The ever-popular Anchor Bros. Band from Sudan will be making four appearances on the outdoor stage at the Panhandle South Plains Fair at Lubbock this weekend.

They are taking time out from cutting their ninth album to appear at 2 and 4 p.m. on Saturday and 3 and 5 p.m. on Sunday, September 26-27.

Lazbuddie Young Homemakers have received their first shipment of Del Cerro pecan halves and they are currently delivering them.

If you need pecans for holiday cooking and baking, call Mandi Seaton at 965-2438. They will deliver the pecans to you at \$3.50 per pound, cheaper than last year.

A reminder to members of the Class of '62, who will be joining MHS for a pep rally on Friday afternoon.

The pep rally will be held at 1:30 p.m. in the MHS gym. All exes are asked to attend the rally.

Muleshoe Youth Committee is sponsoring a Homecoming Dance Friday, September 25, after the football game at 12:30 a.m.

It will be held at the American Legion Hall with Scotty of Clovis N.M., providing the music.

The cost will be \$3 for members and \$4 for non-members.

American Association of Retired Persons (AARP) will meet Friday, September 25, at the Bailey County Civic Center.

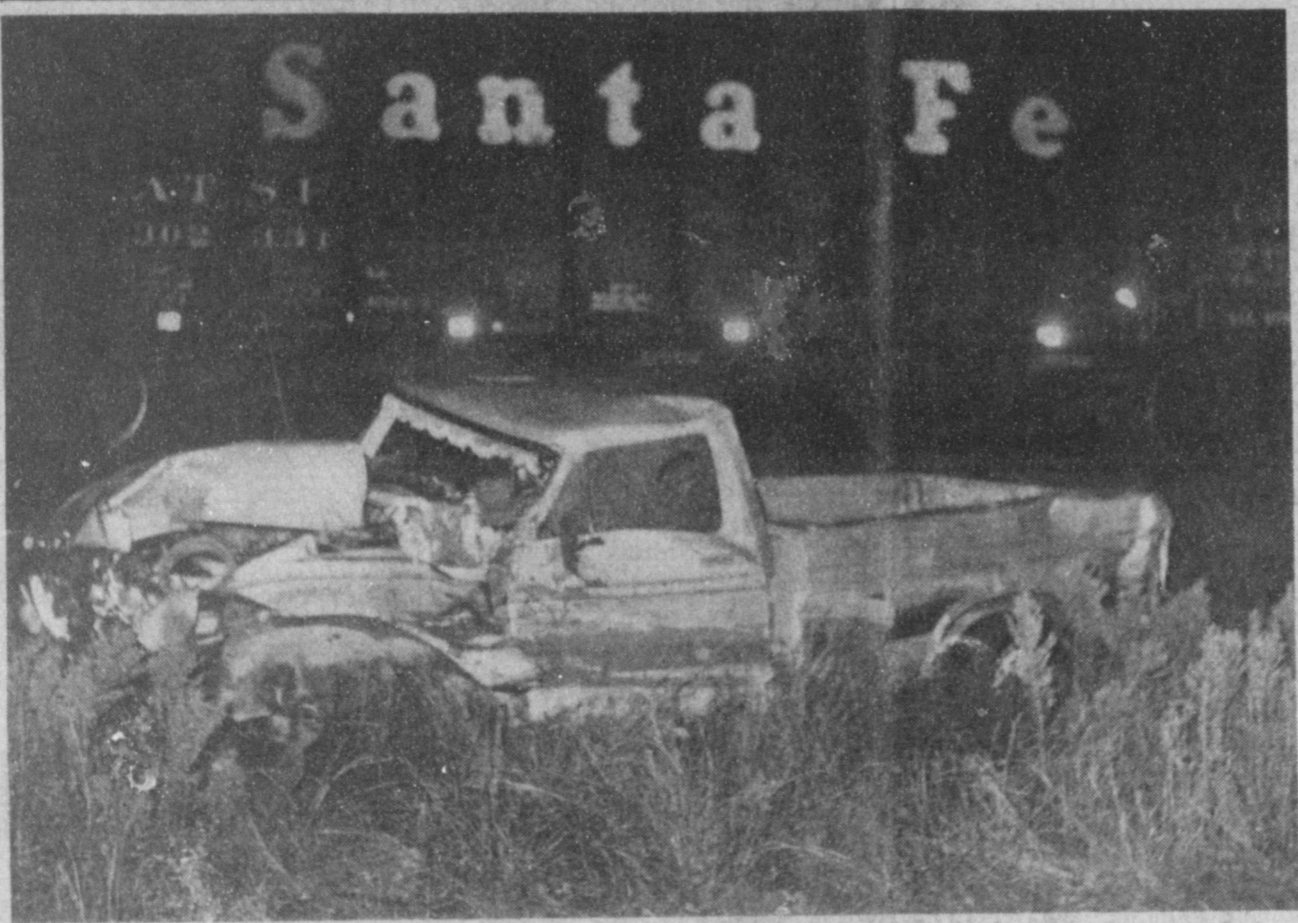

Those attending are asked to have their dishes for the luncheon at the Civic Center at 11:15 a.m. as there will be two speakers.

Phil Kent will discuss the Muleshoe Heritage Foundation, and especially the Santa Fe Depot, the new senior citizens center and the other speaker will be Angela McCranham, Lubbock, with the Women's Protective Services.

On Thursday, September 24, the Muleshoe squares will have a regular meeting of the club at 8 p.m. at the American Legion. James Pettus will be the caller.

CHECK PRESENTED TO HERITAGE FOUNDATION--Last Thursday afternoon, during the 'Bells Across America' celebration, two men joined the celebration. When it was over, they presented Magann Rennels, left, a \$500 check for the Muleshoe Heritage Foundation. Making the presentation on behalf of General Telephone Exchange of the Southwest were, center, Frank Goodman, Littfield and O.D. Hearn, Brownfield.

EARLY MONDAY MORNING TRAIN-PICKUP ACCIDENT--Once again proving that all news is not good news, this smashed pickup prompted a search for two individuals who had been seen in the pickup some five to ten minutes before the train hit it at Progress. No victims were found, and officers surmised that the individuals exited the pickup almost immediately before it was knocked off the railroad tracks by the eastbound Santa Fe train. The pickup was registered to a man in Farwell, and officers talked with him Monday afternoon. The DPS is still investigating the accident which occurred around 1:30 a.m. Monday.

Mules - Wolverines Tangle Friday In Muleshoe Homecoming Action

Friday night, for Muleshoe's Homecoming football game, the Springlake-Earth Wolverines are expected to come into town howling for revenge. Last year, the Wolverines fell to the Mules 40-16 in action in the S-E football stadium.

And, with a current record of 2-1, the Mules will be wanting to widen out the plus column and make it 3-1. Their only loss has been to the Boys Ranch Roughriders who rode roughshod over the Mules two weeks ago, winning 13-7.

A large crowd is expected to be on hand for the Homecoming game and activities, including coronation of the 1987 Homecoming Queen, scheduled for 7:30 p.m. before the 8 p.m. game.

With three games behind them now, the Mules have accumulated a total of 70 points, while holding their opponents to 25 total points after the three games.

The Mules have ground out 551 rushing yards, or an

average of 4.4 yards per carry, while their stingy defense has given up only 204 total rushing yards for a total of 2.0 yards per carry for the opposition.

The Mules' opponents have a slight edge in passing yardage after three games. They have completed 19 of 59 attempts to 11 of 54 for the Mules. They also have a slight edge on aerial yardage, having 198 yards for the Mules. The Mules are showing a 20.4 yards per punt.

Doubling up on first downs, the Mules show 39, with 28 being through rushing, eight passings and three through penalties; their opponents have 27 first downs, with 14 through rushing, seven passing and six through penalties.

Muleshoe has the dubious edge on penalties with 24, accumulating 275 yards, while their opponents have a total of 17, accumulating 159 yards. Muleshoe has lost eight fumbles, and their opponents have lost eight fumbles.

Michael Dunham shows 40 carries for 195 yards and one touchdown; Armando Del Toro has 33 carries for 189 yards and three TDs; Daniel Olivias has carried for 91 yards and one TD in his 21 carries. Shannon

Sinnacher has seven carries for 29 yards and Jeff Hicks has carried 17 times for 29 yards and one TD. Timmy Shipman has four carries and for 12 yards; Jerry Mendoza has carried three times for nine yards and Johnny Garcia shows

Rotarians Visit New Senior Citizen Center

Guest speaker, Phil Kent, of the Muleshoe Heritage Foundation, spoke only briefly to members of the Muleshoe Rotary Club Tuesday at noon, then invited all interested to go to the Muleshoe Heritage Center, adjacent to the Bailey County Coliseum and see the depot completion.

Last weekend, dedication and open house were held for the Santa Fe Depot, which has been remodeled and is now a Senior Citizen Center, open each day, free of charge to them. At times the Center will not be utilized by senior citizens, it will be available, at a rental fee to other organizations for meetings, and for anniversaries, birthday parties, etc.

He said \$100,500 has been spent to date at the Muleshoe Heritage Center. This breaks down to \$29,500 on Janes Ranch; \$5,000 for the Muleshoe cookhouse; and \$66,000 on the Santa Fe Depot.

Kent related that in December, 1982, the City of Muleshoe was notified that the Santa Fe Depot would be closed, and it was subsequently closed in December, 1982; in 1983, a group of students from Muleshoe High School formed the SCAC to work on saving the depot.

In the fall of 1984, the Bailey County Commissioners Court formally accepted the Depot and the Muleshoe Heritage Foundation was formed and officers named.

Organizations donated funds to move the depot; and in the Spring of 1985, the Depot was forgotten for a while when an opportunity came up to obtain the Jane Ranch House.

Wet Weather Slows Cotton

Corn Harvest At Standstill; Wheat Off To Excellent Start

"Rain, rain go away! Come again another day!" are the words of Bailey County Extension Agent Spencer Tanksley

as he echoes the thoughts of area farmers and producers, casting apprehensive eyes skyward.

Freeman Winner For Third Week Football Contest

"We need hot weather, and sunshine," added the county agent.

In this, the third week of the annual Merchant's Football Contest, it is really beginning to warm up a bit. The first place winner missed five games, of the 18 on the contest sheet.

Around the first of August, Tanksley said the crops looked as favorable as any crops for the past 10 years, then Old Man Weather really changed the crop picture.

Gary Delton Freeman was the winner of the first place, although the second place contestant also missed five games.

Still on the favorable side is that the continuing moisture has been beneficial for the wheat and small grain crops. The county agent said farmers are thrashing newly planted alfalfa and the wheat crop is 80-85 percent planted now, and wheat planting will continue after grain harvest.

Freeman's tiebreaker score was 40, compared to second place winner Margrethe Taylor, whose tiebreaker score was 49.

"Most wheat is off to a very good start," added Tanksley, "perhaps the best start in 10 years."

In third place was James Elder, who missed six games, but was only 29 points off on the double tiebreakers.

"We are also seeing another influence, and that is stocker cattle coming in to be placed on wheat to graze."

Five other contestants also missed six games, but were too far off on the double tiebreaker scores to make it into the top three.

He cautioned farmers to check small grains for greenbugs and small armyworms. This type weather will show an increase or buildup of either of the bugs in small wheat.

Comments from the contestants are appreciated, and most have indicated they are pleased with the new contest format, as well as including the teams from Muleshoe's district being included weekly in the contest.

On the negative side, Tanksley said that since August 22, the temperature during the day has not been above 90 degrees, and has not been above 60 at night. "This is not the type of temperature regime we need," he continued. "I believe cotton will probably meet average yields, but we have no idea what quality the fiber will be at this time. Cotton has been hurt the worst in the weather we have had for the past month."

Also, the cool, wet weather Cont. Page 6, Col. 1

BOOSTING THE SALE OF WIND SOCKS--Pretty girls were the order of the day at the Muleshoe Rotary Club Tuesday. Two cheerleaders were present to boost sales of their black and white wind socks at only \$10 each. Pictured from left, showing off some of the wind socks are Staci McElroy, Rotary sweetheart; and cheerleaders Lisa Noble and Debbie Brown.

Lions Club Will Prepare Dinner For Homecoming

Muleshoe Lion's Club will be cooking their annual Chicken fried dinner for the community at Muleshoe High School cafeteria on Friday, September 25.

"Muleshoe Lions invite everyone to this money raising project that assures it's funds will be invested back into the local community," says a member of the Lions. "You cannot find a better meal and at the same time help with worthwhile projects for our community."

If you would like to give a dinner to someone, or enjoy dinner at home, the Muleshoe Lions will deliver between 5:30-6:30 p.m.

Dinner will be served at the cafeteria September 25, from 5:30-7:30 p.m. Tickets are \$4 for adults and \$2.50 for children. Tickets will be available at the door.

Auburn Favored Over Volunteers

This Saturday

It will be a big one at Knoxville, Tennessee, Saturday, as the Volunteers host Auburn. It's not only a meeting between two powers who have designs on the Southeast Conference title, but it involves two teams who are looking at a possible national championship. For the Tigers, it will be their first conference game of the season. So far, they've met and conquered Texas 31-3 and Kansas 49-0. Tennessee marked victory #1 in the conference two weeks ago, beating Mississippi State 38-10. Previously they were winners over Iowa, 23-22, and Colorado State 49-3. Incidentally, volunteer fans prefer to forget 1986 when Auburn destroyed Tennessee 34-8. But it looks difficult again. Visiting team or not, Auburn is in the favorite's role.

And speaking of battles between top-ranked powers, the L.S.U.-Ohio State class in Baton Rouge qualifies in every way. Louisiana State is 3-0, its biggest win coming in its opener, a 17-3 win over Texas A&M. The Buckeyes are again one of the favorites for the Big Ten crown, but they'll have possibly more than they can handle with the home-standing Tigers. L.S.U. just has to be favored.

A Biggie in the Pac-10 Conference sends Arizona to U.C.L.A. This match-up was a wild scoring caper last season, the Uclans finally coming out on top 32-25. Trivia: the Bruins scored 354 points last season, finishing tenth among Division 1-A teams. U.C.L.A., 42-33 losers to Nebraska, will beat Arizona, nipped by Iowa two weeks ago 15-14.

Arizona State entertains Nebraska in another show-down between Big 8 and Pac-10. Nebraska is our pick. And Arkansas is host to Miami, our second-ranked team in the country last year. On paper, the Hurricanes will whip the Razorbacks easily. However, they still plan to play the ball game.

MHS Welcomes Five New Teachers, Coaches

Muleshoe High School has proudly received five new teachers to our school system. The new teachers are: Mrs. Doris Mardis and Mrs. James L. Evans who both teach mathematics, Mr. Ruben Osuna teaches Spanish and is the head girls basketball coach, Mrs. Cherry Tivis is a Special Education teacher, and Mr. Brad Eblen who is involved in different aspects of the Athletic Department and also teaches Health and F.O.M.

All of our new teachers felt that the students of M.H.S. were enthusiastic, friendly, and cooperative. They also felt that the students made them feel welcome to Muleshoe High School!

Mrs. Doris Mardis comes to MHS from Clovis. She taught there for fifteen years, and her husband teaches at Watson Jr. High School. They have two children, Cindy and Chris, both of whom are married. Her son teaches at Amherst, following in his parents' professional role. Mrs. Mardis's hobbies are swimming, reading, and traveling. She commented that students of MHS show a great

pride in their school. She said, "They are very cooperative and enthusiastic."

James L. Evans comes to MHS with a varied professional background, and Muleshoe is his first full-time teaching job. He and his wife, Ada, have four children: Kevin, Kyle, Cheryl, and Shawna. Ada is an elementary school teacher with the Clovis schools. He considers his hobbies to be football, basketball, baseball, and softball, and he often officiates at sporting events. Prior to teaching, Mr. Evans spent twenty-three years as an aviator in the Air Force. He graduated from the Catholic University of America in Washington, D.C., with a degree in electrical engineering, and he later obtained a master's degree in electrical engineering and a master's degree in education from ENMU. Mr. Evans stated, "Everyone here at Muleshoe acts as if this is home and they just welcome you. It is a great place to teach because people here want to teach and the students want to learn."

Mrs. Cherry Tivis, a recent graduate of ENMU with a bachelor of science in special

education, is experiencing her first year of teaching at MHS. Her husband, Jerry, is an electrical contractor, and they have one son, Kim Dewayne, who graduated from high school last year. Mrs. Tivis has unique hobbies, including photography, camping, marquetry, which is the art of forming elaborate patterns by the insertion of pieces of wood, shell, or ivory into wood veneer. She wishes to thank the students and faculty for making her welcome at MHS.

Ruben Osuna, formerly of Anton High School, and his wife, Pam and three sons, Kevin, Bryan, and Jason recently moved to Muleshoe. He graduated from Texas Tech University with a Bachelor of Science degree in education. When questioned about his response to the Muleshoe system, Coach Osuna said, "MHS is much larger than the school I came from. It is going to take a little longer to become familiar with the majority of the student body. MHS is a larger school with the small school togetherness and friendliness."

The annual staff wishes to welcome the new teachers to MHS.

Homecoming Candidates Are Named

The 1987-88 Homecoming candidates and their escorts are as follows: Jennifer Green escorted by Russell Brown. Jennifer is the daughter of Mr. and Mrs. Ben Green. Jennifer is a Senior at Muleshoe High. Bryan Swint will be escorting Debbie Brown, daughter of Mr. and Mrs. James Brown. The third candidate is Michelle Cox, escorted by Armando Del Toro. Mr. and Mrs. Butch Cox are Michelle's parents. Both Debbie and Michelle are Juniors. The three escorts are the captains of the Muleshoe Football team. The Homecoming candidates will be crowned Friday, September 25 at 7:30 p.m.

MHS Students Assist With

Depot Ceremony

After many hours of hard work by the citizens, officials, and students of Muleshoe, a dream finally became reality. The old Santa Fe Depot had its grand opening. On hand to give our information and to help were members of the Student Community Action Club, and the members of the Muleshoe Heritage Foundation.

The Students who are in Student Community Action Club are especially proud of the opening. Since the start of the club, its primary goal has been to provide funds and help to the Muleshoe Heritage Foundation.

The morning started out with a burrito breakfast, followed by the ribbon cutting ceremony. Mr. John Gulley and Mrs. Jean Allison, sponsors of S.C.A.C. and members of the Muleshoe High School faculty, participated as well as Jennifer Green and Sue Haire. Tours through the building started immediately after that and continued through the day.

Congratulations to all who participated and helped in the renovation and opening of the depot! You have done a wonderful job!

Issac's house to install new officers. The out going officers presented the incoming officers with scrolls with their designated duties on them. Incoming officers are the following: President - Armando Del Toro, Vice-President - Russell Brown, Secretary - Jennifer Green, Treasurer - Deborah Lackey, Reporter - Carrol Copley, Historian - Elizabeth Posadas, and Parliamentarian - Lisa Noble. Committees to bake cookies for a "Welcome Back To School" table on the first day of school, and another committee to choose official colors and flowers for the club was also appointed.

On Tuesday, September 15 the Student Community Action Club held its first meeting of the 1987-88 school year. The meeting was held at Leal's where everyone enjoyed a wonderful meal and visiting with each other!

Junior Class

Selling 'Mums'

For Homecoming

The outstanding and energetic Junior class is in the process of selling the annual Homecoming mums. If anyone plans to purchase a mum this year, please contact a Junior student because the profit is vitally important for future class projects! Thank You!!

Armando Del Toro called the meeting to order and Lisa Noble gave the invocation. Jennifer Green read the minutes of the last meeting, and Deborah Lackey gave the treasurer's report. Lisa Noble gave suggestion for the club's official colors and flower. Silver and turquoise were adopted for the club's colors. The nominations for flower were white rose, carnation, and lily. They will be voted on at the next meeting.

Deborah Lackey will have the next meeting at her house on October 20th. All members are asked to attend.

DECA Names New Officers For '87-'88

The 1987-88 DECA officers have been elected. The new officers are: President, Joe Mendoza; Vice-President, Glen Flowers; Secretary, Rachelle Bonham; Historian, Carrol Copley; Parliamentarian, Eddie Hernandez; Reporter, Diane Enos; and Student Council Representative, Bobbi McCray. The officers have had their first meeting and they are in the process of planning new and exciting fund raisers and projects for the upcoming year.

Sonic Donates Magazine Funds To MHS Library

Mrs. Milburn, the librarian at Muleshoe High School, and the M.H.S. student body would like to give their thanks to the Sonic drive-in. Recently the Sonic donated money for the library to purchase twelve new subscriptions of magazines. With the rising cost of magazines, this has increased the scope and use of the library's magazine collection. Thank you once again!!

Get Acquainted Shower Honors Cameron Vaughn

Cameron Taylor Vaughn was honored with a come and get acquainted shower Thursday, Sept. 17 at the Three Way Baptist fellowship hall. He is the infant son of Baxter and Kathy Vaughn of Plainview and the grandson of Adolph and Nancy Wittner of Maple.

Yellow punch, cookies, nuts and mints were served from crystal appointments.

The serving table was covered with a white cloth and centered with a light blue and navy silk floral arrangement and a cake made of receiving blankets, gauze diapers, socks, diaper pins and a bottle, edged in silk flowers and eyelet embroidery lace.

Cameron was presented a swing from the hostesses along with other nice gifts from his new friends.

Special guests included his

mother, Kathy Vaughn, and grandmother, Nancy Wittner. They were presented corsages of blue checked ribbon with baby items.

Hosting the occasion were: Anna B. Lance, Paula Foley, Betty Kirby, Pat Sawyer, Rose Nichols, Danette Hatcher, Gerry Ferguson, Kathrine Wittner, Freida Lowe, Margie Davis and Mary Kindle.

Finding Contentment

In Old Age

Finding contentment in old age is no easier than finding satisfaction at any other stage of life, says gerontologist Dr. Judith Warren.

"Research on life satisfaction, morale, successful aging and happiness has produced no magic formulas," she says. "But sufficient income, reasonably good health and someone to talk to and confide in, are factors identified with contentment in old age."

Some adult children think an aging parent would be happier living with them, although research studies indicate that most older people prefer to live close to but not with their children, Warren notes.

Elders in good health may prefer to live independently and to have their own friends, who are more often found among the old than among the young, she observes.

According to Warren, who is a specialist with the Texas A&M University Agricultural Extension Service home economics program, contradictory attitudes about aging often interfere with feelings of contentment.

"Some elders feel that they ought to act a certain way or dress a certain way because of their age. These age norms can inhibit them from being themselves and being as outgoing as they might be."

The gerontologist observes that older people are also advised to "stay active" as the way to happy in old age.

"While this formula may work for some, many older people do not feel like being active, busy and responsible to others," she maintains. "They may want to pull away and will be more content not doing what they did in the past. Or unforeseen circumstances may require the older person to redefine what having an active life means."

According to the specialist, older persons are more likely to find contentment if they feel they can accept both the limitations and successes of their past and present.

"Many elders reminisce to come to terms with their lives, and to accept or resolve past problems. When they don't work through these issues, discontentment may be one result," she remarks.

Fears about old age may also interfere with feelings of contentment, Warren says. Although fewer than 20 percent of older people will experience severe physical and mental impairments, fear of living with great physical deterioration and losing independence is common.

"The formula for contentment in old age will remain individual to each person, but it certainly is possible to achieve," says the gerontologist.

Cross Country

Teams Compete

In Area Meets

Last weekend, the Muleshoe High School cross country teams competed in Plainview, with the varsity boys winning, second place; varsity girls coming in sixth; junior varsity boys were 11th and junior varsity girls placed eighth.

For varsity boys, Boys Ranch placed first in the meet while the Perryton varsity girls won that division.

Muleshoe's varsity boys had 74 points; junior varsity boys, 288; varsity girls, 127 and junior varsity girls, 223 points.

The varsity boys took the first five places in the meet, with Greg Garcia, first; Richard Ring, second; Michael Garza, third; Hector Reyes, fourth and David Orozco, fifth. Their times ranged from 16:20 for Garcia to 18:46 for Orozco.

For the varsity girls it was Amy Harrison, Jenifer Hayes, Michele Cox, Lilly Garza, Amber Green, Jennifer Hutton.

Junior varsity boys in the meet were Juan Pacheco, Jerry Don Gonzales, Efen Herrera, Guillermo Pineda and Alex Aguirre.

The fourteen JV girls in the competition were Lori Cuevas, Adela Villa, Debbie Brown, Michelle Gutierrez, Esther Acosta, Marcy Jaramillo, Lilly Cavazos, Libby Aguirre, Stacy Stroud, Lydia Alfaro, Monica Swint, Anna Jaramillo, Rebecca Gonzales, Gloria Orozco.

Sudan Hornets, downing their JV team.

Coach Andy Gamble was justifiably proud of his team's accomplishments even though neither team scored in the first quarter.

John Orozco broke loose the scoring at 9:50 of the second quarter on an off-tackle run. When he took the ball 32 yards to the end zone.

This was followed by a 22 yarder at 0:35 of the second, when Juan Perez took the football into the end zone from a 22-yard long trap that worked.

A spectacular play was John Paul Garza at 8:56 of the third, when he took it 62 yards to the end zone.

Final score came at 8:46 of the fourth quarter when John Orozco intercepted and returned it a long, long 90-yards for a spectacular final TD of the game. A bootleg pass to Sergio Garcia for three yards provided the sole PAT of the game.

Tonight, Thursday, the Muleshoe freshmen football team will be in Farwell to take on the Farwell JV.

MICROWAVE COOKING

By Linda Attaway

Some food characteristics will affect cooking time and method in microwave ovens. The amount of bone in meats, for example, will the side of the item the bone is in to cook more quickly since the bone conducts heat.

Boneless cuts will cook more evenly. The distribution of fat through a piece of meat makes a considerable difference in cooking.

Even distribution of fat tenderizes and helps meat cook more evenly. Large fatty areas attract the microwave energy away from the meat and slow cooking times.

Junior Varsity Downs Hart With 26-0

Muleshoe High School junior varsity football players, under leadership of Coach Lonnie Scott, evened up their season last Thursday, making it 1-1 with a 26-0 victory over the Hart Longhorns.

The JV team from Muleshoe scored in each of the four quarters to take the decisive win over the Longhorns, with Joe Salinas and Danny Pollard each making two of the TDs for the game.

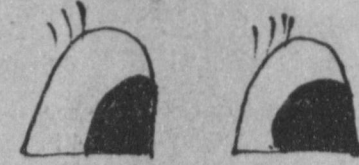

On a left sweep, Joe Salinas punched through from the eight yard line in the first quarter to

score for the JV Mules. The PAT attempt failed.

From the four, in the third quarter, Danny Pollard made it through to the end zone on an inside dive. Doug Chitwood made the PAT good on an option from the quarterback.

Ending the scoring in the fourth, Joe Salinas made it through the defense on a dive play and rocketed 20 yards to paydirt.

Tonight, Thursday, the JV Mules will be in Springlake-Earth to take on the Wolverines in another good football game.

has slowed the maturity process of corn down. It is too wet, too muddy to get the harvest started, and corn needs to be coming out of the fields."

Right now, Tanksley says he anticipates that two to three weeks of good, open weather will have a backlog of grain at local elevators. Without this type weather, harvest will be very slow, delayed and frustrating for farmers.

Grain sorghum has benefited from the cool, wet weather, a month ago, it was starting to burn up and show water stress. Today, grain sorghum is beginning to improve again.

He also commented that vegetables, as a whole, have probably been hurt in the past month's weather. Vine crops have had production go down because of disease problems, and it has been very difficult to harvest vegetables because of wet fields. It has been very difficult to get into soggy fields to bring out cucumbers and bell

start plans to have the Center.

In May 1986, the first Heritage Foundation auction was held at the home of Jack and Magann Rennels, followed by a second, and much larger auction in May, 1987, at the Bailey County Civic Center. Both auctions provided funds to continue work on the buildings.

Also in May 1987, work was completed on the Santa Fe Depot and a dedication was held this month for the Santa Fe Depot, dedicating it to senior citizens of this area.

President Tommy Gunstream reminded members of an Inter-city meet scheduled to be held in Lubbock on Thursday, October 22. Special guest speaker will be Royce Abbey, Rotary International president for next year.

He also briefly discussed attendance at membership meetings each Tuesday, and said Muleshoe is ranked 11th among the 47 district clubs.

Also recognized were two members who needed special attention because of attendance problems. They were presented ribbons and bells to wear for the meeting to remind other members they were present.

Speaking briefly were MHS cheerleaders Lisa Noble and Debbie Brown, who were boosting sales of their black/white Mule wind socks. They are available for purchase at \$10 each.

Harvey Bass won the drawing this week.

Visitors at Rotary included Charles Aycock, James Robertson, Joe Grimes, Debbie Brown, Lisa Noble, Phil Kent, Howard Watson and Cleta Williams.

Again This Year

"It's not too early to start thinking about the Bailey County Ambulance Service Toy Project for Christmas," says Bailey County Ambulance Service director, Richelle Watkins. "Last year, we provided toys, clothing, fruit, nuts and candy to 130 children in 29 families, and this year, expect to do no less."

"We are asking for donations of toys, new and used; clothing, for children, new and used; teenage style jewelry and musical instruments," she added.

Mrs. Watkins said all contributions will be sorted, stored and prepared for distribution on Christmas Eve Day.

She also asks that you start thinking about families who will be needing, or could use the Bailey County Ambulance Service Toy Project for Christmas. Names, sex, age, and address will be used to prepare for Christmas Boxes.

On Reading
The television age has added many hours to the time most Americans watch film and reduced the time some read.

Newspapers and books have not been adversely affected; book publishing has enjoyed good health in recent years and newspapers continue to prosper.

Reading remains, despite television, the greatest pleasure and source of information for many millions. It's a pastime one can enjoy when and where he or she wishes. The selection of reading material, also, is practically unlimited.

The reading public is encouraged to read newspapers and worthwhile books. Only by reading widely can one be well informed. TV alone won't do it.

ABOUT YOUR HOME

When you move your potted plants indoors this fall, remember they'll require less water than they did in the sun.

Get your yard looking its best by edging grass around beds and discarding annual plants as they fade and die.

While roasting a loin of pork, brush several times with juice from spiced apple rings mixed with a little corn syrup.

If your home has a fireplace, be sure to clean the chimney if it needs it before building a fire this fall.

A smoke detector in your home is important, but most important is for the family to have an escape plan in case of a fire.
