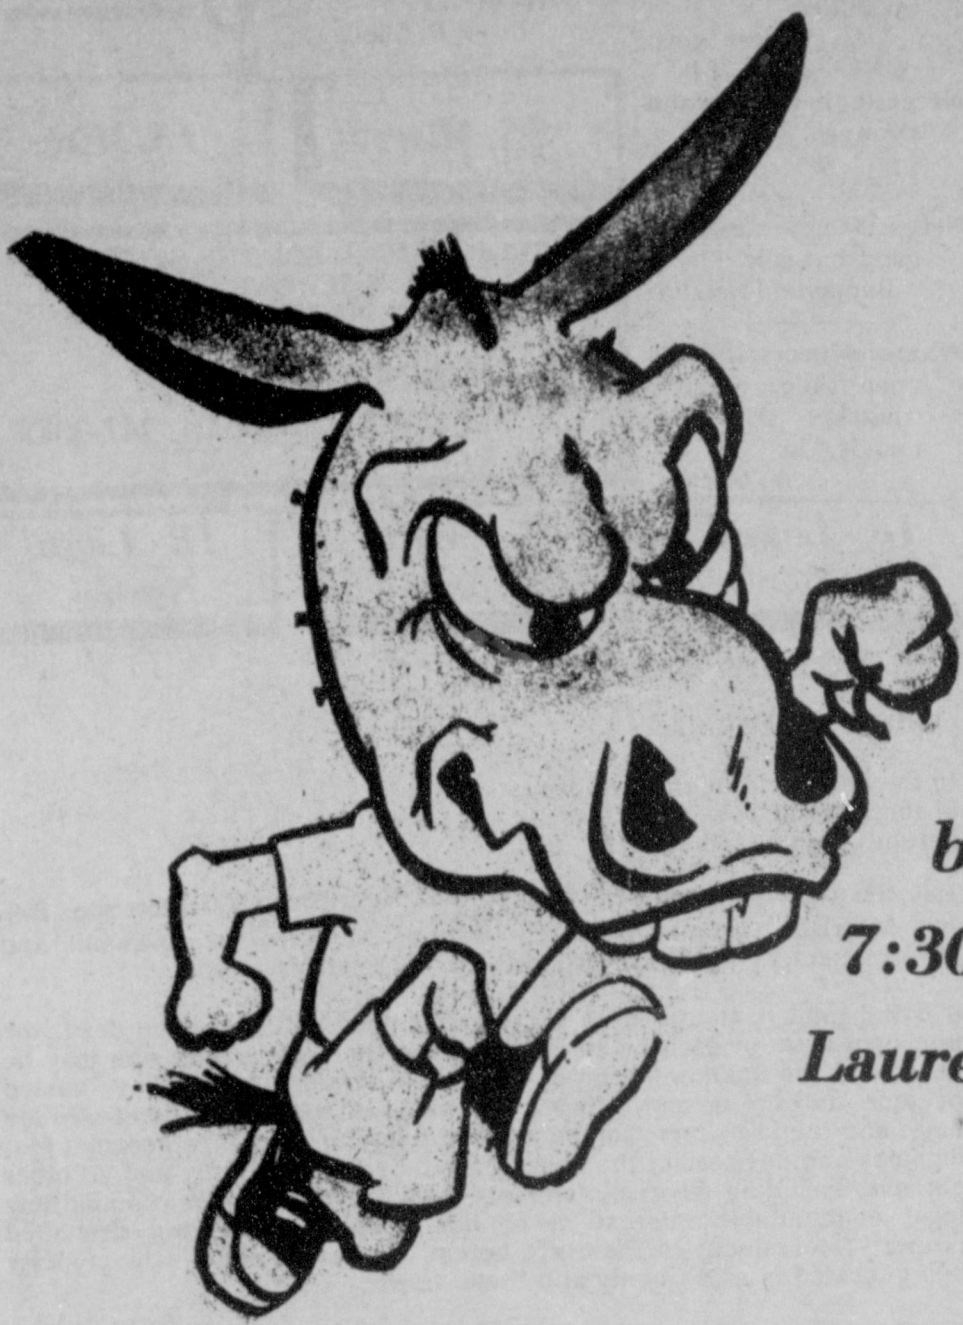

- To Joshua.
- Upon his succession to the leadership of the children of Israel, after the death of Moses.
- He led the Israelites over the Jordan into the Promised Land.
- Joshua 1:5.

A slice of bread will often remove makeup smudges from dark clothes.
