## Oil Well Drilled East of Lovington

Trustee, Berry 2 added in North Part Artesia Field; Another Wildcat Drilling Lovington Area.

Interesting wildcats were drilled this week, one in wildcat in the northern edge of Artesia field in Eddy county about two miles south of Lovington in Lea county.

The second great objective which Rotary is engaged in at the present time is Rotary extension. The objective of the 42nd district at the beginning of the year was four new clubs. Now there are six prospective clubs in the district in the preliminary stages of organization, he said.

Visitors present at the banquet Tuesday were: Mr. and Mrs. W. M. Hutchinson of Cambridge, Ohio, Mr. and Mrs. Ed West of Artesia and Shirley Bartlett.

## Rotary Official Honored Tuesday Eve With Banquet

Dr. J. F. Zimmerman of Albuquerque, president of the New Mexico University and district governor of the 42nd district, Rotary International, made his official visit to the Artesia Rotary club Tuesday. Ladies night was observed and a banquet was served to the visiting official, several guests, the Rotary Annals and club members.

Preceding the address of Dr. Zimmerman, Shirley Bartlett rendered two violin solos, accompanied by her father, Ray Bartlett. In his address the speaker called attention to the present trend of thought and stated "We can now learn the direction social science is taking by reading Rotary literature."

Dr. Zimmerman reviewed Rotary from the educational standpoint and told of some of the high spots in teaching Rotary. He predicted Rotarians were headed for higher principles than had been enunciated by Rotary. The various clubs he said would see more community service and this service with its very nature is sacrificial. He said the conquest of international service is one of the prime needs of the present day to promote international understanding.

The second great objective which Rotary is engaged in at the present time is Rotary extension. The objective of the 42nd district at the beginning of the year was four new clubs. Now there are six prospective clubs in the district in the preliminary stages of organization, he said.

## Cowmen Petition For Higher Duty On Canned Beef

For several weeks past, cattle producers have been very much concerned over the sharp increase in the imports of canned beef. To meet this added menace, the American National Live Stock Association took the matter up vigorously with all the important farm and livestock groups of the country, and as a result petitions are being filed with the United States Tariff Commission urging that the tariff on this item of six cents a pound be increased to nine cents a pound—the maximum, or 50 per cent, increase permitted under the flexible provision of the tariff act. The petition, now enroute to Washington, is signed by the American National Live Stock Association, the National Live Stock Marketing Association, the National Wool Growers' Association, and the Texas and Southwestern Cattle Raisers' Association. In addition, wires have been received advising that the American Farm Bureau Federation, the National Grange, the National Cooperative Milk Producers' Federation, and the National Farmers' Union are each filing separate petitions of similar intent.

The petition calls attention to the fact that the imports, which were in the neighborhood of 20,000,000 pounds in 1931 and 1932 and 40,000,000 to 45,000,000 pounds in 1933 and 1934, increased to 76,000,000 pounds in 1935 and to 57,000,000 pounds for the first seven months of this year. It indicates that the pressure to move canned beef into this country from South America is due partly to the policy of Great Britain in restricting imports of chilled and frozen beef from that continent through the establishment of limiting quotas. Comparisons are made to show the very low prices for cattle sold in Buenos Aires from 1930 to 1935 compared with prices for similar grades in the Chicago market. For instance, in 1935 the top steers suitable for chilled beef trade sold in Buenos Aires at \$3.73, while choice beef steers in Chicago were selling at \$12.40 and good grade at \$10.93. The fact that the present tariff is entirely out of line is emphasized. The duty on a 1,000-pound animal at 3 cents per pound would be \$30. If such an animal dressed only 55 per cent, the duty at 6 cents per pound on the carcass would be \$33, whereas, put into the can, the duty of 6 cents per pound on 180 pounds net in the can would be \$10.80.

It is indicated that South American canned beef in No. 1, 12 ounce cans, is quoted on the New York market around \$1.70 to \$1.75 per dozen; domestic beef No. 1 cans, \$2.15 per dozen—or a substantial differential in favor of the foreign produce, despite the 6-cent tariff. ## Confederate Vet Celebrates 95th Birthday Sunday

Oldest Surviving Veteran Is Honored Saturday And Sunday; Served A Birthday Cake With 95 Candles.

WILLIAM DAUGHERTY Oldest surviving Confederate Veteran of New Mexico.

The home of Mr. and Mrs. O. S. Matteson was gay with flowers and laughter Sunday afternoon, October 11th, when a happy company of friends gathered to celebrate with Mr. Daugherty his 95th birthday, which had been observed the evening before by the family. The company began to gather at 3:00 o'clock and continued to come until 5:00 o'clock, when a total number of about twenty-nine had arrived.

The visitors brought with them many beautiful flowers and a huge birthday cake which was decorated with "Happy Birthday" and surrounded by 95 candles. The candles were lighted and the cake placed on a table before the honoree, who was asked to blow them out. After finally blowing all out but five (the five remaining representing five more birthdays, we hope, rounding out 100) the cake was cut and served to the company with coffee.

In addition to the honoree and the host and hostess those enjoying the occasion were: Mrs. J. D. McKinney of Nora, Nebraska, daughter of Mr. Daugherty, and her daughter, Mrs. Fred Knowles and two children, Wanda and Ralph Wayne of the Oil Field, Mr. and Mrs. J. H. Myers, Mr. and Mrs. W. G. Everett, Mr. and Mrs. W. P. Porch, Mr. and Mrs. T. F. Wilson, Mr. and Mrs. B. A. Bishop, Mrs. Carroll Brown, Mrs. J. C. Floore, Mrs. J. M. Story, Mrs. W. P. Bowman, Mrs. E. E. Coll, Miss Addie Coll, the Rev. P. G. Woodruff, Mrs. Stanley, Miss Margaret McCrory and the Rev. and Mrs. A. C. Douglas and baby daughter Clarice.

All went away feeling glad they had helped to make a happy afternoon for the oldest man in our community, and wishing Mr. Daugherty many more birthdays.

Mr. Daugherty is a native of Lee county, Virginia, and served for nearly four years in the Confederate army during the Civil war, part of that time in prison at Chicago.

He has a very vivid recollection of his early life and especially of his wartime experiences, many of which he related for our entertainment and information. (Contributed)

## Birthday Saturday

Mr. and Mrs. O. S. Matteson were hosts at a dinner given Saturday evening at their home commemorating Mr. William Daugherty on his ninety-fifth birthday. Mr. Daugherty has been a resident of New Mexico since 1909. The only children of Mr. Daugherty, Mrs. O. S. Matteson and Mrs. J. D. McKinney of Nora, Nebraska, were present at the dinner.

A large birthday cake bearing the inscription "Age 95 Years" was presented to the honor guest, after which a delicious two-course dinner was served by the hostess. Mr. Daugherty received several very nice gifts. Friends and relatives helping Mr. Daugherty celebrate this occasion were: Mrs. Hans Olson, Mrs. J. D. McKinney of Nora, Nebraska, his granddaughter, Mr. and Mrs. Fred Knowles of the Oil Field, and his two great grandchildren, Wanda and Ralph Wayne Knowles.

Mrs. Ralph Green of Harland, Kentucky, arrived Tuesday evening for an indefinite visit with her cousin, Mrs. V. D. Bolton and Mr. Bolton family.

## Preliminaries For Rural Electrification Project Are Started

J. Warner Pyles, rural electrification administrator, of Washington, D. C., met with about sixty farmers at the Liberty hall Monday evening and explained the steps necessary for the organization of a local rural electrification project. He told farmers interested in the proposed project that if a survey revealed the proposal feasible, funds used in the construction of electric lines, transformers, etc., might be secured directly from the government, if a cooperative association were organized or else funds of construction of the project might be secured through the New Mexico rural electrification authority.

A survey of the proposed territory to be served is now being made and when this is completed, which will be next week, Mr. Pyles will be able to determine whether such an undertaking might be feasible. Mr. Pyles will return within the next few days to obtain final figures on the survey and outline further steps if the project is undertaken in the territory south of the Penasco river and north to the Lake Arthur community.

A meeting for farmers of south Eddy county was held Tuesday evening at the court house in Carlsbad. Mr. Pyles explained plans necessary to complete a project in that area.

## Local Ginnings

A record cotton movement was made in this district during the past week, probably the heaviest movement since cotton has been grown in the valley. A total of 1,956 bales have been ginned by the six gins of this area since the last report for a season's total of 4,328 bales. This corresponds with a total of 1,295 bales ginned at the corresponding period of last year. Cotton has opened rapidly. Some farmers report a bale to the acre ready to be picked. Cotton has also been exceptionally easy to gather. Gin plants are running day and night.

The ginnings are divided as follows:

Lake Arthur gin	105
Cottonwood gin	1,125
Association gin, Espulla	959
Farmers gin, Artesia	753
Association gin, Atoka	641
Total	4,328

## SPEAKING CALLED OFF

Because of conflicting engagements the address of Hon. George Mahon of Colorado, Texas, congressman from the 19th district, scheduled for 7:30 p. m., here last night was called off. Likewise Mr. Mahon was not able to address the democratic meeting at Hope yesterday afternoon.

## VETERAN CLAIMS DECISION

W. C. Marable, sage of the Penasco, pioneer ranchman-farmer, protector of bird life and authority on old timers and old time events, writes interestingly from his quarters at O'Dell Apartments, Hot Springs, New Mexico. For several months past, Mr. Marable has been on the defensive in a siege of sciatica rheumatism, but now claims victory and is crowding the enemy back. A typical attitude and indicative of the patient's recovery, his friends here say.

Mr. and Mrs. John Rowland and Mr. and Mrs. Morrison Livingston expect to leave Saturday for the Mogollon mountains for a two weeks big game hunt.

## Eddy County Farm News

Fred Barham, Eddy county agent, and L. C. Brown, Chaves county agent, brought the lamb of Morris Bradley, Cottonwood 4-H club member, exhibited at the Eastern New Mexico State Fair. The lamb had been fed for a short time and weighed approximately 85 pounds and brought the owner eleven cents.

Mr. Barham urged ranchers who plan to participate in the range conservation program to get their applications in as soon as possible so that a range examiner might be brought to this district.

Three helpers have been employed for the district supervisors to assist in measuring land under the soil conservation program. It is hoped that with the additional crew work of measuring farm land under the soil conservation program may be speeded.

## Sen. Hatch Heads Party of Speakers Due Here Oct. 20

Democratic Candidates To Address Voters at Hope In Afternoon of 20th and Appear Here in the Evening.

HON. CARL A. HATCH Candidate for U. S. Senate

Four democratic candidates will make a swing through eastern New Mexico starting tomorrow, beginning at Melrose and ending at Las Cruces on October 23rd. The speakers are headed by Senator Carl A. Hatch, candidate for reelection to the U. S. Senate; Frank H. Patton, candidate for reelection at attorney general; Mrs. Elizabeth Gonzales, candidate for reelection as secretary of state, and Robert Valdez, candidate for reelection as state corporation commissioner.

The itinerary includes an evening stop here on October 20th, and is as follows: October 16th, Melrose, Texico and Portales, October 17th and 18th and part of 19th will be spent in Lea county. Monday evening, October 19th, Carlsbad Tuesday, October 20th, Hope at 3:00 p. m. Here at Liberty hall at 7:30 p. m. October 21st, Hondo and Captain. Thursday, October 22nd, Tularosa and Alamogordo. October 23rd, Friday, Las Cruces.

## ANOTHER CONTRACT ON JAMES CANYON ROAD

The supervisor's office of the Lincoln forest, received word from Denver Monday to the effect that another contract had been awarded by the Bureau of Public Roads at Denver for construction of another project on the James Canyon road. The present construction let will take the construction to within about five miles of Elk, it is explained. Dudley Stone Co., of El Paso, received the contract. It is stated the construction will consist of grading, drainage and graveling.—Alamogordo News.

## FOUR PRISONERS TO PEN

Sheriff Dwight Lee Thursday took four prisoners to the state penitentiary, to serve sentences of from one to seven years for crimes committed in Eddy county. All were sentenced last week by District Judge McGhee. E. K. Hill, who admitted robbing seven Eddy county ranches in one of the biggest burglary forays one man ever attempted in this county, will serve five to seven years. Alberto Herrera will serve one to three years for theft of sheep. Thomas Fernandez will serve one to three years for forgery, and Norman Holiday, negro, will serve five to six years for the theft of a bicycle.

## JUDGE WILSON RULED FRIDAY CCC CAN VOTE

District Judge Fred Wilson of Albuquerque ruled at Santa Fe Friday that Civilian Conservation Corps workers enrolled from New Mexico can vote in the November 3 election in the precinct in which their camp is situated, providing they have met the other requirements for voting.

The question arose in Rio Arriba county when Republicans and Democrats argued additions and deletions to the Rio Arriba county registration lists.

Judge Wilson sat for Judge M. A. Otero, Jr., who disqualified himself in the proceedings. Mr. and Mrs. Howard Whitson expect to leave Sunday for the National Laundrymen Convention, which convenes at San Antonio, Texas, Monday. Miss Margaret Egbert, sister of Mrs. Whitson, and Henry Carr, both of Alamogordo, will accompany the Whitsons to San Antonio.

## County School Census Reaches 6,565 Pupils 1936

The Eddy county school census for 1936 reached a total of 6,565 pupils, according to figures released from the county superintendent's office at Carlsbad Tuesday. The totals represent pupils from fifteen districts in the county including 4,371 Anglo-Americans, 2,129 Mexicans and sixty-five negroes.

Total pupils by districts are:

Carlsbad city schools	2,547
Otis	385
Lower Black river	21
Upper Black river	34
Queen	39
Rocky Arroyo	39
Lakewood	122
Hope independent district	246
Loving	444
Malaga	330
Dayton	75
Oil Field	79
Artesia independent district	1,787
Atoka	142
Cottonwood	275
Total for county	6,565

## CENTENNIAL REPRESENTATIVE

Arba Green, manager of the Artesia Chamber of Commerce, has been appointed as Artesia's representative on the Colorado Cuarto Centennial to be staged in New Mexico in 1940. Community committees appointed to aid Mr. Green includes: Mrs. C. R. Blocker, representing the Woman's club; H. G. Watson, Chamber of Commerce; Mrs. Ada McCann, the American Legion Auxiliary; Charles Morgan, the Artesia Rotary club; Frank Smith, the American Legion; Arba Green, City Council.

## Information On Pheasant, Duck Hunting Season

The State Game commission has provided an open season on cock ringneck pheasants for October 18 and 19, 1936. The bag limit will be a total of two cock ringneck pheasants for the two-day season. Black or mutant pheasants shall not be shot or killed and sportsmen must be exceedingly careful not to shoot any hen pheasants.

The open season on pheasants shall apply only in Bernalillo, Chaves, Eddy, Socorro and Valencia counties. Pheasants MUST NOT BE SHOT in any other counties.

Either a bird license, a general hunting and fishing license or a general hunting license will be required to hunt pheasants.

In providing this season the State Game commission feels that the killing of a reasonable number of cock pheasants will not in any wise injure the breeding potentialities of our present pheasant supply. But if hens are killed it will seriously affect the supply. Sportsmen are requested to show their good sportsmanship by being exceedingly careful to shoot only the cock pheasants, which are a highly colored bird with a very long tail and should be readily distinguished from the hens which are of a solid grey color.

## Migratory Waterfowl Season

The season on migratory waterfowl opens this year on November 1st and closes on November 30th. In other words, we may shoot waterfowl only during the month of November. The hours of shooting are from 7:00 a. m. to 4:00 p. m., each day of the open season. The bag limit and possession limit shall be as follows:

- (a) Ducks: Ten in the aggregate of all species per day or in possession.
- (b) Geese: Four per day or in possession.
- (c) Coot: Fifteen per day or in possession.
- (d) Sora: Twenty-five per day or in possession.
- (e) Wilson snipe or Jacksnipe: Fifteen per day or in possession.

There is no open season on the following species of ducks, namely: buffhead, canvasback, redhead and ruddy, and these species must not be shot. If you are in doubt as to the species that you are shooting at, let the bird go by, for all species need every bit of protection that they can be given.

Remember that you must have a state bird license, a general hunting license, or a general hunting and fishing license to hunt migratory waterfowl, and that the federal regulations require that you have a duck stamp attached to your license before you may legally shoot any species of these birds. The State Game department urges every hunter to not only obey the letter of the law himself, but to see that his neighbors do likewise.

## Watkins Found Guilty of Death of Victor Buel

Return Verdict Guilty of Involuntary Manslaughter After Short Deliberation; Judge To Pass Sentences Today.

Ed Celestine, negro, charged with drunken driving, was acquitted by a jury in the district court at Carlsbad Monday. The second case called was that of Bradford Watkins, charged with involuntary manslaughter in the death of Victor Buel, Artesia farmer, four miles north of here on the night of September 14th. Buel, allegedly struck by an oil truck driven by Watkins, died within about two hours after being injured. Prosecution centered chiefly on circumstantial evidence. The oil truck, driven by Watkins, showing the dent in the right fender, was placed on exhibit at the county jail near the court house and was twice viewed by the jury. The jury found the defendant guilty yesterday afternoon after deliberating a short time.

The suit of Mrs. Alice Hershey against Dwight Lee, sheriff, and the First National Bank of Artesia, in which Mrs. Hershey seeks to restrain the bank from levying a writ of execution against a cotton crop was opened yesterday afternoon.

Two pleas of guilty were heard Monday by Judge McGhee. Leonard Stevens and Jesse Janeway, both charged with drunken driving, pleaded guilty as charged.

Another criminal case was heard Monday. Julia Kelley, negro woman, charged with robbery from person, was convicted. Owing to the illness of an attorney, the remaining cases on the criminal docket may be postponed until the next term of court. Judge McGhee has ordered defendants found guilty and those who have entered pleas of guilty to appear today for their sentences.

A civil case to be tried by jury is scheduled for a hearing. This case is J. M. Hayhurst and B. E. Spencer versus John F. Joyce, II, and the National Livestock Co.

## TOTAL RAINFALL NOW 12.50 INCHES

Measurements of the Roswell weather station gives the total rainfall for 1936 up to October 13th as 12.50 inches, almost an inch above the normal fall for a twelve-month period.

## Antelope Season Is Ended Monday

Total of 135 Antelope Are Killed On the Flying H Ranch Out of 150 Permits During the Five-Day Season.

Eighty-seven per cent of the antelope hunters bagged buck antelopes in the three districts of this section, Elliott Barker, game warden, reported at Santa Fe Tuesday. It was one of the most successful seasons in history. Two dozen or more successful hunters from this locality returned from the Flying H ranch northwest of here with their bucks. Van P. Welch and Walter Douglas were first to report in, bagging a buck during the early part of the morning Thursday. The season ended Monday night. On the Flying H ranch 135 antelope were killed out of 150 permits issued. Forty-three bucks were killed on the B. C. Mosman ranch out of fifty permits issued, and twenty-four bucks were killed on the Joe Lane ranch out of twenty-five permits issued. The hunters showed fine sportsmanship in most instances, Barker said, and there were few violations discovered. Six doe antelope were killed but all were believed to have been killed unintentional violations, he said.

One man was found with two bucks in his possession and was cited to appear yesterday, the warden said.

Substantial progress is being made on the construction of road improvements west of YO Crossing on Highway 83. Only about two and a half miles of surfacing and a mile of grading remains to be completed before the present project is completed.

### THE NATIONAL POLITICAL CAMPAIGN

Concerning the national political campaign, one commentator remarks:

The republicans are now breaking the world's record on long-distance promises. Why were they so short on performance when they were in the saddle? The democrats took care of the constitution for a hundred years before there was a republican party and didn't ruin it. The main reason the republicans don't like this administration is that it is not theirs. The republican national committee has already contracted for \$1,000,000 worth of bill-board advertising and \$2,000,000 worth of radio time. All things that are being said about President Roosevelt today by his assailants are no worse than those hurled at Washington, Jefferson, Jackson, Lincoln or Theodore Roosevelt by the critics of their time.

With the reduction of interest rates brought about by this administration, it will take less money to pay off the national debt than it would to have paid off the debt at the time they went into office. In terms of what we have to pay with in this country, to pay the national debt now would take only about one-fourth as much wheat, one-third as much cotton, less than one-half as many cattle, and only about one-third as many hogs.

The value of our bonds in the United States has increased \$55,000,000 since the beginning of the Roosevelt administration. This increase alone would pay off the national debt leaving in pocket several billion dollars.

For the year ending October 1, 1936, not one single national bank in the United States failed. This fact alone warrants the reelection of the democratic administration.

### A SUCKER IS BORN EVERY MINUTE

Of all the high-pressure methods of California oil stock salesmen, the alleged recent efforts to peddle the Jackson pool in eastern Eddy county to residents of the coast is the prize graft story, reported by local oil operators. Yes, the oil sharks have been trying to peddle the whole pool, not just a little wildcat acreage and in the connection it would be interesting to know how many times the Woolworth building the Statute of Liberty, etc., have been offered to the unsuspecting public. New Mexico oil acreage that never existed except on a faked oil map has also been freely peddled on the coast and the kind of advertising New Mexico has gotten out of the wild schemes of the promoters has been a detriment to the state. Since the wild orgy of oil stock selling of 1918 one would think the public would quit acting the sucker, but there are new schemes born every minute to take money from those who want to get rich quick.

### LEA COUNTY FOR TINGLEY

The Lovington Leader says it is a foregone conclusion that Governor Tingley will receive one of the largest votes ever cast for a candidate in Lea county in the November election. The reason is Governor Tingley has made good his promises to Lea county and has built the county some good roads. The Leader remarks there was not a foot of good road in all Lea county when Tingley took office. Now the county has Highway 18 blacktopped south from Lovington to the state line. The Leader says it is not unreasonable to expect during the next two years that highway 18 will be completed north to Clovis, that highway 16 will be completed from Hobbs to Carlsbad and that highway 83 will be completed from Lovington to Artesia.

Father Coughlin, the radio priest, appears to have spent his political force. According to one political writer he has lost considerable popularity in his home city, Detroit, and his fan mail is less than half of what it was eighteen months ago. In all probability he will only be a political memory two years from now.

A Roswell newspaper suggests at least one powerful radio station for New Mexico inasmuch as KOB at Albuquerque is sometimes drowned out by WOAI at San Antonio, Texas. And what are we to do with Doc Brinkley's static?

The Midland, Texas, Reporter says there is no such thing as free love. All of it costs money and some of it costs your reputation.

Al Smith did not take a walk from the democrats. He is taking a hike.

### Scout News

The first month of the Boy Scout unit organization campaign of the Eastern New Mexico Area Council has shown good progress. Over one hundred institution heads have been contacted and a number of new units are expected as a result. K. C. Lea, chairman of the campaign for Curry and Parmer counties, has advised that his district expects to reach its goal of ten new Scout troops by the end of the year.

Walter W. Head, president of the Boy Scouts of America, has made available an award to each person or group responsible for organizing a new unit.

A new troop has just been organized at Capitan by F. A. B. MacKeil with P. H. Harris as scoutmaster. This is the first unit to be registered since the opening of the campaign September 1st.

Ruidoso and Lincoln have indicated their interest in organizing troops.

In Artesia district the goal is for six new Scout troops and two Cub packs.  
W. E. Kerr is in charge of the campaign for this district.

### Chislings

We understand two or three pre-sumably young ladies from Artesia marched in the Old Timers parade at Roswell Friday. They had to be thirty years old to be eligible to march.

A local saleslady started her hope chest by making a pair of pants. Her problem now is to fill the pants.

A fellow told us the carnival showing here last week took a 200 to 0 chance. The vets got two hundred bucks, the city got nothing, and the cotton pickers got gyped.

The girl of today is as good as the one of forty years ago—provided she isn't the same girl.

In a certain oil town a beautiful chorus girl sued a rich oil man for breach of promise and was awarded ten thousand dollars. Shortly after leaving the court she was hit by a street car and had eight ribs broken. The same judge awarded her eight dollars.

Notes on A. J. Basel's visit to California: The mineral rights club is even stronger than the Townsend club. No pass word is used in admitting members. You just lick yourself in. In an effort to forestall Bolton from making a motion that we have another carnival in Artesia his wife, Minnie Bolton, has finally consented to stage the delayed spitting contest.

### FEDERAL LOANS AVAILABLE

Federal loans are now available to farmers under the Carlsbad project, it was announced at Carlsbad Monday. The loans were made available after an inspection by representatives of the Federal Land Bank at Wichita, Kansas. For several years project farmers have not been able to obtain loans because the water supply was not considered adequate, but as result of improvements and the construction of the Alamogordo dam, the federal officials decided to again reopen the farming area for loans.

in Bolton's new fireplace. An Illinois contestant that can hit the bulls-eye at 12 ft. 9 in., has been invited.

Mary had a little cold, but wouldn't stay at home, And everywhere that Mary went, that cold was sure to roam; It wandered into Molly's eyes and filled them full of tears, It jumped from there to Bobby's nose and thence to Billy's ears. It painted Anna's throat bright red, and swelled poor Jennie's head; Dora had a fever, and a cough put Jack to bed. The moral of this little tale is very quickly said— Mary could have saved a lot of pain with just one day in bed.

H. T. Windsor, Batavia, Illinois, banker, dropped everything to come down with Mrs. Windsor and spend a few days visiting friends and old haunts. Windsor is really somebody come, in case you folks don't know who he is, and has in years past done a lot to further the development of this section. He's probably too modest to appreciate the many nice things we might say about him, but it is more practical to say them now than wait to write them in his obituary. He likes the Pecos valley, even the dust storms, and has seriously threatened to spend his reclining years here, but judging from the way he is going at present we may have to wait a half century before we could count him as a permanent citizen.

## Brainard Tells of Benefits To Be Derived From Resettlement Project

Fred Brainard, community manager of the Pecos valley farms of the resettlement administration, sets forth the chief aims and objects of the resettlement administration affecting the Pecos valley, in a letter addressed to Will Robinson, Roswell newspaper columnist. The letter was occasioned by a recent criticism of Mr. Robinson, in his column "Sidelights on the News."

Mr. Brainard says a number of individuals are inclined to criticize the resettlement administration for the delays experienced in getting projects started, but the administration has not all at fault. For one thing, delays have been experienced in getting land titles. Another factor to be considered, which has usually been overlooked by some prone to criticize is that the government, like an individual, makes an investigation before it invests and the investigation, of course, takes time.

Chief among the worth-while accomplishments of the resettlement administration cited by Mr. Brainard is that the resettlement administration has been largely responsible in getting the federal government to recognize the merits of the artesian belt and that if properly taken care of the water supply can be made permanent. Previously federal loan agencies have refused to grant farmers loans due to the alleged hazard involved.

Mr. Brainard calls attention to the fact that New Mexico is extremely fortunate in having the only two active resettlement projects in district twelve. One is at Bosque and the other is in the Pecos valley. Two projects in Colorado and one at Plainview, Texas, have been shut down because of the condition brought about by the drought in the middle west. He says it is not particularly to the credit of certain individuals in New Mexico that their attitude has been more critical than in other sections. The people at Plainview, Texas, particularly have shown a very fine cooperative spirit in offering to aid that project financially and have worked with the administration in a very sympathetic way. Furthermore, he says, the projects cannot be successful in a large measure unless there is local co-operation.

Quoting from Mr. Brainard's letter: "I think you can readily see the value to the Pecos valley as a whole, if a sound resettlement project could be located here. It would mean the resettlement of from 100 to 200 tenant farmers on blocks of from forty to eighty acres, which they could call their own, and thus it would not only add materially to the mental and spiritual well-being of those people, but would place on our tax rolls of these counties approximately \$1,000,000 additional."

Mrs. H. L. De Berry, mother of Mrs. Boone Barnett, who has visited her daughter and family for the past month, left for her home at Wilson, Oklahoma, Wednesday.

## New Type Gold Standard Set Up

WASHINGTON, D. C.—Secretary Morgenthau Monday announced the establishment of "a new type of gold standard" by the United States, Great Britain, and France, providing for the free exchange of gold between the stabilization funds of the three nations.

The tri-power agreement, effective Tuesday, does not establish fixed ratios for currencies of the three countries, and gold transactions will not be permitted by individuals.

Morgenthau characterized the new standard as a "secondary step" toward international currency stabilization, directly resulting from the "gentlemen's agreement" on monetary policy concluded by the three nations September 26th.

The chief effect of the new arrangement, he said, would be to take the power to trade gold out of the hands of "irresponsible speculators" and put it in the hands of the government.

Other nations will be welcome to enter into the agreement at any time, Morgenthau added.

The primary purpose of the agreement, Morgenthau said, is to protect American business against violent fluctuations of the exchanges. He asserted it would have no effect whatever on the internal value of the dollar.

## Artesia Host To 5th District Meet Legion Auxiliary

The Fifth District meeting of the American Legion Auxiliary was held in Artesia Wednesday at the Legion hut. Six state officers and chairmen were in attendance.

A delicious one o'clock luncheon was served in three courses from a beautifully laid table by the local Auxiliary women. Covers were laid for about sixty. Pumpkins filled with fruits topped with frosted grapes and Halloween napkins were the attractive table decorations, tall cream colored tapers, lighted, shed a soft glow over the long tables. During the luncheon hour Mrs. Howard Whitson played softly on the violin with Mrs. Herman Terry at the piano.

Mrs. Ben Pior, district president, presided over the afternoon session. The organization was honored by the presence of Mrs. Ann Cook, state department president, from Albuquerque, Mrs. Alethea Atherton, state department secretary, also of Albuquerque, Mrs. Jeanette Michelet of Hagerman, first vice president, Mrs. Norville Thacker of Carlsbad, community service and unit activity chairman, Mrs. Ruby Bryant of Roswell, radio chairman, and Mrs. Myron Prager of Fort Bayard, publicity chairman. Units were represented from Carlsbad, Roswell, Hagerman, Hobbs and Artesia.

The colors were advanced by Mrs. Aleck McGonagill and Mrs. Dave Bunting, the Auxiliary prayer was offered by Mrs. Frank Linell following a salute to the flag. The calendar of activities was discussed by a group from different parts of the district. Each unit president spoke of her work and individual problems. Mrs. J. A. Richards, a past state president, gave an interesting history of the American Legion Auxiliary. Mrs. Fred Cole favored those present with a beautiful vocal solo. She was accompanied on the violin by Mrs. Howard Whitson with Mrs. Herman Terry at the piano. Mrs. Earl Bigler gave a brief talk on "Respect to the Flag."

The Hagerman unit was the winner of the membership contest and was presented a subscription to the Pidad magazine by Mrs. Pior. Each of the visiting officers and chairmen were called on for remarks and at the close Mrs. Ann Cook, state department president, was introduced by Mrs. J. A. Richards, who also in behalf of the Artesia unit presented her with a lovely gift. Mrs. Cook spoke particularly on membership, the quota for New Mexico is 177 for this year, a bit higher than last year. She also announced for the first time the winner of the Poppy Poster contest. Little Miss Peggy Linell, daughter of Mr. and Mrs. William Linell of Artesia, was the winner of first place in the state of New Mexico and received the honor of third place in the national contest.

Mrs. Pior was also presented a gift from the local unit.

### MARGARET ATTEBERY HAS BIRTHDAY PARTY

Mrs. J. R. Attebery entertained Tuesday afternoon from four to six o'clock with a lovely birthday party complimenting her daughter Margaret on her eleventh birthday.

Those who were bidden to share the occasion with the honoree and who showered her with beautiful birthday gifts were: Helen Watson, Jack Rogers, Jackie Don Woodside, Don and Val Morgan, Buster Wake, Meredith Martin, Hattie Ruth Cole, Elsie Ayliffe Runyan, Allen Mills, Bobbie Simon, Patricia Runyan, Guinevere Ellis, Shirley Watson, Mary Elizabeth Doroty, Bernie Marie Baldwin, Lewis W. Story, Jess Truett, Jr., Albert Linell, Dickie Attebery, Thelma Hancock and Margaret McDermott.

After a round of games on the lawn the children were ushered into the dining room where the long dining table held a large birthday cake beautifully decorated and placed on a reflector. Favors were found in each napkin and hot chocolate was served with slices of birthday cake.

### MRS. DENNIS CHAVEZ HONOREE AT LUNCHEON

Mrs. Dennis Chavez, wife of the Honorable Dennis Chavez of Santa Fe, was honored with a lovely luncheon served at the Artesia hotel Thursday.

Covers were laid at a beautifully appointed table for Mrs. Chavez, Mmes. Jess Funk, Jim Berry, Jess Truett, J. A. Reed, G. U. McCrary, S. S. Ward, Jeff Hightower, Roy Langston and Misses Catherine Ragsdale, Virginia and Anna Lopez.

Following the luncheon, the ladies retired to the mezzanine floor where Mrs. Chavez addressed them, speaking in behalf of the democratic party. Mrs. Jess Funk, vice chairman of the Eddy county democratic central committee, presided and also spoke on the subject as did Miss Catherine Ragsdale from the Young Democratic organization and Miss Virginia Lopez, who represented the Spanish-Americans.

At the close of the meeting Mrs. Chavez was driven to Lovington by Mmes. Funk, Reed and Truett.

### MISS KING BRIDE OF GARLAND STUART

Miss Oma Charline King, daughter of Mr. and Mrs. Clarence King of Hagerman, became the bride of Garland Stuart, third son of Mr. and Mrs. Austin Stuart, Sunday at high noon.

The simple ring ceremony was read by the Rev. Julian Atwood of Roswell at his Baptist parsonage home in the presence of the bride's parents, Mr. and Mrs. Clarence King, her two sisters, Norma Joe and Wiva Gene, and her uncle and aunt, Mr. and Mrs. O. J. Atwood, also of Hagerman.

Mrs. Stuart was attractively attired in a smart fall suit of navy blue wool with matching accessories. She has been practically reared in the town of Hagerman and finished her high school education with the class of 1936. The groom is the son of one of the well known and well respected families of Artesia. He graduated with the class of 1935 from the local high school, and has been an employee of The Advocate for the past year.

Mr. and Mrs. King, parents of the bride, were host and hostess at a wedding dinner at the family home Sunday evening with covers laid for members of the wedding party. The young couple are at the home of the groom's parents for the present.

### BAPTIST BROTHERHOOD OF PECOS VALLEY HOLD MEET

The Pecos Valley Baptist Brotherhood met at Artesia last week at the local Baptist church for their quarterly banquet and program. Roswell, Artesia and Carlsbad churches were represented at the banquet table where a chicken supper was served by the ladies of the Artesia church.

S. R. McKinnon of Carlsbad, president of the association, presided at the business session and the program, which was presented by the Artesia brotherhood. Edgar Bishop played a violin solo and short talks were made by C. E. Mann, Fred Cole and B. A. Bishop. The annual election of officers is scheduled for the meeting announced for January 12th.

### JOHN BILL COLLINS WINS SCHOLARSHIP

John Bill Collins, son of Mr. and Mrs. J. W. Collins, who is attending State College at Las Cruces this year, received a half year scholarship in a recent band contest.

Six scholarships were awarded and he won first place in the trumpet section.

### FIRST AFTERNOON CLUB

Mrs. J. J. Clarke entertained the First Afternoon Bridge club and substituting guests Tuesday afternoon.

Seated for the games of contract were Mmes. S. E. Ferree, Beecher

Rowan, Jeff Hightower, Maude Ployhar, G. R. Brainard, Jessie Morgan, J. Hise Myers and the hostess. High score went to Mrs. Ployhar. Delicious light refreshments were served by Mrs. Clarke at the conclusion of the games.

Twin sons were born to Mr. and Mrs. Max Coll of Roswell yesterday. Mr. Coll is a former resident of Artesia.

### CARD OF THANKS

We wish to express our appreciation for the thoughtfulness and kindness shown us by our friends during our recent bereavement. The tragic death of our son especially appreciate the sympathy and flowers.

Mr. and Mrs. Skelt Williams family.

SOCIETY

PRETTY WEDDING IS SOLEMNIZED LAST WEEK

One of the prettiest weddings of the season was solemnized Wednesday night, October 7th, at eight o'clock in the home of Mr. and Mrs. R. G. Bryant, 100 N. W. State, when at a beautifully impressive ring ceremony Miss McKewen Walton became the bride of Mr. Roland McLean.

The home was attractively decorated for the occasion with a profusion of cut flowers and fern, the fireplace in the living room banked with roses, dahlias and fern was a dream of loveliness before which the vows were taken.

Just previous to the appearance of the bridal party Miss Naomi McCarty, accompanied by Miss Mae Beth Lawson, sang "Because" and the melody of Mendelssohn's "Wedding March" played by Miss Glenna McLean, sister of the groom, filled the room as the bride and her party entered.

Miss Pauline Terry as bride's maid, attractive in an aqua marine satin gown, Mrs. Roy Morris of Clovis as matron of honor, lovely in turquoise blue satin, each carrying an arm bouquet of pink roses, the bride, and never was one more charming, in a beautifully designed floor length model in rosewood taffeta, carrying an arm bouquet of yellow chrysanthemums, upon the arm of her father and was met at the altar by the groom, his best man, Woodrow Williams of Artesia, and the officiating minister, the Rev. C. Frank York, pastor of the First Methodist church, all in conventional black.

The ceremony was read in the presence of the immediate families of both bride and groom and a small group of intimate friends, as Miss McLean very softly played "Meditation." The bride wore as the traditional "something old" her grandfather's fraternity pin.

The bride's cake, a real work of art, a creation in pink and white, beautiful beyond compare, and banked by pink roses, centered a lace covered table lighted by tall white tapers, was cut by the bride, who was assisted in serving by Miss Pauline Stewart and Miss Macy Morris.

Mrs. McLean, the younger daughter of Mr. and Mrs. H. C. Walton, a very attractive young lady of charming personality, popular alike with young and old, moved here with her parents from Hope a number of years ago and many of her girlhood days have been spent here. She graduated from P. H. S., furthered her education at W. T. S. T. C., at Canyon, and at Texas Tech and took special work at the E. N. M. J. C., last year. She has served as assistant city clerk for the past two years.

While Mr. McLean, the son of Mr. and Mrs. M. A. McLean of Artesia, has been a resident of Portales for little more than a year, he shares his bride's popularity. He has been connected with the Safeway stores for some three or four years, and came to Portales as manager of the local store at its opening about a year ago.

Shortly after refreshments were served Mr. and Mrs. McLean slipped away to their new, completely furnished home, 115 N. E. Spring. Mrs. McLean wearing a handsome dark green tailored suit with gold blouse and black accessories.—Portales Daily News.

H. E. (Dad) Hitch arrived Sunday from Laramie, Wyoming, to spend the winter here. "Dad" is a former resident of Artesia and says he is glad to get back to the New Mexico climate.

DELTA SIGMA EPSILON SORORITY MEETS HERE

The Pecos valley alumni club of Delta Sigma Epsilon sorority held its first meeting here October 3. Dinner was served at the Oasis Cafe. Calendulas in a pumpkin formed the attractive centerpiece and a delicious Hallowe'en menu was served. A line party to the Ocotillo was formed after dinner. After the show members met at the home of Miss Maurine Lewis for a short business session with Mrs. John Rowland, president, presiding.

Those in attendance were Miss Mary Winford and Mrs. E. L. Love of Dexter, Miss Almaretta Growland of Hagerman, Mrs. John Rowland and Misses Maurine Lewis and Jennie Beth Bishop of Artesia.

A meeting of the organization was held again Tuesday evening with Miss Jennie Beth Bishop as hostess at the home of her parents. A brief business session was held with plans made for a Thanksgiving basket for needy persons. Seasonal games furnished an evening of amusement. The hostess served a light refreshment course to the following guests: Mrs. Edith Riddle and Mrs. George Lane of Hagerman, Mrs. Mary Wilford and Mrs. E. L. Love of Dexter, Mrs. Dorothy Elder, Mrs. John Rowland, and Miss Maurine Lewis of Artesia.

LEGION AUXILIARY MEMBERSHIP REACHES 100

The American Legion Auxiliary membership reached the one hundred mark for the October meeting held at the Legion hut, Monday afternoon. Fifteen new members were initiated on this occasion, with Mrs. John McCann, president, and her staff officiating.

Mrs. Howard Whitson, Fidac chairman, reported on the International Health Party, which was sponsored by the British Legion. Columbus day was observed with Mrs. McCann paying a tribute to the discoverer of America.

Mmes. Charles Morgan, Paul Otts and Frank Smith were co-hostesses. They served a light refreshment course during the social hour following the regular meeting. Mrs. Prothro of Los Angeles was a visiting guest. Mrs. Dick Vandagriff received the lucky prize.

DORCAS CLASS MEETS

The monthly business meeting of the Dorcas Sunday school class of the First Baptist church was held yesterday afternoon at the home of Mrs. Morrison Livingston, with Mrs. Dell Walters as co-hostess. A social hour followed the business meeting. There was a good attendance of members present.

ED MARKEY BRINGS BRIDE HOME TUESDAY

Miss Veronica Reed, daughter of Mr. and Mrs. V. L. Reed of Tulsa, Oklahoma, and E. A. Markey were united in marriage Saturday, October 10th, at the Holy Family Cathedral of Tulsa. The marriage was solemnized at nuptial mass in the presence of members of the families and a few close friends.

The bride was attractive in a smart rust colored suit with which she wore brown accessories and a corsage of lillies of the valley. They were attended by Miss Helen Beshara and Mr. Joseph Reed, both of Tulsa.

The groom came here from Avery Island, Louisiana, about four years ago. He is an employee of the Continental Refineries, Inc. Mr. and Mrs. Markey left shortly after the ceremony for a visit to the Texas Centennial at Dallas and the Frontier Centennial at Ft. Worth, and arrived here Tuesday where they will make their future home. Dr. John Clarke and his mother entertained the newlyweds at dinner Wednesday.

LOCAL WOMEN ATTEND STATE CLUB CONVENTION

Mrs. Jeff Hightower, president of the local Woman's club, Mrs. John Lanning, vice president of the local club, Mrs. C. R. Blocker, third vice president of the state federation, and Mrs. I. L. Spratt, past president of the local club, left this morning for Las Cruces to attend the three-day session of the New Mexico Federation of Women's clubs, which convenes there Thursday, Friday and Saturday.

The federation will celebrate its twenty-fifth anniversary of federated clubs in New Mexico. Mrs. J. B. Atkeson, first president of the local club, was issued a special invitation to attend, but had to decline the invitation.

Mr. and Mrs. George Johnson, Mmes. A. H. Whitener and Effie Wingfield have returned from a meeting of the I. O. O. F. Grand lodge and Rebekah assembly held at Raton the first two days of the week.

APPRECIATION IS A VIRTUE OF THE AMERICAN PEOPLE That is one reason why President Franklin D. Roosevelt is going to be given an overwhelming majority in New Mexico—greater than he received four years ago. It's only human nature to help those who help us, and there isn't a man, woman or child in New Mexico who hasn't profited directly or indirectly from President Roosevelt's program. Since Roosevelt took office on March 3, 1933, the Federal Government has given and loaned to the people of New Mexico a total of \$127,093,971. On a per capita basis this represents \$300 for every man, woman and child in the State. The tabulation below shows how this money was spent: LOANS CLOSED Reconstruction Finance Corporation... \$ 7,277,664 Farm Credit Administration... 17,383,114 Commodity Credit Corporation... 729,012 Resettlement Administration... 1,730,514 Home Owners' Loan Corporation... 5,134,546 Public Works Administration... 2,446,640 LOANS INSURED Federal Housing Administration... 2,259,327 GRANTS, ALLOTMENTS AND PAYMENTS Agriculture Adjustment Administration... 4,127,975 Resettlement Administration... 112,896 Civil Works Administration... 2,346,379 Federal Emergency Relief Administration... 19,838,228 Emergency Conservation Work... 18,881,006 Bureau of Public Roads... 17,321,341 Social Security... 198,850 Public Works Administration... 12,370,430 Emergency Relief Appropriation Act... 14,936,049 TOTAL... \$127,093,971 Federal loans and grants to New Mexico have gone to save homes, to provide jobs for the unemployed, to feed the hungry, and to care for the dependent aged, the crippled and the blind, to make permanent, necessary improvements. Republicans have cried "Waste, Extravagance!" They say this money was foolishly spent. Let the people whose homes have been saved, let those who stood in soup lines under the Republican Administration, let those who were without work, and those who were facing starvation in 1933 when President Roosevelt took office, be the judge of that! The prospect of repaying these expenditures need cause no taxpayer in New Mexico any alarm. We have received \$127,000,000 from the Federal Government during the last three and a half years, and we have repaid in taxes about \$4,000,000. Any taxes levied to pay the cost of the New Deal will be Federal taxes. Federal taxes will fall chiefly on the rich industrial East. That means the industrial East will pay most of the New Deal cost in New Mexico. That is only fair and just since it is the industrial East which profits most from the raw materials... cotton, wool, livestock and minerals... produced in New Mexico. The Republican Congressional candidates hate the New Deal. They are pledged to fight the New Deal, to overthrow it if possible. They boast that they will not be "rubber stamps," meaning that they will not support President Roosevelt in his great effort to maintain prosperity in America. That is something we should remember. If there was ever a time when a President of the United States needs a Congress which will work with him, it is now. If there was ever a time when New Mexico needs a Governor who will cooperate with the President it is now. Senator CARL A. HATCH, Senator DENNIS CHAVEZ, Congressman JOHN J. DEMPSEY, and Governor CYLDE TINGLEY deserve re-election on their own records. But in this election the issue is even greater. They should be elected so that President Roosevelt will not be constantly opposed in his program of continuing benefits to New Mexico. You can depend on these men to work in harmony with President Roosevelt and to see that the needs of the State are adequately met. Do Not Put The Liberty League In Control Of Our Government! Protect Your Own Welfare By Voting The Democratic Ticket!

IN THE PROBATE COURT OF EDDY COUNTY, NEW MEXICO

In the matter of the last Will and Testament of Victor A. Buel, deceased.

TO WHOM IT MAY CONCERN: Notice is hereby given that an instrument purporting to be the last will and Testament of Victor A. Range Program Started In N. M.

Work in connection with the range conservation program has been started in all the counties in New Mexico, according to W. A. Wunsch of the New Mexico State College. Application forms can be secured from the county agent's office by any ranchman interested in the program. On receipt of the application forms, range examiners will examine the range to determine the carrying capacity. These range examiners will be experienced men and will be furnished to the extension service by the forest service. They will be assigned to work in the various counties depending upon the number of applications received in the county. After the examiner has determined the carrying capacity, the producer, if interested in following some conserving practice, will outline the practice or practices he desires to follow, and these practices must be approved by the county A. C. P. committee. When the ranchman has completed his practice, he will present application for payment form to the county committee, and his ranch will be examined by the county committee, to determine to what extent the practice or practices have been completed.

Ranchmen in the various counties have already been informed in regard to what practices may be performed, and many ranchmen are already at work constructing tanks, drilling wells, building fences, and contouring their land. It is expected that payments to range cooperators can be made just as soon as the ranchmen are able to complete their conserving practices. As under the farm program, all compliance forms and applications for payments will be audited in the state office, and payments will be made from the regional office at Fort Collins, Colorado.

County Agent Fred Barham announced last week the program will not include government-owned land or the public domain.

General arrangements for payment are that no remuneration will be made for any range-building practice unless the county committee, prior to the instruction of such practice, has given its approval, based upon the examination of the ranching unit by the range examiner. It must be determined, Barham said, that the practice will tend to effectuate the purpose of the act.

Livestock producers wishing to make application, or others interested in the new program, are advised to contact the county agent's office, where application forms have been received.

Eddy county committeemen assisting with the program are W. C. Bates and Jerd Wooten.

The Amazing Case of Abe Zinn and the Tingley-Zinn-Miles Machine!

POLITICAL organizations frequently make mistakes. Not infrequently their leaders make fools of themselves. However, it is unusual for a political organization's leadership, with full knowledge of the facts before it, to make fools of themselves and at the same time deliberately insult the intelligence of the voters to whom they are shortly going to appeal for support.

However this is exactly what was done by the Tingley-Zinn-Miles machine in their recent Deal convention, when, having been soundly licked by Jack Dempsey, they forced the nomination of Abe Zinn to succeed himself on the state supreme court.

With the year Zinn had been tried before the state bar commission for unprofessional conduct had been found guilty of "commingling the funds of a client with his own," and had been severely reprimanded by his fellow justices of the supreme court in the following language:

"It is our judgment from the foregoing (report of the bar commission) that the respondent, A. L. Zinn, should be and he is hereby severely reprimanded, and that he should pay the costs of this proceeding, which are hereby taxed against him in the sum of \$423.49, and it is so ordered."

The above quoted reprimand of the court was delivered March 21, 1935 (See page 778, 42 Pacific Reporter, 2nd series) as the result of a report to the court by the state bar commission following an exhaustive trial, in which the commission said:

"1. That respondent received the money in question as a trust fund." "2. That respondent violated his duties as a member of the bar when he commingled said funds with his own."

The "commingling" referred to, as the testimony in the case showed, was that Zinn used this trust fund money along with his own in playing the stock market through E. F. Hutton & Co., Angeles.

And yet this man, convicted by his fellow members of the bar and reprimanded by the court which he was and is a member, has been forced on the New Deal party and its supporters by the Tingley machine.

Why did this amazing nomination occur? Because Zinn, himself, ordered it. Such brains as the Tingley machine can boast, is furnished by Zinn. As an active participant in their machine affairs he knows everything Tingley and Miles have done to party workers, state employees and the public business. With the "goods" on the Tingley and Miles HAD to do as they were told.

But do the rank and file of New Dealer voters and Jeffersonian Democrats have to stand such a man; especially when they are offered a candidate in the person of Judge John Watson, who has behind him ten years of honorable, efficient service on the state supreme court; and a lifetime of unswerving service as a lawyer?

Brief History of the Zinn Case

Early in 1934 an Albuquerque newspaper discovered that Zinn, while serving as special assistant state tax attorney for McKinley county, had received two remittances of \$500.00 each from one H. L. Williams, with instructions to apply same on taxes owed by Williams in McKinley county. The newspaper charged in words of one syllable that Zinn had not turned over this money to the state and had failed to properly account for it. The newspaper produced evidence in support of its charge so convincingly that in July, 1934, the state bar commission brought the matter before its grievance committee, which committee, after a hearing, concluded that the charges merited a hearing and certified that fact to the state supreme court. The court, in turn, directed the bar commission to hold a hearing and report its findings to the court. E. R. Wright was appointed by the court to represent the public interest. J. O. Seth and Hiram Dow represented Zinn.

In March, 1935, the case came on for hearing before the bar commission, seven of the nine members sitting; two having disqualified themselves. The trial was thorough. It resulted in the conclusion and reprimand quoted above. Full details of this case are to be found in volumes 34 and 42 of the Pacific Reporter, 2nd series, which are in all well equipped law libraries in the state. They are a permanent, official record of professional misconduct by Zinn. Yet his supporters, Tingley and Miles, said, in effect to the New Deal convention and the New Deal rank and file of New Mexico: "No matter what he has done you have to take him. New Deal millions may pull him through along with us on the Roosevelt coattails. Any way, take him, because you cannot help yourselves."

A Spotless—or a Besmirched Supreme Court Justice?

How do the self-respecting members of the bar of New Mexico feel about this Zinn candidacy? How do the people, regardless of party, feel about this Zinn candidacy, in the light of the official record?

Are we to maintain the respect for our supreme court which is its due, or let it be besmirched with a Justice having such a record on the law books of the state? JOHN C. WATSON, the Republican candidate for the supreme court, served ten honorable years on that court. He left a record unsmirched by the slightest taint of political activity. His is a record of hard, useful work that won him the profound respect of lawyers and litigants alike. Contrast the men and their records!

Right now Zinn is out campaigning. At Santa Rosa Saturday night, October 3rd, he saw a young woman making a stenographic report of his speech. Zinn said, possibly before he saw the stenographer: "I thought it my duty to speak about judges, to speak about delicacy, about delicacy..." (just fancy Abe Zinn speaking about delicacy!) And then, seeing the reporter, he happened to be District Judge Armijo's court reporter and who had been sent there to report on his expense. Zinn proceeded to "roast" the young lady. He called her a "spy"!

Miss Sulver waited until Zinn had completed his filthy attack and then, like the courageous woman she is, she arose in her place, told Zinn what she thought of him, why she was there her capacity as a public stenographer, won the respect of all who heard her and forced Zinn to make a public apology to her from the platform.

The incident is related merely as illustrating the Zinn character. Are you New Deal Democrats, you independent Democrats, you Jeffersonian Democrats going permit Tingley and Miles to force Zinn down your throats, when you have available for your prime court such a lawyer, such an able judge, such a cultured gentleman as John Watson?

REMEMBER! A VOTE FOR ZINN IS MORE THAN A VOTE FOR A LAWYER WITH A BESMIRCHED RECORD. IT IS A VOTE FOR CONTINUANCE IN CONTROL OF THE NEW DEAL PARTY OF THE TINGLEY-MILES-ZINN MACHINE... BECAUSE ZINN IS THE DOMINANT FACTOR IN THAT MACHINE AND IN THE MAKING OF ITS POLITICAL AND GOVERNMENTAL DECISIONS. ISN'T IT TIME FOR YOU NEW DEAL AND DEMOCRATIC VOTERS TO WAKE UP AND CLEAN HOUSE?

### Hoops Battle Scoreless Tie

Small and inexperienced Artesia high school football team held their followers last Friday when they held the husky New Mexico Military Institute Colts to a scoreless tie. The locals have improved very rapidly since their last game two weeks ago and showed an excellent ground-game on the local turf gridiron. The Cadets, although their opponents boasted a husky

received the initial kick-off but being unable to gain, they were forced to punt. The Colts advanced the ball by a series of line bucks to the twenty-yard line where they were held down and Artesia was able to punt out of danger. Successful attempts at line play were made by the Colts. Neither team was able to score near distance all day. The Cadets made five first downs for the locals in the first half.

Artesia again received the kick-off at the second half and soon advanced the ball by a series of reverses and forward passes to within the fifteen yard line. Haynes and Womack slowed down the Colts at a critical moment. However, long gains by Conner and line smashes by Womack advanced the ball within scoring distance after a drive of sixty yards down the gridiron. A costly turnover, which was recovered by the Colts, lost the big chance to

The Cadets then marched down the field by an open brand of football. The eighteen yard line where the game ended, with the score tied at nothing. The painting and generalship of Womack Johnson and the defensive work of Womack at fullback, Tidwell and Irby at ends, and Conner at tackle deserve mention. Conner was the best ground player behind the interference of the Colts and the diminutive Shearman, who shouldered a large part of the responsibility of the game. Lapsley Dunlavy at tackle and Conner at guard were the outstanding linemen for the visitors. The recovery of the costly turnover by Artesia was a deciding factor of the game. Skarda at center and McGinnis at halfback were the most consistent performers of the Cadet backfield.

Summary of the game:  
Artesia—Cadets 8, Artesia 5.  
Artesia—Cadets: Four for an average of 26 yards. Artesia: Six for an average of 28 yards.  
Artesia: 2.

# A STATEMENT OF FACTS

## LET'S LOOK AT THE RECORD!

UNITED STATES SENATOR DENNIS CHAVEZ  
IS A DEMOCRATIC CANDIDATE FOR REELECTION

Based upon his support of the recovery measures and needed public reforms enacted under President Roosevelt, the Senator has well earned a right to continue to serve the citizens of New Mexico.

PRESIDENT ROOSEVELT

SENATOR CHAVEZ

### Let's look at the record:

Senator Chavez has vigorously supported all of the New Deal legislation, which has started this State and the Nation on the road back to prosperity.

He has worked for the passage of all progressive labor legislation, including the Railroad Retirement Act, the Guffey Coal Bill, the National Labor Relations Act, the Social Security Act and others. Labor leaders of the State and of the Nation term the Senator's legislative voting record perfect. He has been indorsed by every union organization with which he has come in contact, and his candidacy is enthusiastically supported by all labor groups in New Mexico.

He was particularly active in support of the law that now guarantees the safety of all savings and bank deposits up to \$5,000.00.

He backed the measure extending operation of the CCC, which has furnished employment to approximately 12,000 unemployed New Mexico youths and has made public improvements in every section of the State.

He has actively supported the Federal legislation for the improvements of homes, through which more than 2,000 New Mexico citizens have modernized their residences and hundreds have refinanced home mortgages.

Senator Chavez served as chairman of the important Irrigations and Reclamation Committee of the House of Representatives at Washington. In the Senate he has sponsored and guided the enactment of legislation for such major New Mexico water utilization projects as the Conchas Dam, the Caballo Dam and canalization of the Rio Grande. Senator Chavez has proved himself the leader in efforts to put to use New Mexico's "white gold"—the State's water resources—and he sponsored current Government survey of the proposed water utilization project on the San Juan River.

He has backed every measure proposed at Washington for the benefit of farmers and stockmen, including the AAA and the new statute known as the Soil Conservation Act.

He has supported the Federal work relief measures, which have benefited thousands of New Mexicans both directly and indirectly.

As an experienced legislator, Senator Chavez has made an unusual record of success at Washington in a comparatively short time. He has been honored by appointment to the important Foreign Relations Committee of the Senate, on which committee he already has proved his worth not only to New Mexico, but also to the Nation as a whole.

### Stroke Is Fatal To Arthur E. Ingham, Roswell Sheepman

Arthur E. Ingham, aged 70, well known sheepman of the Roswell section, died Saturday night after suffering a stroke of paralysis earlier in the day at his home in Roswell. Mr. Ingham first located at Hagerman in 1901 and after living there for two years moved to Roswell where he has since made his home. His ranching interests northwest of Roswell covered over 135 sections and his wool clip amounted to over 100,000 pounds annually. He was a member of both the state and national wool growers associations and at Roswell he was known as a public-spirited citizen. Funeral services were held Tuesday afternoon at the First Presbyterian church at Roswell.

#### WRITES FOR MRS. PHILLIPS SUNDAY

Last rites for Mrs. Phoebe Jane Phillips, aged 82, who died here early Thursday morning, were held at the Phillips home on West Main street Sunday afternoon with the Rev. F. B. Howden of Roswell, Episcopal rector, officiating. Burial was made in the Woodbine cemetery.

Mrs. Velma Phillips, a sister-in-law, who has been visiting at Allentown, New York, and Mrs. Sig Iverson, a granddaughter, of Fort Worth, Texas, were the only out of town relatives present at the services.

### Cottonwood Items

(Bonnie Rowland, Reporter)

Jess Funk went to the mountains Sunday.

A new grocery store was completed last Saturday at the farm home of Ralph Pearson.

Robert Payne spent last Friday night in the C. H. Nelson home as a guest of Harvey and Harry Nelson.

Mr. and Mrs. Herbert Howell from Jal visited Mrs. Howell's parents, Mr. and Mrs. Harry Carder, this week-end.

Mr. and Mrs. Cecil Doyle spent last Saturday night on the Upper Cottonwood visiting in the home of Mrs. Doyle's parents, Mr. and Mrs. J. A. Brewton.

Mr. and Mrs. C. R. Cline and daughters visited Mr. and Mrs. Grady Wimberly of near Hope last Sunday. With Mr. and Mrs. Ivy Wimberly they enjoyed a weiner roast in the evening.

Miss Eddie Garrett, who has been staying in the Lewis Rowland home for the past three months, left Saturday by train for Wyanoka, Oklahoma, where she will visit relatives for a few weeks and then go on to her home at Cassville, Missouri.

Among those from this community who attended the State Fair were: Mr. and Mrs. E. P. Malone, Mr. and Mrs. Ed Parnell, Mr. and Mrs. Glen Yarnell, Mr. and Mrs. Jess Funk, Mr. and Mrs. Clarence Pearson, F. R. Zumwalt, Mr. and Mrs. Dayton Reser, Mr. and Mrs. H. V. Parker, Mr. and Mrs. Tom Terry, Mr. and Mrs. Glenn O'Bannon, Mr. and Mrs. Ralph Pearson, Mrs. C. H. Brundrett, Mr. and Mrs. R. E. Coleman, Mr. and Mrs. Monroe Howard, Mr. and Mrs. Roy Ingram, Jeff Davis, Mr. and Mrs. Harry Carder, Mr. and Mrs. Truman Howard, Mrs. Bryant Shoemaker, Mr. and Mrs. D. A. Bradley, Mr. and Mrs. Orval Gray, Mrs. Faith Houston, L. H. Carder, C. R. Cline, Mr. and Mrs. Oscar Pearson, Mr. and Mrs. V. M. Crutchfield and Mr. and Mrs. K. A. Bivens.

Mrs. Horace Dunn of Rodessa, Louisiana, formerly of Taft, California, arrived the first of the week for a visit with her sister, Mrs. J. R. Attebery, and her mother, Mrs. Nora Johnson of Hope. Mr. Dunn stopped off with home folks in Odessa, Texas.

### Cowmen Petition—

(Continued from page one)

It is this differential which eliminates domestic corned beef from the shelves of the grocery stores and meat markets of the country. The decline in cattle prices in this country during the past year is quoted as evidencing the need for increased tariff protection at this time.

Coincident with the filing of these petitions, H. F. McGill, president of the Texas and Southwestern Cattle Raisers' Association, dispatched a strong telegram to Secretary Wallace urging him to cooperate with the livestock industry in seeking relief from this menace and asking that, as the official representative of the livestock industry of this country, he should appear before the tariff commission in support of the move just initiated.

Mr. and Mrs. Bill Ross left Sunday for a two weeks vacation at different points in California.

Mrs. Roger Durand and daughter, Miss Abbie, attended the Ingham funeral in Roswell Friday.

Mr. and Mrs. Henry Johnson of Roswell were visitors here yesterday. Mr. Johnson is WPA director of this district.

Mrs. J. H. Holloman of Artesia and Mrs. P. J. McCall of Carlsbad were dinner guests of Mrs. A. C. Douglas yesterday.

A number of local people attended a Christian Science lecture at the Woman's club in Roswell Monday evening. Among those driving up were Mr. and Mrs. Dick Vandagriff, Mr. and Mrs. Presley, Mrs. Lorena Crouch and Miss Ella Bauslin.

### Artesia To Meet Hobbs Friday On High School Grid

The Artesia high school Bulldogs will meet the Hobbs high school Eagles here Friday afternoon in the last home game of the season until November. According to the dope sheet the two elevens are pretty evenly matched. Hobbs has won two of the four games played thus far this season, only one of which has been a conference game. In the conference game last Friday Hobbs lost to Roswell by a score of 30 to 0. In view of the recent improvement made by the Bulldogs, Friday's score at Hobbs against an opponent both schools have played indicates no advantage should be given either eleven.

The personnel of the two teams is given below, with the weight, position and playing experience of each player listed:
