Auction, MAC Drawing, I Love Muleshoe Daze

All-Day Celebration Will Draw Huge Crowd To Town

It's just around the corner now, and on Saturday, a big, big day is planned for Muleshoe. Beginning early Saturday morning, the Second Annual Celebrity Auction for the Muleshoe Heritage Foundation begins at the Bailey County Civic Center.

At 2 p.m., the monthly MAC Buck drawing will be televised

from the Civic Center. MAC chairman, Eddy Morris, said in order to win the MAC Bucks for the month, participants will be required to be present when their number is called.

Another feature will be the 'I Love Muleshoe Daze' promotion, coordinated by the Today's Women of the Muleshoe State Bank.

For the past 10 days, balloons have been released into the air twice a day, and each balloon has contained a 'Love Coupon' redeemable at the businesses who are participating.

The Coupons have ranged from free items, to discounts on merchandise or services.

During the day at the Civic Center, I Love Muleshoe Daze drawings will be held, with Love Coupons being used for entry to the drawings.

Some of the prizes for the I Love Muleshoe Daze drawings include one dozen Spudnuts, The Spudnut Shop; one hanging plant, Perry's; \$50 gift certificate, Muleshoe Trade Center; \$35 gift certificate, Lindsey Credit Jewelry; \$25 value flower arrangement, Ben Franklin; stationery and letterhead, value \$73.50, Bob Stovall Printing; and Forever Kristal, cologne.

GED Test Scheduled This Week

Linda Marr, high school counselor, said the General Educational Development (GED) test will be given in Muleshoe on Friday, May 1, and Saturday, May 2 at Muleshoe High School.

Individuals interested in testing for a certificate of high school equivalency will need to be present at both testing sessions, said Mrs. Marr.

The following requirements apply to interested persons:

1. Minimum age is 18, a 17-year-old is eligible with parental or guardian consent.
2. Must be a resident of Texas.
3. Must be officially withdrawn from school and must not have received a high school diploma from an accredited high school in the United States.

Testing will begin at 5:30 p.m. on Friday and continue at 8:30 a.m. on Saturday.

Further information may be obtained by calling Mrs. Marr, GED Test Administrator, at Muleshoe High School, 272-3080.

around muleshoe

With a number of tournaments already scheduled, the Mule Putt Miniature Golf Course will open for the 1987 summer season at 7 p.m. on Friday, May 1.

Joyce Holmes said the admission will continue to be \$1 per game as in the past.

Be sure to watch for upcoming tournaments, as many trophies will be presented during the summer.

As lots of activity will be going on at the Bailey County Civic Center Friday night, preparing for the Celebrity Auction, I Love Muleshoe Daze and MAC Buck Drawing, all scheduled on Saturday, there will be no skating at the Civic Center Friday night.

Two students from Muleshoe are among the 255 candidates who received degrees from Wayland Baptist College last weekend.

The honorees are Dorothy Virginia Bowers, master of education degree in education; and Kip Brock, associate of technology degree in electronics technology.

People who enjoy children and would like to earn additional income, may be interested in starting a business by providing child care in their homes.

Setting up a Group Day Care Home provides an opportunity to do both. To begin a Group Day Care Home business requires a minimal amount of expense. This type of business in your home, reduces the expense of maintaining a separate building and hiring additional staff.

Group Day Care Homes provide care for seven to 12 children for less than 24 hours a day and are required by law to be licensed.

Individuals who want additional information regarding Group Day Care Homes may contact Texas Department of Human Services, Day Care Licensing, at 806/747-9500 or write Day Care Licensing, P.O. Box 10528, Lubbock, TX 79408.

Bailey County Commissioners will meet in Special Session in the Bailey County Courthouse on Friday, May 1 at 10 a.m.

Commissioners will pay routine bills and consider miscellaneous items.

Lt. Wayne Holmes of the Muleshoe City Police Department has announced the last Defensive Driving Course until September gets underway on May 12, in the police training room at the Muleshoe Police Department.

To sign up, go by the PD and sign up with one of the dispatchers.

TEAMS Test

To Be Given

11-12th Grade

The exit level of the Texas Educational Assessment of Minimum Skills (TEAMS) will be administered to 11th and 12th grade students who did not pass the exit level in October of this school year or for out-of-state students who have moved into the district.

State law mandates that a student who has not performed successfully on all sections of the exit level test by the time he has successfully completed the 12th grade level, cannot be given a high school diploma.

These tests which assess mathematics and English language arts competencies, will be given in Muleshoe High School on Monday, May 4, and Tuesday, May 5.

H. John Fuller, superintendent, encourages parents to see that their children are in attendance on these days and that they get plenty of rest before taking these important tests.

CLEAN-UP COMMITTEE READY FOR WORK--Monday morning, members of the Muleshoe Chamber of Commerce and Agriculture Clean-Up Committee met at one of the sites along Highway 84 slated for clean-up to plan strategy. Pictured from left are Fred Clements, Marjorie Merritt, Ron Montgomery, Della Snell and Tim McCormick. Tomorrow, Friday, a massive month long clean-up, paint-up, fix-up campaign is expected to be conducted throughout the City of Muleshoe.

POSITIVE THINGS ABOUT MULESHOE

MISD New Administration

Building Begins; Workshop Set

NEW ADMINISTRATION OFFICE

In the next few days, construction will begin on the renovation and remodeling of the school administration office, announced superintendent, H. John Fuller.

He said the project will add 2,800 square feet to the existing building allowing the school district to combine all of the Central Administration offices. The new addition will also include a meeting room for the Board of Trustees.

Fuller said the contract was awarded to M & S Construction Company from Levelland, with a

base bid of \$209,000 and an alternate bid for a geo-thermal heat pump totaling \$8,000. The contractor indicated that the construction would begin in a few days and that several local businesses would be contacted to establish accounts and to determine what items could be utilized locally.

He also added that the project is part of the school's overall school improvement plan. The school district will not be seeking financing for the project as this building, as with all of the present construction and expansion projects, is part of the district's "pay as you go"

plan. Muleshoe ISD has had no bonded indebtedness since 1981 and presently "works" from a priority list as current maintenance funds become available.

Also, the new addition will Cont. Page 6, Col. 1

Horse Holding Facility Expanded During Year

Drive out of Muleshoe to FM1760 traveled down that road, also known as the 'Portales Cutoff' for about 16-17 miles, and you will find something quite out of the ordinary in this part of the country, known for its cattle feeding operations.

You will find Carr's Horse Holding Facility, which has been in existence for more than a year now. Last year, as just about this time, a grand opening and horse adoption was held at the facility, a first for this area.

At that time, the facility had 45 pens to hold horses until they could be treated medically, fad and fattened up, then shipped to distribution centers in various areas.

A year later, another 20 pens have been constructed, and instead of the former 2,000 horses which could be held, more than 3,000 can be held at this time.

B.T. Frost, government project inspector, who stays at the holding facility, and Roseanne

Gloria, project manager, said they currently house 2,300 horses, and are shut down right now for the foaling season.

A total of 10 employees take care of more than 2,300 horses, one two year old mule, and untotaled colts. They average shipping out three loads of horses a week to the different distribution centers, according to Frost, who said the facility has shipped out more than

Cont. Page 6, Col. 1

High Plains Firefighters

Adopt By-Laws, Rules

Around 40 firefighters from 14 different fire departments were at Earl Ladd Station in Muleshoe Monday night, for the second meeting as the departments are in the process of organizing the High Plains Firefighters Association.

On Monday night, following a hamburger supper at the station, the group adopted a set of By-Laws and rules for the organization.

Signing up during the evening were firefighters from Farwell, Sudan, Levelland, Nazareth, Amherst, Walcott, Whiteface, Bovina, Morton, Oltun, Lazbuddie, Earth, and Friona, along with the Muleshoe Fire Department. Also attending the meeting were Marvin Turner and Charles Barbier, both with the Texas Forest Service.

High Plains Firefighters newly elected President Jack Dunham, read the proposed By-Laws and explained the objectives of the association.

It included to develop a viable, high class firefighting group, who will all follow the same guidelines and assume the same responsibilities.

The organization will exchange ideas, information and assist each other. Also, and importantly, the organization will encourage community 'spirit' and activities for various social functions.

"Our soul purpose is to help each other," said Dunham. "And, this organization is NOT being organized as a political group."

Following a discussion, it was determined to have a president,

vice president and secretary-treasurer; with the outgoing president designated as an ex-officio member of the officers, in order not to virtually 'start over' each year.

A majority of the membership will elect officers as the first meeting of each April, however, it will take a three-fourths majority to terminate the membership of any department member. In order to drop out of the association, a member department is required to first write a letter, stating their intentions.

In order to vote on anything, Cont. Page 6, Col. 2

Kindergarten, Pre-Kindergarten

Spring Round-Up Scheduled

Friday, May 1, Dillman Elementary will pre-register students who are eligible for kindergarten or pre-Kindergarten for the 1987-88 school year.

Registration will take place in the Dillman Gym from 8 a.m.-4 p.m. To be eligible for kindergarten, children must be five years old by September 1, 1987.

In order to register for kindergarten, children must be four years old by September 1, 1987 and must meet one of the following requirements: (1) have limited knowledge of and comprehension of the English language, or (1/2) are from a family who is eligible to receive free or reduced price lunches.

The pre-kindergarten classes will operate on a half-day basis only, with classes being from 8:10-11:10 a.m. or from 12:25-3:25 p.m. Kindergarten will operate on a full day basis.

Parents are asked to bring the child's birth certificate and immunization records when enrolling. All children who enroll for kindergarten or pre-kindergarten on May 1, will also be screened for speech and language that day, so parents are urged to bring their children with them.

Please contact Mrs. Barbara Finney, principal, Dillman Elementary School, if you have questions. Or call, 272-7541.

LITTLE NASA--Monday, science students from Muleshoe High School, after obtaining special permission from NASA launched rockets from the City Park in Muleshoe. Pictured here is one launch getting ready. Facing the camera, adjusting the base, is MHS Science Teacher Michael Summers.

CofC MEMBER OF THE MONTH--Tuesday morning, presentations were made by the Muleshoe Chamber of Commerce and Agriculture. Toni Eagle, left, manager of the CofC; and Ron Montgomery, CofC president, right; presented Myrtle Creamer, an individual member, with the Member of the Month certificate for May. Mrs. Creamer, is official 'telephone caller' for the CofC.

Getting Stand Of Cotton Important

By James R. Supak
Extension Agronomist-Cotton
Cotton planting seed supplies on the Texas High Plains will be limited in 1987. It appears there is adequate seed of acceptable quality for the first planting but supplies of certain varieties are already in short supply.

Some growers may have to change varieties or accept seed from lots with standard germination below 80 percent or Cool-Warm Vigor Index (CWVI) values of 120 or less.

Should the need for above normal replanting be encountered, growers are likely to experience difficulties in obtaining quality planting seed, especially of the faster maturing varieties.

As always, it is important to get an acceptable stand from the first planting. There isn't much that can be done about hail, washing rains and sandstorms that take out the first stand. However, some precautions can be taken to avoid poor stands or replanting due to factors related to seed quality, planting dates and planting techniques.

Establishing planting seed quality is the first step toward getting an early, uniform stand of cotton. Good quality, high vigor seed provide better germination and emergence under stress conditions such as cool, wet weather, planting too deep, crusting, etc. The resulting seedlings are less likely to encounter seedling disease problems and are more tolerant to later environmental stresses.

On the other hand, seed that was produced under poor growing conditions, that germinates less than 75-80 percent in standard germination tests and has CWVI values below 120 will require near optimum conditions to develop an acceptable stand and normal production.

The importance of seed quality and its influence on stand establishment and yield is illustrated in the results of a research test conducted by

USDA Ag Engineers at Lubbock. In this study, the engineers used "good" (85 percent germination) and "poor" (65 percent germination) quality seed. The seed was planted at three different depths in a moist soil in mid-May. The results are presented on Table 1.

Their findings show that under ideal conditions (two-inch planting depth), the good quality seed produced 10 percent more lint than the poor seed. When both seed lots were planted three-inches deep to induce a moderate stress condition, the good quality seed still produced top yields whereas yields from the weaker seed fell another 10 percent.

Finally, at the four-inch planting depth, (heavy stress condition) yields of the higher quality seed were reduced 15 percent while those from the lower quality seed fell an additional 12 percent (or some 30 percent below that of the good seed planted at the optimum depth).

The lesson here is clear: use the best quality seed available and when forced to use lower quality seed make every possible effort to avoid or reduce stress conditions.

In most years, growers will plant two or more lots of seed that differ in quality. As a rule, wait to begin planting until the 10-day average soil temperature at the eight-inch depth reaches 60 degrees Fahrenheit. Remember that this is the minimum temperature at which the planting of good quality seed is recommended.

If there is a question about even the best seed available, allowing the 10-day average soil temperature to reach 65 degrees Fahrenheit greatly increases the probability of getting a stand and cuts down the chances of seedling disease problems.

Always start planting with the best seed. The time it takes to plant the first lot of seed may allow the soil to warm another one or two degrees and the passage of a wind storm or other weather hazard before planting.

Crusting is a frequent problem in this area. Low vigor seed may lack the energy reserves needed to break through the crust. Rotary hoeing or other tillage operations

will be required to aid emergence

One way to increase the probability of getting a stand from lower quality seed is to increase the seedling rate. Seed technologists and seedsmen generally agree that if the seeding rate needs to be increased more than 25 percent above the usual rate, to get a stand of another source of seed should be considered.

Excessive planting rates (above 25 to 30 pounds per acre) frequently result in accelerated stand losses due to increased populations of seedling disease organisms within the drill row. The weak or dead seed serve as a food source for disease organisms and stimulate their development.

Acceptable yields can be attained from a crop that started with fairly low quality seed. Regardless of the quality of available seed, it is always a good idea to take reasonable precautions that minimize the amount of stress germinating seed and young seedlings are subjected to.

Letter To The Editor

Dear Ms. Williams:
We are glad you had an opportunity to meet and visit with Kevin Knapp, our new mobile office operator when he was in Muleshoe recently. We have missed having the mobile office in operation in the 31st District. We think it is very important to have this type of contact with our constituents and realize the opportunity it affords us to keep in close contact with the people on a grass-roots level.

We appreciate your continued support and realize we need to get out in the district. I am planning to travel in my district more as soon as the 70th session is over in May. I look forward to being able to visit with friends and constituents and hear on a firsthand basis their thoughts and ideas.

Thank you again for taking time to visit with Kevin and I look forward to seeing you this summer. If we can assist you in any way in the future, please do not hesitate to contact us.

Sincerely yours,
Bill Sarpaluis
P.S. Cleta, let me buy you lunch when this session is over. It is always good to hear from you.

Three-Way News

by Mrs. H.W. Garvin

We wish to express our sympathy to the Rayford Masten family on the death of Clarence Benton, Mrs. Mastens father who died in Methodist Hospital Tuesday evening. Graveside services was held at Gore Friday afternoon.

Mrs. Bobby Kindle and Stacy spent Monday in Lubbock on business.

Mr. and Mrs. S.G. Long returned home Friday after several days visit in Philadelphia, Penn. visiting the James Long family. They did a lot of sightseeing while there.

Mr. and Mrs. George Tyson spent Monday and Tuesday in Lubbock visiting their daughter, the Tommy Durhams, and on business.

Mrs. H.C. Toombs spent Thursday and Friday in Lubbock attending the Post Masters Convention.

Mr. and Mrs. S.G. Long and Mrs. Beulah Toombs visited Mrs. H.W. Garvin Saturday evening.

Mr. and Mrs. Rodger Hatcher and daughter and Mrs. Ora Hatcher from Clovis visited the Jack Lanes and attended church. Also visiting the Jack Lanes and attending church

were Mr. and Mrs. V.A. Lane and Mrs. Lana Pierce from Littlefield and Mrs. Nettie Quesenberry and Jana Lane from Muleshoe.

Mr. and Mrs. Kenneth Fox from Clovis spent Sunday with her mother, Mrs. H.W. Garvin.

Mrs. Ben Nelson from Seminole spent Sunday with her sister, Mr. and Mrs. Robert Kindle.

Mrs. Tommy Terrell and Shellie from Grady, Texas attended church at Three Way Baptist Church Sunday.

Mr. and Mrs. Kenneth Fox from Clovis visited their aunt and uncle Mr. and Mrs. Georgey Tyson Sunday evening.

Mr. and Mrs. Andrew Wittner spent the weekend in Dallas visiting their grandchildren.

If everyone thought alike this would be a stagnant world.

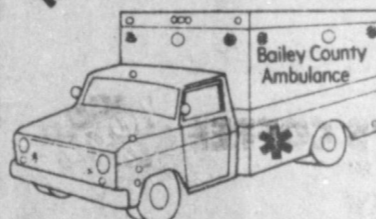

The trouble with the world is the younger generation—grown older.

Baseball fans are beginning to read the morning newspapers again.

The man who knows it all is as dangerous as the man who knows little.

It never occurs to some that others have sense enough to manage their own affairs.

KNOW YOUR

EMS

By: Bailey County Ambulance Service

One of the EMT volunteers for the Bailey County Ambulance Service is Joe Don Prather, a lifetime resident of Muleshoe. He is proud of his EMT status and in June begins work toward his EMT-SS (Special Skills).

The son of Don and Norma Prather, Joe Don graduated from Muleshoe High School in 1977, then attended college for one year at West Texas State University. He also attended EMT school in 1986, receiving his certification at that time.

He and his wife, Pam, are the parents of Jamie Beth and Jered Dan, and their anniversary is August 15.

Joe Don's employer is the State of Texas, where he is assistant maintenance foreman for the State Department of Highways and Public Transportation, a position he has served for the past two years. He has been employed by the state for nine years.

Within the next three years, he hopes to become maintenance foreman for the Highway Department.

MISS SONDRA PARKER

Bridal Shower Fetes

Miss Sondra Parker

The home of Mrs. Jack Dunham was the scene of a bridal shower honoring Miss Sondra Parker, bride elect of Tony Sealey, Saturday, April 25.

Guests called between the hours of 1:30 and 3 p.m. and were greeted by the honoree and her mother, Mrs. Lavelle Parker, and registered by Cindy Magby.

Mrs. Brenda Stephens served pineapple punch and thumb print cookies from a brass punch bowl and cups.

A white linen table cloth covered the serving table which was accented by an arrangement of blue silk flowers. The honoree's corsage consisted of blue silk carnations and daisies.

Special guests included Lavelle Parker, mother of the bride elect; Brenda Stephens, sister of the bride elect; Mrs. Elmo Owen, grandmother of the bride elect; and the honoree's

great grandmother, Mrs. O.T. Howard.

The hostesses gift was a set of luggage. Hostesses for the occasion included: Bobbie Dunham, Cindy Magby, Terry Young, Becky Churchman, Theresa Jones, Mary Janice Brantley, Linda Flores, Barbara Reeder and Vicki Garner.

Muleshoe Area

Retired Teachers

Meeting Held

Muleshoe Area Retired Teachers met Friday, April 24 in the fellowship hall of the 16th and Ave. D. Church of Christ. Mrs. Maxine Ragsdale, president, called the meeting to order and the Pledge of Allegiance to the flag was given by the members.

Mrs. Lena Hawkins read the minutes of the previous meeting and the treasurer's report was given by Mrs. Lois Witherspoon.

Mrs. Ragsdale then presented Mrs. Ester Marie Dillman who gave a book review of "Willie, A Girl From A Town Called Dallas" by Willie Newbury Lewis.

Refreshments of cake and punch were served to Mrs. Dillman, the guest speaker; Ila Lloyd, a visitor from Littlefield; and members, Mrs. Ragsdale, Lois Witherspoon, Ethel Allison, Carrie Lee Bishop, Pauline Guinn, Lena Hawkins, Josephine Mitchell, Mary L. Thaxton, Mabel Wolfe, Kathryn Sanders and Jean Moore.

Piano, Organ

Students Plan

Recitals Sunday

The piano and organ students of Elaine Damron will be presented in two recitals Sunday afternoon, May 3 in the main sanctuary of the First United Methodist Church.

Recitals will be at 2 p.m. and 3:30 p.m. with an awards program in between the two at 3 p.m. including the pupils from both recitals. Mrs. Damron said "the public is welcome to attend these programs."

Holmes Presents Program

The Muleshoe Chapter of AARP met Friday, April 24 at the Civic Center for their regular monthly meeting. Katherine Sanders presided over the business meeting, in the absence of Myrtle Creamer, president, who is ill.

Dorothy Bowers read the minutes of the previous meeting. The treasurer's report was given by Luease Bennett.

Clifton Finley introduced Wayne Holmes from the Police Department. He gave an informative talk on the needs of Senior Citizens and problems of hiring help and getting repair work done. He said the best policy is to use people or firms that you know and have been

tested. He also stressed the importance of calling the police department if there is any suspicion of criminal intent. He said our police department is just as efficient as we will allow it to be.

Jo Ann Head checked blood pressure for the members and explained the proper method to get an accurate test.

Magann Rennals talked about the Heritage Foundation Auction scheduled for May 2, then took the AARP members on a tour of the depot which is nearing completion.

The chapter voted to buy five chairs for the depot and to donate \$50.00 to help clean up the Civic Center after the auction.

Kristina Marie Pepper

Tom and Laverne Pepper are the proud parents of a daughter born Thursday, April 16, in Mercy Health Center in Oklahoma City, Okla.

The young lady weighed six pounds and 11 ounces and was 19 inches long. She has been named Kristina Marie.

Grandparents are Rev. and Mrs. Gerald Pepper of Cushing, Tx. and Duane and Loretta Lloyd of Muleshoe.

Rebecca Mechelle Gipson

Mr. and Mrs. Ivan Gipson of Anton are the proud parents of a daughter, Rebecca Mechelle, who was born at 10:54 p.m. Monday, March 23 in Cook Memorial Hospital in Levelland. Rebecca Mechelle weighed seven pounds and five ounces and was 19 and half inches long.

Grandparents are Mr. and Mrs. Billy Klam of Anton and Mr. and Mrs. Sam DeLaRiva of Sudan.

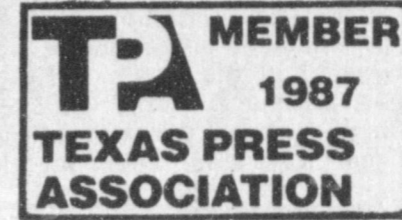

Great grandparents are Mr. and Mrs. Kenneth Lee of Weatherford.

Friendship is the hardest intangible to define with any degree of accuracy.

Piano Students Audition For Big Piano Event

Twenty-five piano students of Elaine Damron have enrolled in the National Piano Playing Auditions sponsored by the National Guild of Piano Teachers. Auditions are scheduled for Friday and Saturday, May 1 and 2 at the First United Methodist Church fellowship hall with Jim Rauscher of Amarillo, serving as adjudicator.

The Biggest Piano Event in the World is conducted in over 770 audition centers from coast to coast with more than 115,464 piano teachers and students participating.

Each entrant plays from three to 20 memorized pieces and is given a rating by the judge. Awards for students participating in the auditions include certificates, pin, diplomas and scholarships. "Incentives and awards help increase the skills and knowledge of students entering" said Elaine Damron.

Jim Rauscher, the adjudicator, is currently on the music faculty of Amarillo College in Amarillo, where he is serving his sixth year as an instructor of private piano, piano classes, and piano ensembles.

A native of Medford, Wisconsin, he received his bachelor of music education degree from the University of Wisconsin-Eau Claire in 1979, where he majored in both piano and trumpet. A master of music in

piano performance and literature degree followed in 1981, from the University of Illinois at Urbana/Champaign.

While at Eau Claire, Rauscher studied piano with Nancy Rice Baker, and trumpet with Dominic Spera. At Illinois he studied piano with Claire Richards and Ian Hobson, and trumpet with David Hickman.

Pianist for the Amarillo Sym-

JIM RAUSCHER

phony and accompanist for the Amarillo Civic Chorus, he is also an active solo recitalist, accompanist, and adjudicator. He made his professional debut as soloist with the Amarillo Symphony last year and returned as soloist in George Gershwin's Rhapsody in Blue this past December.

In 1986, he was named "Music Teacher of the Year" by the Amarillo Music Teachers Association. Since 1982, Rauscher has been accompanist for soprano, Mary Jane Johnson, Native Texas currently with the Metropolitan Opera, in over 60 recitals across the United States.

Girl Troop 190 By Mary Franklin

April 25th was a very exciting day for Troop No. 190 and Troop No. 273. We had Brownie Troop No. 273 with three girls and Junior Troop No. 190 with five girls attending another workshop in Plainview. The badge earned was Girl Scouting Ways for the Brownies and Girl Scouting Everywhere for Juniors.

There were a total of 58 girls and 10 leaders present for this workshop. After everyone recognized all they knew from the last workshops attended we got down to business. The Brownies did the following: Girl Scout Savings Book, made a Hiking Stick, made a sit upon (something soft to sit on), Girl Scout Birthdays, and Ceremonies.

Juniors did the following: Martha Couch talked about careers in Girl Scouts, learned about Girl Scouts in different countries, Bess Ballen from Plainview said the Girl Scout promise in her native language, Phillipines; talked about the founder of Girl Scouts Juliette Lowe plus done a puzzle, there was a discussion on the Junior insignias.

Everyone saw a film called Cagettes, they put on a candle ceremony. Troop No. 190 held the Flag Ceremony. Then they received their badges and loaded up once more.

We then headed for Lubbock to tour the Texas Tech Museum. We met in front of the Museum. We then received papers on the Girl Scout part, before going in. It was really very interesting, but also very tiring.

They then received their 75th Anniversary Council Patch. Everyone left and headed for home.

COMMENCEMENT EXERCISES

The commencement exercises for the graduating class of the Muleshoe High School was held last night in the High School auditorium. The building was filled to overflowing.

Sixteen boys and girls received their diplomas. This closed one of the most successful school terms Muleshoe ever had. The close cooperation of the Board of Directors, teachers, pupils and parents has been very noticeable throughout the term.

50 Years Ago

1937
LAST NIGHT 135 CROP APPLICATIONS MADE

There have been 135 applications for crop loans made in Bailey County to date, according to information given out by officials of that office at the court house.

These loans average about \$244 each, totaling \$26,100.00 A few of them have not yet been returned from the Washington office.

It is stated the feed loans in

this county will probably average about the same number and amount as of those last year. A good percent of farmer loans have been paid.

40 Years Ago

1947
THREE WAY SCHOOL'S NEW BUILDING FINISHED

One of Bailey County's best and fastest growing schools--Three Way--has practically completed its new building. This building is a realization of a dream envisioned in May

1945. On that date the patrons of Goodland, Watson and Maple combined their districts to form the Three Way Independent School District.

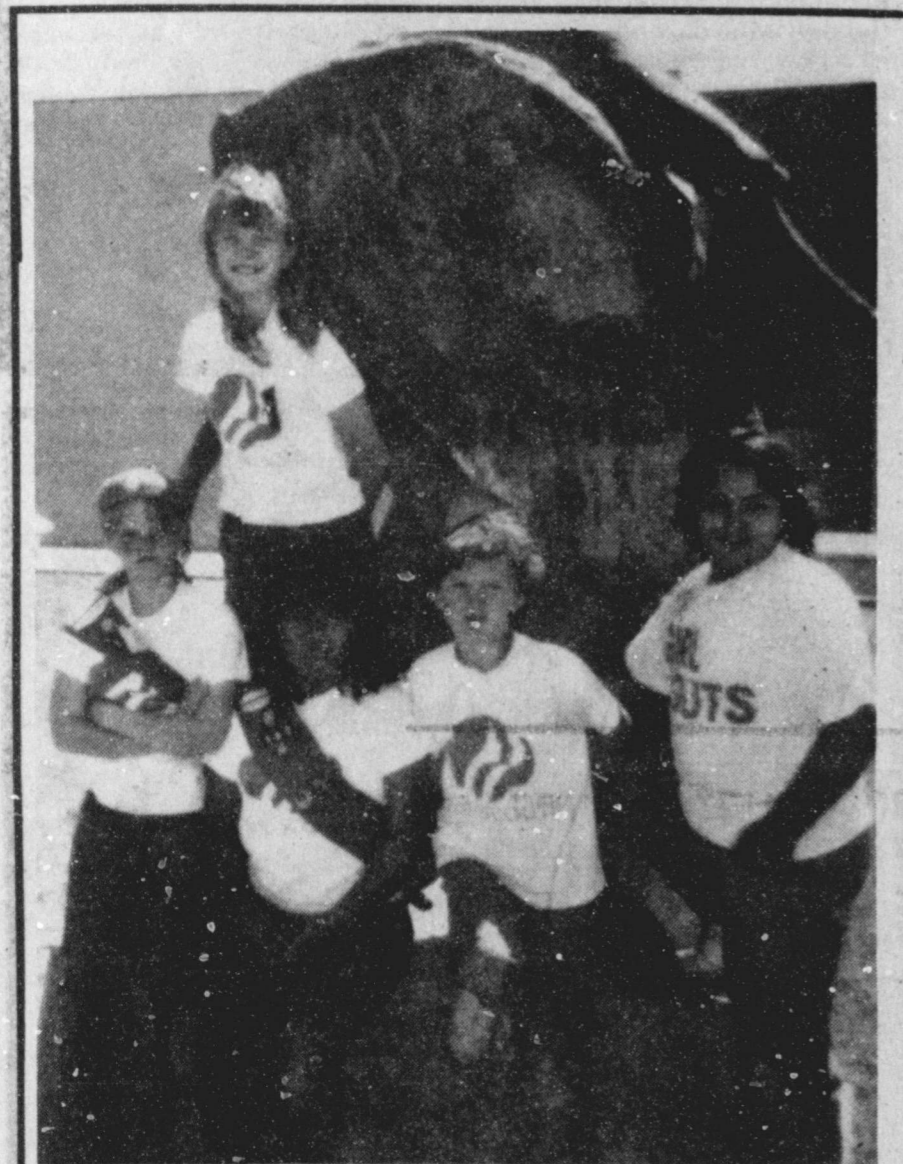

Immediately, bonds in the amount of \$130,000 were floated. The purpose of this issue was to build and equip a new combination high school and elementary school building, and a combination auditorium and

gymnasium. The school building now stands completed at an overall cost of approximately 95,000. Thus, Southern Bailey County and Northwestern Cochran County boast a high school as efficient as any to be found and as modern as tomorrow.

meant several local needs, explained the superintendent.

First, the Junior High School will gain an additional classroom since the Assistant Superintendent, Elizabeth Watson, will move to the central office.

Second, the new board room will also serve as a meeting room for the administrative staff and teachers.

Third, the school district's professional library can now be expanded and will be more accessible to teachers as well as for the Board of Trustees.

Finally, the new facility will expedite the district's shipping and receiving as a new 'mail room' will be constructed at the rear of the building.

Fuller said the project should be completed in late August of this year.

RAISING POSITIVE KIDS
"Raising Positive Kids In A Negative World" and "How To

Horses...

Cont. from Page 1

4,000 horses since they opened.

Most of the shipments go to Liberty Hill, Canon City, Colo., Phoenix, Ariz.; Bloomfield, Neb. and Conway, Ark. Adoptions are scheduled out of these locations and although the local facility has not had an adoption for some time, both Frost and Gloria said they will probably schedule another adoption sometime late this summer.

Most of the horses arrive fairly healthy, explained Frost. But, horses that need treatment receive medicine and some may end up in 'sick pens' for awhile. Those who need it, get new freeze brands, if their existing freeze brand is unreadable, and those healthy are turned into pens.

When asked what the horses are fed, to put pounds on 'the rangy, wild horses, Frost replied alfalfa pellets, grain and some chopped alfalfa.

However, despite the fact that it was announced earlier when the facility was opening, that as many supplies as possible would be purchased in and around Muleshoe, it did not work out with alfalfa pellets.

"No one around Muleshoe could beat their price," said Frost of their alfalfa supplier, Seven Rivers, of Roswell, N.M.

Frost who has been with the Bureau of Land Management since 1977, said he worked on ranches in California prior to that time. From 1977 until he moved to Carr's Horse Holding Facility in January, 1986, he gathered wild horses, and had helped gather more than 17,000 horses in the California desert, Death Valley and the Mojave Desert.

He says it is his responsibility at the facility to see that horses are handled in a humane way. Frost spoke of the many years he rode into canyons, gulleys, on deserts, and every part of the wild, untamed country still in the U.S. gathering up wild horses, and his decision to leave that life for the more sedate life of caring for penned wild horses.

If you haven't been out there, it's worth a drive out to see the horses. Visiting hours are 1-4 p.m. and the horses are worth seeing.

Help Your Child During The Summer Months" are two topics to be discussed at a workshop for parents being sponsored by the local school district Thursday, April 30, (today), at 7 p.m. in the high school auditorium.

All parents are encouraged to attend. The workshop is designed to help all parents better understand the role every parent has in promoting the welfare of their children and providing the best education possible.

The workshop will begin with a general assembly at 7 p.m. that will last approximately 45 minutes. Following the assembly, each principal, along with the counselor, from each campus, will be responsible for a break-out session from 8-9 p.m.

Dillman Elementary-High School Auditorium-Topic: Summer School and Instructional Program Information.

DeShazo Elementary-High School Cafeteria-Topic: Helping Your Child in the Summer.

Watson Junior High-High School Room 10-Topic: Summer School, Promotion Requirements, Preparing for High School.

Muleshoe High School-High School Room 11-Topic: Graduation Requirements and Four Year Plans.

The workshop will conclude at 9 p.m.

Fire Fighters...

Cont. from Page 1

each department will have one vote, they will name a voting delegate and an alternate. Membership will cost \$25 per department each year.

Charles Barbier, a communications specialist with the Texas Forest Service spoke to the group about the possibility of the Texas Forest Service assisting the new organization in obtaining a new radio system.

He said it is the policy of the Forest Service to go 50-50 in helping obtain radio and communications equipment.

However, he said he needed to find out what the different departments have in the way of communications equipment, and suggested a committee be named to coordinate the organization's efforts to get together a communications package.

He praised the new organization, saying it is one of the largest, if not the largest, firefighter's association he is working with.

Barbier also suggested that the firefighters seek a state charter as a non-profit organization, which will help both with tax reasons, as well as provide safety for the association.

The Forest Service representative also said the Forest Service could help the organization in many ways, including training, command, trucks and equipment, and radios.

Marvin Turner also presented remarks to the new organization, and pledged his assistance in getting together presentations for the Forest Service.

Shop Muleshoe First!

CHECK PRESENTED--And quite a check it was. Charles left, and Marvin Turner, right, both of the Texas Forest Service, presented the \$7,000 oversize check to Joe White, Farwell Fire Chief and James Curtis, Assistant Fire Chief. The presentation was made at a High Plains Firefighters Association meeting in Muleshoe Monday night.

All Day Celebration

\$20 value, Damron Drug.

Dictionary, Muleshoe Publishing Co. Inc.; The Journals; one Roly Kit storage system (tool kit), \$22.95 value, Higginbotham-Bartlett Co.; 10 completed books of Blue Stamps, Pay and Save; \$50 gift certificate, Lookin' Good; large three-tiered hanging shelf, Muleshoe Art Loft and free meal at Leal's, Bruce Electric.

Halston gift set, \$15 value and Image travel bag, \$10 value, Western Drug; Pentel Pen, Williams Bros. Office Supply; Sunbeam Food Processor, Southwestern Public Service Co.; Fluppy Dog, \$29.95 value, Fry & Cox, Inc.; one free office visit, Dr. Bruce Purdy, and one free cholesterol check, Terry Hutto of Muleshoe Diagnostic Lab.

With the growth of the event, it will be televised all day from the Bailey County Civic Center.

Also, live entertainment will be featured, along with the 'I Love Muleshoe Daze' celebration and the MAC Buck Drawing.

Three television stations have been contacted and have agreed to send TV news personalities to Muleshoe to help as Auctioneers.

Included are KLBK, Channel 13, Lubbock; KCBD, Channel 11, Lubbock and KVII, Channel 7, Amarillo.

Live entertainment will be included in the day, and some of the entertainers are Kerry Elien and Richard Campbell; Pat and W. T. Watson, Kenneth Precure, Roy Whitt, Muleshoe High School Jazz Band, Elaine Damron's piano students; Gospel Notes, Wayland Ethridge, and Laura Leal, all of Muleshoe.

Other entertainment will feature Dennis Smith, formerly with Lawrence Welk, now of

Nashville, TN, singing Western-Folk songs, and a nephew of Ralph Randolph of Muleshoe; Krystal Collections, a female barber shop quartet of Lubbock; The Larry Buchanan Band of Floyd, N.M. and the Border-town Four of Farwell.

Larry Hagman sent an autographed script from 'Dallas' with an autographed picture and a bogus \$1,000 bill.

Received from Lady Bird Johnson was a pen with President Johnson's insignia.

Michael Landon sent an autographed copy of 'Highway to Heaven' and Robert Redford sent an autographed, illustrated book, 'The Outlaw Trail.'

Also, numerous other items have been donated by local merchants and artists. Included are airplane and helicopter rides.

All during the day at the Civic Center, the Jennyslippers will be operating a concession stand. Available will be barbecue plates, sandwiches, hot dogs, nachos, drinks.

Railroad Crossing Guidelines Outlined

A locomotive engineer with Burlington Northern Railroad of Amarillo, Dub Nichols, was guest speaker for the Muleshoe Rotary Tuesday at noon. Introduced by Curtis Shelburne, who was in charge of the program for the day, Nichols centered his discussion around "Operation Lifesaver," an ongoing awareness program concerning railroad grade crossings.

Using both an explicit film, as well as dialogue, the engineer graphically spelled out the dangers of 'not paying enough attention' to railroad crossings.

Nichols explained that the 'crossbuck' on a railroad crossing, as well as flashing red lights and crossing arms, are all mandated by law -- and they all mean "STOP."

Signals at grade crossings are very expensive, explained Nichols, saying they cost from \$50,000-\$250,000 per crossing and were placed there to be obeyed.

Utilizing actual railroad crossing accidents, the Florida East Coast Railroad compiled the film shown Rotarians and guests. The film showed how, using the disregard of railroad warning signs, lives have been lost.

Nichols said an average train weighs 6,000 tons; and at 30 mph, it takes a train approximately one-half mile to stop and at 60 mph, it takes approximately a mile to stop a train.

However, coal trains, such as the 4-5 per week that travel through Muleshoe on their way to SPS's Tolk Station, weigh in the neighborhood of 30,000,000 pounds. With an average speed of 45 mph, Nichols said 15 trains travel through Muleshoe each day.

There are 12,000 grade crossing accidents per year in the U.S., added the engineer, with 4,600 serious injuries and 800 fatalities.

Statistics show that 55 percent of the accidents occur at signalized crossings; and most of them involving persons who cross at that location from one

to several times a day; 62 percent involve automobiles; 60 percent happen during daylight hours; 72 percent occur in clear weather; 73 percent involve train speeds of less than 30 mph; 93 percent happened where the driver's view was unobstructed; and 29 percent involved vehicles running into trains.

Also, Nichols said persons who cross the tracks several times a day, tend to 'forget' there are actually trains that travel down that particular track -- and just take for granted, instead of looking, to be sure no train is approaching.

In other Rotary action, President Bill Liles briefly discussed the upcoming lawn mower giveaway by the Rotary Club; a letter from Kristen Miller and the district meeting.

Visitors at the meeting included Dave Phillips, Steve Bell and Cleta Williams.

Police Report

Muleshoe City Police have found a busy time recently, especially with cases of criminal mischief reported, with five persons reporting either broken windshields or broken windows, in the amounts of \$120, \$40, \$280, \$250 and \$146.45.

A stolen trailer was recovered in Roswell, N.M. before the owner knew it had been taken and three radiators were reported to be stolen, with a value of \$1,300. Also stolen was a lot of irrigation engine parts from a vehicle, valued at \$772.57.

One telephone harassment was reported.

Arrests included two for worthless checks and one each for possession of marijuana and DPS warrants; public intoxication; no driver's license; aggravated assault and one for unlawfully carrying a weapon.

Mighty 'M' Band

Band Receives Third Sweepstakes

As summer band started up last August, many upper classmen had mixed emotions about how the year would go. Part of this was due to the fact that this year's band was fairly young with thirty freshmen and around twelve seniors. Not only was the band young and inexperienced, but they also had to adapt to the teaching style and personality of their new band director. Although he had just barely graduated, Mark Heidel had the know-how to create a winning band. This know-how really paid off as the band had a great year.

Mr. Heidel went to school in Lamesa where he was in the band for four years and the Jazz Band for three years. Mr. Heidel was very active in the music program by being in all-region band for four years, all-area for three years, and all-state for one year. Among his other accomplishments, he received the John Philip Sousa Award.

In college, he was a member of the Marching band and symphonic band for four years. He was also a member of a brass quintet for three years. He was a member of the band fraternity, KKY, in which he served as the historian one year and the president another year. Mr. Heidel was also able to perform in the Olympic Band. Aside from music, Mr. Heidel likes to read, hunt, fish, bowl, play tennis and chess.

Heidel's understanding of music was what helped the band. His love for music is what gave the repertoire that the band played the extra flair needed for competition. Mr. Heidel also desired perfection which caused the band to strive hard to reach the goals set at the first of the year.

One goal was to do well in the South Plains Fair Parade. The band placed third which was a real accomplishment as the band had not competed in that contest for many years. The next step was to strive for Sweepstakes.

Marching contest came and

went, and the band had received the I rating needed to become eligible for Sweepstakes. Heidel's expectations for perfection increased as concert season got under way and contest approached.

The day approached and the band began to work intensely. This would be the third year in a row the band won this honor if they made the 2 I's they needed.

Finally, the day arrived. The band travelled to Sudan for their 4:00 performance. The concert portion of the contest went well. As the band waited to sightread, the tension increased. After they left the room, they went to change and

to await the results. When they were posted, the band went wild. The ratings were all I's. They had made Sweepstakes again for the third year in a row.

The band hasn't stopped there though. They are working hard for their concert in which they will play very demanding repertoire.

Heidel's future plans include striving for 3-A Honor Band, and to qualify for the State Marching Contest. He also hopes to increase the enrollment to 100 students along with expanding the jazz program so it will include two bands.

Mr. Heidel also felt that this "past year was successful

considering the large number of freshmen" in respect to the small amount of seniors and the large number that graduated last year. He was also pleased with the music the band played which was on the grade level above what was required. The Jazz Band received a I in concert and a II in sightreading, and they were the best 3-A band to compete. The band also had forty-nine students make the all-region band, which was almost half of the positions.

Mr. Heidel was greatly pleased with this past year's accomplishments, and in reference to next year, he said that the marching show will be "contemporary, asymmetrical, and challenging."

Muleshoe Track Teams Anticipate Regional Meet

The boys' and girls' track teams have done very well in their last two track meets. The boys and girls placed fourth overall at the Carlsbad meet.

Norman Perez placed first in the 800 m. run with a time of 2:03 and the girls' 1600 m relay placed third.

The teams also participated recently in the track meet at

Dimmitt, where the boys placed first overall and the girls finished third. The boys' 1600 m relay team finished first with an excellent time of 3:42. Rudy Flores, Norman Perez, Daniel Olivas, and Scott Pickel all placed first in their individual events. Debbie Isaac finished first in the high jump and the girls' 1600 m relay team finished third. The boys finished with a total of 132 points. The girls had a combined total of 83 points.

The boys' and girls' track teams have shown improvement each week. Coaches Jerry Johnson and Andy Gamble will be taking an impressive number of students to Odessa this weekend for the regional track meet. Those participating include Rudy Flores, Richard King, Greg Garcia, Jerry Mendoza, Shannon Simnacher, Miguel Sanchez, Norman Perez, Ronnie Perez, Daniel Olivas, Lisa Noble, Carissa Sanderson, Michelle Cox, Mary-Lou Bastardo, Norma Castore, Amy Bean, Debbie Isaac, Jenna Matthews, Amy Johnson, Amber Green, Jenni Green, and Letty Barron.

Coach Gamble stated that he feels that Greg Garcia, 1600 m run; Norman Perez, 800 m run; and Rudy Flores, 3200 m run have a great chance of going to state. He added that Shannon Simnacher, 400 m run; Daniel Olivas, 100 m run; and the 1600 m relay team of Miguel Sanchez, Shannon Simnacher, Ronnie Perez, and Norman Perez must run the best they can and better, but that if they do so, he feels that they can qualify for state.

Coach Johnson commented that more girls qualified this year for the regional track meet than had done so in the last four or five years. He feels that they stand a very good chance of making the finals but must improve their time if they hope to go to state.

Down The HALLS Of MHS

Mrs. Allison, did you enjoy your early lunch? Many of your third period students got out early for lunch twice. Thank You!!!

Lights - Camera - Action - NO film! Jana Brown has created a new art: filmless photography. At the last S.C.A.C. meeting the members were embarrassed to learn that their various poses and camera hogs were not captured on film due to a technical failure.

The senior invitations have arrived which make graduation seem more like a reality. If any of you seniors have not received your invitations yet, please bring your money and pick them up in the office.

The juniors are diligently working to organize the Junior-Senior banquet, which will be held on May 9.

Israel Infante has received a scholarship from FHA.

DECA/HECE had their employer's banquet on April 23. Congratulations to the winners.

FHA held their annual banquet on April 24.

Always speak the truth and you'll never be concerned with your memory.

MHS Honor Roll

April 10, 1987 was the end of the fifth six weeks for Muleshoe High School students. The seniors had the highest percent of students making the Honor Roll with 33%, the Freshmen, Juniors, and the Sophomores came in last. Those on the Honor Roll for the fifth six weeks are as follows:

SENIORS: Michael Angeley, Jana Brown, Shawn Bussey, Norma Castorena, Robin Ewins, Pam Flores, Rudy Flores, Kathy Horn, Debbie Isaac, Casey King, Lance King, Susie Leal, Melissa Martel, Abby Martinez, Mark Mata, Greg Moton, Maggie Navejar, Jitendra Patel, Norman Perez, Linda Recio, Chantel Robinson, Martina Schnarhorst, Pam Williams, Glenda Willoughby, and Greg Young.

JUNIORS: Brandon Carpenter, Armando Del Toro, Jodi Ferris, Johnny Garcia, Jerry Bob Graves, Sue Haire, Jennifer Green, Janie Kiser, Deborah Lackey, Darron Lopez, Bryan Morris, Richard Mayschondt, Rachel Pineda, Elizabeth Posadas, Bryan Swint, Mark Underwood, and James Ziegenfuss.

SOPHOMORES: Esther Acosta, Debbie Brown, Toby Carpenter, Andrew Espinoza, Troy Ewins, Selina Gonzales, Jo Ann Gutierrez, Justine Hanes, Lawrence Jaramillo, Krystal Angeley, Christy Mata, Lisa Noble, and Jaime Reyes.

FRESHMEN: Tessa Akens, Ronnie Gail Barrett, Jenny Bennett, Sharla Ewins, Amber Green, Shawn Green, Kimberly Harris, Amy Harrison, Holly Huckaby, Heather Hutton, Anna Jaramillo, Jimmy Johnson, Teresa Mendoza, Brenda Mudford, Stacy McElroy, Gloria Orozco, Brett Pylant, Carissa Sanderson, Shonda Strahan, Stacy Stroud, Lisa Triana, Tricia Underwood, Noel Vourazeris, and Kendra Wilson.

Citizen Of The Month

SCAC Chooses Citizen Of The Month

The Student Community Action Club met Tuesday, April 21, in the home of Jana Brown to discuss the upcoming Celebrity Auction and to select new club members for next year. The meetings, conducted by Debbie Isaac, also included a guest speaker.

The first item discussed was the Celebrity Auction, which is set for May 2. Everyone was asked to bring a donation so the club will be able to bid on items at the Auction. New members for next year were then selected by this year's club members.

Next, the Citizen-of-the-Month for April, Gordon Wilson, was introduced. He spoke on the importance of people in the community and things that improve it. Mr. Wilson was then presented with a card and a boutonniere.

The next S.C.A.C. meeting will be held at Beth Sander's house, with the date to be announced. All new members will be invited to this meeting.

Student Body Selects 1987-88 Officers

After heated campaigns, which included campaign posters, badges, and the "arm twisting" that often accompanies political contests, the 1987-88 Student council officers were elected last week by general vote of the student body. Those elected include president, Johnny Garcia; vice-president, Norma Jean Del Toro; secretary, Selina Gonzales; treasurer, Jennifer Green; parliamentarian, Lisa Triana; chaplain, Debbie Brown, and reporter, Armando Del Toro. The Student Council is devoted to the betterment of student life at MHS. Judging from the "life" of the officers, this group will be very "lively" next year. We congratulate these students and support their efforts.

Golf Places In Tournament

On April 3, the boys varsity golf A and B teams, under the direction of Coach Kyle Carver, participated in a Dimmitt tournament.

The A-Team placed 5th with a total team score of 378. Individual scores were Timmy Shipman 88; Jeff Hicks 91; Micheal Angely 93; Abel Leal 104; The B-Team had a total team score of 366 and placed 3rd overall. Scores were Brad Long - 90; Russell Brown - 95; Chris Young - 97; Lance King - 98; Edward Olivarez - 121. Jeff Hicks and Timmy Shipman tied for 7th place in overall total individual standings.

Currently, the A-Team is ranked 5th and the B-Team 3rd

in district competition. Best of luck for the rest of the season!

Calendar

 - Athletic Banquet, 7:00 p.m.

FFA Judging

Teams In

Competition

Once again the Muleshoe FFA Livestock Judging Teams have begun competition. The teams have competed in many events this year and their competition has taken them many places. At the Three-Way judging meet, John Killingsworth placed eighth high individual in swine. The West Texas State University meet found the dairy judging team placing forth over-all. The dairy team placed well at the Texas Tech annual judging meet as well. The dairy team placed eighteenth out of seventy-five other teams. Shane Burris was the fifteenth high individual.

We would like to congratulate these winners on their accomplishments and wish them luck in the future competition.

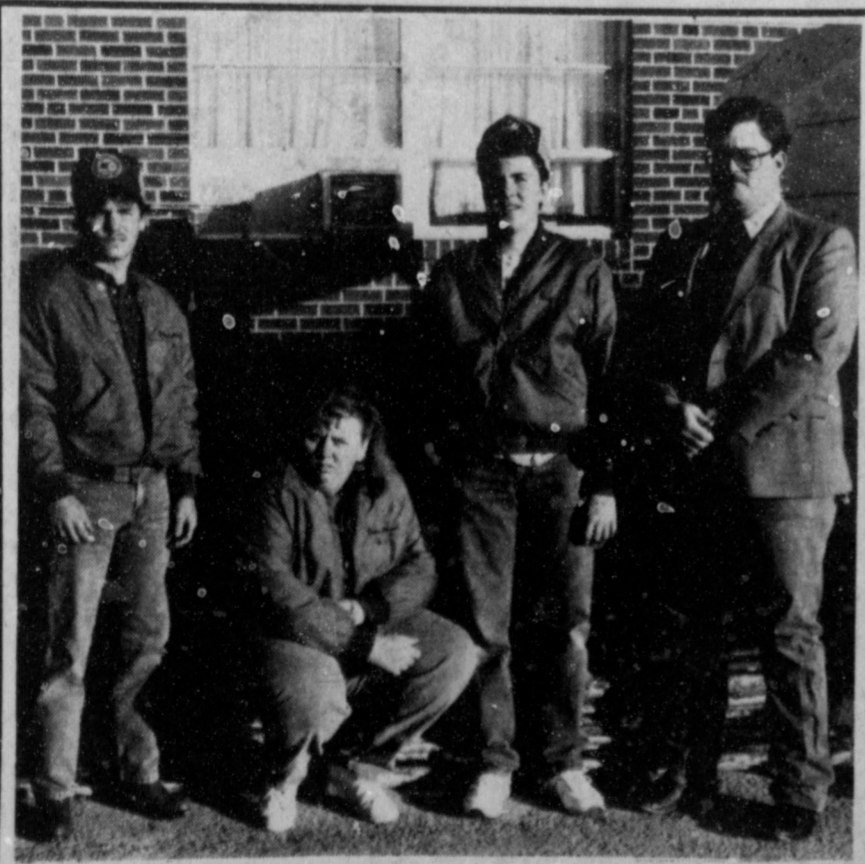

NOTES... COMMENTS

We propose a club to abolish clubs.

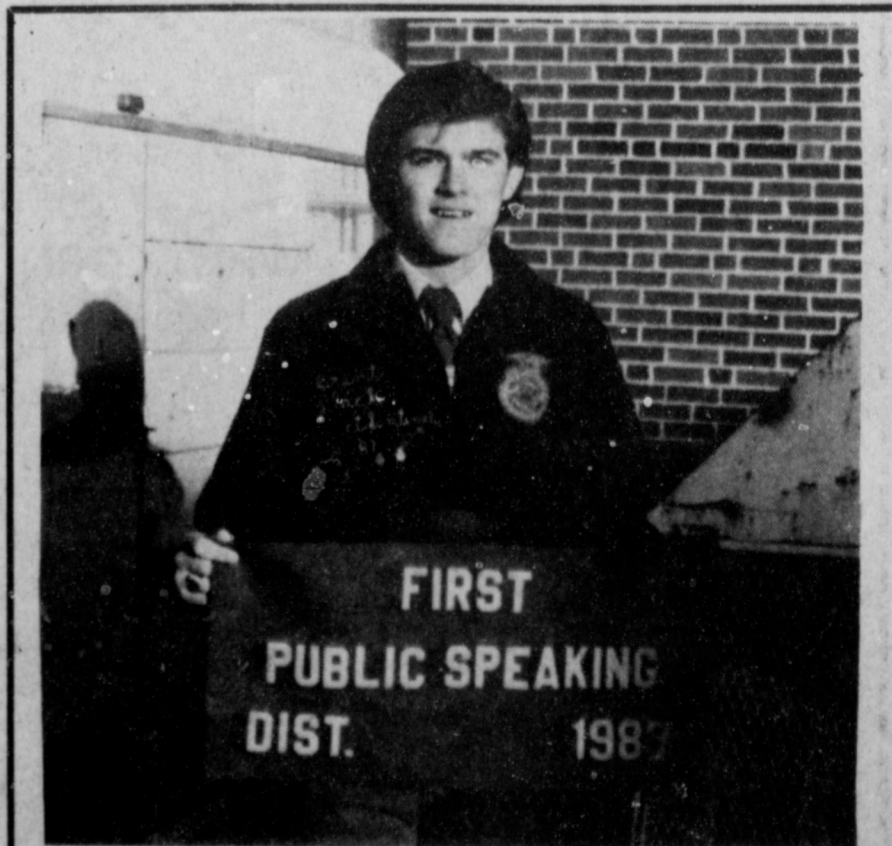

Selfishness is the main cause of bad manners.

Money should not be the end sought in life.

The best farmer plans for the next generation.

Livestock Judging team John Killingsworth, Dondee Stewart, Mike Born, and Jeff Noble, not pictured

Brent Black won first place in Public Speaking at the District Competition in Farwell.

BUSINESS OF THE MONTH--Celebrating their 30th anniversary, Leal's Restaurant was presented the Business of the Month award Tuesday morning, as employees looked on in the background. Making the presentation was Ron Montgomery, president of the Muleshoe CofC, front left. Receiving the certificate was Laura Leal, right front, daughter of founders, Mr. and Mrs. Jesse Leal, and manager of the restaurant.

Mr. and Mrs. David Beckett and family of Midland visited during the weekend with his parents Mr. and Mrs. Arnold Beckett, and his sisters, Marley Hall & Debbie and Mr. and Mrs. Dwayne Powell and family and other family members and also attended the Easter dinner and egg hunt at the community center that the Halls hosted Easter Sunday.

Dr. and Mrs. Delbert Serratt visited during the Easter holidays with his mother, Louzell Serratt.

Ricky Tennyson and Brad Masten were in Brownwood at the lake for the Easter holidays. Mr. and Mrs. Terry Tennyson visited his parents Mr. and Mrs. Savoy Tennyson in Stephenville and later met the two boys at the lake.

Mr. and Mrs. Sammy Crowson and Mr. and Mrs. John Humphreys spent the Easter weekend at Lake Brownwood as did Mr. and Mrs. James Humphreys and girls.

Mr. and Mrs. Don Harper hosted a camp out at Bull Lake

for their boys during the Easter holidays and accompanying them were Shannan Fisher and Jamie and Grant Gatewood.

Shirley Martin accompanied her mother to El Paso during the Easter weekend to visit their brother and son and family.

Joan Ford was in Lubbock this week to attend a Post Masters Meeting on Thurs. & Fri. and also attended a NAPUS meeting Sat. at Days Inn.

Mary Olds has returned home from spending several days last week in the Littlefield Medical Center where she was ill.

Mr. and Mrs. Bob Markham were in Burnet during the Easter weekend to attend an Art show/sale and also in Clovis, N.M. this weekend to attend another art show & sale.

Mr. and Mrs. Philip Gordon, Jeff & Kay Lynn visited during the Easter holidays in Olney with their mother and grandmother, Mrs. Vera Thomas.

Mr. and Mrs. Billy Chester hosted an Easter Day dinner for his mother, Mrs. Stella Chester and also their daughter, Mr. and Mrs. Terry Graves & Timothy all of Littlefield.

Gaylene Rogers of Dallas visited during the Easter weekend with her parents, Mr. and

Mrs. Wayne Rogers.

Mrs. Nan Preston of Farwell visited during the Easter weekend with her daughter, Mr. and Mrs. Ralph May and Mike who was home from college for the weekend.

Mr. and Mrs. Freddy Legg and children visited in Alba with her parents, Mr. and Mrs. Olen Hays.

In last week's edition, it was reported that the last day of school is to be the 22 of May. This is incorrect. The last day of school and High School graduation will be May 29. We are sorry for the mistake and apologize for any inconvenience caused.

Marley and Debbie Hall hosted an Easter dinner and celebrated the birthday of Mary Powell, Sunday at the Community Center.

Out of town guests included Mr. and Mrs. Alton Burton, Mr. and Mrs. Terry Burton, Mr. and Mrs. Doug Crawford and family all of Muleshoe and Mr. and Mrs. David Beckett and family of Midland others included Mr. and Mrs. Charles Rich, Mr. and

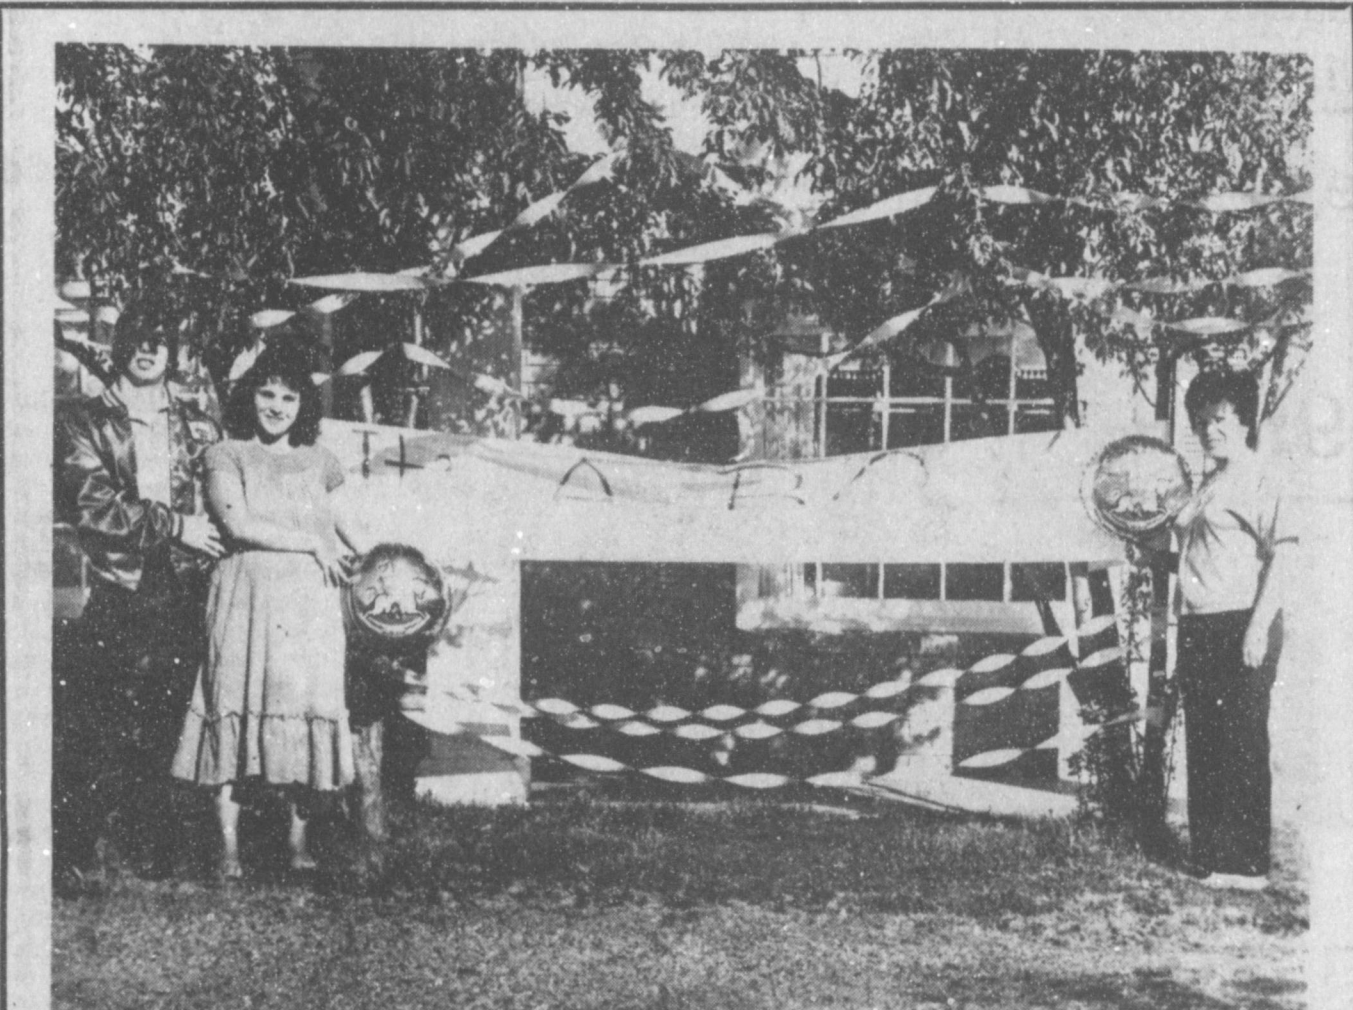

Mrs. Arnold Beckett, Mr. and Mrs. Dwayne Powell and family, Mr. and Mrs. Troy Moe, all of Sudan. The children all had an Easter egg hunt at the city park with Andy Thompson of Munday, and Kimberley Doty and Jackelyn Ford.

The Sudan Area Senior Citizens will have their regular meeting on Monday, April 27 at 7:00 p.m. in the Senior Citizens building.

All members are encouraged to be present at the Kitchen Klatter Band of Levelland will be performing. The band is a group of Senior Citizens who make music on Kitchen utensils. Sandwiches, cookies will be served.

All members and other interested persons are urged to attend this fun time.

The new 1987-88 Community Calendars are now being constructed by the Sudan Young Homemakers. You will not be contacted by phone. If you have a correction or addition, please call Ann Gaston, 227-2545. If we do not hear from you, we will assume all is correct and order your calendars as well.

IT'S A BOY!--There's nothing like being proud of a newborn. The sign above greeted Rick and Shelley Welch, who reside in Poynor's Colonial Apartments, when they returned from South Plains Hospital in Amherst with their new son Friday. The son was born at 11:56 a.m. Thursday, April 23 and Nicholas Anthony weighed seven pounds, one ounce. He has a brother, Eric Thomas, four. Pictured at right is proud grandmother, Sadie Moore of Hobbs, N.M. Welch is manager of the Pizza Hut in Muleshoe.

Wendy Green recently elected as Mascot at M.H.S. for the 1987-88 school year

NO!

That's why more farmers in this area are planting NC+ corn hybrids. Consistently good performance. They can depend on NC+ Hybrids to produce strong, healthy plants and big yields. The kind they need to keep their operation profitable.

DEPEND ON PERFORMANCE

LOCAL RESULTS

YELLOW CORN

Farmer	Acres	Dry Wt.	Hybrid
DONALD CHRISTIAN	44.2	12,869	5990
EDDIE HALL	170	11,400	5990, 6190
MIKE CLEAVINGER	circle	11,665	6190
TERRY PARHAM (85.86 avg.)	1 block	12,615	

1 plant 6190 for yield. 5990 is no slouch in yield either; however, 1 plant it for its standability.

MULESHOE

Farmer	Acres	Dry Wt.	Hybrid
KEITH HAWKINS	(beat 7759 by 1000 lbs/acre)	6881	
MARSHALL POOL	45	11,000	5990

Planted 3 days later than 3192, cut 3 points drier.

8141W WHITE CORN

Farmer	Acres	Dry Wt.
STEVE MEIWEES	124	9,100
DONNY MEYER	300	9,080
BEN REJINO, JR.	39	12,681
CHARLES CHRISTIAN	1/4 circle	11,588

Consistently produces 9,000 plus yields.

FACTS: 1) NC + 5990 had the highest yield of approved hybrids 3 of the last 4 years in Frito's evaluation trials. 5990 had a 4 year average of 12,187 pounds - only 3.8% total defects!

2) NC + 8141W has averaged 10,376 pounds the last 2 years in Frito's evaluation. 8141W outyielded the next best by 641 lbs. per acre. Total defects have been considerably less.

Junior High Track Girls At District

It was district meet time for the seventh and eighth grade track girls from Watson Junior High School when they travelled to Tulia on Saturday, April 25.

Tulia won their own eighth grade meet, and the Muleshoe Jr. High team placed third with 81 points.

Monica Swint was first in shot put with a distance of 29 feet, six and one quarter inches; and was third in discus at 74 feet, three inches. In the shot, Michelle Dent placed fourth at 26 feet and was sixth in the discus at 64 feet. Monica Pacheco was third in shot with 26 feet, two inches.

Christine Lewis was fifth in triple jump at 27 feet, three inches; third in the 100 meter dash at 13.55 and second in the 200 meter dash at 29.38.

Shelia Garner placed sixth in the 800 meter run with 2:58.59 and was fourth in the mile run at 6:42.00.

Missy Smyer was fourth in the 100 meter dash at 13.89 and fourth in the 200 meter dash with 30.17.

Shawna Smith was fifth in the 400 meter dash with 72.00 and Lilly Garza placed sixth in the mile run at 6:45.56.

Monica Swint, Monica Pacheco, Missy Smyer and Christine Lewis were third in the 400 meter relay at 55.54.

The relay team of Monica Swint, Monica Pacheco, Marsha Wilson and Lupita Pineda placed fourth in the 800 meter relay at 2:09.26 and Monica Swint, Monica Pacheco, Burnley Riley and Lupita Pineda placed sixth in the mile relay at 5:06.00.

SEVENTH GRADE

Tulia also won the seventh grade meet, and the Muleshoe seventh graders placed second with 122 points.

Audrey Williams was first in the shot put at 30 feet, six inches; Tory Matthews placed second with 26 feet, six inches and Jill Foster was sixth at 24 feet, six and one half inches.

In the discus, Audrey Williams was second at 68 feet and Tory Matthews placed third with 67 feet.

For the high jump, Tiffany Angeley was first, at four feet, four inches and Lisa Coleman was fourth in long jump at 12 feet, nine inches; Jill Noble was

third in triple jump at 25 feet, five inches and Ronda Scott placed sixth at 24 feet, nine inches.

Claydia Reyes placed second in the 1600 meter run with 6:23.00; Ana Arzola was fourth in the event with 6:43.00. Chanda Kemp placed sixth in the 100 meter hurdles at 20.86; and Kathy Contreras was second in the 800 meter run at 2:52.00.

Lisa Coleman was first in the 100 meter dash at 13.61; Misty Foster was second in the event at 13.64 and Jill Foster placed sixth with 14.10. Tory Matthews was fourth in the 400 meter dash with 72.73 and Tiffany Angeley was fourth in the 200 meter dash with 30.79.

Jill Noble, Misty Sawyer, Jill Foster and Lisa Coleman were second in the 400 meter relay at 55.61 and Erin Kelley, Kathy Contreras, Chanda Kemp and Tory Matthews placed fifth in the mile relay at 5:07.16.

Counselors To Attend Drug Meet

"Muleshoe ISD, in its dedication to training personnel and its continuing pursuit of excellence in education," said MISD Superintendent H. John Fuller, "will have four local counselors attending a workshop in Denver, Colo. on May 6-7. The workshop, entitled 'Drug Education: Programs and Policies That Work,' is being conducted by the American Association of School Administrators and the National Academy of School Executives."

He said the one and one half day program will cover such topics as: (1) Why Prevention Education Is Important; (2) District-Level Implementation Strategies: Do's and Don'ts; (3) Cleaning Up Your School; (4) Curriculum Considerations; (5) How Drugs Affect Learning; and (6) Involving the Community In Your Effort.

Additional information concerning the current drug problem will be provided by the Drug Enforcement Administration.

Muleshoe ISD counselors, Gayla Gear, Dillman; Connie Kenmore, DeShazo; Ben Gramling, Watson Junior High; and Linda Marr, Muleshoe High School, expect to gain expertise in the implementation and management of an effective drug education curriculum which they can share throughout the school district.

ATTENTION CRP Participants

Roundup® herbicide is your best choice for killing a broad-spectrum of weeds and cover crops on all your Conservation Reserve Program acres. Make one fast pass with Roundup before planting forage grass seed or after planting, but before emergence. Either way, Roundup will kill weeds and any cover crop roots and all. It's better than tillage because Roundup conserves soil moisture, reduces regrowth, and lets you plant into a firm, undisturbed seedbed for best grass establishment. A spray pass with Roundup leaves the stubble intact too, for better erosion protection.

Come and see us today for full details and your free copy of the Roundup Herbicide Conservation Reserve Program Local Use Guide. We've got everything you need to get with the program.

PRICE CUT AGAIN SECOND STRAIGHT YEAR.

Aaron Truelock Buried Tuesday At Earth

Funeral services for Aaron Truelock, 87, of Amherst were held at 11 a.m. Tuesday, April 28 in the First Baptist Church with the Rev. Joe Vernon, pastor, officiating.

Burial was in Earth Memorial Cemetery under the direction of Parsons-Ellis Funeral Home of Earth. Truelock died at 6:15 a.m. Sunday in South Plains Hospital at Amherst.

Born April 16, 1900, in Henderson, Tx., Truelock moved to Amherst two years ago from Portales, N.M. He was a bridge builder, a member of the Earth First Baptist Church and a veteran of W.W.I serving in the U.S. Army.

Survivors include his wife, Willie R.; two sons, Glen Truelock of Tucumari, N.M. and Buddy Truelock of Albuquerque, N.M.; a daughter, Mrs. Eve Hollingshead of Las Cruces, N.M.; two sisters, Mrs. Emma Smith of Sulphur Springs and Mrs. Lena Martha Cowan of San Antonio; four brothers Elmer Truelock of Houston, J.H. Truelock of Clovis, N.M., Rufus Truelock of Pacifica, Calif., and Ed Truelock of Olton; 19 grandchildren; and 26 great grandchildren.

Callie Campbell Funeral Services Set Today

Funeral services for Callie Campbell, 84, will be held at 11 a.m. today, Thursday, April 30 in the First United Methodist Church with the Rev. Bill Kent, pastor, officiating, assisted by the Rev. David McAdams, pastor of the Richland Hills Baptist Church.

Burial will be in Fairview Cemetery in Pampa at 4 p.m. under the direction of Ellis Funeral Home of Muleshoe. Mrs. Campbell died at 6:25 p.m. Monday.

A native of Denton County, Mrs. Campbell was born on March 26, 1903, and moved to Muleshoe in 1956, from Pampa. She was a homemaker and a member of the Muleshoe First United Methodist Church. Her husband, James M. Campbell died on Nov. 12, 1952.

Survivors include a daughter, Betty Jo Davis of Muleshoe; a son, James William Campbell of San Antonio two sisters, Mrs. Alta Crawford and Mrs. Alma Sills, both of Denton; a brother, Elmer Wood of Kilgore; five grandchildren; and eight great grandchildren.

Reflect that life, like every other blessing,
Derives its value from its use alone.

-Samuel Johnson.

Sudan New By Evelyn Ritchie

Mrs. JoGaye Mapp and Dusty of Hobbs, N.M. visited during the Easter holidays with her parents, Mr. and Mrs. Wayne Doty. They all visited in Littlefield with Mr. and Mrs. David Doty and family and went on to Lubbock for dinner one evening and to visit Wayne's brother, J.C. who underwent knee surgery last Fri.

Mr. and Mrs. Pete Edwards vacationed last week in Las Vegas, Nev. Their son, Johathan visited here with his grandparents, Mr. and Mrs. Dale Hanna.

Mr. and Mrs. Bo Lance and girls visited in Baird during the Easter vacation with her parents, Mr. and Mrs. Carol Gillet and family. Pete Lance and Adrian Martin vacationed at Lake Brownwood and Bo stayed with them also during part of the time. Kyle Martin also joined the group for a couple of days.

Patty Miller and girls visited during the Easter holidays in Levelland with relatives.

Mr. and Mrs. Mike Fisher and children, Mrs. Josephine Fisher and Missy were all in Brownfield recently to visit their sister and daughter, Mr. and Mrs. Ralph Granger and Brett and to observe Brett's first birthday. They also observed the birthday of Mrs. Granger and Mike Fisher. Accompanying them were Joe Ky Schultz of Dimmitt and Jayson Vincent of Sudan.

Mr. and Mrs. John Kinnie and Kassie vacationed during the Easter weekend in San Antonio.

Winona Dudgeon visited at Graham with her mother Frances Blair during the Easter holidays and took her to visit her son, Herb Blair at Carrollton to Possum Kingdom to visit her daughters, Genea Stovall and Herschell Parker. They attended Sunrise services Easter morning at Possum Kingdom at Observation Point. They spent Sunday night with the J.W. Burkharts at Lake Graham.

Blake Lacey visited during the Easter holidays with his parents, Mr. and Mrs. Tommy Lacey.

Mr. and Mrs. Royce McAdams and boys were at LBJ during the Easter holidays.

It was reported that Donna Fields has been moved from ICU into a private room at Methodist Hospital in Lubbock. Donna has been in a coma since an auto accident several days ago but it was also reported that she seems to be doing a little better as of Wednesday.

The Sudan Firemen's Auxiliary met April 13 for their

regular monthly meeting. At the first National Bank Community Room. The auxiliary would like to thank everyone who helped with the concession stand at the April 4th Sudan Invitational Track Meet. Plans were made for a bake sale to be held at Pay & Save Grocery on May 9th. Further discussion and plans were made to purchase an emblem and letters for the new Fire Dept. building. The Auxiliary discussed their plans for the 4th of July celebration. It was voted to sell tickets on a V.C.R.

Refreshments were served by Mary Ann Gordon and Jimmy Lou Humphreys to other members present including Ann Carson, Norma Burnett, Linda Summer, Dorothy Hill and Louise DeLa Riva.

The junior department of the First Baptist Church of Sudan met in the home of Louzell Serratt on Sunday, April 12 during their regular Sunday school hour. Louzell has been recuperating from surgery and she is one of the regular Sunday School teachers. Louzell gave the opening prayer and afterwards, Kim Moss read from Mark 11:2-10. Louzell taught

the lesson entitled "The Savior Enters Jerusalem: Following discussion of the lesson, Mary Ann Gordon led the group in singing "He Keeps Me Singing" and "Battle Hymn of Republic".

Refreshments were served to Kelli Baker, Misty Miller, Muffin Davis, Daniell Martin, Marjoe Bigsbee, Rickie and Dickie Gipson, Dany Harper, Kyle Edwards, and Jason and Justin Bellar.

The youth of the community, led by Cody Norman, youth director of the FBC, has almost finished tearing down and cleaning up the inside of the building on Main street that they will be using for their Youth Center. The group has decided to have a garage sale-bake sale on Saturday, April 25 from 8:00 a.m. until whenever. If you have anything you would like to donate to the group, call Bill Gardner, Ricky Tennyson, Gina McKillip, Jody Dodson or Gayla Rasco.

The nominating committee will meet Sunday, April 26 at 5:30 p.m. in the fellowship hall.

EMPLOYEE OF THE MONTH-Receiving the award for Employee of the Month Tuesday morning was Orvis Burris, nine year employee of Wiedebush & Co. Pictured from left are Jeri Wiedebush, Burris, and Ron Montgomery, president of the Muleshoe Chamber of Commerce and Agriculture.

FOUNDATION

Our nation is witnessing a building boom, such as has never before been seen. Every day new foundations are being dug and laid. Any builder will tell you that it takes a firm foundation to support today's skyscraper.

Our Lord, in His sermon on the mount, compared those that heed His word, to the wise man that built his house upon a rock, and those that did not heed His word to the foolish man that built his house upon sand and it was washed away.

Build your house upon a rock... Attend church regularly.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long endure and the freedom which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

It's remarkable how
busy some people can get
over a small job.

THINK CLASSIFIED!

KNOW THE WEATHER

Are the summer days
(and spring, too) longer
in the northern part of
the United States than
they are in the South?

Yes, summer and
spring days are longer in
the north, and winter and
fall days are longer in the
southland. When the sun
crossed the equator (it did
this on March 20 this
year) the days in the
northern latitudes began
to get longer than in the
southerly states.

By the end of March
the difference already
amounted to about ten
minutes, and this differ-
ential will increase steady-
ly until at the time of the
summer solstice (June 21)
the days in Boston, for
example, will be an hour
longer than the days in
Charleston.

The difference between
Maine and Miami will be
even greater. The sun re-
turns to a more southerly
position, recrossing the
equator in September and
then the days in the South
begin to get longer.

EATING OUT

by Rose Hughes

A well-known restau-
rant chain is Shoney's
—and the best thing
about some of these
outlets is the buffet
breakfast.

A lunch visit recently
left something to be
desired. But the price is
right—even if the lunch
wasn't impressive.

THIS outlet offered
fish or country fried
steak as an entree on this
Friday and one could
select from the salad bar,
and have soup, all for
the price of \$2.99.

THAT beats most of
the competition and the
soup at Shoney's on this
Friday was borsch—with
tomatoes. It was excel-
lent. The salad bar was
so-so.

THE country-fried
steak was a small piece
of so-so meat, drowned
in heavy brown sauce.
The fish was a medium-
size piece of fried fish, a
better choice.

BUT the best thing at
Shoney's, in the opinion
of some diners, is the
buffet breakfast, very
popular in some locations
on Sunday mornings.

BUSINESS OUTLOOK

by Edward Thorlund

When the president of
Brazil recently announced
Brazil was suspending
payments on its huge \$80
billion-plus debt, the
U.S. stock market
sagged slightly.

That's because a num-
ber of big U.S. banks,
such as Chase Manhattan,
are reportedly up to their
ears in foreign debt.
Some of these loans
probably never should
have been made.

As with Mexico,
there's doubt if the loans
can ever be paid off.
Brazil and Mexico were
having difficulty just
meeting interest pay-
ments and now Brazil has
indicated it might not be
able to continue any pay-
ments unless the debt is
restructured.

Brazil's debt will al-
most certainly be restruc-
tured. And bank holding
the loans will continue
to carry them on the
books as valid loans. But
no one can be sure even
interest payments will
continue to be made year
after year.

Unlike these big inter-
national banks, now fac-
ing losses, the nation's
savings and loans are over
the worst of their finan-
cial crunch, and many
can look forward to bet-
ter days. There are now
attractive buys in S&L
stocks, according to many
brokers.
