Around Muleshoe

Muleshoe Muleskinners will be meeting on Thursday, October 3, at 7:30 p.m. at the new Muleshoe Fire Department.

Donna Thomposn said all members, and persons interested in mules, are asked to attend.

Muleshoe Young Homemakers are selling Del Cerro pecans at this time at \$4 for a pound.

For your holiday baking needs, they ask that you call Pam Thomason at 272-5610; Terri Byers at 272-4468 or any Young Homemaker and they will deliver your pecans to you.

John Phelps presented the program for the Muleshoe Rotary Club Tuesday at noon, giving a very interesting film on the causes of elevator explosions.

Most are caused by dust, he explained, and the film showed the fact that the source of devastating explosions, both large and small, are directly related to four things: air, dust, a source of ignition, and for these three items to be in an enclosed area.

Also, the film explained safety factors that could be applied in order to avoid having these components get together, resulting in an explosion.

Buddy Embry was in charge of the program.

Guests at the meeting included Calvin Embry, Darrell Embry and Vic Christian.

The Lazbuddie junior class will be selling homecoming mums, now through October 8.

To order a mum, contact Dusty Jesko, 965-2412 or Tracy Elliott, 965-2899 after 4 p.m.

West Texas State University will host the Student Activity Conference of the University Interscholastic League again this year on Saturday, October 19, beginning at 9 a.m.

Hundreds of area high school students will meet with special consultants and site hosts, many of them provided by the university, to prepare for this spring's

Circle Back Baptist Plans New Program

Ron Linebarger, pastor of Circle Back Baptist Church has announced that the Royal Ambassador program for boys and young men grades one through 12 will begin Sunday, October 6, at the Circle Back Baptist Church, four miles east of Needmore on FM298.

He said all boys and young men in these grades are invited to attend. He also asked that everyone be at the church at 5 p.m. and refreshments will be

INFANT SLIGHTLY INJURED IN ACCIDENT--Muleshoe City Police Officer Dewayne Haney is bent over into the Brad Poyner vehicle at the intersection of South first and Ave. C, carefully blowing glass from the face of the Poyner infant, who was glass covered, and nicked, in an accident that had just occurred. Neither the infant, or his mother, received serious injuries in the mid-afternoon accident. The infant and his mother were transferred to West Plains Medical Center by ambulance for emergency treatment.

'MR. VOLUNTEER'--Special honors are going this week to Wayne Wauson, left, who could truly be called "Mr. Volunteer" throughout this area. He is active as an EMT with the West Plains Ambulance Service; he is also a very active member of the Muleshoe Fire Department. Wauson is always "ready to go" and to help anywhere he is needed. Looking on as Wauson demonstrates an infant life-saving technique in an EMT class is Kenneth Wilhite.

Trained To Help-- He's Always There

Who's always there if he is needed -- and responds quickly and cheerfully to any local emergency? Who never complains about having to leave a warm bed in the dead of winter to make a quick ambulance run, or help extinguish a fire?

He's this area's 'Mr. Volunteer.' Although, that name certainly fits -- you probably know him as Wayne Wauson, quiet, unassuming Allis-Chalmers mechanic for Ladd

Ambulance Service Sets Open House

Richelle King, director of ambulance services for West Plains Medical Center, has announced open house for the new ambulance building located immediately behind the hospital.

It will be Sunday, October 6, 2-4 p.m., and Ms. King asks that everyone come out to the ambulance building and tour the new facility during the open house.

The new building includes garage area for both ambulances, office space, a training room and other facilities.

With the new building, the ambulances will be protected from weather conditions at all times, as well as possible vandalism, which has occurred in the past. It also releases office space within the hospital, and provides an area for training which is currently being done in the dining room of the nursing home.

Implement. Moving to Muleshoe in 1971 from Plains, Wauson quickly joined the Muleshoe Volunteer Fire Department. But, that wasn't his first experience with a fire department.

Actually, he began his firefighting days as an eighth grader at Plains, where his father was, and is, a volunteer fireman. Firefighting 'took hold' of him, and he continues to be a very active fireman in Muleshoe.

However, that, once again, isn't really 'Mr. Volunteer's' only claim to fame, or his

Sales, Use Tax Report Is Given

Gross sales decreased by two percent in Bailey County, according to the State Comptroller's office, from the 1984 to 1985 first quarter figures released last week.

Sales were down by two percent in the county, as reported by 119 reporting outlets. Sales through the first quarter of 1984 were \$17,116,464, down from the \$17,457,006 reported for the same period a year ago. This also showed use tax purchases in the amount of \$9,512 and sales subject to tax totaled \$4,211,191.

At the same time, sales in Cochran County reported to be down by some 33.3 percent for the first quarter of 1985, according to the 49 reporting outlets. Sales for the first quarter of 1985 were \$3,868,336, down from the \$5,797,701 at the same time a year ago. Use tax purchases were \$1,498 and sales subject to tax were in the amount of \$1,252,596.

Lamb County's 232 reporting outlets indicated a decrease of sales for the first quarter of 1985 in the amount of 28.4 percent. Sales from the first quarter of 1984 were \$57,174,972 and for this year at the same time were reported to be \$40,936,951. Amount of sales subject to tax were \$6,929,506 and use tax purchases were \$52,174.

In Parmer County, the decrease in sales for the first quarter of 1985 was reported to be 15.5 percent. The 132 reporting outlets in Parmer County reported gross sales of \$57,859,156 for the first quarter of 1985, compared to \$68,488,346 for the first quarter of 1984. Sales subject to tax were in the amount of \$3,533,185 and use tax purchases totaled \$432,285.

September Moisture Above Average Here

Girls Ready For Monday Night Game

The traditional MHS Powderpuff Football game, pitting the dauntless "Tastes Great" team of junior and sophomore girls against the mighty senior and freshman team, "Less Filling," will be the 'news of the day' Monday, October 7, 8 p.m. in Benny Douglass stadium.

Admission to the game, an annual money-making event for the Future Teachers of America, will be \$2 per person.

Guiding the "Tastes Great" team through the hours of muscle pulls, back sprains and skinned elbows will be coaches Todd Bessire; Michael Angeley; Scott Bickel; Lance King, head coach; and Greg Young.

Assisting "Less Filling" to meet the demands of a rigorous football game are coaches Mike Holt; Jarrod Embry; Wade King, head coach; Brett King; Loy Triana; Sergio Leal; David Vela and Sean Shipman.

Each team will crown its individual king during halftime, and students who are serving as coaches will also be candidates for Powderpuff king for 1985.

Captains for "Less Filling" are Karen Wooten, Stacy Smith, Kristy Landers and Meischelle Logsdon. Captains for "Tastes Great" had not been named at presstime.

New Winners Are Listed For Contest

This week, three new winners showed up in the weekly football contest, as Jerry Roddam, Doyle Weir and Oscar Villarreal share the three top spots in that order.

They were the only contestants to miss five games, in what must have been a 'toughie' to decide.

Jerry Roddam missed five games, and was 48 points away on the double tiebreaker to take the top spot, \$6 and 10 points; in second place was Doyle Weir, a familiar name in years past in the contest. Weir missed five games and was 60 points away on the tiebreakers, while Villarreal was 75 points away on the double tiebreaker to win third place with his five wrong predictions.

Every other contestant missed at least six games. This must have been a real rough contest, as last week, the first place winner missed only two games.

State Treasurer Sends Money For County Roads

State Treasurer Ann Richards has sent checks totaling \$7.3 million to Texas' 254 counties for road construction and maintenance.

Bailey County's check was in the amount of \$24,860.76; Cochran County received \$16,665.56; Lamb County was sent \$36,959.68 and Parmer County got \$29,833.03.

The Treasurer each year disburses money appropriated by the Legislature for the Lateral Road Program. The grants may be used by counties for the purchase of right-of-way and for construction and maintenance of lateral roads, farm-to-market roads or state highways, explained Ms. Richards.

She said the money is allocated to each county under a formula based on the county's area, rural population and lateral road mileage.

September, 1985, will be going into the record books as one of the wettest months recorded in Bailey County. Officially, 4.7 inches of moisture was recorded in September, to make the month a very wet month here.

The 4.7 inches of rain brought the year's total to 19.58, above the 17 inches considered to be 'normal' for this area.

Escorting the month out was a 'cold snap' that left area residents shivering, especially in the early morning when for the last two days of September and first two days of October, the temperatures dipped to the low to mid-30s.

Last Saturday night, a quick sudden rain deposited an official .62 in Muleshoe, and caused minor flooding of city streets.

Muleshoe National, Wildlife Refuge located some five or six miles south of Needmore, recorded .5 of an inch Saturday night during the same rain.

Foster Fertilizer at Lazbuddie north of Muleshoe had .6 inch, although Gene Smith from the Lazbuddie community said he had received .9 in moisture.

West of Muleshoe, from .5 to

Mules Will 'Hit' Road To Floydada

This Friday night, the Muleshoe Mules will be traveling to Floydada to take on the Whirlwinds, in the hopes of picking up their first win for the season. Gametime will be 7:30 p.m.

To date, the Floydada Whirlwinds hold the same record as the Mules, having gone winless for the year.

The Mules have fallen to Portales, Morton, Frenship and Friona.

Last Friday night, the Whirlwinds lost their fourth game of the season to the powerful Littlefield Wildcats.

Muleshoe's 'Mule Mania' is continuing to back the team that is in a rebuilding stage this year, and head football coach Dale Keeling, the entire coaching staff and all the Muleshoe Mules express their sincere appreciation to all the parents and fans who continue to back them.

Ebbing confidence needs to be replaced by encouraging words and by being physically present at all the games, whether the team is winning or losing. It is important to the athletes to be able to look up into the stands and see their hometown people cheering them on, regardless of the outcome of the game.

Make your plans now to travel to Floydada Friday night and "Back The Mules."

.9 was recorded, and residents said the rain was quick and hard.

While the .62 was falling in the Muleshoe area, Clovis, N.M., some 30 miles to the west was experiencing their own flooding problems.

More than an inch of rain was falling at Clovis, while eight to nine inches were recorded to the north of Clovis.

Tuesday morning, Spencer Tanksley, Bailey County Extension Agent, said cotton was suffering in the prolonged moisture and cooler than normal weather.

Tanksley said if the cool, damp weather lingers, grain sorghum will begin to suffer as well.

Fall weather is expected back in the weather picture for today, Thursday, and Friday, but weekend weather is expected to return to the cool, damp pattern of recent weekends.

National Weather Service has predicted that Thursday's high temperature would move to the low 70s, while Friday is expected to see the temperature move to the mid-range of 70's.

Last weekend, while the rain was falling in and around Muleshoe, areas to the north were receiving their first snow of the year.

Light, blowing snow was reported to the south of Amarillo, although no snow accumulation was reported anywhere in Texas.

For the past two years, the area has experienced early freezes, with the first being reported in September.

This year, although the temperature dipped to near the freezing point, the area got by without having a freeze before September went by.

Country Western Dance Lessons To Begin Soon

The Muleshoe Chamber of Commerce and Agriculture is sponsoring country and western dance lessons. The lessons will be October 7-9 at the American Legion Hall. Lessons will begin at 7 p.m. on all three nights and end at 10 p.m. on Monday and Tuesday, and on Wednesday, the lessons will end at 11 p.m.

'Fun Dancers' from Clovis will be teaching the lessons. The cost is \$25 per person for the ten hour course.

Interested persons are asked to call the Chamber office at 272-4248. On Monday, October 7, doors to the American Legion Hall will open one hour early for registration of students.

"Come out and join the fun and exercise," said Toni Eagle, manager of the Muleshoe CofC.

CRIME LINE CHECK--Muleshoe City Police Sgt. Julian Dominguez, left; Gerald K. Reid, Center, President of the Muleshoe Chamber of Commerce and Agriculture; and Toni Eagle, manager of the Muleshoe CofC, are shown with a crime line check in the amount of \$50 to be presented Frances Miramontes who help solve a string of stolen bicycles, resulting in convictions in court. Volunteer donations make the Crime Line possible in Muleshoe. Contributions to Crime Line may be made to the Muleshoe Chamber of Commerce and Agriculture.

CONTEST RULES:

1. Pick the winner of each of the games contained in the advertisements on this page. Write the name of the teams you think will win opposite the game number in the blanks provided on the official blank.
2. The contestant must be 12 years of age or older.
3. Only one entry per person may be made for any one contest.
4. Bring your entry blank by The Journal office by 5:00 p.m. Friday, or, if mailed, the entry must be postmarked no later than 5:00 p.m. Friday. Write "FOOTBALL CONTEST" on the mailed entry, and mail to P.O. Box 449, Muleshoe, Tx. 79347.
5. Pick and write in the score of the tiebreaker game. This score will be used to break weekly as well as grand prize winners. Decision of The Journal's scoring judges will be final.
6. Check the team you think will win; 10 points for first place, 6 points for second place and 4 points for third place.
7. To count for grand prize, entries must be on official blank printed in the paper.

FEEDBAG INFORMATION

Seventh Grade Downs Indians On Own Field

The 7th grade Mules traveled to Indian Territory Thursday and came home with a victory score of 20 to 8. Morton opened the game by kicking to the Mules. Eric Richardson received their kick and returned it to our 45 yard line. Five plays later we moved down to the Indians 42 yard line but faced a fourth and eight situation. Quarterback Larry Gonzalez hit split end Hector Sanchez for an eight yard gain and another first down to keep the drive going. However the Mules stalled out on a fourth down situation from

the Indian thirty yard line when a passing attempt from Larry Gonzalez to David Ramos failed. Morton lined up for only one offensive play before losing the ball to the Mules on a fumble. Six plays later with 3:42 showing on the clock in the second quarter, John Paul Garza took the ball on a pitch going around left end for eighteen yards and the first touchdown for the Mules. Gonzalez went in for the extra point on a roll out play only to have it ruled out by a penalty. The second attempt for the two

point try failed leaving the score 6-0 Muleshoe.

Morton began their second drive from their own 46 yard line and four plays later faced a 4-26 situation finding the Mules defense tough to handle. Muleshoe began their third drive from the Indian 48 yard line and John Paul Garza scored on the first play again running around the left end. Eric Richardson carried off on tackle on the attempted extra point play but landed inches short of the goal line, so the score stood 12-0, Mules.

The second half efforts began with Garza kicking off to the Indians. Again, on Morton's first play from the line of scrimmage the ball was loose from a fumble and Muleshoe recovered. Five plays later, Richardson drove 15 yards off tackle to score the Mules 3rd touchdown. This time the extra point effort with Gonzales passing to Norberto Diaz was good and Muleshoe was on top 20-0 with 5:22 left to play in the third quarter.

The Indians only score came with 35 seconds left in the game when they ran it in from the 8 yard line. A passing completion gave them the extra two points and the final score of 20-8, Mules favor.

John Paul Garza led the offensive rushing stats with 73 yards on only 4 carries with Eric Richardson close behind with 50 yards on 11 carries. Gonzales completed 2 of 4 passes for 11 yards with Hector Sanchez claiming 8 and Norberto Diaz 3.

Morris Joins WJH Faculty As New Aide

Rea Morris moved to Muleshoe in 1974 from Lazbuddie, Glen Morris, her husband works for G.T.E. A native of Hale Center, Rea Morris has two children. She likes the school system. Mrs. Morris is an aide at W.J.H.S. She enters report card grades into the computer system.

Colleges Prepare For League Action

The three weeks of preliminaries are over in the Big Ten Conference, and league competition begins Saturday. Illinois hosts Ohio State in one of the match-ups of earlier title favorites, and Michigan State travels to Iowa.

The Illini have had the toughest "Pre-season," playing two of the nation's top teams in Southern California and Nebraska. They were upset by the Trojans - at home - and were blown away a bit - as expected - by Nebraska in Lincoln. The defending champion Buckeyes beat Illinos in an 83-point shoot-out last fall, 45-38. And the Bucks are favorites again.

In one of the surprises near the end of the 1984 season, Michigan State nosed out Iowa 17-16. That loss coupled with the Hawkeyes' upset loss to Minnesota the following week knocked Iowa out of both the conference title and Rose Bowl. This week should be a big revenge week for Iowa .. the Spartans are underdogs again.

Our forecasting stats for the first four weeks of the season, through Saturday, September 21st, read thusly: 395 right, 161 wrong, and 10 ties for a .710 average.

Having played to a 21-21 tie a year ago, L.S.U. and Florida are about to go into extra innings. Florida vacated its Southeast Conference championship to L.S.U. at the conclusion of last season because of problems with the NCAA. Now the Gators want it back. But the game is in Baton Rouge. However, Florida.

North Carolina State has a difficult home assignment as defending ACC champion Maryland comes to Raleigh. The Terps trounced the Wolfpack 44-21 last year, and they're heavily favored again this week. However, Maryland is coming off a tough road trip of its own, a clash with Big Ten power Michigan.

Quickies: U.C.L.A. will nudge Arizona State, Arkansas will beat T.C.U., and the Air Force is favored over Notre Dame.

SALUTE

LEADERS OF TOMORROW

To Our

We Believe Our Youth Of Today Will Provide Effective Leadership Tomorrow!

LEADER OF TOMORROW--Shawna Delaney of 310 W. 16th has been chosen as our Leader of Tomorrow for this week. Her parents are Carol Delaney of Muleshoe and John Delaney of Las Vegas, Nevada. Shawna is an A student at Mary DeShazo. Her extracurricular activities include Girl Scouts and Little Dribblers. Her hobbies are playing the piano, riding her bicycle and playing basketball. Shawanas' favorite foods are nachos and tacos. Her goal for the future is to become a registered nurse.

1925 ONE-HALF THE MEN IN BAILEY COUNTY IDLE

If one half of the men in Bailey County were idle it would surprise you wouldn't it? Indeed it would. And yet half of Bailey County's acreage are idle and we seem not to be the least bit worried and are doing very little to make it otherwise. That doesn't seem good business, does it?

Can't you imagine the economic advantage of putting the other half of Bailey County under cultivation, and of cutting up into smaller tracts much of the land that is poorly tilled as big acreage. If you have any interest whatever in the development of Bailey County and the enhancement of land which you own here you certainly must see what could be done if every land owner here would put modest improvements on his place and allow some of the hundreds of families clamoring to locate here to properly till the soil for you.

1935 DOES IT PAY TO ADVERTISE

Two weeks ago more than 1,000 Mail Order Catalogs were delivered in Muleshoe by Mail Order Houses who seek the business of people residing in Muleshoe Trade Territory and who believe in advertising to get it.

Suppose each catalogue produced only \$10 worth of business for the Mail Order concern, and many of them will produce much more than that.

Sudan Senior

Citizens Plan

Community Meal

The Sudan Area Senior Citizens, Inc. met Monday, Sept. 23 at 7 p.m. in the Senior Citizens Center. A short business meeting was conducted by Truman Parrish, president.

A letter from Sandra Franks, Sudan's member of the Lamb County Welfare Board, was read to the group. The board is asking for donations of childrens clothing and household goods to be used for needy people in our community.

The financial report of September 1, 1984-Aug. 31, 1985, was presented to the members. A discussion was held whether or not to pay off the balance owed on the building. The matter was tabled until later.

A report was given on the sick of the membership. A community wide meal is being planned for October. More details will be reported on this later.

Pie and coffee were served to 45 persons attending. Table games were played following the business meeting.

suggested sum during the life of the catalogue, that means at least \$10,000 worth of business will go out of Muleshoe.

Figure your own profit and loss on your share of this business which you will lose!

The Business Concern That Refuses To Advertise Is Simply Permitting Business Which Is Justly His To Go To His Advertising Competitors.

1945 30 DEGREES WEDNESDAY

A preview of winter was provided here Wednesday when a blustery norther blew all day and sent the mercury hurling toward the bottom of the tube. A low of 39 degrees was recorded. High for the 24 hour period was 72.

It was an unusually cold spell for September, and men with late feed felt an early frost blowing on their necks. Ground where wheat has been planted was not helped by the cold, dry wind, growers said.

1955 CITY DADS MAKE OFFICIAL GUESS

Muleshoe's population within the city limits has been estimated at 3,600, the Mayor said this morning.

The Chamber of Commerce has previously estimated the population here at 4,100, counting parts of the city that are not within the limits. They had requested the council to make an official estimate, so that the highway Department would change the highway signs showing population.

The council used the factors of 3.6 and estimated water meters at 1000 to arrive at the 3600 figure.

1975 THESPIAN OF THE WEEK

Julian Dominguez, a 17 year old Junior at Muleshoe High School was chosen as "Best Of MHS" for the week of September 15. Julian's school activities include football, track and art.

He commented on this year's football team by saying "I think this year we have come a long way. We have good leadership and we have good support" Congratulations!!!

ENGAGEMENT ANNOUNCED—Mr. and Mrs. George Menyard of Sulfar Springs announce the engagement and approaching marriage of their daughter, Suzi to Andy Rogers, son of Mr. and Mrs. Andy Rogers of Antlers, Okla., formerly of Lazbuddie. Vows will be exchanged at 4 p.m. Oct. 19 at the David Nichols home, cousin of the bride elect, in the Reilly Springs community, south of Sulfar Springs. The bride elect is a 1984, graduate of Sulfar Springs High School and is employed by Hopkins Memorial Hospital. The prospective groom grew up in Lazbuddie, moving to Antlers, Okla. in 1980. He is a 1984 graduate of Antlers High School and attended Oklahoma State University. He is employed by Murry Construction, Inc. of Cedar Hill, Texas.

Make After School Snacks Nutritious

When hungry kids rush home from school, they'll head straight for the chips, soft drinks and sugared treats unless some nutritious snacks are ready.

"The key to getting youngsters to snack wisely is having the right snacks on hand," says Marilyn Haggard, a nutritionist with the Texas A&M University Agricultural Extension Service.

Having nutritious foods handy for youngsters may be especially important to working parents who are not at home to supervise after school snacking, she adds.

Haggard suggest having the following on hand as quick, nutritious after-school snacks:

- Fresh fruits of any kind.
- Fresh vegetable pieces, such as carrot or celery sticks.
- Unsweetened fruit juices.
- Wholegrain crackers or bread with cheese.
- Nuts and popcorn.
- Boiled eggs.
- Leftovers.

Parents can teach their children about nutrition and get

Heather Harrison Honored On Tenth Birthday

Heather Harrison was honored on her tenth birthday with a party held Saturday at Skate Ranch in Lubbock. Cupcakes, ice cream and cokes were served to each guest.

Attending were Jacob Fisher, Chad King, Joe Smith, Rickie and Dickie Gipson, Heather Houghton, Kelli Kiker, Danielle Martin, Brooke Baker, Benny Baker and the honoree and her mother, Nancy Legg and also Mary Kay Baker.

Sandhills Arts, Crafts Show Date Set

The SANDHILLS ARTS & CRAFTS SHOW, which is sponsored by the Olton Chapter of Young Homemakers, will be held on SATURDAY, OCTOBER 5 at the Olton School Cafeteria. It will be open to the public from 10:00 am - 6:00 pm. Door prizes will be drawn every hour, and the cost is \$1.00 for adults and 50 cents for students.

The SANDHILLS ARTS & CRAFTS SHOW has a large selection of exhibitors displaying handmade crafts, as well as some non-handmade items. The booths will be offering such items as 14 K gold, ivory, and Hawaiian jewelry, tole and oil paintings, watercolors, crochet items, wood crafts, both rag and blooming vests, handquilted pillows, handmade quilts, country aprons, ceramics, porcelain dolls, soft sculptured dolls, coin collecting, prints (photography), Discovery toys, tin punch, needlework, padded baskets, decorated wreaths and hats, make-up, Barbie and Cabbage Patch clothes, decorated pillows, china vases and flower

arrangements. Exhibitors will be traveling from many various towns, such as Lubbock, Littlefield, Friona, Hart, Farwell, Floydada, Sudan, Dimmitt, Gruver, Amarillo, Olton, Plainview, Crosbyton, Silverton, Morton, Sundown, Slaton, Hale Center, Abilene and Happy.

Merchants of Olton will be offering special sales throughout the day.

The Olton Chapter of Young Homemakers would like to encourage everyone to come and visit Olton on SATURDAY, OCTOBER 5 and see the wonderful exhibits at the SANDHILLS ARTS & CRAFTS SHOW!

Xi Omicron Xi Sorority Plans Home Tour

Tuesday, Sept. 24, the pre-ceptor chapter of Xi Omicron Xi met in the home of Gayla Toombs. Hostesses were: Mrs. Toombs and Rickie Warren. They served ham rolls, finger sandwiches, raw vegetables and dip, and brownies.

A short business meeting was called and Donna Green was there to give a report from City Council. The home tour was discussed and plans are being made for this tour. Joy Glover returned from a leave of absence. The members adjourned and played cards.

Members present were: Alice Liles, Debbie Hutto, Gayla Toombs, Rickie Warren, Lyndie Schuster, Vickie Black, Joy Glover and Jana St. Clair.

No Way

Learn from the mistakes of others--you don't live long enough to make them all yourself.

James Lee

Gives Muleshoe AARP Program

AARP met Friday Sept. 27 at the Civic Center for their regular monthly luncheon along with Carol Delaney, RN from West Plains Home Health Agency doing free blood pressure checks.

James Lee from Bailey County Farm Bureau brought the program and showed slides on his recent trip to China which included other Farm Bureau members from other states. "It was a very interesting and informative talk on the customs and habits of the country", said Opal Robison.

There was a short business meeting with 24 present including several visitors.

Serving Size Is Key To Diet

What's a "standard" serving? Many dieters don't know, even though they're following meal plans based on serving sizes, says nutrition expert Mary K. Sweeten.

"People tend to overestimate the serving size of some foods and underestimate others," says Sweeten, a specialist with the Texas A&M University Agricultural Extension Service. "They also seem to be influenced by the size of food containers, especially those that are supposed to contain single servings, and the serving size printed on the food label."

According to Sweeten, recent research reported by the American Dietetic Association shows just how far off the mark our estimates of serving sizes can be.

A standard serving of fruit and vegetables is one piece of fresh fruit, 1/2 cantaloupe or grapefruit, 1/2 cup juice, one medium-size potato or 1/2 cup cooked or raw vegetables.

Most people consider a single piece of fresh fruit, as a single

serving. But when it comes to fruit juices they consume 3/4 cup of more as one serving.

With dairy products, people under age 34 typically consume the recommended one cup per serving, but older adults consume 1/2 to 3/4 cup servings. The serving size for cheese and other dairy products was typically correct.

The standard recommended serving size for meat, poultry and fish is 2-3 ounces. Men generally exceed this amount per serving. There was also some variation in serving size according to the product, with

Reduce Gaps In Medicare Coverage

People age 65 and over who qualify for Medicare do not always get the greatest benefits from their coverage, says a Texas A&M University Agricultural Extension Service consumer economics specialist.

"There are steps that consumers can take to help reduce the gaps in their Medicare coverage," says Bonnie Piernot.

Start by choosing doctors and medical suppliers who accept assignment, she says. Assignment is the specified charge Medicare allows for a procedure.

When a doctor does not accept assignment, the consumer or supplemental insurance must pay the difference, reminds the specialist.

Those with serious illnesses requiring extended care can ask their doctor to consider moving them to a skilled nursing home when Medicare coverage for hospital costs expires, Piernot points out.

"Patients can also ask the doctor to consider home health service visits when the hospital and skilled care coverage are used up, or if hospitalization is unnecessary," she says.

"It's especially important for patients to prepare their Medicare claims carefully," the specialist advises. "Keeping accurate records and filling in the claim forms completely will help you get the benefits you're entitled to receive."

If you think your claim has

been underpaid, you can appeal to the Medicare office, says Piernot. About half of those who appeal get at least a partial adjustment, so it is probably worth the time and effort, she adds.

Medicare does not cover all medical expenses, reminds the specialist. She explains there are three different kinds of gaps in Medicare which must be paid by consumers or their insurance coverage.

They are the deductibles and coinsurance payments; the difference between Medicare's approved amount and the actual amount charged; and items not covered at all by Medicare such as prescription drugs, private duty nurses and care in a custodial-care nursing home.

says. "To make it work, you may need to consider the total recommended amount of foods from any one group for the day and then keep track of what you eat in terms of the serving sizes you ordinarily use," she advises.

For example, you might eat one ounce of bacon at breakfast and a 4-5 ounce serving of beef at dinner. That would be less than the standard serving at breakfast and more at dinner,

but the total would add up to 5-6 ounces, which is the same as the two recommended 2-3 ounce standard servings of protein foods for the day.

Sudan Booster Club Meeting Held

The Sudan Booster Club met for their regular weekly meeting on Tuesday night. The meeting was called to order by Sammy Crowson, president, and the financial report was given by Shirley Martin. A discussion was held on ideas for a money making project and suggestions were voiced.

Charles Kessler was named defensive player of the week, Mike May was named Hustlin

Hornet and Manuel Limon, Offensive player of the week.

John Kinnie won the game contest and \$5.00.

Refreshments were served to some 23 Booster members by David and Tammie Quisenberry. Next week's refreshments will be served by Patty Miller.

There are only a few caps left, so be sure and let Son know if you want one.

Local Resident Visits Son At Korean Base

A tour of one of the world's oldest civilizations and a chance to visit with family now stationed on the Korean Peninsula combined to make an ideal vacation for a Muleshoe family who took part in the Reunion in Korea program, sponsored by the Korea National Tourism Corporation (KNTC).

Mrs. John W. West joined her son, Maj. James L. West, who is the chief of tactical operations for the 5th Tactical Air Control Group stationed at Osan Air Base, for a five-day visit in the Republic of Korea (ROK).

They were welcomed by top United States Forces in Korea (USFK) officials who briefed the group on the American commitment to the ROK and the threat facing peace and security in the area.

The U.S. Air Force has some 10,000 airmen in the Republic of Korea, helping to protect the peace in this strategically vital area of the world. More than 90 percent of them are serving one-year tours of duty away from their families.

Reunion in Korea was established in 1981 in recognition of the centennial of diplomatic relations between the U.S. and the ROK. The program demonstrates the Republic's appreciation of American contributions to security on the Korean peninsula by enabling family members of USFK and Department of Defense civilian personnel to visit Korea at special group rates.

Although tour costs vary according to departure and return points, the unique package includes round-trip air fare, hotel accommodations and all meals and tours are said to be affordably priced for the service member's families.

USFK representatives accompanied the Reunion group throughout the program, which includes tours of the United Nations Command Joint Security Area at Panmunjom on Korea's Demilitarized Zone, the ancient Changduk Palace in Seoul, Bulguksa Temple and the National Museum in Kyonju, the ancient capital of Korea's Shilla Dynasty.

Tour members also had the opportunity to visit the Korean Folk Village in Suwon. Like a living museum, the Folk Village includes reproductions of traditional Korean houses, complete with villagers actually practicing

the ancient crafts and demonstrating the old ways of life. In contrast, the group was given a tour of the massive Hyundai shipyard in Ulsan where modern craftsmen work in heavy industry.

Throughout the visit participants stayed at first class hotels and were given the opportunity to dine on traditional Korean foods and be entertained by top Korean musicians and dancers.

Trained To Help

Cont. From Page 1

dedication to helping in emergencies.

Wayne Wauson became an EMT (Emergency Medical Technician) and qualified to make ambulance runs. Since becoming an EMT, Wauson has always been one of the most dedicated of ambulance persons.

In fact, this is what Richelle King, director of ambulance services for West Plains Medical Center, says of Wayne Wauson:

"'Bailey 39,' We can always count on hearing that number on the medical radio. Wayne Wauson is 'Bailey 39,' an EMT for the ambulance service, a volunteer, dedicated, concerned, goes above and beyond the call of duty.

"Wayne has a wonderful way of showing up just when you need him the most, even when he is not on call.

"One time we blew a hose in the ambulance, we made it to

the house, and by the time we came out, Wayne had showed up with a new hose and it was ready to go. Many times, he comes to make (ambulance) runs on his lunch hour, and stays up all night to give a hand if we have a bad situation in the emergency room that needs to be transported to Lubbock.

"His effort, his team spirit, and calm presence is truly a genuine asset to the ambulance crew and to the citizens of Bailey County.

Ms. King added, "I single Wayne out to thank him and let others know about him, but in the same breath, I want to thank Todd Ellis, Larry Rasco, Deanna Rasco, Misti Prater and Randy Watkins. Without each one of them, we wouldn't be able to deliver the care, or to grow and expand into an EMS in Bailey County."

You would think that with his all-but-fulltime dedication to the fire department and to the

ambulance service, as well as his job, that Wauson would be running out of time to do anything else.

WRONG! He is as active in the Boy Scout program as he can be, and is in charge of Boy Scout Outings. Although he truly does not have the time to devote to the Scouts as he would like, he still manages to take his sons, Steven Age 10 and Larry, seven, on overnight camping trips.

So, what else? Wayne Wauson has a sideline occupation. He gathers and cuts firewood, which he sells to persons with fireplaces. Also, he likes to go bicycling with his sons, take them shooting, and even manages to spend a little time with his wife, Mary, the former Mary Ziegenfuss. She is a bookkeeper for the John Deere dealer, Dent & Co.

Wauson even has a very unique hobby. He, along with J.O. and Larry Parker enjoy going rattlesnake hunting. They kill the snakes, and Wauson makes belts, billfolds and hat bands from the snake hide.

In between, Wauson may be attending classes dealing with how to take care of emergency situations, such as the Jaws of Life rescue tool, some fire-fighting technique, advanced medical training, or other classes.

es. But, he is no publicity seeker, he just quietly goes about his business -- the business of helping to save lives and property. Hat's off to 'Mr. Volunteer' -- Wayne Wauson.

Local Minister And Layman Go To Mexico

Rev. Roy R. Martinez and layman Florentino Campoya Jr. are participating in a Crusade for Christ in the city of Culiacan, Sinaloa, Mexico at the Iglesia Bautista Eden. Several Baptist churches on the Pacific Coast and northern Mexico are holding simultaneous revivals October 6 thru the 13th. In cooperation with the Texas-Mexico Partnership Missions Program. The goal of Texas and Mexico Baptist churches is to have 2,000 missions and churches by the year two-thousand, in each of the two countries. Brother Martinez is the Pastor of Primera Iglesia Bautista here in Muleshoe, sponsored by the First Baptist Church. Dr. Arturo Gonzalez of our city will be preaching at Primera Iglesia Bautista, during the absence of Brother Martinez.

TELEVISION WINNER--Stanley Wilson was at K-Bob's Steakhouse last Friday at noon when he heard his name announced as the winner of a portable color television given away in a drawing by the Steakhouse celebrating their first anniversary in Muleshoe. He is shown with the television and Vickie Villarreal, one of the managers of K-Bobs.

The optimist believes in luck; the pessimist in fate.

4-H Week Oct. 6-12

National 4-H Week, Oct. 6 to 12, reflects on the role of youth in shaping America.

Some 150 4-H members in Bailey County, part of the 180,000 members in Texas and nearly 4.5 million across the country, will be participating in the week-long celebration using the theme "4-H For Youth, For America."

"What we do for our youth today, we do for America tomorrow," points out Spencer Tanksley, county 4-H program leader with the Texas Agricultural Extension Service, The Texas A&M University System. "Through 4-H, young people can acquire knowledge and develop life skills that enable them to become self-directing, productive and contributing members of our society. Specifically, they learn good health habits, develop respect for themselves and others, explore career and leisure time opportunities, share responsibility for preserving the environment, learn how to use technology, and develop leadership and citizenship skills through participation in 4-H. And, that's something to celebrate."

"But 4-H is not only for youth," says Tanksley. "It's for adults, who as volunteer leaders can share their skills and expertise with young people. It's for families, who can participate in the fun and learning together. It's for the community, which benefits from the community service carried out by youth. And, it's for America, which benefits as a new cadre of leaders takes its place in our society."

It is through this network of volunteer leaders, state land-grant universities, state and local governments, and the U.S. Department of Agriculture that 4-H has been able to stimulate youth to develop life skills, notes Tanksley.

Frances King Services Held Here Monday

Services for Frances King, 64, were held at 11 a.m. Monday, Sept. 30 in the First Baptist Church with the Rev. Barry Bradley, pastor, officiating.

Interment was in Bailey County Memorial Park under the direction of Ellis Funeral Home. Mrs. King died at 8:27 Friday at West Plains Medical Center.

A native of Wellington, Mrs. King was born Feb. 8, 1921, and moved to Muleshoe in 1946, from Olton. She married Vernal King on Feb. 16, 1938, in Clovis, N.M. She worked as a billing clerk for Bailey County Electric for 23 years having retired in 1978. She was a member of the Muleshoe First Baptist Church and the Muleshoe Senior Citizens.

Survivors include her husband, Vernal; one son, Gary King of Bakersfield, Calif.; four daughters, Mrs. Jo Ellen Nickels of Hobbs, N.M., Mrs. Donnie Bradshaw of Abilene, and Mrs. Bobbie Dunham and Mrs. Billie Graves, both of Muleshoe; her parents, Mr. and Mrs. J.W. Goforth of Muleshoe; three sisters, Mrs. Edith King of Holbrook, Arizona, and Mrs. Nora Huddleston and Mrs. Betty Nesbitt, both of Lubbock; one brother, Ernest Goforth of Springlake; 12 grandchildren; and two great grandchildren.

West Plains Hospital Report

WEST PLAINS MEDICAL CENTER

September 27, Betta Lancaster, Deltor Wenner, Bennie Wiedebush and Julie Hawkins all from Muleshoe; Ofelia Roque from Friona; John Burch, Earth; Doris Herington, Farwell; Ofelia Godinez and baby boy, Friona.

September 28, Betta Lancaster, Muleshoe; John Burch, Earth; Annie Brown, Farwell.

September 29, Betta Lancaster, Meliton Diaz, and Evangelina Diaz all from Muleshoe; Mary Helen Armstrong and Annie Brown from Farwell.

September 30, Betta Lancaster, Andrew Lewis, Evangelina Diaz and Meliton Diaz all from Muleshoe; Annie Brown, Farwell, Mary Helen Armstrong and Baby Girl from Farwell; John Burch, Earth.

Real success in life is not measured by how many individuals you excel, but by how many you befriend.

Nursing Home

News

by Joy Stancell

Among those visiting the Nursing Home this week were, J.E. Embry, Lena Hawkins, Jerry Hutton, Jimmie Crawford.

Edith Goucher was visited by her husband Doc Goucher, also Annie Floyd.

Mr. & Mrs. Teague have had several visitors this week. We are so pleased to see Mr. Teague improving daily.

Rita Saure read the newspaper to Ernest Kerr, Mr. Teague, Edith Goucher, Margaret Beard, Edith Bruns and D.J. Gage Wed. morning in the day room.

Louise Legg from Me Ma's Ceramic Shop in Sudan, came Tues. morning to help the residents paint ceramics. Residents participating were - Ernest Kerr, Lois Ethridge, Clara Weaver, Josephine Wen-

ner, Margaret Beard and Edith Bruns.

Lewis Scoggins took Emmett Dean out for a drive Tues. afternoon.

LaVerne James came Monday afternoon to play Bingo with the residents. Residents participating. Lois Ethridge, Ernest Kerr, D.J. Gage, Fred Peat, Edith Bruns, B.B. Street.

The Hospital and Nursing Home Auxiliary came Tues. afternoon to shampoo & set the

ladies hair and give manicures. They stayed later on to play Skip-Bo.

Beryl Hollis was visited by Mr. & Mrs. Delmar McCarty and Hazel Gilbreath.

Ralph Wenner is here visiting with his mother Josephine Wenner.

B.B. Street's son from Ft. Worth visited him Mon.

Thursday morning Clara Lou Jones and Zora Mae Bellar

came to play the piano and lead singing, at our Devotional. Fred Peat read Bible verses.

Thursday afternoon Lena Hawkins came to play Skip-Bo with the residents.

Friday morning Lena Ruthardt brought a film from the library to show the residents. It was a film that everyone could relate to and enjoy.

Friday afternoon Curtis Shelburne from the Ave. D Church of Christ, came to share a Devotional and to visit.

Sat. Mr. J.C. Shanks came to shave, and to cut the men's hair.

Sunday morning the Muleshoe Church of Christ brought communion for those who wished to partake. Earl Peaterson came for Bible Study. The Progress Baptist Church came for Gospel Singing.

A Child and His Pet

This boy loves his pet turtle. He feeds it, takes care of it, and loves it. He wants to be with it all the time. We're glad to see him growing up caring for and loving all kinds of pets. But does he love God and care for Him? The Bible tells us in Proverbs 22:6 to "Train up a child in the way he should go and when he is old he will not depart from it." Love for God should be instilled in every young heart and it should be done while the child is young.

Begin by bringing him to church this week. Let him learn how God loves him and cares for him. Let him learn how he can serve God and others. Don't leave church out of his young life. Let the whole family attend church this week and begin the habit that can influence them all for a lifetime.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

Sudan News by Evelyn Ritchie

-MEETING SCHEDULED-
The Young Married Couples of First Baptist Church will be meeting Thursday, October 10 at 7:30 p.m. in the home of Mr. and Mrs. Mike Morris to begin a series of VCR films with the Focus on Family.

The group will continue meeting on Thursdays instead of the regular Tuesday meetings. Each member is encouraged to come and bring guests.

College students home for the weekend were Missy Fisher, Tammy Gore, James Clay, Keevan Masten, Jerry Dodson, Joe Martin, Brad Byerly, Randall Damron, Sherri Powell, Lisa Wood, Shawnda Masten, Paul Kent, Kim Rylant and Terry Reyes.

Mr. and Mrs. Steve Richards of Mineral Wells visited during the weekend here with his parents Mr. and Mrs. Alvin Richards and other relatives.

Doris Stanford, also of Mineral Wells, has been here visiting with her son, Reydon, and with Mr. and Mrs. Alvin Richards, the Kenneth Richards family, Vesta Hunts and other relatives.

Mat Hanna has moved to Amherst where he has been promoted to manager of Allsup's grocery.

Mr. and Mrs. Dwayne Phillips of Farwell were Sudan visitors during the weekend.

Pauline Williams has returned home from Methodist Hospital where she was a surgical patient.

Opal Hammer, A.J. and Betty Givens of Plainview and Ruby Garner of Mulshoe were Sunday guests in the home of Johnny and Pearl Davieau. Ruby also visited Mabel Reed, Pauline Williams and Lorene Gilreath.

Pam Dawson and Paul Kent of San Angelo were here during the weekend to be with their parents, Mr. and Mrs. Pat Kent.

Sunday visitors with Mr. and Mrs. Glen Cardwell were their daughters and families, Mr. and Mrs. Herman Synatschk and Amanda, of Anton, Susan Nettles, Christa and Danielle, of Lubbock.

Lorene Gilreath and Wanda Hill were in Dimmitt recently to visit Clyde Damron.

Son Qualls reported that he has sold over 100 Booster Club memberships.

Mr. and Mrs. Billy Chester have returned home from visiting their daughter and family, Mr. and Mrs. Dale Masten and children of Greeley, Colo.

Bessie Lee Burke underwent tests Tuesday at St. Mary of the Plains Hospital where she was admitted one day last week.

Ann Gaston was in Austin last week where she attended a seminar.

Wanda Patton of Lubbock was here last Thursday to visit her father, Clayton Wells.

Bob Cardwell and Dwayne of Bryan, Texas has been here visiting their brother and uncle, Mr. and Mrs. Glen Cardwell. Also visiting has been their sister, Hallie Fish of Lubbock.

-BAPTIST NEWS-
The Young Baptist Women met in the fellowship hall of the Baptist church Monday night, Sept. 16 for a salad supper. They also made plans for the upcoming new church year.

Those present were Dana Martin, Mary Blair, Mary Ann Harper, Doylene Seymore, Deanna Humphreys, Kelli Flowers, Jean Dodson and Pam Morris.

Baptist Youth will be meeting at a new time on Wednesday evenings in the future for Bible Study. The new time is 7:30 p.m. until we change our clocks at the end of October. This will give students time for studying following the services.

It was reported Thursday morning that J.C. Wells, father of Billye Doty and JoAnn Chester was taken to the Methodist Hospital early Thursday morning. No other details at press time.

Bill New has been released from the hospital and is recuperating at home.

18. Legal Notice

18. Legal Notice

TO ALL INTERESTED PERSONS AND PARTIES:

You are hereby notified of the opportunity for written public comment concerning the Special Permit Application No. S-9947 by Birdwell Cattle Feeders to construct a feedmill in Bailey County at the intersection of highway 1731 and 746. This facility proposes to emit the following air contaminants: Grain Dust.

A copy of all materials submitted by the applicant including the preliminary analysis thereof is available for public inspection at the Texas Air Control Board Region 2 office at Briercroft South No. 1 5302 South Ave. Q Lubbock, TX 79412 and at the Texas Air Control Board, 6330 Highway 290 East East Austin, Texas 78723. All interested persons may inspect these materials and submit written comments to the Executive Director of the Texas Air Control Board. Any person who may be affected by emission of air contaminants from the proposed facility may request a hearing from the Board. All comments received in writing by October 14, 1985, shall be considered by the Board in making its decision on the application. All comments will be made available for public inspection at the Texas Air Control Board office in Austin. b18-39t-2tc

Muleshoe Mules In Action Against Friona Chieftains

Stacy Smith, 1985 Homecoming Queen

Named as the 1985 football queen was Stacy Smith, senior daughter of Mr. and Mrs. Curtis Smith.

Other candidates for the annual honor included Juanita Garcia, a senior, and daughter of Mr. and Mrs. Lino Garcia Laurey Grant, daughter of Mr. and Mrs. C. E. Grant and Casey King, daughter of Mr. and Mrs. Joe King.

Their Mule escorts included David Vela, Mike Holt, Jarrod Embry and Sergio Leal.

It was perfect football weather, and the Friona Chieftains came out strong when they came to town, downing the Muleshoe Mules 49-0, and ending any hopes for a hometown victory before a large hometown crowd.

On the return kickoff, the Mules fumbled, and that set the tone for the entire game as fumbles and costly mistakes again cost the Mules dearly.

The Chieftains took advantage of the kickoff return fumble, recovering it on the Mules nine yard line, with Brad Moyer punching it over from the one yard line four plays later.

Barefoot kicker Jeff Brown booted the extra point through. Moyer also scored in the first half on a two yarder, on a one yarder and again on a six yard ramble.

Going into halftime, the score was 36-0, as power back Jimmy Williams also had a three yard TD.

In the third, Jeff Brown made the first of two field goals for the evening, connecting on a 35 yarder. He added another field goal at 5:59 of the fourth quarter, and hit through the uprights from 37 yards out.

Friona's only TD in the second half was a two yard look-in pass from Patches Fleming to Leroy Mercado.

Muleshoe had only 15 total yards for the night and one first down, which came in the first half of the game.

Before the game, fathers escorted the four queen candidates onto the field, where they were joined by the captains from the Muleshoe Mule football team.

I Believe

I BELIEVE MAN WAS DESIGNED FOR ACCOMPLISHMENT, ENGINEERED FOR SUCCESS, AND ENDOWED WITH THE SEEDS OF GREATNESS.

This statement is very important in becoming successful. It sets up a basis to work from. People should decide how they interpret this statement in order to know how to begin to become successful.

Some people do not agree completely with this statement. They consider the overall aspect of accomplishment and greatness. They feel that the environment plays a big role, and a persons success can be limited because of his environment.

Most people do agree with this statement. They think that man has the ability to do these things but it is up to him to decide whether or not to do them. These people feel that man can accomplish anything he sets his mind to. He can be successful at anything he does. Man can be great and successful in two different ways. First of all he can be great among men if he has contributed to society and the well being of mankind. Secondly he can be successful within himself if he has reached his goals or dreams, if he works hard at what he does and he is the best at what he does, whether it be a doctor or a ditch-digger.

I believe that if man will set his goals high and will strive at all times to reach these goals he can be or do anything he would like. We are born with certain characteristics and traits and it is up to us to use these to the best of our ability.

Each person should consider this statement with great care and decide for himself the way he believes. Once he has decided his point of view he should stick with it and not let other people decide for him. Remember, stand for something or you will fall for anything. Mike Harris

The following essay was written by a student in Jerry Johnson's Leadership class at MHS. The assignment was to write about their thoughts on success.

CHARACTERISTICS FOR SUCCESS

By: Adena Lindt
You have every characteristic necessary for success. Everyone has some faith, character, integrity, love, loyalty and honesty. These are the bases for a successful life.

No doubt the people that fail at succeeding are not using the full bases of their characteristics. So a person has to build on what he's got to get what he wants. A student at Muleshoe High School quoted, "You have to nourish your characteristics to become really successful."

In short, all a person needs to do is use what he has and give each one of his characteristics a chance to grow because the more a person has, the more that person will have to use. A person will pay a much higher price for failure than he will for success.

Men are wise in proportion, not to their experience, but to their capacity for experience. *George Bernard Shaw.*

Counselor Has Form For Test

Available in the counselor's office at Muleshoe High School are forms for registering for the ACT and SAT tests. These tests are required for entrance into most four year colleges. Specific universities require the ACT or SAT as a routine part of their admissions process. Seniors that have not taken the SAT or ACT are encouraged to do so during the fall semester of their senior year. Since most scholarship applications require this information, this gives ample time for the scores to be returned before the spring semester. Juniors are encouraged to consider the ACT or SAT during the second semester of their junior year.

Both the ACT and the SAT provide practice booklets that give sample questions so that

the student can familiarize themselves with the test process. Also available in the counselor's office are practice tests on the computer. Students are encouraged to use these items to help them in preparation for the test.

The following dates are listed for the ACT and SAT. These tests are given on most major university campuses on the dates listed.

ACT

Oct. 26, 1985
Dec. 14, 1985
Feb. 8, 1986
April 12, 1986
June 14, 1986

REGISTRATION DATE

Sept. 27, 1985
Nov. 15, 1985
Jan. 10, 1986
March 14, 1986
May 16, 1986

SAT

Oct. 12, 1985
Nov. 2, 1985
Dec. 7, 1985
Jan. 25, 1986
March 15, 1986
May 3, 1986
June 7, 1986

REGISTRATION DATE

Sept. 20, 1985
Sept. 27, 1985
Nov. 1, 1985
Dec. 20, 1985
Feb. 7, 1986
March 28, 1986
May 2, 1986

Students or parents with questions pertaining to the ACT or SAT should contact Linda Marr at Muleshoe High School.

No Accident

Insurance man: Ever had any accidents?

Westerner: Nope, got a couple of rattlesnake bites though.

Insurance man: Great scott man! Don't you call those accidents?

Westerner: No sir. They bit me on purpose.

FTA

News

Everyone pigged out on sandwiches, chips and dip, and hot brownies. Does that sound good? Then you should have been there on Monday Sept. 15, at the F.T.A. back to school party held at the new park. Members worked off the calories playing volleyball and football and initiating freshmen members with the abundance of food that was left over.

All was not fun and games. The membership discussed future meetings and made plans for the up-coming powder puff football game to be held October 7. Other activities will be listed at a later date.

This year officers are Lance King-President, Meischelle Logsdon-Secretary, Laurey Grant-Treasurer, Susan Lunsford-Chaplain, Darren Albertson - Parliamentarian, Michael Angely- Reporter, and Britta O Tay Student Council Representative.

HERO Begins A Busy Year

Off to a good start this year, HERO, an organization of the HECE, class, held a get acquainted swimming party at the Country Club on August 29th.

HERO club members are hosting a Homecoming Pre-game Supper. They will be serving baked ham, baked potatoes, green beans, tossed salad, hot rolls, fresh fruit and the choice of apple or cherry cobbler. Tea and coffee will also be served. The dinner will be held at the Muleshoe High School cafeteria; serving time is from 5:30 to 7:00 p.m. Tickets can be purchased from any HERO club member, adults are \$4.00 and children under 12 are \$2.50. Tickets may also be purchased at the door. Your support is greatly appreciated.

On September 16th the election of club officers was held at K-Bobs from 8:00 until 9:30 p.m. The new club officers are: President Karen Wooten, 1st Vice President Rosie Lopez, 2nd Vice-President David Vela, 3rd Vice-President Brandon Cox, Secretary/Reporter Sandy Saldana, Treasurer/Student Council Representative Kathy Mudford, Historian Missy Gabbert, Parliamentarian Twila Downing.

In Fashion

Designers are showing fashions that are proportioned to one's stature. In the petite collection shoulders, sleeves, waist and hem length cater to the shorter miss.

The misses collection is designed for the average stature.

DECA Leader Is Logsdon For New Year

On Thursday, September 19, at 7:45 a.m. in the Muleshoe High School Distributal Education Clubs of America met for the purpose of electing the 1985-86 officers. This year DECA officers are: President, Meischelle Logsdon, Vice President, Sylvia Posadas; Secretary, Connie Lott; Treasurer, Shannon Reeder; Student Council Representative, Linda Recio; Reporter, Stacy Smith; Historian, Beatriz Garcia; Parliamentarian, Deborah Nieman.

The DECA Students have a great year planned beginning with their pre-game supper on October 18, and a Leadership Development Lab in Lubbock on Saturday, October 19.

DECA-Developing Future Leaders for Marketing and Distribution.

Juanita Garcia, Laurey Grant & Casey King, 1985 Queen Candidates

Stacy Smith, 1985 Homecoming Queen

Embry Named To Lead NHS

The National Honor Society met Thursday morning. The meeting was to elect officers and to decide on times of future meetings. The officers were: President, Jarrod Embry; Vice-President, Mike Holt; Secretary-Treasurer, Sherri Stovall; Chaplain, Wade King; Parliamentarian, Jessie Holmes; Reporter, Mike Harris; Student Council Representative, Deborah Nieman; and Historian Caice Hendrix. Sponsor for N.H.S. is Mrs. Lucy Faye Smith.

The meetings will be held at night on the second Tuesday of each month. The next meeting will be on October 8, at 8:00 p.m. at Leal's.

Jeff Price Welcomed By Students

Being a former wrestler, Mr. Jeff Price, new Vo. Ag. teacher at MHS, notes he has very little trouble controlling his classes.

Mr Price is fresh out of the "pasture" and recently graduated from Texas Tech with a major in Ag. Ed.

Mr. Price's wife, Tammy, is currently student teaching in Hereford but hopes to get a job in Muleshoe at Mid-Term. Mr. Price enjoys all agricultural related subjects and says he has

been very welcome in the community and in the school. Mr. Price also stated that "He enjoys it very much here. On behalf of the Muleshoe Annual Staff we would like to extend a BIG "Howdee" to Mr. Price and his wife and say welcome to Muleshoe.

Comment On Sports

By Pete Fritchie

BASEBALL

WASHINGTON, D.C. -- Toronto manager Bobby Cox is a hot candidate for American League Manager of the year. To nail down the flag in the east division of the league, Toronto had to beat out world champion Detroit, New York, Boston and Baltimore.

Bobby Cox took all on, the teams he had to beat, and beat all. Last year the Blue Jays under his lead almost did that. Had it not been for the Tigers' phenomenal start, they might have made it in 1984, though in the big show-down series late last year the Tigers won it, in Toronto.

The comparable series this year came in New York--a four game set in mid-September with the challenging Yankees, who had won ten straight when the Jays hit town ready.

The Jays got the jitters in game one and blew it. But after that, they coolly took the last three, in the Yankee home den. That might have been the decisive series of the year. The Jays went into the Big Apple 2 1/2 ahead, slipped to 1 1/2 the first night, and left town ahead 4 1/2.

That did a lot for the Jays and a lot to the Yankees.

Revealing

Professor: Can you tell me something about the word "statistics?"

Sophomore: Well, they're something like a bikini--what they reveal is interesting, but what they conceal is vital.
