County Voters Turn Down Pari-Mutuel Betting

Fall Cotton Harvest Looks Very Bountiful

Crop production projections from the U.S. Department of Agriculture released earlier in October have some important implications for Texans.

This is particularly true for projections in cotton, corn, sorghum, and wheat, says Dr.

Edward G. Smith, economist-marketing and policy with the Texas Agricultural Extension Service, The Texas A&M University System.

"The biggest story from the crop production report comes in cotton, where 1987 production is currently forecast at 1.3 million bales, up 37 percent from 1986 and 4 percent from last month's projection," Smith says.

The increase over September's estimate reflects favorable weather in the Texas southern high plains and Oklahoma, where the October estimates increased 9 percent from a month earlier, he notes.

Although the market is keenly aware of the condition of the crop on the Texas high plains, the report could be considered "bearish" for cotton, Smith adds. Record cotton yields for Texas and Oklahoma could decline quickly with an early freeze, however, he warns.

Smith says the grain complex was basically neutral as far as the October update crop report Cont. Page 6, Col. 6

Approval Given Amendment To Fund Supercollider

It was a surprising turnout for Bailey County Tuesday, when nearly 33 percent of the registered voters in the county turned out to vote on 25 proposed amendments and two referendums.

In 1985, 607 voters went to the polls to vote on 14 amendments. On Tuesday of this week, 1,062 of the county's 3,470 voters made their choice on the proposed amendments and referendums.

County voters turned 'thumbs down' on the two referendums -- they voted 378-606 against the referendum that would provide for gubernatorial appointment of State Board of Education members rather than by election.

Also, the vote was 424 against 608 for referendum number two which would legalize pari-mutuel wagering on a county option basis.

However, the racing referendum passed statewide, so for the first time since 1937, pari-mutuel betting is legal in the State of Texas.

County voters approved the Super Collider amendment, Proposition 19, which would allow the state to issue up to \$500 million in general obligation bonds to finance incentives offered to the federal government to build the multi-billion dollar superconducting supercollider near either Dallas or Amarillo.

The vote was 779-223 on the supercollider amendment.

Interestingly enough, on the pari-mutuel betting amendment, one of the seven voting boxes in the city supported the proposed referendum, as the city hallbox opted for the proposal, 27-22.

Voters in Bailey County also approved Amendment One, 717-266. This amendment provides state funds to guarantee a self-insurance pool for grain storage facilities.

They turned down Amendment Two, 377-566, which allows rural fire prevention districts in counties with more than 400,000 residents to raise property tax rates.

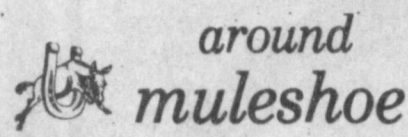

Amendment Three was approved, 773-224. It would allow a surviving, middle-aged (at least 55) spouse of a deceased elderly person to keep home-stead tax exemptions.

Surprisingly enough, Amendment Four, which would allow the legislature to make loans and grants to encourage economic development in the state, was narrowly approved, 490-469.

Voters also turned down Amendment Five, 357-545, to allow the Department of Highways and Public Transportation and the Texas Turnpike Authority to jointly construct tollways.

An amendment which was expected to provide a 'boom' to agriculturally related business, Amendment Six, was turned down in this county, 446-520. The amendment would have allowed the legislature to issue up to \$125 million on general obligation bonds for programs to develop and promote Texas products and businesses.

Proposed Amendment Seven, which would have allowed the legislature to issue up to \$400 million in general obligation bonds, creating a fund to help finance county and municipal Cont. Page 6, Col. 1

Freshmen Mules

Vie For District

This Thursday

A championship football game will be decided in Muleshoe today, when the freshmen Bobcats from Dimmitt meet the freshmen Mules in Benny Douglass Stadium.

Coach Andy Gamble said the Mules are 4-0 in district and 5-3 overall for the season, while the Bobcats from Dimmitt are 8-0 for the season. The winner of the game will determine the district championship tonight.

Last Thursday, the Mules defeated Tulia 14-8 at Tulia.

John Paul Garza scored from the three on an off-tackle run in the first, with Larry Gonzales adding two points for the PAT on a quarterback sneak.

Dimmitt scored in the third, and John Orozco returned a kick-off 80-yards to paydirt for the Mules to end scoring in the game.

Mules Ending '87 Football Friday

This Friday, the 1987 football season will be ending for the Muleshoe Mules, when they travel to Dimmitt to tackle the Bobcats.

Dimmitt has found hard times this year on the football field, but should, as usual, be very 'up' for the game against the Mules. Last year, the Mules defeated the Bobcats 14-9 to end the season.

At this time, the Mules are 4-5 for the season, the same as last year, but have an opportunity to once again even out the season at Dimmitt.

To date, the Mules have scored 181 points to their opponents' 136 points. The Mules have been shut out in only one game, and that was with the Littlefield Wildcats.

The Mules have rushed 377 times for 1,782 yards for the season; and their opponents show 340 rushes for 1,116 yards for the same time.

In passing, the Mules show 40-150 for 566 yards and their opponents have 43-122 for 570 yards.

In punts, the Mules have punted 41 times for 1,289 yards while their opponents have punted 50 times for 1,610 yards.

The Mules have a leading edge on first downs at 115 to 99 for their opposition. For the Mules, 89 are rushing, 20 through passing and six on penalties. Their opponents have 68 rushing, 23 passing and eight on penalties.

For the year, the Mules show 50 penalties for 515 yards, and their opponents have 51 penalties for 467 yards.

For rushing yardage, Michael Dunham shows 131 carries for 652 yards; Armando Del Toro, 101 carries for 497 yards; Daniel Olivias 66 carries for 418 yards; Shannon Sinnacher, 22 carries

for 101 yards; Jerry Mendoza, 11 carries for 55 yards; Jeff Hicks, 26 carries for 27 yards; Timmy Shipman, 6 carries for 18 yards; Johnny Garcia, 13 carries for 14 yards and Ronnie Perez, one carry.

Hib Vaccine Now Available In Muleshoe

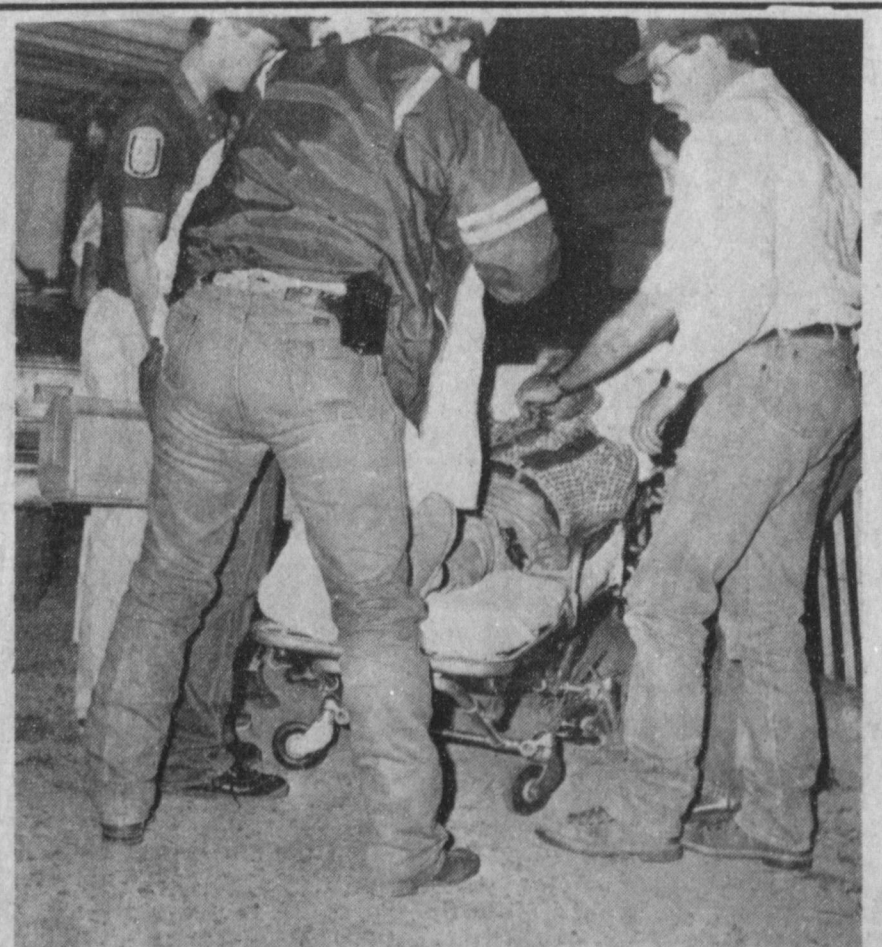

A safe new vaccine that prevents the most common, life-threatening bacterial diseases of young children is now available. This new vaccine prevents diseases caused by the germ known commonly as "Hib". Hib, Haemophilus influenza group B, is the correct medical name.

A seven-month old Muleshoe Colby Chancy, son of Jamey and Vanda Chancy, was taken by ambulance to a hospital in Lubbock Sunday, and has been diagnosed as having Hib, according to local health officials. He is currently in pediatric intensive care at Lubbock General Hospital.

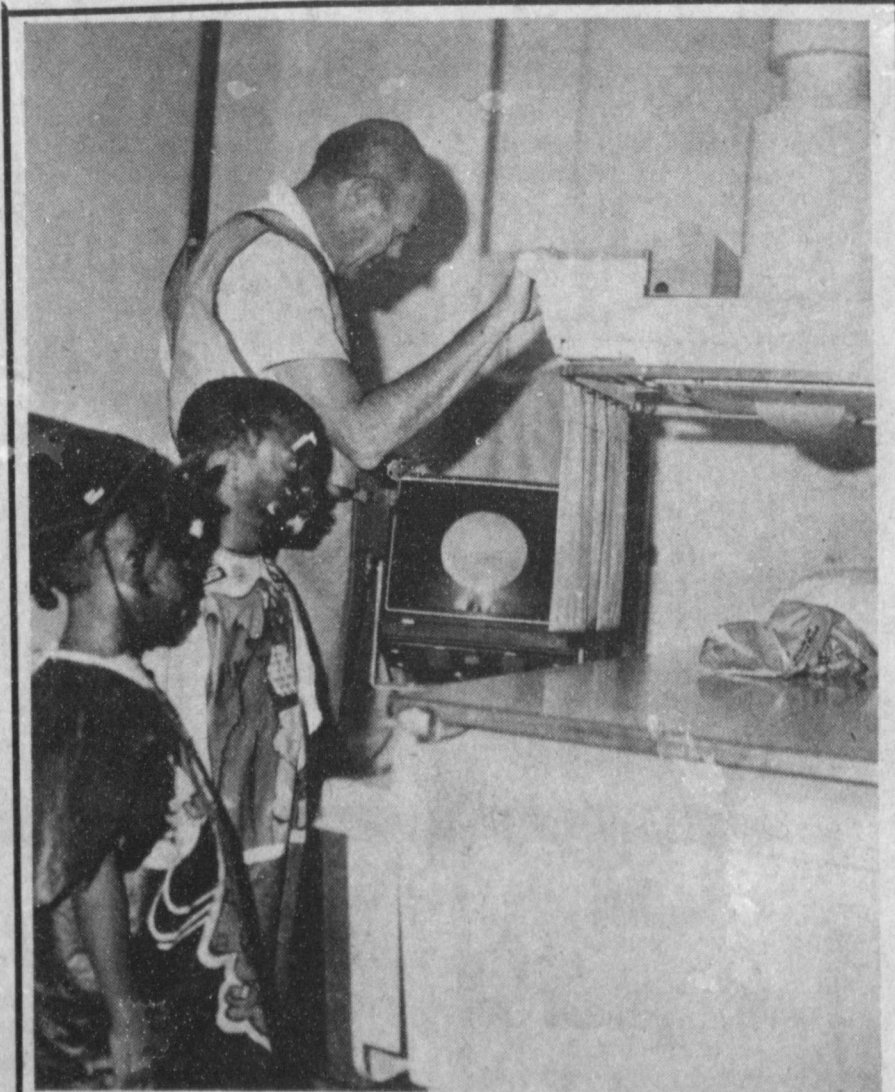

Hib diseases affect about one child in 200 before the age of five years. Hib disease, which include spinal meningitis, are serious in nature. Many result in hospitalization, and up to 10 percent can be fatal. This new vaccine is 90 percent effective say the medical officials, in children between 24 months and six years of age.

The United States Public Health Service recommends that children 24 months of age and older, receive this new vaccine. Because of their increased risk, vaccination is especially re-

PREPARING FOR TRANSPORT-Saturday night, law enforcement officers and personnel from the Bailey County Ambulance Service were summoned to a residence where an injury was reported from a fight. The 73-year old victim received emergency treatment at West Plains Medical Center before being transferred to South Plains Hospital, Amherst. It was reported that he had been struck in the head with a beer bottle.

CHECKING OUT THE CANDY-During Trick-or-Treat Saturday night, these two 'painted-up' and costumed youngsters watch carefully as L.T. Johnson x-rays their 'goodies' at West Plains Medical Center. They are Ishah Norman and Cyrus Norman. They were accompanied to the hospital by Donny Strawbridge. Several youngsters took advantage of the x-ray checks performed at no charge by Johnson.

Open Letter

To The Public

Dear Editor,

This past year has been one of the most difficult years of our nursing careers. The closing of our hospital was a blow, not only to us nurses and the staff that worked there, but also to the community at large.

We want to say thank you to everyone that has worked to get our hospital reopened. The feeling that we had when we walked into the hospital Saturday, Oct. 24, is indescribable. The number of people, the tasks being performed, and the spirit of everyone involved was overwhelming. Words just cannot express the feeling of appreciation we have for our community.

We are returning here to work more dedicated and devoted to our profession. We will be more appreciative of our hospital and the community we serve.

Again, we love you and we thank you.

Divisions for the parade include floats, antique cars, unique vehicles, mules, commercial, individual and riding clubs. Mrs. Eagle said the Chamber is hoping to start a new division for the churches and one for school organizations.

"Any and all entries are welcomed," she said. "Please call the Chamber office at 272-4248 or go by 215 South First Street to fill out an entry form."

The CofC manager concluded, "Please consider placing an

entry in the Christmas Parade. We need your enthusiasm and entry to make this year's parade a success. Come join us for a day of Christmas Cheer."

SPEED LIMITS PLACED BY CITY DADS AT 20 MILES PER HOUR

A speed limit of 20 miles per hour for vehicles upon the streets of Muleshoe has been set by the board of commissioners.

The commission declared an emergency exists and ordered that the ordinance take effect at once.

The limit is less than the limit set by state law; but the commission found that the lower limit here was necessary "because of the width and condition of city streets and highways and the unusual traffic thereon."

Muleshoe Rebekah Lodge No. 114 celebrated Halloween on Tuesday, Oct. 27 with Jack-O-Lanterns and Witches. Dressed in costumes, the members took cookies and cakes to the Muleshoe Nursing Home for the residents to enjoy. Lena Hawkins was also visited by the costumed characters as they "reversed Trick or Treat."

The meeting was opened by Noble Grand Pat Langfitt and June Green, secretary, called the roll. Cards were sent to those members who are ill.

Singing and skits filled the remainder of the evening. Sandi Robinson read about "Little Spunk of Halloween Hallow". The poem "Ten Days of Halloween" was read by Fern Davis, Terie Snell, Mildred Kendrick, Ruby Green and Ruby Garner.

The pumpkin committee presented a skit of the same name. Adele Tompkins, Opal Talley, Louise Allen and Thursie Reid were the participating pumpkins.

Another skit was presented by Audrey Langfitt and June Green--it was entitled "It Won't Be Long Now." It was reported that both skits were enjoyed by the membership. "if the talent scouts only knew of all this talent."

Following the singing, members were served sandwiches, cakes, cookies and witches brew.

Girl Scout Troop 190 Hosts Spook House

By Renee' Rudd

The mothers of Girl Scout Troop 190 had a spook house on October 30th, 1987. They had spooks of all kinds. Mickey Tosh was our Vampire, Betty Ashford was our lady in the coffin, that had just been chopped up, her bones and every part of her was on her casket, Marianne Toombs was our moaning head, Brian Rudd was our Were Wolf, Brian Rudd was our Were Wolf, Cathy Gable made our ghost work.

Those serving the witches brew and handing out the goodie bags and prizes were Sharon Gardner and Lori Tosh. Our guides were April Franklin, Casey Dodd, Shawn Delaney and Bobbi Hutchinson.

Gayla Toombs was our door lady. Our music was provided by Angie Gable. Robin Hovland, a Girl Scout Cadette, and Courtney Tanksley, a guest, helped where needed. We appreciate everyone who helped get the house ready and who worked it. We wish to send out a big thank you to the Boy Scouts for the use of the Boy Scout House and also to Ben Roming for pumpkins.

After the Spook House, the Girl Scout Troop 190 packed up and went back to the Girl Scout Hut for a lock in. The girls talked and laughed till 1, Renee' Rudd, passed out from tired old bones. The sun did rise. I rose from a frightful night to a bright morning. At 8 o'clock I took a picture to wake the girls--that's called getting even. We then had spudnuts and Pepsi for breakfast. Hum Hum! Around 9:30 everyone was being taken home. I hope everyone enjoyed themselves. I know more about two snores and who has a boyfriend now.

Those in the Lock In were: April Franklin, Shawna Delaney, Angie Gable, Bobbi Hutchinson, Marianne Toombs, Robin Hovland and Courtney Tanksley, Oh yeah and Renee' Rudd.

VAMPIRE--Mickey Tosh played the part of Vampire during the Girl Scout Spook House events held last Friday.

Now Is The Time To Get Flu Vaccine

High-risk persons as well as those persons who work in chronic care facilities and medical care setting should receive their flu shots in November for maximum protection during the flu season.

The recommendation from CDC's Immunization Practices Advisory Committee for the 1987-1988 influenza season takes into account the fact that high levels of influenza in the mainland U.S. do not occur before late December. Flu vaccine begins to provide protection after one or two weeks.

Those persons considered at greatest risk of complications from influenza infection include adults and children with chronic disorders of the heart and lungs severe enough to require regular medical care. Residents of nursing homes and other chronic-care facilities are also at high risk.

Groups at moderate risk of influenza complications include individuals 65 years of age who are otherwise healthy, adults and children with chronic diseases (including diabetes mellitus), kidney disease, anemia, immunosuppression, or asthma, and children requiring long-term aspirin therapy.

To further protect those at high risk, health care providers and family care givers of these people should receive the vaccine also.

Three types of influenza virus are recognized: A, B, and C. Type A has been associated with widespread epidemic and pandemics; type B has usually been associated with localized epidemics; type C thus far has appeared only in sporadic cases and in minor localized outbreaks. Influenza A viruses are classified into subtypes on the basis of two antigens: hemagglutinin (H) and neuraminidase (N). Three subtypes of hemagglutinin (H1, H2, H3) and two subtypes of neuraminidase (N1, N2) have caused widespread human disease. Strains of influenza A are described by geographic origin, strain number and year of isolation as well as by an index identifying the character of the (H) and (N) antigens, e.g. A/Japan/305/51/(H2N2). Immunity to these antigens, especially hemagglutinin, reduces the likelihood of infection and the severity of the disease if infection does occur. Although influenza B viruses have shown more antigenic stability than influenza A viruses, antigenic variation does occur. Therefore, major epidemics of respiratory disease caused by new variants of influenza continue to occur, and the antigenic characteristics of current strains provide the basis for selecting the virus strains included in each year's vaccine.

Although the current influenza vaccine often contains one or more antigens used in previous years, immunity declines in the year following vaccination. Therefore, a history of vaccination in any previous year with a vaccine containing one or more antigens included in the current vaccine does not preclude the need to be revaccinated for the 1987-1988 influenza season.

The Texas Department of Health, located at 306 W. 2nd in Muleshoe, Texas, is offering the vaccination from 9 a.m. to 4 p.m. on Tuesdays and Fridays. If you have any questions, please call 272-5561.

Tigers Are Expected To Nip Crimson Tide

L.S.U., Notre Dame, Auburn. What a delightful group of antagonists to look forward to when you're closing out a football season. Alabama has that privilege. Victories over both Tigers teams, L.S.U. and Auburn, could mean at least a share of the Southeast Conference championship. But just one less and the Crimson Tide can forget it. And the trip to Baton Rouge Saturday could result in that one loss. The Tigers nipped the Tide last year 14-10 on their way to the league title, and they're favored to repeat. They both tangled with next-door neighbors last Saturday, L.S.U. with Ole Miss and Alabama with the Bulldogs of Mississippi State. A win for the Tigers over Alabama would in all probability assure L.S.U. of the conference title.

Oklahoma State hasn't beaten Oklahoma since 1976 when the Cowboys upset the Sooners 31-24. However, State has done anything but collapse the past four years, losing by scores of 19-0, 13-0, 24-14, and 21-20. Oklahoma looks and sound unbeatable, and even in an intra-state rivalry the Sooners will probably win. But the Cowboys have had a fine season, and it appears they'll finish third in the conference behind Oklahoma and Nebraska. Picking the winner in the Southwest Conference race at this point is impossible. Everyone's a dark horse. The air might clear a bit this week with Arkansas the favorite over Baylor. Texas, on the road, the choice over Houston. and Texas Tech a slim favorite over home-standing T.C.U. Texas

A&M has the day off. Speaking of season-ending delights, Notre Dame's November schedule is a nightmare. The Irish host Boston College Saturday and Alabama in two weeks, then close on the road against Penn State and Miami. The BC Eagles hosted Tennessee last week, and they finish the season at Syracuse. The winner Saturday: Notre Dame.

Steady Entrant James Hanson In First Place

This week, James Hanson, a long time entrant in the Merchant's Weekly Football Contest, waltzed away with first prize honors. He was the only contestant to miss only three games.

Margaret Copley was the only entrant to miss just four games, and took second place for the week.

It took the tiebreakers to determine the third place winner, as three contestants missed five games.

Carren Black was third place winner, as she was only 25 points off on the double tiebreakers. Just out of the running were J.E. McVicker, who was wrong by 29 points and Andy Perez, who was 33 points away on the tiebreakers.

This is the way it went for the latest contest, as far as winners were concerned:

Minnesota/(Illinois); (Purdue) / Wisconsin; Memphis State/Arkansas State (tie); Hawaii/San Diego (did not count, could not find score, even out of town); Tennessee/(Boston College); (Tulsa)/Muleshoe; (Littlefield) / Flovdada: Florida/(Auburn); (Penn State)/ West Virginia; Oregon/(California); Air Force / (Brigham Young); (Syracuse)/Pittsburgh; Georgia Tech / (Duke); Indiana/(Iowa); Temple/(Army); (Utah)/Boise State; (UCLA)/Arizona State; Dimmitt/(Friona).

For the tiebreakers, it was Arizona 23, Stanford 13; and Texas 41, Texas Tech 24.

National Honor Society Decides On Fund Projects

The National Honor Society had a meeting Monday, October 26th at Viola's restaurant. The members present were: Jennifer Green, Deborah Lackey, Rachel Pineda, Sue Haire, Amy Bean, Jodi Ferris, Jerry Bob Graves, Bryan Swint, Armando Del Toro, Brandon Carpenter, and Johnny Garcia. The N.H.S. sponsor, Mrs. Smith, was also present.

Everyone enjoyed the wonderful Mexican food supper while the agenda was being discussed. The money-making projects of the year were discussed as well as where the next meeting will be held. Jennifer Green volunteered to have it at her house. They also set a standard meeting time of the last Monday in every month. The date for the next meeting will be November 23.

The money-making projects for this year will be sponsoring several concession stands and selling note pads. These note pads have the Mule emblem on them and are handy for writing quick notes on. They sell for \$1.00 a piece. If you would like to purchase a note pad, please contact a N.H.S. meeting or Mrs. Lucy Faye Smith.

2. Happy belated birthday to Dorothy Hanes!! How old did you say you were!??

SCAC Changes Method On Accepting Members

Members of the Student Community Action Club met at the home of Deborah Lackey on Tuesday, October 20, at 8:00 PM. Armando Del Toro opened the meeting by asking Selina Gonzales to lead the prayer. Jennifer Green read the club's minutes and Deborah Lackey gave the treasurer's report. Next, Lisa Noble, representing the Color/Slogan Committee, explained the S.C.A.C.'s new colors, turquoise and silver, would stand for loyalty and "the best we have to offer", respectively.

Applications for membership were also reviewed. The petitioners included: Tanya Nowell, Shawn Wheeler, and Becky Black. The applicants were put to a vote and all were accepted

as new members. The suggestion was then made that in the future, prospective members should be interviewed instead of filling out the current application form. Mr. John Gulley, a sponsor of S.C.A.C. asked that a committee be formed to evaluate the admissions policy. Deborah Lackey suggested to have a contract that the club's by-laws on it for future members to sign. Johnny Garcia suggested a roll call of members be made to call attendance at every meeting and that those who miss a given number of meetings without food reason may have their membership revoked. A committee was formed to discuss these issues more extensively. The members of this committee

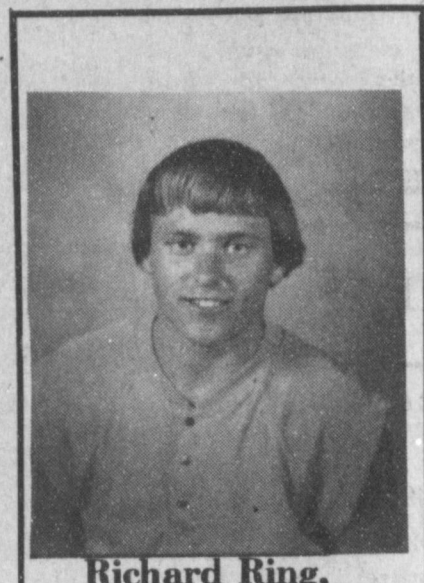

are: Sergio Gonzales, Johnny Garcia, Deborah Lackey, Norma Jean Del Toro, Beth Sanders, and Jennifer Green.

Next, Laura Leal, a charter member of the club, spoke on the origin of the Student Community Action Club. Laura was then honored with the September Citizen-of-the-Month. Much to his surprise, Armando Del Toro was honored with the October Citizen-of-the-Month. Ms. Leal was presented with a corsage and Mr. Del Toro was presented with a boutonniere.

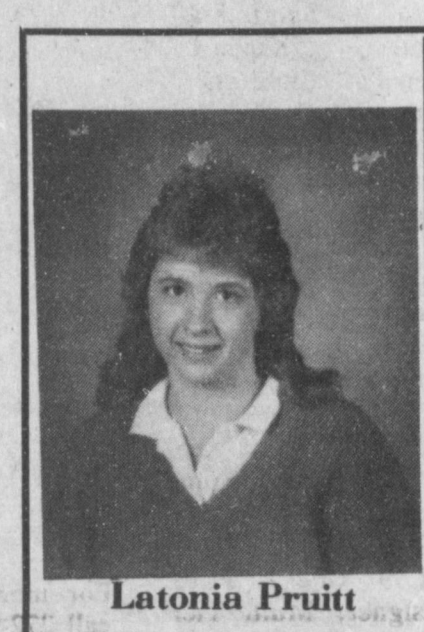

Armando then reported on the Jennyslipper meeting which he attended, representing S.C.A.C. He told of a presentation by guest speaker, Mrs. Cunningham of Post. The presentation was about the town

improvement program which Post merchants had successfully participated in and which might be of interest to Muleshoe.

Before the meeting was closed, the date for the next meeting was tentatively set for Thursday, November 19 at Sue Haire's home

FORMER TECH GRADUATE NOW TEACHING AT WJHS

Mrs. Cindy Mitchell is one of the many new teachers at Watson Jr. High. The previous Texas Tech graduate has taught at O.L. Slaton Jr. High in Lubbock. Although O.L. Slaton is very different from WJHS, Mrs. Mitchell says that she really likes the students and that there is an atmosphere of expecting good in the halls and classrooms of Watson Jr. High School. We wish Mrs. Mitchell the best and we hope that she has an exciting and fulfilling year!!!

MOE

The object of a football game is to reach a goal. Sometimes a football coach will say he has MOE (momentum) on his team. This would be like having a 12th player on the field. This means everything is going as the coach planned, everyone is performing his assignment and aiming toward the goal line. The players on the sidelines or the bench are pulling toward that goal.

In order to get MOE on your side, it takes a Matter Of Effort. Last year the football team and cheerleaders started a MOE award that was given at the pep rallies. The players choose a student from the 6th, 7th, and 8th grade that does the best job of promoting school spirit during the week. This is done by simply wishing the players and coaches good luck in the upcoming game. This let's our teams know we are behind them. This is a small Matter Of Effort and the results show up in reaching our goal.

1. The schedule for the skits, that the four different classes perform at the Pep Rallies is the following: Freshmen: October 16 (Floydada), Sophomore: October 23 (Littlefield), Junior: October 30 (Tulia), Senior: November 6 (Dimmitt).

The class sponsors and class officers ask all of the students to present their ideas to them and to volunteer their help on putting on these skits.

2. October is attendance month for Texas schools. For the class with the best overall attendance for the month, there will be \$200.00 awarded to their class fund. If a class has a 100% attendance for any five days, there will be \$50.00 donated to their class fund.

All students are asked to attend school as much as possible so that their class can win.

4. On Tuesday October 20, the P.S.A.T. test will be given to Juniors.

5. Every Tuesday morning at 8:00 a.m. there is a Student Council meeting. If you are a representative from your class,

an Honorary Member, or an officer, you are asked to attend.

6. The next meeting of National Honor Society will be on October 26. The meeting place will be announced at a later date.

7. If you still have not turned in your Social Security number into the office for the new report card system, please do so as soon as possible.

WJHS RECEIVES NEW AIDE

Mrs. Beatrice Garcia is one of the new teacher's aide at WJHS. She has a husband, Julius, and two kids, Johnathon, age 6, and Joni Marie, age 2.

She has been here since February of 1987 and she says that so far, WJHS has left a great impression on her. She also adds that she feels very fortunate to be able to teach here.

During her childhood years, Mrs. Garcia said that she was planning to be a beautician. She loves to eat pizza, fresh fruits, and drink cokes. We would like to welcome Mrs. Garcia to WJHS and we hope she has a great year!!!

1. The last football game of the year is Friday, November 6. It will be against the Dimmitt Wildcats at Dimmitt. Come and support the Mules in their last game of the season!

2. The Seniors will be doing the skit at the pep-rally tomorrow. It promises to be a real hoot so come get a laugh!

3. Tonight the Junior Varsity will play Dimmitt here at 6:30.

4. The Freshman boys football team are planning on continuing their winning streak

against Dimmitt tonight. Kick off will be at 5:00 at Benny Douglass Stadium.
