An Invitation

NOW that you have seen the pictures, come and see the garments themselves.

We like to have you try them on, to see how yourself look in them, quite regardless of your intention to buy.

For we are proud of Wooltex.

Proud of the styles; proud of the tailoring; proud of the pure silk and pure wool fabrics; proud of the splendid values we can offer at such reasonable prices.

Proud of the very extraordinary guarantee of two full seasons' satisfactory service that applies to every Wooltex garment.

Won't you come in?

Homer Rohrbough

Severely Hurt.

On last Monday afternoon, about four o'clock, Homer Rohrbough was knocked down and run over by a horse at his ranch south east of town, and badly hurt. Physicians were hurriedly summoned and he was picked up, brought to his home in Artesia. It was found upon examination that the most serious injury was a cut on the back of the head, which was evidently made by the horse kicking or striking him with its foot.

He regained consciousness a short time after the fall and has been gradually improving, and is in a fair way to recovery.

The accident occurred in a small corral where Mr. Rohrbough and Buster Bowman were on foot trying to cut out some "bronch" horses from the bunch in the enclosure. Three of the horses ran directly toward Mr. Rohrbough and as he tried to get out of the way one of the animals ran directly over him, knocking him down and rendering him unconscious.

The attending physician, Dr. Skeen states that he is doing as well as could be expected and if there are no complications he will be out in a few days.

Oratorical Contest.

A most delightful educational event was that of the oratorical contest given at Cornington College Auditorium last Friday night under the direction of the Artesia High School.

There were five contestants for the honors, who spoke in the following order: Ralph Terpening, Mary Tyler, Annette Jacobson, Gertrude Faye Adams and Willie Murray.

The judging and grading of the work done by the speakers was by the point system, and the contestants acquitted themselves so splendidly that the judges had no small difficulty in determining which performance had the greatest number of excellencies. However when the points were all footed up it was found that the greater number fell to Gertrude Faye Adams, and she was awarded the Gold medal. Annette Jacobson was awarded second place and the Silver medal.

The musical numbers given in connection with the program of speeches added much to the pleasure of the occasion. Miss Mary Pearman opened with a fine musical number, a piano solo, in which she displayed much excellence of expression and interpretation. Miss Elva Clyde favored the audience with a pleasing violin solo, Miss Florence Clyde accompanying at the piano.

To the winner of the Gold medal goes the privilege of representing Artesia High School at the State contest to be given at Albuquerque during the teacher's State meeting the latter part of this month. Professor Grover deserves much credit for the interest he has taken in this work.

J. B. Stalling

Passes Away.

After a lingering illness lasting for many months Mr. J. B. Stalling died at his home in Dayton on Wednesday at noon.

The body was laid to rest in Woodbine cemetery near Artesia yesterday at 2 o'clock. The funeral services were conducted at the Methodist church, and the interment made by the Masonic fraternity of which the deceased was an honored member.

Mr. Stalling was a sufferer from tuberculosis, coming to New Mexico from Oklahoma some ten years or more ago. He led an active out door life, being engaged in the cattle business. But for the past several months his condition had grown worse and he had been confined to his home. Through his entire sickness he was cheerful and hopeful of recovery. Towards the end his suffering was very great owing to complication of rheumatism but his last moments were attended with little pain.

He leaves a wife and four children, four brothers residing in Oklahoma, one of the latter, Jap, being present at the end. He was 47 seven years old.

In the passing of Mr. Stalling the Pecos Valley loses one of its best citizens and a well known and influential stockman. His friends were truly counted by the number of his acquaintances. To know him was to like him. The bereaved family have the sympathy of the entire community in their great loss.

Western Union Defeats

A. H. S. Basket Ball Team

Last Monday afternoon, the Western Union fast traveling basket ball team was in Artesia and desired a game with the High School.

The High School have had no regular practice, but gamely accepted the challenge and played the visitors with a team composed of F. Cole and W. Atkinson, forwards; E. Neff and B. Bradshaw, guards; Adley McCaw, center; but were defeated by a score of 22 to 14.

Fred Cole starred for the school, making 8 of the 14 points. The W. U. T. played a fast game from start to finish.

Oratorical Contest.

The Oratorical Declamatory contest to be held during the New Mexico Educational Association will be the largest ever held. Already there are fourteen high schools in the high school section that have indicated their intention of sending representatives to both the oratorical and declamatory contests. The declamatory contest is a new feature in this year and is taking well. It is planned next year to divide the declamatory contest into two sections, one for the girls who will give dramatic readings and one for the boys who will give memorized orations.

This year an equal number of high schools are entering the declamatory and oratorical contest of the high schools. The following schools have said that they would be in both contests. Albuquerque, Socorro, Raton, Roswell, Artesia, Elida, Las Cruces, Santa Fe, East Las Vegas, Tucumcari, and Portales High schools, the preparatory department of the Las Vegas Normal, the State Agricultural college, The Manual Presbyterian School, Albuquerque, the Silver City Normal preparatory department.

If for any reason you are crazy enough to want to leave the best country on earth, come in with your listings. I can get you a good trade in Oklahoma, farm lands or city property and will give you a square deal.

Chas. S. Brown

Undoubtedly others will enter before the final contest to be held at Albuquerque, November 25th.

In the college Oratorical Contest there are more entries than last year, in fact all the institutions of higher learning in the state will enter. These are the University of New Mexico, The State Agricultural College, The New Mexico Military Institute, The Las Vegas and Silver City Normal.

Supt. W. C. Hall of Roswell, who is chairman of that section states that the Oratorical Declamatory Section has grown so large that it will be impossible to hold the whole contest in one evening and that arrangements are being made for more time at the association.

Pupils and schools that enter will be more than repaid for the time and expense of entering this contest. Nearly all the progressive schools of this state recognize this and are entering. The growth of this section reflect the attitude that people are taking toward public speaking in the high school. It is also indicative of the growth of the N. M. E. A. this year.

Senior Class Organized.

The senior class of the Artesia High School is now organized, with Maude Demotte as president, James Carle as vice president and Sadie McCaw secretary and Treasurer. These officers with the other nineteen members constitute the largest number of applicants for diplomas in the history of the High School.

The class colors of purple and white signify the aim to attain rank and purity, as does the pansy the love, independence in every day things.

James Carle was host at the first social gathering. Nineteen of the seniors chaperoned by Miss Brainard and Mr. Kelsey took lunch and started for the country about five o'clock Saturday afternoon, as it was dark

when the ride ended the first thing in order was to build a campfire, this being done the coffee was put on to boil and supper served, even though there was not enough light for anyone to say how the supper looked, all heartily expressed their approval of the ability of the cooks. When supper was over Mr. Kelsey kept the fire going by piling on weeds, while the others enjoyed their favorite child game of "Drop the Handkerchief," then the fire went down and ghost stories were told, these could not change the feelings of the boys and girls so the ride home was spent in singing.

This was one of the most enjoyable meetings thus far and we hope it will not be the last.

Cemetery Association

The Woodbine Cemetery Association met at the home of Mrs. J. O. Greenlaw Nov. 2nd. Mrs. G. R. Brainard presiding in the absence of president Mrs. Atkinson.

The lot committee reported a collection of a \$1.50 also a donation of 50c from Judson Osburn Jr. The treasurer made the following report of \$9.85 in general fund, flower show netted \$128.35, expenses of flower show was \$36.35; thus taken from the exchange fund left \$22.12 which was transferred to general fund, making a total of \$160.32 in general fund.

The following directors and officers were elected: Mesdames Atkson, Brainard, Turner, Greenlaw, Inman, Gilbert, Daugherty, McClay, and Rhorbaugh.

Mrs. Atkeson, president. Mrs. Brainard, 1st vice pres. Mrs. Gilbert, 2nd vice pres. Mrs. Rhorbaugh, 3rd vice president. Mrs. Greenlaw, secretary. Mrs. Inman, Treasurer.

Little George Cox a prominent horse man of Dunkin, was an Artesia visitor Tuesday.

We're Here Because We're Here.

"Come in—the water's fine," is the persuasive, siren invitation of the Grand Old Plunderers which, through duly authorized spokesmen, has been extended to the New Mexican recently in many ways and at divers times.

"Get in with the bunch and then you will amount to something." The New Mexican has been highly flattered by this very evident desire on the part of the Republicans to have us come in out of the wet. In fact one of the most enjoyable things about this campaign, to us, has been the Republican impatience, amounting at times to genuine pique and anger because the New Mexican persists in remaining outside the breastworks free to toss little bombs over into the camp from time to time instead of coming in and being good. Naturally the organization has no patience with us when they are forced to go to the extreme of instituting a publication of their own under such auspices as the present and go to all the expense of installing a million dollar plant under a two-bit management just to have a newspaper, when here is the New Mexican with a splendid big plant and growing circulation stand in the way; a fly on the ointment, a thorn in the flesh, a beam in the eye, vinegar in the coffee, cayenne pepper in the nose and a stench in the nostrils of all good Republicans and true.

"Come in with us and you will amount to something!"

Unfortunately the sad, oft-times deplorable fate of the New Mexico newspapers which have "come in with the bunch," deters us. We have seen too many horrible examples. We dares't.

Running a newspaper under the auspices of the "bunch" has no attractions for us. It is journalistic suicide, newspaper hara-kiri, voluntary self-destruction. We have too often watched with shocked depression the career of the newspapers which have been good in New Mexico. There's nothing in it. The newspaper which depends on pap for its existence, which has to trundle to live which strains its esophageal muscles in the deglutition of all the nauseous doses which a stand pat newspaper must swallow in this state, which aligns itself against the interests of the people on the side of Charley Springer and Charley Spiess and Charley Horse and the corporations and the political ring—it never amounts to two whoops in Tophet as a newspaper, never did, never can, and never will.

We can't see it, gentlemen. We don't need the pap, we have out grown the suckling stage. We are standing on our own feet and we are standing on your feet a good deal of the time; and we are going to stay on the job. There is no use bothering with libel laws and official and legislative gags; there was never yet a law passed in gaging a live newspaper, in forcing it into line, in choking it off. You will make a fatal mistake, you Republicans, if you think because the corporation money and the race issue which you have industriously fostered for three years has given you a temporary advantage, that New Mexico is going back. The astute gentlemen who had this thing fixed several months ago and who are now laughing gleeful in their sleeves will in the inevitable course of events be laughing out of the opposite corner of their oral orifices before long.

Of course we understand that the wealthy manipulators involved are not worrying—if one of them lost his railroad job he would leave New Mexico in a week and seek virgin fields to conquer; another should worry, having realized his life's ambition and acquired the empty glory of being one of the most reactionary and useless statesmen in the country; another is so fortified with this world's goods at the expense of his neighbors that it makes no difference, and so on. However, we are going, us common people, to see in the course of time that their grip on this state and its laws and government is loosened permanently. To this inspiring end the New Mexican is dedicated—to continue to make it as unhealthy and uncomfortable as we can for the "bunch." We are highly gratified at the many evidences of misery they have shown despite their recent victory. Some of them wout speak to us, others glare at us malevolently, others argue at great length, some say mean and cruel things, some scoff and others cuss; and they are all reading the New Mexican. We hope to make it still more readable for them. During the coming legislative session it shall be our ambition to play a leading part in giving the fullest publicity to every measure, every vote, every motive which appears; and we are glad to say that our audience is gradually and surely increasing. We believe we shall find some things to say which will be of such interest to both the "bunch" and the people that they will all buy the paper. Past experience convince us that we are right.

So, much as it pains us, gentlemen, we shall stay right with you; and we will give you some hing to read, so don't miss a copy. We know you won't.—Santa Fe New Mexican.

Deafness Cannot Be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an adamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

We hope to have with us during the Assembly Nov. 25 to 29th. Rev. J. C. Roberts, Supt. of our Rescue and Orphanage Home at Pilot Point; Prof. J. E. L. Moore, Pres. of Central Nazarene University, Rev. S. D. Athens, Supt. of the Nazarene Mexican Mission, El Paso.

The Business sessions of the Assembly will be held in the morning, Anniversaries of the Church in the afternoon and Evangelistic services in the evening. This is the third time we have invited you to be with us. R. E. Dunham, pastor.

Attention is called to the meeting of hog raisers called for tomorrow. The raising of hogs has proved to be profitable here and it is encouraging to note that the hog men are not discouraged because of the fact that many of them lost heavily from cholera this year. The disease is no more difficult to control or prevent here than elsewhere and there are really many advantages in this dry climate than other localities.

Use A-1 Surface Irrigation Pipe AND SAVE YOUR WATER

Think of the Immense Loss by Seepage and Evaporation

Water cost money and wasted water is wasted money. The loss by seepage alone in dirt ditches amounts to from 1 to 60 per cent of the total water pumped per mile. In some soils over half of the water is lost before it reaches the place where it is needed. By using this pipe all the water delivered is used... there is practically no waste. Worth considering, isn't it?

WHY does our A-1 Surface Irrigation Pipe stand the hard usage to which it is subjected better than any other pipe, riveted or otherwise?

BECAUSE it is made with a lockseam set down under 3500 pounds pressure, which requires no soldering to make it water-tight. (Soldering will break loose by jarring and hard knocks.)

A-1 Pipe was awarded first prize at Fresno and Santa Clara County Fairs in 1912.

Your Grandchildren Will Talk About

This coming Thanksgiving Day years from now. It will go down in history as America's greatest Thanksgiving.

For this November 26th we celebrate America's peace, while the rest of the world sorrows.

Will you celebrate this day as you should—in the best suit of clothes you ever had?

The big eats that you will put on the inside are not nearly as important to the Thanksgiving spirit as the good clothes you put on the outside.

Come in and let us show you how you can celebrate our Greatest Thanksgiving Day.

Suits and Overcoats at \$15.00 \$18.50 and up, and all the trimmings that go with it.

WE GIVE TRADING STAMPS

Giving Away Goods.

The opening of the "Forced Sale" of the Grand Leader last Saturday morning when Mr. Jackson, the owner, gave away a large number of articles of merchandise, attracted a large crowd. The goods were thrown from the second story window down into the crowd below and a lively scramble continued while the distribution of free goods lasted.

Immediately following the close of this feature the doors of the store were opened, and the firm enjoyed a very satisfactory trade throughout the day. A number of sales people had been employed to take care of the crowd at this sale.

Happy Hour Club.

The Happy Hour club met Nov. 4th, with Mrs. Dan Eiper with 14 members present and 2 visitors. Miss Edna Horrel favored us with some excellent music which was enjoyed by all. The afternoon was spent in social time, delicious refreshments were served by hostess. They adjourned to meet Nov. 20th, at School house for farewell meeting of Mrs. D. B. Barlow and family. This will be our annual meeting and all club members and family are invited to be present.

Ladies Minstrel.

The Ladies Guild have made a contract with Mr. F. E. Payden of Houston to give a ladies minstrel show at Cornington College Thursday November 19th. Twenty five of the most popular ladies of Artesia will don burnt cork, crack jokes, beat tamborines, and every thing else pertaining to a first class show. Mr. Payden comes highly recommended as a producer, carrying costumes for his entertainment so you can rest assured that it will be out of the ordinary. The following ladies are taking part.

Madames Suter, Linell, Pearman, Campbell, Cornington, Yates, Reed, Corbin, Skeen, Welton, Atwood, McFadden. Misses Adams, White, Pearman, Smythe, Freeman, White, Runyan,

Jackson, Hyatt, Coll, Taylor, Talbot, Brainard and Thaylor.

THE WASTE OF WAR

The war that now engulfs Europe is only a preface to the story of sorrow and desolation that will follow.

The lives that are lost, the cities that are destroyed and the resources that are wasted will have their greatest effect upon future generations.

Until the last chapter is reached there will be a story of stagnant industries, desolate homes, barren fields and fatherless children.

While their great conflict of waste is being waged we Americans are fighting the Battles of Peace.

An army of 150,000 men and women enlisted in the ranks of the Bell System serves the telephone wants of the American public.

Over 6000 of these people work right here in the seven mountain states every day in the year.

Homer Rohrbough Severely Hurt.

On last Monday afternoon, about four o'clock, Homer Rohrbough was knocked down and run over by a horse at his ranch south east of town, and badly hurt. Physicians were hurriedly summoned and he was picked up, brought to his home in Artesia. It was found upon examination that the most serious injury was a cut on the back of the head, which was evidently made by the horse kicking or striking him with its foot.

He regained consciousness a short time after the fall and has been gradually improving, and is in a fair way to recovery.

The accident occurred in a small corral where Mr. Rohrbough and Buster Bowman were on foot trying to cut out some "bronch" horses from the bunch in the enclosure. Three of the horses ran directly toward Mr. Rohrbough and as he tried to get out of the way one of the animals ran directly over him, knocking him down and rendering him unconscious.

The attending physician, Dr. Skeen states that he is doing as well as could be expected and if there are no complications he will be out in a few days.

Oratorical Contest.

A most delightful educational event was that of the oratorical contest given at Cornington College Auditorium last Friday night under the direction of the Artesia High School.

There were five contestants for the honors, who spoke in the following order: Ralph Terpening, Mary Tyler, Annette Jacobson, Gertrude Faye Adams and Willie Murray.

The judging and grading of the work done by the speakers was by the point system, and the contestants acquitted themselves so splendidly that the judges had no small difficulty in determining which performance had the greatest number of excellencies. However when the points were all footed up it was found that the greater number fell to Gertrude Faye Adams, and she was awarded the Gold medal. Annette Jacobson was awarded second place and the Silver medal.

The musical numbers given in connection with the program of speeches added much to the pleasure of the occasion. Miss Mary Pearman opened with a fine musical number, a piano solo, in which she displayed much excellence of expression and interpretation. Miss Elva Clyde favored the audience with a pleasing violin solo, Miss Florence Clyde accompanying at the piano.

To the winner of the Gold medal goes the privilege of representing Artesia High School at the State contest to be given at Albuquerque during the teacher's State meeting the latter part of this month. Professor Grover deserves much credit for the interest he has taken in this work.

J. B. Stalling Passes Away.

After a lingering illness lasting for many months Mr. J. B. Stalling died at his home in Dayton on Wednesday at noon.

The body was laid to rest in Woodbine cemetery near Artesia yesterday at 2 o'clock. The funeral services were conducted at the Methodist church, and the interment made by the Masonic fraternity of which the deceased was an honored member.

Mr. Stalling was a sufferer from tuberculosis, coming to New Mexico from Oklahoma some ten years or more ago. He led an active out door life, being engaged in the cattle business. But for the past several months his condition had grown worse and he had been confined to his home. Through his entire sickness he was cheerful and hopeful of recovery. Towards the end his suffering was very great owing to complication of rheumatism but his last moments were attended with little pain.

He leaves a wife and four children, four brothers residing in Oklahoma, one of the latter, Jap, being present at the end. He was 47 seven years old.

In the passing of Mr. Stalling the Pecos Valley loses one of its best citizens and a well known and influential stockman. His friends were truly counted by the number of his acquaintances. To know him was to like him. The bereaved family have the sympathy of the entire community in their great loss.

Western Union Defeats

A. H. S. Basket Ball Team

Last Monday afternoon, the Western Union fast traveling basket ball team was in Artesia and desired a game with the High School.

The High School have had no regular practice, but gamely accepted the challenge and played the visitors with a team composed of F. Cole and W. Atkinson, forwards; E. Neff and B. Bradshaw, guards; Adley McCaw, center; but were defeated by a score of 22 to 14.

Fred Cole starred for the school, making 8 of the 14 points. The W. U. T. played a fast game from start to finish.

Oratorical Contest.

The Oratorical Declamatory contest to be held during the New Mexico Educational Association will be the largest ever held. Already there are fourteen high schools in the high school section that have indicated their intention of sending representatives to both the oratorical and declamatory contests. The declamatory contest is a new feature in this year and is taking well. It is planned next year to divide the declamatory contest into two sections, one for the girls who will give dramatic readings and one for the boys who will give memorized orations.

This year an equal number of high schools are entering the declamatory and oratorical contest of the high schools. The following schools have said that they would be in both contests. Albuquerque, Socorro, Raton, Roswell, Artesia, Elida, Las Cruces, Santa Fe, East Las Vegas, Tucumcari, and Portales High schools, the preparatory department of the Las Vegas Normal, the State Agricultural college, The Manual Presbyterian School, Albuquerque, the Silver City Normal preparatory department.

If for any reason you are crazy enough to want to leave the best country on earth, come in with your listings. I can get you a good trade in Oklahoma, farm lands or city property and will give you a square deal.

Chas. S. Brown

Undoubtedly others will enter before the final contest to be held at Albuquerque, November 25th.

In the college Oratorical Contest there are more entries than last year, in fact all the institutions of higher learning in the state will enter. These are the University of New Mexico, The State Agricultural College, The New Mexico Military Institute, The Las Vegas and Silver City Normal.

Supt. W. C. Hall of Roswell, who is chairman of that section states that the Oratorical Declamatory Section has grown so large that it will be impossible to hold the whole contest in one evening and that arrangements are being made for more time at the association.

Pupils and schools that enter will be more than repaid for the time and expense of entering this contest. Nearly all the progressive schools of this state recognize this and are entering. The growth of this section reflect the attitude that people are taking toward public speaking in the high school. It is also indicative of the growth of the N. M. E. A. this year.

Senior Class Organized.

The senior class of the Artesia High School is now organized, with Maude Demotte as president, James Carle as vice president and Sadie McCaw secretary and Treasurer. These officers with the other nineteen members constitute the largest number of applicants for diplomas in the history of the High School.

The class colors of purple and white signify the aim to attain rank and purity, as does the pansy the love, independence in every day things.

James Carle was host at the first social gathering. Nineteen of the seniors chaperoned by Miss Brainard and Mr. Kelsey took lunch and started for the country about five o'clock Saturday afternoon, as it was dark

when the ride ended the first thing in order was to build a campfire, this being done the coffee was put on to boil and supper served, even though there was not enough light for anyone to say how the supper looked, all heartily expressed their approval of the ability of the cooks. When supper was over Mr. Kelsey kept the fire going by piling on weeds, while the others enjoyed their favorite child game of "Drop the Handkerchief," then the fire went down and ghost stories were told, these could not change the feelings of the boys and girls so the ride home was spent in singing.

This was one of the most enjoyable meeting thus far and we hope it will not be the last.

Cemetery Association

The Woodbine Cemetery Association met at the home of Mrs. J. O. Greenlaw Nov. 2nd. Mrs. G. R. Brainard presiding in the absence of president Mrs. Atkinson.

The lot committee reported a collection of a \$1.50 also a donation of 50c from Judson Osburn Jr. The treasurer made the following report of \$9.85 in general fund, flower show netted \$128.35, expenses of flower show was \$36.35; thus taken from the exchange fund left \$22.12 which was transferred to general fund, making a total of \$160.32 in general fund.

The following directors and officers were elected: Mesdames Atkson, Brainard, Turner, Greenlaw, Inman, Gilbert, Daugherty, McClay, and Rhorbaugh.

Mrs. Atkeson, president.
Mrs. Brainard, 1st vice pres.
Mrs. Gilbert, 2nd vice pres.
Mrs. Rhorbaugh, 3rd vice president.
Mrs. Greenlaw, secretary.
Mrs. Inman, Treasurer.

Little George Cox a prominent horse man of Dunkin, was an Artesia visitor Tuesday.

We're Here Because We're Here.

"Come in—the water's fine," is the persuasive, siren invitation of the Grand Old Plunderers which, through duly authorized spokesmen, has been extended to the New Mexican recently in many ways and at divers times.

"Get in with the bunch and then you will amount to something." The New Mexican has been highly flattered by this very evident desire on the part of the Republicans to have us come in out of the wet. In fact one of the most enjoyable things about this campaign, to us, has been the Republican impatience, amounting at times to genuine peeve and anger because the New Mexican persists in remaining outside the breastworks free to toss little bombs over into the camp from time to time instead of coming in and being good. Natuallay the organization has no patience with us when they are forced to go to the extreme of instituting a publication of their own under such auspices as the present and go to all the expense of installing a million dollar plant under a two-bit management just to have a newspaper, when here is the New Mexican with a splendid big plant and growing circulation stand in the way; a fly on the ointment, a thorn in the flesh, a beam in the eye, vinegar in the coffee, cayenne pepper in the nose and a stench in the nostrils of all good Republicans and true.

"Come in with us and you will amount to something!"

Unfortunately the sad, oft-times deplorable fate of the New Mexico newspapers which have "come in with the bunch," deters us. We have seen too many horrible examples. We dares't.

Running a newspaper under the auspices of the "bunch" has no attractions for us. It is journalistic suicide, newspaper harakiri, voluntary self-destruction. We have too often watched with shocked depression the career of the newspapers which have been good in New Mexico. There's nothing in it. The newspaper which depends on pap for its existence, which has to truckle to live which strains its esophageal muscles in the deglutition of all the nauseous doses which a stand pat newspaper must swallow in this state, which aligns itself against the interests of the people on the side of Charley Springer and Charley Spiess and Charley Horse and the corporations and the political ring—it never amounts to two whoops in Tophet as a newspaper, never did, never can, and never will.

We can't see it, gentlemen. We don't need the pap, we have out grown the suckling stage. We are standing on our own feet and we are standing on your feet a good deal of the time; and we are going to stay on the job. There is no use bothering with libel laws and official and legislative gags; there was never yet a law passed in gagging a live newspaper, in forcing it into line, in choking it off. You will make a fatal mistake, you Republicans, if you think because the corporation money and the race issue which you have industriously fostered for three years has given you a temporary advantage, that New Mexico is going back. The astute gentlemen who had this thing fixed several months ago and who are now laughing gleeful in their sleeves will in the inevitable course of events be laughing out of the opposite corner of their oral orifices before long.

Of course we understand that the wealthy manipulators involved are not worrying—if one of them lost his railroad job he would leave New Mexico in a week and seek virgin fields to conquer; another should worry, having realized his life's ambition and acquired the empty glory of being one of the most reactionary and useless statesmen in the country; another is so fortified with this world's goods at the expense of his neighbors that it makes no difference, and so on. However, we are going, us common people, to see in the course of time that their grip on this state and its laws and government is loosened permanently. To this inspiring end the New Mexican is dedicated—to continue to make it as unhealthy and uncomfortable as we can for the "bunch." We are highly gratified at the many evidences of misery they have shown despite their recent victory. Some of them wont speak to us, others glare at us malevolently, others argue at great length, some say mean and cruel things, some scoff and others cuss; and they are all reading the New Mexican. We hope to make it still more readable for them. During the coming legislative session it shall be our ambition to play a leading part in giving the fullest publicity to every measure, every vote, every motive which appears; and we are glad to say that our audience is gradually and surely increasing. We believe we shall find some things to say which will be of such interest to both the "bunch" and the people that they will all buy the paper. Past experience convince us that we are right.

So, much as it pains us, gentlemen, we shall stay right with you; and we will give you some hing to read, so don't miss a copy. We know you won't.—Santa Fe New Mexican.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

Nazarene Church.

Sunday School 9:30 a. m.
Emory Hobson Sup't. Prayer Service Wednesday evening 7:30; Teacher's meeting, Parsonage 7:30; Preaching Sunday 11 a. m. and 7 p. m. If you are honest and sincere of soul; think less of pleasing men than God; less of this world than Heaven; time than eternity; we can help you to a deliverance from sin, an acquaintance with God, an experiential knowledge of salvation the best thing in the world. Our house is warm.

We hope to have with us during the Assembly Nov. 25 to 29th. Rev. J. C. Roberts, Supt. of our Rescue and Orphanage Home at Pilot Point; Prof. J. E. L. Moore, Pres. of Central Nazarene University, Rev. S. D. Athens, Supt. of the Nazarene Mexican Mission, El Paso.

The Business sessions of the Assembly will be held in the morning, Anniversaries of the Church in the afternoon and Evangelistic services in the evening. This is the third time we have invited you to be with us. R. E. Dunham, pastor.

Attention is called to the meeting of hog raisers called for tomorrow. The raising of hogs has proved to be profitable here and it is encouraging to note that the hog men are not discouraged because of the fact that many of them lost heavily from cholera this year. The disease is no more difficult to control or prevent here than elsewhere and there are really many advantages in this dry climate than other localities.

RHEUMATIC SUFFERERS GIVEN QUICK RELIEF

Pain leaves almost as if by magic when you begin using "5-Drops," the famous old remedy for Rheumatism, Lumbago, Gout, Sciatica, Neuralgia and kindred troubles. It goes right to the spot, stops the aches and pains and makes life worth living. Get a bottle of "5-Drops" today. A booklet with each bottle gives full directions for use. Don't delay. Demand "5-Drops." Don't accept anything else in place of it. Any druggist can supply you. If you live too far from a drug store send One Dollar to Swanson Rheumatic Cure Co., Newark, Ohio, and a bottle of "5-Drops" will be sent prepaid.

Use A-1 Surface Irrigation Pipe AND SAVE YOUR WATER

Think of the Immense Loss by Seepage and Evaporation

Water cost money and wasted water is wasted money. The loss by seepage alone in dirt ditches amounts to from 1 to 60 per cent of the total water pumped per mile. In some soils over half of the water is lost before it reaches the place where it is needed. By using this pipe all the water delivered is used, there is practically no waste. Worth considering, isn't it?

WHY does our A-1 Surface Irrigation Pipe stand the hard usage to which it is subjected better than any other pipe, riveted or otherwise?

BECAUSE it is made with a lockseam set down under 3500 pounds pressure, which requires no soldering to make it water-tight. (Soldering will break loose by jarring and hard knocks.)

A-1 Pipe was awarded first prize at Fresno and Santa Clara County Fairs in 1912.

Your Grandchildren Will Talk About

This coming Thanksgiving Day years from now. It will go down in history as America's greatest Thanksgiving.

For this November 26th we celebrate America's peace, while the rest of the world sorrows.

Will you celebrate this day as you should—in the best suit of clothes you ever had?

The big eats that you will put on the inside are not nearly as important to the Thanksgiving spirit as the good clothes you put on the outside.

Come in and let us show you how you can celebrate our Greatest Thanksgiving Day.

Suits and Overcoats at \$15.00 \$18.50 and up, and all the trimmings that go with it.

THE CRITERION

WE GIVE TRADING STAMPS

Giving Away Goods.

The opening of the "Forced Sale" of the Grand Leader last Saturday morning when Mr. Jackson, the owner, gave away a large number of articles of merchandise, attracted a large crowd. The goods were thrown from the second story window down into the crowd below and a lively scramble continued while the distribution of free goods lasted.

Immediately following the close of this feature the doors of the store were opened, and the firm enjoyed a very satisfactory trade throughout the day. A number of sales people had been employed to take care of the crowd at this sale.

Happy Hour Club.

The Happy Hour club met Nov. 4th, with Mrs. Dan Eiper with 14 members present and 2 visitors. Miss Edna Horrel favored us with some excellent music which was enjoyed by all. The afternoon was spent in social time, delicious refreshments were served by hostess. They adjourned to meet Nov. 20th, at School house for farewell meeting of Mrs. D. B. Barlow and family. This will be our annual meeting and all club members and family are invited to be present.

Ladies Minstrel.

The Ladies Guild have made a contract with Mr. F. E. Hayden of Houston to give a ladies minstrel show at Cornington College Thursday November 19th. Twenty five of the most popular ladies of Artesia will don burnt cork, crack jokes, beat tamborines, and every thing else pertaining to a first class show. Mr. Hayden comes highly recommended as a producer, carrying costumes for his entertainment so you can rest assured that it will be out of the ordinary. The following ladies are taking part.

Mrs. Suter, Linell, Peasants, Campbell, Cornington, Yates, Reed, Corbin, Skeen, Welton, Atwood, McFadden, Misses Adams, White, Pearman, Smythe, Freeman, White, Runyan,

Jackson, Hyatt, Coll, Taylor, Talbot, Brainard and Thaylor.

THE WASTE OF WAR

The war that now engulfs Europe is only a preface to the story of sorrow and desolation that will follow.

The lives that are lost, the cities that are destroyed and the resources that are wasted will have their greatest effect upon future generations.

Until the last chapter is reached there will be a story of stagnant industries, desolate homes, barren fields and fatherless children.

While their great conflict of waste is being waged we Americans are fighting the Battles of Peace.

An army of 150,000 men and women enlisted in the ranks of the Bell System serves the telephone wants of the American public.

Over 6000 of these people work right here in the seven mountain states every day in the year.
