Bailey County Extension Homemakers will sponsor youth skating this Friday, October 9, from 7:30 p.m. at the Bailey County Civic Center. Admission is \$1 per skater.

Ronnie Logsdon, son of Mr. and Mrs. Doug Logsdon, won the overall division title in the ROTC Fun Run at Portales last weekend.

He was first in the 19-28 year old mile run division, as well as first place finisher overall, with a time of 5:02:05.

Clifton Finley was in charge of the Tuesday Rotary Club program, and presented a film on the Rotary International Convention in West Germany. It was on 'The World's Search for Peace.'

Visitors included Charles Aycock, Ed Corn and Johnny Actkinson, all Farwell Rotarians, and Ken Box.

A meeting of junior class mothers has been scheduled for Monday, October 12, at 5 p.m. at the Hungry Mule Restaurant.

The urgent meeting will be a planning session for the Thanksgiving pre-game dinner to be sponsored by the MHS junior class.

Several Lazzuddin FFA youth exhibited animals during the South Plains Fair last week in Lubbock.

Vo-ag instructor, Rick Copp, reported the following results.

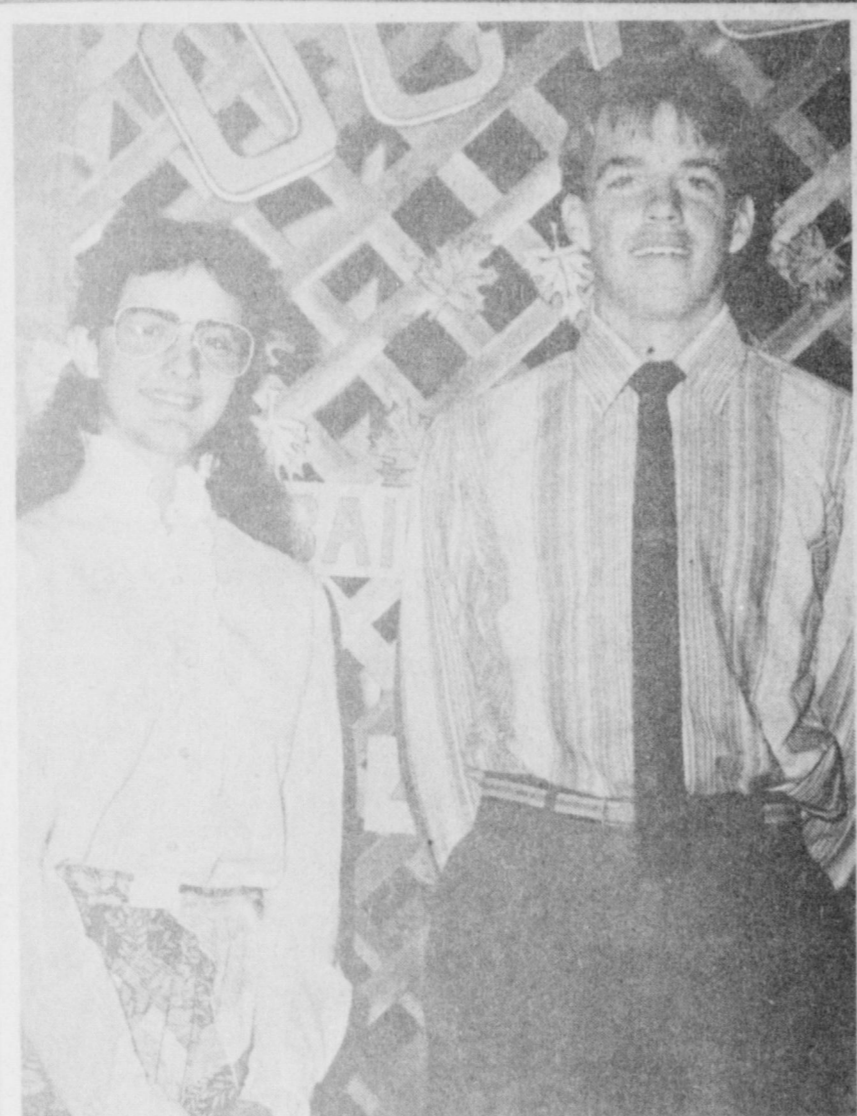

Steve, Casey and Loy Bradshaw and Edward Terry all exhibited in the pig show.

For the Lamb Show, Jody Copp had the sixth place heavyweight Southdown; Sheldon Mason showed the 11th place medium lightweight Suffolk and the 13th place heavyweight Suffolk; and Jana Vise had the 21st place heavyweight Suffolk.

Scott Mitchell had a third place Hampshire Ram and Jody Copp showed a third place Southdown ram.

The 21st annual Country Music Association Awards special will be broadcast live from the Grand Ole Opry House in Nashville, TN on the CBS television network.

The special will air on Monday, October 12, from 8:30 - 10 p.m. on KLBK-TV, Channel 13, Lubbock.

GOLD STAR WINNERS-Sunday afternoon, presented to two 'TOP' county awards in 4-H were Carrol Copley, left, and Colin Tanksley. They were presented the Gold Star Award during the annual Bailey County 4-H Banquet held at the Bailey County Civic Center. They will be recognized during a district 4-H banquet in Lubbock.

Mules - Chieftains

Tangling On Friday

Folks -- practice and play time are all over. This Friday night, it's all for real. Last year, just about this time, the Mighty Mules were sitting pretty at mid-season with a 4-1 record -- then came the Friona Chieftains.

Just before gametime, the Mules traveled off to Friona immediately behind a downpour that deposited more than an inch of water on Friona, and most of it seemed to have fallen

right on the football field.

The Chieftains ingloriously dumped the Mules 39-6 to open the 1986 district season.

A steady, cold rain continued throughout the game, with the only bright spot of the night coming when Armando Del Toro burst through the Chieftain defensive line and raced for a 55-yard TD in the first quarter.

From there, it was downhill for the entire evening.

Kerry Moore Chosen 'State' Speech Teacher

Friday night, during the Texas Speech Communication Association (TSCA) annual convention at Houston, it was announced that Kerry Moore, Muleshoe High School Speech and Drama teacher, had been named "Texas Speech Teacher of the Year for 1987."

He was one of five finalists from the entire state of Texas. Other finalists included Ira Evers of San Antonio; Paula Moeller of Austin; Mildred Peveto from Carrollton (Dallas); and Judy Dorsett of Houston, all 5A schools.

A native of Memphis (TX) Moore came to Muleshoe High School in 1960 after graduation from West Texas State College in Canyon, with degrees including, BA in speech, Theatre, English and Social Studies.

He and his wife, Pat, are members of the Muleshoe Church of Christ, and reside across the street from Muleshoe High School.

Since moving to Muleshoe his students have won the following UIL contests at Austin--

In individual events - 20 students to place FIRST; 17 students to place SECOND and 16 students to place THIRD.

In seven state appearances in the One Act Play Contest, his theatre students have had two first places; three second places and two third places.

SALUTING THOSE WINNERS:
1962 - Karen Jones - FIRST in Persuasive Speaking at State.
1963 - Barry Lewis & Don Williams THIRD in Debate at State; Shirley Smallwood & Nined Bovell FIRST in Debate

New SPS Program Will Help Needy

South Plains Association of Government's Resources United Program and Southwestern Public Service Company (SPS) have instituted a program to identify vulnerable elderly citizens in Muleshoe who may need help, but are unable or reluctant to ask for it.

The Gatekeeper program, as it is called, locates and trains "Gatekeepers" to "open the gates" between isolated older people and local organizations that can provide the assistance these people may occasionally need.

"The Gatekeeper concept is remarkably simple," says SPS's Muleshoe manager, Ron Montgomery. "SPS employees with day-to-day customer contacts, such as meter readers and servicemen, are asked to watch out for elderly customers on their routes. If these Gatekeepers see any of several warning signs that indicate an older customer may be experiencing difficulties, they simply report the situation to their local service organization."

This organization then is Cont. Page 8, Col. 1

Copley And Tanksley Are Gold Star Winners

In a fall setting, with tables decorated with pumpkins, dried corn, and various vegetables and grains, the annual 4-H Awards banquet was held Sunday afternoon at the Bailey County Civic Center.

Following a meal prepared by Mr. and Mrs. J.K. Adams, Carrol Copley was mistress of ceremonies.

Opening ceremonies were by Jamie Wheeler, invocation; Fara Black, pledge of Allegiance; Melissa Toombs, 4-H motto and pledge and response to the welcome by Holly Huckaby.

David Marricle, representative of Bailey County Electric Cooperative, told the group, "It is a privilege for me to be here."

"I would like to congratulate each and every youngster for your accomplishments, and would like to especially recognize the parents and leaders,

Joe's Boot Shop New Expansion Near Completion

Joe and Darla Rhodes, owner/operators of Joe's Boot Shop, have announced the expansion of their boot business to include the north half of the former St. Clair's Department Store building.

A new entrance has been cut into the north side of the building, adjacent to the north parking lot, just off Highway 84.

The Rhodes anticipate being open by November 1.

In their expanded location, the Rhodes expect to have more than 6,000 pair of boots available to fit just about any size male or female.

Pss-ss-s-t! Have you heard yet?

The Muleshoe Activities Committee (MAC) is changing their image! That's right -- they're changing the amounts given in MAC Bucks, they're changing to four winners each month instead of three, and will be changing the method of giving the money away each month.

During a general membership meeting for MAC Tuesday morning, several new ideas and promotions were adopted.

First, the amount to be won in MAC Bucks - first prize will be \$150 each month; second prize is \$75; the third prize is \$50; and get this - a fourth winner will receive \$25.

In order to give more money on the monthly drawings, the mid-year big drawing, in July, has been discontinued.

And -- there's now a chance to win double your money - or MAC Bucks.

For this first year, some \$1,200-\$1,500 is expected to be given in the big Christmas drawing, scheduled for Saturday, December 19.

Both the November and December drawings will still be done at 'the trailer,' then in January, the drawing method will be changing.

Beginning with the January, 1988 drawing, local newspapers

will be hiding the winning ticket numbers in some advertising - it will read, MAC Ticket #667788, pick up your \$25, or \$50, or \$75, or \$150 in MAC Bucks at (Name of Business).

Open House Set Sunday For School

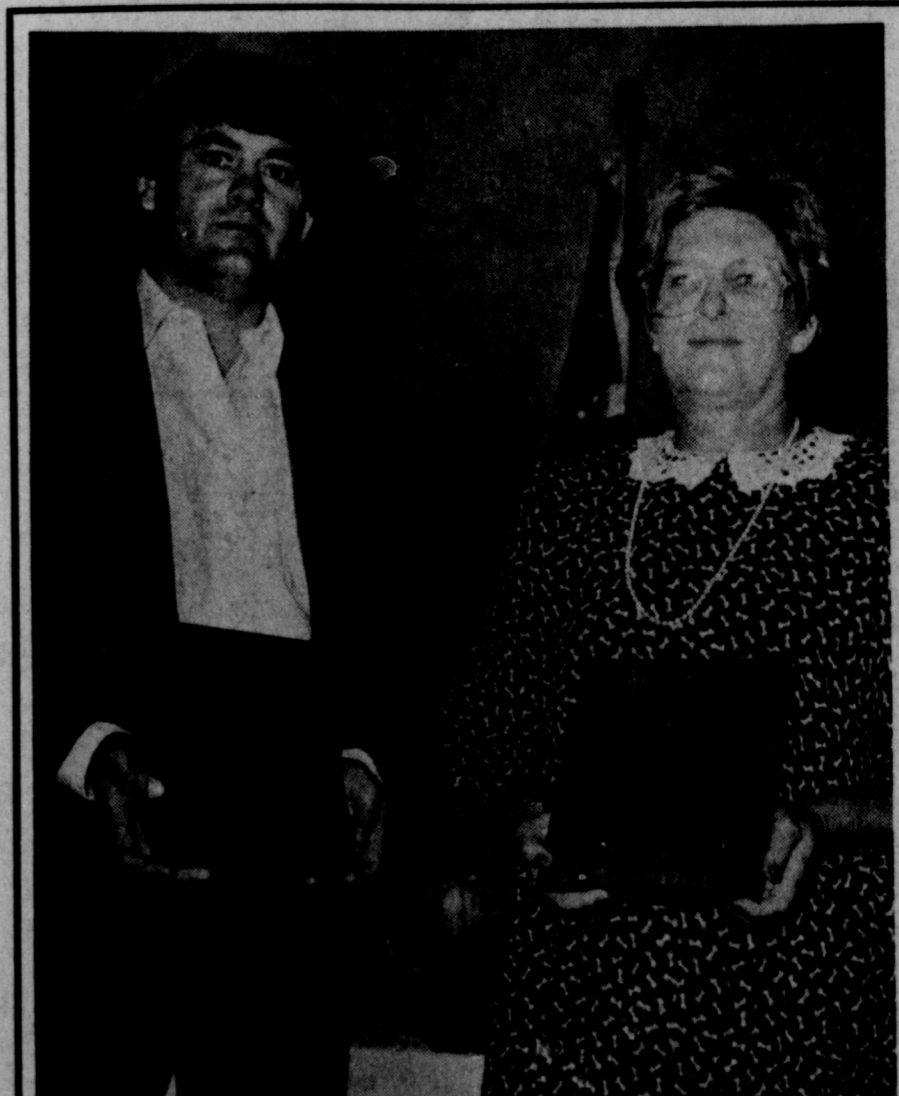

Muleshoe Independent School District will host a formal 'open house' for the new central administration building on Sunday, October 11, 1987 from 2-5 p.m. All of the patrons, parents, students and friends in the community are invited to come and celebrate with the trustees and administrators.

A formal ribbon cutting will be at 2 p.m. with the president of the board, Julie Cage, presiding. Joining Mrs. Cage in the ribbon cutting ceremony will be honored guests representing KMUL, Channel 6, The Muleshoe Journal and the West Texas Ranger.

All other special guests (patrons, colleagues, parents, and friends of Muleshoe ISD) are invited to 'come and go' between 2-5 p.m.

The Muleshoe High School Student council will be the official greeters in the front of the new building, while the Muleshoe Cheerleaders will be serving coffee and punch in the professional library. The trustees will greet visitors in the new board room while the administrators and staff greet visitors from their offices located throughout the building.

This is your special invitation! --Please plan to be in attendance.

AWARDS PRESENTED AT 4-H BANQUET--David Marricle, left, accepted a special award for Bailey County Electric Cooperative Association, Inc. and Bobbi Dunham, right, was presented a personal plaque during the annual Bailey county 4-H Banquet held at the Bailey County Civic Center. They will be recognized during a district 4-H banquet in Lubbock.

Plainview's Symphony Tickets Go On Sale

Season tickets for Plainview's Symphony of the Llano Estacado 1987-88 concert year go on sale today.

Productions this year include the Classical Concert Oct. 13 and the Christmas Concert Nov. 30, both at Harral Auditorium; the Chamber Concert Feb. 9 in First United Methodist Church Sanctuary; and the Pops Concert March 25 at Harral Auditorium.

Adult season memberships are \$15 each, and student season memberships are \$8 each. Tickets for each individual concert will be available at the door at a cost of \$8 for adults and \$3 for students, according to Peggy Engelhardt, ticket chairman.

Dr. Virginia K. Kellogg, professor of violin at Texas Tech University in Lubbock, will be guest soloist for the Oct. 13 Classical Concert. She will be playing "Adagio" by Mozart and "Introduction and Rondo Capriccioso" by Saint Saens,

according to Symphony artistic director J.W. King, Jr.

Dr. Kellogg toured as soloist and as a member of the St. Louis Trio for Civic Music and Community Concerts. Recipient of a Fulbright Award in 1965, she appeared as recitalist in Bursseles, Amsterdam, and in the Netherlands. Other recital appearances have taken her to St. Louis, Rochester, New York, Dallas, and Aspen Colorado.

In 1969 she was chosen by audition for a solo performance at the International Bach Society Congress in New York.

A graduate with high distinction from the Eastman School of Music, Dr. Kellogg holds the Doctor of Musical Arts degree. She is a former member of the St. Louis Symphony, Rochester Philharmonic and Aspen Festival Orchestras, and is presently active as concertmaster of both the Lubbock and Roswell, New Mexico Symphony Orchestras.

In private life she is the wife of Keith McCarty, professor of clarinet at Tech.

King announced the 55 member symphony orchestra will also play the following pieces during its first concert of the year; the first movement of Schubert's "Unfinished Symphony"; "Piquedame Overture" by Suppe; "Intermezzo" from "Manonlescant" by Puccini; "Chit Chat Polka" by Strauss; "English Folk Song Suite" by Ralph Vaughn Williams; and "The Star Spangled Banner" by Stafford.

Performers in the Plainview Symphony include several members of the Wayland Symphony Band and artists from Plainview and several area towns, according to King.

"This year we are especially proud to have three members of the string section from Plainview," said King. "Dr. Curtis Baldwin will be playing regular string bass, Cynthia Sheppard of Wayland will be a cellist, and Alicia Kronick will be playing second violin"

The Plainview Chorus will join the orchestra in its Nov. 30 Christmas Concert to present a program of Christmas music.

The Plainview Musical Arts Club sponsors the Feb. 9 concert of the Chamber Or-

chestra at First United Methodist Church Sanctuary. There will also be free admission and refreshments for this performance.

And by popular request, the final concert of the season will again feature the Symphony's wind and percussion sections in a Sousa Band Style Pops Concert.

All concerts will start at 8:00 p.m.

The orchestra is chartered as a non-profit, educational and cultural organization.

"Season tickets can be purchased at the door the night of the first concert (Oct. 13), from any Symphony Board member, at Gallaway's Janitor Supply, Hale County State Bank, First National Bank, or from any member of the Symphony Guild," said Mrs. Engelhardt.

Jerry Minster is the Symphony's conductor.

Texas A&M researcher says air pollution may cross the oceans

COLLEGE STATION — When it comes to pollution, what goes around comes around, according to researchers in a multi-university study of the transfer of chemicals between the continents, the ocean and the atmosphere.

"Given what has now been discovered about long-range transport (of pollutants), there is the possibility that some pollutants with sources from the United States and Europe can cross an entire ocean," said Dr. Elliot Atlas, an associate research scientist at Texas A&M University.

Atlas and other researchers who worked on the Sea-Air Exchange (SEA-REX) Project, a nine-year study in the Pacific, are turning their attention to the Atlantic Ocean, where the potential for problems in sea-air exchange of pollutants is much greater. The earlier Pacific study, sponsored by the National Science Foundation, showed that air-borne pollution from industrialized nations is carried by air currents to areas of the Pacific Ocean thousands of miles away.

Data from the Pacific study showed that air and rain are the major ways that many chemicals arrive in the middle of the ocean and get into the marine food chain. DDT and PCBs were among the compounds found in marine animals like dolphins and whales, Atlas said.

"The main theme is that the chemicals used by man are easily and quickly moved around the environment and to far-away places," Atlas said. He added, "It is not just a local or regional problem — it is a global problem."

V.A. News

Q -- Is there a maximum amount a veteran can pay for a home when using a VA-guaranteed loan?

A -- The VA does not set a maximum amount that a veteran can pay for a home. However, the VA's appraised value as stated in its Certificate of Reasonable Value sets the maximum amount of a loan that the VA will guarantee.

Q -- If my VA guaranteed loan is assumed by a non-veteran, can my entitlement be restored?

A -- No. The amount of entitlement used when the loan was obtained cannot be restored until the loan is paid in full. However, a release of liability can be obtained.

Q -- Is a veteran entitled to compensation for disabilities that existed prior to military service?

A -- Compensation may be paid for pre-existing conditions when such conditions increased in severity during service beyond the natural progression of the disability.

Prevent Fires!

Tremendous progress has been made in the prevention of fire; progress in fire fighting and building safety alone has lessened the toll taken of life and property in an earlier time in our nation's history due to conflagrations. Yet today, there are still many thousands of people who die each year, and hundreds of thousands more who receive serious injuries. Some of these fires are caused by people who don't know what to do or do the wrong thing when confronted with fire. Read these fire safety cautions and help in the battle to prevent fires!

FIRE SAFETY CAUTION:

DON'T

store things near your furnace or heater. Sort and remove all rubbish and flammable liquids.

DON'T

smoke in bed!

People who do are a danger to the whole family! Check all ashtrays before you retire.

DON'T

have pot handles extending out where children can reach them. Turn pot handles in.

DON'T

have matches or cigarette lighters where children can reach them. Put them up and out of the way!

DON'T

overload electrical outlets or leave cords where children can pull on them.

DON'T

touch an electrical appliance that gets wet. Water and electricity combined cause shock.

Creative Living

By Sheryl Borden

Information on southern cooking and how to make use of a Cuisinart food processor will be featured on "Creative Living" on Tuesday, October 13 at 12 noon and repeated on Saturday, October 17 at 2:00 pm on KENW-TV. (All times are Mountain.)

When we think of "southern cooking", we usually think of such mouth-watering recipes as fried chicken, skillet cornbread, buttermilk gravy and peach cobbler. Lynne Tolley is a delightful southern hostess and the proprietress of Miss Mary Bobo's Boarding House in Lynchburg, Tennessee. This boarding house has a long and colorful history and Lynne will share some of this with us as she prepares some of her favorite recipes that she serves each day of the week at the boarding house.

Another guest will be Anne Greer, consultant to Cuisinart and also a cookbook author and restaurant consultant. Food processors are now in more than 25 million American homes, but many cooks still don't take full advantage of using them. Anne will show the versatility of a food processor and show some of the optional discs that make the job even easier. Anne is from Dallas, TX.

On Tuesday, October 13 at 9:30 pm, "Creative Living" will feature a segment entitled "Yucky vs Yummy" which pertains to making foods more appealing to children. Sandy Allison, former Texas Extension Home Economist, will share some creative ideas for encouraging children to eat nutritious meals. She now lives in Littlefield, TX.

Also, Sue Vaughn, author of the popular cookbook, *CALF FRIES TO CAVIAR*, will share some of her favorite main dish recipes. Sue is from Lamesa, TX.

Awarded Life

Membership

New Mexico Music Teachers Association's Executive Committee has announced that Joyce Walker has recently been awarded life membership in the state organization.

Founder and first president of the Lea County Music Forum, Mrs. Walker served as state vice president from 1977 to 1979 and was state president from 1979 to 1981.

In 1979, the Joyce Walker Student Foundation was established for state student competitions in honor of her work in student activities.

She has served as student affiliate chairman and convention chairman and is currently state junior-senior auditions chairman.

Mrs. Walker was chosen as one of 20 musicians from the U.S. to form the first music delegation to visit China. She was named in "Personalities of the Southwest" in 1962 and 1985 and in "Distinguished Americans" in 1982. She was also listed in "Foremost Women of the 20th Century" and the American Hall of Fame.

She is now retired and her husband, Joe, is a retired teacher at New Mexico Junior College.

Mrs. Walker is the daughter of Velma Gwyn and the late, Byron Gwyn. She was instrumental in providing the Gwyn Room at the Santa Fe Depot.

Janet is a spokesperson for The Pillsbury Co. and also has written a cookbook that specializes in microwave recipes. The cake that will be featured is a new cake from Pillsbury that is designed for microwave cooking and is practically fool-proof. Janet is from Phoenix, AZ.

Another guest will demonstrate creative sewing for making little girls' frilly dresses. Janet Wood will show some special techniques for quick gathering, letting, shirring and attaching elastic on little girls' dresses. She is from Riverside, CA.

"Creative Living" is produced and hosted by Sheryl Borden. The show airs on more than 100 PBS stations in the United States, Canada, Guam and Puerto Rico and is distributed by Pacific Mountain Network, Denver, Colorado. Viewers can request copies of printed materials offered on the show by calling on KENW-TV's toll-free telephone lines between 8 am and 5 pm, Monday through Friday. TACO CHICKEN

1 pound chicken pieces, 1 beaten egg, 1 cup crushed cheesy crackers, 2 Tbsp. taco-seasoning mix.

Combine crackers and taco-seasoning mix; set aside. Dip chicken pieces in egg; then roll in cracker mixture. Place chicken pieces in a round glass dish with thicker pieces to the outside. Microwave on HIGH power 7 to 8 minutes. Serves 4.

CHOCOLATE PEANUT BUTTER CAKE

CAKE:
1 pkg. Pillsbury Microwave Chocolate Cake Mix, 3/4 cup water, 1/4 cup oil, 1/4 cup peanut butter, 1 egg.

GLAZE:
1/2 cup semi-sweet chocolate chips, 1 Tbsp. margarine or butter, 2 Tbsp. peanut butter.

Using solid shortening, grease specially designed pan provided with Pillsbury Microwave Cake Mix. (DO NOT substitute other pans.) In medium bowl, combine all cake ingredients. Beat with spoon about 75 strokes or until WELL blended and smooth. Pour into prepared pan.

Microwave on HIGH for 6 1/2 to 8 minutes or until cake pulls away from sides of pan and top no longer looks shiny and wet. Immediately invert onto serving plate.

In small microwave-safe bowl, combine all glaze ingredients. Microwave on HIGH for 45 to 60 seconds; stir until smooth. Carefully spread over top and sides of warm or cooled cake. 8 servings.

HIGH ALTITUDE: Above 3500 feet, no change.

4-H Is Distinctly American

4-H is as American as baseball or apple pie--or the U.S. Constitution, is now 200 years old.

4-H, an American educational program for youth began around the turn of the century, points out Kandy K. McWhorter, county 4-H program leader with the Texas Agricultural Extension Service, The Texas A&M University System. In fact, it followed on the heels of a Corn Club organized in Jack County, Texas, in 1908, and has flourished ever since.

The nation boasts a total of some 4.5 million 4-H youth between the ages of 9 and 19. More than 305,000 of these are Texans.

More and more 4-H'ers are coming from urban areas, notes McWhorter. In Texas, about 66 percent of the youth now come from larger urban and suburban areas. The remainder of Texas 4-H'ers live on farms or ranches or in towns of under 10,000 population.

Adult volunteer leaders are a

Muleshoe Singing Group

The Muleshoe Singers met at 7 p.m. Oct. 2 in the fellowship hall of the Trinity Baptist Church. J.M. Crawford gave the invocation. Twenty-seven were present including two from Needmore, two from Olton, four from Earth and five visitors from Muleshoe.

Marvin Sanders sang a solo with Ann Miravdo accompanying him at the piano. Duets were sang by Irene Delts and Gene Meador. Eland Upchurch played his guitar and sang.

Leading congregational singing were: Chales Miranda, Eva Ashford, Ruby Garner, Mae Wilterding, Rhetta Shipp, Irene Steinbock, J.C. Shanks, Bob Belts and Florene Upchurch.

Taking turns at the piano were Odessa Shanks, Ann Miranda, Opal Robertson, and Eva Ashford.

It was reported that several quartets were arranged and everyone enjoyed the singing.

Dorothy Bowers gave the benediction.

valuable asset to 4-H as they give freely of their time and talents in assisting in the educational efforts of the 4-H program. There are 620,000 4-H volunteer leaders across the country, and 30,000 of these are in Texas, says McWhorter.

The 4-H program also receives widespread financial support from various businesses, corporations and foundations all over the nation. The Texas 4-H Youth Development Foundation garners support from the private sector, both individual and business, to support many 4-H activities, McWhorter points out.

The 4-H program has enjoyed much success in the past, but the groundwork must be laid now to face the challenges that lay ahead, McWhorter emphasizes. Challenges are plenty as 4-H strives to assist youth along the road of life and to prepare them to be the leaders of tomorrow's America.

MICROWAVE COOKING

Food characteristics that affect microwave cooking include the amount of moisture content. Foods with low moisture content do not microwave well.

However, add only the minimum amount of water to fresh or frozen vegetables, as excessive water slows cooking time. Starting temperature also makes a difference.

Frozen items will take longer to cook than fresh vegetables. This also means more attention to turning, stirring, and rotating.

The same amount of food, beef for example, will cook faster cut into small pieces than in one large piece.

Density also makes a difference: brownies take longer than cakes to cook, solid beef is denser than ground and takes longer, and baked potatoes hold heat much longer than mashed.

Signature Cards And Survivorship

The signature cards you sign on joint bank and checking accounts will determine if those funds go directly to your spouse in the event of your death.

"In Texas, establishing an 'and/or' joint account does not automatically create the right of survivorship," says Nancy Granovsky, a family economics specialist.

"The right of survivorship is important because it means that the surviving spouse receives the property outright, without having to go through probate," she explains. "Without the right of survivorship the

spouse's share of the accounts will go to his or her heirs, usually the children."

Granovsky, who is a specialist with Texas A&M University Agricultural Extension Service home economics program, says that the right of survivorship can be created through a cotenancy, which is one form of joint ownership.

"Three types of cotenancy are recognized in Texas; tenancy in common, community property, and joint tenancy with the right of survivorship. The main difference between tenancy in common and community property is that community property exists only between husband and wife."

"But with either cotenancy or community property, property passes to the heirs and does not go automatically to the surviving contentant," Granovsky observes.

She emphasizes that only a joint tenancy with right of survivorship allows the funds to go automatically to your spouse.

"To create a bank or checking account that allows for joint tenancy with right of survivorship, there must be a written agreement that has been signed by the person who dies and stating the intention that his or her share should pass to the surviving spouse."

A written partition agreement must also be signed by the couple separately, before opening the joint savings or bank account, she says.

"The signature cards you sign at the bank when setting up accounts can create the right of survivorship if they meet these requirements," The specialist says. "However, not all signature cards meet the requirements, and not all people pay attention to what they are signing in setting up accounts."

"Without joint survivorship you may have to function with half the money held in joint accounts in case of your spouse's death," notes Granovsky. "Even if you are designated as your spouse's heir, you will not have access to those funds while the estate is probated."

"When opening a joint account, consider whether it will meet the rules for joint survivorship," advises the specialist. "One side of the signature card should contain the partition agreement and the other, the language you need to set up a joint tenancy with right of survivorship."

CITY BUILDING FIRE STATION AND OFFICE

The officials of Muleshoe have let the contract to the Smallin Brothers for the erection of a fire station and city secretary's office. The building is now under construction and is located on the side street by the water tower. It is being constructed of brick and tile. It will house the new Chevrolet fire truck, and will have sleeping quarters for three men.

Muleshoe is making a steady growth and the buildings are being erected with a view of permanency.

COTTON POPPING OPEN GINS GET FIRST BALES RUN ON REGULAR RUN

Look about in any direction as one travels over Bailey County and a big column of smoke may be seen exuding

from the stack of some of the 13 cotton gins located in this county here where the task of ginning an estimated 16,000 bales of fleecy staple has already begun.

During the past months gin owners have been diligent in overhauling, repairing, installing new machinery or need parts and getting ready for the annual "run". Already every gin has had its first bale, while some have ginned eight or ten each. Within another week all gins will be running pretty well on full time schedule.

MULESHOE TO HAVE MODERN TOURIST COURTS—FIRST UNITS READY BY JAN. 1

Citizens of Muleshoe as well as the traveling public is to have a modern motor inn.

A modern tourist court of tile and stucco will be built on a six acre tract of land along the Clovis highway, South and East of the Roadside Park.

The court will have 20 apartments and ten of them are expected to be ready by January 1. Leveling of the site is underway now.

Muleshoe people have long felt the need for such an enterprise here as more and more travelers fail to find overnight accommodations and have to drive to another town for sleeping quarters. It is considered another sign of Muleshoe's rapid growth and another indication that Muleshoe is growing away from the little class and is becoming a little city.

MRS. BARBARA MILLS, MRS. MARLAN MILLS AND MITCHELL

Grandmother's Shower Honors Mrs. Mills

Mrs. Barbara Mills was honored with a grandmother shower at 2:30 p.m. Saturday, Oct. 3 in the community room of Summit Savings.

The honoree, her daughter-in-law, Mrs. Marlan Mills; and grandson, Mitchell greeted the guests.

Zona Gatewood and Kathie Ballard served cookies, punch, mints and nuts from crystal appointments.

The serving table was covered with a white cloth and accented with a centerpiece made of a potty chair with an arrangement of fresh ivy, balloons and baby toys. The table was also decorated with balloons. The honoree's and special guests corsages consisted of baby socks

and silk flowers.

Special guests were Mozell Durrett and Florene Upchurch, great grandmothers of Mitchell.

The hostesses gift was a potty chair and individual gifts. Hostesses for the occasion included: Lynda Low, Jo Harmon, Kathie Ballard, Zona Gatewood, Brenda Lackey, Sherri Ott, Diane Grumbles and Judy Lowder.

In Fashion

The jewelry trend begun last year in Europe is now big in the U.S. this fall. The trend is towards "clustering" pins and other accessories. The newest is the clip-on watch that is worn anywhere on one's costume, but never on the wrist. These watches, with

Quartz movement and unlimited design, are considered smart in clusters on evening and sports wear.

Earhtones are very popular in all fashions and jewelry this fall. Don't, however, discard last year's colorful clothes. Accent a vivid color with hose and shoes of the same color.

Spencer Tanksley, Bailey County Extension Agent, added, "We also appreciate all the others who donate so much time and effort on behalf of the 4-H, including businesses, parents, and the Bailey County Commissioners."

Kandy McWhorther, Bailey County Home Extension Agent presented the two major awards given the 4-H youth, commenting, "The Gold Star Award is the highest award that can be received on the county level. This award is given annually to two 4-H'ers in Bailey County."

"The Gold Star Award represents the best, as do our 4-H'ers who receive the award. They have shown outstanding leadership and citizenship abilities. We can be proud of our recipients this year."

The first Gold Star Award was presented a young lady who attends Muleshoe High School, and a very active member of 4-H for eight years.

She has been active in photography, small animals, swine, foods and nutrition, clothing, leadership and citizenship. She has served as vice president of her 4-H club, on the county 4-H council and on the District 4-H Council.

The recipient was Carrol Copley, daughter of Mr. and Mrs. Jimmy Copley.

responsible for contacting the elderly person, assessing the situation, and matching that person with the community services or resources they may need.

SPS employees involved in the program have been trained to look and listen for certain warning signs -- a change in appearance or behavior, signs of confusion or disability, a normally well-kept yard that is left unattended, even an accumulation of newspapers or mail -- that may indicate an elderly person in distress.

The program will be administered by South Plains Association of Government's Resources United Program with Southwestern Public Service Company employees serving as the program's "eyes and ears" in the community.

Similar programs are being instituted throughout the SPS service territory by SPS and local community organizations.

MAC Bucks Increase

be announcing the winning ticket number four times a day - you will have until 5 p.m. on Tuesday afternoon to claim your MAC Bucks.

If the MAC Bucks are not claimed for that month, in the time allowed, the amount for the following month will be doubled, i.e., from \$25 to \$50. If unclaimed the next month, an additional \$25 will be added, then it will be \$75. So, you can see how it can grow from month to month.

Also, with a concentrated effort getting underway to add to the MAC membership, as the membership grows, so will the amount of money to be given away each month.

Windbreak Trees

Are Available

Until February

"In Blackwater Valley Soil and Water Conservation District is now accepting orders for windbreak trees," stated Carl Bamert, chairman.

Bamert added, "the tree selection is a little larger than last year and also there is a special wildlife seedling packet designed for use on Conservation Reserve Contracts."

"Stop by the Soil Conservation office, 105 E. Ave. D for application blanks and more information on tree selections and drip systems for the trees. Deadline on all orders is February 24, 1988."

Star Award was also a student at Muleshoe High School, and an active member of 4-H for four years.

His major projects have included beef, swine, sheep, safety, gardening, electricity, leadership, foods and nutrition, and money management.

He has served as an officer of his 4-H club, is on the county council and is alternate to the District 4-H Council.

Recipient of the Gold Star Award was Colin Tanksley, son of Mr. and Mrs. Spencer Tanksley.

A second, and major, award was presented two recipients. The 'I Dare You' award is presented annually to two Bailey County 4-H'ers. It is the second highest award that can be received at the county level.

Recipients are chosen because of their outstanding 4-H careers at the time of the award, and is a challenge for these honored 4-H'ers to continue to strive for excellence in their remaining years in 4-H.

A copy of William H. Danforth's book, 'I Dare You' was presented Melissa Toombs, daughter of Mr. and Mrs. Gary Toombs, and to April Watkins, daughter of Mr. and Mrs. Glen Watkins.

Other awards presented included:

With the new promotion beginning in January, each MAC member will be closely involved with getting potential customers into their stores as people come in to claim their prizes.

Bob Donaldson was named chairman of a committee of MAC electing to 'adopt' the first two miles east of Muleshoe on Highway 84.

It was explained that this will entail cleaning that stretch of the highway at least 12 times each year. The cleaning is a "Must" for April, during the beautification drive.

Donaldson said he needs four teams with seven people, or a total of 28 people, to assist with the adoption process.

The Highway Department furnishes vests and trash bags, and will pick up the filled bags. Aluminum cans will be separated from regular trash, sold, and the proceeds donated to local organizations.

Eddie Morris said there are 61 placements for 'adoption' in this district, and Lubbock has most of them tied up at this time. Application has been made to designate the two miles east of Muleshoe as being 'adopted.'

Harvey Bass asked the MAC to go on record commending Kerry Moore who was designated "1987 Speech Teacher of the Year," for the interest and recognition it has brought to Muleshoe, as well as for the outstanding work Kerry Moore has done in Muleshoe for more than 20 years.

Carolyn Schuster, New Member; Wade Wheeler, Electricity; Courtney Tanksley, Swine and Marianne Toombs, Swine.

Lloyd Pollard

Takes 'First' For This Week

This week, The Journal had to carefully check tiebreakers for all three winners in the weekly football contest. Two persons missed four games, and it was from these two that the top places were determined.

Lloyd Pollard and Carran Black both missed four games. But, when the tiebreaker scores were checked, Pollard was first place winner by one point. He was 41 points off on the double tiebreakers and Carran was 42 points away.

In third place was Joel Sinclair. He missed five games, along with half a dozen other people, but he was only 34 points off on the double tiebreakers, and all others were 40 or more points away.

James Edler holds a slight edge at this point in the contest, although there are several weeks to go to determine the grand prize winner. Elder has a first and third place to have 14 points at this time.

The winners this week in the football contest, with the winning team being shown in brackets include: Washington vs (Oregon); Hobbs, N.M. vs. (Littlefield); Lockney at (Muleshoe); Vanderbilt vs. (Tulane); (Arizona State) vs. Texas - El Paso; Pittsburgh vs (Boston College); (Georgia) vs. Mississippi; (Pacific) vs. New Mexico State; (Kansas) vs. Southern Illinois; Olton at (Dimmitt); (Arkansas) vs. TCU; (Wyoming) vs. San Diego State; Iowa vs. (Michigan State); Dalhart at (Tulsa); Duke vs. (Rutgers); (Miami FL) vs. Florida State; and (Abernathy) at Floydada.

The Mississippi vs. Memphis State game was not counted for this contest, as the typesetter failed to put Mississippi State.

The Journal had to make a couple of long distance calls this week, as some of the scores were hard to find for the latest contest.

In the tiebreaker games it was Florida 10 and LSU 13; and Texas A&M 21 and Texas Tech 27.

Everyone is against inflation in general but anxious for a little of it personally.

Mules-Chieftains

Cont. from Page 1

This year, the Mules are hosting the Chieftains on their home field at 7:30 p.m., and even the weather man has tentatively agreed to cooperate. He may cooperate enough for the Mules to re-coup their loss to the Chieftains a year ago.

Most of the Mules are expected to be in good to excellent shape for the Friday night game. James Ziegenfuss is back, Johnny Garcia is back on a limited basis, and Sergio Gonzales is out for the year with a knee injury.

To date, at mid-season, the Mules have scored 137 total points to 25 for their opponents.

The Mules are averaging 5.2 yards per rush, with 237 rushes good for 1,242 yards. Their opponents, on the other hand, have been held to 158 rushes for 223 yards, an average of 1.4 yards each carry.

In passing, the Mules have completed 22 of 77 passes for 327 yards, an average of 14.9 yards per game. Also, their opponents have also completed 22 of 77 attempted passes, but just for 222 yards. Each has also had nine interceptions at midpoint in the season.

The Mules have also punted 17 times for 526 yards, an average of 30.9 yards per punt. Their opponents have punted 35 times for 1,060 yards, an average of 30.3 yards each time they punt.

The Mules have made 59 first downs by rushing; 13 by passing; and four on penalties for 76 first downs, an average of 15.1 per game, while their five opponents have made 16 first downs by rushing, eight by passing and six on penalties for a total of 30, or an average of six per game, although the Mules held Earth-Springlake to only two first downs, and Lockney made only one first down during the entire games.

The Mules have the dubious honor of holding the most penalties with 40-440 yards; while their opponents have 26-242 yards. The Mules have lost eight fumbles to nine for their opponents.

Individually, Michael Dunham

has 77 rushes for 442 yards and has received two passes for 31 yards, a total of 473 yards and five touchdowns.

Daniel Olivas has 38 rushes for 255 yards and eight receptions for 115 yards and six total touchdowns.

Armando Del Toro has carried the ball 58 times for 329 yards and three touchdowns and has two aerial receptions for 13 yards for a total of 342 yards.

Jeff Hicks has carried for 23 times for 28 yards, but has 17-56 passes completed for 263 yards and two TDs.

Shannon Simmacher has carried 21 times for 100 yards and one TD.

Jerry Mendoza has carried for 10 times, gaining 59 yards on the ground and has two aerial receptions for 24 yards. He also has one TD for the season.

Johnny Garcia has carried four times for 11 yards, and completed five aerals for 64 yards.

Timmy Shipman has carried six times for 18 yards and latched onto two aerals for another 19 yards.

Other receivers have included Ramon Garcia with seven yards and Miguel Sanchez with three yards.

At midway in the season, Miguel Sanchez and Jaime Olivarez have each been credited two points for safeties.

Friday night, district action starts, so for the best in football action, be at Benny Douglass Stadium before the 7:30 p.m. kickoff -- BACK THE MULES!!

Fall Memories

September brings with it (in most parts of the country) the first cool winds, school, football, burning leaves and nostalgia.

Why is it autumn produces such a tug on the memory? Perhaps it's because growth, and a summer, is dying and the end of a life cycle is visible. It's a beautiful death--red and yellow, in field and forest.

Colder weather is coming on, the end of a year as well as a season, and naturally one looks back.

Special Thank You From Junior Class

The Junior class would like to send a special "Thank You" to the people and businesses who donated their time and wood for the competitive bonfire last Thursday night. Even though the Juniors did not win, they had great fun. Thank you all once again!!!

The Pre-game supper is being served by H.E.C.E. This Friday night before the Muleshoe-Friona game. Supper will be served from 5:30 to 7:30. The main course will be Baked Ham. Tickets are \$5.00 for adults and \$3.00 for children twelve and under.

The class with the overall best attendance for the four weeks of October (October 5 Thru October 30) will be awarded \$200.00 for their class fund. Any class which has 100% attendance for any five day week of the contest will win \$50.00 for their class fund.

Four MHS Students Receive Rotary Awards

The Rotary Youth Leadership Awards were given to four students at Muleshoe High this summer. To receive this award the students attended the Rotary leadership camp at Vadito, New Mexico. Kevin King and Shawn Nieman attended the boys' camp and Deborah Lackey and Jodi Ferris attended the girls' camp. The Muleshoe Chapter of Rotary sponsored these students to the camps.

The students listened to various speakers and participated in several activities. The speakers and activities both promoted positive thinking and leadership qualities in young people.

All four of the students were featured as the program at the September 29 Rotary luncheon. Kevin and Shawn related the misadventures of the male camp and Deborah, told of the speakers and events at the female camp. Jodi showed a video tape of the girl's camp.

All of the students had a wonderful time and would like to say thanks to the Rotary for sending them!

licity Chairman; Justine Hanes, Student Council Representative. The class sponsors are: Denise Keeling, Jean Allison, Mike Summers, and Mark Heidel.

Sophomore class chose these students to represent their class: Amber Green, President; Andy Langfitt, Vice-President; Amy Montgomery, Secretary-Treasurer; Adelaido Godinez, Student Council Representative. Their sponsors will be: Kyle Carver and Marquita Adamson.

Sponsors for the Freshmen class are Coleen Tollett and Ruben Osuna. The Freshman elected the following students to handle their duties: Hector Flores, President; Monica Pacheco, Vice-President; Michelle Dent, Secretary-Treasurer; Marsha Wilson, Student Council Representative.

Faculty Members Participate In District Activities

Two members of Muleshoe High School's faculty have had recent honors given to them.

Lucy Smith, the M.H.S. business teacher, has been selected as the outstanding secondary business education teacher of District 17 of the Texas Business Association for Texas Business Education Association for the year.

Because Mrs. Smith was chosen as outstanding teacher of this district, she is automatically a nominee for the state outstanding business teacher of the year which will be chosen at the Texas State Business Association meeting in Waco on October 2-4. Congratulations Mrs. Smith!!

Mr. Kerry Moore, the M.H.S. Speech and Theatre teacher, is serving on two U.I.L. committees this year. He is Coordinator for "Introduction of Oral Interpretation" and Moderator for "New Prose and Poetry Interpretation List for the U.I.L." Mr. Moore is also serving on the U.I.L. Advisory Committee of the Texas Speech Communication Association. This is a professional organization which seeks, among its numerous activities, to enhance each member's teaching and awareness for communication needs at the high school, college, and university level.

Powderpuff Tilt Ends In Tie

Black and blue were evident all over the Benny Douglass Stadium last Monday night when the FTA at MHS sponsored the traditional clash between freshmen and seniors versus the sophomores and juniors, ended with a tied score of 12-12. The junior and sophomore team coined the name "Mojos" and the senior and freshman team called themselves the "Weiser Buddies."

The Mojo king was Jeff Hicks, escorted by Debbie Brown. Jeff is a junior and is quarterback for the Muleshoe Mules. Other Mojo king candidates and their escorts were: Timmy Shipman, escorted by Michelle Cox, Austin Swint, escorted by Mychelle Stout; and Michael Dunham, escorted by Krystal Angeley. The 1987-88 king for the Weiser Buddies is Ramon Garcia, escorted by Caroline Liles. Ramon is a senior and is also a "Mighty Mule." His court consisted of Johnny Garcia, escorted by

Cross Country Improves

In the running steps of one of the most active athletic groups at this time, the Cross Country team is doing well this year. They have already been to five tournaments and are improving with each one they attend. The Cross-Country coach, Jerry Johnson, said that most of the runners are improving by approximately 1/2 to 2 minutes over last year. He said that the runners have been finishing in the top half of the teams at the meets and are looking forward to representing Muleshoe at the State meet.

The male Cross Country team this year is: Greg Garcia, Richard Ring, Michael Garza, Hector Reyes, Miguel Sanchez, David Orozco, Juan Pacheco. The girl's team includes Jennifer Green, Jenifer Hayes, Michelle Cox, Amber Green, Amy Harrison, Lilly Garza, and Debbie Green.

We would like to wish both teams good luck in all your meets!

Missy Smyer; Jerry Mendoza, escorted by Amy Bean; and Sergio Gonzalez, escorted by Joey Heathington.

Highlights of the night's activities included misunderstood cues, some scuffles, several outstanding plays, and a variety of comical events. Michelle Cox and Lisa Triana made touchdowns for the Mojos, and Joey Heathington and Caroline Liles scored for the Weiser Buddies. Mychelle Stout intercepted a pass but the Mojos failed to capitalize on this play; Amy Bean ran two touchdowns, but both were called back because of penalties.

Cheerleaders Active

The Muleshoe High School cheerleaders are still in the process of selling Spirit Flags and Spirit Wind Socks. If you would like to purchase one of these spirit raisers, please contact one of the cheerleaders soon. These will be flown every Friday. The cheerleaders would also like to thank the city businesses for having their flags up on Thursdays and Fridays. Keep up the Mule spirit!!

Moore Chosen Outstanding Speech Teacher

Kerry Moore, speech and theatre teacher at Muleshoe High School, was named speech teacher of the year at the 1987 convention of the Texas Speech Communication Association, which was held in Houston October 1-3. Moore was one of five finalists for this honor, and the other four nominees were from class 5-A schools.

After graduating from West Texas State College in Canyon in 1960, Moore began his teaching career in Muleshoe High School. His professional responsibilities have covered a wide range of areas, including the teaching of world history and English. He has also coached girls' basketball, tennis and volleyball, and he served as senior class sponsor for eighteen years. For the past twenty-seven years, he has been advisor for the Future Teachers' Association at MHS. Moore has held various offices, both in educational and community organizations. He is past president of both the Texas State Teachers' Association and the Texas Classroom Teachers' Association. He was previously president of the Muleshoe Rotary Club and vice president of the Muleshoe Chamber of Commerce.

Moore has been an active participant in the Texas Speech Communication Association since 1970; he has served in various capacities during this time, including chairperson of several committees and a member of the UIL Advisory Committee and the Speech and Drama in the Public Schools Committee. He has been the coordinator of several workshops for Texas Educational Theatre Association and West Texas Speech Association and has served the Texas Forensics Association as secretary and the Texas Educational Theatre Association as a member of the finance committee. He is currently vice president of the West Texas Speech Association and is a member of several professional organizations.

Honors that have been received by Moore include Muleshoe's "Outstanding Citizen," Muleshoe's "Outstanding Educator," TFTA's "Advisor of the Year," Muleshoe High School's "Outstanding Faculty award," "Outstanding Young

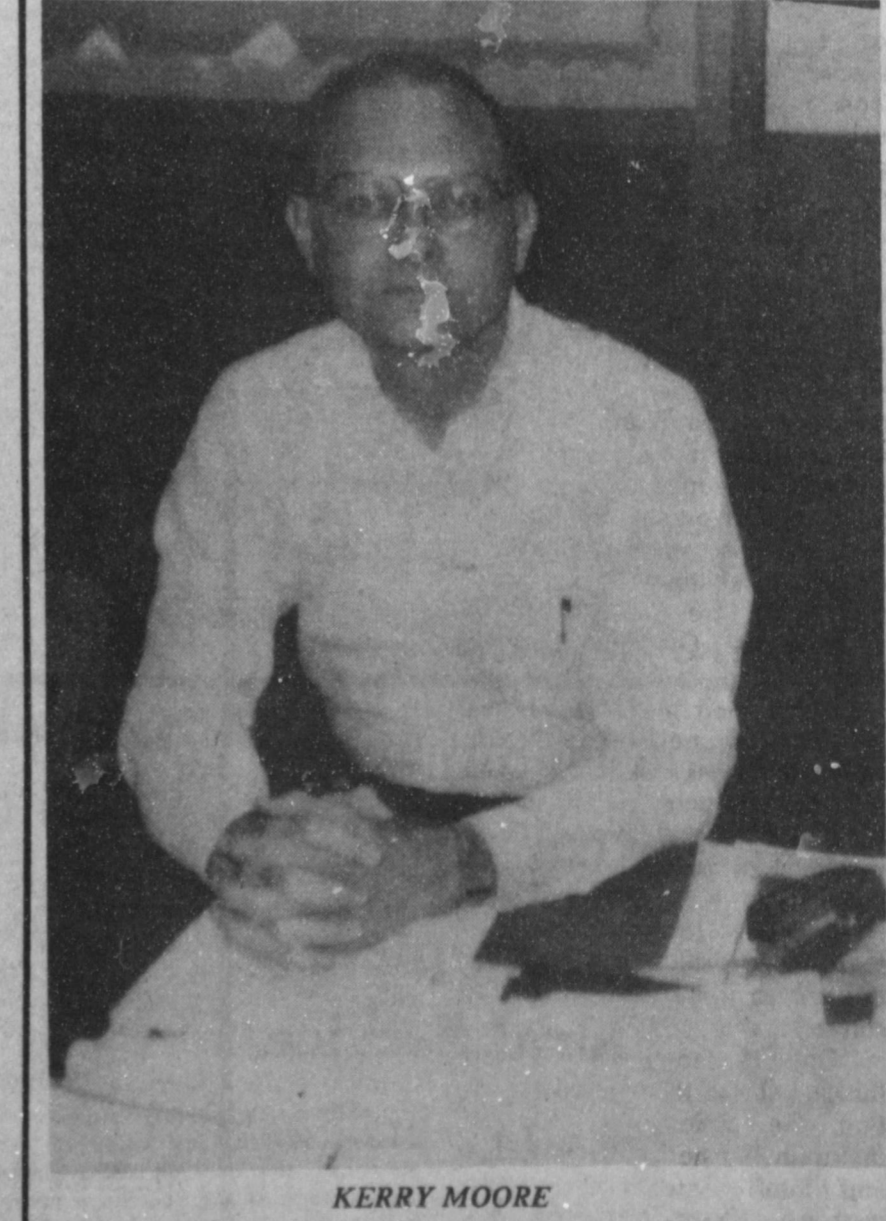

Man of America" and "Personalities of the South." In his capacity as drama and speech coach, Moore has taken UIL participants to state all but three of the twenty-eight years that he has been at MHS. During this time, his UIL one-act plays have been performed seven times at the state level, and they have received two first-place awards, two second-place awards, and three third-place awards. In addition to this impressive record, he has also had many students who placed in individual events at the state level, including twenty students who placed first, seventeen students who placed second, and sixteen students who placed third.

Kerry Moore and his wife Pat were married in June of 1972, and they are active members of the community and of the Muleshoe Church of Christ. Pat is highly supportive of Kerry and of his teaching responsibilities. Moore's philosophy of teaching reveals why he is so successful in the classroom. He states, "In accepting the responsibility to teach, I am aware that I need to grow constantly in knowledge and experience. I know that learning will not occur for my students unless I am able to transform my wisdom into a challenging stimulus for their imagination. I am convinced that there is no greater challenge than the one I face each hour I walk into my classroom, and that there is the responsibility to teach, to understand, to stimulate, and to evaluate each student. In time I expect my students to forget many of the facts which I present to them each day. My hope is that the influence of our shared ideas and experiences will not fade. Teaching is my profession, my way of life, my opportunity to fulfill what I believe to be the greatest profession."

The administration, faculty, and students at Muleshoe High School congratulate Kerry Moore, speech teacher of the year.

Adult Classes Now Underway

English, reading, arithmetic, science, government, and other courses will be taught in free classes for adults at Watson Junior High School. Classes are for adults with less than a high school diploma. This program is designed to improve a person's ability to secure employment, qualify for a job promotion, achieve a certificate of high school equivalency (GED), and to become a more efficient consumer and a more active citizen. Supplementary areas of instruction include consumer education, occupational opportunities and requirements, health education, citizenship, government, home and family life, science, history and literature. Classes are also available for adults who cannot read, write, or speak English. Classes are meeting on Tuesday and Thursday evenings from 7-9:30 p.m. and adults may enroll anytime that classes are in session. For additional information, call Elizabeth Watson at 272-3325.

Palo Duro Hospital Announces Chemical Dependency Treatment

Palo Duro Hospital is pleased to announce the opening of its new Adult Outpatient Chemical Dependency Treatment Program. This program is the first hospital-based, structured outpatient program in the Panhandle area.

The comprehensive program will help patients understand and accept that chemical abuse is not a moral weakness. It will assist them in establishing realistic goals and give them ways to cope with the stress of life without alcohol and drugs. It will also encourage them to become involved with self-help groups where they will receive ongoing support during the recovery process.

The outpatient program is tailored to the needs of each patient and consists of lectures, group therapy, personal development groups and patient/family education.

The program's director, Cynthia Benson-Adams, has spent eight (8) years working in the field of chemical dependency and holds a Master of Science degree in Counseling and Psychology. In addition, she brings experience in organizing and managing an outpatient program of this type.

Robert Gross, M.D., will serve as the program's Medical Director; Dr. Gross holds a certificate in Addictionology. Robert Stout, Ed.D., has been selected as the program's psychologist. In addition to these experts, the program is also staffed by caring, competent professionals who will serve as therapists.

"The outpatient program is not designed to take the place of inpatient treatment," says Benson-Adams. "Rather, it is designed to fill a much needed gap in chemical dependency treatment. We will serve three main types of patients; the first are those who are in the early stages of dependency before the disease has become debilitating. The second is for those patients who have gone through an inpatient treatment program and feel that more assistance is needed for proper recovery. The third type of patient we want to treat is those who have had a period of abstinence, but feel that they are in a sort of 'recover rut'. Oftentimes, these people need assistance in re-assessing their goals and priorities, learning new coping skills, and optimizing skills already learned in treatment. Recovery is an ongoing process and continual support is needed."

Although a program of this type is new to the Panhandle area, it has been successfully utilized in other parts of the country.

"One of the most exciting things about this program is that the patient is able to maintain his/her work patterns and family interactions while learning about chemical dependency and how to handle the

stresses of life without dependence."

Classes will be held from 5:30-9:00 p.m., Monday-Thursday. Orientation to the program will be held every Friday, and new class participants will begin the program every Monday.

An initial consultation is provided free of charge. For more information, contact Cynthia Benson-Adams at Palo Duro Hospital, 655-7751.

STRAIGHT TALK FROM TDA

TEXAS DEPARTMENT OF AGRICULTURE

What's In A Label?

Reading labels to figure out the content and quality of packaged food can be a numbing experience. Faced with the task of interpreting long lists of "real food" ingredients, plus flavor enhancers, dyes, stabilizers and other seemingly mysterious chemical compounds, the average shopper finds it almost impossible to make a discriminating choice.

Experienced label-readers stress that under federal law ingredients must be listed in order of decreasing predominance, by weight. So if a mayonnaise label lists "soybean oil, eggs, water, vinegar, lemon juice, salt and sugar," you know that it contains more oil than eggs, more eggs than water, and so on.

By the same token, if the ingredient list for your favorite cookies starts out "sugar, corn syrup, flour..." then you know you've been buying a product that contains mostly empty calories and that may be bad news for your teeth and waistline.

Label-watchers should pay close attention to the catch-all phrase, "may contain one or more of the following oils..." followed by a list. If that list includes palm, palm-kernel or coconut oil, be aware that the product may increase your intake of saturated fat. All vegetable oils except the three "tropical fats" just named are low in saturated fat. Since tropical fats cost less, they are frequently substituted for more healthful vegetable oils.

Food additives must be approved by the federal Food and Drug Administration. But FDA approval doesn't necessarily end all the health and safety questions about an additive. For instance, controversy continues over the artificial sweeteners saccharin and aspartame, despite their FDA-approved status.

If overwhelming scientific research associates significant health risks with the use of a particular additive, FDA may ban its use. That happened in the case of Red Dye No. 2 and the artificial sweetener cyclamate.

Some additives cause allergic reactions in some people. An example is MSG (monosodium glutamate), a flavor enhancer widely used in Chinese food and processed soups. Questions about MSG's safety caused baby-food manufacturers to stop adding it to their products in 1969.

Most food additives are generally regarded as safe. To help you make the most of your label-reading efforts, here are some common food additives that, despite their strange chemical names, have been found to have no ill effects.

In Fashion

There are a few general trends to keep in mind when selecting a fall wardrobe and accessories.

Jewelry will be important, but more selective. Wear earrings or a bracelet or a necklace—don't wear all three at one time.

Dark forest green is the most popular new color and is combined with persimmon and marigold. Black continues to be an important basic. Grey is used as the background of prints. Less-purple will be seen this fall.

NOTICE OF NEW TARIFF OFFERING CENTRANETSM SERVICE

General Telephone Company of the Southwest gives notice of its proposed new tariff offering, CentranetSM Service, which is to be offered in all company wire centers where such facilities exist to provide the service.

Centranet is a central office based service which provides PBX type features to multi-line business customers. Basic operating features include Direct Inward Dialing (DID), Direct Outward Dialing (DOD), Station-to-Station Dialing, Automatic Identified Outward Dialing (AIOD), and Touch Calling. The tariff is designed for Centranet customers with a minimum of 2 and maximum of 100 main station lines.

Effective with this tariff, ECENTREX Service will be limited to existing installations only.

The proposed new tariff offering has been assigned Docket No. 7652, and will become effective upon approval of the Public Utility Commission of Texas.

Rates for service will be applicable to customers who subscribe to the service, therefore, there will be no effect on any other rates of the company. The new offering will increase the company's gross annual revenues by approximately \$423,013 or less than one percent annually.

The proposed rates are on file with the Public Utility Commission of Texas, and are available for public inspection at the offices of General Telephone Company of the Southwest. Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission within fifteen (15) days of the date of this notice. The deadline to intervene in this docket is November 9, 1987.

A request to intervene, participate, or for further information, should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas, 78757. Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227 or (512) 458-0221 teletypewriter for the deaf.
